## DUSTER REGATTA

Saturday is "D" Day for Riverton — Duster Day.

The first of the two days when the Second Annual Duster Races for the Halsey Trophy will be held under the auspices of the National Duster Yacht Racing Association, with the Riverton Yacht Club as the host for the weekend.

Before the week is over, two of America's leading radio commentators, Bob Trout and Lowell Thomas, both of whom have a keen interest in the younger generation, will have made every effort to tell the nation of this "soap box derby of the water" as this event is fast becoming known.

"Holiday", "Pathfinder" and other national magazines have seen the tremendous value of this Duster Championship and recognize it as one of the national sporting events of the year, always saluting the sailors of Riverton for conceiving the Duster and making it possible for the first time in yachting history, for the boy of moderate means to build and sail his own yacht, even though it is somewhat smaller than the boat of his dreams.

And so, even on Friday evening, by trailer and on the top of cars, visiting Dusters will start arriving in Riverton, each to win the coveted Fleet Admiral William F. Halsey Trophy awarded for the first time last year through the interest of Admiral Halsey and the co-operation of Riverton citizens.

The Flags will be out along Main street and Broad street to welcome the visitors. The Mayor and Council will be on hand to help give a lift to the strangers. A splendid group of prizes will be awaiting the contestants, and the Riverton riverbank from early Saturday morning until after Admiral Wood, on behalf of Admiral Halsey, awards the trophy late Sunday afternoon. And the United States Coast Guard, recognizing the importance of the event will detail three of its cutters to patrol the river and give all possible help to the contestants. On Saturday morning, as fast as they arrive and get their fleet racers rigged, the visitors will get their boats into the river for a swift tune-up and the first gun early Saturday afternoon.

By that time it is expected that the riverbank will be crowded with spectators, for the Philadelphia and Camden papers have recognized the importance of the event in local yachting circles and are planning to "cover" the races both before and after the regatta. This means that hundreds of racing enthusiasts will be on hand to watch the event.

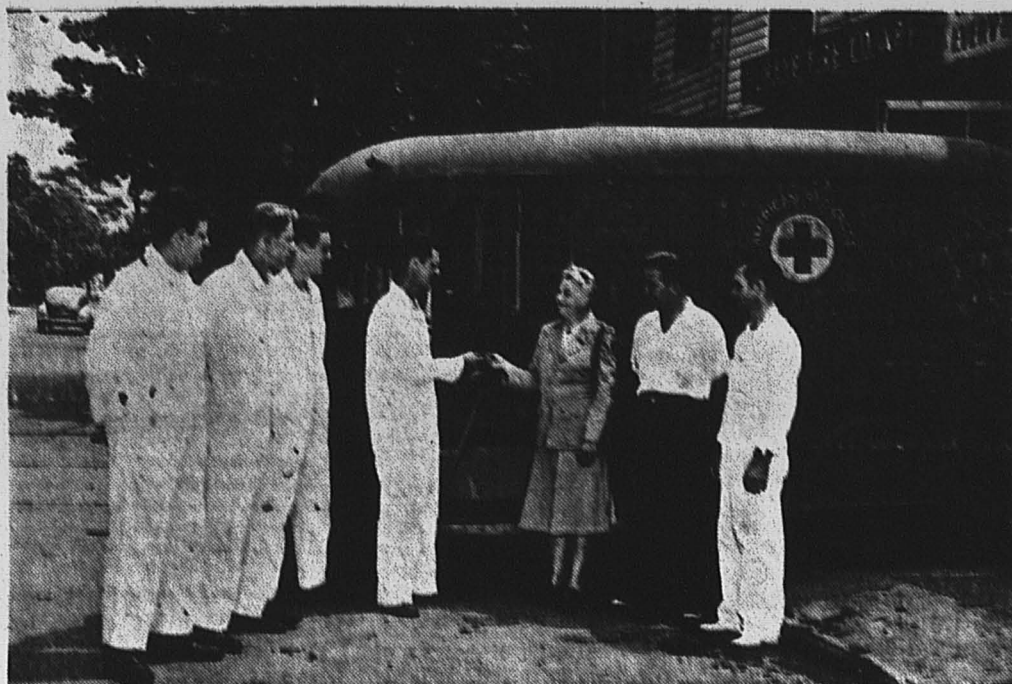

Following the first race Saturday afternoon, visiting skippers will be entertained at dinner by members of the Yacht Club and then will be invited to attend a dance in their honor at the Porch Club that evening. The public is invited to attend this affair which won such widespread fame last year.

On Sunday two more races will be held, one in the morning, the second in the afternoon with Admiral Wood awarding the Halsey trophy at the conclusion of the third race.

Asked if they would sail in the event of storm, the local skippers to a man, voted that they'd be on the river for anything this side of a hurricane—and in that vote were such well known skipperettes as Virginia Woodward, Nancy Ritchard and Barbara Lippincott, all of whom aren't talking much while they develop some very firm ideas as to just who will take home that Trophy!

At least ten other Yacht Clubs will be represented—so you'd better plan to be on the riverbank this weekend! You'll see some real racing. And it may be your last chance to see a national regatta in Riverton for the next few years. Next year's Duster Nationals may be held elsewhere.

## RED CROSS HELPS BORDENTOWN EMERGENCY SQUAD

Burlington County Chapter, American Red Cross, has loaned the large chapter ambulance to Hope Hose Company's ambulance corps to answer emergency calls until a new 1948 Cadillac ambulance is delivered to the Bordentown fire company about January 1.

The old ambulance in use for the past seven years was badly damaged in a skidding accident last month. Mrs. George A. Lorenz of Riverton, chairman of the Burlington County Red Cross Chapter Motor Corps, is seen turning over the keys of the Red Cross ambulance to Edward Green, head of Hope Hose Company's ambulance corps, while corpsmen and two county first aid leaders look on approvingly.

The corpsmen (to the left of Green) are Dudbridge Taylor, Joseph McGowan and William Warrick. At right near Mrs. Lorenz are Jerome Yentzer of Burlington, chairman of the Burlington County Red Chapter First Aid Committee and Earl W. Arey of Mount Holly, captain of America Emergency Squad and president of the Burlington County First Aid Council.

## JEAN GROFF REGAINS LEAD IN CONTEST

The contest for Miss American Legion really sizzled this week when Jean Groff turned in 6080 votes to regain the lead in the contest. This effort this week not only regained the lead for Jean but also made her high for the perfume donated by the Palmyra Pharmacy.

Dolores Dinn is a very close second this week and Dolores is not letting up for a minute. Watch these standings weekly and note the change in positions. Please make all returns Friday night at the town hall. In the meantime here are the standings to August 29.

Jean Groff	8890
Dolores Dinn	7360
Joanne Steckly	1980
Margaret Lundy	1950
Helen Moore	1320
Jean Landgraf	1120
Rose Marie Jenkins	1120
Janet Smalley	1080
Nancy Short	880
Mary Lou Williams	780
Emma DeVinney	770
Joan Smith	710
Ruth Phillips	620
Gloria Giangiordino	540
Joan Hawke	420
Joan Tranchitella	400

Watch the paper for new prizes to be awarded the winner of this contest next week should be a dandy and in the meantime don't forget the alarm clock which will be given by the Palmyra Home and Auto Supply to the girl turning in the most votes this week.

## NOTICE

The offices of Dr. J. C. Whitaker will be closed Thursday, September 11 until Thursday, September 18.

## NOTICE

After September 1st Office hours by appointment only.  
Dr. H. B. Mark.

The Misses Thelma Davis and Mildred Bauer, of Thomas avenue, Riverton, spent the holidays in Ocean City.

## EBERLY WINNER

Dick Eberly, top-seeded entry in the Palmyra and Riverton young mens tennis tournament, came from behind to score a 2-6, 6-4, 6-4, 6-3 victory over Hamilton Carson in the finals of the tournament played Labor Day afternoon.

Carson broke through Eberly's service twice in the first set to take an early lead, but Eberly evened the score by winning the second set after a see-saw battle. He then won a close third set and used his service to advantage in clinching the victory in the fourth set of the best of five set match.

Eberly had defeated Roy Farrow in the top-round semi-final match 6-0, 6-4, while Carson overcame an early disadvantage to defeat Chuck Thompson 5-7, 9-7, 8-6, in a three hour semi-final match in the bottom half of the bracket.

## TRAFFIC DEATHS DROP

In the face of a 33% increase in total traffic accidents, New Jersey traffic deaths have decreased 15% during the first seven months of the year, Motor Vehicle Commissioner Arthur W. Magee reported recently.

Fatalities number 333 as against 392 last year a saving of 59 lives. Fourteen counties have reduced their death record this year. They are Bergen, Burlington, Camden, Cape May, Essex, Hudson, Hunterdon, Mercer, Monmouth, Morris, Salem, Sussex, Union and Warren.

With the exception of Atlantic County where the record was unchanged from last year, six remaining counties had increases in deaths. July this year had 48 deaths, two less than the same month of last year. Of unusual interest in July was the fact that the four leading populous counties, Essex, Hudson, Bergen and Union kept their death records down to one fatality each. Gloucester County had the most deaths, eight, and Middlesex was second highest with six.

## RAILROAD RENEWS DRIVE TO REMOVE TRAINS

The Pennsylvania Railroad has renewed its application for the removal of several commuters' trains from the local branch of the railroad.

The trains under consideration are the same which aroused a storm of protest from the commuters last spring, with the result that the N. J. Public Utility Commission refused the railroad's request.

A hearing is scheduled before the commission at Newark on September 16.

Local interests are trying to have the hearing transferred to a more convenient place, like Trenton, Burlington or Camden, so that commuters in this section may be able to attend.

A renewal of last spring's battle before the commission is expected.

## PLAN TO ORGANIZE LEGION AUXILIARY

Arrangements are being made by the Frederick M. Rodgers American Legion Post 156 to have a meeting of the post auxiliary on September 17th at the Palmyra Borough Hall. The purpose of the gathering will be to reorganize the local unit again, and help the local American Legion carry out the Legion program on a larger basis in this area.

Mrs. Mabel Hunter, of Delanco, president of the American Legion Auxiliary in the county during the past year, along with Mrs. Margaret Stecker, of Roebing, president of the County Legion Auxiliary and her staff will be among those present.

According to Mrs. Hunter, there is an auxiliary organized in almost every community in Burlington County at the present time. Those eligible to be members of the local American Legion Post Auxiliary are wives of veterans, Mothers of veterans or sisters of veterans.

The officers of the American Legion post will be in attendance headed by Commander Lamon and Commander-elect W. Harold Thorn.

## Country Club Events

After a successful summer season, the Riverton Country Club has planned many gala events for its members and their guests. Heading this attractive list is the Carnival to be held on Saturday, September 13, at 5:00 p. m., a real family affair. Games have been planned for the children as well as the adults.

The dining room will serve a buffet from 6:30 to 8:00 p. m. and the fun will continue on into the night.

On Friday, September 12 Jim Gaynor will again be on hand to start the winter series of duplicate bridge tournaments. These tournaments will be held every second Friday of the month with play starting promptly at 8:00 p. m.

The first dance of the fall season will be held on Saturday, September 27 from 9:00 until 1:00 p. m. Dances are scheduled for every month of the coming year.

## DUSTER ASSOCIATION TO BE GIVEN DANCE

A dance sponsored by the Riverton Yacht Club will be given in honor of the National Duster Association at the Riverton Porch Club on Saturday evening, September 6.

Music will be furnished from 8 until 12 by Conway's Star Dusters. Members and friends of the club are cordially invited to attend the affair. Tickets are \$1.25, plus tax.

Visiting skippers and members of their crews will be the guests of the local club.

## BIDS REJECTED AGAIN

At a special meeting of Riverton Borough Council held on Thursday night of last week the bids for the general construction on the proposed veterans' apartment house were again rejected. The reason for rejection was because the figure exceeded the State allotment.

A new advertisement for bids appears in this week's issue of THE NEW ERA.

## CINNAMINSON CLERK TO REGISTER VOTERS

Harold R. West, clerk of Cinnaminson Township announces that he will register those not permanently registered to vote on Monday, September 15, as follows:

At the Parry Fire House, 7 to 8 p. m.

At the East Riverton Fire House, 8:15 to 9:15 p. m.

## CHANGES IN TEACHING STAFF AT SACRED HEART SCHOOL

Two changes in the teaching staff of the Sacred Heart School, Riverton, which reopened this week were announced last week.

Sister Marian Gertrude, B. A., B. Sc., will teach the first grade, formerly taught by Sister Maria Julia, who has been appointed Superior and Principal of a new school opening in Boston, Massachusetts.

Sister Eileen Marie, B. A., will teach the eighth grade, which was previously taught by Sister John of the Cross, who was appointed Sub-Mistress of Novices at the Motherhouse of the Sisters of Charity, Halifax, Nova Scotia.

Sister Marian Gertrude has taught for nineteen years in the Primary Department of the Halifax Public Schools. Sister Eileen Marie comes from Lowell, Massachusetts, where she taught the eighth grade for fifteen years.

Friends of the Sisters will also be sorry to learn of the transfer of Sister M. Claudina, who served here in the capacity of housekeeper, to a mission in Prospect, Nova Scotia. Her place will be filled by Sister Macrina, who was recently stationed in the state of Washington.

Sisters John of the Cross, M. Julia and M. Claudina left Sunday for their new appointments.

## YMCA BRIEFS

The Burlington County Y. M. C. A. office opened September 2nd after being closed a week while all staff members were on vacation.

The summer program of the Y. M. C. A. of the County largely came to a close when boarding camps Ockanickon and Matolioneau were completed and the day campers had their overnight camping experience. However, the Y. M. C. A. camps continue to serve very heavily through September.

Since the organized camp closed, the following have been in Camp: The North East Christian Endeavor for one week; The West Branch Senior and Intermediate Conference and the South Branch Christian Endeavor, last weekend all of Philadelphia, the Freshhold Football Squad this week Tuesday night the Burlington Young Men's Club for Dinner; this weekend, the Moorestown Baptist Abundant Life Camp for Young People and Young Adults will be at Matolioneau and at Ockanickon the Haddon Heights Young People's Conference.

With school resumed in many communities of the County, "Y" Club groups will be reorganizing and local boards of directors will be meeting to outline the work for the season. The County Executive Committee Meeting was held Wednesday evening and the County Group Work Committee meeting is scheduled for Monday evening.

The County Staff at the Mount Holly Headquarters is Clifford W. Ergood, Executive Secretary, George R. Keller, Associate Secretary, Paul Rotermund, Assistant and Edna Adams, Office. The YMCA Camp Staff at Medford, is William H. Douglas, Executive Director, Raymond Bunning, Superintendent of Grounds and Betty Horsfall, Office.

## BOY SCOUT NEWS

The Scouts of Troop 50 and the Explorers of Post 50 spent the past weekend camping at Camp Lenape the Burlington County Scout Reservation.

On Sunday the parents and members of the Council were invited to spend the afternoon and evening at the camp. Sixty people turned out and thoroughly enjoyed themselves.

Swimming and boating were the highlights of the afternoon, followed by an informal supper prepared and furnished by the Troop and Post committee.

In the evening, ceremonies were held around a campfire, with songs starting the program. Captain J. B. Ryan U. S. N. (retired), chairman of the council camping activities committee, presented the Troop charter and membership cards to the adult leaders. A. T. Howell, chairman of the Troop and Post committee, presented badges and awards earned by the boys during the summer months. The highlight of the campfire ceremonies was the awarding of an Eagle Scout Badge to Explorer Scout Jack Lundstedt. The rank of Eagle Scout is the highest rank that can be earned in scouting. Jack was also presented with a citation in appreciation of his fine work in scouting. J. Holland Heck, director of Camp Lenape, made the above presentation and also presented Jack's mother with a miniature Eagle Scout Badge for her interest in Scouting.

## TRANSPORTATION

The prompt development of a State-sponsored authority to develop the South Jersey area to the way in which the Port of New York Authority has developed North Jersey, with emphasis on high speed transportation, was urged today by Senator Arthur Lewis.

The Burlington County senator in

reply to a communication from the Camden County Mayor's Association, said he strongly favors action to meet the need for improved transportation in this area, and suggested that the problem be considered as part of an overall program for the planned development of South Jersey.

"Certainly better, faster transportation is essential if our section of the state is to attain the growth due it by virtue of its strategic location between the Delaware river and the Atlantic Ocean, and its proximity to large metropolitan centers," Senator Lewis said.

"Other factors also are important the realization of our goal eradication of river pollution; for example, and greater use of our port facilities, all are vital problems involving interstate operations and all should be worked out co-ordinately with Pennsylvania under a setup similar to the Port of New York Authority which has worked so well in North Jersey. "I am confident that Governor Driscoll would advocate such an approach, and I have been convinced for a long time that it is the only logical, practical way to handle so

## SUNDAY DINNER Suggestions

FRY them, boil them, bake them with meat, grind them as a seasoning agent or use them as a base for soup—no matter how you use the versatile onion, you will be sure to add an extra taste thrill to any meal.

This common garden vegetable was once native to Western Asia. It has been a favorite for centuries and is now grown in every part of the world.

Climate seems to have an effect on the flavor of this pungent vegetable. Those grown in the South, or in warm climates, are usually milder than onions raised in the North. All types can be found in today's markets, from mild and sweet to strong and pungent, and in sufficient quantities to satisfy all consumers of this taste-filled vegetable.

According to the A & P Service for Home-Makers, the uses of the onion are so varied that serving them depends only on taste preference.

Some people like them raw and sprinkled with vinegar, others like them pickled or fried in crisp rings. They can be boiled, creamed, used as a base for a delicious onion soup, used in salads or made into matchless onion sauce.

In the kitchen the onion requires little preparation. Usually it can just be peeled or sliced. A volatile oil gives the vegetable its characteristic taste and aroma. Its tear-producing effect can be eliminated by peeling the vegetable under water.

Cutting knives used in cutting onions should be kept especially for that purpose so they won't impart an onion flavor in the other food.

Other forms of the vegetable, onion powder, onion essence and onion salt are familiar to most cooks who use them as seasoning agents.

Boiled onions served in creamy white sauce will enhance a Sunday dinner of vegetable soup, roast chicken, baked potato with giblet gravy, tossed salad, fresh peach pie and a beverage.

"I urge the prompt development of such an authority under State sponsorship, with high speed transportation at the forefront of its agenda and the resources of our State, in co-operation with our neighboring Commonwealth of Pennsylvania, marshalled for a sincere and truly effective project that will set in motion forces of progress that will carry South Jersey to its great destiny."

LICENCES REVOKED  
Motor Vehicle Commissioner Arthur W. Magee reported this week that every effort was being made to cope with the reckless and incompetent driver as evidenced by a 27%

increase in driver license revocations during the first seven months of the year in New Jersey.

The number of revocations was 7,633 as compared with 5,991 in the same period last year.

"Nothing has a more sobering effect on the reckless motorist, shorn of his driving privilege, than the shock of suddenly finding himself a full-time pedestrian," commented the Commissioner. "The power to revoke licenses is the most potent weapon in the hands of the court."

Habitual violators removed from the roads totaled 669, a 56% increase.

**RIVERTON BOY DROWNS IN RIVER**

George E. Downs, 2, son of Mr. and Mrs. J. A. Downs, of 629 Thomas avenue, Riverton, was drowned yesterday when he fell into the Delaware while playing on a retaining wall at the foot of Broad street, Beverly.

Police said the child was visiting at the home of Mrs. V. Fawcett, 113 Delacove Homes. He and Joseph Fawcett, 8, wandered away and went to play at the wall by the river. When the children failed to return, Mrs. Fawcett sent her daughter, Susan, 8, to look for them. Susan discovered the body of the Downs boy floating near shore.

Members of the Endeavor Fire

Company Emergency squad from Riverside and Delanco worked for two hours in an effort to revive the boy. He was pronounced dead by Dr. Norman K. Bowen, of Beverly. Coroner Joseph D. Weber, of Mt. Holly, issued a certificate of death due to accidental drowning.

STEINER WINNER OF HALSEY TROPHY

Frederick N. Steiner, Jr., Riverton, won the Fleet Admiral William F. Halsey Trophy and the National Duster class sailboat championship in the second annual titular regatta on the Delaware River at the Riverton Yacht Club last Saturday and Sunday.

Sailing his 14-foot craft, Klunker, the former Navy fighter pilot, eighth in Saturday's series opener, captured the Sunday morning race amid strong southerly winds and finished a close second in the afternoon final of the three-event regatta to gain the title by one point with a total of 111.

This is Steiner's first year of sailboat competition since 1940. A week ago he won the Delaware River Duster class title.

Johnny Knight, Riverton, the defending Duster champion, finished seventh.

A field of 43 yachts started the Sunday morning race on the windswept course. Steiner got off to an early lead, and although Knight put up a battle for the first lap, Steiner was never headed. Knight crossed second, ahead of Bob Thomson, Riverton, while Joe Cherubini, Lakewood, placed fourth.

In the afternoon final 43 Dusters again lined up for the start and many heeled far over in the strong winds. Rounding the mark in front of the yacht club after the first lap, Curt Turner took the lead in his Stardust, with Steiner on his heels. Turner gained steadily as the prize battled all the way. Dewees Howell, who won Saturday, finished sixth.

The Admiral Halsey Trophy was presented to Steiner by Rear Admiral John E. Wood, U. S. N., on behalf of the wartime commander of the Third Fleet, who was unable to attend. Other awards also were made by Admiral Wood.

CURBING IMPROVED ON WARRINGTON AVENUE

At the meeting of the Cinnaminson Township Committee held on Tuesday night of this week, residents of Warrington avenue, East Riverton, voted 12-3 in favor of curb construction on the street. The project is to be of a local improvement nature and each property owner will be assessed on the basis of so much per linear foot.

After the curbs have been constructed the street will be repaved.

Residents on Park avenue were divided in their opinion regarding curbing of that thoroughfare and the matter has been held over until all property owners have expressed their opinion.

The ordinance regarding the matter will probably not be passed until the Park avenue situation has been decided.

Merrill Comet Winner

Owen Merrill, of Riverton, won the International Comet Racing Championship over the past week-end when he sailed his Barfly over the water of Lake Cayuga in three races. He placed first, second and fourth.

Harold Sheble, also of Riverton, sailing the Double Scotch, the boat that Philip Somervell piloted to the championship last year, won the Sunday race and placed second. Howard Lippincott, another Rivertonian, took third honors in the Circuit.

Somervell, defending champion, failed to place among the leaders. Merrill is the son of the late Edward K. Merrill, of Riverton, who also took the Comet championship several years ago at Porto Rico.

CINNAMINSON P. T. A.

The executive committee of the Cinnaminson Parent Teacher Association met at the home of the president, Mrs. Edwin Grubb, Jr., 1119 Garfield avenue, Palmyra, on Monday evening September 8, to plan the program for the coming year. At that time was voted to run a merchandise club to begin at the first meeting of the P. T. A. to be held on Monday evening, September 29, at the school. Anyone interested may contact Mrs. Edward Kapus by calling Riverton 9-0841-M.

The canning project, whose chairman is Mrs. Herbert Payung, reported canning 111 quarts of peaches and 75 quarts of tomatoes, to be used in the cafeteria during the current school season. They plan to can apple sauce soon and Mrs. Payung would appreciate having more members come out to help. Anyone interested please call Mrs. Payung at Riverton 9-1385.

CLUB MEETING

The first meeting of the Fall season of the Women's Club of Palmyra, will be held Monday afternoon, October 6, at the club's headquarters, Broad street, Palmyra.

Richard C. Hunter, Educational Department National Mental Foundation, of Philadelphia, will be the principal speaker. Mrs. Paul C. Weber, of Camden, reader, will also address the group.

Preceding the meeting, which will begin at 2:30 o'clock, a Welfare Luncheon will be held at 1 o'clock. Members of the Club will be contacted by the Welfare Department for luncheon reservations.

The best man was Mr. Burnett. Ushers included Mr. Thomas Bonner, cousin of the bridegroom, and Mr. Howard Blackwell, of Spartanburg; Mr. Patrick Whitlock, of Philadelphia, and Mr. Samuel Probasco, of Riverton.

Mrs. Voorhis wore a gray chiffon gown and the mother of the bridegroom, a black sequin-trimmed gown. Their corsages were of orchids.

POLICE PENSION

The question regarding the establishment of a police pension system in Riverton will appear on the ballot at the General Election and an important notice bearing on this question is published elsewhere in this week's issue of the NEW ERA.

As this question will have an important bearing on next year's tax rate, all property owners are urged to read the notice thoroughly.

A public hearing on the matter will be held Thursday, October 2, at 8 p. m. in the council room, Riverton Fire House.

JEAN GROFF RETAINS LEAD

Jean Groff this week retained the lead in the Miss American Legion contest and also won the alarm clock donated by the Palmyra Home and Auto Supply. HOME MANAGERS MEET

The regular monthly meeting of the Board of Managers of the Cinnaminson Home was held at the Home Monday, September 8th. There have been 19 patients at the Home during August and several of these patients are from our local communities. The total capacity of guests is 25 and the board of Managers was gratified to know that the Home is rendering service to near capacity.

There is a great need for patients to take advantage of the sun and fresh air. To aid in this, the Board of Managers of the Home would be grateful for donations of four or five Army cots to be put out on the lawn or porches for the patients to use.

Anyone having an army cot which they could donate, please telephone Mrs. Grimley, Moorestown 9-0987 who would be pleased to make arrangements to call for same.

PALMYRA WOMAN'S CLUB

The Palmyra Junior Woman's Club will open the new season September 15, with a covered dish supper. The theme for the evening will be "Back to School Again," and there will be games and fun for all. Virginia Scheff is supper chairman and will call the girls to make sure everyone doesn't bring the same dish! Supper will be at 6:30 in the Club House.

NOTICE

The office of Dr. Charles Street Mills will be closed from September 13 to September 22.

Mrs. Alfred Smith and daughter, Mrs. Emma Munch arrived last week from Ephrata, Pa., to make their home at 412 Main street, Riverton. Mrs. Smith and her daughter were former residents here.

OPPORTUNITY TO HELP FAMILY IN NEED

Clothing is urgently needed for the children of a family of 10 whose home was burned out. Underwear, trousers, shirts, dresses, slips, socks and shoes are required for boy 11 years size 10; girl 9 years size 7; girl 7 years size 6; boy 5 years size 8; girl 4 years size 5; boy 3 years size 4; boy 1½ years size 3; baby under a year.

Please look over your children's outgrown clothing and send what ever you can to the Welfare Office 2nd floor over Keating's Drug Store, entrance on Broad street. Office open 9 to 1 daily except Saturday.

Clothing and underwear, size 16 is also needed for an elderly lady.

Home Ruined by Fire

Damage amounting to several thousand dollars was caused by fire on Monday afternoon of this week when flames swept through the upper floor of a two-story frame dwelling located at 410 E. Broad street, East Riverton. The two-family structure is occupied by the owner, Miss Annie Cooper and the Roberts family.

When first discovered, the fire was apparently confined in a bedroom on the second floor. By the time the East Riverton Fire Company had a line of water on the blaze it had spread through the upper story and was roaring through the roof. The Parry firemen also laid a 2½ inch line when they responded on a second call. These two companies were also aided by apparatus from Riverton and Palmyra and several booster lines were employed in combatting the flames.

The entire roof was destroyed and the upper floor ruined. Water and smoke damage was also heavy on the ground floor.

Dense black smoke pouring from the building and the sounding of several sirens attracted a large crowd to the scene. Broad street on the north side was completely closed to traffic which was routed over the railroad on the south side highway to Union Landing road.

The cause of the fire is unknown.

WESTFIELD FRIEND'S NOTES

Westfield Friend's School will open for its 160th year on Tuesday, September 16th, with the regular schedule of classes from 9 a. m. to 3 p. m.

The only change in the personnel will be in the music and art departments. Mrs. Henry E. Gregg, of Palmyra, will have charge of the music. Mrs. Gregg comes to us highly recommended, having had many years of experience in all phases of the music field. She is a graduate of the University of Colorado where she received her degree of Master of Arts. She also studied at Queen's University in Ireland.

Her experiences in teaching have led her into various parts of the country where she has held positions of Director of Music. Her last experience was Music Director of the Audubon Schools in New Jersey. Mrs. Gregg is well known for her broadcasting on the Sunshine Hour which she has been doing for the past nine years.

For art work, the school is fortunate in securing Miss Eva Graetz of Philadelphia, who is now associated with Friend's Central School. Miss Graetz had training in Berlin, Germany. She graduated from the Berlin Teacher's College of Handicrafts and Drawing. She then taught for three years in Dr. Goldschmidt's School in Berlin which was an extension of the University of Cambridge, England.

The next seven years she was assistant and teacher at the Haselmire School which was also, connected with the University of Cambridge. During the summers in England she taught in the Anna Freud Nursery

School which was sponsored by the American Foster Parents Association. Since coming to the United States, Miss Graetz has been in Philadelphia and has been teaching at Friend's Central School in Overbrook, Pa.

A number of improvements have been made on the school and surroundings and everything is in readiness to start the new term.

Special School Election In Cinnaminson

A special meeting and election of the legal voters of the School District of Cinnaminson Township will be held in the public school on Thursday evening, September 25, the polls to be open between the hours of 7 to 9 o'clock.

At the meeting the voters will be asked to decide whether or not the sum of \$6,000.00 shall be appropriated and borrowed for the purpose of repairing the school buildings.

The sum appropriated for repairs in the current budget has been exhausted and it is necessary to hold a special election in order to obtain additional funds for this purpose.

The entire notice of the election appears elsewhere in this week's issue of THE NEW ERA.

RIVERTON SCHOOL NEWS

Increased enrollments in every grade marked the opening of the Riverton Public School on September 8th. A record high of 30 pupils reported to Kindergarten, probably necessitating dividing the group into a morning and afternoon session. The total enrollment on the first day of school was 203, with five more pupils enrolled but scheduled to report within a day or two. This total of 208 pupils is 30 more than the 178 who reported on the first day of school in September 1946.

The opening day activities consisted of a four hour session of school, followed by a faculty meeting presided over by the newly appointed building principal, Frank E. Groff. Dr. John B. Geissinger, Advisory Supervisor, addressed the group briefly.

At the regular September meeting of the Board of Education a report was submitted on the repairs and painting done during the summer.

A recommendation was also made and approved to authorize a survey of the school sometime during the next month to determine the current standing of the school and to point out respects in which change is needed. This survey is to be made by an impartial committee of school administrators and supervisors of this area, to be appointed by Dr. Geissinger. Further information about this will be submitted to the Board of Education and to the community at a later date.

A plea was made to the Board of Education and is repeated here to the friends of the school to help the principal to secure a home in the community. Some houses are available for sale at an exorbitant price, but to date no information has been forthcoming about a house for rent. If anyone hears of a house which is or will be available, the information will be much appreciated by Mr. Groff.

flower thereof falleth away: But the  
word of the Lord endureth for ever."  
(I. Pet. 1:24,25) Correlative pas-  
sages from "Science and Health with  
Key to the Scriptures" by Mary  
Baker Eddy include:

"Every object in material thought  
will be destroyed, but the spiritual  
idea, whose substance is in Mind, is  
eternal." (p. 267) "Mortals must  
look beyond fading, finite forms, if  
they would gain the true sense of  
things. Where shall the gaze rest  
but in the unsearchable realm of  
Mind?" (p. 264)

Tuesday evening, September 9th. The  
report on the Carnival, held last  
week showed it was a considerable  
success. The lights proposed for the  
route of parade will apparently be  
made available depending upon the  
success in raising the funds to defray  
the cost.

All persons or organizations who  
intend to participate in the Hallo-  
we'en Parade will be required to re-  
gister at Palmyra Borough Hall or  
Riverton Fire House, October 28th  
and 29th, from 7 to 9 p. m., October  
31st, from 1 to 5 p. m. It has been  
deemed necessary that this registra-  
tion be strictly adhered to, as all per-  
sons not properly registered will be  
ineligible for the prize awards.

In addition to the eight bands  
previously reported available for the  
parade, the Burlington MacFarland  
Post Drum and Bugle Corps will be  
on hand.  
It has come to the committee's  
attention that a number of very fine  
floats are being constructed by indi-  
viduals and organizations.  
The finance committee will, in the  
near future, make a drive for contri-  
butions among our public spirited  
businessmen, fraternal and civic  
organizations.

## There's a lot to talk about these days...

**YOUNG AMERICA** is doing a lot of  
telephoning now that school has  
started again. There are vacation adven-  
tures to talk about... new classes to  
discuss... plans to be made for after-  
school activities.

In many New Jersey communities most  
residence telephones are on party lines,  
and good service on party lines depends  
upon neighborly sharing by every user.  
That's why it's important to: (1) Keep  
calls reasonably brief. (2) Allow time be-  
tween calls. (3) Release the line when  
some one else must make an emergency  
call. Then everybody has better service.

# EPWORTH METHODIST CHURCH

Fifth Street and Morgan Avenue  
Palmyra  
Rev. W. Neal Raver, Minister

The session of the Church School offering Christian education for every age group. Come with your children to the period of instruction and fellowship this Sunday at 9:45.

11:00—Morning Worship service. The pastor's sermon theme, "At Our Wit's End" will be based upon the text from the 107th Psalm, "They reel to and fro, and stagger like a drunken man, and are at their wit's end." Mrs. Rachel M. Lord will be at the console and Miss Ida Mae Good will be the guest soloist. A Church Nursery and Kindergarten are conducted during the service for the younger children. Mr. and Mrs. Robert S. Milligan and Mr. and Mrs. William F. Graden are the hospitality committee for this month.

7:45—Evening Worship in the sanctuary with the sermon by the pastor, Miss Stella McCay will be heard in the offertory solo. Close the Lord's Day in His House. Church Calendar

Monday at 6:30—Church School Workers Conference and Supper in the Fellowship Room. Superintendent Ballantyne urges your attendance.

Thursday at 8—Shining Hour Class "Guest Night" in Fellowship Room.

Friday evening and Saturday—"Young Adult Retreat"—Conference Center.

The Altar flowers last Sunday were given in memory of Mr. Harry A. Sauerwein by his family.

# CALVARY PRESBYTERIAN CHURCH

The Rev. R. B. Stewart, Pastor  
Fourth and Lippincott Ave.  
Riverton, N. J.

Many of our children and young people, who returned to school a few days ago, remembered last Sunday morning that there is a Church School that meets each Sunday morning at 9:45 a. m. There were a few who forgot. Next Sunday morning we expect to have all our classes at full strength, and of course we want our boys and girls to bring with them any of their friends who may not have a Church School of their own. The Semper Fidelis Bible Class for ladies and the Men's Bible Class meet each Sunday morning at 9:45 a. m.

The Church Nursery will re-open next Sunday morning. Babies and children up to eight years of age will be cared for during the morning worship hour. Miss Mary Jane DeCoursey will again supervise the nursery and will be assisted by mothers and girls of High School age.

Morning Worship begins at 11:00 a. m. During the month of September the morning messages will be from the Epistle to the Ephesians. A careful reading of the first chapter of this vital letter to the churches would be profitable. The topic of the first message (Ephesians 1:10) will be, "What is God Doing?" As part of their ministry of music the Calvary Choir will render the anthem, "The Heavens Are Telling," by Beethoven, and Mrs. Penn Cooper will render the solo, "How Lovely Are Thy Dwellings," by Liddle.

Senior young people (age 14 and over) will meet at the Manse on Sunday evening from eight to nine o'clock to continue the study of the "Westminster Fellowship" plan and program. All interested young people will be made welcome and will enjoy this hour of study and fellowship.

Session members, trustees and church officers should note that the special meeting of the Presbytery

of Monmouth, called for Monday evening, September 15, at 8 o'clock, will be held in the Freehold First Presbyterian Church, Main and Brinkerhoff avenues, instead of the Hightstown Church, as previously intimated. As many church officers as can possibly do so should plan to attend this vitally important meeting of Presbytery.

Members of the "Ushers' Association" will meet at the Manse on Tuesday evening at 8 o'clock.

The opening meeting of the "Good Fellowship Club" will be held on Friday evening, September 19th.

# CENTRAL BAPTIST CHURCH

Palmyra, N. J.  
The Rev. S. Dan Morgan  
Pastor

Vacations are about concluded. As we enter the Fall and Winter seasons, "Central Baptist" with our minds refreshed and our bodies strengthened, let us meditate on these words found in last Sunday's issue of the church bulletin, "Our great responsibility, before God and man, is to tell the Story of Christ. His love, grace and compassion. There is no better story. Christian Missions begin, for us, in Palmyra. There are many here who need Christ, and faith in Him as Saviour, Lord and Deliverer. What greater pleasure can one have than that which comes through bringing a person to Christ?"

You, your family and friends are very cordially invited to make "Central Baptist" your church home if you are not otherwise affiliated with any church.

Services, Sunday, September 14th. Adult Men's Bible Class, 10:00 a. m.—This class welcomes all men to join them in their hour of Christian education and fellowship every Sunday in the church auditorium. Bible School, 10:00 a. m.—As Assistant Superintendent, Norman Todd, has already emphasized, the members of the school are urged to

get back to the movement to have all vacant chairs in the school filled by their neighbors and friends who have not been attending any Bible school. Yes, we are over 1000 ahead of last year's attendance, but there is room for more.

Morning Worship, 11:15 a. m.—A unique and thought provoking subject, "Where Did You Get It?" will be the Pastor's message to the congregation. The worship in music will be the selection by the choir, "If Ye Love Me," by Simpson.

Claude Y. Barro, directing, with Mrs. A. E. Lilley at the console. B. Y. F. 6:45 p. m.—The Baptist Youth Fellowship is now in full swing, so come out. It meets in the Sunday School auditorium.

Evening Worship, 7:45 p. m.—"What Must We Do With Jesus" will be the subject of the sermon by the Pastor. An appropriate anthem, "Seek Ye The Lord," by Roberts will be offered by the choir.

Church Calendar  
Wednesday, September 17th—Mid-week Prayer and Praise Service, 8 p. m. in the Sunday School auditorium.

W. Rex McCrossen, a member of the local American Legion post and head of the Vineland Soldiers Home will be the speaker at the monthly social meeting of Frederick M. Rodgers American Legion Post 156 at the Palmyra Fire House Tuesday night.

McCrossen a member of the National Rehabilitation Committee of the American Legion will speak on the various resolutions discussed and enacted upon at the National American Legion Convention held in New York recently. He was one of the two county delegates to the National American Legion Convention.

In giving due recognition to the Riverside Bugle and Drum Corps a letter has been sent off congratulating the Riverside group by the Palmyra post. The Riverside group placed 2nd in the nation at the National Bugle and Drum Corps competition held during the American Legion Convention in New York.

Questions were asked at the meeting of the possibilities of getting our own Palmyra Bugle and Drum Corps going once again. Horace Rowland, head of the committee, stated that meetings were called in November and again in January of this year seeking veterans in this area to reorganize the musical unit. Interest at that time seemed lacking on the part of the veterans here to reorganize.

The bugle corps committee composed of Hobart I. Wright, Raymond H. Fichter Jr., Walter Hunt and Horace Rowland stated that they would like to see the post have a corps once again and emphasized they will continue to do whatever they can to aid in the reorganization.

within the post for they still have the equipment used prior to the war by the corps. Men are needed here to fulfill this project more than the uniforms or the place to practice at the present time.

Many of the World War II men of the local post in visiting the National American Legion convention have learned from the public outside of this area of the reputation the Palmyra senior Bugle and Drum Corps. Hence, today many a legionnaire in another community in the East inquires of members of the post what happened to the Palmyra Bugle and Drum Corps.

George W. Luce, chairman of the building committee, of the post reported that though another month passed the only thing holding up progress at the site of the future home is that there is still a tax title lien on one of the seven lots. Work on this problem has been in the hands of Palmyra's Borough Solicitor, Albert McCay.

Arrangements are being made by the installation committee of the post headed by Russell S. Musser for the coming year by County Commander Joseph Butler of Medford and Charles Sweetman of Rockledge, the latter County Commander elect, on Tuesday, October 7.

within the post for they still have the equipment used prior to the war by the corps. Men are needed here to fulfill this project more than the uniforms or the place to practice at the present time.

Many of the World War II men of the local post in visiting the National American Legion convention have learned from the public outside of this area of the reputation the Palmyra senior Bugle and Drum Corps. Hence, today many a legionnaire in another community in the East inquires of members of the post what happened to the Palmyra Bugle and Drum Corps.

"HEADQUARTERS FOR AUTOMATIC HEATING"

Big engines... long trains  
mean lower cost. to you!

But union leaders want 'half-trains'—double crews!

Big locomotives are built to do a big job in the big country which is America—a big job in peacetime as in wartime. They are built to pull long trains.

Long freight trains can handle more goods at less cost—to you—than short trains.

Long trains mean fewer trains—fewer chances for accidents—fewer interruptions to traffic.

But a few railroad union leaders oppose long trains—among their current 44 demands for changes in rules is one limiting the length of freight trains to 57 average cars. Why do they demand this?

For "safety," they say. But is it? Government figures show definitely that long trains mean greater safety to railroad employees and public alike.

Then, if safety is not the real reason—what is the reason behind this demand? It is to make more jobs which are not needed—to get more pay! This "made work" would be sheer waste. Think of big, modern locomotives using only half their power.

For this waste, you—the public—would have to pay. Higher costs mean a lower standard of living for everybody. Nobody wants that!

## Here's the record...

In the quarter century... 1921-1946...

Average length of freight trains has gone up.....	39%
Average speed of freight trains has gone up..	39%
The rate of injuries to railroad employees has gone down.....	60%
Average wages paid railroad workers have gone up.....	84%
Price of railroad materials and supplies has gone up.....	58%
Railroad taxes have gone up.....	76%

But the average charge by railroads for hauling a ton of freight one mile has gone down..... **23%**

## REV. STEWART DESCRIBES TRIP

Rev. Robert B. Stewart, Pastor of Calvary Presbyterian Church, on September 11th told his Rotary brothers some of the experiences he had in his recent trip to England, Scotland and France while visiting with his parents in Scotland.

Rotary treasurer, Howard B. Conover, arranged for a Bon Voyage basket of fruits and sweets to be delivered to Bob and his wife after they were out 24 hours on the Queen Elizabeth. The Reverend and Mrs. Stewart saved the package for his parents who had not seen oranges and apples for several years. His mother put the package out for display saying "It looks so beautiful."

Every stop on their way from Liverpool through London to Glasgow called for detailed questioning from attendants on what was in the basket. They would all comment on how happy the recipients would be and advised them to keep a close watch on the basket. Fresh fruits are almost unknown in the British Isles, due to high cost and lack of dollar exchange.

Bob had to wait almost an hour in London at mid-night for a taxi. He found there was no use in looking up a telephone office because the message would not leave before 7 a. m. At one point it was necessary to walk almost a quarter mile between train stations as no conveyance was available. One train took fourteen hours to make a trip scheduled for seven and one-half hours. They were without food for almost a full day because no restaurants were open and the train had no diner. They were tempted to eat some of the fruit and candy in the Bon Voyage package, but did not.

The Stewarts met many Rotarians on the Queen Elizabeth going over and the Queen Mary coming home. International Peace was the subject of talks at five of the six Rotary meetings attended while away from his home group. Supper at a meeting of the Hamilton Club on the lawn of an ancient Castle, which was being visited, consisted of two cups of tea and two cookies.

Reverend Stewart spoke on International Peace before the Hammett Club. He was followed by a member of England's Peace Committee, a former President of the Nottingham Club, who also spoke on International Peace and made many references to articles read in American magazines.

Reverend Stewart told about the heavy bomb damage to large sections of cities and how safe the Londoners were in the sixty foot subway in London.

Rotarian Bob Adams met the Stewarts in New York, solving the problem of getting them and their baggage back to Riverton.

## P. O. S. of A.

Washington Camp No. 23 of Palmyra will have open house on Monday evening, September 22nd, at 9 p. m., in the second floor of the P. O. S. of A. Hall.

The general public and especially high school seniors are invited to see the movie "Magazine Magic."

The Asbury Methodist Church, Route 25, Cinnaminson is sponsoring a bus to Ocean City for the Annual Methodist Conference which is being held there. The bus leaves East Riverton Firehouse at 7:00 a. m. Sunday, September 28 and will make stops at the Bridgeboro and Moorestown Methodist Churches. Anyone wishing to go please get in touch with Rev. G. E. Shaw of Bridgeboro, phone Riverton 4-0972, and make your reservations not later than Tuesday, September 23. Round trip is \$2.00 and the bus will leave Ocean City on its return trip about 9:30 p. m.

The husband, William T. Wilson, 59, of 602 Parry avenue, Palmyra, and his wife, Mary, 55, were rushed to Cooper Hospital, in the Delaware Volunteer Fire Co., ambulance. He was found to be suffering a compound fracture of the left leg. She suffered a possible skull fracture and facial lacerations.

Wilson, who was driving, has been employed for many years as a deck hand on the Pennsylvania Railroad ferries.

## RIVERTON P. T. A. TO HOLD ITS FIRST MEETING

The first meeting of the Riverton Parent-Teachers Association will be held Wednesday afternoon, September 24, at 3:30 p. m. in the school auditorium.

Mr. Frank E. Groff, Riverton's new principal, will speak on "Growing Up, Today."

At 2:00 p. m. there will be a meeting of the Parent Education Group under the direction of Mrs. William Zaun to be held in the library. Topic of the meeting will be "Suppose They Don't Like School." All members and friends are urged to come out and enjoy this afternoon of P. T. A. activities which has been planned for your pleasure. Become acquainted with your children's teacher and the mothers and fathers of Riverton; enter in the Parent Education Group meetings and do your part to help make this a good year.

There will be attendants to care for your small children, so bring them along.

## MATHEWS SPEAKER

Congressman Frank A. Mathews, Jr., of Riverton, was the speaker last Thursday evening at the meeting of the Palmyra-Riverton Lions Club. The Congressman told of a number of interesting incidents that occurred on the floor of the House during the past year and spoke also regarding our foreign policy.

He stated that this problem requires very serious study and asserted that we must find out what we can do to help foreign nations help themselves. Mr. Mathews said that loaning money will not necessarily solve the problem. He said it is up to us to ascertain what is to be done with the money—something he has not yet been able to learn concerning the three and one-half billions loaned to Great Britain which, incidentally is just as bad as it ever was.

## RIVERTON COUNTRY CLUB NEWS

The entertainment committee of the Riverton Country Club is to be congratulated on their fine party this past Saturday. Judging from the crowd that attended, the Carnival was a tremendous success. Approximately three hundred members and guests participated in the many games of skill. The large group of children particularly enjoyed the fish bowl of prizes, pin-the-tail-on-the donkey and pitching darts at the balloons.

Local members were generous with their time helping out the committee. At the different booths were Howard Coe, Carter Ferguson, Dick Graff, Dave Laughlin, Don McBrien, Tom Murphy, Memphis Nevitt, Al Ryan, Carvel Sparks, Carm Tyler and Dick Woodward. Mrs. James H. Barker and her committee did a grand job of decorating the booths in festive colors.

The first dance of the Fall season will be held on Saturday, September 27 with music under the direction of Mendel Tuba. Mr. and Mrs. James H. Barker and Mr. and Mrs. Richard M. Graff will be the hosts and hostesses.

On the other hand, the average wage for boys in the help wanted column was \$7 per week.

## INJURED IN CAR CRASH

A man and his wife were injured last night, the latter critically, when their car skidded and crashed into a pole on River road at Bridgeview road, Pennsauken Township on Monday of this week.

The husband, William T. Wilson, 59, of 602 Parry avenue, Palmyra, and his wife, Mary, 55, were rushed to Cooper Hospital, in the Delaware Volunteer Fire Co., ambulance. He was found to be suffering a compound fracture of the left leg. She suffered a possible skull fracture and facial lacerations.

Wilson, who was driving, has been employed for many years as a deck hand on the Pennsylvania Railroad ferries.

## PORCH CLUB SPEAKER

The opening meeting this year at the Porch Club is the luncheon October 7, at 1:00 p. m. Please make reservations with Mrs. Gilbert Coe, Riverton 9-0532, by October 4.

For "food for thought" we are to have Dr. Felix Wittmer, who is known as an analyst of world affairs. His topic is "Russia's Place in World Events." He holds certificates from European universities and has taught there and in colleges here. He is a graduate of New Jersey State Teachers College at Montclair. His "Flood-Light on Europe" has been hailed as a remarkable prediction of recent world events.

He has lived in all important countries, and has traveled extensively through three continents. He was a witness of Hitler's beer hall putsch, an attempted assassination of Mussolini, and street fighting in Spain; and has been followed by Nazi spies through half of Europe.

NEW CREDIT PLAN AT WINTERS TEXACO SERVICE

Starting today a new type of convenient credit plan is being offered by Winters Texaco Service operated by A. B. Winters and Paul Burke. This new service is known as the Thrifty Budget Plan, and is designed to meet the needs of all persons who desire to purchase on extended terms at either station—816 Cinnaminson avenue, Palmyra, or Broad street and Linden avenues, Riverton.

In announcing this new service, Mr. Winters stated, "Because many of our customers like the idea of buying quality merchandise and paying for it out of income, we're glad to announce a new credit plan that cuts the cost of credit buying to an all-time low." In addition to car repairing for all makes of cars, the principle merchandise which will be featured in connection with the new service are: B. F. Goodrich tires and batteries; Mantola and Motorola home and auto radios; heaters and many other useful items.

Manager of the new Thrifty Budget Department is Merritt Geary, formerly of Mt. Holly.

## PRICES 40 YEARS AGO

A Riverton resident recently left a copy of the Philadelphia Record dated March 1, 1907 in The New Era office. Some of the prices advertised show a most decided contrast with present day costs.

Among the items listed are the following:

We are invited to visit the Freedom train when it arrives in Philadelphia this week. In this train will be exhibited various precious documents or copies of them which have figured in the birth of our Nation. The object of this traveling mission is to bring us to a fuller appreciation of the freedom which we now enjoy as citizens of this great Nation. And then to humbly rededicate ourselves for the continuance of these fine principles laid down before us by our forefathers. Let us visit this Freedom train and not only rededicate ourselves to the cause of freedom, but to the God of the Universe who has guided these men who fought, died, and ardently worked for the interest of freedom, the Master of Men who so wonderfully blessed us as a Nation.

You have the privilege of rededicating and acknowledging these benefits by worshipping Him in your respective church. Not only for one week but throughout your whole life. If everyone would accept this as his privilege and duty, the chaos in this world today, the threatening of peace, and the unrest in our very bones would be a thing of the past.

drop under the sun's rays. You and your family are invited to rededicate yourself to the cause of Christianity every week at the services in "Central Baptist," the home-like church.

Rev. W. Neal Raver, Minister

Fourth Sunday in Kingdomtide

September 21

9:45—This is "Promotion Day" in

Epworth's Church School. You and

your children will want to be present

for the program. Classes are

provided for all age groups from the

nursery through the adult classes.

There is a class for you.

11:00—Morning Worship with the

sermon by the pastor on "Securing

Emotional Poise." Rachel M. Lord

will be at the organ console and the

male quartet composed of Messrs.

George Reynard, Robert Strahan,

Elwood Johnson and Thelberg King

will be heard in the offertory selec-

tion. A church nursery and kinder-

garden are conducted during the wor-

ship hour for children, 2 to 8.

7:45—Evening Worship service

with the sermon meditation by the

pastor and the offertory solo by Mil-

red Bauer.

Church Calendar

Week of September 21

Monday at 8—Boy Scouts "Parents

Night" in the gymnasium.

Thursday at 3—Opening session of

the N. J. Annual Conference in

Ocean City. Epworth will be re-

presented by the pastor and Edwin

A. Griscom, Lay Delegate and Ar-

thur R. Mandeville as alternate. The

Conference ends, Monday, September

22.

The Altar flowers last Sunday

were given in memory of Daniel

Sunday, September 21

9:45 a. m.—Students of the Church

School are reminded that the Senior

Assembly (Juniors, Intermediates

and Seniors) will be held next Sun-

day morning in the Sanctuary. All

other departments will meet in their

regular places. The annual "Rally

Day" service will be held in the

Church School auditorium on Sun-

day, September 28. The Semper Fi-

delis Bible Class for ladies, the

Men's Bible Class, and all depart-

ments of the Church school convene

promptly at 9:45 a. m.

11:00 a. m.—Divine Worship in the

Sanctuary. Continuing to seek in-

spiration and guidance from the first

chapter of Paul's Epistle to the Eph-

esians, the morning sermon will be

an examination of Paul's concept of

"The Church, Which Is The Body

Of Christ." The Calvary Choir will

render the anthem, "Jubilate Deo in

C." by Eyer, and the solo "How

Lovely Are Thy Dwellings," by

Liddle will also be rendered as part

of morning worship.

For the convenience of parents of

small children a Church Nursery is

conducted each Sunday morning dur-

ing the worship hour under the su-

perintendence of Miss DeCoursey.

6:00 p. m.—Junior Choir. Next

Sunday evening and on the following

Sunday evening at six, the full hour

will be devoted to Junior Choir work.

All children, now in the Fourth,

Fifth and Sixth grades, are eligible

for membership in the choir.

As these first two hours will be

set apart for orientation and planning

it is important that all children in

this age group, particularly those in

the Fourth Grade should be present.

The Junior Choir program will be

conducted by Mr. Farrow and Mrs.

Bell. The complete Sunday evening

junior program (leadership training

and choir) will begin on Sunday eve-

ning, October 5th.

# ing Committee has been busy with

plans to decorate the windows of the

Spring Garden street school's teacher

room, and also welcomed the teachers

to the new term with bouquets of

flowers on their desks on the open-

ing day of school.

Important in the list of innova-

tions for the year is the new system

of program direction. This will be

run by a central committee who will

have under them six different couples

each month to plan the complete

program, a method which should in-

sure sustained interest and novel

ideas throughout the year.

The officers for the year are: pres-

ident, Mrs. Henry Naisby; vice-

president, Mrs. Albert McFall; se-

cretary, Mrs. Ralph Custer; treas-

urer, Mrs. Harry Strang; corres-

ponding secretary, Mrs. G. H.

Knouse.

Mrs. Henry Naisby has appointed

the following as chairman: program

co-chairmen, Mrs. Albert McFall,

Mrs. Morton Steinau; membership,

Mrs. A. Carite; ways and means,

Mrs. P. M. Heisler; hospitality co-

chairmen, Mrs. James Johnston,

board about the former principal.

How can they be sure that they will

agree any better with the school

board of another town? There is

less material on which to judge an

outside principal than for judging a

Riverton principal. What acceptable

proof is there that any or all of the

selections have enough authority to

make an adequate survey? The fact

that they have been hired by other

school boards is not enough.

In the second place, if the princi-

pals selected come from nearby, will

not some or all of them be from Bur-

lington County and subject to the

authority of the same Superinten-

dent? Whether or not they would

be tempted to curry favor by slant-

ing their deductions in one direction

or the other is not important. The

important thing is that enough citi-

zens of Riverton may THINK the

report is biased to make it appear

worthless to them. Should they be

told truthfully that they have the

best school possible, it would do no

good if they did not believe it.

Nearby universities with teacher

training courses have facilities and

are in the practice of making such

surveys. I believe the authority of

their report would be accepted with

more general confidence.

NOTE TO PARENTS OF KINDERGARTEN CHILDREN

Lutheran Church Section

We regret that it has been necessary to schedule one of our three kindergarten sections in the Sunday School room of the Lutheran Church instead of in our school building. However, our enrollment has increased so greatly that we now have three sections of first grade instead of the previous two, and three sections of kindergarten. Therefore, we must use our previous kindergarten library for a first grade class.

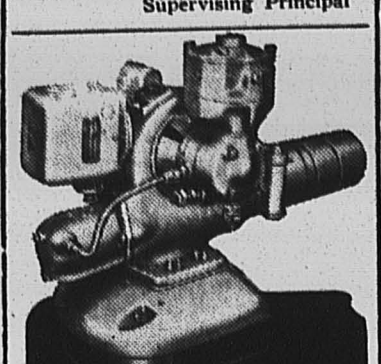

It is extremely fortunate that we have been able to find such a fine room in which to place these children. We are very grateful to the authorities of the church for making it available to us. The room is a large, well-lighted room on the main floor of the building, with plenty of windows, a highly polished floor, thermostatically controlled oil heat, a toilet and washroom next to the classroom, and modern tables and chairs especially chosen for kindergarten and primary grade children. A rug has been moved from the school to the new classroom and a special nursery-type linoleum has been ordered.

Several problems have arisen with regard to setting up this class in a new location: selection of students, playground space, and traffic protection. Students were selected in the order of their registration with other factors where the personal element might enter. At dismissal, the teacher will accompany pupils who live west of Cinnaminson avenue across Garfield and Cinnaminson avenues. In the morning, protection will be given at Cinnaminson and Broad and we are hoping that traffic lines will be painted on the Garfield-Broad intersection. Children living

across the railroad are required to cross at the traffic light, where an officer is on duty at all times. We have not yet solved the playground problem, but we hope to cope with it before long.

We beg your indulgence and patience in this difficult matter. This is not the most desirable arrangement at all, but we are clearly faced with an emergency. Next year the problem will be even more serious, according to all predictions. Our only ultimate solution is a new building. The Board of Education is studying this matter and will have a report in the near future.

OLD CRUISER GOES AGROUND HERE

Probably the largest ship to come up the Delaware river aground on Monday of this week as it was being berthed by six tugs at the ship scrapping plant across the Delaware from the Riverton Yacht Club.

The vessel is the U.S.S. Seattle, the first naval craft to be built by the N. Y. Ship, and was commissioned as the heavy armored cruiser Washington in 1905. She is 504 feet in length with a 73 foot beam and has a draft of 24 feet. The rated speed is 22 knots. The main battery consists of four 10 inch guns.

Since the type was already becoming obsolete at the time of World War I, the Seattle was used chiefly for convoy duty and its name had been changed from the Washington because of the fact that a new battleship was to receive that designation.

The Seattle's period of greatest glory was probably in 1927 when it was administrative flagship of the Fleet.

During World War II it was used as the receiving ship at the New York Navy Yard before being decommissioned recently and sold for scrap. The Seattle had been berthed at the foot of Locust street, Philadelphia, for several months before being moved upriver. The foregoing information was kindly furnished by Commander C. G. Morand at the Philadelphia Navy Yard.

It was hoped to berth the craft Monday, but the high tide was lower than usual, due to the strong north-west wind. Tugs labored until late in the evening and again Tuesday morning, but were unable to move the ship. Another attempt Wednesday morning was successful and the ship reluctantly went to her last destination.

PHARO—METZGER

On Saturday, September 20, at 2:30 p.m., Miss Eleanor Holbrook Metzger, daughter of Mr. and Mrs. Frederick W. Metzger, 4 Second street, Riverton, New Jersey, became the bride of Mr. Warren Everett Pharo, son of Mr. and Mrs. Everett Roberts Pharo, of Camden, New Jersey.

The double ring ceremony was performed by the Rev. Robert B. Stewart, pastor of Calvary Presbyterian Church, Riverton, at the home of the bride's parents in the presence of members of the immediate families.

The bride, who was given in marriage by her father, was gowned in white slipper satin and wore a Juliet cap of Belgian lace with a fingertip veil. She carried an arm bouquet of white roses and bouvardia.

Mrs. James E. Boyd, of Riverton, attended the bride as matron of honor, and wore a gown of teal blue faille with a velvet bodice. Her hat was of roses and a bow of teal blue veiling and she carried an arm bouquet of talliesman roses.

Mr. Pharo acted as best man for his son.

The bride's mother wore an afternoon dress of gray with an orchid corsage and the mother of the groom wore a tulle gown and carried a white orchid corsage.

After a wedding trip to New England, Mr. and Mrs. Pharo will make their home in Riverton.

GOOD FELLOWSHIP CLUB

The Good Fellowship Club of Calvary Presbyterian Church resumed their monthly activities on Friday evening September 19 with a three act comedy "Your Face Is Familiar." The play was directed by David O. Smith and the cast included David and Marjorie Gould, Anna Custer, Eloise Wilder, Ed and Ella May Moore, Fred and Helen Collings, Marian Watkins and Ar. Waters. Bob Wilder and Bill Watkins took care of the props and back stage activities while Doris Foulke acted as prompter. Jean Smith handled the refreshments, ably assisted by

NINETY-SEVENTH BIRTHDAY

Charles H. Bell, who makes his home with his son, Jack Bell, of Pompaess avenue, East Riverton, will celebrate his ninety-seventh birthday Sunday, September 28, with a party given by members of his family.

Mr. Bell, who is still hale and hearty, formerly resided in Bridgeboro and Tacony. He was for many years employed as a watchman by the late Mrs. Edward Ogden, who resided on the River Bank, Riverton.

Mr. Bell had two other sons, John, of Riverside, and Clarence, of Riverton, who are now deceased.

TRAFFIC PROBLEMS

George Lowe, director of Safety Education for the Atlantic Refining Company gave a very well thought out and enthusiastically presented talk on Traffic Safety at the local Rotary Club last Thursday. Highlights of the address follow:

"In round numbers, highway accidents caused the death of 40,000 people in 1946 and caused injury to 1,600,000 people of whom 100,000 became totally and permanently disabled, thus eliminating 140,000 people who might otherwise have been good American citizens helping to increase the wealth of our nation.

"We think of Traffic Safety according to our own experiences. Some people feel that accidents could be reduced by 80% by removing all one way bridges, other people by eliminating all left hand turns; others by reducing speed, but solving the problem is like trying to push a few drops of Mercury in one's hand, as we push it here it moves over there. It is not a static problem. It is unfortunate, but nevertheless true that the tremendous slaughter of our highways never strikes home until we hear or read of a relative, friend or neighbor who has been affected.

There are three "E's" of Highway Safety: Engineering—highway engineers are continuously improving the safety of our roads by eliminating sharp curves, crossings and even by radio which cuts into your automobile radio saying, "Slow down, you are approaching a dangerous intersection." With all of this safety, some of our super highways, like the 160 mile stretch in Pennsylvania, has an appalling rate of death and accident.

Enforcement—depends chiefly on what we as individuals think of enforcement. Mr. Lowe complimented the State Police of Pennsylvania and New Jersey and also the local police, who are greatly interested in reducing the number of accidents caused by the automobile. He noted that there were too few of these men and that police at times reduced their efficiency.

Education—by instructing children from the first grade up to stop at crossings and look before moving, and then later how to walk on highways, how to safely operate a bicycle, and finally how to operate an automobile. Atlantic Refining Company now has dual controlled cars which are being used in high schools to teach highway safety and how to drive.

ANNUAL FALL DANCE

The plans are all set for the Annual Fall Dance to be held at The Lodge, Medford Lakes, on October 11. After carefully considering numerous orchestras, the committee has selected The Warner-Haines Orchestra to furnish the rhythm for the dance. They are well known for their fine band of music and you won't want to miss this treat.

The tickets are now available so don't waste any time in purchasing them, as there are a limited number available. See Dr. Brady, Tom Cahill, Walt Poulson, Bill Cooper, Helen Wilson or Chick Foulke for yours.

Elise Waters.

There were about 150 in attendance and they were treated to a performance that ranked above the average amateur play.

WORK STARTED ON NEW APARTMENTS

At a special adjourned meeting of Riverton Borough Council held last Tuesday the contracts for the general construction, plumbing, heating and electrical work were awarded to the low bidders after receipt of approval from the Trenton office of the State Department of Economic Development.

Construction of the modern colonial style building containing six apartments was started this week on a borough lot at Third and Main streets and it is hoped the complete building will be ready for occupancy by the veterans by February.

It has been the desire of Borough Council to provide every possible convenience for these apartments and yet keep within the limitation of the maximum unit cost as established by the government. Bids were taken three times before the contractors proposals were acceptable.

The building will have a brick exterior and each room will contain a large living room, two full size bedrooms, each with cross ventilation, and a complete bath room with recessed bath tub with shower fixture in addition to a modern kitchen having a built in sink and plenty of cabinets. Electric refrigerators, gas ranges, ventilating fans for each kitchen and a communication system between entrance foyer and each apartment are some of the conveniences included in this project. A system of vapor heating with an oil burner and modern convactor radiators is provided.

The plans of this building have been placed on display in the window of Keating's Drug Store at Broad and Main streets as there are probably many residents of the borough who are interested in knowing what is being erected at Third and Main. Applications for apartments are now being accepted from veterans only. Forms for use in applying may be secured from the Housing Committee appointed by Mayor Nathan Lane several weeks ago. The completed form must be in the hands of the committee chairman, D. F. Gould, 224 Linden avenue, Riverton, not later than October 4th.

HALLOWEEN PARADE

The semi-monthly meeting of the Tri-Borough Halloween Jubilee Committee was held at the Borough Hall September 23, the chairman, Thomas Schwink, presiding.

The route of the parade this year will differ slightly from that of the previous year. It will start at the Riverton Fire House, proceed down Broad street to Lecony avenue, then down to Fifth street, cross over to Delaware avenue, and up to Broad street, to disband at the grove.

The prizes will be the same as last year.

The detailed breakdown of divisions and prizes will be published next week. All contestants must register on October 29, 30 and 31, at the Palmyra Borough Hall or Riverton Fire House. On the 29th and 30th the time for registration will be from 7:00 to 9:00 and on the 31st from 1:00 to 5:00 p.m.

The Halloween Parade is financed strictly through donations by the citizens of the Tri-Borough. Anyone wishing to make a contribution may do so by contacting any member of the committee, or mailing it to the treasurer, Francis J. Hamelman, Jr., 415 Cinnaminson avenue, Palmyra.

THANKS

An Open Letter to the Editor:

During the past year we have made many appeals to the public for assistance in securing homes for members of our teaching staff. These appeals have brought very fine results and all of our teachers have been able to find accommodations for the current school term. We should like to express our appreciation for the many telephone calls offering rooms and apartments for members of our staff.

DUDLEY—CUMPTON

In Christ Protestant Episcopal Church at noon last Saturday Miss May Alexander Cumpston, daughter of the Rev. and Mrs. William Hudson Cumpston and granddaughter of Mrs. George Steptoe Washington and the late Mr. Washington of Riverton, N. J., was married to Howard Dudley, Jr., son of Mr. and Mrs. Howland Dudley of Harvard, Mass.

The Father of the bride performed the ceremony. The bride, given in marriage by her brother, George Steptoe Washington Cumpston, wore a gown of white faille. Her veil of tulle was fastened to a headdress of rose-point lace and she carried a bouquet of roses and gardenias.

Miss Elizabeth Washington Ridley, of Riverton, was her cousin's maid of honor. She was gowned in American beauty faille and carried roses. Miss Gertrude Lenore Probsting, of Riverton, was flower girl. She was dressed in white organdy and carried a basket of roses and snapdragons.

Oliver Heister, of New York, was best man. The ushers were Sanford Dudley, of Harvard, Mass., brother of the groom; Arthur Hamilton, of Essex, Conn.; Harold Kube of Arlington, Va., and Howard Washington, of Riverton.

Mrs. Dudley was graduated from St. Mary's Hall, Burlington, N. J., in the Moore Institute in Philadelphia, and during World War II served as a lieutenant (junior grade) in the WAVES.

Mr. Dudley is an alumnus of Antioch College, Yellow Springs, Ohio, and served as a lieutenant in the Navy.

The couple will reside on Forest Road, Essex Falls, N. J., after October first.

The W.S.C.S. of the Asbury Methodist Church, Route 25, Cinnaminson, will hold its next covered dish luncheon at the East Riverton firehouse on Wednesday, October 1, at 12:30 p.m. We also wish to announce there are a few seats left on the conference bus. Anyone wishing to go please get in touch with Mrs. John Clark.

TRAFFIC LIGHTS ON ROUTE 25

At the meeting of the Cinnaminson Township Committee held on Tuesday night of this week it was announced that concerted action is planned by officials of the three local communities to obtain traffic lights on Route 25 at the Moorestown-Riverton road and at Five Points.

Earle B. Harder, member of the Township Committee stated that he had received numerous complaints of late regarding the difficulty of crossing Route 25 at both intersections, stating that waits of as much as several minutes are necessary before the dual highway can be traversed in safety. He stated that it is only a question of time before one or more fatal accidents occur there.

Those who drive to Moorestown frequently point out that traffic on Burlington Pike has increased considerably since the end of the war and that it is seldom that motorists on Route 25 slow down at either intersection. Sometimes it is possible to get halfway across the dual road, but the center island is so narrow that one end of the car projects into either of the high speed lanes thus creating a hazard to the unfortunate driver who is often faced with a pair of huge trucks bearing down upon him and no way to get out of their path.

Officials feel that placing more warning signs would be a waste of money and also assert that blinker lights would be of little value. Similar action to secure traffic control lights in the past has accomplished nothing, but greater success is hoped for at this time.

"Reality" is the Lesson-Sermon subject for Sunday, September 28. Golden Text: "As for God, his way is perfect: the word of the Lord is tried: he is a buckler to all those that trust in him." (Ps. 18:30)

Sermon. Passages from the King James version of the Bible include:

"O Lord, how manifold are thy works! in wisdom hast thou made them all: the earth is full of thy riches." (Ps. 104:24) Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include:

"The three great verities of Spirit, omnipotence, omnipresence, omniscience,—Spirit possessing all power, filling all space, constituting all Science,—contradict forever the belief that matter can be actual. These eternal verities reveal primeval existence as the radiant reality of God's creation, in which all that He has made is pronounced by His wisdom good." (pp. 109-110)

## CINNAMINSON BANK &amp; TRUST CO.

RIVERTON, N. J.

At the regular monthly meeting of the Palmyra Board of Education the last remaining vacancy in the high school was filled by the election of Mr. Franklin S. Riley, of Atlantic Highlands, N. J. Mr. Riley is a graduate of Indiana State Teachers College and holds a master's degree from the University of Pittsburgh. Mr. Riley will teach the commercial subjects formerly taught by Mr. Dano.

Mrs. Colette Heller was appointed as Office Secretary to replace Mrs. Corinne H. Reese.

The tuition rate for high school for 1947-48 was set at \$180 per year, an increase of \$15 over the rate for the last school term.

The Board approved the appointment of Mrs. Gladys B. Wilbraham as a substitute for Miss Mary B. Egan who is recuperating at the Hahnemann Hospital. During Miss Egan's absence Miss Vida Bortner will act as Junior School Principal.

Upon recommendation of the supervising principal the Board authorized

need the supervising principal to investigate the need for a Distributive Education program. Distributive Education is a vocational course supported in part by the federal government under the George Dean Act of 1937. It involves part-time occupational experience as a part of the training program in the Distributive Occupations such as distributing to consumers, retailers, jobbers, wholesalers and others, the products of farms and industry and managing, operating or conducting a commercial service or personal service business. If it is found to be feasible certain selected students of the senior class would spend part of their time in high school and part of their time in work in business or industry.

A further report is to be given on this matter at the October meeting.

A report was given to the Board of Education on the arrangements for the new section of kindergarten which is being held in the Lutheran Church. A letter was sent to all parents of Kindergarten students who are in this area, explaining the arrangements.

To fill the unexpired term of Mr. James B. Hensen who resigned during the summer, the Board appointed Mr. Harry K. Strang, 813 Washington avenue, Palmyra. This appointment, effective at once, covers the period of time until the School Election in February. Mr. Strang

is employed as Assistant Comptroller of the Penn Mutual Life Insurance Company, and is a graduate of Palmyra High School.

## JOBS AT NEARBY ARMY STATIONS OPEN TO LOCAL VETERANS

Many job openings for veterans exist at several Army stations in New Jersey and nearby New York and Delaware, it was announced by Major George C. Abbott, Jr., local Recruiting Officer.

"Veterans of Riverton and vicinity can now take good paying Army jobs with assurance of staying near home," Major Abbott said. The War Department recently announced that veterans of all the Armed Forces can enlist for direct assignment to stations within the geographical limits of their respective Army areas, such assignment to be for a minimum of one year.

Rate of starting pay for all these jobs is the highest in Army history, Major Abbott pointed out. The veteran's individual previous experience will determine his starting pay and steady advancement to higher levels is assured, he said.

Many local veterans have expressed interest in Army jobs which would not take them far from home, Major Abbott stated. The new plan offers such men an excellent opportunity to take advantage of many attractions which jobs in the new peacetime Army offer. Job security is assured, retirement on ample funds is possible after twenty years service, and there is free medical and dental care provided, Major Abbott pointed out.

The new plan is expected to apply to USARF courses and many peacetime jobs to young veterans who want to continue their education or learn new skills while earning their living. Such Army educational facilities schools will be available to men now enlisting.

All local veterans can obtain further details on the operation of the new direct assignment enlistment plan at the U. S. Army and Air Force Recruiting Service station at

**FUGITIVE FROM BYBERRY ASLEEP IN HOME HERE**

One night recently Mr. and Mrs. Walter Wallace, of Cinnaminson, returned to their home after being away all day. Upon entering the house they found evidence that the dwelling had been entered and were suspicious that the intruder was still there. Wallace broke out his rifle and notified Chief Erich Veitenheimer, of Cinnaminson. Upon searching the house they found a man asleep

on a bed upstairs.

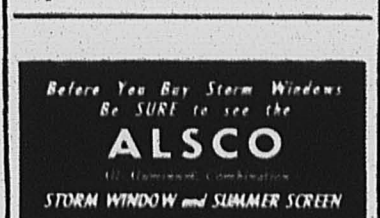

Upon questioning him it was learned that he had escaped from Byberry a few days earlier and had been arrested in New Brunswick for vagrancy and he go without further investigation. He stated that his recent escape was the fourth time that he had gotten away.

Rate of starting pay for all these jobs is the highest in Army history, Major Abbott pointed out. The veteran's individual previous experience will determine his starting pay and steady advancement to higher levels is assured, he said.

**SUNDAY DINNER Suggestions**

APPLE cultivation actually antedates recorded history, remains of the fruit having been found in Switzerland's prehistoric lake dwellings. The earliest form was probably that of the common crab-apple of Europe and western Asia.

Of its present varieties, there are several thousand, the majority of which are found in North America, now the greatest apple-producing country in the world.

In early New England days, the fruit was chiefly valued for its cider, but through the efforts of modern science, its uses today are widely diversified. Raw or cooked, jam or jelly, juice, cider, apple butter, apple syrup, and even vinegar constitute the principal uses. When apples are pressed commercially for cider or bottled juice, even the left-over pomace finds a ready demand as a livestock feed.

Varieties may vary regionally in the United States, says the A & P Service for Home-Makers. The Delicious, the Jonathan and the Golden Delicious are varieties that shine in the fruit dish, but when it comes to cooking or use in salads, the popular varieties would include the McIntosh, the Baldwin and the Rhode Island or Northwest Greening. These make the best sauce, turnovers, pie, baked cake, cobblers or dumplings.

In recent years science has taken a hand in developing new uses for the many varieties of the bright red fruit and today the range of application has spread to include such items as apple ice cream, apple essence for flavoring, a prepared apple pectin for the making of jellies, and even an apple ice cream soda is now available.

For a delicious Sunday dinner try roast loin of pork with apple sauce, baked potatoes, harvard beans, tossed green salad home-made rolls and for dessert apple pie and a beverage.

### SUNDAY DINNER Suggestions

SPICES, once available only to the wealthy and worth more than their weight in gold, are now commonplace in the average kitchen. The demand for, and the worth of, spices, motivated much of the exploration done in ancient times and was responsible for many present day trade routes.

History tells us that cooks in the Middle East, Far East, Mediterranean countries and British Isles were using spices in an effort to impart a more pleasing taste to food long before the discovery of the New World.

Modern chefs owe much of their magic to forebears who experimented down through the centuries seeking new taste thrills and discovering the preservative properties of spices.

During the war years when trade with Europe and the Orient was cut off, many spices disappeared from store shelves, and bland foods became the order of the day. Now spices are back. There is nutmeg and mace from India and the Far East; cumin, coriander and herbs from the Mediterranean area; caraway, thyme, marjoram, cloves and paprika from the Continent and Africa.

According to the A & P Service for Home-Makers, spices should be used with caution for they tend to detract rather than add to the flavor of foods if applied too strongly. There are only about 30 kinds of spices but they can be used in countless combinations to add zest to soups, stews, salads and even desserts.

For Sunday dinner, try baked ham seasoned with onion cloves, baked potatoes, fresh garden spinach, a green salad with French dressing and, for dessert, mocha spice cake and a beverage.

No. 1 in a series of 6 installments explaining the proposed new Constitution for New Jersey.

FULL TEXT may be obtained from Secretary of State or your County or Municipal Clerk.

# What the Proposed New Constitution Means to You

## A REPORT TO THE PEOPLE OF NEW JERSEY

by their elected delegates to the Constitutional Convention, New Brunswick, N. J., 1947.

This summary and explanation of the proposed constitution was prepared by the delegates to the Constitutional Convention and is presented for the information of the voters. The proposed new constitution was adopted by the Constitutional Convention in New Brunswick on September 8, and is to be voted upon at the general election on Tuesday, November 4, 1947.

## 1. A More Liberal "Bill of Rights"

NOTE: All rights and privileges guaranteed the people under old Constitution are retained. Following are some of the more important additions and extensions of those rights.

**No Person May Be Limited in His Privileges Because of Race, Color, Sex, Religion, National Origin.** Under the proposed constitution, New Jersey will be the first state to give equal constitutional rights to women. The provision forbidding paupers to vote is abolished. Segregation by race or color in the schools and militia is forbidden, and discrimination against any person is barred.

**Labor's Right to Organize and Bargain Collectively Is Guaranteed to Those in Private Employment.** Those in public employment are given the right to organize and present their grievances and proposals through representatives of their own choosing.

**The Legislature May Provide for "Absentee Voting" by Members of the Armed Forces in Peacetime.** This is an extension of the rights granted the armed forces in time of war.

**The Right of Trial by Jury Remains Inviolable.** In civil cases the Legislature may provide for a verdict by not less than 5/6 of the jury. This will speed litigation in civil cases, and reduce costs, by avoiding "hung juries" of 11 to 1 and 10 to 2 occasionally found. In civil cases involving less than \$50, the Legislature may provide for trial by juries of six people.

## If Approved by the Voters

the new constitution will become effective January 1, 1948. Senators and Assemblymen elected in 1947 will then serve the

new lengthened terms. The judicial articles of the new constitution will become effective September 15, 1948.

## OBJECTIVES of the proposed NEW CONSTITUTION

It has been the purpose of your delegates to draw up a new State Constitution that will make possible more efficient, more economical, and more democratic state government. To accomplish these objectives, the proposed new constitution provides:

1. A more liberal "Bill of Rights."
2. Better Defined Legislative Power.
3. A Stronger, More Responsible Executive.
4. A Simple, Unified System of Courts.
5. A Sounder Basis for Taxation and Finance.
6. A Simplified, Less Expensive Method of Amendment.

NOTE: All laws now on the statute books will continue fully effective upon adoption of the revised Constitution except where they are in conflict with its provisions.

## PORCH CLUB SPEAKER

Dr. Felix Wittmer

The opening meeting this year at the Porch Club is the luncheon October 7, at 1:30 p. m. Please make reservations with Mrs. Gilbert Coe, Riverton 9-5532 by October 4.

For "Food for thought" we are to have Dr. Felix Wittmer, who is known as an analyst of world affairs. His topic is "Russia's Place in World Events." He holds certificates from European universities and has taught there and in colleges here. He comes here from New Jersey State Teachers College at Montclair. His "Food-light on Europe" has been hailed as a remarkable prediction of recent world events.

He has lived in all important countries, and has traveled extensively through three continents. He was a witness of Hitler's beer hall putsch, an attempted assassination of Mussolini, and street fighting in Spain; and has been followed by Nazi spies through half of Europe.

## CINNAMINSON P. T. A.

The Cinnamon P.T.A. will hold their first meeting of the year on Monday, September 29 in the school at 8:00 p. m. A reception for the teachers will be followed by an open discussion led by a round-table discussion, whose chairman will be Elwood Wurster. The subject will be based on the state bulletin of the valuation of the elementary schools. The particular topic to be considered will be the school plant. It is hoped in this way to arouse greater interest in the school.

As the buses will not be available to take parents to P.T.A. meetings, the committee in charge of transportation wishes the members who wish to attend the meeting to get in touch with the following:

East Riverton: call Mrs. K. C. Merrill.

Morgan Heights: call Mrs. Edwin Grubb, Jr., Mrs. H. W. Jeffries, Mrs. Andrew Mack or Mrs. James Reeves (Washington avenue).

Extension: call Mrs. Herbert Payung or Mrs. W. C. Stavelly.

Parry: call Mrs. Chas. Dorworth or Mrs. Fisher.

Branch Pike: call Mrs. Stiles at Mrs. Isabel Reese's home.

Forklending: at the present time no transportation is available.

Mrs. Herbert Payung, chairman of the canning project reported in addition to the peaches and tomatoes, 126 quarts of applesauce were canned.

The Merchandise committee under the direction of Mrs. Edward Kapu will make its first drawing at Monday evening's meeting.

The list of officers and committee chairmen for the ensuing year is as follows: President, Mrs. Edwin Grubb, Jr.; Vice President, Mrs. G. A. Omond; 2nd Vice President, Mrs. Lois Thorn; Honorary Vice President, Mrs. E. D. Parker; Secretary, Mrs. A. J. Reeves; Treasurer, Mrs. T. Wayne Winters; Committee chairmen: ways and means, Mrs. Wynn McCarter; hospitality, Mrs. Marie Adams; transportation, Mrs. H. F. Payung; publicity, Mrs. C. Edward Smith; refreshments, Mrs. Edwin Grubb, Jr.; membership, Mrs. Andrew Mack.

## FREDERICK BLAIR

Word was received here this week of the death of Frederick Blair of Sherman, Connecticut, formerly a resident of Riverton.

Mr. Blair passed away on Saturday, September 20, following a long illness.

## RIVERTON SCHOOL NOTES

This week the students are making arrangements to attend the Chure Tree Major Play "Robin Hood" which will be held in the Delaware School auditorium Monday, September 29th. Pupils of the Sixth, Seventh and Eighth Grades will leave the Riverton School by bus at 12:15 p. m. and expect to be back by 3:30 p. m.

The Seventh Grade elected officers for their home room, they are: President, James Blankenbiller; Vice President, Kay Fritz; Secretary, Janet Lundstedt; Treasurer, Bette Lou Harris.

Plans are being made for the organization of a club period to be held each Thursday, the last period. This Thursday Mr. Groff will meet with the Fifth, Sixth, Seventh and Eighth Grades in the auditorium to explain the various clubs and allow the children to make their selection.

## FOUR-YEAR OLD GIRL GETS SWIMMING AWARD

A four-year-old Riverton girl has gained the distinction of being the youngest person ever to receive a Red Cross swimming certificate from Burlington County Chapter, American Red Cross.

Pretty little Susan G. Collings, daughter of Mr. and Mrs. F. C. Collings of Woodside Road, Riverton, was awarded a beginners' water safety certificate recently by Edward Sylvester of Bellmawr, North Atlantic Area Red Cross water safety specialist.

The tiny blonde and blue-eyed swimmer not only passed every part of the test for the certificate, but also with a "Good" ranking. She was one of the best pupils in the swimming class at McVaugh's pool, Riverton, conducted this summer by Nelson Hagan of Moorestown, Red Cross water safety instructor.

Susan almost missed getting into the class because of her extreme youth. When her father brought the child to instructor Hagan he said that she was too young to get any benefit from the swimming lessons.

Mr. Collings then appealed to the Red Cross instructor to wait until he had seen Susan perform in the water. When Hagan saw how well the child swam he reconsidered and allowed her to join the class.

Susan has been swimming since she was a year and a half old using water wings until the spring of this year when she swam unaided. She also learned to dive toward the end of this summer.

Her brother Garry, a third grade pupil in the Riverton elementary school, is also an accomplished swimmer. He holds Red Cross beginners' and intermediate swimming certificates.

Susan also has a "youngest" rating in dancing as well as swimming. She

## STEAM, BUT NO FIRE

Riverton and Palmyra Fire Departments answered a call Tuesday morning for a supposed fire at the Owens residence, Shrewsbury road.

What appeared to be smoke was observed seeping through a section of the roof, but firemen were unable to locate any blaze. The steam was believed to have originated when a heater fire was started and dried out the wet cold shingles.

## YMCA BRIEFS

The report was made by Russell Bigelow of Riverton, Chairman of the Camping Committee of the Palmyra-Riverton YMCA that 71 had participated in this summer's camping program. There were 18 boys and girls in attendance at YMCA Camp Oceanickon and Matolickonquay at Medford and 52 attended the Day Camp which was under the direction of Lawrence Coolbaugh. This report was made in the regular meeting of the Palmyra-Riverton YMCA Monday night in the Palmyra Municipal Building.

Richard Mallory, of Palmyra, advisor of the Mustang Hi-Y Club, also reported on the program for his Club for the year 1947-48. A review of the program of the past year indicated that besides the summer program there were four club groups active, with representation and participation in County-wide and State events, and that the Annual Father and Son Banquet had been held.

President Howard G. Taylor, Jr., urged the group to make efforts to serve even a larger number of boys with a constructive program during the coming year, and appointed the following committees: devotional committee, George Wimer; group work, Aubrey Hewlett, chairman, Lawrence Coolbaugh, Robert Finney, Dr. J. B. Geissinger, Howard Humphreys, Timothy Johnson, Carl P. Mann and Allan Sharp.

Camping committee: Russell Bigelow, chairman, Edward Fry, Maurice Joyce, Rev. Neal Raver and Taylor Kirby.

Finance committee: Victor Ritschard, chairman, Robert Adams, Howard Conover, Edward W. Fry and Nathan Lane.

Community activities: Albert McFall, chairman, Roy Austin, Robert Finney, Victor Ritschard, and Richard Woodward.

Publicity committee: Robert Adams, chairman, Taylor Kirby, Timothy Johnson, and Richard Woodward.

Special constitution committee: Edward W. Fry, Taylor Kirby and Russell Bigelow.

Those present were besides those mentioned: Taylor Kirby, George Wimer, Aubrey Hewlett, Edward W. Fry, Roy Austin, Carl Mann and Secretaries Ergood and Paul Rotermund, new County Assistant Secretary.

was the youngest to be accepted for a toe and tap dancing class held at the Porch Club in Riverton last year.

Fourth and Lippincott Ave.  
Riverton, N. J.

**Rally Day**

Next Sunday, September 28, will be "Rally Day" at the Calvary Church School. Students of all departments, including the adult classes, will assemble in the Church School auditorium at 9:45 a.m. We are counting on every student to be present, and on time, so that we can all enjoy every minute of the special Rally Day service. Certificates of promotion will be presented to all who are eligible for such awards, and time will be provided to allow each student to become acquainted with his new classroom and class mates. Let us have a 100% attendance, or as near to that goal as possible.

We meet for Divine Worship in the Sanctuary at 11 a.m. Continuing our series of meditations from the first chapter of Paul's Epistle to the Ephesians, the theme of the morning message will be "Are We Just So Much Space?" The Calvary Choir will render the anthem, "Spirit of God" by Humason. Immediately following morning worship the Session will meet in the Ladies Parlor to receive those who desire to unite with the Calvary Church at the World Wide Communion service on Sunday, October 5.

**Sunday Evening**

The Junior Choir will meet for rehearsal in the Church School room at six o'clock. All juniors and intermediates are cordially invited to be present and enjoy this period of music instruction under the direction of Mr. Albert Farrow and Mrs. Frank Bell.

A conference hour for young people 14 years of age and over will be held at the Manse at eight o'clock.

**Preparatory Service**

In preparation for the observance of "World Wide Communion" on Sunday, October 5, a special worship service will be held on Friday evening, October 3, at eight o'clock. Concluding the series of messages from Ephesians the Pastor will speak on the subject, "All This Is Our Inheritance." All communicant members and all who are presently making the Calvary Church their church home are urged to set this hour apart in preparation for the observance of the Sacrament of the Lord's Supper.

**Women's Missionary Society**

The first meeting of the Society will be held on Wednesday afternoon, October 1, at 2:30 o'clock. The speaker will be Mrs. J. Ralph Custer, Children's Work Advisor of Monmouth Presbyterial.

This was a news broadcast over the radio this week. A wonderful invention which also brings a wonderful lesson for each individual and our nation as well.

If we would permit our "Maker" to guide us through our lives, both the individual and the nation, and keep our hands off the controls, looking to Him for direction, our journey will be successful, our destination reached, and in perfect safety. The confusion, distrust and turmoil today in this world is caused by man controlled "Ships of State" which have failed their mission because these men have and are ignoring their Maker.

Church doors are open for this purpose to give us all an opportunity of learning the wishes of our Guide and Master, and through us the true course of life may be pursued. "Central Baptist" commends to you its services where you will be heartily welcomed.

**Sunday, September 28**

Bible School, 10:00 a.m.

Adult Men's Bible Class, 10:00 a.m.

Morning Worship, 11:15 a.m.: The question, "Have You Forgotten Something?" will be the subject of the message by the Pastor. The choir will have as its anthem, "Sing Alleluia Forth," by Buck. Mrs. Arthur L. Gowell, soprano, will be the soloist for the service.

B. Y. F., 6:45 p.m.: This group enjoyed a fall outing last Saturday at Vincentown with the Burlington County Baptist Youth Fellowship.

Evening Worship, 7:45 p.m.: "Long Life," a thought provoking subject, and one nearly everyone is interested in, will be presented by Pastor Mor-

gan. The choir will have a selected anthem.

**Calendar for the Week**

Tuesday, September 30: Meeting of the Board of Trustees in the Philathea room, at 8 p.m.

Wednesday, October 1: Mid-week Prayer and Praise service in the Sunday School auditorium at 8 p.m.

Thursday, October 2: Meeting of the Camden Baptist Association will be held in Parkside Baptist Church, Kenwood and Wildwood avenues, Camden. This will be an all day meeting and will start at 10:00 a.m.

Thursday, October 2: Choir rehearsal in the Sunday School auditorium at 8 p.m.

**RESERVE OFFICERS MEETING**

The Burlington County Chapter of the Reserve Officer Association has extended invitations to Congressman Frank A. Mathews, Jr., and Major General Clifford Powell to be guest speakers at their next meeting, an informal dinner, at the Spring Hill Country Club in Maple Shade on Tuesday, October 21st.

This dinner meeting is the start of a series of events which will be scheduled throughout the coming season, and is to be an open meeting with wives and friends of the minutemen invited.

Invitations have also been extended to Colonel Henry G. Nulton, president of the New Jersey Department of the Reserve Officer Association; Colonel Arthur S. Bell, secretary of the New Jersey Department of the Reserve Officer Association, and Colonel Donald McGowan, deputy adjutant general of New Jersey. It is expected that a large number of Minutemen will be on hand to welcome these guests to Burlington County.

## Keep this in mind as you plan your new home!

While your home is in the blueprint stage, decide where you want telephones. Living room? Dining room? Kitchen? Upstairs?

Then plan to have your builder place conduit—ordinary iron pipe—within the walls during construction to conceal the telephone wires and carry them to the desired locations. Installing telephone conduit after the house is built is often difficult and expensive.

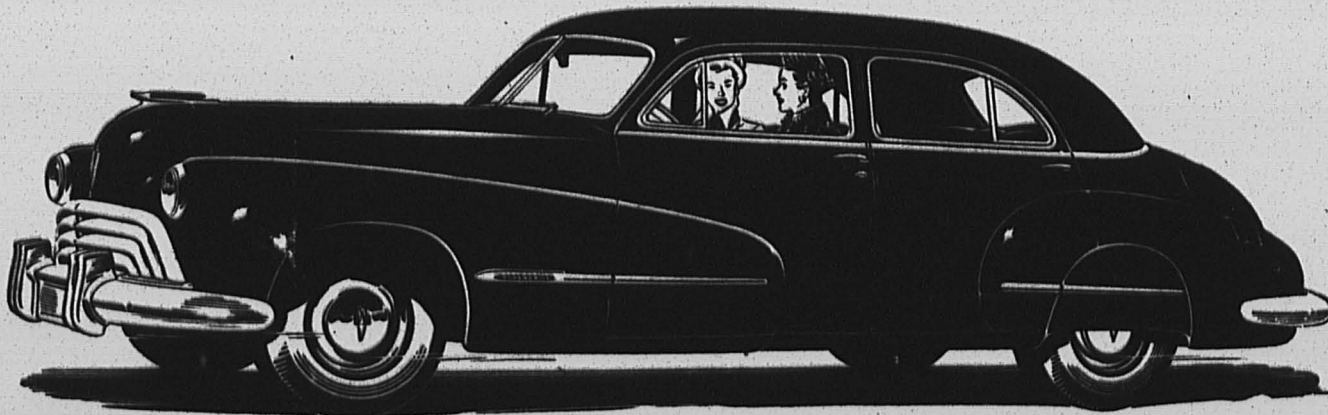

Our Architects' and Builders' Service will be glad to assist you without charge in planning for telephone conduit in your new home or one you are remodeling. Just call your telephone business office.

# Smart

## IS THE WORD FOR OLDSMOBILE

### Styled to Stay Smart for Years!

Oldsmobile's style has "caught on" this year—has captured the public taste and fancy as few styles ever do. Tailored smartness . . . a look of luxury . . . smooth good taste in every detail . . . these are the qualities that make people say, "It's SMART to Own an Olds!"

And all this public enthusiasm has a very important meaning for the buyer of a 1947 Oldsmobile. The car he

drives today will continue to be a source of real pride for many years to come!

What's more . . . with GM Hydra-Matic Drive\*, this new Oldsmobile is way out ahead of the times in performance and driving ease. Hydra-Matic Drive—pioneered, proved and perfected by Oldsmobile—is still the only drive that shifts gears automatically through four forward speeds—the only drive that eliminates the clutch pedal completely. Oldsmobile—with Hydra-Matic Drive—stands today as the last word in smartness . . . the smart word in lasting value!
