## TRAINS TAKEN OFF

Despite the protests of representatives from every riverfront community, the Public Utilities Commission has granted the Pennsylvania Railroad permission to curtail service on the local division, although the reduction is not as severe as that requested by the transportation company.

The change becomes effective next Monday and new timetables will be issued by that time.

Included among the trains to be discontinued are the following:

Leaving Riverton at 9.23 a.m. daily for Camden.

Leaving Riverton at 7.13 p.m. daily for Camden.

Leaving Riverton at 9.21 p.m. Sunday only for Camden.

Leaving Camden at 6.18 p.m. daily, arrives at Riverton 6.36 p.m.

Leaving Camden at 10.38 p.m. Sunday, arrives at Riverton 10.56 p.m.

Of the daily trains discontinued, the one whose loss will be felt the least is the daily evening trip to Camden. The 9.23 a.m. and the 6.18 p.m. have a considerable number of regular riders, but not sufficiently numerous, the railroad contended, to prevent these trains from piling up a considerable operating deficit.

## REVIVE TOWN MEETING

At a meeting of the Executive Committee of the Parents and Friends Association of the Riverton School, it was decided to expand the activities of the association this year to a point where the organization could revive the original Riverton Town Meeting which did such excellent work several years ago before its activities were allowed to lapse.

In making this decision, the executive committee felt that such a group will fill a long felt need for a wide-awake civic group which could go out and promote the best interests of the town in many different ways.

As an example, it was pointed out that Riverton's transportation since the withdrawal of several railroad trains, has never been more of a problem than it is at the present time, especially with the Christmas holiday rush approaching.

At the same time, it was pointed out that there is no Forum of Public Opinion at which such subjects could be discussed. As a result, the executive committee appointed several smaller sub-committees to give the plan a more thorough study, to select a date and place for the first meeting of the revised Town Meeting, to obtain a speaker, if thought necessary, and to take whatever other steps these committees thought advisable to promote the best interests of such a neighborhood association.

The place and date of the meeting, the name of the speaker to address the group and other announcements will be made as fast as these committees complete their work and make their reports.

## COOPERATION ASKED FOR NATIONAL GUARD

The following letter asking for local cooperation in the New Jersey National Guard recruiting program has been received by Mayor Nathan Lane, of Riverton and Maurice Conrow, Chairman of the Cinnaminson Township Committee:

"As you know, the National Guard of the Nation, on its seventh anniversary of entrance into Federal Service, September 16th, begins an intensive two months enlistment campaign. New Jersey's quota is 3,000. We need all the help we can get from all sources and particularly from all municipal and county governments. We will obtain the 3,000 if all will cooperate.

"Will you therefore secure this cooperation at the next meeting of your governing body? Having done this,

## ADDITIONAL FUNDS FOR CINNAMINSON SCHOOL

At a special election held on Thursday of last week Cinnaminson voters authorized the Board of Education to borrow the sum of \$6,000 to be used for repairs that were not anticipated when this year's budget was passed.

The vote was very light with a small number of negative ballots.

## New Constitution

Starting last week, The New Era is running a series of advertisements which relate to the proposed revision of the State Constitution which the voters will be asked to approve at the November election.

The series continues this week and different installments will be published during each of the next four issues. Citizens are urged to read these advertisements carefully so they will see the need for voting in favor of revision at the election.

## "GROWING UP, TODAY"

"The children of today are growing up in an atomic era in a new age," said Frank E. Groff, addressing the members and friends of the Riverton Parent-Teachers Association at a meeting held in the school auditorium Wednesday, September 24.

Mr. Frank E. Groff, new principal of the Riverton School, spoke on the subject of "Growing Up, Today."

Children now are getting new experiences with picture magazines today such as many of their parents never had. Children expect more today from their home, teachers at school and their church than ever before. Too many of our boys and girls are attending too often night movies during the week, with the results that they are up late, most likely neglect their studies to go then are tired and restless next day in the classroom. "Growing Up, Today" is a very serious problem in an upset world such as we are living in today with so many complications. It is up to the parents of today to be ready to help and understand them.

Enrollment this year in the school is up 15 per cent. This is the first year in some time the Kindergarten class has been large enough that it was necessary to divide the pupils with half coming in the morning and the other half in the afternoon.

Mrs. A. B. Powell of West Broad street, Palmyra, was the recipient of many cards, flowers and gifts in celebration of her eighty-seventh birthday last Sunday.

will you send us a letter informing us of this action?

"Also will you release this same information to all the newspapers in your area and also radio stations pointing out, that by law, all municipal employees who join the National Guard will receive their regular pay while in camp.

"Of course, I do not need to point out, the urgent need for a strong and efficient National Guard in these troubled times, or its value in times of disasters such as floods or explosions.

"I would however, remind you that a Guard unit does materially add to the payroll of the community—about \$36,000 annually for a single infantry company. Add to this supplies bought locally.

"The main point is, the citizen-soldier has been a bulwark of this country since early Colonial times. The need for a strong National Guard is greater today than ever before.

"May we count on your full cooperation."

Very sincerely yours,  
JAMES I. BOWERS  
Brigadier General, N. J. N. G.  
The Adjutant General

## HONORED AT DINNER

MELVIN H. BURR

Melvin H. Burr, of 400 Eighth street, Riverton, manager at Camden for the New Jersey Bell Telephone Company, was honored by the company at a luncheon held October 1, at the Walt Whitman Hotel to mark his twenty-fifth anniversary in the telephone service. He was presented a gold emblem by E. A. Curtis, division commercial manager.

Burr started with the Bell System as a clerk in the office he now heads. He became cashier there in 1927, assistant manager in 1929 and in 1932 moved to Collingswood as manager. He returned to Camden in 1942.

Active in civic affairs, he is a member of the Camden County Real Estate Board, Camden Chamber of Commerce, the Rotary Club, the Electrical League of South Jersey and the South Jersey Personnel Group. He is also a member of H. G. McCully Chapter, Telephone Pioneers of America. A daughter, Phyllis, is a service representative at the Trenton business office of the company.

## STATE TROOPER SPEAKS AT ROTARY CLUB

Corporal John Galvin of the New Jersey State Police spoke to the local Rotary Club on September 25th, 1947 and showed a moving picture called "Your Friend the Trooper."

He spoke about safety and what is being done about it. Corporal Galvin emphasized that both drivers and other users of highways are at fault. Some accidents happen due to an honest mistake, such as missing a red light and being killed while looking for a road sign.

The United States has the unenviable reputation of being the most reckless country in the world. Many of the deaths and accidents which occur center around the automobile. It was interesting to note that the chief cause of automobile accidents was following too close to the car in front.

The next two causes were violating the Right of Way and Speeding. Corporal Galvin said fast driving is not necessarily reckless driving because individuals can drive fast and still keep within the State Speed Laws, but there is no excuse for reckless driving.

The picture showed the training school for State Troopers at West Trenton, where new classes enter every three months for a very complete course of training.

Classes of from 15 to 40 depending on how many troopers are needed by the Department are put through courses in calisthenics and do road work starting at one-half mile per day, increasing one-half mile each day until they are running five miles per day.

They are taught to ride motorcycles over a very difficult terrain and sometime at great speed. They learn how to read and take fingerprints, how to identify bullets, what to do in the event emergency aid is needed; and in general how to be gentlemanly while enforcing the law. Following the course of instruction,

## MISS AMERICAN LEGION CONTEST STANDINGS

The prize offered for the best returns the last two weeks was won by the leader, Jean Groff, who turned in 3260 votes. Dolores Dinn was second with 2760. By winning this event Miss Groff and her parents will be the guests of the Legion at their dinner dance to be held on the night of October 7. The total vote to date shows Miss Groff still holding the lead, but being closely pressed by Miss Dinn. Official standing to date of the six top contestants is as follows:

Jean Groff	17,819
Dolores Dinn	12,628
Joanne Steckley	5,823
Helen Moore	4,378
Joan Hawke	3,588
Jean Landgraff	3,441

## Legion Installation

Final plans are being completed for the installation of W. Harold Thorn of Palmyra as the new Commander of the Frederick M. Rodgers American Legion Post 156, to be held at Jack Downie's Old Mill Inn, Route 25, Pennsauken, Tuesday, October 7. A committee headed by Russell Musser is making arrangements for the affair that is expected to have a banner attendance in starting a new post year in this area. Many noted guests and Legionnaires will be in attendance at the installation, according to Musser.

Thorn and other new officers of the post will be installed by Joseph Butler, of Medford, Burlington County American Legion Commander, and Charles W. Sweetman, of Roebling, County Commander Elect.

It was noted in the year's membership report of Sweetman, at the county executive committee meeting, that the Palmyra American Legion Post during the past 1946-47 year had the highest increase in membership of the 22 posts organized in the county. The local post jumped 79 members, the majority being World War II veterans. It is the second American Legion post in the county to exceed its membership quota as of February 1.

## DEMOCRATIC WOMEN'S CLUB

At the reorganization meeting of the Burlington County Democratic Women's Club which was held last Friday evening in Mt. Holly, Mrs. Marjorie Tyrell, of Bordentown, was re-elected as president.

All other officers were also re-elected. They are Mrs. Anna Stockton, Burlington, vice president; Mrs. Anna Danneler, Riverton, recording secretary; Mrs. Marguerite Conover, Moorestown, corresponding secretary, and Mrs. Edna Perry, Hartford, treasurer.

A business meeting will be held on Thursday, October 9, at the Soroptimist Club, Garden street, Mt. Holly.

## TRAFFIC DEATHS

New Jersey's motor vehicle death rate so far this year is 5.29 deaths per 100 million vehicle miles of travel, the lowest in history, Motor Vehicle Commissioner Arthur W. Magee reported this week. The rate compares with 6.68 this time last year and 7.74 in 1941, the peak year of motor vehicle travel.

Deaths at the end of the first eight months totaled 390 as against 453 last year and 581 in 1941. This represents a saving of 63 lives over last year, or 14 per cent and 191 lives over 1941, a reduction of 33 per cent.

The record for August showed 57 fatalities, or four less than last August.

August was an exceptionally high month for motorcycle casualties, there being six fatal motorcycle accidents resulting in the death of the drivers and three passengers.

Otherwise, according to Mr. Magee, there was nothing unusual about the causes of the month's fatal accidents. They were similar to the previous month's fatal accident causes—all common acts of carelessness or open violations of the state traffic laws.

Figuring most prominently was the speed factor, sometimes by itself and in some instances coupled with other unsafe practices. Example of the latter were several accidents in which cars speeding on a curve or down-grade, got out of control, skidded across the highway and overturned. Had these particular vehicles been travelling at safe speeds, the accidents might have been avoided.

## SERVING IN TOKYO

Private John Zeller, son of Mr. and Mrs. J. Zeller, 636 Linden avenue, Riverton, is now serving with the famed, fighting First Cavalry Division in Tokyo, Japan.

The First Cavalry fought all the way from Australia in the Pacific campaign of World War II, and was first in Manila and first in Tokyo.

Pvt. Zeller enlisted in the regular Army on June 30, 1946, and was sent to Schofield Barracks for his basic training.

Arriving in Japan in November, 1946, Pvt. Zeller was assigned to Troop "G," 8th Cavalry Regiment, which is stationed within easy walking distance of Ginza street, Tokyo's "Broadway."

Pvt. Zeller has completed an advanced training course which members of the Occupation Army in Japan are required to take, and at the present time Pvt. Zeller is doing his part in the Occupation by simply being stationed in Japan and exemplifying the American people by acting like a soldier.

Upon discharge from the Army, Pvt. Zeller plans to take advantage of the G.I. Bill of Rights, by finishing his education.

## PALMYRA TAKES OPENER

Palmyra High School's grid team got off to a good start last Friday evening by downing Woodrow Wilson, the score being 26-0. A capacity crowd viewed the proceedings.

The locals scored their first touchdown early in the first period on a pass, Still to Oliver. The former scored another six-pointer while Krestzberg crossed for the other Red and White scores. Still made good on two of the four conversion attempts with placements.

The winners dominated the play throughout and showed good form for the first engagement.

This Saturday the charges of Coach Ehringer stack up against Camden Catholic in the local stadium. The kickoff will be at 2:30.

**EPWORTH METHODIST CHURCH**  
Fifth Street and Morgan Avenue  
Palmyra  
Rev. W. Neal Raver, Minister  
Sixth Sunday in Kingdomtide  
October 5th

9:45: The Church School offering classes in Christian education for all age groups meets at 9:45. This is "Rally Day" in all the departments of the School. General Superintendent Ballantyne is anticipating the presence of all teachers and pupils. This is a good day to begin or resume your attendance at Church School.

11:00 a.m.: The Sacrament of Holy Communion will be observed by the Protestant Church in seventy nations. You will want to join the millions who gather at the Lord's Table in remembrance of His life and death. Epworth's celebration of this service will find the return of the Senior and Chancel choirs to assist in the ministry of music with Rachel M. Lord at the organ console. The pastor, who was reappointed to the parish by Bishop Fred P. Corson at the recently concluded Annual Conference, begins his fifth year of ministry to Epworth Church. He will bring the communion meditation and the choir will sing, "How Dear are Thy Counsels" by Wilkinson. A Church nursery and kindergarten are conducted for children, age 2 to 8, during the worship hour.

7:45 p.m.: Union Service in Bethany Lutheran Church with the Rev. Dr. C. P. Swank, Superintendent of Lutheran Missions, as the guest speaker. This is the first in a series of union services to be sponsored by

the Ministerial Association in which on significant days in the Church Year prominent leaders in their respective denominations will address the combined congregations of our churches. We urge your attendance at this service and those which will follow.

**Church Calendar**  
Week of October 5th  
Tuesday at 8: The Monthly meeting of the Official Board in the Guild Room.

Wednesday at 2: Inasmuch Class meeting in the Fellowship Room.

Wednesday at 8: The afternoon and evening groups of the Women's Society will meet together for a joint program in the Chapel. Mrs. Robert H. Strahan will present "A Portrait of a Pilgrim." Members of the "Three Star Circle," the afternoon senior Women's Society and all Epworth churchwomen are cordially invited.

Wednesday at 3:45 and 7:45: Chancel and Senior choirs rehearse.

Friday at 7:30: Cub Pack parents program in the gymnasium.

The Altar flowers last Sunday were given in memory of Mrs. Harry Curry by the members of the Inasmuch Class.

The Rev. S. Dan Morgan  
Pastor

In nearly every corner of the world where the story of Christ is taught, bands of Christian people will participate in the ordinance of Holy Communion this Sunday, for it will be observed as World Communion Sunday. This observance is one in which every denomination will participate and it is the urgent appeal of "Central Baptist" that its members will be in their place at the Lord's Table.

The World Communion is a step toward the Brotherhood of Man, and certainly a movement for world peace. For whoever partakes of this ordinance does so without malice or enmity toward his fellow man, and with a forgiving attitude for any wrong done him.

Harmonious living right here in our communities is our part in sustaining peace in the world. So, let us all together, and with one accord, join in the World Communion.

Services, Sunday, October 5th

Bible School, 10 a.m.: This will be promotion day in the school. From the Cradle Roll to the Intermediate Departments, classes will be advanced. The members of the Adult classes will find it a pleasant opportunity to welcome those advanced classes and encourage the Department heads by being present at the school.

Adult Men's Bible Class, 10 a.m.: This class which is growing in numbers and enthusiasm, meets in the church auditorium. You are invited to join this group which is led in enthusiastic singing by its leader, Russell Jermon, and is taught by the Pastor.

Morning Worship, 11:15 a.m.: Following a brief message by the Pastor with the theme, "Our Task," the Ordinance of Holy Communion will be observed. This is open to all Christians. The choir will have as its anthem, "They That Trust in the Lord," by Volcott.

B.Y.F., 6:45 p.m.: At the recent Rally of the Burlington County Baptist Youth Fellowship, "Central Baptist" had the largest number of members in attendance and they brought home with them the Attendance Banner which they are now holding.

Evening Worship, 7:45 p.m.: Following the thought of the day, that of the Brotherhood of Man, a Union service will be held in the Bethany Lutheran Church. All denominations are invited to attend. The message will be brought by Dr. Calvin P. Swank, Superintendent of Home Missions of Lutheran Synod, of Philadelphia. Music will be furnished by the Lutheran choir.

**Calendar of the Week**  
Tuesday, October 7: The regular meeting of the Sunday School council will be held following a covered dish supper to be served in the social hall. This will be another "Family Night" when every member of the School and their families are most cordially invited to be present. Come and bring a covered dish, and enjoy an evening of sociability and Christian fellowship.

Wednesday, October 8: Mid-week Prayer and Praise service at 8 p.m.

Thursday, October 9: Choir rehearsal in the Sunday School auditorium at 8 p.m. promptly. If you are interested in rendering a service to your church and are interested in music, you have an invitation to become a member of this choir.

### SUNDAY DINNER Suggestions

PEARS are a fruit with a long and honorable history produced by trees that span the globe. Centuries of cultivation have resulted in more than a thousand varieties ranging from the small Seckel to the succulent Bartlett.

Our pears are of two chief types, the European pure breeds and hybrids and the ornamental: Chinese or sand pear.

The European pears, cultivated in the United States from early colonial days, include the Bartlett and the Anjou which are under cultivation in the northeast and north central states and on the West Coast. The best known European hybrids are the Kieffer and Le Conte, both in the East and the South.

The Bartlett is the best pear for commercial cultivation, being of good flavor, color and size. It keeps better than most table varieties and is well adapted for consumption fresh or canned.

Unlike most fruits, pears are improved in flavor by ripening indoors. They are best when gathered just as they are beginning to color and when fully developed in size and shape. If taken at this time, before they begin to soften, they can be held for a long time in cold storage.

According to the A & P Service for Home Use, the ripening of pears are many. Aside from eating them raw, they are excellent baked, as one bakes an apple, served as a base for innumerable salads, pickled, stewed and preserved, candied, almost any roast. Pears have even found their way into tapocas and other forms of pudding.

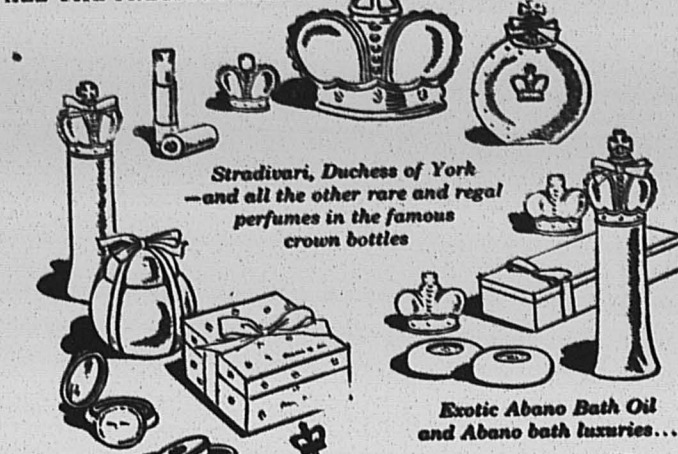

For a delicious fall Sunday dinner, try baked ham, with mashed potatoes, pear and cherry salad, string beans, hot biscuits, and for dessert, baked apple and a beverage.

B. Schrader have named January 24 as their wedding date while Miss Martin's engagement to Mr. Francis R. Mitchell of Palmyra was recently announced. Many lovely gifts were received by the girls.

On Friday evening, October 3, at 8:00, the drawing for a quilt will take place at Keating's Drug Store, Broad and Main streets, Riverton. The proceeds will go towards a hearing aid for an elderly lady.

No. 2

in a series of 6 install-  
ments explaining the  
proposed new Constitu-  
tion for New Jersey.

FULL TEXT

may be obtained  
from Secretary of  
State or your County  
or Municipal Clerk.

# What the Proposed New Constitution Means to You

## 2. A Better Defined Legislative Power

The Term of Assemblymen is increased from one to two years and of Senators from two to four years. The number of Assemblymen and Senators remains unchanged. Terms are lengthened so that legislators may spend less time campaigning, and devote more time to the interests of the state. Salaries for both Assemblymen and Senators will be determined by the Legislature instead of being constitutionally limited to \$500. However, any increase in legislators' salaries cannot become effective until the year following the next election for the General Assembly. Elections of Senators and Assemblymen will be held in "off years" so that their election will not be confused with national issues. Approximately half of the Senators will be elected every two years.

The Legislature May Not Elect Any Administrative, Judicial, or Executive Officer Except The State Auditor. This places executive authority where it belongs, in the hands of the Governor, who will fill such offices with the advice and consent of the Senate. Because control of public funds is a legislative function, the Legislature will elect the State Auditor.

One Full Calendar Day Must Intervene Between the Second and Third Reading of a Bill or Joint Resolution. This will prevent the passing of bills with no time for consideration. Under the old constitution, it was possible to rush a bill out of committee and pass it immediately, before the public, and sometimes the legislators, had a chance to read it. In case of an emergency, the Legislature can waive this one-day rule by a three-fourths vote.

Gambling and Games of Chance May Be Authorized by the Legislature If Approved by a Majority of the People at a General Election. Under the old constitution, gambling is limited to pari-mutuel betting on horse racing at the tracks. Now "Bingo" and other games of chance may also be legalized. The Legislature must first pass a bill specifying exactly the kind, restrictions and control to be exercised, and this must then be approved by a vote of the people.

Home Rule for Municipalities and Counties Is Encouraged. Under the new constitution, local governments will be able to ask the Legislature for special laws fitted to the special needs of their communities. At present, the Legislature cannot pass any special law regulating the internal affairs of local governments no matter how much the people of the locality may want it. Local governments will enjoy not only the express powers granted to them by the Legislature, as heretofore, but also those which may be needed for the exercise of those powers.

## A Report to the People of New Jersey

by their elected delegates to the Constitutional Convention, New Brunswick, N. J., 1947. This summary and explanation of the proposed constitution was prepared by the delegates to the Constitutional Convention and is presented for the information of the voters. The proposed new constitution was adopted by the Constitutional Convention in New Brunswick on September 8, and is to be voted upon at the general election on Tuesday, November 4, 1947.

If you wish a copy of the complete constitution, you may get it by applying to the Secretary of State at Trenton, or your County or Municipal Clerk.

*Leopoldo M. ...*  
SECRETARY OF STATE

## OBJECTIVES of the proposed NEW CONSTITUTION

It has been the purpose of your delegates to draw up a new State Constitution that will make possible more efficient, more economical, and more democratic state government. To accomplish these objectives, the proposed new constitution provides:

1. A more liberal "Bill of Rights."
2. Better Defined Legislative Power.
3. A Stronger, More Responsible Executive.
4. A Simple, Unified System of Courts.
5. A Sounder Basis for Taxation and Finance.
6. A Simplified, Less Expensive Method of Amendment.

NOTE: All laws now on the statute books will continue fully effective upon adoption of the revised Constitution except where they are in conflict with its provisions.

## If Approved by the Voters

the new constitution will become effective January 1, 1948. Senators and Assemblymen elected in 1947 will then serve the

new lengthened terms. The judicial articles of the new constitution will become effective September 15, 1948.

## FIRE PREVENTION

On October 2, Russell Dilks, Chief of the Palmyra Fire Department introduced Donald Powell, his assistant Chief, who gave a very interesting talk on Fire Prevention to the Rotary. Mr. Powell said in part:

"The chief job of a fire company is to put fires out, but it is actually more important to prevent fires from starting, and each year the Palmyra Fire Company conducts a campaign on Fire Prevention.

"It is very important to prevent as many fires as possible. First: because of loss of life and man-hours, and second: because of the loss of material and machines to manufacture the materials. Both of these factors have a tremendous effect on the cost of living, and with the need to help other countries in the world, it is particularly important to conserve everything.

"Over 1,000 dwellings catch fire daily, and the loss of lumber alone would allow the annual building of 200,000 residences. This is exclusive of forest fires.

"Of the man-hours lost in 1946 due to strikes, lock-outs or other reasons, fires actually caused the loss of 25 per cent of this loss in 1946. Thousands of new automobiles could have been built with the 25,000,000 man-days lost in 1946. There were 187 so-called large fires with the loss of over \$250,000 in each one in 1946, of which 29 were in industrial plants.

"Another great loss by fire where manufactured goods is destroyed is in mercantile establishments. In 1946, 51,000 fires in stores caused a monetary loss of \$53,000,000. Much of the loss by fires can be prevented and is due to carelessness. The speaker urged that Electrical work should be done by experts so as to prevent short circuits. Over-loading of storage spaces such as cellars and attics is another source of fires in stores.

"The loss by farmers runs approximately \$90,000,000 annually and many people could be fed and many new barns built with this loss.

"While the World is advancing in science, education, transportation and etc., the advancement in fire control and prevention has proceeded very slowly. The per capita loss in the United States is the largest in the world. Millions of dollars are spent to combat disease in humans and in animals to prevent death, but more children are killed in the United States by fire than by disease or accident. More lumber is burned up annually than is used for our homes, stores and factories. Feeding Europe could be easy if we could prevent food loss by fire.

"One of the reasons for the number of fires is that 14,000 of 16,000 municipalities have no building codes, and of the 2,000 who do many are not enforced. A second reason for the number of fires and the extent of the fires, is that generally considered, Fire Departments are undermanned and poorly equipped, some using very antiquated equipment. The third reason is that many rural sections have no Fire Departments, and cities which do, are too far away to be of much help and even after arriving, find it impossible to get water.

"Several communities in South Jersey have adopted fire codes as has Palmyra. Each year school children are requested to give their inspection forms to clean up refuse in homes. Cooperative drills are held with other Fire Companies in Pennsauken Township, Riverton and Cinnaminson.

"The Volunteer Fire Departments in our communities are doing a grand job for us in instructing us how to prevent fires, and then putting them out when they do occur. The Insurance Companies of the United States are educating our Industrial plants on Fire Prevention.

"Fire Prevention week is observed nationally since 1922, and it comes

## TO HOLD FORUM

Candidates for public office in Burlington County, both Republican and Democratic, have been invited to attend a public forum, sponsored by the Burlington County Cooperating Women's Group, to be held Monday night, October 13, at 8 o'clock, in the Court House, Mount Holly. The chairmen of both the Republican and Democratic County Committees have also been invited to participate in the program.

The sponsoring organization includes fifteen women's organizations of the county, representing a membership of more than 5,000 women. Questions on issues and public policies of interest to women as citizens will be answered by the various candidates.

## TOWN MEETING

The proposal put forth by the executive committee of the Friends and Parents Association of the Riverton School that the Association be reorganized as the Riverton Town Meeting has met with many expressions of approval, according to the officers and committee members of the organization.

In the meantime, plans for the initial meeting of the organization took a big forward step during the week when it was announced that the first meeting of the revised group would be held on Monday evening, October 27th, with Henry C. Beck, the famous historian and author as the speaker.

Mr. Beck is known to thousands as the author of the famous books on the Forgotten Towns of Southern New Jersey and is in wide-spread demand as a speaker and lecturer. The executive committee of the Association feels particularly fortunate in being able to obtain a man such as Mr. Beck as its first speaker. The place for the meeting will be announced shortly.

In the meantime, the Association has received numerous calls from local residents endorsing the thought that quick and decisive action should be taken by the newly organized Town Meeting to meet the transportation crisis caused by the withdrawal of several essential trains between Riverton and Philadelphia. In this connection, several suggestions have been made that the organization also take prompt action upon the manner in which this withdrawal of adequate railroad service has hampered the local post office in receiving and delivering mail.

Residents are asked to keep in mind the date for the first meeting of Town Meeting—Monday, October 27th, and to plan to be there to assist in the reorganization and to hear Mr. Beck in his fascinating talk on the early history of our part of New Jersey.

## NOTICE

Dr. Charles Street Mills announces that his office hours are:

Monday to Friday  
Saturday and Sunday by appointment.  
Office: 106 Lippincott avenue, Riverton, Phone Riverton 9-0050.

at the same time each year as a reminder of the Chicago Fire which happened on October 9th.

Mr. Powell stated that the Palmyra Fire Department was called out 115 times in 1946 against 47 times in 1945. While many of the calls were to put out grass fires which would cause great property loss if left uncontrolled, many of the additional fires last year were attributed to the depreciation of electrical wiring and mechanical equipment during the War years. Much of this wiring and equipment had not yet been repaired, and it was recommended that an inspection and correction of worn-out equipment be made as soon as possible.

## POLICE PENSION

At a special meeting of Riverton Borough Council on Thursday night of last week, a public hearing was held concerning the method of financing the police pension which will be voted upon at the November election.

In the event that the proposition is approved by the voters, it will be necessary for the Borough to pay the sum of \$12,343.80 for accrued liability, assuming that all the officers elect to join the pension plan.

After the hearing, at which only two citizens expressed their opinion, Council voted to pay the amount over a 10-year period.

This will necessitate an annual payment of \$1,447.07 on the accrued amount plus \$652.17, the annual normal contribution for the officers now in service.

## LEGION AUXILIARY

The Frederick M. Rodgers Post American Legion Auxiliary met last Thursday in Palmyra Borough Hall. Mrs. Walter Lamon, Jr., president appointed the following in charge of the various committees: child welfare, Mrs. Clarence Hubbs; rehabilitation, Mrs. Francis Ohmberger; finance, Mrs. Clarence Lehner; membership, Mrs. Ernest Senior; program, Mrs. Robert Buttiger; poppy drive, Mrs. Wallace Moore; coupon collection, Mrs. James Davidson; publicity, Mrs. M. B. McCrosson.

Members elected to the executive committee were the regular officers and Mrs. John Davis, Mrs. Russell L. Musser and Mrs. Robert Calhoun.

One of the first projects to get under way is the collecting of redeemable coupons. The proceeds from which will be used to purchase equipment for the new Veterans Hospital to be erected. A list of the coupons is: Octagon and Kirkman soap products, Hearth Club and Rumford Baking Powders, Jersey Cereal, Borden Silver Cow Evaporated Milk, La Roca Macaroni Products, and Mrs. Filbert's Margarine. Anyone having such in their possession call Mrs. James Davidson, Riverton 9-0352-J, and the coupons will be collected and put to a good use in helping the veterans who kept our country free and a better place to live for our children.

Our membership is steadily growing and we hope to have one of the finest and largest Auxiliary Posts in New Jersey. Those eligible for membership are Mothers, sisters, wives, and daughters of all men who served in the armed forces. A special drive is being made for new members during the month of October and all persons eligible are cordially invited to join the organization.

The next regular monthly meeting will be held the first Thursday in November at the Borough Hall, Palmyra, time 8:15 p.m., and on the first Thursday of each month thereafter.

## P. T. A. ANNUAL RECEPTION

The Annual Reception of the Riverton Parent-Teachers Association will be held in the school auditorium on Wednesday evening, October 15, at 8 o'clock.

We are indeed fortunate in having for our guest speaker at this time Dr. Raymond Kistler, President of Beaver College, Jenkintown, Pa. His topic for the evening will be "Training for Tomorrow."

All members and friends of the Parent-Teachers Association are cordially invited to attend this special meeting and social evening. We urge you to come out and meet the teachers of your children. This will be a grand opportunity to meet and talk with other parents and your teachers.

Mayor John Ward, of Palmyra, has consented to sing for our evening's entertainment. We feel sure that everyone will enjoy this part of our program very much. The refreshment committee will be on hand to serve you at the close of the meeting.

## BOY SCOUT PAPER COLLECTION SATURDAY

On Saturday morning, October 11, the Explorer Scouts of Post 30, Riverton will collect papers on the following streets: Main, Howard, Cinnaminson and Fulton.

It would be greatly appreciated by the Scouts if people donating paper would place bundles on the curb in front of their house.

## TRUE FISH STORY

Incredible as it may appear, a striped bass was caught in the Delaware River, near Riverton, on Monday of this week. This hardy specimen which had wandered far from the foaming surf where it is usually found at this time of the year was hooked by Joseph Bernat, 403 Second street, Riverton, using bloodworms as bait. It measured 18 inches in length and tipped the scales at nearly three pounds.

Mr. Bernat stated that he believed that it was over 30 years since a fish of this variety had been caught this far upstream.

Since it cannot be said that the river is getting cleaner, it must be that the renowned striper are getting more hardy. Perhaps the annual Fishing Tournament will include a new category next year—for the largest striper caught in the most polluted waters.

## Killed by Train at Thomas Ave. Crossing

Arthur C. Foster, 6903 Lincoln drive, Philadelphia, died as a result of injuries sustained when the car he was driving was struck by a train early Thursday morning of this week at the Thomas avenue crossing, Riverton. A passenger, L. C. Bosler, Jr., is in Zuerbrugg Memorial Hospital, Riverside, with serious injuries. The two men had been playing golf at the Riverton Country Club during the afternoon. The car was being driven north over the crossing when hit by an eastbound freight. Investigators believe that Foster missed the turn and the auto became caught between the rails. Evidence seems to indicate that he was attempting to get the machine clear and that neither occupant saw the train approaching. The vehicle was struck on the left side in the center of the rear fender and the entire front end was undamaged.

There was no watchman on duty at that time of the morning and the crossing is protected by blinker lights.

## THE PORCH CLUB

At the opening meeting of the Riverton Porch Club, Dr. Felix Whitmer's most enlightening talk about Russia and Communism and why we should back the Marshall Plan was very informative.

A delicious luncheon was enjoyed under the chairmanship of Mrs. Gilbert Coe and various committees. A number of study groups have been announced as follows:

Literature: Mrs. Elwood Wurster, Monday, October 13, 1:00 p.m.  
Choral: Mrs. Cornelius De Boe, Wednesday, October 15, 8:00 p.m.  
Interior Decorating: Mrs. Ed. Schemp, Thursday, October 23, 9:30 a.m.

Painting: Miss Doughten, Friday, October 10, 9:30 a.m.  
Dressmaking: Mrs. Ed. Weisbrodt, Wednesday, October 29, 9:30 a.m.

There will be an open meeting Friday, October 24, at 8:15 p.m., which the community is urged to attend. Senator Arthur W. Lewis will speak on the New State Constitution.

All members are urged to attend the Garden Pilgrimage to the School of Horticulture, at Ambler, on Tuesday, October 14. Luncheon will be at the Old Mill. Please call Miss Freeland, Riverton 9-0733, for car and luncheon reservations.

## Legion Installation

W. Harold Thorn, of Garfield avenue, Palmyra, was installed as the new Commander of Frederick M. Rodgers American Legion Post 155 at the first annual dinner-dance held at Jack Downie's Old Mill Inn, Tuesday night, before a large gathering of State and County American Legion representatives and many noted guests.

The new Commander succeeded Walter D. Lamon, Jr., as the head of the local American Legion Post. Thorn, and other new officers of the post for the coming year were installed by Joseph Butler, of Medford, Burlington County American Legion Commander, and Charles W. Sweetman, of Roeboling.

The new commander has been active in the American Legion for many years. He is a veteran of both World War I and World War II. Thorn served with the Navy in World War I and with the Seabees in World War II, as a Chief Petty Officer.

Thorn has done a fine job as chairman of the athletic committee of the post during the past year.

The new Commander of the post through his occupation prior to the war and especially during the past year has been a tremendous value and help to the building committee in preparing their plans for the erection of the new American Legion home. He was also adjutant under Past Commander Horace Rowland in 1942, a delegate to the State American Legion Convention in Trenton last August, and traveled to New York during the National American Legion Convention.

Other members of the post installed as officers for the coming year were James Davidson, senior vice commander; Alexander C. Wood, junior vice commander; Franklin W. Liberty, adjutant; Charles H. Yost, finance officer; Robert J. May, historian; Alvin R. DeMarr, chaplain; John Yost, sergeant-at-arms, and Avery Willis, service officer.

Thorn was also named as the new post delegate to the Burlington county executive committee with Franklin Liberty to serve as his alternate.

Vincent A. Rutledge, Horace Rowland, Lloyd Musser, Wallace Moore, George Luce, Sr., Charles A. King, Walter Hunt, Clarence N. Hubbs, Jr., Jack Ferren and Past Commander Walter Lamon will serve as members of the post executive committee for the coming year.

## BYRUM SAAM AT COMMUNITY CENTER

On Thursday, October 23, at the Community Center, a youth feature for the year will be held. Byrum Saam, well known radio sports announcer of baseball and football games will be present to give a talk on his experiences in the sport world and his contact with all of the baseball and football players. Mr. Saam is to speak at the Palmyra-Riverton Rotary Club earlier in the evening and will be at the Center at 8:15 p.m. In addition, a full hour of sports moving pictures will be shown. Both Mr. Saam and the picture are through the courtesy of the Atlantic Refining Co.

All youth of the community are invited to the center on this Thursday evening for one of the features of the year. Boys and girls alike are invited to come and bring your Dads and Mothers if you want. In any event you be on hand for an evening you will not forget.

Remember the date, Thursday, October 23, at 8:15, at the Community Center. Let's have a big crowd of our young people on hand to greet Mr. Saam and hear his message to youth.

David C. Pittenger, 708 Linden avenue, Riverton, has returned to Dartmouth College to begin his freshman year.

# CALVARY PRESBYTERIAN CHURCH

The Rev. R. B. Stewart, Pastor  
Fourth and Lippincott Ave.  
Riverton, N. J.

The Calvary Church School keeps growing! Last Sunday morning the attendance of students, teachers and officers was the largest in the history of the school. The new Junior Department, supervised by Mrs. J. Ralph Custer, is the Synod of New Jersey's laboratory for trying out the "New Curriculum" which will be introduced across the country in October, 1948. Mr. and Mrs. William Mathews have accepted the responsibility of heading the Visual Education Department.

Morning assemblies of all departments convene at 9:45 with classes in religious instruction until 10:45 a.m. The Men's Bible Class and the Ladies' Bible Class meet at the same hour.

We are told that there are almost 20 million children in America who do not receive any religious instruction. We do not want any of these to be found in our community. Encourage every child to attend some Church School in Riverton or Palmyra.

At morning worship next Sunday the Church School officers and teachers will worship in a body, and will participate in a special service of dedication. The Sacrament of Infant Baptism will be administered.

The Calvary Choir will render the anthem, "Praise the Lord, O My Soul" by Watson, and the subject of the morning message will be, "Manoah's Prayer" (Judges 13-8) "O Lord, I pray Thee... teach us."

## NOTICE OF SETTLEMENT

Trustees Account

what we shall do unto the child that shall be born."  
Students of the Church School, and all parents of our students, and all who appreciate the service rendered by our Church School faculty, are especially invited to participate in this service of worship. Morning worship begins at 11 a.m.

On Sunday evening the Junior Club will meet from 6 to 8:30; juniors and intermediates will meet together for choir rehearsal from 6:30 to 7, and the Intermediate Club will meet from 7 to 7:30.

The Westminster Fellowship group (over 14 years) will meet in the Ladies' Parlor from 7:30 to 8:30 for election of officers to serve for one year.

The Junior Club is open to all who are in the 4th, 5th and 6th grades; the Intermediate Club is for those in the 7th and 8th grades. Mr. and Mrs. W. Arthur Burton are sponsors of the two club groups.

## EXPLORER SCOUTS GUESTS OF PAN-AMERICAN AIRWAYS

On Sunday, October 5, a group of Explorer Scouts from Post 50, Riverton, were the guests of Pan-American Airways at LaGuardia Field, New York.

On this visit they were shown the latest type of Clipper ships operated by this line, having the opportunity of thoroughly inspecting these planes. Their guide in this tour was Harry Scheible, a member of the inspection staff of Pan-American Airways.

They were also shown the shops maintained by the line at LaGuardia and the mechanical work which is done on these planes to make them safe for carrying passengers to any part of the world.

Of course they also saw planes from other lines such as British Overseas Airways, Air France, Royal

## WOMAN'S CLUB BEGINS FALL ACTIVITIES

The Woman's Club of Palmyra, opened the year's activities with a luncheon on Monday in the club rooms. Mrs. Richard K. Hunter was the chairman and was assisted by the Welfare Department.

Mrs. Paul C. Weber gave several readings that were enjoyed by all. A business meeting was conducted by the president, Mrs. Emory C. Bowers, who spoke briefly on "Your Club and the Federation" and stressed the importance of accepting responsibilities in a democracy.

Richard C. Hunter, of the National Mental Health Foundation brought the message of the afternoon. He made clear the need for improvement in conditions for those mentally ill. The public, through understanding and sympathy can bring about changes in existing conditions by appealing directly to our government officials for increased budgets to care for food, higher type personnel and equipment. Mental illness can be cured.

### BOY SCOUTS

Dr. E. Newbold Cooper, President of the Burlington County Council, Boy Scouts of America, announced that the Scout Units throughout Burlington County are participating in the annual nation-wide Scout Round-Up, which is happening throughout the County over the entire country. The "round-up" involves the Cub Packs, Scout Troops and Senior Units at the start of their fall activities taking stock of their units and planning for the coming months ahead.

The "round-up" stresses the extending of an open invitation to boys in the various communities in the County who are not now in Cub Scouting, Boy Scouting or Senior Scouting, and inviting them to participate in their local communities. The units have been asked for their Unit Committees to hold a meeting with their Unit Staff for stock taking, to plan a vigorous program for the Scouting year ahead. This to be followed by a meeting of the parents of the boys in Scouting and the units to plan a "round-up" activity in their unit. Various District activities, such as camporees and rallies will take place in the Districts in the late fall, culminating the "round-up" program.

### CAR OWNERS ARE NOT SATISFIED, SURVEY SHOWS

There is increasing evidence, according to Keystone Automobile Club, that motorists are dissatisfied with the design of automobiles, even though necessity drives them to buy the products offered by manufacturers in a short-supply market. "When you get right down to it," says an editorial in the current issue of Keystone Motorist, "the motorists of this country have a right to expect something better in the operating qualities of their automobiles—especially from the safety standpoint. A gentleman up in Boston has put into words what many of us must be thinking."

"Radical changes in car design are long overdue," declares Arthur Stevens, of the Automobile Safety Association. "Safe driving depends primarily on the operator's ability to see all the road and its hazards. Passenger car styling now places him half way back from the front of his car and down behind an elongated hood and flaring fenders."

### LEADERSHIP TRAINING SCHOOL PLANNED HERE

The Palmyra-Riverton Leadership Training School begins its fourth season next Wednesday and continues on the five succeeding Wednesdays. The sessions will be held in the Central Baptist Church, from 7:45 to 9:35. Although the School is primarily planned to be of assistance to teachers and church workers, anyone may enroll and attend the classes. The enrollment fee for the entire course is \$1.00.

Four courses are being offered, but only one may be selected for enrollment. The School is accredited with

their work in the Church School. Miss Myrtle M. Love, assistant director of Leadership Education, American Baptist Church, will be the instructor.

A CLINIC for TEACHERS is a course designed for more experienced teachers and will endeavor to assist them with their specific problems. The Rev. Charles A. Sayre, executive secretary, Board of Education, New Jersey Methodist Conference, will be the instructor.

Further information on the School may be obtained from the Dean, the Rev. George T. Miller, or the registrar, Mrs. Howard M. Humphreys. The school is sponsored by the Ministerial Association of the three local communities.

to wear the World War II Victory and American Defense Medals may now obtain them upon presentation of their honorable discharge certificates at the U. S. Army and Air Force Recruiting Station, Post Office Building, Camden, N. J. It was announced today by Maj. George C. Abbott, Jr., local Station Commander.

Up to this time, veterans who have earned the right to wear these medals have worn the ribbon bars in their place. The medals have only recently been struck by the United States Mint and made ready for general distribution. The medals themselves, the Major explained, are worn only on formal occasions.

This medal is authorized for issue to those men and women who served honorably between December 7, 1941 and December 31, 1946.

"Are Sin, Disease, and Death  
Real?" is the subject for Sunday,  
October 12.

Golden Text: "He that is our God  
is the God of salvation; and unto  
God the Lord belong the issues from  
death." (Ps. 68:20)

Sermon: Passages from the King  
James version of the Bible include:

"Verily, verily, I say unto you, He  
that believeth on me, the works that  
I do shall he do also; and greater  
works than these shall he do; be-  
cause I go unto my Father." (John  
14:12) Correlative passages from  
"Science and Health with Key to  
the Scriptures" by Mary Baker Eddy  
include:

"Our Master cast out devils (evils)  
and healed the sick. It should be  
said of his followers also, that they  
cast fear and all evil out of them-  
selves and others and heal the sick.  
God will heal the sick though man,  
whenever man is governed by God." (p. 495)

## Assembly

The Upper Grades of Riverton  
Public School had an assembly on  
Friday afternoon, October 3rd.

Gardner Burton was acting president.  
John Robinson read the minutes.  
Mr. Groff talked about voting for  
school officers—elections are to be  
held Friday morning, October 10th  
by Grades Five through Eight. The  
nominees for president are Betty Lou  
Lundstedt, John Robinson, Gardner  
Burton and Janet Lundstedt. Secre-  
tary, Bernice Lewis, Mary Emyrn  
Eberly and Elizabeth Dutky. Treas-  
urer, James Blankenbiller and Janet  
Burton. Nominees are permitted to  
have campaign managers. Campaign  
posters may be tacked on the bulletin  
board in each home room.

Mr. Groff then gave an impromptu  
talk on Columbus for Columbus Day.  
It was entitled "A Boy with a Dream  
in his Eye." Miss Clark's class, the  
Sixth Grade, then recited the poem,  
"Columbus."

The First and Second Grades were  
invited in for the swearing in of the  
Safety Patrol. Mr. Groff gave a  
speech on safety. He said the  
Safety Patrol was elected on leader-  
ship and academic standing. He  
said they had an obligation to fill and  
should be respected. Then he di-  
agrammed the positions of the Safety  
Patrol and advised us on Safety pre-  
cautions.

## School Board News

At the regular monthly meeting of  
the Riverton Board of Education  
several important items of business  
were transacted.

Approval was granted for the  
principal to proceed with plans for  
the usual educational trips to points  
of interest in the area. This policy  
has been followed in past years with  
each grade going to some place of  
historical or scientific interest to sup-  
plement the work of the regular  
classroom. The state pays 75 per  
cent of the bus expenses for these  
trips.

Permission for the use of school  
facilities was granted to the Girl  
Scouts and Brownies, the PTA, the  
Footlight Players, the YMCA and  
the Town Meeting program on Octo-  
ber 27th.

Some time was devoted to a dis-  
cussion of results of recent achieve-  
ment tests given in all grades. The  
low scores in arithmetic and spelling  
revealed a need for more class time  
in those subjects, and the Board was  
informed that such plans have been  
made and that class periods in the  
two subjects have been lengthened.

Plans for the approaching evalua-  
tion of the school were discussed  
and the suggestion made that the  
personnel of the committee be ex-  
panded to include a representative of  
one of the nearby university faculties.

Further information on the results  
of the testing program and on the  
evaluation of the school will be sup-  
plied at an early date, both to parents  
through bulletins sent home with  
children and through the newspaper.

"If the Sunday had not been ob-  
served as a day of rest during the  
last three centuries, I have not the  
slightest doubt that we should have  
been at this moment a poorer people  
and less civilized."—Macaulay.

No truer words were ever spoken  
or written. With the rapidly disre-  
garding of Sunday as the day of rest,  
prevalent throughout our country in  
our day and generation, one wonders  
whether the words of Macaulay will  
be fitting in the next decade. And  
as diabolical as it may seem, in many  
cases the church members not only  
condone but encourage the breaking  
of the moral laws of the Sabbath.  
So it behooves every Christian to be  
guarded against the neglect of wor-  
ship which is the beginning of a  
gradual disregard of Sunday as a  
day of rest.

SCHOOL CHILD KILLED

Motor Vehicle Commissioner Ar-

thur W. Magee said this week that

the recent death of a Vineland school

child while alighting from a school

bus has focused attention to the need

for stricter enforcement of the law

requiring drivers, when approaching

or overtaking, to bring their vehicles

to a full stop not closer than 10 feet

to a school bus that is receiving or

discharging passengers. He called

upon police departments and magis-

trates to enforce the law and for bet-

ter observance by motorists.

"The reason for the general dis-

regard of this important safety regu-

lation cannot be ignorance of its ex-

istence because it has been widely

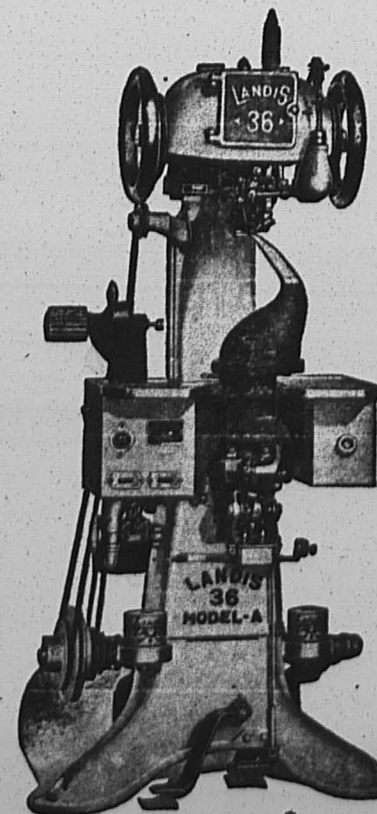

publicized since its enactment in

1942," said Mr. Magee. "It seems

as if some drivers are in such an

everlasting hurry that they cannot

take time to be safe." The Com-  
missioner added:

"When the Legislature passed this  
law it had in mind the safeguarding  
of our children while travelling to  
and from school. A driver who does  
not stop his vehicle when he ap-  
proaches or overtakes a stopped  
school bus is not giving the children  
the protection they are entitled to.  
The law should have the 100 per cent  
cooperation of motorists.

"The school bus law is so import-  
ant to safety that those who violate  
it are in the class of flagrant offend-  
ers and I recommend that magis-  
trates impose not only the maximum  
penalty on violators but revoke their  
driver's licenses as well."

## SUNDAY DINNER

Suggestions

THE process of making evapo-  
rated milk was revealed in the  
United States shortly before the  
Civil War. The popularity of this  
product was soon recognized and  
its acceptance spread rapidly as it  
was found to be well adapted for  
use as a military supply.

It soon came into general use  
throughout the country and gradu-  
ally spread to all parts of the world.

To appreciate the underlying  
principle in its manufacture, one  
must remember that the composi-  
tion of milk includes from 84 to 90  
per cent water. A specific portion  
of this water can be removed with-  
out extracting the casein, fat, milk-  
sugar, etc., all of which remain in  
the evaporated product.

Evaporated milk is processed by  
boiling raw milk in vacuum pans  
until it attains the consistency of  
heavy cream, then run over cooling  
pipes, canned, sealed and sterilized  
in the can this milk will remain  
good almost indefinitely, but after  
opening it should be kept in a cool  
place.

According to the A & P Service  
for Home-Makers, evaporated milk  
of good quality has many uses, be-  
ing recognized chiefly as the founda-  
tion of the feeding formula for  
about 750,000 babies annually.

Evaporated milk is presently in  
good supply and is found to be es-  
pecially good in the making of cream  
sauce for cauliflower or asparagus.  
It can also be used in baking, in the  
making of desserts or, when diluted  
with fresh water, as a substitute  
for raw milk.

For a delicious Sunday dinner,  
try steak with mushroom sauce,  
French fried potatoes, creamed as-  
paragus, a mixed green salad and  
home-made rolls. For dessert, try  
pumpkin pie with whipped cream  
and a beverage.

## CAR WRECKS FENCE

On Tuesday night, October 7, at  
10:30, Officer Albert Pierce, of Riv-  
erton, received a phone call from an  
unknown person in East Riverton.  
A motorist had wrecked an iron  
fence near a residence at Broad and  
Pompey. The driver of the car  
failed to halt and headed for Riv-  
erton.

After stopping several cars Pierce  
finally found a car with indications  
of an accident on the fenders. The  
driver, a Palmyra resident, admitted

leaving the accident. He had no  
driver's license. Pierce turned him  
over to Officer Adams, of Cinnamin-  
son police and he issued a summons  
for his appearance at a later date.

## PUBLIC SERVICE

Public Servant of the Garden State

No. 3

In a series of 6 installments explaining the proposed new Constitution for New Jersey.

## What the Proposed New Constitution Means to You

### 3. A Stronger, More Responsible, Executive Department

NOTE: The governor is the only state official elected by all the people of the state. Under the new constitution he is given more power to carry out their will.

**The Governor's Term Is Increased From Three to Four Years, and He May Succeed Himself Once.** The present constitutional limitation of a governor's term to three years, coupled with the prohibition against his succeeding himself, has prevented the public from electing a satisfactory chief executive. The convention felt that the voters should be freed from this restriction and should be able to elect a competent and satisfactory governor.

**The Governor will Be Elected in Odd Numbered Years.** The election of the governor will be completely separated from national elections, and from the election of members of congress. Thus what is strictly a state matter will not be confused with national issues.

**Executive Departments Are Limited to Twenty.** These departments, replacing eighty odd departments, agencies and commissions, functioning at present, will be organized by the Legislature. Duplication and inefficiency will be lessened, and the number of executive heads will be small enough for the governor to work with them effectively.

**The Governor Is Given Effective Supervision Over All Executive Department Heads (Except The State Auditor).** No longer will the governor have to work with department heads who have been appointed by his predecessor and who may be out of sympathy with his policies. Upon assuming office, each governor will appoint, with the advice and consent of the Senate, single department heads to serve at his pleasure. Where a department is headed by a board, the members of the board will also be appointed by the Governor, with the advice and consent of the Senate, to serve for the term fixed by the Legislature. Such a board may appoint an executive officer, subject to the Governor's approval and removable by him after notice and hearing.

**The Veto Power of the Governor Is Strengthened and Made More Flexible.** Formerly the Legislature could override the Governor's veto with a simple majority—the same vote required to pass the bill in the first place. Now a two-thirds majority is required, as in the Federal Constitution. In vetoing bills for technical or other defects, the Governor is permitted to propose amendments, and the Legislature may adopt such amendments by a simple majority vote. In appropriation bills, if the Governor considers the budget for any department too high, he can now reduce, as well as eliminate, any item by veto.

#### If Approved by the Voters

the new constitution will become effective January 1, 1948. Senators and Assemblymen elected in 1947 will then serve the

new lengthened terms. The judicial articles of the new constitution will become effective September 15, 1948.

FULL TEXT

may be obtained from Secretary of State or your County or Municipal Clerk.

### A Report to the People of New Jersey

by their elected delegates to the Constitutional Convention, New Brunswick, N. J., 1947. This summary and explanation of the proposed constitution was prepared by the delegates to the Constitutional Convention and is presented for the information of the voters. The proposed new constitution was adopted by the Constitutional Convention in New Brunswick on September 8, and is to be voted upon at the general election on Tuesday, November 4, 1947.

If you wish a copy of the complete constitution, you may get it by applying to the Secretary of State at Trenton, or your County or Municipal Clerk.

*Leopold Mason*  
SECRETARY OF STATE

### OBJECTIVES of the proposed NEW CONSTITUTION

It has been the purpose of your delegates to draw up a new State Constitution that will make possible more efficient, more economical, and more democratic state government. To accomplish these objectives, the proposed new constitution provides:

1. A more liberal "Bill of Rights."
2. Better Defined Legislative Power.
3. A Stronger, More Responsible Executive.
4. A Simple, Unified System of Courts.
5. A Sounder Basis for Taxation and Finance.
6. A Simplified, Less Expensive Method of Amendment.

NOTE: All laws now on the statute books will continue fully effective upon adoption of the revised Constitution except where they are in conflict with its provisions.

Training Command's airplane mechanics training courses at Keeler Field.

The training he received in the mechanics school covered basic airplane and engine mechanical operations. The technical course extended over a period of approximately 16 weeks and included instruction in aircraft electrical systems, engine operation, fuel and oil systems, propellers, structures, instruments and basic inspection. This qualified him for additional specialized training in the maintenance of heavy bombers, cargo planes, jet and rotor aircraft.

Miss Peggy Ryan, of Palmyra, attended a meeting recently of the Burlington County YWCA Teen Club Advisers at Moorestown.

## PROWLER ESCAPES

On Friday night, October 3, at 10.30, a man was seen hiding in a hedge outside a home at Fourth and Cinnaminson streets.

Believing him to be a prowler, a neighbor approached the man, but he ran toward the railroad too fast to be caught.

Police state that the man may be one of two escaped lunatics previously reported missing from Trenton.

Officer Adams, of Cinnaminson, arrested one of the two on Route 25 approximately the same time on this report.

The inmate captured by Adams was returned to Trenton the same evening.

## APPLICATIONS EXTENDED FOR VETS APARTMENTS

At a meeting of Riverton Borough Council last Thursday night it was announced that, because of a State ruling, it has been necessary to re-open applications for the veterans' apartments which are being constructed at Third and Main streets, Riverton.

Applications will now close December 31. The change was ordered because State officials feel that some emergency might arise between now and that date which would necessitate a shift in the allocation. Rather than withdraw an assignment already made to take care of such an emergency it was believed preferable to adopt the course mentioned in the foregoing.

## Needlework Guild

The Annual Ingathering of the Needlework Guild will be held at the Porch Club on Tuesday, November 11. Workers are asked to bring their own lunches and coffee and dessert will be served at a nominal fee. Everyone is urged to attend the business meeting, which will be held at 1.30. Contributors who have not yet purchased their articles may like to know that bedding, children's clothing and sheets are particularly needed this year.

Even if you cannot attend the meeting or help at the Ingathering, stop in and see how the Riverton branch benefits such needy charities as the Cinnaminson Home, visiting Nurses' family Service, Children's Home in Trenton and Zurburg, West Jersey and Cooper Hospitals. These are only some of the organizations who rely on the Needlework Guild's help. Guild members are required to contribute only two articles a year. Wouldn't YOU like to be come a member? If so, please call Mrs. Bruce Dickson 9-0348 for further information.

## MENTO-DeCOURSEY

The marriage of Miss Mary Jane DeCoursey, daughter of Mr. and Mrs. Morris H. DeCoursey, to Mr. Vincent Mento, son of Mr. Vincent Mento, took place on Saturday, October 11th, at Riverton. Miss Joan DeCoursey, sister of the bride was the only attendant. Mr. Elias J. Malone, of Palmyra, served as best man.

The bride wore smoke grey velvet with black accessories and carried an old fashioned bouquet of yellow rose buds.

Miss Joan DeCoursey wore flame velvet with black accessories and gardenia corsage.

Both the bride and groom are graduates of Palmyra High School. The bride attended Glensboro State Teachers College and Strayer's Business School.

## ROTARY NEWS

Several important announcements were made at the Rotary meeting, October 4, as follows: Harry B. Williams has been appointed president of the South Jersey Golf Association; Senator Arthur W. Lewis will give a talk on the proposed New Jersey Constitution at the Porch Club on October 24; Rev. Neal Raver was welcomed on his return for the coming year to the Epworth Methodist Church as a result of the recent Methodist conference action.

The speaker of the evening, Past Governor Andrew E. Vaughan, of Pottsville, Pa., gave a very interesting talk on his 25 years experience as a Rotarian. He likened the office of President of a Rotary Club to an orchestra leader who has a Baton and should know when to call on each group to do their part so as to have harmonious response.

He also pointed out other principles that apply to the handling of our business relations, as well as getting along in our Club. Some of these thoughts are: Don't tell people that they have to do a certain thing. It is better to ask them if they will do it. Never ask anyone to do anything that we are not willing to do ourselves.

Mr. Vaughan gave several personal incidents which prove that these principles work. He closed his talk by further comparisons of business relations between buyer and seller.

## BYRUM SAAM NIGHT

AT LOCAL CENTER

On Thursday, October 23, at 8.15 p.m., Byrum Saam, well-known radio sports announcer, will be guest speaker at the Community Center.

Mr. Saam at the present time is in great demand as a speaker for various occasions and we feel fortunate in being able to have him at the Center to talk to our young people.

He will speak earlier in the evening at the Palmyra-Riverton Rotary Club and then be on hand at the Center.

In addition to Mr. Saam, a full hour of sports movies have been obtained. All young people of the community are invited to attend this affair, as well as any grown-up who are desirous of hearing Mr. Saam.

Both Mr. Saam and the movies have been made available through the courtesy of the Atlantic Refining Company.

## NOTICE

No more Brownie Scouts can be accepted until another leader has been secured. Anyone wishing to volunteer for this work kindly phone Mrs. B. Bowers, Riverton 9-1445.

## The Mail Situation

Riverton, although only about 10 miles from the heart of Philadelphia, the third largest city in the United States, is rapidly approaching the status of Bungle's Corners deep in the sage brush country, insofar as mail is concerned.

The train which arrives here at 3.36 and formerly brought the afternoon mail has now become a gasoline coach which is allegedly too feeble to pull a mail car. Therefore the only other mail train from Camden (except the 6.27 a.m.) now arrives at 5.37 p.m. which, in reality, gives local communities only one mail a day from the nearby metropolis.

Mail comes down from Trenton only at 7.54 a.m. and this train also carries mail to Camden. The only other westbound mail during the day leaves on the 6.08 p.m. train.

The 3.36 arriving at Riverton with one car is crowded beyond capacity by returning school children. There is hardly standing room. It goes to Burlington only and then makes a fast return to Camden—empty. The same car goes up later in the evening and makes another deadhead trip back to Camden. Local riders question whether the railroad wouldn't have made more friends by having it return the next morning to replace the now defunct 9.23 a.m. transportation.

Many commuters have pointed out that the bus situation at that time of the morning is very bad and some improvement is urgently needed.

## ATTENTION

It's time to get together again, folks, for an evening chuck full of fun and entertainment. Bethany Funsters are having a Halloween Barn Party.

Due to the Halloween Parade being on our regular meeting night we are having our meeting Thursday, October 23.

You know, we haven't had a Barn Party in years. What do you say, get the old gang together, bring 'em to Bethany Funsters, and have a swell time.

Masking is optional. Everyone is invited to the Bethany Funsters. Broad and Morgan, at 8.00, October 23.

MATHILDE RITSCHARD LANE  
Mrs. Mathilde Ritschard Lane, wife of Mayor Nathan Lane, 305 Highway, Riverton, died Saturday, October 11.

Funeral services were held Tuesday, October 14, at 2 p.m., in the Chapel of the First Unitarian Church, Philadelphia, Pa. Interment was in Green Wood Cemetery, Brooklyn, New York.

In addition to her husband, Mrs. Lane is survived by two daughters, Miss Julia K. Lane, of Riverton, and Mrs. Francis Lane Littlefield, of Santa Cruz, California; two sons, Nathan Lane, Jr., of Germantown, Pa., and John D. Lane, of Wilmington, Delaware. A sister Mrs. Alice Heinrich, of Interlaken, Switzerland, and a brother, Victor Ritschard, of Riverton, also survive.

Mrs. Lane spent many years of her life in community service, being active in many civic and charitable organizations. She was chairman of the Riverton Branch, American Red Cross during the war years and headed the War Fund Campaign here, in addition to being County Zone chairman. She was a member of the Board of Managers of the Cinnaminson Home and also a member of the Burlington Health Council.

Mrs. Lane was chairman of the Riverton Auxiliary of Zurburg Memorial Hospital, Riverside, for several years and was an earnest worker in the First Unitarian Church, Philadelphia, where she was president of the Women's Auxiliary.

She also served as vice president of The Porch Club, Riverton, and was chairman of the International Relations Group for a number of years.

## MISCHIEF NIGHT

Chief William Goote, of the Riverton police department, states that harmless fun will be allowed on Mischief Night, but that all acts which involve property damage will be dealt with to the fullest extent of the law.

Extra officers will be on duty to see that malicious mischief is prevented.

## HALLOWE'EN PLANS

The Joint Halloween Committee held its weekly meeting Tuesday evening and each of the committees made reports on their progress.

The parade committee under the direction of Tony D'Amato is preparing to complete regulations for the parade assembly at Riverton and to control the parade throughout the line of march to the dispersing area.

They are fortunate in not only having the assistance of all three police units in the participating communities but also 60 men from the Artillery Battalion of the Camden National Guards to assist in controlling automobile and foot traffic as the parade disbands in preparation for the award of prizes.

Russell Dilks, chairman of the lighting committee has progressed with lighting arrangements so that the entire route of parade will be amply illuminated. There will be two 150 watt flood lights suspended from each pole from the Riverton station to Weart boulevard.

This is an innovation this year which will add materially to the public enjoyment of this Halloween Pageant.

The finance committee, under the direction of Albert Farrow reported that they need further financial assistance. The committee will appreciate the consideration of every citizen and their assistance by forwarding any contribution to Herbert Evans, Treasurer, 618 Elm Terrace, Riverton, N. J. Please participate in this celebration by sending your contribution.

Harold Thorn, chairman of the music committee made his final report and following are the musical organizations which will participate in the parade: Riverside American Legion Bugle Corps, this corps placed second in National Legion Competition in New York for Senior Bugle Corps; Riverside String Band, Palmyra High School Band, Palmyra High School Bugle Corps, MacFarlane Post American Legion Bugle Corps, from Burlington, Hammon-ton String Band, and the Audubon Girls Bugle Corps.

Russell Rivers, chairman of the prize committee wishes to remind all contestants that registration must be made October 29th and 30th between 7 and 9 p.m., and October 31st between 1 and 5 p.m., at the Riverton Fire House or the Palmyra Borough Hall. To be eligible for the many prizes given for each of the following groups, YOU MUST be registered in one of the following classes: original costumes, novelty floats, large floats, comic section, fancy dress section and impersonation group.

The parade will leave Riverton promptly at 8.00 p.m. Halloween Night, October 31st. In the event of rain the affair will be presented Saturday night.

The committee cordially invite the public to the next meeting to be held Tuesday, October 21st, at 8.00 p.m., in Palmyra Borough Hall.

## WILLIAM SAIA

Requiem High Mass for William Saia, 30, of 321 W. Broad street, Palmyra, who died Thursday in the U. S. Veterans' Hospital, Rutland Heights, Mass., was sung at 10 a.m., Tuesday, in Sacred Heart Church, Riverton.

Mr. Saia is survived by two sisters, Mrs. Jennie Cerarato, of Philadelphia, and Mrs. Grace Dina, of Palmyra, and by a brother, Joseph Saia, of Philadelphia. Burial was in Holy Cross Cemetery, Philadelphia.

## Lions Plan Minstrels

The cast of the minstrel show for the benefit of the Palmyra-Riverton Lions Club Charity Fund has been completely organized and rehearsals have been under way for some time. Direction of the production has been placed in the hands of Jack Shetler and George Hansen, veteran minstrel men and producers of minstrels in many communities in this section.

Mary Baldwin Laird, presently directing the Palmyra High School Choir and a recent graduate of Fred Waring's Choir and Music School, at Shawnee-on-Delaware has been engaged to direct the singing. Local showgirls will be entertained by end men long known for their ability to "bring the house down" in such local talent shows as "Buy U. S. A."

"Who's Who," "Gay Nineties Revue" and the "Goodfellowship Minstrels." These end men include Bud Bauers, Doctor J. Rowland Dey, Tom Hettel, Ed Walters and G. W. MacCord.

The cast also includes singing personalities: Anne Schuck, soprano; Herb Vetterman, baritone, and Bob Hartshaw, bass, all of whom have been entertaining the local citizenry for years with good music.

Dante Mento, ex-G.I. showman and more recently master of ceremonies at many South Jersey functions will be on hand to help entertain and keep the show spirit moving at a fast pace.

The minstrel circle has been arranged to include local men and women. Among those who will entertain from the circle are: Irene Heiler, Kathryn Winters, Dorothy Davidson, Mary DeLaney, Helen Mansfield, Eleanor MacCord, Mildred Haines, Jane Cook, Doris Foulke, Ruth Knapp, Ruth Weigand, Claire Hansen, Charles Marple, Howard Yerkes, Bob Brettbauer, George Weigand, Ed Parker, Ernie Bright, Norma Delaney, Ray Mulliken, J. Chapman, Taylor Kirby, Tony D'Amato, Tom Cahill, Harry Mansfield and Hank Winters.

The musical scores will be under the direction of Lee Mitten, well known local pianist. Mr. Mitten will be ably assisted by Ellen Chapman, John Grady, Jack Mathews and others.

This Lions Club production will be presented at the Palmyra High School auditorium on November 14 and 15, at 8.15 p.m., and the price of admission has been set at only 50 cents per person.

Tickets will soon be available for these performances from any member of the local Lions Club and it is requested that they be obtained early to assure everyone of an opportunity to see a real "Old Fashioned" Palmyra-Riverton Show. At the same time you will be assisting the Lions in their efforts to be of service in our communities.

## GETS LARGE STRIPER

Walter W. Moyer, 506 Fulton street, Riverton, caught a 22 pound striped bass last Sunday, while fishing in Harris Creek, near his summer home at Bosman, Maryland.

The fish is probably the largest caught this season in that area of the Chesapeake Bay.

## SERVICE STATION ROBBED

Safecrackers who set up a pup tent to hide the flare of their acetylene torch, took over \$1,000 in cash and 720 cartons of cigarettes from a Palmyra service station over the weekend.

The robbers also took an automobile to carry away the loot from the establishment on River Road and S-41 Highway, known as Stowe's service station. The car belonged to a contractor, Wesley Stanley, of Le-june road, Palmyra. The vehicle was recovered Monday morning in Pennsylvania.

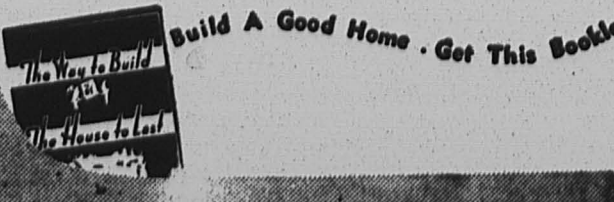

Police said the robbers entered by a side window, set up the pup tent in front of the safe and then burned off the combination.

"Doctrine of Atonement" is the  
subject for Sunday, October 19.  
Golden Text: "The preaching of  
the cross is to them that perish foolish-  
ness; but unto us which are saved  
it is the power of God." (1 Cor. 1:18)  
Sermon: Passages from the King  
James version of the Bible include:  
"He hath shewed thee, O man,

what is god; and what doth the Lord  
require of thee, but to do justly, and  
to love mercy, and to walk humbly  
with thy God?" (Mic. 6:8) Correla-  
tive passages from "Science and  
Health with Key to the Scriptures"  
by Mary Baker Eddy include:  
"Wisdom and Love may require  
many sacrifices of self to save us  
from sin. One sacrifice, however  
great, is insufficient to pay the debt  
of sin. The atonement requires con-  
stant self-immolation on the sinner's  
part." (p. 23)

## STEELE'S NURSERIES

PALMYRA, N. J.  
HAS SERVED SOUTH JERSEY FOR  
MORE THAN A CENTURY

We have a complete stock of landscape  
materials. If your foundation or other  
planting is overgrown due to neglect or  
improper care, let us remove it and replace  
it with new materials.  
November and December  
are excellent months  
for planting shade trees. Build-  
ers of new homes particu-  
larly should plant shade  
trees as soon as possible.  
The original cost of shade  
trees is small compared  
with what they are worth  
a few years after planting.  
Order now for prompt delivery. Estimates  
on any landscape work are cheerfully given  
and visitors to the nursery are always  
welcome.

On Wednesday afternoon all of the children from the third to the eighth grades went to the Firehouse accompanied by their teachers where Chief Lawrence Downs explained to them the fire-fighting equipment and the fire emergency procedure in our town.

Then the last period of the day the children went to the playground where a paper fire was started and then extinguished by a demonstration of one of the soda and acid fire extinguishers which hang conveniently about the building. Mr. Groff then took the extinguisher apart and explained to the boys and girls how it worked.

On Thursday a timed fire drill was held and the building was emptied in two minutes and five seconds which should prove a safe margin should an emergency arise. The Student Council committee consisting of Gardner Burton, John Robinson and Bernice Lewis made an inspection of the building, testing fire hose and examining all fire extinguishers.

Friday afternoon at assembly Mr. Philip Flack talked to the boys and girls on "Fire Hazards and their Prevention in the Home." After an interesting talk he made everyone a junior fire-chief and gave them a paper to take home and fill out after examining their house for possible fire dangers.

The Reporters Club Visits The New Era

The Reporters Club went to visit the Riverton New Era on Thursday, October 9th. We have been learning about publishing a newspaper so Mrs. Mayer, our club sponsor, made arrangements for us to visit The New Era Printing Plant.

Mr. Bowen took us through the shop. He showed us the different processes and explained the machines to us. While we were there they were printing the Palmyra High School football programs. Mr. Bowen showed us how they were printed.

As we were leaving Mr. Bowen gave each member of the club a strip of metal with his name on it. These he made in the Intertype machine. We all expressed our hearty thanks to Mr. Bowen for taking his time to show us the printing shop for we had all learned a great deal about writing and printing a newspaper.

Mary Emryn Eberly, Reopiter.

Our Terrarium  
Our Fifth Grade decided to make a terrarium. Several boys and girls brought soil, pebbles, charcoal, moss and plants. These were arranged in order in a glass jar with a lid. We think that it will be very pretty when it gets a good start.

Eula Gray, Reporter.

School football programs. Mr. Bowen showed us how they were printed.

As we were leaving Mr. Bowen gave each member of the club a strip of metal with his name on it. These he made in the Intertype machine. We all expressed our hearty thanks to Mr. Bowen for taking his time to show us the printing shop for we had all learned a great deal about writing and printing a newspaper.

Mary Emryn Eberly, Reopiter.

Our Terrarium

Our Fifth Grade decided to make a terrarium. Several boys and girls brought soil, pebbles, charcoal, moss and plants. These were arranged in order in a glass jar with a lid. We think that it will be very pretty when it gets a good start.

No. 4

In a series of 6 install-  
ments explaining the  
proposed new Constitu-  
tion for New Jersey.

## What the Proposed New Constitution Means to You

### 3. (Continued) A Stronger, More Responsible, Executive Department

NOTE: The governor is the only state official elected by all the people of the state. Under the new constitution he is given more power to carry out their will.

**The "Pocket Veto" is Abolished.** Under the old constitution, after the Legislature adjourned, all bills not signed by the Governor automatically died. Now the Legislature will meet in special session forty-five days after adjournment to consider any vetoed bills. Those bills that have not been vetoed, and returned to the legislature, become law. Thus, while the governor's veto power is strengthened, it is also balanced by giving the legislature an opportunity to reconsider all vetoed bills.

**The Governor is Given More Time to Consider Bills.** Instead of five days, the governor now has ten days while the legislature is in session, or temporary adjournment—and forty-five days following adjournment.

**The Militia Will Be Modernized.** The organization will conform to standards established for the Armed Forces of the United States.

**The Parole System is Given Constitutional Recognition.** A system for the granting of paroles will be provided by law. The power to grant pardons, now held by the Court of Pardons, is given to the Governor. A commission or other body may be established by law to advise the governor in the exercise of executive clemency.

**The Civil Service Will Have Constitutional Status.** Appointments and promotions are to be made according to merit. Preference may be established for veterans.

**More Adequate Provision is Made For Filling A Vacancy In The Office of Governor.** The present succession of the President of the Senate and the Speaker of the Assembly is retained, and the Legislature is given the power to establish additional lines of succession. If a governor or governor-elect becomes permanently unable to perform the duties of his office, the Supreme Court may, upon presentment by the Legislature, declare the office vacant. These provisions insure New Jersey against ever suffering from the confusions that recently troubled Georgia and Illinois.

If Approved by the Voters,

the new constitution will become effective January 1, 1948. Senators and Assemblymen elected in 1947 will then serve the

new lengthened terms. The judicial articles of the new constitution will become effective September 15, 1948.

### A Report to the People of New Jersey

by their elected delegates to the Constitutional Convention, New Brunswick, N. J., 1947. This summary and explanation of the proposed constitution was prepared by the delegates to the Constitutional Convention and is presented for the information of the voters. The proposed new constitution was adopted by the Constitutional Convention in New Brunswick on September 8, and is to be voted upon at the general election on Tuesday, November 4, 1947.

If you wish a copy of the complete constitution, you may get it by applying to the Secretary of State at Trenton, or your County or Municipal Clerk.

*Leopold Marshall*  
SECRETARY OF STATE

### OBJECTIVES of the proposed NEW CONSTITUTION

It has been the purpose of your delegates to draw up a new State Constitution that will make possible more efficient, more economical, and more democratic state government. To accomplish these objectives, the proposed new constitution provides:

1. A more liberal "Bill of Rights."
2. Better Defined Legislative Power.
3. A Stronger, More Responsible Executive.
4. A Simple, Unified System of Courts.
5. A Sounder Basis for Taxation and Finance.
6. A Simplified, Less Expensive Method of Amendment.

NOTE: All laws now on the statute books will continue fully effective upon adoption of the revised Constitution except where they are in conflict with its provisions.

**RIVERTON GIRL SCOUTS**

Walter L. Bowen, Riverton, N. J.  
Frederick W. Metzger, Riverton, N. J.  
Josephine H. Metzger, Riverton, N. J.

3. That the known bondholders, mortgagees, and other security holders owning or holding 1 per cent or more of total amount of bonds, mortgages, or other securities are:  
Citizens Bank and Trust Co., Riverton, New Jersey.

4. That the two paragraphs next above, giving the names of the owners, stockholders, and security holders, if any, contain not only the list of stockholders and security holders as they appear upon the books of the company but also, in cases where the stockholder or security holder appears upon the books of the company as trustee or in any other fiduciary relation, the name of the person or corporation for whom such trustee is acting, is given; also that the said two

paragraphs contain statements embracing affiant's full knowledge and belief as to the circumstances and conditions under which stockholders and security holders who do not appear upon the books of the company as trustees, hold stock and securities in a capacity other than that of a bona fide owner; and this affiant has no reason to believe that any other person, association, or corporation has any interest direct or indirect in the said stock, bonds, or other securities than as so stated by him.  
5. That the average number of copies of each issue of this publication sold or distributed, through the mails or otherwise, to paid subscribers during the six months preceding the date shown above is—1150. Sworn to and subscribed before me this 10th day of October, 1947.  
(SEAL) DANIEL M. CLIFTON  
My Commission expires September 16, 1949.

# WHY we must ask for the First Fare Change in 17 YEARS

Public Service, at an early date, will file with the State Board of Public Utility Commissioners a new rate schedule increasing the basic cash fare to seven cents on all its lines within the State.

This two cent increase is the first request for a change in our basic nickel fare since 1930. The increase has been made necessary for several reasons. Reason number one is below:

## Reason No. 1

Increased labor costs—the biggest expense of transit operation. In October, 1923, when the nickel fare was in effect, an operator was paid 65 cents an hour to drive a bus. Today he is being paid \$1.30 an hour at the same fare. Last year our employees received a wage increase of 18½ cents hourly as a result of direct negotiation. This amounted to \$3,500,000 increase in wages. This year employees were awarded an increase of 16½ cents per hour by an arbitration board appointed under the provisions of the State Public Utility Anti-Strike Law. This amounted to an annual increase of \$3,700,000. The total of these two increases represents \$7,200,000 per year.

The Arbitration Board appointed under the provisions of the State Public Utility Anti-Strike Law, in its official opinion under date of August 22, summarized our difficulties in these words:

"Management undoubtedly must meet formidable problems in carrying this added cost burden (\$3,700,000 in annual wages). Its problem is quite unlike that of many industries where, in the

post-war period, it has been a simple matter to increase prices and thus absorb unusual cost increases. Despite all the public resistance to fare increases, and management's desire to avoid them, it seems unlikely that the effects of inflation upon prices can long be withstood by this one industry out of practically all others in the country. Mounting costs and decreasing revenues are a combination that cannot long be withstood."

# CALVARY PRESBYTERIAN CHURCH

The Rev. R. B. Stewart, Pastor  
Fourth and Lippincott Ave.  
Riverton, N. J.

Sunday Morning  
9:45 a.m. All departmental assemblies of the Church School meet at this hour each Sunday morning. Classes in Bible study and Christian living are provided for all ages from the Nursery (age 2 to 4) to the adult groups.

11:00 a.m. This is the Sunday morning hour for our Christian fellowship with one another for one purpose—to join together in the worship of God. Next Sunday morning the Calvary Choir will render the anthem, "Lift Up Your Hands," by Ashford. The topic of the morning sermon will be "Manah's Prayer."

Sunday Evening  
6:00 p.m. The "Junior Club" will meet at this hour for study and interesting Christian activity. The second part of the hour will be set apart for music study and practice in the choir.

6:30 p.m. The "Intermediate Club" meets at 6:30 for vocal music study in the choir, and remains until 7:30 for a period of leadership training and activity in the "Christian workshop." Each of these groups meets for one full hour.

7:30 p.m. The Westminster Fellowship group of High School young people and those above High School age meets for one hour each Sunday evening in the Junior Room. Next Sunday evening the discussion leader will be Miss Pearl Murray.

The Ushers Association will meet in the Junior Room on Monday, October 20, at 8:15 p.m.  
The Training School for teachers and for others interested in the interpretation of life and events from the Christian point of view is meeting each Wednesday evening in the Central Baptist Church. The school convenes at 7:45 p.m.

Members of the Women's Missionary Society and other interested ladies are reminded of the meeting at Mrs. Borer's home, 718 Main street, on Wednesday, October 22, at 2 o'clock, to fold bandages for overseas hospitals.

Did you know that a special copy

of the Bible was prepared by the women of the Presbyterian Church in the U. S. A. and presented to the Empress of Japan?  
Mrs. Rex Stowers Clements, of Bryn Mawr, was a member of the committee who had the preparation in charge and will give the details of this interesting story at the November 5th meeting of the Women's Missionary Society.  
Save the date and plan to come.

## TOWN MEETING NEXT MONDAY

With Henry C. Beck, New Jersey's famous historian and lecturer, as its first speaker, the revived Riverton Town Meeting gets under way next Monday evening, the 27th, in the auditorium of the Riverton School, with the best wishes of all local residents, most of whom seem to be planning to be present and hear Mr. Beck's fascinating talk on the forgotten and unknown places and events which are only a few miles from Riverton; pages of New Jersey's history which would have been lost forever, if this fascinating speaker had not dug them out and recorded them when he did.

In wide demand as a speaker, Riverton Town Meeting feels highly honored to be able to present Mr. Beck as its first speaker in a series of meetings which the organization hopes to conduct during the coming winter. The meeting will start promptly at eight o'clock and there will be no charge for admission.

In the meantime, the temporary committee in charge of reviving Town Meeting has almost been swamped by suggestions for its continued activity. Improved transportation facilities in time for the Christmas rush seem to be of most importance with better mail service in and out of the local post office as a close second. Increased use of Memorial Park, a complete survey of the local school, speeding on Thomas avenue and Fourth street, were but a few of the many subjects advocated in these suggestions.

As a matter of fact, so extensive has been the interest in Town Meeting that the organization committee is planning to put a suggestion box at the door to the auditorium and requests everyone planning upon attending the meeting to write out their suggestions as to forthcoming activities of the organization so that the permanent executive committee may have an active cross-section of what local residents are thinking about.

In reviving Riverton Town Meeting, the community is winning back an organization which, years ago did some splendid work in the neighborhood before it was allowed to fade into inactivity. The splendid Riverton School building is a permanent Memorial to the activity of the previous Town Meeting which sponsored the rebuilding of the old school into the modern structure of today.

As a matter of fact, a tablet in the main vestibule of the building recalls that activity. This same organization was responsible for the original Delburco Transportation Committee which, several years ago, headed a struggle by the riverfront towns to obtain the daily trains into Broad Street Station.

Working on the theory that active neighborhood cooperation could result in many other benefits for all local residents, next Monday evening's meeting has been called to effect a more permanent organization and to enjoy Mr. Beck's talk on the Forgotten Towns of New Jersey.

The committee extends a cordial invitation to all the residents of Riverton together with its friends from other communities to be present and take part in the meeting. Every attempt will be made to close the meeting by ten o'clock. Write out your suggestion as to what you would like to have Town Meeting do this year to make Riverton a better town in which to live, and bring it with you for the suggestion box next Monday evening.

## COUNTRY CLUB NOTES

The Riverton Country Club has entered two teams in the Women's Inter-Club Bowling League this year. Matches are held every Friday afternoon at 1:30 p.m., starting October 24th. Riverton will be host to Huntington Valley Country Club and Cynwyd Country Club opening day.

Team members are—Green Team: Mrs. L. Dickinson, Mrs. W. Lynn Hendrickson, Mrs. J. Edward Lippincott, Mrs. Earl Shrader, Miss Morette Gausler, Captain; Mrs. Edward Ochs, Scorekeeper.

White Team: Mrs. W. E. Ayres, Mrs. F. C. Langenberg, Mrs. A. B. Seither, Mrs. F. W. Thacher, Miss Kathleen Curtis, Captain; Mrs. T. F. Kerns, Scorekeeper.

## A TRIBUTE

The death of Mrs. Nathan Lane is not only a keenly felt loss to her family and large circle of friends, but to Riverton and its adjacent communities. Her life was an exemplification of taking literally the oft quoted words found in Ecclesiastes: "Whatever thy hand findeth to do, do it with thy might." She found much to do and threw into her work an energetic and contagious enthusiasm which made her a recognized leader.

She was born in Switzerland, lived during her early married life in South America, and spent much of her life in Riverton. These varied experiences gave her friends and associates on three continents and naturally resulted in a keen interest in all international problems.

Her interest was in every forward movement for human betterment and she gave of herself and her powers unreservedly.

For many years she gave intelligent and devoted service to the Porch Club activities, desiring always to keep its programs upon a high level of constructive thinking. She shared her husband's interests and concern for good local government and the improvement of Riverton.

During following the war, her energy was largely devoted to work for the Red Cross. She was chairman of the Riverton Branch, which covered also Cinnaminson Township, from 1939 to 1944. This humanitarian work she carried on with marked success.

When the need for this work came to an end, she served as chairman of the Riverton Home Service, for the Red Cross. She was also chairman of the Woman's Auxiliary of the Zurrburg Hospital, was an active member of the Cinnaminson Home Board, which looks after convalescent women and of the Burlington County Health Council. In all these positions she displayed exceptional ability.

She had those rare human qualities which make for friendship, qualities which combined with knowledge of people and events made her a power for good in our communities. Her clear thinking, high ideals, keenness of perception and capacity for leadership made a large and valued contribution to community life, though she was personally never anxious for recognition. She did things that needed to be done for their own sake, with no thought of public appreciation.

We who are left to carry on wish to express our gratitude for her helpful life and intelligent leadership. She will long be held in our affectionate and grateful memory.

Elsie W. Thomas.

## TRAFFIC SURVEY ON ROUTE 25

At a recent meeting of the Cinnaminson Township Committee it was reported that the State will conduct a survey at the intersection of the Riverton-Moorestown road and Route 25 and also at Five Points to determine whether or not traffic control lights are needed at these locations.

This action is in reply to a request by the Township Committee that such lights be installed at the crossings in question. The request was made in behalf of scores of motorists who have complained of the danger in crossing Route 25.

Previous surveys have always indicated that there is no need for lights, but officials are hopeful that this one will result in a different action being taken by the State Highway department.

## MARRIAGE ANNOUNCED

Mr. and Mrs. Charles E. Steacy, Shrewsbury Yard, Riverton, announce the marriage of their daughter, Marjorie Farnham, to Mr. Matthew William Hogan, on Saturday, October 18, at Atlantic City.

## NOTICE

Voters in the Second District, Riverton, are notified that the polling place for this district at the General Election will be located at the Thrift Shop, 520 Main street.

The polling place for the Third District will be the same as at the Primary Election: Olds Community, 8 Broad street.

## BAD SANITARY CONDITIONS REPORTED

The question of bad sanitary conditions at several locations in Cinnaminson Township was again brought to the attention of members of the governing body last week by representatives of the Visiting Nurse Association.

Lack of proper facilities was disclosed at one location in East Riverton and two in the Wrightsville section.

Prompt action will be taken by the Committee to remedy the conditions and see that they stay improved.

## PALMYRA IN DEADLOCK WITH HADDONFIELD

Palmyra High School's grid team battled to a 13-13 stalemate with Haddonfield last Saturday afternoon on the latter's field, thus keeping their undefeated record for the current season.

Haddonfield went ahead in the first quarter with a touchdown and a conversion. The Red and White scored a six-pointer in the second period as Kreutzberg crossed. Palmyra had another touchdown called back in the same quarter for a back illegally in motion.

The home outfit scored again in the last session, but Villari blocked a kick shortly afterward and raced for a score. Weber kicked the all-important point that resulted in the tie score.

This Saturday the locals play Burlington away. The Blue and White suffered a 21-0 reverse at the hands of Moorestown last Saturday. The Quakers have not been beaten this season so it appears that Coach Ehringer's lads will find Burlington a rather tough assignment.

## GIRL SCOUT WEEK

Riverton Girl Scout Troops 1 and 7 are inviting the community to join with them in the celebration of Girl Scout Week, October 26 to November 1, by attending the play they are presenting at 8 p.m., Wednesday evening, October 29, at the Riverton School auditorium.

Admission is free. The performance will last about a half hour so that the younger children may also come.

## MISCHIEF NIGHT

Chief William Gootee, of the Riverton police department, states that harmless fun will be allowed on Mischief Night, but that all acts which involve property damage will be dealt with to the fullest extent of the law. Extra officers will be on duty to see that malicious mischief is prevented.

## COMMUNITY CHEST DRIVE STARTS SOON

Monday, November 3rd, 1947, has been set as the opening date for the annual drive of the Riverton-Cinnaminson Community Chest. This announcement was made today by Walter S. Barclay, chairman of the drive. Alexander C. Wood, 3rd, is assistant chairman for Cinnaminson Township. The campaign will continue until November 29th.

Social organizations benefiting from the drive are the Visiting Nurse Society, the Family Service Council of Riverton and Cinnaminson, the Burlington County Hospital, the Cinnaminson Home, and the Zurrburg Memorial Hospital. All of these organizations are operating on increased budgets due to greatly expanded activity and higher operating costs. The generous assistance of all members of the two communities is vital to the continued efficient operation of these important welfare agencies.

Personal calls will be made on all citizens as in past years by volunteer workers. When a worker calls, you are asked to give and give generously.

thy rod and thy staff they comfort  
me." (Ps. 23:4) Correlative passages  
to "Science and Health with Key  
Eddy include:

"Death. An illusion, the lie of life  
in matter; the unreal and untrue; the  
opposite of Life . . . The flesh, war-  
ring against Spirit; that which frets  
itself free from one belief only to be  
fettered by another, until every be-

## RIVERTON SCHOOL NEWS

Eighth Grade  
The Eighth Grade has been study-  
ing a unit of work in social studies  
on New Jersey. We had a bulletin  
board exhibit of pictures concerning  
New Jersey. We also had an excel-  
lent reading shelf of periodicals, state  
circulars and all types of pamphlets  
containing interesting information  
about our state. The entire class  
made historical maps of Burlington  
County. In our art class each pupil  
made a silhouette concerning "Stories  
of New Jersey."

Some members of the Eighth  
Grade were selected for the Safety  
Patrol this year. Henry deHoll is  
an inexperienced member but we are

sure he will be an efficient worker.  
The Eighth Grade has three new  
pupils this year—Sabra Carpenter,  
from Gilman, Vermont; Henry de-  
Holl, from Palmyra; and Shirley  
Gumma, from Spring City, Pa.  
Mary Emyrn Eberly  
Reporter

Assembly  
Fourth to Eighth Grades held an  
assembly in the auditorium Friday  
afternoon, October 17th.

For entertainment we had a movie  
put out by the Esso Company. The  
movie was entitled "New Jersey  
Journey." It was based on the his-  
torical points, agriculture, and sea-  
shore resorts of New Jersey.

## CALVARY PRESBYTERIAN CHURCH

The Rev. R. B. Stewart, Pastor  
Next Sunday morning the Girl Scouts and Brownies will begin the observance of Girl Scout Week by attending the Calvary Church in a body. The Junior Choir, under the direction of Mr. Farrow and Mrs. Bell, will render the anthem, "The Lamp of His Mercy," by Keating. The Calvary Choir anthem will be "Praise the Name of the Lord," by Ivanoff. The subject of the morning message will be, "Think of These Things." Morning worship begins at 11 o'clock, and a very cordial welcome awaits all who desire to worship God with us at this service.

Classes for Bible instruction and Christian living are held each Sunday at 9:45 a.m., for all age groups. On Sunday evening the Junior group will meet at 6 o'clock, and will remain for choir practice from 6:30 to 7. The Intermediate group will meet from 7 to 7:45 p.m., with those participating in choir work being on hand at 6:30 for the weekly practice.

The Westminster Fellowship (for senior high and college students) convenes at 7:30 p.m., in the Ladies' Parlor. On Sunday evening the subject of discussion will be "My Church and My Faith." The leader will be Polly Murray.

Women's Missionary Society  
Did you know that the Bible presented to the Empress of Japan by the Presbyterian women of the United States could not be bound in red, yellow, white, black, blue or green?

Mrs. Rex Stowers Clements, a member of the committee who prepared the Bible will tell you why at the meeting of the Women's Missionary Society on November 5th, at 2:30 in the afternoon.

All women of the congregation are cordially invited to attend and bring a guest.

## HIT BY B-B SHOT

Jay Coates, son of Mrs. Ellsworth Coates, of Spring Garden and Highland avenue, Palmyra, was the victim of an unfortunate accident Friday afternoon of last week.

Jay was playing football with a group of friends at the Community Center and was leaning over to receive the ball when a B-B fired from a sling shot struck him in the eye.

His mother took him immediately to a doctor who referred him to an eye specialist, who in turn sent him to the hospital for an X-ray to ascertain if the shot had remained in the eye. Fortunately it had not.

Jay is confined to his home where he must be very quiet to see if his eye will respond to treatment, or if an operation will be necessary. He is not allowed to use his eye at all and is having an uncomfortable time.

The practice of the use of sling shots is an old and dangerous one. Just the day before the accident the principal of one of the schools in Palmyra had warned a group of boys of the danger of using them.

## REASONS Nos. 1 and 2

# FOR THAT FIRST FARE CHANGE SINCE 1930

Due to the steadily mounting costs of equipment, maintenance materials, and operating fuels and lubricants—as well as the large wage increase of 16½ cents per hour granted by a State Arbitration Board—Public Service will shortly request of the State Board of Public Utility Commissioners an increase of two cents in its basic nickel fare.

This is the first such request for a fare increase since 1930. This is made necessary for several reasons. Reasons Nos. one and two are below.

## Reason No. 1

Increased labor costs—the biggest expense of transit operation. In October, 1923, when the nickel fare was in effect, an operator was paid 65 cents an hour to drive a bus. Today he is being paid \$1.30 an hour at the same fare. Last year our employees received a wage increase of 18½ cents hourly as a result of direct negotiation. This amounted to a \$3,500,000 increase in wages. This year employees were awarded an increase of 16½ cents per hour by an arbitration board appointed under the provisions of the State Public Utility Anti-Strike Law. This amounted to an annual increase of \$3,700,000. The total of these two increases represents \$7,200,000 per year.

## Reason No. 2

Since pre-war days the cost of every item needed in the operation of a transportation system has vastly increased in price. For instance: A \$10,000 pre-war bus costs \$15,000 today or an increase of \$5,000. We are replacing about 300 buses a year which means an increased annual capital expenditure of \$1,500,000. Fuels and oils are up \$430,000 a year over pre-war days. Materials for maintenance are up \$250,000 annually.

The Arbitration Board appointed under the provisions of the State Public Utility Anti-Strike Law, in its official opinion under date of August 22, summarized our difficulties in these words:

"Management undoubtedly must meet formidable problems in carrying this added cost burden (\$3,700,000 in annual wages). Its problem is quite unlike that of many industries where, in the

post-war period, it has been a simple matter to increase prices and thus absorb unusual cost increases. Despite all the public resistance to fare increases, and management's desire to avoid them, it seems unlikely that the effects of inflation upon prices can long be withstood by this one industry out of practically all others in the country. Mounting costs and decreasing revenues are a combination that cannot long be withstood."

AUTO ACCIDENTS ARE INCREASING — DRIVE CAREFULLY

## Planning Commission

A joint planning commission should be established in Palmyra, Riverton and Cinnaminson to develop a plan for a combined municipality that would operate more efficiently and economically than the present outmoded governments of your three boroughs. So said George T. Dold, a member of the Planning Council of the New Jersey State Department of Economic Development in a talk before the Rotary Club last Thursday evening.

Mr. Dold, Commercial Manager of the Public Service in Burlington County, and a former resident of Riverton, was introduced by Rotarian Earl Shelton.

The State of New Jersey is starting now on a series of long range plans that are aimed to cope with the constantly increasing traffic problems that confront our network of highways. With the aid of a huge map of Central New Jersey, Mr. Dold charted the new "Freeways" or Parkways that are planned to carry the through traffic across the state without crossroad interference.

One such Freeway is planned from Cape May to Manhattan and another is planned to parallel Route 25. Of local interest is a plan to continue Route 5-41 on a straight line beyond Marlton, and drive straight across the state to Atlantic City, keeping north of but paralleling the White Horse Pike enroute.

A carefully thought out by-pass of the Camden congestion is planned in a Freeway that will leave Route 25 at Bridgeboro Road, pass on the outskirts of Moorestown, cross 5-41, the White and Black Horse Pikes and return to Route 25 after passing below Woodbury.

FOOTLIGHT PLAYERS  
The monthly meeting of the Footlight Players will be held Thursday, October 25, in the Borough Hall, at 8:15 p.m. It is requested that all members be present at this meeting, which will be the last meeting of the Group prior to the presentation of "Ladies in Retirement" on November 21st and 22nd. At this meeting

the President will appoint committees in connection with staging, properties, make-up, etc., and if you are interested in serving on any of these committees, please call Dorothy M. Frech, at Riverton 9-0985.

As an added treat, a delegation of the Community Players of Moorestown will be present at this meeting, and several of their members will present a scene from one of their productions. We are certain you will all want to be present to greet our neighboring theatre group.

Membership in our Group is still open, and anyone interested is cordially invited to attend. It is desirable that a group of this type be made up of people of all ages.

ANNUAL P. T. A. RECEPTION  
"Learn to Live," said Dr. Raymond Kistler, President, Beaver College, Jenkintown, Pa., at the annual reception of the Riverton Parent-Teachers Association, Wednesday evening, October 15.

Dr. Kistler said, "We, the parents, should help the children to learn to live as they make tomorrow's world. Parents should make it a point to know their children's teachers and be willing to cooperate. Education starts in the home with the Mother's love which is very important. The Mother puts in character of the child's first ideals."

"There are three great elements in the child's life," says Dr. Kistler. "The home, the school and the church. Most important element is faith in the church. Every parent should make sure that each child has faith in himself and confidence in themselves."

The evening's program also included two musical selections sung by Mayor John F. Ward, of Palmyra, accompanied by Mrs. Robert Strahan on the piano.

Dewees F. Showell, member of the Board of Education, introduced Frank E. Groff, new principal of Riverton School; Dr. John B. Geisinger, supervising principal, and the teachers.

LEGION AUXILIARY  
The Executive Committee, of the local American Legion Auxiliary, Post 156, met at the home of the

President Mrs. Dorothy Davidson, Monday evening.

Unit bylaws were read and will be voted upon at the next meeting, November 1st, in Borough Hall, Palmyra. Mrs. Dorothy Davidson, Mrs. Alma Moore and Mrs. Dorothy Davidson were asked to represent the unit at all County Legion Auxiliary meetings. Alternates will be elected at the next monthly meeting.

The Legion Auxiliary is having a card party at the Woman's Club, Friday, November 1st, a plan for refreshments will be served and a good time guaranteed.

Members of the local Legion Auxiliary have been asked to meet in P.O.S. of A. Hall at 10 a.m., October 31st, to assist in preparing Halloween bags for the children who will be in the parade. Further information can be obtained from Mrs. Dorothy Davidson or Mrs. Alma Moore.

Lower Grade Assembly  
On Friday morning, October 17th, Grades One to Four inclusive had an assembly. Mr. Wright presented a movie called "The United States Cavalry." It was a technicolor-sound production. This picture was loaned to the school by Mr. Roland Harris. The Projector Club assisted. Elizabeth Dutky

LOCAL BUILDING  
Daniel M. Clifton, building inspector for Riverton, reports that 36 permits have been issued thus far this year with the total amount of construction being \$59,939. This does not include the new apartment now under way.

In Cinnaminson, William F. Kenner for Riverton, reports that seven permits were issued during September for building in the amount of \$14,150. The total in Cinnaminson this year will probably surpass all previous records.

## GENERAL ELECTION NEXT TUESDAY

At the General Election next Tuesday Republican candidates in Riverton and Cinnaminson will have no opposition and a quiet election is predicted.

S. Robinson Coale is the candidate for Mayor and Carl Mann and Albert C. Farrow are the nominees for Council. Russell Bigelow is running for Assessor to fill the unexpired term of Robinet Cole, who resigned recently.

Police Pension  
The local public question on the ballot concerns the establishment of a pension system for the police department.

In respect to the police pension, an important announcement was made this week which will reduce the accrued liability to approximately \$3,500 instead of \$12,943.80, should the plan be approved by the voters. This reduction has been caused by the fact that Chief William Gootee and Officer Carhart, the two oldest officers have signed an agreement not to join the pension plan if it is approved.

As the condition of this agreement, the Borough guarantees to pay the officers in question, upon their retirement, a sum which shall be at least equal to their anticipated benefits under the pension plan.

Since the accrued liability has been materially reduced and since the oldest officers will suffer no hardship by not joining the plan, borough officials feel that the referendum is thus placed in a more favorable aspect before the voters.

In Cinnaminson, Maurice Conrow is the candidate for member of the Township Committee. The Township voters will also decide upon the question of tenure of office for the collector, Joseph L. Keating.

Palmyra's Republican candidates are Charles V. Dickinson for Mayor, with Robert Snover and Harold Marshall as the Council nominees. They are opposed by Howard Powell, Chandler Y. Work and F. S. Holmes.

## FAMILY SERVICE COUNCIL REPORT

The annual report of the Family Service Council of Riverton and Cinnaminson submitted by Eleanor S. Smith, Executive Secretary is as follows:

The year past has shown an increase in those coming to us for assistance. Whether this is due to growing family tension and restlessness or whether it is due to a better understanding of our work in the community we do not know, but we are impressed by the uncertainty of the future felt by so many families which is reflected, often adversely, by their children.

The level of employment is high, but prices have soared so that many calls for clothing, milk, medical supplies and services have come to us, drawing heavily on our funds. Two large families are being supplied with milk at present and many others have been helped for short periods. We have had only one long-term relief case, over six months. Social Security checks and unemployment relief from the state have greatly helped our budget.

We have done more family counseling work this year. A young woman secured a position in a neighboring state through our contacts. We have had several requests from other states for helping locate families, giving references, etc., many medical services, which, in these days of high prices, would have gone uncared for including tonsil and two major operations and numerous badly needed pairs of glasses; also a delicate eye operation. Thanks to our most generous friends, the Lions, the glasses and eye operation were

made possible. The Evening Session of the Palmyra Woman's Club has also been most generous in additional sums of money.

This year our work has touched 51 families, 81 adults and 102 children under 18 years of age directly, the relatives and friends of many of them indirectly. Nine other individuals, the youngest 50 and the oldest 90, came in for various kinds of assistance. Our records show 913

visits paid and 1,043 other contacts made—a total of 2,856 contacts this year. This number includes Mrs. Durgin's list of telephone calls and visits to the office and is an increase over 2,108 of last year. More garments have been given away this year than ever before (250-300), ranging from babies' to men's clothing and household needs such as blankets, sheets, etc.

Riverton Borough Council, the Cinnaminson Township Committee, the other local officials and individuals have been most generous in their response to time and effort whenever needed. Our local nurses have been most valuable in their help. The Needlework Guild, as usual, has encouraged us with their generosity by giving us clothing and money for badly needed shoes. These we have endeavored to use wisely.

## RIVERTON-CINNAMINSON Community Chest

Drive Begins November 3—Ends November 29, 1947

Again it is November, and again time for the Community Chest Drive. Every year we have the opportunity to make our donations to five local institutions which contribute to the welfare of our community. The support we give is essential to them and benefits our citizens.

The five organizations are: two hospitals (Burlington County at Mount Holly and Zurburg at Riverside), the Visiting Nurse Society, the Family Service Council of Riverton and Cinnaminson and the Cinnaminson Convalescent Home. The following statements from each organization speak for them.

### THE VISITING NURSE SOCIETY

Without good health, life is indeed curtailed. Perhaps we take health too much for granted. As long as we are well everything is fine, but let good health fail and we suddenly realize how important our health was to our happiness and our ability to live useful lives.

So with our community. Possibly some of us forget how much our Visiting Nurse Organization contributes to the good health and welfare of our citizens. The nurses have been carrying on their health program for 35 years. Help them to continue this service. The pre-school, the school work, the bedside nursing, the baby clinic and the hospital clinics must go forward.

You can do your share by supporting the Community Chest.

### THE FAMILY SERVICE COUNCIL OF RIVERTON AND CINNAMINSON

The past year has shown an increase in those coming to the Family Service Council for help.

This increase may be attributed, in a large part, to the growing confidence the people of the community feel in the Council. Its ability to get medical attention, employment, clothing, food and other necessary help for these people is becoming more widely realized as more ask for and receive help. In a less tangible, but very real form, the Council's most valuable service comes in its efforts to help with family social problems in a skilled, professional and yet warmly personal manner.

Now is the time to put into concrete form our appreciation of a service that has become an essential part of our community.

### BURLINGTON COUNTY HOSPITAL

Burlington County Hospital serves this county. Its needs are many and its service great. The funds received from this year's Community Chest will be used by the institution for supplies, maintenance and for the comfort of patients and out patients. Rising cost of living, crowded conditions and increasing demands make contributions from the Community Chest more valuable than ever before.

### CINNAMINSON HOME

The Cinnaminson Home has continued to maintain its fine record of valuable service in our community for the past 55 years. The cheerful and wholesome atmosphere of the Home provides convalescent care for women and girls who will return to their own homes physically strengthened and mentally and spiritually stimulated. Many hospitals and social agencies, as well as doctors and ministers, have recognized the fine work of this institution. It is vitally important that this organization continue its service and that we contribute generously to its support.

### ZURBRUGG HOSPITAL

Zurburg Memorial Hospital is the nearest one to Riverton and Cinnaminson. Those who have received treatment there will testify to the high quality of its service. The Community Chest funds every year help the hospital to maintain this fine standard of efficiency, so remember to contribute generously to this institution that it may continue to function as in the past.

Due to rising prices all these institutions are having extra needs and demands upon their resources. They help maintain health and happiness in our towns, caring for the ill and unfortunate. Any of us may come to need their kind ministrations; many of us have already benefited therefrom. In this land of plenty and opportunity, we have a yearly opportunity to see that the organizations that serve us so well have plenty for the coming year.

### QUOTA THIS YEAR \$7,500

It is vital that this goal be reached in order to continue the worthwhile institutions outlined above.

After the drive starts a solicitor will make a personal call upon you for your contribution. If by chance you are misled it will not be intentional and your contribution can be made by check payable to Joseph C. Tyler, Treasurer, and either mailed to the Chairman or direct to him.

WALTER S. BARCLAY, Chairman.

PRICE FIVE CENTS  
ROTARY SPEAKER

BYRUM SAAM

Byrum Saam, radio sports announcer extraordinary, gave a rapid fire sports talk before the Palmyra-Riverton Rotary Club last Thursday evening at the Porch Club. Mr. Saam, a Texan by birth, but a Philadelphia institution in the eyes of thousands of sports fans, was introduced by Rotarian Carl Thomas, a former Penn football star.

"Sports announcing has become an art of split second reporting that must be accurate in every detail," said Mr. Saam, "and the days are gone when you can miss a play and 'fake' a report. Portable radios and television are constant checks on the accuracy of announcers and the skill of reporting a fast moving football game has become a science."

Mr. Saam kept the interest of his large audience by describing in detail the plays in the recent World's Series that exposed the shifting strategies of the opposing managers. Later, he analyzed the chances of the Philadelphia teams, commenting on the farm system that has recently been developed by the Phillies and the fine material that is emerging from that system.

The Athletics will also have a good year in 1948, according to Mr. Saam. He predicts that Mr. Mack will make a deal with some of his surplus pitchers for good hitters, and sparked by Ferris Fain and Eddie Joost the club should have a fine season.

Philadelphia will probably see a Penn team this year that will not be beaten, said Mr. Saam, in lauding the Penn football machine that has been developed by George Munger, the coach. He was particularly enthusiastic over the exceptional passing ability of Bob Evans, and predicted that we will hear more of this fellow as the season progresses. He commented on the "powerhouse" that has been developed at Penn State this season, and the prospects (continued on center page)

## Hallowe'en Registration

To be eligible for prizes ALL CONTESTANTS must register at Palmyra Borough Hall or at the Riverton Fire House. The hours for registration are: Friday 1 to 5 p.m.

The lighting program is underway under the capable direction of Russell Dilks and we assure a good view of the parade anywhere along the line of march. The parade will start promptly at 8:00 p.m. from the Riverton Station, proceed down Broad street to Leconey avenue, down to Fifth and over to Delaware, thence to Broad and the Grove where the prizes will be awarded. Free refreshments will be given away at the P.O.S. of A. Hall to all contestants. Dancing will be held at Broad and Cinnaminson avenue, directly after the awarding of prizes.

Our friends at Christmas time, local organizations, members of the Board and other individuals, made last Christmas the best ever. Checks and clothing were welcome gifts. The County Welfare Board gave us (continued on page 5)

**CENTRAL BAPTIST CHURCH**  
The Rev. B. Dan Morgan  
Pastor

In order that it may be practical for parents of small children to attend church services, the Alpha Gamma class of the Bible School has renewed its efforts and is conducting a nursery where parents may leave their children in care of competent attendants during the worship period. The Bible School provides

classes and departments for all ages, so with this added service rendered by this class, families may all attend the school and then, with the children in safe hands, parents can feel at ease as they attend the church service.

Bible School, 10 a.m.: Classes for everyone.

Adult Men's Bible Class, 10 a.m.: Meeting in the church auditorium.

Morning Worship, 11:15 a.m.: Immediately following the message of the Pastor on "Our Challenge," the ordinance of Holy Communion will be observed. All Christians irrespective of creed are invited to sit around the table. The choir under the direction of Claude Barto, will sing "Hear My Cry, O God," by Stults.

B. Y. F., 6:45 p.m.: This group which has adopted the slogan "Believe and Learn by Doing," is really doing things.

Evening Worship, 7:45 p.m.: A combined service of the churches in the communities will be held in the Epworth Methodist Church. Rev. Everett W. Palmer, Pastor of the First Methodist Church of Asbury Park, N. J., will bring the message. This service will mark the opening of Reformation Week.

Calendar of the Week

Tuesday, November 4: Annual business meeting and election of officers of the Sunday School. Dinner will be served by the Alpha Gamma Class.

Wednesday, November 5: Teachers' Training Class.

Thursday, November 6: Choir rehearsal. Also the Meeting of the Deacons and Deaconesses. The hour for both of these meetings is 8 p.m.

**MEMORIALS TO BE DEDICATED**

Very beautiful candlesticks and brass vases, memorials for Miss May Slim and Miss Edith Smith, will be dedicated at the eight o'clock service at Christ Church, Riverton, on Sunday morning, November 2nd.

All the women of the Parish, comprising St. Anne's Guild and the Altar Guild, are invited to join in a Corporate Communion at this service.

There will also be an important meeting of St. Anne's Guild on Wednesday afternoon, November 5th, at 2:30 in the Parish House which everyone is urged to attend.

**MRS. G. F. ARMSTRONG**

Mrs. G. F. Armstrong, who for a number of years has resided with her daughter, Mrs. C. P. Mayfield, of Riverton, passed away suddenly on October 24, at Picture Rocks, Pa., where she was visiting another daughter, Mrs. Edward Bayley. Mrs. Armstrong was in her 88th year.

Descendant of an old Colonial family of Montgomery County, Pa., Mrs. Armstrong was born in Philadelphia and lived most of her life near that city. She was the wife of the late George F. Armstrong, of Fort Washington, Pa., eight grandchildren and 12 great grandchildren.

She is survived by her two daughters: a son, George F. Armstrong, of Fort Washington, Pa., eight grandchildren and 12 great grandchildren.

Funeral services were held at Picture Rocks, October 28, and interment was in Mount Vernon Cemetery, Philadelphia, the following day.

**ROBERT W. KNIGHT, JR.**  
Funeral services for Robert W. Knight, Jr., who died June 30, 1945, while a prisoner of the Japanese, will be held Friday, October 31, at 1:00 p.m.

Interment will be at The National Cemetery, Beverly. Icart-Knight Telephone Post, 8965, Veterans of Foreign Wars and Frederick M. Rodgers Post, 256, American Legion, will participate. The Rev. W. H. Cumpston will officiate.

**MINUTEMEN DINNER**

Colonel Warren S. Hood, speaking at the First Annual Dinner of the Minutemen of Burlington County, October 9, 1947. The care, speed, efficiency and courtesy they used in the emergency is highly commendable. We are very grateful.

Mr. and Mrs. Lester C. The meeting ended with expression of concern by the Reserve Officers over the lack of information available to the Minutemen and the

public concerning modern warfare, how to adjust the size of the regular army to modern warfare, and whether the Reserve Corps can get the training necessary to make it an effective component. A committee was appointed to arrange for speakers at the future meetings who can help get this information to the Reserve Officers.

**THANKS POLICE**

We wish to express our thanks to Sgt. Robinson and Policeman Carhart of the Riverton Police for their handling of the accident at Thomas avenue, early Thursday morning, October 9, 1947. The care, speed, efficiency and courtesy they used in the emergency is highly commendable. We are very grateful.

Mr. and Mrs. Lester C. Bosler, Jr.,

**FOOTLIGHT PLAYERS WILL PRESENT PLAY**

Mrs. Ruth P. Strahan will play the role of Leonora Fiske in "Ladies In Retirement," to be presented by the Footlight Players of Palmyra-Riverton. Mrs. Strahan will be remembered as playing the role made famous by Bette Davis in "Dark Victory," which was presented by the Footlight Players in 1940. "Ladies In Retirement" will be presented on the evenings of November 21 and 22, at the Riverton Public School.

The play, an English mystery by Edward Percy and Reginald Denham, was first produced at the Henry Miller Theatre, in New York, in 1940. Isabel Elsom played the role of Leonora Fiske in the 1940 production. This role was more recently portrayed by Fritz Scheff with the Berwyn Players in September, 1947. The play will be directed by Miss Edna K. Ziegler. Others of the cast include: Eileen Bertrand, Marion Fort, Ann M. Mathews, Lois Mayes, Virginia Miles and Richard Taylor.

Since World War I, over thirty men have gone to West Point on the National Guard. Three appointments are now available to New Jersey Guardsmen.

**FASHION SHOW**  
The Fall Fashion Show and Card Party presented in the Community Center, Monday evening, by the Palmyra Junior Woman's Club, was well attended.

Forty-two gowns of street and formal length were shown through the courtesy of the Agnes Shop. Mrs. Jane Albright selected the gowns and accompanying accessories, and also presented a most comprehensive and interesting commentary on each item and on the fashions of today. The gowns were modeled by eleven members of the Junior Club, with Mrs. William McCamy and Mrs. George Rivel wearing Senior styles and Miss Joan Griffenberg 'Teen age dresses. Musical accompaniment was by Mrs. Edith Murray, a past advisor of the Junior Club.

Following the Fashion Show guests enjoyed a social evening of cards. Plastic containers of printed

paper handkerchiefs were given each table for prizes. The evening door gift was an Out-of-doors wall container for notes. Refreshments of coffee, tea and cake were served all present.

Junior Hostess for the evening was Mrs. Robert Wilson, with Mrs. C. W. Frech in charge of refreshments, Mrs. E. A. Bright taking care of tickets, and Miss Betty Rauch arranging for attendants at the door.

**REVISION ENDORSED**

James J. Smith, Executive Secretary of the New Jersey State League of Municipalities, membership 401 municipalities, has issued the following statement which has the endorsement of Mayor Nathan Lane, of Riverton.

"Home rule and representative government will be greatly strengthened by the adoption of the proposed new State Constitution by the voters at the November election. It merits decisive and emphatic support. The broadening of the home rule doctrine is explicitly stated:

"The provisions of this Constitution and of any law concerning municipal corporations formed for local government, or concerning counties, shall be liberally construed in their favor. The powers of counties and such municipal corporations shall include not only those granted in express terms but also those of necessity or fair implication, or incident to the powers expressly conferred or essential thereto, and not inconsistent with or prohibited by this Constitution or by law."

The document is replete with provisions which make for better and the more equitable distribution of the powers and functions of government. Most important is the authority vested in the people, which is the essence of the democratic process.

The new tax clause meets a long felt need and will go far towards eliminating existing inequities in the distribution of the cost of taxpayer services. It paves the way for liberal legislation to make available improvements and benefits not possible under the present century-old charter.

Other sections provide a clearer definition of the executive and the legislative powers and a comprehensive reorganization of the judicial system. These will place New Jersey in the foremost rank of progressive, forward-looking States.

Governor Driscoll displayed commendable leadership in initiating the movement from which the Constitutional Convention resulted. The delegates brought to their task a laudable spirit of non-partisan approach and displayed a fine sense of public duty in their deliberations. Their labor provides the means for a better administration of both State and local affairs.

**AMERICAN EDUCATION WEEK**

American Education Week is annually set for the second week in November. This year American Education Week extends from November 10 to 14 inclusive. Parents are asked to visit the schools any morning or afternoon of that week, become acquainted with the teachers, and familiarize themselves with methods and practices now in use in the modern classroom.

Armistice Day occurs on the second day of Education Week, and, after conference with patriotic organizations in the community it was decided to have a school procession and to hold proper observance in school of that important patriotic day.

In the Palmyra High School, Open House will be observed on Tuesday evening, November 11, at 7 p.m. Classes will be in session from 7 to 8 p.m., after which there will be an assembly program. This program has been prepared with the cooperation of the Palmyra Post of the American Legion. After the usual student opening exercises, the Legion will conduct the formal Armistice Day ritual and will present as speaker, Colonel Walter D. Fetterly, of New Brunswick, Commander of the 214th Infantry, 50th Armored Division of the N. J. National Guard.

It seems appropriate to renew the community patriotic programs which were so prevalent during and immediately after the last war. This evening's exercises will provide an opportunity for all residents of the Palmyra-Riverton Cinnaminson community and parents of high

school students to become better acquainted with their high school and to enjoy a splendid patriotic program at the same time.

Several weeks ago a letter of appreciation from the supervising principal was published in this column, thanking friends of the school for their help in securing houses and apartments for members of the teaching staff. This week one of the members of the staff has received notice to vacate her home. If any of the readers of this column has knowledge of an apartment which will soon become vacant, please contact the office of the Palmyra Board of Education.

Supervising Principal

**THE PORCH CLUB**

On November 4, at 2:30 p.m., a splendid program will be presented by the music department of the Porch Club.

Mr. Frank Guarrera, one of the two talented young musicians from the Curtis Institute of Music, will sing two groups, while Miss Allison Nelson will play one group as well as accompany Mr. Guarrera. While Mr. Guarrera served in the Navy during the war, he sang frequently for the entertainment of the men in camps. Now, he is finishing his course under Madame Eufemia Gregory. Both Mr. Guarrera and Miss Nelson are much in demand as soloists.

Miss Nelson was heard in Australia by Eugene Ormandy and was recommended by him for enrollment at Curtis. She is now studying there

with Rudolph Serkin. Miss Nelson has played as soloist at the Youth Concerts with the Philadelphia Orchestra.

The program will be as follows:

I  
"Eri Tu" from "The Masked Ball"—Verdi.  
Tu Lo Sai—Giardano.  
I Love Life—Manna-Zucca.  
Mr. Guarrera

II  
Fugue in F Minor—Sclatti.  
Piano Pieces Op. 119—Brahms.  
Intermezzo in B Minor.  
Rhapsodie in E Major.  
Ballade in F Major—Chopin.  
Ballade in F Minor—Chopin.  
Miss Nelson

III  
"Di Provenza Il Mar" from "La Traviata"—Verdi.  
None But the Lonely Heart—Tschakowsky.  
O! Man River—Kern.  
Mr. Guarrera

## THE PEOPLE'S COLUMN

Citizens of Riverton  
As a citizen and taxpayer in the Borough of Riverton, I feel that I am justified in expressing my opinion, in regards to the proposed pension and also concerning the wages paid to these men.

I have noticed that since I have lived in Riverton, there is hardly a week goes by, that the police do not have some noticeable arrest or exciting experience. I have also noticed that one or two of the officers have been exceptionally active. I was also very much surprised, to find that you have a police sergeant working for patrolman's wages.

I doubt that he will feel encouraged if matters are allowed to continue as they have in the past. The wages in the surrounding communities for policemen, seem considerably higher than those of Riverton's police department. The accomplishment of our force, for its size, is far above average anywhere in New Jersey. I hope the officials will be considered before the 1948 Budget is approved. It is needless to say, that these men are continually facing all sorts of danger. Please be considerate of their families also. Let us remember that many policemen have been slain recently and mostly, in suburban areas.

These men are subject to abuse if they question pedestrians who are not recognized on sight in the early hours of the morning. However, if a crime had been committed, I am sure that the officer involved, would be restless unless he had been convicted he had done his job thoroughly. He surely would be criticized if he failed to question an unrecognized person at night.

I also feel that the time has come when younger members should be added to the force. The cost of preserving lives is cheap, regardless of the amount. Prevention can be obtained only by sufficient force. Prevention is far better than solving a crime and punishing the offender.

I am making a personal appeal to the voters of Riverton, to vote in favor of the proposed pension plan. There is no telling when any of us may need these men, in view of the fact that only a few nights ago, one of our men picked up two runaways with a pistol in their possession. These are the type that have caused the recent deaths of suburban and city policemen. There have been many similar arrests by men of our department recently.

Please keep this in mind when you go to the polls. I write this letter only because my conscience has prompted me to do so.

Max F. Schletter,  
712 1/2 Main street,  
Riverton.

of a Penn-Penn State game next fall are indeed something to anticipate. The only visiting Rotarian present was A. J. Stroblein of the Moorestown Club, but the guests of local members came out a dozen strong to enjoy the speaker. These guests were registered as follows: J. Horace Finney, Porter Caldwell, Jr., Richard Caldwell, Marcy Lippincott, Paul Musso, A. T. Hewlett, Chris W. Rudolph, Clarence T. Yerkes, Brooks Evert, J. S. Cooper, Clark Cooper, Jr., Harper Webb, and Dr. Robert Cole.

## HALLOWEEN PARTY

On Thursday evening, November 6, the Young Adult Fellowship of the Methodist Church will have a Halloween Party. Our last month's meeting which was planned to be a hayride was really a surprise party given for Mr. and Mrs. William Heisler. Bill Heisler, our president, will be leaving Palmyra to live in Providence, Rhode Island. Besides the night's entertainment being a complete surprise to Bill and Betty Heisler, all who came enjoyed the many games and friendly companionship.

Come to the Halloween Party and enjoy the fun.

## REPUBLICAN CANDIDATES

Albert McCay, Burlington County Assembly candidate, in a statement issued this week, urged all voters, both Republican and Democrat, to support the new State Constitution. He said "Lester Drenk and Senator Arthur Lewis, as Burlington county delegates to the Constitutional Convention, were leaders in the work of the Convention. It is up to the voters of the county to give the constitution an overwhelming 'Yes' vote as a mark of approval on the work of our delegates. Admitted, it is not a perfect document, but it is so far ahead of our old constitution and the constitutions of practically every other state, that it would be foolhardy to neglect the wonderful work done in framing it by our failure to adopt it at this election."

As a member of the State Aid for Schools Commission, McCay has done remarkable work in securing funds for many of the smaller school districts in Burlington County. Due to his work on this Commission, practically all schools throughout the county are receiving large amounts and percentages in State aid than ever before. When re-elected his experience on this Commission will prove invaluable in his next term.

William F. Parker, Sheriff candidate from Florence, is basing his campaign on the present reported inefficiency in the Sheriff's Office. As a business man, he would like to see real business methods applied to the operation and conduct of the Sheriff's business in Burlington County.

"After all," stated Parker, "there is no reason why the affairs of the sheriff's office should not be conducted on a business-like basis. Such

that it has been in existence. A resident of Delanco, Price is active not only politically but in civic affairs and organizations throughout the county.

A & P STORES PLEDGE  
TO HOLD DOWN PRICES  
Increased efforts to hold down rising food costs were pledged by the Great Atlantic and Pacific Tea Company as the organization observed its founding 88 years ago.

In honoring George Huntington Hartford who, in 1859 opened his first store in New York, the company declared that the principles which he established at that time, based on a steadfastness in handling costs—keynote of the company's operations since—would be further intensified.

"Wherever and whenever we can make economies in the handling of food we will pass these savings along to our customers," Mr. L. A. Mullen, head of the company's operations in this area announced.

Announcing local recognition of the event Mr. Mullen cited the fact that the institution established by

BUILDING A GREATER TELEPHONE SERVICE FOR A GREATER NEW JERSEY

# First Fare Change in 17 Years

Public Service has filed today (October 30, 1947) with the New Jersey Board of Public Utility Commissioners a new rate schedule increasing the basic cash fare to seven cents on all its lines within the state.

This is the first such request for a fare increase since 1930. The increase has been made necessary for several reasons.

## Reason No. 1

Increased labor costs—the biggest expense of transit operation. In October, 1923, when the nickel fare was in effect, an operator was paid 65 cents an hour to drive a bus. Today he is being paid \$1.30 an hour at the same fare. Last year our employees received a wage increase of 18½ cents hourly as a result of direct negotiation. This amounted to a \$3,500,000 increase in wages. This year employees were awarded an increase of 16½ cents per hour by an arbitration board appointed under the provisions of the State Public Utility Anti-Strike Law. This amounted to an annual increase of \$3,700,000. The total of these two increases represents \$7,200,000 per year.

## Reason No. 2

Since pre-war days the cost of every item needed in the operation of a transportation system has vastly increased. For instance: A bus that cost \$10,000 prior to the war costs \$15,000 today or an increase of \$5,000. We are replacing about 300 buses a year which means an increased annual capital expenditure of \$1,500,000. Fuels and oils are up \$430,000 a year over pre-war days. Materials for maintenance are up \$250,000 annually.

## Reason No. 3

To provide New Jersey riders with the finest modern transportation facilities obtainable, Public Service has authorized approximately \$19,000,000 since the war for the purchase of 1,422 new motor buses. An additional \$4,000,000 has also been authorized for new terminals and improvements to plant and maintenance equipment.

Nearly 1,000 of the new buses have already been delivered and put into service. The cost of these buses has advanced so rapidly that we have had to pay APPROXIMATELY \$5,000,000 MORE than we would have had to pay for them before the war. More than 400 additional new buses will be delivered during 1948.

It is our plan to continue this modernization and improvement program; but, in the face of rising costs of all kinds, both material and labor, we will be unable to do so without some upward revision of the fare structure.

The Arbitration Board appointed under the provisions of the State Public Utility Anti-Strike Law, in its official opinion under date of August 22, summarized our difficulties in these words:

"Management undoubtedly must meet formidable problems in carrying this added cost burden (\$3,700,000 in annual wages). Its problem is quite unlike that of many industries where, in the

post-war period, it has been a simple matter to increase prices and thus absorb unusual cost increases. Despite all the public resistance to fare increases, and management's desire to avoid them, it seems unlikely that the effects of inflation upon prices can long be withstood by this one industry out of practically all others in the country. Mounting costs and decreasing revenues are a combination that cannot long be withstood."

tion for New Jersey.

State or your County

## What the Proposed New Constitution Means to You

### 5. A Sounder Basis for Taxation and Finance

**The Old "True Value" Standard for Assessment Is Dropped.** This provision of the old constitution has been strongly criticized because of the variability in its interpretation by the local assessors. The clause requiring assessment "under general laws and by uniform rules" has been retained because it assures equality of treatment of taxpayers and permits legislative flexibility. Under the new tax clause it will be necessary to revise the present law which taxes second class railroad property at a special rate lower than the general local property rates. "All real property assessed and taxed locally or by the State for allotment and payment to taxing districts shall be assessed according to the same standard . . . value; and such real property shall be taxed at the general tax rate of the taxing district in which the property is situated, for the use of such taxing district." The control of taxation by the Legislature is continued.

**Existing Tax Exemptions Are Given Constitutional Recognition.** The present statutory exemptions of property used for religious, educational, charitable and cemetery purposes are guaranteed by the new constitution. A property tax exemption of \$500 for veterans also becomes part of the constitution.

**School Transportation May Be Authorized by the Legislature.** Under the new constitution, the Legislature may authorize transportation for children to and from any school.

**Slum Clearance Projects Can Receive Tax Relief.** Under the new constitution the Legislature may grant, for a limited period of time, special tax exemptions to private enterprise for slum clearance projects. During the period of tax exemption, profits are limited by law.

**A New Limitation Is Placed on the Debt of the State.** Under the old constitution, the State could not incur any debt which, together with all outstanding debts, would exceed \$100,000, unless the debt was approved by a vote of the people. Now the \$100,000 limit is raised to 1% of the total current State budget. This permits the temporary cash needs of the State government to be financed under a limit in keeping with the increase in State expenditures since 1844.

### 6. A Simplified, Less Expensive Method of Amendment

**A Simplified, Less Expensive Method of Amendment.** After an amendment has been passed by a three-fifths vote of the Legislature at one session, or by a simple majority at two sessions, it may be submitted to the voters at a general election. Under the old constitution, an amendment had to be passed by a majority vote at two consecutive sessions and then submitted at a special election. (A special election costs about \$750,000.)

### A Report to the People of New Jersey

by their elected delegates to the Constitutional Convention, New Brunswick, N. J., 1947. This summary and explanation of the proposed constitution was prepared by the delegates to the Constitutional Convention and is presented for the information of the voters. The proposed new constitution was adopted by the Constitutional Convention in New Brunswick on September 8, and is to be voted upon at the general election on Tuesday, November 4, 1947.

If you wish a copy of the complete constitution, you may get it by applying to the Secretary of State at Trenton, or your County or Municipal Clerk.

*Leays Marsh*  
SECRETARY OF STATE

### OBJECTIVES of the proposed NEW CONSTITUTION

It has been the purpose of your delegates to draw up a new State Constitution that will make possible more efficient, more economical, and more democratic state government. To accomplish these objectives, the proposed new constitution provides:

1. A more liberal "Bill of Rights."
2. Better Defined Legislative Power.
3. A Stronger, More Responsible Executive.
4. A Simple, Unified System of Courts.
5. A Sounder Basis for Taxation and Finance.
6. A Simplified, Less Expensive Method of Amendment.

NOTE: All laws now on the statute books will continue fully effective upon adoption of the revised Constitution except where they are in conflict with its provisions.

If Approved by the Voters,

the new constitution will become effective January 1, 1948. Senators and Assemblymen elected in 1947 will then serve the

new lengthened terms. The judicial articles of the new constitution will become effective September 15, 1948.

## FAMILY SERVICE

(continued from page 1)  
the names of all Cinnaminson, Riverton and Palmyra residents on Old Age Assistance and each one received a small gift. The Friends' First Day School with their welcome candy-filled stockings, the local Brownies with their beautiful picture books, all helped immensely at this time. Altogether 77 persons, including 31 children and 21 elderly people, were remembered. Their expressions of appreciation were most heartening. We have worked with the Red Cross to help a family recently burned out by fire.

Once again we wish to pay tribute to the satisfactory handling of the office routine and accounts by the office secretary, Mrs. Durgin. Citizens visiting the office have been helpfully dealt with and the clothing closet is in better shape than ever, thanks to the skillful help of Mrs. Cannon and Mrs. Robbins.

We look forward to increased usefulness. The twentieth century has seen great progress in understanding the human personality, one conclusion being that character is largely the result of influences playing upon the very young child. Now, we can prove that economic insecurity, emotional disorder, divorce, and many other disturbances of family life have a lasting and injurious effect upon growing children. We know that the future peace of the world depends upon the rearing of enough stable individuals to provide leadership in the solution of ever more intricate problems of social organization. That is why an agency should exist in every community, devoted to the promotion of healthy, secure family life.

## DEMOCRATS ADVOCATE REFORMS

True bi-partisan representation achieved through destruction of machine politics in Burlington County, full utilization of the lawful powers of the sheriff's office, active minority representation on the board of chosen freeholders and strict adherence to the law regarding advertisement for bids for county purchases are some of the reforms advocated

by democratic candidates for county offices, in a joint statement issued this week. The candidates making the statement seek election to the general assembly, the sheriff's office and the board of chosen freeholders. They are: Martin L. Haines, of Moorestown, for Assembly; Charles Felner, Maple Shade, for Sheriff, and Jay G. Weidman, Maple Shade, for Freeholder.

## MISSIONARY SOCIETY MEETING NOVEMBER 5

A meeting of unusual interest has been planned by the Women's Missionary Society of Calvary Presbyterian Church, for Wednesday, November 5th, at 2:30 p.m.

Mrs. Rex Stowers Clements, of Bryn Mawr, will tell the interesting story of the preparation and presentation of a special copy of the Bible to the Empress of Japan by the Women of the Presbyterian Church of the United States of America.

Mrs. Clements was a member of the committee in charge and was responsible in particular for the letter which accompanied the gift. Ladies of the community are cordially invited to attend the meeting and avail themselves of the opportunity of hearing a splendid speaker on a fascinating and timely subject. Following the meeting there will be a period of social fellowship.

## NOTICE

Voters in the Second District, Riverton, are notified that the polling place for this district at the General Election will be located at the Thrift Shop, 520 Main street.

The polling place for the Third District will be the same as at the Primary Election: Olds Community, 8 Broad street.

## KIDNAPER GETS 30 YEARS

Francis Furlong, 24, of Camden, was sentenced to serve 30 years in prison by Judge Charles A. Rigg, for kidnaping a Palmyra child in 1944. The sentence was imposed last week.

Furlong had previously been sentenced to 40 years in prison for beating the same child. This offense occurred in Camden County.

## MORE DRIVERS IN N. J.

There are more licensed motor vehicle drivers in New Jersey today than at any time in history.

Latest figures available at the Motor Vehicle Department reveal that at the end of September 1,547,037 drivers were on the records. During the entire year 1946 licensed drivers totaled 1,538,270.

So far this year the Department has conducted a total of 114,443 initial driver examinations, passing 95,925 and rejecting 18,528. This was equivalent to one rejection in every six persons who took the test as compared with a rejection ratio of one in every seven during the same period last year.

Commissioner Arthur W. Magee, in announcing the higher rate of rejections said that it was due to a general tightening of regulations.

"The driving privilege can be made the greatest safety factor of all because it enables the State to scrutinize the driver before he is permitted

on the highways and also provides a means of regulation and control after the privilege is granted," said the Commissioner. "As more and more people learn to drive, thus adding to the overall traffic problem, it becomes imperative that applicants meet all existing requirements."

*"You'll be fresh when you arrive..."*

*"thanks to Hydra-Matic Drive!"*

These words from Oldsmobile's new "radio song" have never been so aptly illustrated as in a typical ride to a football game. There's often a long distance to be covered. There's always traffic to contend with. Yet, if you're the driver of an Oldsmobile with Hydra-Matic Drive, you can... "Just forget the clutch and gear. All you do is sit and steer!" That's true in football traffic, or any other traffic. True on the highway, too. Hydra-Matic Drive takes care of all gear shifting automatically—through four

forward speeds. And the clutch pedal is eliminated completely! What makes it even more impressive... this will be the ninth football season in which Hydra-Matic Drive has enabled Oldsmobile-owning fans to go to the games the easy way. GM Hydra-Matic Drive is a fully perfected, fully proved feature—and there's still nothing else on the market to compare with it.

Oldsmobile introduced Hydra-Matic Drive\* 8 years ago. Today, Oldsmobile is still the lowest-priced car to offer it. Add to this Oldsmobile's traditional style-leadership—plus Oldsmobile's all-round, fine-car quality—and you'll see why so many football fans are Oldsmobile fans as well. You'll agree that...

**WITH THE RIVERTON YACHT CLUB**  
By D. Loving

This is not the time of year for yachting, nor is it generally a busy season at the Riverton Yacht Club. The summer has ended and the boats, faded by an inconsiderate sun, have been taken out of the water in preparation for repairs and reconditioning during the long winter. The landing floats have been stored until Spring and the series races have been

concluded. That is the usual pattern of events as the summer has come to an unwelcome end. This is an unusual year and there will be unusual activity among the club membership for the coming winter. Under the encouragement and leadership of retiring Commodore Gardiner Crowell and Commodore-elect Bill Shoemaker the club will initiate an around the year program of improvement which will better not only the club organization and physical plant, but the town as a whole. So closely interwoven are the name of the town and the reputation of the club that anything which benefits the club reflects credit on the town.

The first club activity for this fall is an improvement on the physical structure of the club. Hardest hit by long neglect has been the outermost, up-river corner of the wharf. That is to be the club's first off-season project. There the tide has slapped against the aged pilings until it has finally won the battle and reduced the corner to a potentially dangerous pitfall. Although temporary repairs sufficed for the summer, a bigger job is planned as a permanent check on the tide.

Bill Shoemaker, an energetic worker, will supervise construction of the new corner which will be built up of reinforced concrete. Soon there will be a "work party" under Bill's able direction (everyone invited) and in a few short hours the job will take on a professional appearance. The workers who make this job possible will be the same skippers who, a couple of months ago, were jockeying for position at the starting line or fighting for the lead on a cross-river tack.

All of the old-timers and all of the youngsters who are tomorrow's old-timers, will be there for this is a job

that requires the services of everyone. This is a year when each one is contributing his or her services to the best of his or her ability to build, during the winter, for a better club next summer. These are the best skippers on the Delaware, building for the best club on the Delaware.

## Projector Club

A new organization has been formed called the "Projector Club" under the direction of Mrs. Bush.

The president of the club is Bill Graden. The vice-president is Henry deHoll and the secretary is John deHoll.

This club is going to take care of all movies that are shown in assembly and assist class room teachers in using projectors in the visual aids room.

## COUNTY CLERK HAS COPIES OF TEXT OF NEW CONSTITUTION

A supply of printed copies of the complete text of the proposed new State Constitution, for free distribution to the public, has been received at the office of the County Clerk of Burlington County.

"Efforts are being made to place the new document in the hands of all interested citizens as conveniently as possible," said County Clerk, Raymond Johnson. "Our supply is limited at this early date, however, additional supplies will be available to our office for distribution as required."

For greater convenience to citizens in the various communities of the county, copies will be supplied by the County Clerk to municipal clerks, librarians, school principals and representatives of other public agencies and civic organizations upon request.

Those who have facilities and wish to cooperate in this distribution plan should notify the County Clerk's Office. By mail, a copy can be obtained from the office of the Secretary of State, State House, Trenton, New Jersey.

The complete text of the proposed Constitution for free distribution is a 6 x 9 inch pamphlet. More than half a million copies are being printed.

A summary of the New Public document will also be mailed with sample ballots to all voters by the District Boards, before Election Day, November 4th, when the new Constitution will be submitted to the people for adoption or rejection.

## CAR INSPECTION

Motor Vehicle Commissioner Arthur W. Magee advises that owners are required to present their cars for second inspection six months from the date appearing on the first inspection sticker. The second inspection period began September 1.

Owners who have not yet complied with the first inspection period requirements are now delinquent and are warned by Mr. Magee that they

are liable to cancellation of their car's registration.

## ASK FARE INCREASE

Public Service will file with the New Jersey Board of Public Utility Commissioners about November 1 a new rate schedule calling for an increase in fare on its buses and street cars. This would make the basic fare 7 cents instead of 5 cents. It is the first time since 1930 that Public Service has asked for a general increase in fares.

The higher rate is necessary, the Company points out, to meet generally mounting costs of operation and particularly an estimated 3,700,000 annual gross increase in wages as a result of the 15 1/2 cents an hour wage increase awarded to approximately 6,600 Public Service operators and mechanics in August by an arbitration board appointed under the provisions of the State Public Utilities Anti-Strike Law. This is on top of an 18 1/2 cents an hour wage increase the men received a year ago, amounting to \$3,500,000 a year, making a total of \$7,200,000 in these two wage increases.

## TAX DODGERS CAUGHT

Secretary Snyder announced recently the voluntary disclosure and payment of more than \$1,000,000 in taxes by two taxpayers to avert prosecution for past evasion of income taxes.

Both cases resulted from the policy of foregoing criminal prosecution in the case of tax evaders who make voluntary disclosures of their frauds before investigation of their cases is initiated.

In one case, a large mid-western concern with an eastern office agreed to pay \$593,000 after voluntarily admitting that it had been concealing its true profits by an intricate system of false invoices, and by switching of funds between offices in different parts of the country.

In the second case a large confectionery concern agreed to pay \$517,000 after voluntarily confessing that taxes had not been paid on company income that had been secretly diverted to the personal use of its principal stockholders.

## STEELE'S NURSERIES

PALMYRA, N. J.  
HAS SERVED SOUTH JERSEY FOR MORE THAN A CENTURY

We have a complete stock of landscape materials. If your foundation or other planting is overgrown due to neglect or improper care, let us remove it and replace it with new materials. November and December are excellent months for planting shade trees. Builders of new homes particularly should plant shade trees as soon as possible. The original cost of shade trees is small compared with what they are worth a few years after planting. Order now for prompt delivery. Estimates on any landscape work are cheerfully given and visitors to the nursery are always welcome.

munity Center, where the program for the year was presented by the committee. The plans are to display and teach handicraft at the next regular meeting, so that the leaders may instruct the scouts in their own troops in making gifts for Christmas.

The main subject of the leaders' club is to bring together all the leaders of the Girl Scout troops of Burlington County so that they may discuss their common problems and how they have met them, and may plan their troop work well in advance.

All leaders and assistants are welcome to the regular meetings which are held the third Thursday of the month at the Moorestown Community Center at 8 p.m. The Court of Honor, which serves as an executive committee, is made up of one leader from each town, who is permitted to bring one guest. Its meetings are on the first Thursday of the month at 8 p.m., at Roberts Hall, 85 E. Main street, Moorestown.

Troop leaders of the towns in Burlington County are requested to send a representative to the Court of Honor. Those planning to attend should notify Adeline Engel, Roberts Hall, 85 E. Main street, Moorestown, Moorestown 9-0830.
