ELECTION RESULTS

The eleven election districts in Palmyra, Riverton and Cinnaminson, gave Republican candidates an overwhelming majority at the General Election on Tuesday and, with the exception of the third Cinnaminson District, were substantially in favor of revision of the State Constitution.

County candidates elected were: Albert McCay, Palmyra, General Assembly; William F. Parker, Florence, Sheriff; Clarence Price, Beverly, Freeholder; Donald S. Belton, Moorestown, Coroner.

Riverton

In Riverton, the following Republican candidates were elected without opposition: S. Robinson Coale, Mayor; Carl P. Mann and Albert S. Farrow, members of the Borough Council and Russell M. Bigelow, Assessor.

The Police Pension question was passed by a vote of 596 to 173.

Cinnaminson

Maurice Conrow was elected member of the Township Committee in Cinnaminson without opposition. The question regarding tenure of office for the collector, Joseph Keating, was approved by a count of 359 to 141.

Palmyra

The local Republican ticket was easily elected in Palmyra, as Charles V. Dickinson was elected Mayor and Harold Marshall and Robert Snover were named members of Borough Council.

Vernon Stone was elected Justice of the Peace.

The question of tenure of office for the collector, Edwin A. Griscom, was approved by a large majority.

NEW BUILDING FOR BANK BRANCH STARTED HERE

Ground was broken last week for a building at the southeast corner of South Broad street and Garfield avenue, Palmyra, which will be occupied by Earle Harder, electrical appliance dealer and the proposed Palmyra Branch of the Cinnaminson Bank and Trust Co.

The structure which will be one story in height will have a 57 foot frontage on Broad street and a depth of 77 feet.

Alfred Firth, of Moorestown, is the general contractor and George Friday, of Riverton, has the heating contract.

Construction is expected to be completed in approximately 90 days. The day of the establishment of the new bank branch has not yet been determined.

LIONS MINSTRELS

Ticket sales for the Palmyra-Riverton Lions Club Minstrel Show are proceeding very rapidly. Citizens of the Tri-Boroughs who wish to attend are urged to purchase their tickets soon in order that everyone may be assured of a seat, as the sales are limited to the capacity of the Palmyra High School auditorium.

Requests are still coming in from out of town sources but are being withheld until residents of the local communities have had an opportunity to obtain them. Tickets are sixty cents, including tax, and may be purchased from any member of the Lions Club. The public is reminded that tickets are good only for the night printed thereon, and are not good, therefore, for either night.

The Minstrel Show will be presented Friday and Saturday nights, November 14th and 15th. The proceeds will go to assist the Lions Club in carrying out its program of service to the community in its charity work. So come see a good show, have lots of fun, hear plenty of good music, and enjoy an evening's entertainment. Curtain at 8.15.

IN MEMORIAM

The Board of Managers of Cinnaminson Home learn with deep sadness of the death of their member Matilda Huber Lane.

Matilda Lane was for many years an active member of our Board of Managers. As such she assumed all the responsibilities of her position. She was always ready spiritually and materially to serve the interests of the Home to the best of her ability. She gave of her physical strength in every beneficial effort, and interested friends to aid in its support.

We realize our great loss in her passing. May our Home always reflect her conscientious and devoted interest.

The Board of Managers
Cinnaminson Home.

FOURTH DEGREE K. OF C.

Robert J. Rabe, of Haddon Heights, Master of the Fourth Degree Knights of Columbus of the Southern New Jersey District attended a meeting of the John Tatham Assembly at the K. of C. hall in Palmyra last week. Plans were completed for the activities of this Assembly for the coming winter months, beginning with installation of officers at the November meeting.

The following officers were elected: Jos. F. Yearly, Riverton, F. Nav.; Jos. J. Carlin, Moorestown, F. Capt.; Francis Gallagher, Burlington, F. Adm.; John Lechleider, Riverside, F. Pilot; W. Otis Myers, Riverton, F. Compt.; William Schneider, Riverside, F. Purser; J. Messara, Riverside, F. I. Sent.; and G. Colona, Riverside, F. O. Sent.

The November meeting will also be held at the St. Joseph's K. of C. hall in Palmyra.

Four brigadier generals in the Regular Army are former New Jersey National Guardsmen.

CHRIST CHURCH TO HAVE NEW ORGANIST

After many years of loyal service as organist of Christ Church, Riverton, George Lincoln Ridley has resigned in order to turn over the training of the choir to a younger man.

Amos Heacock, well known organist and choirmaster from Philadelphia, will assume the position as director of the choir on November 16, at the eleven o'clock service.

Mr. Heacock has performed many brilliant recitals throughout the country, and directed choral groups and arranged music for the Air Corps Band while a member of the air force in the late world war.

A student of famous organists, Ernest White, of New York, and William Hawkes, of Philadelphia, Mr. Heacock is well trained in church music.

Recordings have been made of his choirs, and recently his choir from Brookline, Pa., broadcast a fine performance in Philadelphia.

Anyone interested in choral work is invited to attend his first rehearsal on Thursday evening, November 13, at 8 p.m., in the Parish House.

Mr. Heacock will begin practice for the Community Service to be held on Thanksgiving Day and the Mid-night Service of Christmas.

Such an outstanding musician will be a great addition to music lovers of our community.

WILLIAM K. BOWEN

William K. Bowen, aged 69, died November 1, after a long illness, at his home 600 Broad street, Riverton.

More than 34 years ago he established a small upholstery shop in Riverton, and later specialized in the restoring of antique furniture.

He is survived by his brother and sister, Walter L. and Elizabeth, of Riverton, and brother John N. Bowen, of Washington State.

Bahal services were conducted by Stuart Sims, of Red Bank, at the Snover funeral home, Wednesday, at 11 a.m. Interment at Morgan Cemetery.

AMERICAN EDUCATION WEEK

The week of November 10th to 14th has been designated throughout the country as the twenty-seventh annual observance of American Education Week. This week American citizens will visit their schools to compare and appraise the work of their community educational institutions.

Throughout the country the people are looking to the schools for leadership in preparing their children to live in and strengthen the democratic way of life. Both the Riverton Board of Education and the Faculty cordially invite you to visit your school this week.

On Friday at 11.15 a.m. and 2.30 p.m., the Dramatic Club will present a short play called, "The Golden Cornstalk Goes Home."

Each pupil will bring home a schedule of special classes and assemblies so that parents will be informed as to their child's curriculum.

THE PORCH CLUB

On Tuesday, November 4, one of the most inspiring musical programs ever presented in Riverton was heard by Porch Club members and guests. It was such a thrilling experience that after the performance given by Miss Allison Nelson and Mr. Frank Guarrera, the audience came up, one and all to meet these gifted young people, to hear more about them and their plans for the future.

Miss Allison Nelson was heard in Australia by Eugene Ormandy and advised by him to come here for study at Curtis. In hearing her tremendously difficult and beautifully played piano group, one cannot wonder at Mr. Ormandy's faith and interest in her talent.

Mr. Guarrera made his debut last week with the New York Civic Opera Company. He has a fine dramatic baritone voice, so well suited to operatic roles. His hopes are for the Metropolitan, and with such a gift, who can tell?

Joyce Kumer's well known "Trees" was sung as the third and last of the graciously given encores, and it seemed to be just the song for the occasion.

A feeling of inspiration and elation in common brought the artists and audience together during the tea hour that followed, ending an afternoon long to be remembered.

(Eph. 5:8)

Sermon: Passages from the King
James version of the Bible include:
"Let not sin therefore reign in

wages of sin is death; but the gift
of God is eternal life through Jesus
Christ our Lord." (Rom. 6:12,23)
Correlative passages from "Science
and Health with Key to the Scrip-
tures" by Mary Baker Eddy include:
"God could never impart an ele-
ment of evil, and man possesses
nothing which he has not derived
from God. How then has man a
basis for wrong-doing? Whence
does he obtain the propensity or
power to do evil?" (p. 539)

BOY SCOUT NEWS

A major portion of the October meeting of the Executive Board of the Burlington County Boy Scout Council was given over to Captain J. B. Ryan, U.S.N. (Ret.), Palmyra, chairman of the camping activities committee, at which time he rendered his annual report on the operation of the Lenape Boy Scout Reservation during 1947. The Boy Scout Camp is located on the Jackson road, five miles south of Medford.

Captain Ryan, in his report, revealed that the 1947 camping season was the most successful to date, and that there was an increase of 62% in the number of individual campers over 1946, and an increase of 34% in total camper weeks. There were a total of 147 individual campers for a total of 209 camper weeks. Twenty-two different units of the Council came to camp this past season, a number coming under their own leadership; that is, the leadership of their Scoutmaster. Also, there were more Unit Leaders in camp this past summer than during any previous season.

The new realigned Second and First Class Scout requirements were used for the first time at camp this summer, and were popularly acclaimed by the Scouts. There was a considerable amount of advancement that took place by the Scouts. A total of 453 Scout tests and Merit Badges were earned, which included 287 Second Class requirements, 189 First Class requirements, and 74 Merit Badges.

Twenty-eight Boy Scouts were inducted into the Order of the Arrow, W.W.W., which is a national camp honorary society for outstanding campers. A new activity was conducted at camp this summer for the first time, and will continue to be an annual affair. A Cub Scout Field Day was held, to which the Cub Scouts of the Council and their parents were invited.

The camp staff was highly complimented for their efficient work by Captain Ryan in his report. J. Holland Heck, Edgewater Park, completed his second season as Camp Director of the Boy Scout Camp.

FOOTLIGHT PLAYERS WILL PRESENT "LADIES IN RETIREMENT"

On November 21st and 22nd, an English murder-mystery will be presented by the Footlight Players of Palmyra and Riverton, in the Riverton School auditorium.

Play-goers will find this play intriguing even as "Arsenic and Old Lace," although in a very different manner, the English manner. The corpse does not disappear quite so visibly! Instead, what one finds so very interesting is the subtlety of the murder, in contrast to murder in the American manner. Perhaps the murder seems more justifiable when complicated with a mother fixation reflected in the character of the older sister, Ellen. Eileen Bertrand, who played the mother in "Pride and Prejudice," Palmyra High School senior play of 1944, will portray the sister Ellen. Her two sister charges will be played by Lois Mayes and Virginia Miles.

The Footlight Players are quite sure "Ladies in Retirement" will be thoroughly enjoyed by the audience. Keep the date in mind!

Brigadier General Clifford Blue-mel, one of the heroes of Bataan, began his military career in the New Jersey National Guard, then went to West Point.

AN ORDINANCE OF THE TOWNSHIP OF CINCINNATI IN THE COUNTY OF BURLINGTON AUTHORIZING THE CONSTRUCTION OF CONCRETE CURBS ON PORTIONS OF SOUTH WARRINGTON AVENUE AND PARK AVENUE, AS A LOCAL IMPROVEMENT; MAKING AN APPROPRIATION THEREOF AND AUTHORIZING THE TEMPORARY FINANCING OF THE COSTS AND EXPENSES OF SAID IMPROVEMENT, OVER AND ABOVE THE AMOUNT OF THE DOWN PAYMENT TO BE APPLIED THERETO, BY THE ISSUE OF THE BOND ANTICIPATION NOTES OF THE SAID TOWNSHIP.

BE IT ORDAINED BY THE Township Committee of The Township of Cincinnati in the County of Burlington, State of New Jersey:

SECTION 1: That concrete curbs shall be constructed by the said Township (except where such curbs properly located and in good condition are already in existence) on both sides of South Warrington Avenue from Rowland Street Southwardly to the Southeastern line of the Price Tract, and on the Eastern side of Park Avenue from Highland Avenue Northwardly to Golf Road, and on the Western side of Park Avenue from Highland Avenue Northwardly to Lincoln Avenue.

SECTION 2: That said concrete curbs shall be constructed in accordance with the plans and specifications prepared and adopted by B. Harold Wills, Township Engineer, dated September, 1947; and that said plans and specifications be and the same are hereby approved and adopted for the purpose of said improvement, and that the Township Clerk of the said Township be and he is hereby authorized to execute and deliver to the Township Engineer a certificate of approval of said plans and specifications for the purpose of said improvement, and that the Township Engineer be and he is hereby authorized to execute and deliver to the Township Clerk a certificate of approval of said plans and specifications for the purpose of said improvement.

SECTION 3: That the sum of Five Thousand, Eight Hundred and Seventy-five Dollars (\$5,875.00) be and the same is hereby appropriated to pay the costs and expenses, including incidental expenses, of the construction of said concrete curbs, which appropriation includes a down payment of Three Hundred and Fifty Dollars (\$350.00) hereby appropriated from the Capital Account of the said Township; and the sum of Five Thousand and Fifty Dollars (\$5,500.00) being not more than five per centum (5%) of the maximum amount of the obligations authorized by this Ordinance.

SECTION 4: That the sum of Five Thousand Five Hundred and Twenty-five Dollars (\$5,525.00), or so much thereof as may be necessary, of the said appropriation of Five Thousand Eight Hundred and Seventy-five Dollars (\$5,875.00) shall be obtained by the issue of the Bond Anticipation Notes of the said Township of Cincinnati in the County of Burlington; that said Notes be and the same are hereby authorized to be issued under and in accordance with the Local Bond Law of the State of New Jersey; that the form of the said Notes and the respective dates and amounts thereof and all other matters and details in relation to the authorization, issue and sale of the said Bond Anticipation Notes not contained in this Ordinance shall be determined by the appropriate resolution or resolutions of the Township Committee of the said Township adopted according to the provisions of the said Local Bond Law; that said Notes be and the same are hereby authorized to be issued under and in accordance with the Local Bond Law of the State of New Jersey; that the form of the said Notes and the respective dates and amounts thereof and all other matters and details in relation to the authorization, issue and sale of the said Bond Anticipation Notes not contained in this Ordinance shall be determined by the appropriate resolution or resolutions of the Township Committee of the said Township adopted according to the provisions of the said Local Bond Law; CALVARY PRESBYTERIAN CHURCH
The Rev. R. B. Stewart, Pastor

On Friday, November 7, at 8 p.m., a meeting will be held at the Presbyterian Church in Freehold in connection with the "New Curriculum" of the Church School. One teacher and one parent from each church in the Presbytery of Monmouth will attend as delegates. The part of the "New Curriculum" that applies to parents will be presented and freely discussed, and as many parents of our Church School students as can possibly do so should plan to attend this vital meeting.

The Calvary Church School is in session each Sunday morning from 9:45 to 10:45. The Men's and Ladies' Bible Classes meet at the same hour. Sunday morning worship begins at 11 o'clock. Beginning next Sunday a series of messages on the subject of "Barriers to Freedom" will be initiated. The subject of the opening message will be, "Where Freedom's Barriers Are Found." The Calvary Church will render the anthem, "Thine O Lord," by MacFarlane. During the morning worship hour a Church Nursery will be conducted in the

November and December are excellent months for planting shade trees. Builders of new homes particularly should plant shade trees as soon as possible. The original cost of shade trees is small compared with what they are worth a few years after planting. Order now for prompt delivery. Estimates on any landscape work are cheerfully given and visitors to the nursery are always welcome.

Nursery Department for babies and children up to eight years of age. A junior "Church Hour" for eight and nine-year-olds will also be conducted from 11 to 12, while Church is in session.

On Sunday evening the Junior Group (4th, 5th and 6th grades) will meet from 6 to 6:30, and the Intermediate Group (7th, 8th and 9th grades) will meet from 7 to 7:45. Junior Choir rehearsal, under the direction of Mr. Farrow and Mrs. Bell, will be from 6:30 to 7, for all juniors and intermediates.

The Westminster Fellowship (10th, 11th, 12th grades and college age) meets from 7:30 to 8:30 in the Ladies' Parlor. Next Sunday evening this group will continue their discussion of the topic, "My Faith and My Church."

The monthly meeting of the Women's Society will be held on the afternoon of Wednesday, November 12, at 2:30, in the Church School auditorium. The guest speaker will be the Reverend Ansley Van Dyke, pastor of the Tom's River Presbyterian Church. During the past summer Mr. Van Dyke toured Mexico with the Princeton Theological Seminary Choir. On many occasions the choir had to sing under police protection. They were not permitted to announce any of their religious services publicly, and several times they found themselves in very precarious positions. The speaker's subject will be, "Religious Impressions of Mexico." All members of the Society and their friends should plan to attend.

Members of the Church School Council will please note that in order to avoid any conflict with the Teachers' Training School, which is in session each Wednesday evening from 7:45 to 9:35 o'clock, in the Central Baptist Church, the November Council meeting will be held on Tuesday evening, November 18, at 7:45, in the Ladies' Parlor.

pearance. The dining room has a new celotex soundproof ceiling and has been redecorated.

These attractive classrooms furnish a better atmosphere for working and living together.

An unused cloakroom has been transformed into a most attractive library for the lower grades. Mrs. Price, the second grade teacher, and her class take charge of it.

Seventh and eighth grades certainly enjoyed the letters sent them during National Letter Week from the Riverton seventh and eighth grades. At present these letters are being answered. It is hoped that the two groups will continue to correspond.

Last Wednesday the Press Club and Library Council of School No. 2 with Mrs. Reese, parent, Mrs. Erickson, and Mrs. Parker, visited the Curtis Publishing Company in Philadelphia. There they enjoyed the beauty of the building, the mosaic, and learned of the work in magazine making through a most interesting colored movie entitled "Magazine Magic."

The Library Council then were privileged to see the beauty of the Parkway Library and the workings of such a large system. While the council made this visit the Press Club toured the Evening Bulletin Building and there gained first hand information as to the work that goes into the making of our daily paper.

the bus they stepped inside Saint Peter's and Saint Paul's Cathedral. This beautiful experience will linger long in their minds.

Grades seventh and eighth have completed their nine day magazine drive sponsored by Curtis. Their net profits are \$124.60. At a joint meeting of these classes they voted to purchase with this money stands for the volley ball nets, movies for the school, and to give the remaining amount to the office toward the purchase of a standard process machine.

Every Wednesday and Friday from two to three Mrs. Adams, a parent and the South Jersey champion in archery, has an archery class made up of sixth, seventh and eighth grades from both schools. Eleven pupils are taking advantage of this free instruction. Many teachers plan to form a class at the close of a school day.

ROTARY CLUB HAS
PAST PRESIDENTS' NIGHT

The scheduled "Past Presidents' Night" Meeting of the Palmyra-Riverton Rotary Club developed into an inspired club service meeting last Thursday evening, that had more members speaking before the Club than retired presidents.

Past President Walter Lamon conducted the meeting and presented three Past Presidents, namely R. G. Adams, who spoke on Tri-Borough Cooperation; Carl Thomas, who explained Club Fellowship, and R. B. Stewart, who gave an excellent word picture of vocational service which he called the Cornerstone of Rotary.

Past President Lamon then called on the Club members to speak on the subject "What Rotary has meant to me," and inspired talks were given by Philip Shulman, Herbert Parsons, L. N. Burhoe, William Moore and Donald Patterson.

W. Neal Raver gave a summation on the talks given, commenting on the views expressed in a most inspiring manner.

CENTRAL BAPTIST CHURCH
The Rev. S. Dan Morgan
Pastor

Having held the highest position accorded an American citizen and by so doing he was able to see a broad view of our nation and of the world, Woodrow Wilson made the statement: "The older I grow, the more certain I am that morality is dependent upon the spread of religious conviction in the government and civilization of this country." It is rather timely that we re-read these words for especially are they applicable in this world today. But to spread this religious conviction it requires that the individual should keep in close contact with his church. It is our inherited privilege. If you have been passing up this privilege, or if you have no church home, "Central Baptist" cordially welcomes you to its services.

SUNDAY DINNER
Suggestions

GRAPEFRUIT, which derives its name from the grape-like clusters in which it grows, was introduced into Florida by the Spaniards early in the sixteenth century.

Recognition of the value of this fruit was deferred for a long time because its peculiarity of flavor was not at first acceptable to the American palate and little care was taken in its development and culture.

Now, however, in its greatly improved form, it has become a favorite of both the North and South, a champion among breakfast fruits and is in frequent appearances at the luncheon and dinner table.

Aside from being served halved and seeded, with the addition of a bit of sugar to suit the taste, according to the A & P Service for Home-Makers, grapefruit can be especially delicious if the flesh is removed, cut into cubes, then returned to the half shell, sprinkled with sugar and left to stand on ice in the refrigerator until well chilled. This method enables the sugar to permeate more thoroughly and makes for easier eating.

Grapefruit is also especially good for preserving and jellifying and its slightly bitter taste makes it very suitable for marmalade where it can be used alone or in combination with other fruits. Its pectin or "jellying" content is higher than that of any other citrus fruit. Grapefruit is also finding their way into more and more salads, have been used as a garnish for meats and as a source of much juice both fresh and canned.

For a delicious Sunday dinner, try roast beef with mashed potatoes and brown gravy, creamed carrots, mixed fruit salad, pumpkin pie and coffee.

ond." This pamphlet will be distributed among grade school children, to be taken home for parents to study, answer and return to the school. The reply may be signed or not, as the parents wish.

This will provide an ideal opportunity for the parents to let the school know their appraisal of such elements of the school's offerings as the three "R's," schools of the "good old days," the curriculum, reading, training in citizenship and discipline.

If pupils do not bring these booklets home, parents may secure copies by phoning the principals of the respective buildings. If other interested citizens of the community desire copies, they may secure them in the same way.

It is hoped that there will be a 100% response by parents.

Supervising Principal
P.S.—Don't forget to visit Palmyra High School on Open House Night, November 11, from 7 to 9.

ARMISTICE DAY PROGRAM

Colonel Walter D. Fetterly, of New Brunswick, Commander of the 214th Infantry, 50th Armored Division of the New Jersey National Guard will be the speaker at the special Armistice Day program to be held by the Frederick M. Rodgers American Legion Post 156, in the Palmyra High School auditorium next Tuesday, at 8 p.m.

The program is being arranged by the Americanism committee of the local legion post and will be part of the program of the Palmyra High

School students in the observance of American Education Week.

All civic and patriotic organizations in this vicinity are requested to have representatives at the affair being held in honor of the War dead.

The legion will conduct its impressive American Legion ritual ceremonies. Special seating accommodations will be set aside in the auditorium for the members of the post, and the auxiliary and the Gold Star Mothers in the community.

Commander W. Harold Thorn urges the veterans in this vicinity to attend in remembrance of their comrades who gave their lives in the recent conflict.

William Trent, after whom Trenton was named, was not only Chief Justice of the Colony but Colonel of the Hunterdon County Militia. Jersey's National Guard has a long and brilliant history.

Visiting Nurse Report

The annual report of the Visiting Nurse Society is as follows:

For 35 years the Visiting Nurse Society has been carrying on a health program in this community.

Miss Blair and Miss Cook have administered to the sick with bedside nursing, have demonstrated to mothers how to care for their babies and pre-school children, have assisted the doctors in their examinations of school children and have done follow-up work in the homes. They have taught prevention of disease and hygienic methods of living.

During the past year they made 3101 nursing visits.

Whenever necessary they have referred patients to Mrs. Smith of the Family Council. They have encouraged patients to take clinical treatments when recommended by the doctors. This has often been an arduous task as frequently the patient has had to be persuaded that such treatment would be beneficial.

Now, as always, there is the problem of transportation in the rural areas.

Much of our time throughout this past year has been concerned with the poor housing conditions and the lack of sanitation in the rural districts.

To the new members of our community and to those of you who have not served on the Visiting Nurse Committee, I should like to say that it is a volunteer service which is extremely worthwhile.

There is great satisfaction in working with lay and professional members of an organization which is affiliated with a National Program for Public Health Nursing. It is inspiring to meet with people from various sections of the United States who are interested in improving the health conditions of the country as a whole and it still better to strive to do a good job right here in our own community.

In retiring as Chairman of the Visiting Nurse Society, I should like to thank the members of our committee for their cooperation and interest, and to thank the nurses for attending to their duties so faithfully, especially through the war years.

Those of you who have supported this Service will, I trust, renew your interest and make possible a program which will go forward striving to keep abreast of the times and aiming to improve the health of the three communities, Riverton, Cinnaminson and Palmyra.

The officers for the year 1947-48 are as follows: chairman, Mrs. E. R. Zieber; vice chairman, Mrs. W. A. McCamy; secretary, Mrs. Luke McBerly; assistant secretary, Mrs. R. Betancourt; treasurer, Mrs. Ralph L. Flower; assistant treasurer, Mrs. Richard Hollerith.

Elizabeth M. Ritschard, Chairman

PORCH CLUB NEWS

On November 18, at 2:30 p.m., the Porch Club will present Mr. John Goette, lecturing on "China Today."

Mr. Goette, war correspondent, radio analyst, author and lecturer, lived for 11 years in Japan, occupied areas of Asia, writing for International News Service and the London Daily Express. He was born in Philadelphia, and educated at Temple University. After two years service in the Navy during World War I, Goette studied at the great Moscow University at Aligarh, India, where he developed his lifelong interest in the Far East.

Mrs. Howard Coe and Mrs. G. Rex Showell will pour Chinese tea.

ANNOUNCEMENT

The business heretofore under the name of Will Bowen, who is now deceased, will be taken over and continued by his sister, Miss Elizabeth Bowen, at 600 Broad street, Riverton, under the trade name of Bowen Co. Mr. Joseph Hahle, who has had 18 years experience, will continue his connection with the business.

CLOTHING NEEDED

While headlines bring attention to American aid for needy populations abroad, citizens of Riverton plan a clothing collection drive for overseas shipment, from November 19-26.

The Riverton Market House has made its former store building available and new or used clothing may be brought there between 9 and 5 during the drive. Volunteers will be present to answer questions and to receive the clothes.

Clothing will be shipped, and distributed abroad to needy cases by the American Friends Service Committee, stated Mrs. Rebecca Taylor Kriebel, chairman of the Wednesday afternoon campaign. Mrs. Kriebel is a returned volunteer worker who distributed clothing for the Quaker committee in LeHavre, one of France's worst-bombed cities.

Latest reports from workers in Europe and Asia indicate great need for clothes, since government relief plans put emphasis only upon providing food.

In countries like Hungary, Quaker reports say, two or three persons take turns sharing the same clothes, and about one child in ten is going barefoot this winter. New-born babies in Europe are often wrapped in newspapers to be carried home from the hospital. Many mothers must exchange sugar and bread for sweaters, socks and diapers.

Needy persons who walk painful miles to ask quietly for help for their children sometimes have to be turned away because there is clothing only for those in extreme want.

Quaker workers who have returned from overseas describe the excellent impression made on the people by well-baled clothing, cleaned and in good condition, arrives from America as the gift of Americans of many faiths, to be given impartially according to need.

Adults and especially children from many countries have written letters of thanks by the hundreds directly to the Quaker committee.

Such first-hand reports are stimulating communities all over the United States to share what would otherwise lie unused in attics and trunks.

Clothing which still can be worn for some time is needed for the valuable shipping space.

Clothes for all ages and sizes will be accepted, for boys and girls, and men and women.

Second-hand clothing, which is just as welcome as new for many uses, should be clean, and mended if necessary.

Shoes, new or mended, answer an especially great need. Galoshes and rubber shoes are very acceptable. Women's shoes are wanted at least three inches in width and with heels not over two inches high. Unmended shoes are never sent abroad, since those receiving them are unable to get repair materials. Money contributed here along with unmended shoes makes it possible for them to be repaired and sent, however.

Especially appreciated on the receiving end, according to accounts, are such imaginative touches as extra buttons, spools of thread, and packets of needles, a handkerchief, or a fresh collar and cuffs slipped into the pockets, or a shine on the shoes and an extra pair of shoelaces tucked inside.

Quilts, blankets, sheets, pillow cases, towels and wash cloths are needed even by the hospitals and institutions in the areas where the distributions are taking place.

Toilet articles and soap may accompany clothing gifts. Some contributors are making small bags with drawstrings at the top and putting in needles, pins, buttons, thimble, scissors and thread — all scarce in war-torn countries.

Recently, says a report, a man whose ragged clothes belied the dignity of the human being who wore them, asked for a suit at a Quaker center in Europe. When his need had been investigated, and he received it (not new, but clean and mended) he was asked to sign a receipt. "Received—one suit." He signed his name; then after the word "suit" he wrote, "beautiful."

The report concludes: "Clothing given in the spirit of good will is beautiful."

P. T. A. MEETING

The November meeting of the Riverton Parent-Teacher Association will be held in the school auditorium on Wednesday, November 19, at 3 p.m.

The program will be given by the Dairy Council, Inc., Philadelphia. Mrs. Pennyfeather will speak on "A Peel, A Peel, and Appeal."

At 2:00 p.m., there will be a meeting of the Parent Education Group in the school library. The speaker will be Dr. Harry B. Mark, of Riverton.

All members and friends are invited to attend. The Girl Scouts will act as attendants for the small children.

The Delanco Chorus will entertain with songs.

FRIENDSHIP TRAIN

The Friendship Train, carrying gifts of food from the American people to hungry European people will reach Trenton, November 17 and will leave for New York 10 a.m., November 18.

Gifts of food must be confined to these items and in the quantity units indicated because of packing and shipping requirements:

Laundry soap—box of 100 cakes
Wheat flour—100 lb bag
Sugar—100 lb bag
Macaroni and spaghetti (not in cans)—20 lb box

Evaporated or condensed milk—24 cans in case
Dried beans or dried peas—100 lb bag

This food is being distributed in France and Italy by the joint American relief agencies functioning together.

Cinnaminson and Riverton are co-operating to receive donations of food or cash with which the required commodities can be purchased.

Those desiring to contribute food are asked to call Robert J. Woods, Riverton 9-0156, between 10 a.m. and 12 noon, either Friday or Saturday. Arrangements have been made to have your gift picked up by truck.

Cash donations should be left at Mr. Wood's residence, 1004 Columbia avenue. Checks should be made payable to Robert J. Woods, Treasurer, Friendship Train Committee.

Maurice Conrow, chairman of the Cinnaminson Township Committee, and Mayor Nathan Lane, of Riverton, urge that as many as possible aid this worthwhile project.

SOROPTIMIST CLUB

"Mental Hygiene" the North Atlantic Regional Legislative Project of the American Federation of Sorooptimist Clubs will be presented to the Sorooptimist Club of Burlington County at the November 19 dinner meeting, 6:30 p.m., in their club rooms at Mt. Holly.

Richard Hunter, Director of the Educational Division of the National Mental Health Foundation in Philadelphia, will speak on "A Program for Mental Health in New Jersey."

Mrs. Martha S. Wooley, regional legislative chairman and past president of the Sorooptimist Club of Buck's County, Penna., will introduce Mr. Hunter, a graduate of the University of Minnesota. Law School and trained and experienced in Mental Social work prior to his association with the Foundation.

President Marie McDermott, of Palmyra, who will preside, announces presidents of various service and civic organizations from this county will be guests.

Mr. and Mrs. Paul A. Musco, of Riverton, left Thursday, November 13, for Mexico, where they will visit for two weeks.

Town Meeting Plans

After several years of inactivity, the Riverton Town Meeting was revived last month with more than 200 local residents in the audience when Henry C. Beck, the noted historian and lecturer spoke on "The Forgotten Towns of New Jersey."

Continuing its program of monthly meetings with leading speakers, the executive committee of the Town Meeting has arranged to present one of America's leading educational authorities, Dr. William E. Arnold as its guest speaker at the Riverton School on Tuesday evening, November 18th.

A cordial invitation is extended to the parents of Riverton and its neighboring towns to be present to hear Dr. Arnold. As one member of the committee said, "If you have a child, you have a problem—and in presenting Dr. Arnold, Town Meeting feels that it is making a real contribution to the welfare of the community in attempting to bring closer the parents and the school."

Dr. Arnold is Professor of Education at the University of Pennsylvania. A graduate of Kentucky Wesleyan College, from which he holds a degree of Bachelor of Arts, Dr. Arnold also studied at Ohio State University and at Columbia. He has a Master of Arts degree from the former institution and a degree of Doctor of Philosophy from Columbia. For ten years he engaged in public school work in Wyoming, West Virginia and Ohio, later becoming Assistant Professor of Education at Ohio State, a post which he relinquished to join the faculty at Penn in 1935.

Dr. Arnold has written and lectured extensively on educational topics and has made numerous general school surveys of both public and private secondary schools and colleges. At the present time he is Chairman of the National Conference of Professors of Educational Administration whose membership includes representatives of larger universities throughout the country. In addition, he is a member of the Committee on Educational Plants of the American Council on Education and a member of the National Council on School-house Construction.

The officers and members of Riverton Town Meeting extend a most cordial invitation to the parents of school age children and the Boards of Education of Riverton and its neighboring towns to join in the meeting on Tuesday evening, November 18th, to hear Dr. Arnold who is, beyond doubt one of the leading authorities on education in the entire country.

His appearance in Riverton is a real tribute to the parents of Riverton whose interest in their children's education has already attracted national attention and praise in educational circles. If you are a parent don't miss Dr. Arnold on Tuesday evening in the auditorium of the Riverton School. And if you are a teacher or on a Board of Education, please accept this as a doubly cordial invitation from Town Meeting.

"Mortals and Immortals" is the subject for Sunday, November 16. Golden Text: "He that loveth his life shall lose it; and he that hateth his life in this world shall keep it unto life eternal." (John 12:25)

Sermon: Passages from the King James version of the Bible include:

"Verily, verily, I say unto you, He that heareth my word, and believeth

on him that sent me, hath everlasting life, and shall not come into condemnation; but is passed from death unto life." (John 5:24) Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include:

"In his resurrection and ascension, Jesus showed that a mortal man is not the real essence of manhood, and that this unreal material mortality disappears in presence of the reality." (p. 292) "The evidence of man's immortality will become more apparent, as material beliefs are given up and the immortal facts of being are admitted." (p. 428)

The Burlington County Chapter of the American Red Cross now will accept inquiries concerning the whereabouts of friends and relatives last known to be in Germany. Miss Mildred Walton, Home Service Secretary, announced yesterday.

Miss Walton said that effective channels have been established to trace persons in all four occupied zones of Germany, but that the Red Cross will accept the inquiries only after normal communication channels, such as regular mail, have proved ineffectual.

The Home Service Secretary explained that since resumption of the two-way inquiry service in April, affecting all parts of the world except Germany, the American Red Cross has been working to arrange a satisfactory channel for inquiries concerning persons last heard from in that country. Through contacts with the U. S. Military Government in Berlin, these arrangements were completed recently.

All inquiries, Miss Walton said, must be directed through the Red Cross chapter where the inquirer re-

sides and while most of them are expected to concern German nationals, many are expected to involve other nationalities.

NOTES

Upper Grade Assembly

On Friday, October 31, grades five through eight, inclusive, had an assembly. Elizabeth Dutky gave a short talk on Girl Scout Week. All the Girl Scouts repeated the promise. Mr. Groff explained why the flag was at half mast. He said "Richard

Knight, a boy from this school who once sat in the very seats you are sitting in, died that you might sit in your seats and enjoy an assembly as you are doing now."

The Projector Club showed a movie entitled "Bound to Last" presented with the compliments of the Binderboard Company. It was about the making of books.

Since it was "National Apple Week," Mr. Lewis presented the assembly with apples. There were boys stationed at the doors on the way out to distribute the apples.

Art

The Art Club is busy modeling animals. Before they start modeling the figures, they squeeze the clay. When they think they see some animal in the clay they start forming it. Later, when the figures are finished they will be glazed.

In the eighth grade art class they are drawing and painting rhythm pictures.

First they draw graceful lines. Then they look at the pictures until they see some figure. Then they draw the figure on the rhythm lines.

WITH THE RIVERTON YACHT CLUB

D. Loving

Activity is running high this year down at the foot of Main street. Every weekend there is a gang almost grimly intent on finishing the work at hand before bad weather forces a complete layoff until spring.

And despite the reverses that beset the workers each week, it looks as though they are fighting a winning battle.

But who are these men who devote their time and effort to such a thankless job? And why do they do it? Briefly, they are your friends and neighbors, or your neighbor's kids, and they do it for a common love of sailing. But the answer goes much deeper than that. To put it in somewhat picturesque terms, they are the ambassadors, the very reputation, of Riverton. That is not just an empty phrase, it is an undisputable fact.

You can tell a Chesapeake Bay sailor that you belong to the Riverton Yacht Club and your status is enhanced immediately. You are accepted. You have been preceded by the ambassadorial skippers of Riverton and through their exceptional string of victories their reputation has commanded the respect of sailors wherever they are known.

The men who have given this reputation to Riverton are the ones you see down there working now. They are the ones who spread the name "Riverton" to various corners of the country. Take Bob Lippincott, for instance. Bob is a consistent winner in the international Star class and is generally known throughout the East as one of the best. He has sailed in several of the Star class international championship regattas, including those held on the Great Lakes, Cuba and California, and each time has proven his competence by good, hard sailing that makes him a constant threat in competition.

The Comet class is even more a Riverton specialty. In the International Comet championship regatta on Lake Cayuga in early September, the Riverton skippers made a clean sweep of the series when Owen Merrill, Nick Shebble and Howard Lippincott finished in one, two, three

order to completely outclass the remaining field of seventy contenders. The story is the same wherever Riverton competes; always serious contenders — usually easy winners. But the greatest pride, the greatest glory, is in the comparatively new Duster class which is a Riverton boat through and through. Designed by Owen Merrill, she was born in our back yards, fostered by our skippers, until now she has grown into a full-fledged racing class that has expanded to include all of New Jersey and many other points in the East. And now the boat is beginning to find acceptance in other parts of the country where it has been introduced. Competition has been keen in this class, but the RYC skippers have again proven themselves to be exceptional. In regattas held both at Riverton and away they have consistently walked off with top honors.

In the two National Duster championship regattas that have been held thus far, the title has been carried off by first, John Knight and then Fritz Stiner, both of the local club, to make it a Riverton shut-out for two successive years.

These are the things that make the Yacht Club worth while. These are your friends and neighbors who have brought considerable credit to Riverton, who have made it a highly respected name in sailing circles. And that is the caliber of men who willingly put forth their effort to improve one of Riverton's best and most renowned organizations.

COURIER-POST OWNER
AT ROTARY CLUB

Reopening a "struck" newspaper that has been out of circulation for months is not an easy task according to Harold A. Stretch, Sr., owner and publisher of the Camden Courier-Post, who spoke before the Palmyra-Riverton Rotary Club last Thursday evening.

Mr. Stretch, who was introduced by Rotarian Robert J. Finney, gave a graphic description of the labor-management problems that confronted him and told how they were solved. He said that they have no guild now and maintain an open shop. The personnel of the various departments has remained intact and the circulation has returned to 60,000 papers a day, only 11,000 less than when the strike started.

"I want to make the Post a public

forum where the people can read both sides of an issue impartially and make their own decisions," said Mr. Stretch in explaining the editorial policy of the paper. He said that the Post will have no political allegiance and has no axes to grind. Our mission is to publish the news and sell it at five cents a copy," he said.

Mr. Stretch told of the many visits he has had from politicians and reform groups that sought the support of the newspaper, and now that the campaign is over he is convinced that the neutral stand of the newspaper served Camden most effectively.

On the other hand, he said that the Courier-Post will make it their business to see that those elected to office do an efficient job, and told of speaking to Bruce Wallace recently and suggesting that he take the position that he has just been "hired by the people of Camden to go to work."

In speaking of the advertising value of a local newspaper, he told of the results obtained by Camden stores during and since the strike that were very enlightening. Also, he said, that he has discovered that concentrated circulation is more productive from the standpoint of advertising than trying to cover a larger scattered territory.

ABOUT TOWN

Two Riverton residents were among the 900 guests attending Lehigh University Fall Houseparty held on the campus this weekend. The program of events included a football game, a soccer game, a tea dance, an Interfraternity Ball, an Inter-dormitory Council Dance, individual house dances, and a University Chapel Service. Those attending from here were: Miss Barbara Stuart, guest of Alpha Sigma Phi Fraternity, and Miss Betty Tull, guest of Phi Sigma Kappa Fraternity.

Initiation of several new members of the Frederick M. Rodgers American Legion Post 156, will be held at the post social meeting Tuesday night in the Palmyra Fire House. Lester Block, of Trenton, Past Department Commander is expected to be the guest speaker. Refreshments will be served at the conclusion of the meeting.

The W. S. C. S. of the Asbury Church, Cinnaminson, will hold its next covered dish luncheon at the East Riverton Firehouse on Wednesday, November 19, at 12:30 p.m. Holtzapple will serve as hostess. On Saturday, November 15, at 8 p.m., there will be a Halloween party held in the lower room of the church for the children, their friends and parents. No age limit. Come and enjoy yourself. The bus will leave East Riverton at 7:30 p.m. Come masked.

LEAGUE AWARDS
The Tri-Borough League will hold its annual presentation of award program this coming Monday evening, November 17th. The program will be given at the local P. O. S. of A. Hall, at 7:30 o'clock. The officials of the league cordially invite and urge all boys who participated in the past baseball season conducted by the league to attend. BOYS: This is your league, and a full representation from each Junior and Senior team will help make the affair a pleasant occasion for all.

An interesting program is outlined, awards will be made to the Junior and Senior championship teams, certificates will be presented to the boys selected for the All Star team and to the boys selected by the league as the Most Valuable Players of their respective teams.

Efforts are being made to select and obtain a well known sports celebrity to speak and present the awards and trophies.

Sports movies will be shown that will be of great interest to all, and refreshments will be served. The committee has gone all out to make this occasion one that will be well worth while for the boys. This program is in line with the Tri-Borough League purpose, Sports for boys with adult supervision, with no expense to the boys, to instill better character in our youth, which will eventually foster a better man, a better community, and a better nation.

PALMYRA SUB-JUNIORS ELECT OFFICERS
At the second meeting of the Palmyra Sub-Junior Woman's Club the following officers were elected: president, Barbara Brown; treasurer, Joan Moffitt; secretary, Sandra Carroll; and corresponding secretary, Ann Musser.

The next meeting will be held in the Woman's Club rooms on Wednesday, November 19th, at 7:30. There will be business and entertainment. Jean Goff and Barbara Brown are on the refreshment committee. Don't forget to bring your dues.

SUNDAY DINNER

VEGETABLES, the American housewife is discovering, are a great diet aid, a bolter to the economy, and a delightful supplement to soups, meat, pies, stews, and casseroles.

In soup making, try adding some vegetables to the whole, a sufficient length of time ahead to insure their tender texture. Avoid overcooking as this results in loss of flavor and valuable vitamins. Green peas, cauliflower, lima beans, fan-potatoes and mixed vegetables are best when cooked separately in very little water.

Many combinations live up the meal. Mix two or more vegetables together during cooking or before serving. Succotash is a good example of this, but is only one of a number of combinations all agreeable to the palate; among them carrots and peas, corn and tomatoes, corn and peppers and celery and creamed potatoes.

Onions, parsley, sweet peppers, cucumbers and radishes, not to mention a vast number of green herbs, may be added to soups, stews, or gravies as a garnish or flavor aid. The A & P Service for Home-Makers suggests saving the tops of beets, turnips, radishes and other root vegetables which are especially good in soups or blended with leafy greens such as spinach.

Peking has been found to be the best method of cooking most vegetables from a standpoint of retaining food value, especially for the old standby, the potato. Overlong boiling, or boiling in water which contains soda is harmful, for it results in the loss of much nutritional value.

For a delicious Sunday dinner try cream of vegetable soup, scalloped potatoes, stuffed potatoes, corn with cheese, waldorf salad, corn muffins, pumpkin pie and coffee.

ARMY CONTINUES DRIVE TO OBTAIN NURSES

Still faced with a shortage of Army nurses, despite the new opportunities now available in the Army Nurse Corps, the Department of the Army has authorized an extension of the campaign to interest qualified nurses in active service with the new Regular Army Nurse Corps, or in extended active duty as reserve officers, Major George C. Abbott, Jr., announced this week. Local nurses, with or without previous military experience, were urged by Major Abbott to consider the new benefits and advantages available not only to career Army nurses but to nurses on active duty in the Army Nurse Corps Section of the Officers Reserve Corps.

He said the Department of the Army has extended until November 30, the deadline for submission of applications for permanent commissions in the Regular Army Nurse Corps. There is no deadline for Reserve applications, and qualified Reserve nurses may be eligible in future.

years to qualify for Regular Army commissions. He explained that candidates for commissions as Regular Army nurses are currently limited to women between the ages of 21 and 34, inclusive, who have served satisfactorily in the Army Nurse Corps during World War II. Only registered nurses, who have graduated from schools of nursing approved by the Surgeon General, will be eligible. Women who are married, or who have dependent children under 14 years of age, will not be appointed in the Regular Army.

Candidates for commissions in either the Regular Army Nurse Corps or the Reserve may obtain application papers at any Army Area headquarters or general hospital, and Regular Army application forms also may be obtained from the counseling and placement services of any state or district nursing association, Major Abbott said.

Further information can be obtained by contacting the U. S. Army and U. S. Air Force Recruiting Station, Post Office Building, Mt. Holly.

YACHT CLUB DANCE

Giles Knight, chairman of the entertainment committee, announced last night that plans have been completed for the Riverton Yacht Club's annual Fall dinner dance on Saturday night, in the Riverton Country Club.

Every year this dance rates as one of the highlights of the Club's activities and according to Chairman Knight this will be the greatest season finale that we have ever held. The dinner is set for 7 o'clock, followed immediately by the prize awards and then some special entertainment which Knight will not explain but promises will be good.

The dance is scheduled to begin at 9 o'clock, after all awards have

been given out. Mr. Knight pointed out that the dinner and dance are open to the public.

Tickets for both dinner and dance are \$3.25 per person; dinner alone, \$2.25 per person; dance alone, \$1.50 per person.

STUDENT HITCH-HIKING
Student hitch-hiking is roundly criticized by safety officials of the Keystone Automobile Club, who say it is a serious problem, not only in this State but in many other sections of the country. Authorities are disturbed over the tendency of students, not only of high school

HAS SERVED SOUTH JERSEY FOR MORE THAN A CENTURY

We have a complete stock of landscape materials. If your foundation or other planting is over grown due to neglect or improper care, let us remove it and replace it with new materials. November and December are excellent months for planting shade trees. Bulbs of new house plants, particularly should plant shade trees as soon as possible. The original cost of shade trees is small compared with what they are worth a few years after planting. Order now for prompt delivery. Estimates on any landscape work are cheerfully given and visitors to the nursery are always welcome.

CALVARY PRESBYTERIAN CHURCH

The Rev. R. B. Stewart, Pastor

There can be no true freedom without a sufficient faith, and there can be no adequate faith without the knowledge of truth. It is because we believe these things that we have established schools of Christian education and instruction in all our churches. To believe we must first know, and to know we must study, and we must be taught. Our school for instruction in the fundamentals of the Christian faith may be attended each Sunday morning between the hours of 9:45 and

SCHOOL SURVEY

A series of tests were given last May to pupils in the various grades at Riverton Public School and a summary of these tests has recently been made public by Dr. John B. Geisinger, advisory supervising principal. The Metropolitan, Stanford Achievement and Otis (mental ability) tests were the ones employed and covered the various subjects taught in each of the grades. Since a complete description of the tests themselves and the various results is too lengthy for publication, a summary for each grade is presented herewith.

First Grade

Achievement in Grade One was far above the norm for this grade. Excellent results have evidently been obtained here.

Second Grade

Achievement in Grade Two was very good, with the Median in all tests equalling or surpassing the grade norm. It must be noted, however, that these are Median Scores, which means that there were as many above these grade levels as below. Therefore, the spelling and arithmetic scores were not too high.

Third Grade

In view of intelligence test results, the achievement in this grade was not good, although not seriously below standard—again spelling and arithmetic scores were low.

Fourth Grade

Test results in Grade Four were below standard in reading and literature, arithmetic computation, geography, science and spelling; and above the norm of Fourth Grade 9 months in the other subjects. However, there is no evidence of serious deficiency in any subject in this grade, since no Median Score was as much as one full grade below standard.

Fifth Grade

According to intelligence test scores this class is a normal one with only one score above normal and two below. Achievement test results coincide closely with the intelligence test scores, which means that the class was working up to capacity. The Median or Middle Score for all tests was Fifth Grade, 6 months, and the grade norm was 5-9. Thus, the grade appears to be only three months retarded. The lowest score is again found in arithmetic.

Sixth Grade

Sixth Grade achievement test results were not good, every Median Score being below standard with a

range of 5-2 in geography to 6-8 in science. Examination of previous school history reveals that a large number of these pupils entered school at a very early age and are now probably too immature for the increased demands made upon them by the more difficult subjects of the upper grades. In all probability these students will have increased scholastic difficulty in grades seven and eight.

Seventh Grade

The mental ability of this grade as measured by the Otis Test appears superior with 8 out of 18 ranking superior, 7 normal, and only 3 below normal. These students should do very well scholastically.

Results of achievement tests confirm this expectation for in five of the tests, the Median Scores were better than the grade norm of 7th grade, 9 months, and in none was the score as much as a grade retarded. However, the scores in arithmetic, history and spelling were too far below to be ignored. Remedial work is planned to improve work in these subjects.

Eighth Grade

Achievement test results in eighth grade were very fine, exceeding the grade norm in all tests but literature, geography and spelling. There is evidently a definite need for a more adequate study of geography in this grade. Perhaps the textbooks or other materials are inadequate.

Summary

The intelligence of the children in grades three, five and seven as measured by the Otis Tests given in May 1947, is normal. Only six have mental ability below normal while sixteen scored above normal.

Achievement test results show decided need for improvement in arithmetic and spelling in all grades, and geography in eighth grade.

Three suggested steps to be taken at once are increasing the length of class periods in these subjects, evaluating the textbooks now in use, and considering methods of teaching most likely to secure desired results. The first two steps have been taken to date; the third will be in the near future.

MRS. S. C. VERTS

Mrs. Syd C. Verts, passed away suddenly at her home "The Anchor," in Virginia, on Tuesday, November 4.

Funeral services were held Saturday, November 8, at 11:00 a.m., in the Snover Funeral Home, Palmyra, with interment at Lakeview Memorial Park.

Besides her husband, Capt. Syd C. Verts, the deceased is survived by a daughter, Mrs. Walter Armstrong, of Riverton.

SPECIAL APPEAL

Because of illness, a large family is badly in need of warm clothing which Family Service Council is unable to supply.

Winter coat needed for tall man; leggings and coats needed for girls 7, 8 and 9 years old. Warm blankets also are needed. Good used clothing is welcome and anything you can give will be appreciated.

Phone Riverton 9-0284 or leave clothing at the office, Broad and Main, Riverton

THANKS

We wish to thank our many neighbors and friends for their kind expressions of sympathy, in sending cars, flowers and cards to us in our recent sorrow.

Sincerely,
Helen and Walter Armstrong

WILLIAM B. DORRELL

William B. Dorrell, 701 Washington avenue, Palmyra, died Thursday, November 6, at his late residence. He was 85 years old.

Funeral services were held on Monday, November 10, at 2 p.m., in the Snover Funeral Home, Palmyra. Interment was at Locustwood Cemetery, Haddonfield.

He is survived by a daughter, Mrs. Maxwell Biddle, Palmyra, three grandchildren and four great grandchildren.

ELMER E. MANDERVILLE

Elmer E. Manderville, 207 Melrose avenue, Palmyra, died Saturday, November 8, at West Jersey Hospital. He was 81 years old.

Funeral services were held Monday, November 10, at 8 p.m. in the Snover Funeral Home, Palmyra. The Rev. W. Neal Raver officiated.

Interment was at Naticote, Pa. He is survived by two sons, Arthur Manderville, of Palmyra and Walter Manderville, of Beaver Falls, Pa.

Mr. Manderville served several terms as a member of the Cinnaminson Township Committee.

Ponce de Leon founded the National Guard of Porto Rico. Today it is commanded by General Luis Raul Esteves who was in the same company and class as General Eisenhower at the Military Academy.

SUNDAY DINNER Suggestions

THE first nip of fall is in the air and with the coming of Autumn we see the return of the pumpkin. The title "pumpkin" is applied only to large, round or oval varieties of winter squash having a bright orange color.

Pumpkins were cultivated in the fields long before the coming of Columbus, and the Indians harvested them much in the same way as they are grown and harvested today.

The fruit is eaten much like squash, as a vegetable, and in France made into soup or added to stews. It has been used as food for cattle, but it is in the form of pumpkin pie that it has achieved its highest fame.

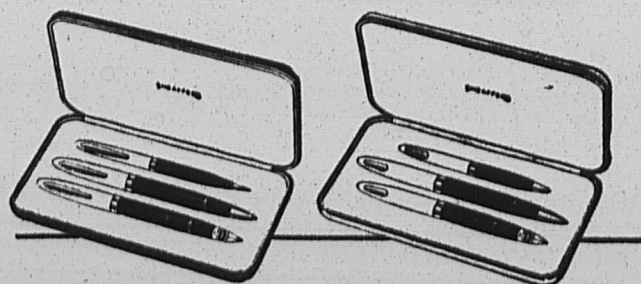

According to the A & P Service for Home-Makers, pumpkin pie should be especially good this year since relaxation of wartime restrictions and the resumption of trade with other parts of the world has once more put spices of all kinds on the shelf.

In making a pumpkin pie try using one teaspoon of cinnamon, one-half teaspoon of nutmeg and one-half teaspoon of ginger added to one and one-half cups of mashed pumpkin.

When you open that pumpkin for the next pie, remember to save the outer shell for the young people!

Halloween is coming soon. For a delicious Sunday dinner try Yankee pot roast, baked potatoes, apple sauce, fresh string beans, sliced pear salad, home-made biscuits and for dessert, pumpkin pie and a beverage.

JUNIOR WOMAN'S CLUB

The Palmyra Junior Woman's Club will entertain the Palmyra Woman's Club, and the Evening Section on Monday evening, November 17, in the Club room, at 8.15.

The Juniors will present Mrs. William J. Heydrick, of Philadelphia, who will speak on "The Art of Living Together." The Sub-Junior, too, will be represented Monday evening. They will furnish the musical part of the program.

Miss Ruth Fry is the hostess for the evening and the two Juniors at the door will be Mrs. William Mack and Miss Eleanor Caprano.

"LADIES IN RETIREMENT"

NOVEMBER 21 AND 22

The Footlight Players, Palmyra and Riverton's little theatre group, will present as their first play since the war years, "Ladies in Retirement," an English mystery play, in the Riverton School auditorium on November 21 and 22. The play involves three sisters and their benefactress, a one time musical comedy actress, in a death struggle to gain security.

The Footlight Players produced before the war "Tovarich," "Fly Away Home," "Dark Victory," "This Thing Called Love," "Personal Appearance" and "Look Who's Here." They also appeared in Pal-

myra High School's production of "On Our Way" and "Listen, Mr. Speaker."

Thus they earned for themselves the right to be called a little community theatre group, and hope to continue to hold the esteem of the tri-borough communities with this their first post war play, and others to follow.

Tickets may now be secured from any member of the group, or by contacting Robert Strahan, president, Riverton 9-0714 or Virginia Miles, Riverton 9-1403-W. Tickets may also be purchased at the door on the evenings of either performance.

Red Cross Meeting

The annual meeting of the Riverton Branch of the American Red Cross will be held at the Porch Club on Wednesday, November 19th, at 2 p.m.

The nominating committee, Mrs. Richard Hollerith, chairman, has proposed the following names for election to office for the year 1947-48.

Mrs. Thomas A. Cashin, chairman. Mrs. Claude J. K. Anderson, vice chairman. Mrs. J. Douglas Clark, vice chairman. Mrs. Edward K. Merrill, treasurer.

Mrs. Gorham P. Sargent, secretary.

All those interested in the Red Cross and its needs of today are cordially invited to attend the meeting.

ARMISTICE DAY PROGRAM

Universal Military Training is as necessary for the present and future of America as is a progressive army. The two, in fact, are inseparable declared Col. Walter D. Fetterly, of New Brunswick, Commander of the 214 Infantry 50th Armored Division of the New Jersey National Guard, at a special Armistice Day program at the Palmyra High School auditorium Tuesday night before a large crowd.

The program was sponsored by the Frederick M. Rodgers American Legion Post 156 that presented the impressive ritual services of the Legion. Taps were blown by the post buglers with a minute of silence in honor of the men who gave their lives in both wars.

The affair was part of the program held in Palmyra High School in observance of American Educational Week. Dr. John B. Geissinger, supervising principal of Palmyra Public Schools; Mrs. Walter Lamon, president of the American Legion post auxiliary; C. Elizabeth McConnell, principal of Palmyra High School, were among the speakers with Al DeMaris, the Legion post chaplain rendering the prayer at the Armistice Day service.

MEMORIAL SERVICE

On Sunday evening, December 7, 8.15, in the high school auditorium, the Frederick M. Rodgers Post 156 American Legion, will hold a memorial service, in honor of the boys from Riverton, Cinnaminson and Palmyra, who gave up their lives in the recent conflict. These boys offered up the last full measure of devotion in defense of their country.

We of the Legion, feel very deeply our debt to these boys, who died on this occasion to the memories of our departed heroes. It is also fitting that this homage be paid on the anniversary of the sneak attack which forced us into a global war. Many of these boys went down at sea without even the benefit of the last funeral rites.

It is also fitting that this homage be paid on the anniversary of the sneak attack which forced us into a global war. Many of these boys went down at sea without even the benefit of the last funeral rites.

The neglect results in some confusion and possibly some who gave up their lives for their country could be ignored through this neglect. Veterans organizations alone cannot accomplish this task. The Legion has compiled the following list and desires to be informed of any name which should be on here and isn't.

LIONS SPEAKER TALKS

ABOUT RACE PREJUDICE

At its weekly dinner meeting last Thursday night, the Palmyra-Riverton Lions Club had as its guest speaker, the Rev. Allen G. Youngblood, Pastor of the Annunciation Lutheran Church of Philadelphia. Rev. Youngblood spoke on the subject of race prejudice, its causes, and what can be done to correct this "evil," with regard to the negroes.

The speaker pointed out some of the factors which breed race prejudice. The lack of recognition of the good things that the negro has contributed to this country throughout its history; the stereotype of him continually presented by the movies, newspapers and radio; the frustration of his efforts to live decently in large cities, are examples of these factors. He traced the course of a typical negro family as it moves up from the South in an attempt to better himself in the larger cities of the North, recounting the difficulties placed in his path which are generally so overwhelming that he is forced into impoverished conditions which produce undesirable results among any class or type of people.

The question before the negro is: What is his place in the "forward march toward liberty and freedom?" He must find the answers and the problem, the speaker added, is that primarily of the white people, since they are responsible for what he is, and the solution lies in the attitude of individuals.

Other officers elected were: J. Vincent Hackett, vice president; Mrs. Francis E. Baker, secretary, and Frederick W. Metzger, treasurer.

At a meeting of the Family Service Council of Riverton and Cinnaminson, held on Tuesday night of this week, David F. Gould was elected president for 1947-48. He succeeds Edwin Ochs who has served most efficiently in that capacity during the past year.

IMPORTANT NOTICE

The New Era will be published early next week on account of the Thanksgiving holiday.

All news and advertising copy must be in by 3 o'clock Monday afternoon in order to insure publication.

Your cooperation will be greatly appreciated.

NEW STOP STREETS

"Stop Street" signs have been placed on both sides of Broad street at the intersection of Morgan avenue, and Palmyra police desire to call to the attention of motorists that these signs mean what they say and that observance of the stop will be enforced.

Joseph Rodgers, Chief of Police, stated that the warnings had been placed at the intersection in order to permit both motorists and pedestrians to cross the railroad tracks with greater facility and safety. He stated that this has not been possible, especially during rush periods, because of the greatly increased volume of traffic on the north side of Broad street.

The cooperation of the motoring public is urgently requested in promoting the success of this safety measure.

LICHENTHAL SPEAKER

AT ROTARY CLUB

Daniel Lichenthal, prominent Burlington county attorney, gave a very interesting discussion on the history of wills at last week's Rotary Club meeting. Mr. Lichenthal traced the development of wills down through history and stated that most wills made in olden times were so worded as to stand probate today. He pointed out the necessity of having good legal talent when making wills and also the advisability of having wills. The discussion was enjoyed by every member.

Next week's meeting on inter-club relations will be led by Don Patterson and the club will have as guests the presidents of six other clubs in Burlington County. These men will discuss their club's activities.

The International Relations Committee under Bob Morrison brought up the matter of sending some food boxes to Scotland and Britain, and a sum equivalent to the making up of seven of these food boxes was received through donations from the men.

LIONS SPEAKER TALKS

ABOUT RACE PREJUDICE

At its weekly dinner meeting last Thursday night, the Palmyra-Riverton Lions Club had as its guest speaker, the Rev. Allen G. Youngblood, Pastor of the Annunciation Lutheran Church of Philadelphia. Rev. Youngblood spoke on the subject of race prejudice, its causes, and what can be done to correct this "evil," with regard to the negroes.

The speaker pointed out some of the factors which breed race prejudice. The lack of recognition of the good things that the negro has contributed to this country throughout its history; the stereotype of him continually presented by the movies, newspapers and radio; the frustration of his efforts to live decently in large cities, are examples of these factors. He traced the course of a typical negro family as it moves up from the South in an attempt to better himself in the larger cities of the North, recounting the difficulties placed in his path which are generally so overwhelming that he is forced into impoverished conditions which produce undesirable results among any class or type of people.

The question before the negro is: What is his place in the "forward march toward liberty and freedom?" He must find the answers and the problem, the speaker added, is that primarily of the white people, since they are responsible for what he is, and the solution lies in the attitude of individuals.

Other officers elected were: J. Vincent Hackett, vice president; Mrs. Francis E. Baker, secretary, and Frederick W. Metzger, treasurer.

DINNER FOR SCHOOL
FOOTBALL TEAM

The annual dinner given by the Palmyra-Riverton Lions Club for the members of the Palmyra High School football team will be held Thursday, December 4, at 7 p.m., in the social hall of Calvary Presbyterian Church.

The affair will be open to the public, but there will be no general sale of tickets, since accommodations are limited. Those desiring to attend must make advance reservations not later than Saturday, November 29, by calling William Cooper, Riverton 9-0986-W. Tickets are \$2.00 per person.

The committee in charge of the event has arranged a splendid program and the guest speaker will be Glenn Killinger, former All-American and now head coach at West Chester State Teachers College.

THANKSGIVING SERVICE

The members and friends of the various churches in Palmyra and Riverton are invited to attend the Union Service at Christ Church, Riverton, at 9 a.m., on Thanksgiving Day to offer their thanks and praise to Almighty God for all of His blessings on us and our nation.

Two choirs will lead the singing under the direction of the choir-master, Amos Heacock.

The Rev. Walter Frieman of Christ Church, Palmyra, was selected by the local ministerium to be this year's preacher.

The free-will offering will be sent to the World Council Service to help the hungry and needy people of the world.

Of all the peoples in the world we have the most for which to be thankful.

"O Praise the Lord, for it is a good thing to sing praises unto our God; yea, a joyful and pleasant thing it is to be thankful."

FRIENDSHIP TRAIN GIFTS

Riverton and Cinnaminson residents and business houses donated the sum of \$170.94 toward the purchase of food for the Friendship Train which left Trenton for New York, on Tuesday of this week.

Robert J. Woods, member of the Cinnaminson Township Committee, who received the contributions and also solicited donations in the two communities with the aid of Officer Thomas Adams stated that the response was excellent. Mr. Woods forwarded a check for the amount to State officials in Trenton on Monday of this week.

Student Council

The fifth meeting of the "Riverton Student Council" was held on Thursday, October 30th.

The meeting was called to order by the president, John Robinson.

The main topic of the meeting was the discussion of the filling of the Christmas stockings for the Four Mile Colony at New Lisbon. The students will contribute money for this project. A jar is to be placed in each room to receive the donations.

Current Events Class

A very unusual current events lesson was enjoyed by the members of Mrs. Bush's seventh grade social studies class.

Bette Lou Harris, a member of the seventh grade class, brought her father's new RCA magnetic "Wire Recorder."

Mr. Groff introduced the lesson by interviewing some of the individual pupils of the group. Mrs. Bush then took up the discussion from there. Mrs. Bush and the pupils then had a lively, educational and instructive question and answer lesson on world events.

Bette Lou operated the new recording device. At the end of the lesson, Bette Lou then adjusted the machine and the class listened to themselves and their teachers. The reproduction was very clear and was enjoyed by the class.

The seventh grade returned to their home room and Mrs. Bush invited the eighth grade and Mrs. Mayer in to hear the recorded voices of her class.

The pupils were bursting with enthusiasm over the recording and also the instrument.

Both the seventh grade and eighth grade are grateful to Mr. Rolland Harris for permitting Bette Lou to bring this new type recorder to school.

We are proud to say it is the first time the seventh and eighth grades of the Riverton School has had such an unusual opportunity and experience.

Thank you, Bette Lou, for bringing the "Wire Recorder" to class.

EHRICH RE-ELECTED

The annual meeting of the Burlington County Chapter, of the National Foundation for Infantile Paralysis, was held last Wednesday evening, at the Riverton Country Club with representatives of the various branches in the county present at the affair.

Dr. Charles L. Ehrlich was re-elected chairman of the organization

for the coming year. He reported that the Chapter is now paying for the treatment of four children from the County, at the Bacharach Home in Atlantic City, at the rate of \$6 per day per child, and that this expense will use up a substantial portion of the current cash balance.

Miss Irma Barto, of Palmyra, told of the fine things done for her during her illness with polio and also of the help she had received from the County Chapter since that time. Others who spoke during the evening included Mayor Edwin C. Clark, of Bordentown; County Clerk Raymond Johnson, and former County Prosecutor Daniel Lichtenhal.

PHYLLIS WHEATLEY P.T.A. GIVES TURKEY DINNER

The Phyllis Wheatley P.T.A. gave its annual Turkey Dinner at School No. 4, last Friday evening.

The auditorium, where the dinner was held, was beautifully arranged. Card tables were used so that a party of four could be together.

Each table had colorful fall flowers in the center and a very pretty cover which draped gracefully on each side of the table. New silver, recently purchased by the organization, added to the attractiveness of the affair.

Floor and table lamps were placed at various positions in the room and with their soft glow, provided a real setting for an enjoyable meal. To add to the enjoyment, several records of Marion Anderson's songs and Tchaikowsky's Symphony No. 6 in B Minor ("Pathetic"), were played by an eighth grade pupil on the recording machine in a room above the auditorium.

Two girls checked the wraps of all of the visitors so that each person could be free while eating.

Many favorable comments were made as to the efficient service rendered also in reference to the organization of the affair.

Officers of the P.T.A. are: Mrs. Malinda Ransom, president; Mrs. Dorothy Houston, secretary, and Mr. Linton Ransom, treasurer.

ABOUT TOWN

Mr. and Mrs. Anthony J. Greco, of Palmyra, spent the latter part of last week at Atlantic City, where Mr. Greco, superintendent of the Riverton-Palmyra Water Co., attended the New Jersey Sectional meeting of the American Water Works Association. Also in attendance were Allen Nixon, mayor of Moorestown; Calvin F. Ellis, Moorestown's water works superintendent; Alonzo Shinn, of Burlington, and E. D. Sheehan, of Camden, the latter two also in charge of water supply for their respective communities. R. L. Tyler, 100 Penn street, Riverton, was a speaker before the assembly.

Final plans have been made for the presentation of "Ladies in Retirement."

OPEN HOUSE AT SCHOOL

The second annual post-war Open House was held in the Palmyra High School on the evening of Armistice Day. Three 20 minute classes were held with parents accompanying their children to the various assigned classes. All phases of the high school were shown including the usual classroom activities, gym, shop, sewing, cooking, art and mechanical drawing.

At the close of the three class periods an assembly program was presented in cooperation with the Frederick M. Rodgers Post, American Legion. Thomas Zimmer, a member of the senior class, acted as chairman, and Joan Griffenberg was in charge of the devotional program.

The High School Orchestra, under the direction of Walter Pew, presented a typical practice period before the assembly and played while the audience was entering the auditorium. Group singing was led by Mrs. Mary B. Laird. Harold Thorn, commander of the local Legion Post, presented the speaker of the meeting, Col. Walter D. Fetterly, of New Brunswick, who made a strong plea for preparation as the best means of preventing future wars. It is estimated that between 700-800 persons were present throughout the evening.

Officers of the P.T.A. are: Mrs. Malinda Ransom, president; Mrs. Dorothy Houston, secretary, and Mr. Linton Ransom, treasurer.

ABOUT TOWN

The Evening Department of the Woman's Club of Palmyra will present Miss Grace Rhoads, of the Society of Friends, on Monday evening, November 24th, at the Club rooms. Miss Rhoads was a delegate to the Women's International League for Peace and Freedom, held in Luxembourg. As a worker for the Friends she spent eleven months abroad at which time she was stationed at Kassel, Germany. Her topic for the meeting will be "Some Women I Met in Europe."

Members are urged to be present for the interesting meeting and are reminded that it is also Guest Night.

Mr. and Mrs. J. Russell Jermon, of Riverton, announce the engagement of their daughter, Doris May, to Mr. Harold J. Rolf, son of Mr. and Mrs. James W. Rolf, of Lawrence, Oklahoma.

CINNAMINSON SCHOOL NEWS

The Cinnaminson Library Council celebrated Book Week with an exhibit and sale of new books. They entertained the Library Council of Cambridge School on Tuesday afternoon for luncheon, followed by showing them the new books. The sixth grade repeated for the visitors their play on their social studies unit, African Pygmies. We are anticipating having Mr. Utley, representative of the Junior Literary Guild, as the speaker for the assembly climaxing Book Week.

The Glee Clubs of both Cinnaminson Schools will sing Friday, November 21, at the high school.

At the close of the P.T.A. drive the school had 180 members enrolled. Miss Charlotte Anderson and her 4th grade class are to be congratulated for having a higher percentage of membership than any other room.

Children of the Cinnaminson School helped speed the Friendship Train on the way to Europe by contributing their pennies to this worthy cause.

To acquaint the children better with the needs of Europe they heard a talk by Mrs. Rebecca Kriebel who has spent the last several years in Europe as a relief worker.

The fourth grade have been studying about the township. The first interest was the Society of Friends. Many interesting facts were learned and a profitable walk was taken to the Meeting House on Branch Pike where Mrs. Charles Evans and Mrs. William Kriebel helped us understand more about the meeting and the Society of Friends.

This developed into a study of early settlers. Interesting stories were written about the food, homes, travel, schools and dress of these settlers.

This week we visited the cabin of Mrs. Charles Evans on Moorestown Road and aided our study with actually seeing many of the things studied in a natural setting. We were happy to have Mrs. George Swain one of our room mothers accompany us.

Last Wednesday afternoon the room mothers and teachers enjoyed a get acquainted tea in the home economics room. Cookies for the occasion were made by the cooking classes. Mrs. Alice Austin, home-economics teacher, was in charge of the tea and she was helped by four of her students: Myrtle Taylor, Nancy Grubb, Marion Markee and Dolores Rubina.

In celebration of National Education Week, the two first grades are making plans for a mothers visiting day. On that day, the mothers will observe a regular day of work, then will be served tea. During the tea the group will discuss their observations of the children's day.

A gay Halloween party was planned by Mrs. Williams first grade to entertain Mrs. Thorn's first grade. After the grand march and games, apples on the stick were served. Room mothers were present and helped the children with their costumes. A happy time was had by all.

The first grades have been discussing school helpers this fall. Several helpers have come in and spoken to the group of their duties.

The children have visited other helpers to observe them at work. Many interesting pictures and stories have resulted from their study and a keener appreciation of their school can be seen developing.

DR. ARNOLD SPEAKS AT TOWN MEETING

Speaking on "Modern Education and School Surveys" before the Riverton November Town Meeting, Dr. William E. Arnold, Professor of Education of the University of Pennsylvania, emphasized the necessity of education for democracy. Children taught to think, to know the truth, and to be able to discover facts as individuals will prevent totalitarianism from ever threatening the American way of life.

Dr. Arnold further stipulated that for a community to have good education for its children, it must be accomplished through active interest by the community, by professional teachers who teach the pupil and not the subject, by good leadership to coordinate and stimulate teaching, by willingness of communities to accept the heavy financial responsibilities that good education costs, and most important that good education entails cooperation of all concerned.

School surveys can be made by the local staff or outside groups, said Dr. Arnold, and are an attempt to evaluate the school and suggest a program for strengthening weaknesses and overall improvement. Surveys are not an investigation, they do not look back and condemn but guide the school administrators in forming their decision.

There are numerous reasons why surveys are conducted and briefly these are: when the local staff does not have time to do so; a new administration desires a thorough analysis; a difference of opinion within the community; an ingrained system which needs a new perspective or a desire for a program leading to general improvement; if problems have multiplied to such an extent that it is advisable in order to solve them, and a desire on the part of the public or the school to build a constructive road ahead.

Boards of Education of schools, said Dr. Arnold, frequently make the mistake of having inadequate publicity so that the public does not know what is being done. It is important to realize that community understanding is necessary and that there is nothing about school administration which needs to be secret.

Dr. Arnold emphasized the necessity of having "professional" teachers who teach the child and understand all the traits of an individual child. Such teachers are not plentiful and are costly. To procure them a school must "bid" for them.

It is encouraging, said Dr. Arnold, that everywhere people are beginning to realize the importance of education in dealing with the problems which face them and are taking an active interest in schools. If this country is to survive, education must be better. Society has grown so complex in the last generations that this places a great responsibility on the individual which he cannot face until he is prepared for it. Education is better than it used to be but falls short of what is needed.

Education takes money. England spends 5 per cent to 6 per cent of its National income on education, Russia spends approximately 15 per cent of its National income on education, but the United States is spending only 1 1/2 per cent of its National income on education.

freedom that exist in the minds of men and women is one that may be designated as "Selective Thanksgiv-

ing." In formulating his blueprint for freedom the Apostle Paul wrote, "The every man give thanks." To be unable to follow this advice is to feel the limitation of partial bondage.

This is an appropriate season of the year to consider the hazards and dangers of selective thanksgiving.

BOY SCOUT NEWS

The various Scout Districts of the Burlington County Council, Boy Scouts of America, are working on plans for the District annual dinner meetings, which will be held in December. Dr. E. Newbold Cooper, Council President, announced.

Edwin A. Russell, Moorestown, chairman of the Mt. Laurel District, appointed the following Nominating Committee, which also has the responsibility of developing the plans for their dinner meeting to be held December 11th: Thomas E. Guerin, Moorestown, chairman; Paul Coffee, William T. Walker, Jr., Walter Salmon and E. J. Haupt, all of Moorestown. Mr. Russell also appointed the following committee to develop plans for the District Rally: Harry P. Salmon, W. Edward Borton, Mr. Haupt, Dr. W. S. Niederhauser, James L. Moore, Jr., and Arthur E. Cox, all of Moorestown.

Harry J. Baldwin, Jr., Riverside, chairman of the Riverfront District Committee, appointed the following committees at a recent meeting of that group, which was held at the home of Henry T. DeHoll, in Riverton: nominating committee, H. A. Thomson, Beverly, chairman; Thompson W. Coe, Riverton, and Ernest A. Paul, Delanco; district annual meeting committee—A. T. Hewlett, Riverton; John C. Noone, Palmyra; Mr. DeHoll, Ralph N. Bishop, Delanco, and Mario Farias, Beverly.

AIR RESERVE MEETING

The regular monthly meeting of the Burlington County Chapter of the Air Reserve Association will be held in the American Legion Home at Riverside on Friday, November 21st, at 8 p.m.

The guest speaker of the evening will be the Commanding Officer of the Fort Dix Air Base; also, some of the officers of his Staff including the Commanding Officer of the Jet Squadron from Fort Dix, have been invited to attend this meeting. These officers will speak about the jet operations at Fort Dix and possibly will have some information regarding the future in Air Reserve activities.

The latest information from the Air Reserve Association's National Convention will be discussed and it is expected that this will include information on important issues.

CAPTAIN JAMES A. HEMPHILL

Services were held for Captain James A. Hemphill, on Wednesday, November 19, at 1:30 p.m., in Lakeview Memorial Park, the Rev. Robert B. Stewart, pastor of Calvary Presbyterian Church officiating. Captain Hemphill was killed during the recent war while on active duty in the United States Army.

LILLEY-CALDWELL

Lieutenant Commander and Mrs. Earl Stevens Caldwell, of Los Angeles, California, announce the marriage of their daughter, Animese L. Caldwell to Lieutenant J. Robert Lilley, son of Mr. and Mrs. A. E. Lilley, of Riverton, at San Antonio, Texas, Friday, November 7, 1947.

The former Miss Caldwell is a graduate of Los Angeles High School, of Chadwick School and Berkley Hall School, of Beverly Hills, California, and of the Taphagen School of Fashion Design, New York City. She is also an accomplished musician. Lieut. Lilley is a graduate of the U. S. Military Academy, West Point, class of '47. He is in the Army Air Corps stationed at Randolph Field, Texas.

LICENSE REVOCATIONS

A total of 925 motorists were removed from the New Jersey drivers' roster during the first ten months of this year for driving while under the influence of intoxicating liquor. Motor Vehicle Commissioner Arthur W. Magee reported this week. It was a 16 per cent increase in license revocations for this cause over the same period of 1946.

Revocations for all causes so far this year numbered 11,784, an increase of nearly 14 per cent. Included in the list were 863 repeaters, or habitual violators who lost their driving privileges for having three or more traffic law convictions. Action under the Financial Responsibility Law was reported against 6,450 operators.

Also listed were 836 parolees who automatically lost their driving privileges when released from confinement.

PALMYRA BOARD OF

EDUCATION MEETING

At the meeting of the Palmyra Board of Education, held last week, Mrs. Agnes S. Miller, of Philadelphia, was elected to fill a kindergarten vacancy for the rest of the school term. Mrs. Miller is a graduate of the University of California, with four years of teaching experience in California and two years in the Canal Zone. She began her duties on Monday, November 17.

A new schedule of pay for substitutes was adopted: \$7 per day for a period of 1-10 days, and \$8 per day for 11-20 consecutive days.

A report was submitted on the results of an Arithmetic Achievement test given to the eighth grade students last June. The score for the grade in Basic Computation was 60th percentile, and in Problem 50th percentile. This means that the achievement of the eighth grade in Arithmetic at the end of the last school term as measured by this test was slightly above average.

A contract for the extension of electrical service to the Agriculture Shop at the rear of the stadium was awarded to Benjamin R. Rietley, low bidder.

A schedule for the use of the gym for the winter months was adopted and with a few adjustments from time to time will be the following:

Mondays — Future Farmers of America, Freshmen and Barons.

Tuesdays — Varsity High School games and Freshmen.

Wednesdays — Tri-Borough League.

Thursdays — Burlington County Friday-High School Varsity.

Saturday afternoons — The Falcons. These requests have been granted in the order of the receipt of letters, with the requirement that no outsiders are to be admitted at any time, that adults are to be present as chaperones, and that lists of members are to be submitted.

AN OPEN LETTER

The Board of Directors and Trustees of the Tri-Borough Community Center, Inc., wish to express their sincere thanks to the Evening Section of the Palmyra Women's Club, for a check in the amount of \$395.00, which was realized from the Community Mart which the Evening Section put on for the benefit of the Center.

The people of our communities should know of the things that organizations in our communities do which benefit everyone, and here is a concrete example of something that the Evening Section of the Palmyra Women's Club has done for the community. The money raised has been ear-

marked for certain improvements around the Center which will go to make the Center a more pleasant meeting place.

Again, may we say to the women who made this affair a success that we sincerely appreciate all of your efforts, and hope that this Community Mart will become an annual affair.

Very truly yours,
R. J. Finney, President
Tri-Borough Community Center

Report from Your Congressman
FRANK A. MATHEWS, JR.

By this time you have read the President's speech to the joint meeting of Congress during the first day of the special session which he called. To your Congressman it was a most disappointing presentation. The President said that the Congress had been convened "to consider two problems of major concern to the citizens of the United States and to the peoples of the world." The first thing he demanded was that Congress appropriate around 600 million dollars in gifts for Europe during the next four and one half months, leaving to the future the great over all Marshall Plan, whatever it is or will turn out to be.

His remarks on the first proposition consisted almost wholly in platitudes, with still not a word as to any policy to be followed by the United States in this great problem of the rehabilitation of the world after the war.

As your Congressman has pointed out time and time again, during the spending of approximately 20 billions of dollars in foreign countries since the end of the shooting, all that money has been poured in without any formulated policy or definite objectives of accomplishment. The only thing we have been and are still told is "spend, spend, spend!" The President still has no plan to offer to the German or Austrian people as to what they can or cannot expect if they get to work. There is no inkling of what we require France, Italy or any other country to do with this money or to accomplish by its spending. The President just says they need it and, therefore, our government must give it to their governments.

He says, "This nation is strong both in material resources and in the spirit of its people. Our economic strength, born of our system of free institutions, has contributed to raising the standard of living the world over. Then he asks us to take steps to curtail and possibly break down that system. Further he says, "The actions of the Government must be of a stature to match the dignity and influence of the United States in world affairs." Yet not a word of policy to be followed to justify those characteristics.

The second proposition was that Congress must abandon our system of free institutions to combat inflation. I quote again from his speech: "Today, inflation stands as an ominous threat to the prosperity we have achieved. *** We already have an alarming degree of inflation. And even more alarming, it is getting worse. *** Even those who are well off are asking, 'How long can it last? When is the break coming?'"

And the astounding fact exists that in his whole speech, he never once refers to any of the causes of the inflation. Your Congressman has been under the impression that the way to cure anything is to treat the causes. That the President did not do. He asked for controls of various kinds to take our economy again out of free enterprise, and put it back into government control, which is the very thing that has ruined Europe generally and under which Great Britain is now struggling in particular.

The causes of the present inflation are: For one thing, the very large spending of the American taxpayers money in Europe, more of which he advocates as the cure for the first problem he presents. And he makes no mention, even in passing, that this step will increase the very inflation which he says must be curbed. Another cause of the inflation is (continued on center page)

CITIZEN AWARD

As a token of appreciation, the Riverton Town Meeting Executive Committee has established the "Riverton Citizen Award," to be presented annually at the December Town Meeting to the citizen who has done the most for the community.

Mr. Alex. B. Garwood, chairman of the Awards Committee is accepting nominations by telephone (Riverton 9-0097), letter, or post card from the people of Riverton.

The first presentation of the Award will be made at this next December Town Meeting, Tuesday, December 16th, at the Riverton School auditorium, following the evening program, guest speakers and discussion on "Transportation Difficulties."

DINNER FOR SCHOOL FOOTBALL TEAM

The annual dinner given by the Palmyra-Riverton Lions Club for the members of the Palmyra High School football team will be held Thursday, December 4, at 7 p.m., in the social hall of Calvary Presbyterian Church.

The affair will be open to the public, but there will be no general sale of tickets, since accommodations are limited. Those desiring to attend must make advance reservations not later than Saturday, November 29, by calling William Cooper, Riverton 9-0986-W. Tickets are \$2.00 per person.

The committee in charge of the event has arranged a splendid program and the guest speaker will be Glenn Killinger, former All-American and now head coach at West Chester State Teachers College.

Danny Menzo, popular sports enthusiast, will be master of ceremonies.

Following the guest speaker, several reels of football movies will be shown.

TRANSPORTATION TO BE DISCUSSED AT MEETING

Continuing its effort to bring information to the people of Riverton, the Town Meeting Executive Committee has chosen "Transportation Difficulties" as its topic for the December Town Meeting to be held on Tuesday, December 16th, at the Riverton School auditorium. Invitations have been issued to Public Service and the Pennsylvania Railroad to have representatives as guest speakers, and who will be able to answer the many questions anticipated in the discussion which will follow.

Poor and inadequate bus and train service has long been an annoyance to all the communities between Trenton and Camden. Perhaps the existing situation is justified, but if it is, information to that effect has never been presented. Commuters have stood in overcrowded and ancient buses, tolerating the inconvenience only through necessity; commuters have watched train service curtailed periodically until now only a minimum of trains serve the communities; and it is now more than timely that some explanation should be forthcoming, followed by a concerted effort for an improvement should the "people want it."

The Executive Committee has been preparing a list of questions to present in advance to the speakers so that they will know what information is desired. Perhaps the people concerned have questions they wish to add to this list, and if they do, they can do so by telephoning to the chairman for the December Town Meeting, Mr. Peter O. Sykora, Riverton 9-1251.

Transportation is a vital problem, not only to Riverton, but also the adjacent communities. For this reason an invitation is extended to Palmyra and Cinnaminson to join Riverton at the Town Meeting.

ANNUAL MEETING LOCAL RED CROSS

The annual meeting and election of officers of the Riverton Branch American Red Cross was held at the Porch Club, Wednesday, November 19th.

The following officers were elected for the year 1947-48:

Mrs. Thomas A. Cashin, chairman.
Mrs. Claude J. K. Anderson, vice chairman.
Mrs. Edward K. Merrill, treasurer.
Mrs. Gorham P. Sargent, secretary.

Mrs. Cashin appointed the following chairmen of corps and committees: Canteen, Mrs. Donald M. Patterson; camp and hospital, Mrs. James H. Barker; disaster relief, Rev. Robert B. Stewart; first aid, Mrs. Stewart A. Borger; home safety program, Mrs. Thomas A. Cashin; home service, Mrs. Charles H. Yost; hospital recreation, Mrs. John W. Junior; Junior Red Cross, Mrs. Charles T. Stewart; motor corps, Mrs. George Lorenz; nurse aide, Mrs. George Bornet; nutrition, Mrs. Luke Eberly; production, Mrs. William A. Hendrickson; surgical dressings, Mrs. Ralph L. Flower; publicity, Mrs. John Douglas Clark; staff assistants, Mrs. Gorham P. Sargent.

Guest speakers were Mrs. E. H. Bennett, executive secretary, Burlington County Chapter; G. F. Hurley, chairman of publicity for Burlington County, and Edward F. Sylvester, special field representative, North Atlantic Area. Mrs. Bennett spoke of the new Blood Donor program which is to be sponsored by the American Red Cross and said that the publicity would be coming out very soon. This is to be a national program and a most beneficial one from a health standpoint.

Mr. Sylvester was active in the field during the recent Maine fires. He told of the feeding, clothing and housing of hundreds of people whose homes, stocks and businesses were completely destroyed by the fire. The fact was brought home forcibly that Red Cross functions in peace time as well as war. It is estimated that the American Red Cross will spend \$1,500,000 in this Maine disaster alone and there are calls from almost every State in the Union at one time or another. The Riverton Branch, therefore, maintains their organization in order to be ready to answer any calls at any time. Tea was served by the canteen committee.

CLOTHING DRIVE

On Wednesday the clothing collection drive in the Riverton community opened successfully with a number of donations. Volunteer workers at the old Riverton Market House expect many contributions of new and used clothing in the drive which closes Wednesday, November 26th.

The store is open from nine to five including Saturday, and volunteers are there during these hours to receive the clothing and to answer questions.

Old Scouts have offered to pick up clothing at the homes of those who are unable to bring in their donation, if a telephone call is made to Riverton 9-0981-R or 9-0097.

A partial list of the volunteers helping with the drive includes: Mrs. Robert Biddle, Miss Barbara Bowen, Mrs. Bennett Bowers, Miss Edith Coale, Mrs. B. R. Coale, Mrs. Maurice Conrow, Miss Henrietta Durborow, Mrs. E. C. Dyer, Mrs. Raymond Hull, Mrs. J. V. Hackett, Mrs. Charles Knight, Mrs. William Kriebel, chairman; Mrs. Richard Lippincott, Mrs. Edwin McVaugh, Mrs. Carl P. Mann, Mrs. Morrell Pardy, Miss Susanna Pardy, Mrs. Victor Ritchard, Mrs. Lindsey Robbins, Mrs. Howard G. Taylor, Jr.

LIONS CLUB DANCE

On Saturday night, December 6, the local Lions Club will hold one of their popular dances in the Riverton Country Club, the affair getting under way at 9 o'clock.

Music will be furnished by a well-known orchestra. Dress is optional. Tickets are \$3.00 per couple and not more than 100 are available.

Those desiring to attend should contact Thomas Cahill, Dr. Hayes B. Brady or Kenneth Housley as early as possible.

THE PORCH CLUB

The program which will follow the December 2 business meeting of the Porch Club, will be in charge of the drama department.

As a curtain raiser, Mrs. Singleton Means will give an amusing monologue entitled, "A Handbag." The play to be given is a comedy, "Sardines," ably coached by Mrs. Means. The cast of characters includes Mrs. Edward W. J. Hunn, Mrs. Edwin Moore, Mrs. Thomas F. Kerns and Mrs. Bennett Bowers. Mrs. F. W. Thacher, Jr., and the drama committee are assisting.

Those pouring tea will be Mrs. J. Claude Anderson and Mrs. Harry L. Rogers.

GOOD FELLOWSHIP CLUB

"It's a Wonderful Life" was the subject of an after dinner speech delivered by Rev. Neal Raver to the Good Fellowship Club of the Presbyterian Church on Friday evening, November 21. Over 100 were in attendance to thoroughly enjoy this typical Raverian talk. A turkey dinner with all the "fixins" was served by the committee, composed of Al and Linda Swain, chairman, Frank and Carol Swain, Howard and Edna Conover, Doctor and Sally Dey, Jim and Dot Davidson, Grandon and Nellie Layton, Russ and Mary Rivers and Howard and Betty Humphries.

sturdy, wearable clothing, clean and mended. It is little extra trouble to see that all fastenings are on, for the recipients will be quite unable to secure hooks or buttons to replace missing ones, said Mrs. William Kriebel, chairman of the drive.

Shoes, new or repaired, answer an especially great need. Galoshes and rubber over-shoes are very acceptable. Women's shoes are wanted at least three inches in width and with heels not over two inches high. Unmended shoes are never sent abroad since those receiving them are unable to get repair materials. Money contributed here along with unmended shoes makes it possible for them to be repaired and sent, however.

Household belongings, including quilts, blankets — even old curtains and slip covers — will be useful gifts; and old linen, towels, sheets and napkins can be torn into strips for badly needed bandages in hospitals. Remnants of flannel or woolen cloth are welcomed, as well as left-over bits of knitting yarn.

Sewing kits, needles, thread and sewing accessories are always in demand.

School Children Help

All of these needs have been brought to the attention of the children in our community through the cooperation of our Riverton School, the Westfield Friends School and the two Cinnaminson schools. The Girl Scouts of the seventh and eighth grades have offered to help with the drive.

Shipment and distribution abroad of the clothing will be handled by the American Friends Service Committee, from its Philadelphia warehouse. This organization is only able to operate because of the donations and help of Americans of many faiths. Distribution is made abroad on the basis of surveys of need without reference to politics or religion, and by agreement with other agencies.

RIVERSIDE GAME

Resuming their traditional rivalry, Palmyra High School's eleven meets the Riverside grid machine on the morning of Thanksgiving Day in the local stadium. The engagement is slated to get under way at 10:30 o'clock and seats are expected to be filled early.

In the series of games which was started in 1929, the locals have won eight, while their opponents have been victorious on seven occasions. One contest ended in a scoreless tie. The Rams took the last game 12-0, in 1944 when the series was discontinued.

Palmyra's record to date shows seven wins and two ties with no reverses. On this basis and the calibre of their opponents the Red and White rules the favorite, but many so-called upset has occurred when these two outfits face each other.

BENEFIT CARD PARTY

Reserve a table for the Town Meeting benefit card party Thursday December 4, at 8:00 p.m., at the residence of Mr. and Mrs. Carvel Sparks, 900 Main Street, Riverton.

Tickets may be purchased from any member of the following committee: Mrs. A. Garwood, Mrs. Walter Guertler, Mrs. J. E. Parker, Mrs. S. G. LeFevre, Mrs. F. C. Huber and Mrs. Carvel Sparks. A prize for every table and refreshments. Please bring cards.

RIVERTON SCHOOL NEWS

Book Week Is Observed
Riverton Public School observed National Book Week from November 16th to 22nd, by having a display of new books in the library. The books were presented to the library by the pupils of each grade.

Nancy Garwood, Reporters' Club
Projector Club
On November 19th, 1947, the Projector Club showed a movie called "Mainline U.S.A.," in the auditorium. This movie was a pictorial story of American railroads, their importance to our national economy, not only as to the nation's principal means of transportation, but as one of its biggest consumers of coal, oil, steel and countless other products of our industries.

Suzanne Gilfillan, Reporters' Club
Four Mile Colony Contribution
The Riverton Public School students are contributing money for Christmas stockings. This is the Thanksgiving offering of the school. The school is planning to use the money for purchasing candy to fill Christmas stockings to send to the Four Mile Colony at New Lisbon.

Nancy Gorman, Reporters' Club
Christmas Stockings
The girls in the home economics classes have been working on the Christmas Stockings for the Four Mile Colony. Some of the eighth grade pupils sewed the stockings on the sewing machines. The fifth grade class is sewing a blanket with around the outside of each stocking. The stockings will be filled with candy purchased with the money collected from the Thanksgiving offering.

Golden Text: "Let not your prophe-
cies and your diviners, that be in the
midst of you, deceive you, neither
hearken to your dreams which ye
cause to be dreamed. For they
prophecy falsely unto you in my

name: I have not sent them, saith
the Lord." (Jer. 23: 8, 9).

Sermon: Passages from the King
James version of the Bible include:

"Beloved, follow not that which is
evil, but that which is good. He that
doeth good is of God." (1st John
1:11) Correlative passages from
"Science and Health with Key to the
Scriptures" by Mary Baker Eddy in-
clude:

"Animal magnetism has no scien-
tific foundation, for God governs all
that is real, harmonious, and eternal,
and His power is neither animal nor
human." (p. 102)

J. H. LIPPINCOTT

John Haines Lippincott, former
owner of the Chalfonte-Haddon Hall
Hotel, died last week at his home,
145 S. North Carolina avenue, At-
lantic City, after a lengthy illness.
He was 79.

A native of Riverton, N. J., he
went to Atlantic City in 1890 and
with the late Henry W. Leeds pur-
chased the hotel. He remained ac-
tive in their management until the
Army took them over in 1942.

Mr. Lippincott was a graduate of
Westfield Friends School and
Swarthmore College. He was en-
gaged in the hardware business in
Philadelphia prior to entering the
hotel field in Atlantic City.

Second Grade Visits Post Office

We went to visit the Riverton
Post Office. Mrs. Haas showed us
how they received the letters, stamp-
ed them and put them into bags for
the trains.

The letters were put into bags ac-
cording to states. She showed us
our own mail boxes. Some of the
boxes were empty because our post-
man was delivering our mail.

Mr. Yearly filled some parcel post
bags. He told us where the different
bags were going. Some were going
across the ocean.

We saw the mail where they keep
the stamps and money.

We saw the boxes for the business
men. They have a key and can get
their own mail.

We enjoyed our trip very much.

Dramatic Club Play

On Friday, November 14, 1947, the
Dramatic Club presented a play en-
titled, "Golden Cornstalk Goes
Home." It was seen by grades one
through four in the morning and
grades five through eight in the af-
ternoon.

The prologue for the play was
written by Dolores Watson.

Everybody enjoyed the play very
much. We want to congratulate the
Dramatic Club for doing such a
splendid job.

Sixth Grade Literature

On Monday, November 10th, the
sixth grade had a very interesting
literature lesson. We discussed the
song "America" written by Rev.
Samuel F. Smith, a Baptist minister.
After we had gone over the song and
had discussed the words and the
meaning of the song, we went to the
visual aids room and saw slides. The

LEAGUE AWARDS

The TriBorough League played
host to 150 boys last Monday eve-
ning at P. O. S. of A. Hall. The
boys enjoyed a full evening of enter-
tainment featured by the presence of
Hal Wagner, local resident, and
catcher for the Detroit Tigers. Mr.
Wagner made the presentations to
the members of the Champion Senior
League Team and the Champion Jun-
ior League Team. The season of
1947 was a banner one for Sacred
Heart, as Sam Devere's Senior boys
copped the pennant in the elder loop,
and Bill Enskat's Junior boys topped
their circuit.

Mr. Wagner also presented certi-
ficates to members of the All Star
Team, and members selected as the
Most Valuable Players. The mem-
bers of the championship teams were
presented with gold baseballs and the
sponsors were presented with hand-
some trophies.

Mr. Baker, president of the league,
and Mr. Easley, trustee of the league
gave interesting talks. The league
was again lauded for his excel-
lent work, and was presented with
a bond as an expression of the
league's appreciation of his services.

The boys thoroughly enjoyed four
reels of football films, and topped off
the evening with excellent refresh-
ments.

Jackson Ferren, as chairman of the
committee, served as toastmaster.

The committee desires to express
its appreciation to Mr. Merkle, in-
structor at Palmyra High School.

Mr. Merkle furnished the necessary
equipment for the showing of the
films, and his showing was perfect.

ABOUT TOWN

 William J. LeCates and family
moved last week from 265 W. Broad
street, Palmyra, to Branch Pike.

 Mr. and Mrs. W. Maynard Bowen
and son, W. Maynard, Jr., of Merion,
Pa., spent Sunday with his parents,
Mr. and Mrs. Walter L. Bowen.

 Mrs. Ida Bunting, of Germantown,
spent last week with her cousin, Miss
Clara Bishop, of Thomas avenue.

 Miss Gretchen Kieckhefer, of Riv-
erton, and Ralph R. Messick, of Beve-
rly, took the leading roles in the
Moorestown Friends School Senior
Class Play, "The Barretts," presented
in the high school auditorium, Fri-
day evening, November 21st.

 Friends of Mr. and Mrs. Maurice
F. Joyce, of Bridgeboro road,
Moorestown, formerly of Riverton,
gave them a surprise housewarming
on Sunday, November 23.

 The Rev. and Mrs. J. E. Turnock,
Jr., of Galatia, Ill., are receiving con-
gratulations on the birth of a son,
John James, named for his great
grand father, on November 17, at
Ferrell Hospital, Eldorado, Ill. The
baby weighed six pounds.

Those Talking Animals in
"BE KIND TO ANIMALS"

 This reckless driver and his companion were speeding crazily
through a thickly populated residential area, endangering the lives of
dozens of people. Fortunately their wild ride ended before they had
involved anyone else. The car went out of control on a medium curve
and slammed into a gasoline pump, hurling its occupants onto the
pavement. The driver was killed; his passenger lived—after many
months in the hospital. Speeding was a reported violation in one out
of every four motor vehicle fatalities last year. Strict enforcement of
speed laws, and aroused public opinion are needed to prevent acci-
dents of this type.

 ket, the effort has been to boost
them.

 The whole speech was of no help
to any of us who want to aid Europe
under a sound policy promulgated
by the United States and to remedy
the causes of inflation.

 On November 13th, I heard most
of the propositions of the President's
speech, but without realizing it until
I heard him make them on Novem-
ber 17th. With the specific excep-
tion of wage ceilings, I heard most
of these propositions from a dele-
gation of a local C.I.O. Union in our
district. Either the President had
informed them what he was propos-
ing before he informed the members
of Congress, or the President propo-
sed most of the C.I.O. program.
More on these vital matters next
week.

How Finger Painting Was Discovered

 Finger painting was originated by
a boy from Italy. He was attending
a nursery school. He was missing
from the room for a period of time.
The teacher went into the bathroom
and found that he had spilled some
iodine on the marble floor. He was
making beautiful pictures on the
floor.

First and Second Grade Visit Dairy

 The pupils of the first and second
grades visited the Millside Dairy
Farm on Tuesday, November 18th,
1947.

 First they went to the recreation
room. Mr. Mitten gave the pupils
chocolate milk. They were then
taken to see the bottles washed and

 capped by machinery. They were
shown how the milk was heated and
bottled. The barn was then visited to see
the cows and calves and where they
slept and ate. They were shown the
silo where their food was kept in
winter.

HEALTH HINTS

 ("Health Hints" is a regular contribution to this paper by The
Medical Society of New Jersey. Questions should be addressed to
the Office of the Society, 315 West State Street, Trenton 8, N. J.)

HEALTH SERVICES FOR OUR SCHOOL CHILDREN

 "MENS Sano in Corpore Sano"—a sound mind in a sound body—
was the ancient Roman formula for a wholesome society. Parents
of New Jersey's present generation of school children may be assured
that even as the schools are training their youngsters' minds, their
bodies are not being neglected.

 First, there is our program of physical education, extending through
all grades of school life and thoughtfully adjusted to the spe-
cial needs of each child's age and physical capacity.

 But even more fundamental is
the school health service. Here a
team comprising the school doctor,
dental hygienist, nurse, school psy-
chiatrist and teacher maintains
constant vigilance against any de-
fect or unwholesome tendency that
threatens to retard or mar the
child's growth and well being.

 As medical science progresses,
its improved methods and deeper
understanding of the human body
and mind are translated into better
health service—better protection
for the school children. An ex-
ample of this continuous improve-
ment is the "Four Point Program
for Better School Health" recently
proposed jointly by The Medical
Society of New Jersey, represent-
ing the State's five thousand prac-
ticing physicians, and the New
Jersey Department of Education,
through its Division of Health,
Safety and Physical Education.

 The four recommendations, now
being acted upon by local boards
of education in many parts of the
State are:

- (1) To abandon the routine,
"mass production" physical exam-
inations still performed in many
schools, in favor of individualized
studies to be given by qualified
- (2) Since few if any school
systems could hope to provide a
really thorough examination for
every child every year, it is pro-
posed to perform such studies on
admission to school and thereafter
in the fourth, eighth and twelfth
grades, as a minimum.
- (3) Each county superintendent
to have available the services of a
staff psychiatrist, who will consult
with teachers and school doctors
whenever necessary, and conduct a
mental health program throughout
the county schools.
- (4) All school teachers and
other adult school personnel coming
into contact with the children, to
be tested for tuberculosis each
year.

 As the Department of Education
has said, this four point plan is "a
basic program. Some of these sug-
gestions will require legislative
action before they become uni-
versal. But there is no reason why
they cannot be adopted in large
measure by voluntary action in
most areas of the State."
 Parents should take an active
part in bringing about these im-
provements in the local schools,—
for the benefit of their young ones.

THANKSGIVING SERVICE

The members and friends of the various churches in Palmyra and Riverton are invited to attend the Union Service at Christ Church, Riverton, at 9 a. m., on Thanksgiving Day to offer their thanks and praise to Almighty God for all of His blessings on us and our nation.

Two choirs will lead the singing under the direction of the choir-master, Amos Heacock.

The Rev. Walter Frieman of Christ Church, Palmyra, was selected by the local ministerium to be this year's preacher.

The free-will offering will be sent to the World Council Service to help the hungry and needy people of the world.

Of all the peoples in the world we have the most for which to be thankful.

"O Praise the Lord, for it is a good thing to sing praises unto our God; yes, a joyful and pleasant thing it is to be thankful."

CHRISTIAN SCIENCE SERVICE

First Church of Christ, Scientist, Riverton, will hold its annual Thanksgiving Day Service at 11 o'clock, Thursday morning in the church edifice at 703 Thomas avenue.

The Thanksgiving Day Proclamation of the President of the United States and a Lesson-Sermon entitled "Thanksgiving" will be read. Golden Text: "O magnify the Lord with me, and let us exalt his name together." (Psalms 34:3) Sermon: Passages from the King James version of the Bible include:

"I will bless the Lord at all times: his praise shall continually be in my mouth. O taste and see that the Lord is good: blessed is the man that trusteth in him. O fear the Lord, ye his saints: for there is no want to them that fear him." (Ps. 34: 1, 8, 9) Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "God is not moved by the breath of praise to do more than He has already done, nor can the infinite do less than bestow all good, since He is unchanging wisdom and Love . . . Are we really grateful for the good

already received?" (p. p. 2, 3)

Following a solo entitled "All that ye need" testimonies appropriate for the occasion will be given by Christian Scientists.

The service will close with the following benediction from the Bible (Psalms): "Blessed be the Lord, who daily loadeth us with benefits. We, Thy people and the sheep of Thy pasture, will give Thee thanks for ever. We will show forth Thy praise to all generations. Amen."

The Rev. Walter Frieman of Christ Church, Palmyra, was selected by the local ministerium to be this year's preacher.

The free-will offering will be sent to the World Council Service to help the hungry and needy people of the world.

Of all the peoples in the world we have the most for which to be thankful.

"O Praise the Lord, for it is a good thing to sing praises unto our God; yes, a joyful and pleasant thing it is to be thankful."

STEEL'S NURSERIES

Palmyra, N. J.
HAS SERVED SOUTH JERSEY FOR MORE THAN A CENTURY

We have a complete stock of landscape materials. If your foundation or other planting is overgrown due to neglect or improper care, let us remove it and replace it with new materials. November and December are excellent months for planting shade trees. Build-are of new homes particularly should plant shade trees as soon as possible. The original cost of shade trees is small compared with what they are worth a few years after planting. Order now for prompt delivery. Estimates on any landscape work are cheerfully given and visitors to the nursery are always welcome.

CALVARY PRESBYTERIAN CHURCH

The Rev. R. B. Stewart, Pastor

Sunday Morning

9:45: All departments of the Church School will meet for instruction in the fundamentals of our faith.

11:00: Divine Worship in the Sanctuary. The Junior choir, directed by Mr. Farrow will render the anthem, "O Jesus, I have Promised." The Calvary choir anthem will be Parker's "The Lord Is My Light." The subject of the fourth and final message on "Barriers to Freedom" will be "The Owner Complex." At this service the Sacrament of Baptism will be administered.

Sunday Evening

6:00: The Junior Group will meet for a half hour of Christian leader-

ship training and expression.

6:30: Junior choir rehearsal will be conducted for children and young people of junior and intermediate age.

7:00: The Intermediate Group will meet for a 45 minute fellowship and study period.

7:30: The Westminster Fellowship group will meet.

The Sacrament of the Lord's Supper

Communion will be observed on Sunday, December 7, at which time new members will be received and welcomed. Those desiring to unite with the Church family should meet with the Session next Sunday morning, November 30, in the Ladies' Parlor, following morning worship. In preparation for the observance

of the Sacrament a service will be held on Friday evening, December 5. The subject of the evening meditation will be "The Man Who Carried The Master's Cross."

The regular monthly meeting of the Session will be held at the Manse on Tuesday evening, December 2, at 8 o'clock.

The Christmas meeting of the Evening Group of the Women's Missionary Society is also scheduled for Tuesday evening at 8 o'clock, at the

home of Mrs. Harry P. Landis, Jr., 901 Columbia avenue. Members of the group should remember to bring their Christmas gifts for the package to be sent to Miss Margaret Field for her Christian mission work in Kentucky.

The Christmas luncheon of the Women's Missionary Society will be held at 1 p.m., Wednesday, December 3, at the Church. Reservations must be made by Monday evening, December 1, by calling Mrs. Kendall, 9-0474, or Mrs. Yerkes, 9-0812. At

the meeting to follow, the special guest, Mrs. Franklin C. McGill, President of Women's Presbyterian Society of the Presbytery of Monmouth will talk briefly on "Goals of Giving in 1948." Members are asked to remember the pieces of material to be sent to the Buchers for their work in China.

Howard Schuck, 500 Seventh street, Riverton is convalescing nicely at home following a recent operation at the West Jersey Hospital.
