59th Year, No. 1

THE NEW ERA, THURSDAY, JANUARY 8, 1948

Warning About Passing School Buses

At a recent meeting of the Cinnaminson Township Board of Education, a resolution was adopted to take a campaign against violators of New Jersey law against passing parked school buses while the buses are loading and unloading school children.

The law reads specifically that: "The driver of a vehicle approaching or overtaking a bus which is being used solely for the transportation of children to and from school and which has stopped for the purpose of receiving or discharging any school child shall stop such vehicle not less than ten feet from such school bus and keep such vehicle stationary until such child has entered said bus or has alighted and reached the side of such highway, provided such is designated as a school bus by one sign on the front and one sign on the rear with each letter on such signs at least four inches in height."

An excerpt of the law has been lettered on the back of all school buses as a warning to highway traffic. Large signs are to be erected at the entrances to Cinnaminson Township on Route 25 as a visible reminder that this law is in force in New Jersey.

Action was prompted by the School Board after some near accidents had been experienced since the start of the school year, through failure of drivers to observe the law.

It is the hope of the School Board that the campaign will familiarize drivers with the law, and previous violators will become conscientious backers to the campaign.

School buses are on the roads carrying school children approximately two hours a day, Monday through Friday, from 7:30 to 8:30 in the morning and from 3:00 to 4:00 in the afternoon. It is the utmost desire of the Cinnaminson Township Board of Education that this campaign will prevent a near accident from becoming a tragedy during 1948.

SEATS FOR ALL IN BUSES NOT FEASIBLE

Replying to the recent request of the Town Meeting Executive Committee for new buses and an increased number of buses on the Riverton-Philadelphia Route (9), H. E. Harper, manager of the Southern Division of Public Service Interstate Transportation Company questioned whether it would ever be feasible financially to increase the number of buses until everyone commuting can sit and not stand to Philadelphia.

"In answer to the second statement that the people expect the number of buses to be increased until everyone commuting can sit and not stand to Philadelphia," the letter read, "I would say that this cannot be physically realized at this time and I question that the public, even in the future, would be willing to pay a rate of fare necessary to make such operation feasible financially."

The executive committee had written Public Service following the dissatisfaction expressed at the recent December Town Meeting, and had requested improved service before an increase in fare rate was justified.

Mr. Harper stated in his letter that the new buses promised will be forthcoming and that delivery is anticipated within the next 30 days.

"We are willing," said Mr. Harper, "to discuss with the Riverton Town Meeting executive committee all matters looking towards the improvement of bus transportation to your community. There are many, many problems confronting us and I trust that we will have your support in seeking an equitable solution."

Members of the Town Meeting executive committee were not satisfied with the answers given by Mr. Harper and have stated that this problem will be discussed at their

BIDS WANTED FOR TRASH COLLECTION

The Borough of Riverton is considering the collection of trash in the community and is advertising for proposals.

The notice to bidders is printed elsewhere in this week's issue of The New Era.

Proposals will be opened Thursday, January 29, at 8 p.m., in the council room, Riverton Fire House.

COALE NEW MAYOR

S. Robinson Coale took the oath of office as Mayor of Riverton, at the organization meeting held January 1. Also inducted into office were Councilmen Carl Mann and Albert C. Farrow.

George T. Becton was elected president of Council.

Mayor Coale succeeds Mayor Nathan Lane who has retired after serving several terms as Councilman and one term as Mayor.

Committee appointments made by Mayor Coale are published elsewhere in this week's issue of The New Era.

ENGAGED

The engagement has been announced of Miss Margaret Jane Heisler, daughter of Mrs. Roy Van Ness Heisler, of Riverton, and the late Mr. Roy Van Ness Heisler, to Mr. Max Finley Carr, of New York City, son of Mr. and Mrs. Ralph Emerson Carr, of Antwerp, Ohio.

Miss Heisler is a graduate of Moorestown Friends' School and Swarthmore College, and for the past year and a half has been in Washington, D. C., and New York City, as the secretary of the Chinese Ambassador to the United States.

Mr. Carr is a graduate of Hicksville High School, studied at Bethany College, W. Va., graduated from Miami University, Oxford, Ohio, and served three and a half years in the Army. He is now studying at the Manhattan School of Music in New York, under the eminent pianist and teacher Mr. Harold Bauer.

The wedding will take place in late spring.

YWCA LUNCHEON AT RIVERTON COUNTRY CLUB

Members and friends of the Burlington County YWCA will attend a luncheon meeting in the Riverton Country Club, Tuesday, January 20, at 1 o'clock and will hear as guest speaker, Besse Howard, well known news analyst and radio commentator.

The luncheon will be the 31st Annual Membership Meeting of the Association. Mrs. G. Elliott Krusen, Delanco, county president, will preside at the business session. Mrs. G. William Collier, Crosswicks, is the chairman of the membership committee.

Members of the Board of Directors of the Burlington County YWCA from the Riverton area include: Mrs. Howard S. Coe, Mrs. John F. Jamison, Mrs. T. Richard Moore, Mrs. Alexander C. Wood, Jr.

BIRTH

Mr. and Mrs. John E. McVaugh, Jr., of Riverton, are being congratulated on the birth of a daughter, Sally Anne, January 5, in Abington Hospital, Abington, Pa. Mrs. McVaugh is the former Miss Isabelle Ewing.

Roy Van Ness Heisler, who has spent the Christmas holidays visiting his family at Main and Midway, Riverton, returned to Harvard College today.

Next meeting in an attempt to determine what can be done. Already the committee has appealed to the Board of Public Utilities requesting aid. They have received a notice that their appeal is under consideration and that an answer will be forthcoming shortly.

Publicity.

Palmyra Appointments

Mayor Charles V. Dickinson was inducted into office in Palmyra Borough Hall on New Year's day, as were the new councilmen, Robert A. Snover and Harold F. Marshall. W. Paul VanSant was elected president of Council.

Appointments announced by Mayor Dickinson are as follows:

Building inspector and zoning officer: W. Harold Thorn.
Health clinic: Miss Carolyn Cook.
Dr. Dean H. LeFavor, John F. Ward.

Local assistance board: Charles K. Mervine, S. S. Buchholz, Joseph L. Stack, Miss Helen Blair and Charles Klemann.

Committee chairmen are as follows:

Finance: Edward W. Fry.
Highway, trees, rubbish, ashes: Robert A. Snover.

Garbage: Paul M. Heisler.
Sewer and disposal plant: Harold F. Marshall.

Buildings: Mr. Marshall.
Ordinances: Mr. VanSant.

Water and lighting: Mr. Heisler.
Parks and recreation: Joseph L. Stack.

Public Property: Mr. VanSant.
Borough hall: Mr. Snover.
Police and fire: Mayor Dickinson.

"FINANCES" SUBJECT FOR NEXT TOWN MEETING

The program for the January Riverton Town Meeting was rapidly formulating following acceptances of A. R. Everson, executive vice president and organizer of the New Jersey Taxpayers Association, and George T. Becton, chairman of the finance committee of the Riverton Borough Council, to be guest speakers. The meeting is to be held at the Riverton School auditorium on January 20th, and will be on the subject of "Tax Money and How It Is Spent."

The New Jersey Taxpayers Association welcomed the opportunity to come to Riverton and on behalf of taxpayers in all parts of the State, give an indication as to where the tax money goes.

Mr. Everson has spent more than a decade and a half as an executive of the New Jersey Taxpayers Association, which he organized. While there are now 36 taxpayers organizations throughout the States, New Jersey's is outstanding. Mr. Everson is a member of the National Research Association, the National Municipal League, the Political Science Society and other national, state and local organizations.

George T. Becton, representing the Riverton Borough Council, also expressed considerable interest in the opportunity of informing the people on how tax money is spent locally. As chairman of the finance committee, Mr. Becton is probably the best informed on the local situation.

Publicity.

ENGAGED

Mr. and Mrs. Paul E. Good, of Riverton, announce the engagement of their daughter, Miss Gladys Jacquelyn Good, and Mr. Ewing H. Miller, II, son of Mrs. Ewing H. Miller, of Toledo, Ohio.

Both are attending the School of Architecture at the University of Pennsylvania.

THE PORCH CLUB MUSIC DEPARTMENT

The Porch Club choral group, under the leadership of Mrs. Cornelius DeBoe, will meet at the Porch Club, January 14th, at 8:00 p.m.

Those who enjoy singing, club members and non-members alike, are welcome.

Miss Joan Montague, of Orange, N. J., formerly of Linden avenue, Riverton, was the house guest of Miss Lillian Strohlein, of Elm Terrace, during the past week.

SCHOOL BOARD HEARING

A public hearing will be held in the Cinnaminson Public School on Monday, January 12, at 7:30 p.m., on the proposed budget for the schools during the period 1948-1949.

The budget will come up for final action at the annual election to be held next month.

Conrow Chairman

At the organization meeting of the Cinnaminson Township Committee held on Friday night of last week, Maurice Conrow, who was re-elected to the Committee last November, was named chairman of the governing body for the current year, a position he has held for a number of years.

Robert J. Woods was appointed chairman of the highway committee and Earle B. Harder was named chairman of the police committee.

All other appointed offices were filled with those who at present hold the various positions.

CENTRAL BAPTIST CHURCH The Rev. S. Dan Morgan Pastor

The "Home-like Church," as Central Baptist is known to be, is in a literal sense, also true. The Bible School is made up of departments and classes to accommodate families of all ages and numbers. Then, in order to make it possible for families to worship at all services, the Alpha Gamma class provides a nursery for small children every Sunday morning during the worship period. Thus families may feel at ease and perfectly at home during all the services.

No time can be more propitious than, at the starting of the new year, families shall decide to accept the opportunity of worship at Central Baptist. There are seldom cases of juvenile delinquency in church going families. You are most cordially invited to the services, Sunday, January 11th.

Bible School, 10:00 a.m.

Adult Men's Bible Class, 10:00 a.m. This class meets in the church auditorium.

Morning Worship, 11:15 a.m. "Can You Cure Fits?" will be the subject of the morning message by the Pastor. The choir will offer a selection as their worship in music.

B.Y.F., 6:45 p.m. This lively and wide-awake group conducts a meeting of helpful discussions in meeting the world of today. If you are not a member, better begin now.

Evening Worship, 7:45 p.m. The Pastor will speak on the question, "How Much Do We Care?" There will be a selection by the choir.

Sunday, January 11th: Central Baptist will conduct a service at Cinnaminson Convalescent Home at 3 p.m. You are invited to participate in this service.

9:45 a.m.: Classes in Bible instruction and discussion for all age groups. The Men's Bible Class and the Semper Fidelis Bible Class meet at this hour.

During the Church School hour on Sunday week, January 18, a service of dedication will be held in the Church School auditorium from 10:30 to 10:50 a.m. At this time the Semper Fidelis Class will present to the Church a portable organ in memory of a former pastor of the Calvary Presbyterian Church, the Reverend Charles T. Bates, who was called to his rest on January 18, 1942. Please accept this notice as an invitation to attend this service of dedication.

11:00 a.m.: Morning worship in the Sanctuary. The Calvary Choir will render the anthem, "The Lord Is Exalted," by West. The subject of the morning message will be "The Nature of the Human Predicament." This will be the first of a series of

MARCH OF DIMES

Dramatic strides toward the conquest of infantile paralysis promise new hope for the health of America's children, it was revealed this week by Mrs. Mervil Haas, local chairman of the 1948 "March of Dimes," which gets under way January 15 and closes January 30.

Termining the past decade "the most critical in the history of the disease in America," Mrs. Haas said that 112,000 cases were recorded in that period.

"Despite this tremendous case load, and despite the severe restriction of operations during the war years, the National Foundation and its chapters assumed the burden of providing for care and treatment for an estimated 88,000 polio victims, and at the same time expanded facilities and developed new methods that guarantee immediate help when polio strikes."

The National Foundation for Infantile Paralysis was founded by the late Franklin D. Roosevelt on January 3, 1938, to "lead, direct and unify the fight against infantile paralysis." It is supported entirely by voluntary contributions to the annual "March of Dimes."

Mrs. Haas pointed out that much of the crippling generally associated with polio is being eliminated by new methods of treatment brought to light in the past 10 years by scientific studies conducted under National Foundation grants.

"Since 1938, funds raised through the 'March of Dimes' have financed research and education projects at 83 institutions covering 29 states. Our aim is to find a preventive or cure for polio, eliminating it entirely as a threat to our children. To that purpose more than \$13,000,000 has been allocated for research and education in the 10-year history of the Foundation," said Chairman Haas.

Rising costs have created a tremendous problem in the fight against disease, as in all other phases of living. "The dime grows smaller in purchasing power every day," Mrs. Haas asserted. "If we are to meet the ascending scale of our obligations we must all give more than ever before to the 'March of Dimes.' Fifty percent of what is collected in Burlington county remains in the county."

related messages setting forth the relevance of the gospel message to the needs of the contemporary generation.

During the morning hour of worship small children will be cared for in the Church Nursery. Eight and nine-year-olds will meet in the Ladies' Parlor during the morning worship hour.

Sunday Evening

In spite of the inclement weather, 60 young people attended the youth group meetings last Sunday evening. If the parents of these young people could match the zeal of their children the walls of the Sanctuary would have to be extended. This evening the Juniors meet at six and the Intermediates at seven o'clock. Junior Choir rehearsal begins at 6:30, for all juniors and intermediates. The Westminster Fellowship meets in the Ladies' Parlor at 7:30.

On Wednesday afternoon at 2:30 the members of the Women's Society meet in the Church School auditorium. An exceptionally fine speaker has been obtained in E. H. Havens, of West Collingswood, who will speak on his favorite subject, "Old Daguerrotypes." He will bring many interesting exhibits, and has requested those who possess "old daguerrotypes" to bring them along. All the ladies of the Calvary Church family and their friends are cordially invited to attend.

The stated monthly meeting of the Church School Council will be held in the Ladies' Parlor on Wednesday evening, January 14, at 7:45 o'clock. All teachers, officers, substitute teachers and sponsors of youth groups should plan to be present.

ABOUT TOWN

Mr. and Mrs. S. L. W. Field, of Riverton, spent the Christmas holiday at the home of their daughter, Mrs. Harold E. Davis, Broadheads, Pa. On Christmas eve their granddaughter, Miss Ruth Anne

Davis, was married to Mr. Joseph George Kestler, of Johnsonburg, Pa.

Miss Lynne Daniels was guest of honor on Saturday, January 3, at a Farewell Party at the home of Miss Gwenn Chambley, 800 Highland avenue. Guests present were: Claire Dennis, Fatsy Wells, Carol Boren, Jean DeHaven, Nancy Shaffer, Carol

Woolson, Faye White, Harriet Ann Campbell, Sally Alcott, Lois Schwarz, Bonnie Daniels, Barbara Lightcap and Mrs. Daniels. Lynne was the recipient of lovely gifts and a Memory Book from the assembled guests.

A Chinese Auction is the main attraction of the January 12th meeting of the Evening Department of the Woman's Club. Members are reminded to bring a package for auction containing wearing apparel, household items, "white elephants," or any usable article that would make interesting bidding. A brief business meeting will precede the auction.

RENDALL-BIDDLE

Miss Laura Biddle, daughter of
the late Mr. and Mrs. Robert Biddle,
24, of Riverton, became the bride
last Saturday of James H. Rendall,
Jr., son of Rev. James H. Rendall
and the late Mrs. Rendall. The
ceremony was solemnized at 4:30
o'clock in the Presbyterian Church,
Edgewater Park, with the bride-

groom's father officiating.

The bride, who was given in mar-
riage by her brother, Robert Biddle,
34, wore her grandmother's wedding
gown. Fashioned of ivory tone sat-
in, the model featured a fitted bodice

laced up the back, with an off-the-
shoulder neckline draped with a
bertha of rose point lace. The

sleeves were short and puffed and
bow of the satin added a finishing
touch at the waistline. The full skirt
ended in a short train. She carried
sweetheart roses arranged in an old-
fashioned bouquet frilled with rose
point lace.

Mrs. Charles L. Johnson, of
Charleston, W. Va., the matron of
honor, and Katherine Jones, of Con-
shohocken, who was maid of honor,
wore dresses of American Beauty
velvet, made with off-the-shoulder

necklines and full skirts.

The bridesmaids, Helen Gordon
MacLeod, of Berwyn; Mrs. Edward
Hudgins, of Richmond, Va.; Mrs.
Richard S. Biddle, of Larchmont, N.
Y.; Mrs. Edward Rendall, of Roch-
ester; Jacqueline Logan and Margo
Moore, of New York; Mrs. Robert
Biddle, 34, and Mrs. Russell, of
Chatham, N. J., wore similar models
of emerald green velvet. All the at-
tendants wore gold bandeaux for
headaddresses and carried old-fashion-
ed bouquets of flowers in shades of
gold.

Sally Hollingsworth Biddle and
Marion Scull Johnson were flower
girls attired in emerald green velvet
frocks. They carried flowers in gold
tones. William Morris Biddle, the
page boy, wore a black velvet suit.

Edward S. Rendall served as best
man and the ushers were Richard
Scull Biddle, Charles L. Johnson,
Bailey Walton, of Baltimore; Gor-
don Bridge, of Hebron, Me.; Henry
S. Reynolds, of Detroit; John H.
Thacher, of Wynnewood; Frank
Bartlett, of Boston; James Erwin, of
Englewood, N. J.; Richard Rensen,
of Garden City, L. I., and John At-
water, of Great Neck, L. I.

A reception at the home of Mr.
and Mrs. Robert Biddle, 34, in Riv-
erton, followed the ceremony.

Funeral services were held in Riv-
erton on January 2, with interment
in Lakeview Memorial Park.

Miss Jane Adams, of Riverton, a
student at Colby Junior College,
New London, N. H., returned last
week after spending the holidays
with her parents, Mr. and Mrs. Rob-
ert G. Adams, Howard street,
Riverton.

know best, are face-to-face with staggering problems. Our
cost of doing business has soared incredibly. We pay 170%
more for the lumber we use. Our coal costs have skyrock-
eted 101%. We are meeting payrolls and wage taxes that
are 75% higher. Steel rails have boomed a solid 54%. These
are only a few examples of what has happened since 1939
—the last normal prewar year — to almost every single item
we need to maintain our required service and safety.

And even with our expenses at the highest levels in his-
tory, that is only part of the story!

THE TAX BURDEN IMPOSED ON THE RAILROADS
OF NEW JERSEY IS STAGGERING. IT IS HEAVIER,
BY FAR, THAN IN ANY OTHER STATE.

And in the face of all that, our rates, rigidly controlled
by law, have not been allowed to keep pace with the price
increases of other commodities and services.

It all adds up to this: In New Jersey, railroads are
forced to spend in excess of what they earn in this state just to
keep operating — to say nothing of meeting costs of new
equipment and better service.

It isn't a healthy situation for an individual, or for a
business. It's your problem, too, because these are your
railroads. So, when the talk gets around to railroads, as it
frequently does, remember these facts. Fairness and an
open mind are just what the railroads need—in your interest.

ON THE
RAILROAD

How many railroads operate in New Jersey?

You're correct if your answer is fourteen . . .
that's right, 14 lines operate throughout our great
state. What's more, eight of these railroads run
trunk lines to all parts of the nation. More than
1000 passenger trains and 300 freight trains op-
erate within the state every day, on the most con-
centrated trackage per square mile in the country.

These are some of the facts contributing to the
diversified industrial might of New Jersey. With
more than 200 classifications of skilled labor, our
state ranks sixth in the country in total value of
manufactured products.

Public Service Electric and Gas Company, public
servant of a great state, commands the railroad
industry on its accomplishments and its plans
for continued growth.

BIDS WANTED

Sealed proposals for collection of rubbish and ashes in the Borough of Riverton, Burlington County, New Jersey, and the disposal thereof, will be received by the Borough Council at the fire house in said Borough on January 29, 1948, at eight o'clock in the evening, at which time they will be publicly opened and read.

All proposals must be submitted on the form prepared therefor, which can be obtained from the Borough Clerk, Daniel M. Clifton, 504 Main Street, Riverton, New Jersey. Proposals must be addressed to Daniel M. Clifton, Borough Clerk, Riverton, New Jersey, and enclosed in a sealed envelope marked on the outside "Proposal for Collection of Rubbish and Ashes." Each proposal must be accompanied by a certified check drawn to the order of the Borough in an amount equal to at least 10% of the total amount of the bid, or a bid bond in the amount of the bid.

The successful bidder, after the contract is awarded, will be required to furnish a satisfactory surety bond in the full amount of the contract price to guarantee the fulfillment of the conditions of his contract.

The right is reserved to postpone the awarding of the contract to the successful bidder for a period not exceeding sixty days after January 29, 1948.

The right is reserved to reject any or all bids.

Daniel M. Clifton,
Borough Clerk.

CINNAMINSON SCHOOL NEWS

The Christmas theme has dominated the activities at the Cinnamonson School during December.

An assembly was given December 16th for the elementary grade children by Mrs. Florence Price and her second grade class. Included in the program were poems recited by Kathleen Brown, Sue Kapus, Florence and Loretta Byerley.

The first issue of the Star Reporter, Cinnamonson School Newspaper, was distributed on Friday, December 18th. This special issue contained news of all the grades, much original literary work by students, and featured a group of Christmas poems written by different grades. Nancy Grubb and Rodney Coolbaugh are co-editors of the paper. Ethel T. Parker and Mary E. Laning are faculty advisors.

The annual Christmas program was presented for parents on Thursday evening, December 18. A group from each class was chosen to take part in one of the combined choirs. These groups then made up the primary, intermediate and elementary choirs. Joan Smith and Hubert Hauck acted as trumpeters and appropriate Christmas stories were given by Betty Mutschler, Phyllis Tims, Hilda Gorman, Nancy Grubb, Robert Grant, Earle Harder, Rita Moore and Virginia Jeffries.

The children and teachers greatly appreciated being treated to a Christmas party on Friday, December 19, by the P.T.A. Santa Claus dropped in to see the boys and girls. Refreshments were served to help make it a "Merry Christmas" party.

PORCH CLUB

It was, indeed, a pleasure to see such a large and appreciative audience out to hear Miss Cooper on January 6. All those present enjoyed the interesting and beautiful display of, and talk on antique jewelry.

Members are reminded to call Mrs. Gorham P. Sargent and be one of those making up a table at the "just for fun, no charge" dessert bridge, January 20, 1:30 p.m., at the Club. Please bring to this affair your "white elephant" for the sale to be held, also, on this date.

The literature group, and those interested, will meet and discuss "House Divided" and "The Silver Nutmeg," at Miss Mary Freeman's, Wednesday, January 21, 2 p.m.

CINNAMINSON HOME NEWS

Although Christmas at the Cinnamonson Home was inevitably saddened by the passing of Miss Carrie Garrison, for many years its superintendent, the occasion was pervaded by the Christmas spirit. Patients, staff, and managers cooperated in carrying on and making this Christmas one to be remembered with deep satisfaction, which is the way Miss Garrison would have liked to have it. Through the generosity of a friend of the hospital, gifts were provided for each patient and every one had a personal gift.

On December 18, the staff entertained the members of the board of managers at a most attractive Christmas tea. The house was festively decorated with greens, and lighted candles in appropriate holders produced the incomparable atmosphere of hospitality that candles do. Delicious refreshments were served, and the whole occasion was a reminder that the place where it was being held is indeed a home.

At a luncheon December 24, at the Moorestown Community House, Mrs. William G. Porter, president of the board of managers, accepted for the Cinnamonson Home the very generous gifts presented by the Rotary Club and the Y's Men of Moorestown. These included a radio

and a mouth-watering supply of apples and oranges, for which the Home is exceedingly grateful.

To the Needlework Guild branches of Riverton, Palmyra, Beverly, Moorestown and Haddonfield, go grateful acknowledgments of the much needed and useful articles provided by them, and to the two troops of Girl Scouts of Palmyra for their gifts of food. The Riverton Pastry Shop and the pupils of Moorestown High School are also among those to whom the Home extends its thanks for substantial gifts.

During this interim period the duties of superintendent of the Home are being carried out by Miss Sarah H. Spencer, of Moorestown, who has taken temporary charge on other occasions and is familiar with the organization.

POLICE CAR DAMAGED

While on patrol Friday morning, January 2, at 3:10 a.m., in the neighborhood of Front and Linden, during a heavy rain the Riverton police car was involved in a minor accident. The driver, Sergeant Robinson, sighted a truck on Front street, 200 feet east of Linden. It was apparent that two men were stealing cordwood from a near-by lot. The men sighting the headlights of the police car hurried off towards Thomas avenue with the truck.

The police car gave chase. Four partly loaded logs had fallen across Front street and before the car

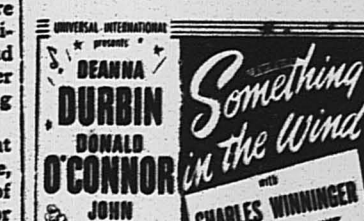

could be brought to a halt a collision was inevitable due to the icy roads. One of the logs pierced the grill and the radiator while another was jammed under the left front wheel. Fifteen to twenty minutes was necessary to untangle these logs. The officer did not contact the Palmyra police for fear a short-circuit might ruin the radio equipment and this gave the offenders a chance to escape.

PUBLIC SERVICE
WILL GIVE DISCOUNT

Following negotiations initiated by
the State Board of Public Utility
Commissioners, Public Service is
giving a discount of 3 1/2 per cent
on bills to be rendered in the regular
course during January covering one
month's use of electric service from
December 1947 meter readings at the
residential service rate. This dis-
count is a saving of more than \$1-
250,000 to Public Service electric cus-
tomers throughout the state. The
amount of the discount to each cus-
tomer will be clearly indicated in the
January bill.

This saving of more than \$1,250-
000 to Public Service electric resi-
dential consumers is in addition to
more than twenty millions of dollars
of reductions which have been made
by the company since 1935.

Bank Branch Approved

At a special meeting held Tuesday, January 13, the stockholders of the Cinnaminson Bank and Trust Co., unanimously endorsed the proposed action of the board of directors to establish a branch bank in Palmyra and also authorized an increase in the capital stock of the bank from \$100,000 to \$200,000.

In addition to the usual annual 3% cash dividend paid in 1947, a stock dividend of 50% was approved.

Dr. Charles S. Mills, president of the bank, reported at the meeting that the action of the board of directors was undertaken only after a complete survey of the three local communities. This survey, he stated, revealed that the business and residential growth in Palmyra and Cinnaminson warranted and justified additional banking facilities and that the Cinnaminson Bank and Trust Co. is the logical banking institution to service these communities.

The president also reported that the Commissioner and Department of Banking and Insurance of New Jersey, had been most courteous and cooperative, together with the local committee composed of citizens from Palmyra and Cinnaminson.

The proposed bank will be established in the building now being constructed at Broad and Garfield, Palmyra and it is expected that the opening will take place about May 1. At the annual meeting of the stockholders of the bank held the same day all present directors were re-elected and present officers were re-appointed by the board.

ASKS SUPPORT FOR
MARCH OF DIMES

Palmyra, N. J., January 12, 1948
To the People of Palmyra, Riverton and Cinnaminson:

Dear Friends:
Now that the annual March of Dimes campaign is in progress, I wish to thank again those of you who have contributed in the past.

It is over three years since I had polio, but, as yet, I am not able to be self-supporting. Nevertheless rehabilitation expenses still go on. Fortunately, March of Dimes is paying these expenses for me, thanks to YOUR contributions.

March of Dimes also is paying doctor bills and hospital bills for many others who are still in need of medical care, even though they had polio several years ago. Among these are several from this vicinity.

This means that the Burlington County Chapter of the National Foundation for Infantile Paralysis is under heavy expense in order to relieve polio victims of a large financial burden.

I regret my inability to express my thanks adequately for this very important aid.

Sincerely,
Irma C. Barto.

PALMYRA VETERANS'
HOUSING APPLICATIONS

A meeting of the Palmyra Borough Veterans' Housing Committee was held at the Borough Hall, on Thursday evening, January 8th, and set the closing date for receiving applications for the Veterans' Housing project as Noon, January 31st, 1948. All applications are to be filed with George Spencer, Borough Clerk, on or before that date. Applications received after that date will not be considered.

APPLICATION DENIED

At the meeting of the Cinnaminson Township Committee held on Tuesday night of this week, the formal application of Chester DeShields for a license to open a package liquor store in East Riverton was denied.

The applicant was advised that the existing ordinance makes no provision for the granting of such a license and that several similar applications have been denied in the past.

PORCH CLUB

Members are reminded to call Mrs. Gorham P. Sargent and be one of those making up a table at the "just for fun, no charge" dessert bridge, January 20, 1:30 p.m., at the Club.

The literature group, and those interested, will meet and discuss "House Divided" and "The Silver Nutmeg," at Miss Mary Freeland's, Wednesday, January 21, 2 p.m.

Traffic Light Project

At the meeting of Riverton Borough Council held January 8, it was decided to request the State Highway Department to install a traffic control light at the intersection of Route 25 and Riverton-Moorestown Road. This is the only entrance and exit for Route 25 from Riverton. The intersection is very hazardous for crossing traffic due to poor visibility and the offset nature of the crossing. Increasing truck traffic from the south to the north and returning has made the intersection very dangerous. There is no traffic light on Route 25 between Cove Road in Merchantville and Burlington-Mt. Holly road intersection at Burlington and an automatically operating light at this intersection would provide a traffic break which would relieve other intersections nearby.

Cinnaminson Township Schools No. 2 and No. 4, Westfield Friends School, Moorestown Friends School, and Sacred Heart Parochial School, are all served by buses which must use this intersection. The buses are about 37 feet long and carry approximately 30 children each trip. The island in the center of Route 25 is narrow and affords no protection to a bus crossing at this point.

Letters have been received from the above mentioned schools indicating approximately 1500 school-child crossings daily in buses in addition to those in private cars. Others cross on bicycles and on foot.

A resolution has been passed by both Riverton Council and Cinnaminson Township Committee requesting Spencer Miller, Jr., Commissioner of State Highways to give consideration to the installation of a traffic light at this intersection now. Mayor S. R. Coale has appointed Councilmen Charles V. Coward and Albert Farrow a committee to represent Riverton and Committee Chairman Maurice Conover has agreed to serve with Committee Chairman Hylton to represent Cinnaminson Township in a similar capacity. These two committees will be ably assisted by Senator Arthur Lewis and Assemblyman Albert McCay in the presentation of all facts concerning this problem to Commissioner Miller at a meeting to be held in Trenton at the earliest possible date.

Petitions are now being circulated by many civic-minded residents of our communities requesting signatures of as many interested persons as possible.

Cooperating with the Cinnaminson Township Committee is their Safety Patrol, under the guiding hand of Mr. Buchla. Moorestown residents are being contacted by Charles Bidde, III.

Assisting Riverton Council Committee with petitions is the following citizens committee with Mrs. Carval Sparks acting as chairman: Mrs. George Bishop, Mrs. L. Burhoe, Mrs. Thomas A. Cashin, Mrs. Robert Coale, Mrs. Gilbert Coe, Mrs. Charles W. Coward, Mrs. Everett Dyer, John Ford, Police Chief William Gootte, Willard A. Hammond, Dr. T. C. Huber, Mrs. John Jamison, Joseph Keating, Lawrence Keating, Mrs. C. Singleton Meers, Mrs. Edwin Ochs, Mrs. Sharpless Ritchie, Sgt. John Robinson, Mrs. Harry C. Schering, Mrs. W. P. Shoemaker, III, Mr. and Mrs. P. O. Sykora, Mrs. Delmar P. Thompson, Mr. and Mrs. Roger Thompson, Emerson Wolfshmidt.

MARCH OF DIMES

The 1948 "March of Dimes" got off to a whirlwind start today in Riverton. Mrs. Mervil Haas, local chairman, said as the fund-raising drive marking the 10th anniversary of the National Foundation for Infantile Paralysis opened nationally.

"This year as never before," Mrs. Haas said, "Riverton is going all out in the drive for funds to care for infantile paralysis patients. From today through January 30, every man, woman and child will have the opportunity to share in combating a dread disease which for the past five years has hit the country with the greatest severity ever witnessed in history."

"The 1948 'March of Dimes' is in full swing throughout the nation. And it is up to everyone of us to do our utmost to put this campaign for funds for polio victims over the top," Mrs. Haas declared. "Treatment of infantile paralysis is costly. One case alone may require up to \$10,000 a year. That's far more than nine out of ten people can afford. With each and every one of us doing our share, putting our dimes and dollars on the line, during these two weeks, should infantile paralysis strike in Riverton during the coming summer, there will be enough to pay the bills for whomever may be attacked."

Judging by the enthusiasm shown by the citizens of Riverton, I feel confident that the 1948 'March of Dimes' will go down in history as a bright page of community endeavor, written by men and women, boys and girls leagued against a treacherous foe in a great drama of human kindness."

Co-chairmen: Mrs. Mervil E. Haas and Robert Thomas.

Committee: Dr. J. B. Geisinger, Rev. William Quinn, Frank E. Groff, Miss Irma Barto, Mrs. C. Edward Smith, Mrs. L. Arthur Hoyt, Mrs. Ethel Parker, Mrs. Eleanor Phillips, Mrs. Emory Bowers.

Treasurer: Howard Conover.
Publicity: Miss Mary Malone, F. W. Metzger.

TOWN MEETING

With the designation of T. R. Taylor to speak for the Riverton Board of Education at the January Town Meeting, the Town Meeting executive committee completely formulated its program on Taxation.

Mr. Taylor, long a member of the Board of Education and known for his active participation in community affairs, is well acquainted with the Riverton School Budget and his talk promises to be of interest and great value.

The Town Meeting executive committee has extended an invitation to all the Riverton people to attend the meeting to be held at the Riverton School auditorium on Tuesday, January 20th. The subject of the guest speakers will be "How tax money is spent." Other guest speakers will be A. R. Everson, executive vice president and organizer of the New Jersey Taxpayers Association, and George T. Becton, chairman of the finance committee and president of the Riverton Borough Council.

The January Town Meeting, the fourth since the revival of the original Riverton Town Meeting last October, will give Riverton people a better opportunity to understand how tax money is spent in the community, in the county, and in the State. The program was arranged in recognition of the fact that people have little, if any, understanding of the tax situation, and because of a growing interest by the Riverton people in community affairs.

Mr. Everson of the New Jersey Taxpayers Association will speak as a representative of taxpayers throughout the State. He is the organizer of the Association and an active member of other similar associations.

Publicity.

Bank Branch Approved

At a special meeting held Tuesday, January 13, the stockholders of the Cinnaminson Bank and Trust Co. unanimously endorsed the proposed action of the board of directors to establish a branch bank in Palmyra and also authorized an increase in the capital stock of the bank from \$100,000 to \$200,000.

In addition to the usual annual 3% cash dividend paid in 1947, a stock dividend of 50% was approved.

Dr. Charles S. Mills, president of the bank, reported at the meeting that the action of the board of directors was undertaken only after a complete survey of the three local communities. This survey, he stated, revealed that the business and residential growth in Palmyra and Cinnaminson warranted and justified additional banking facilities and that the Cinnaminson Bank and Trust Co. is the logical banking institution to service these communities.

The president also reported that the Commissioner and Department of Banking and Insurance of New Jersey, had been most courteous and cooperative, together with the local committee composed of citizens from Palmyra and Cinnaminson.

The proposed bank will be established in the building now being constructed at Broad and Garfield, Palmyra and it is expected that the opening will take place about May 1. At the annual meeting of the stockholders of the bank held the same day all present directors were re-elected and present officers were re-appointed by the board.

ASKS SUPPORT FOR
MARCH OF DIMES

Palmyra, N. J., January 12, 1948
To the People of Palmyra, Riverton and Cinnaminson:

Dear Friends:
Now that the annual March of Dimes campaign is in progress, I wish to thank again those of you who have contributed in the past. It is over three years since I had polio, but, as yet, I am not able to be self-supporting. Nevertheless rehabilitation expenses still go on. Fortunately, March of Dimes is paying these expenses for me, thanks to YOUR contributions.

March of Dimes also is paying doctor bills and hospital bills for many others who are still in need of medical care, even though they had polio several years ago. Among these are several from this vicinity.

This means that the Burlington County Chapter of the National Foundation for Infantile Paralysis is under heavy expense in order to relieve polio victims of a large financial burden.

I regret my inability to express my thanks adequately for this very important aid.

Sincerely,
Irma C. Barto.

PALMYRA VETERANS'
HOUSING APPLICATIONS

A meeting of the Palmyra Borough Veterans' Housing Committee was held at the Borough Hall, on Thursday evening, January 8th, and set the closing date for receiving applications for the Veterans' Housing project as Noon, January 31st, 1948. All applications are to be filed with George Spencer, Borough Clerk, on or before that date. Applications received after that date will not be considered.

APPLICATION DENIED

At the meeting of the Cinnaminson Township Committee held on Tuesday night of this week, the formal application of Chester Deshields for a license to open a package liquor store in East Riverton was denied.

The applicant was advised that the existing ordinance makes no provision for the granting of such a license and that several similar applications have been denied in the past.

Raver Senate Chaplain

Rev. W. Neal Raver, pastor of the Epworth Methodist Church, Palmyra, will be the Chaplain of the N. J. Senate for 1948, according to an announcement made by State Senator Arthur W. Lewis.

Rev. Raver came to Palmyra in 1943, after holding a pastorate in Long Branch. He is a graduate of Lafayette and took his graduate degree at Drew University, Methodist Theological Seminary. He attended grade school in Haddon Heights and high school in Red Bank.

He is the son of the Rev. W. Rollin Raver, pastor of Hamilton Methodist Church, Trenton. The new chaplain lives with his wife, the former Thelma Mae Baker, of Atlantic City, and their two children, Nancy, 11, and Patay, six, at the parsonage, Fifth and Morgan avenue, Palmyra.

PORCH CLUB

Members are reminded to call Mrs. Gorham P. Sargent and be one of those making up a table at the "just for fun, no charge" dessert bridge, January 20, 1:30 p.m., at the Club. The literature group, and those interested, will meet and discuss "House Divided" and "The Silver Nutmeg," at Miss Mary Freedland's, Wednesday, January 21, 2 p.m.

Traffic Light Project

At the meeting of Riverton Borough Council held January 8, it was decided to request the State Highway Department to install a traffic control light at the intersection of Route 25 and Riverton-Moorestown Road. This is the only entrance to the intersection from Riverton. The intersection is very hazardous for crossing traffic due to poor visibility and the offset nature of the crossing. Increasing truck traffic from the south to the north and turning has made the intersection very dangerous. There is no traffic share, putting our dimes and dollars on the line during these two weeks, Riverton during the coming summer, there will be enough to pay the bills for whomsoever may be attacked.

"Judging by the enthusiasm shown by the citizens of Riverton, I feel confident that the 1948 'March of Dimes' will go down in history as a bright page of community endeavor, written by men and women, boys and girls leagued against a treacherous foe in a great drama of human kindness."

Co-chairmen: Mrs. Mervil E. Haas and Robert Thomas.
Committee: Dr. J. B. Geisinger, Rev. William Quinn, Frank E. Groff, Miss Irma Barto, Mrs. C. Edward Smith, Mrs. L. Arthur Hoyt, Mrs. Ethel Parker, Mrs. Eleanor Phillips, Mrs. Emory Bowers.

Treasurer: Howard Conover.
Publicity: Miss Mary Malone, F. W. Metzger.

MARCH OF DIMES

The 1948 "March of Dimes" got off to a whirlwind start today in Riverton. Mrs. Mervil Haas, local chairman, said as the fund-raising drive marking the 10th anniversary of the National Foundation for Infantile Paralysis opened nationally. "This year as never before," Mrs. Haas said, "Riverton is going all out in the drive for funds to care for infantile paralysis patients. From today through January 30, every man, woman and child will have the opportunity to share in combating a dread disease which for the past five years has hit the country with the greatest severity ever witnessed in history."

"The 1948 'March of Dimes' is in full swing throughout the nation. And it is up to everyone of us to do our utmost to put this campaign for funds for polio victims over the top," Mrs. Haas declared. "Treatment of infantile paralysis is costly. One case alone may require up to \$10,000 a year. That's far more than nine out of ten people can afford. With share, putting our dimes and dollars on the line during these two weeks, Riverton during the coming summer, there will be enough to pay the bills for whomsoever may be attacked."

"Judging by the enthusiasm shown by the citizens of Riverton, I feel confident that the 1948 'March of Dimes' will go down in history as a bright page of community endeavor, written by men and women, boys and girls leagued against a treacherous foe in a great drama of human kindness."

Co-chairmen: Mrs. Mervil E. Haas and Robert Thomas.

Treasurer: Howard Conover.
Publicity: Miss Mary Malone, F. W. Metzger.

TOWN MEETING

With the designation of T. R. Taylor to speak for the Riverton Board of Education at the January Town Meeting, the Town Meeting executive committee completely formulated its program on Taxation. Mr. Taylor, long a member of the Board of Education and known for his active participation in community affairs, is well acquainted with Riverton School Budget and his talk promises to be of interest and great value.

The Town Meeting executive committee has extended an invitation to all the Riverton people to attend the meeting to be held at the Riverton School Auditorium on Tuesday, January 20th. The subject of the guest speakers will be "How tax money is spent." Other guest speakers will be A. R. Everson, executive vice president and organizer of the New Jersey Taxpayers Association, and George T. Becton, chairman of the finance committee and president of the Riverton Borough Council.

The January Town Meeting, the fourth since the revival of the original Riverton Town Meeting last October, will give Riverton people a better opportunity to understand how tax money is spent in the community, in the county, and in the State. The program was arranged in recognition of the fact that people have little, if any, understanding of the tax situation, and because of a growing interest by the Riverton people in community affairs.

Mr. Everson of the New Jersey Taxpayers Association will be a representative of taxpayers throughout the State. He is the organizer of the Association and an active member of other similar associations.

ROTARY CLUB NEWS
Rotarians last week were reminded of how little most of us know about this great country when they viewed the Standard Oil Company's colored sound film "Louisiana." The pictures of the great timber, fishing, sulphur, cane sugar and cotton industries were a revelation to those who

J. Finney, Cliff Johnson, Robert Morrison, Charles Stewart and Herbert Blesam.

Complying with the request of the Town Meeting Organization, President Alfred Gilmore appointed Benjamin Adams to represent Rotary on the Town Meeting executive committee. Mr. Gilmore also appointed Robert C. Adams chairman of the nominating committee, with Howard Conover and Walter Lamon, to present a slate of officers and directors for the Club year 1948-49.

LADIES' NIGHT PROGRAM
AT LOCAL LIONS CLUB

The Palmyra-Riverton Lions Club held its semi-annual Ladies' Night at a banquet given last Thursday evening in the basement of the Presbyterian Church. The occasion was in celebration of three years active organization as a local service club. The original charter was granted to the present Lions Club January 9th, 1945. The club secretary, William Cooper, Jr., acted as toastmaster.

The speaker for the evening was Mrs. E. Newbold Cooper, of Moorestown, executive secretary of the Moorestown Family Welfare Association. Mrs. Cooper spoke of her experiences in family welfare work in and about Moorestown. The speaker stressed the importance of such work in communities like ours in reducing juvenile delinquency and of diminishing the growing number of divorces, through personal counsel and friendly advice.

Albert McKelroy, District Governor, delivered a short address and presented a membership key to Dr. J. Rowland Dey. Other guest officials from the Lions organization included Mr. Clarence Richardson, Deputy District Governor, and Mr. Wilbert Lockey, Cabinet Secretary-Treasurer.

Delightful entertainment was provided by Miss Dorothy Fech, who sang several songs. Miss Fech was accompanied by Mrs. Mildred Achley Burdge, who played several solo selections. Mrs. Burdge is first pianist with the Piano Symphony Orchestra.

RIVERTON
SCHOOL
NOTES

School Curriculum

The subjects in the curriculum of the Riverton Elementary School are those which are prescribed and recommended by the State Department of Education and taught in most modern educational systems in the nation. For administrative convenience the school is divided into the lower school, comprising grades one to four and the upper school, consisting of grades five to eight.

In the upper school the children are in class for 315 minutes a day. Of this time 70 minutes or approximately 22% of the class time is devoted to the study of English and literature; 67 minutes or about 21% of the day is spent studying history, geography and science; 45 minutes

or about 15% of the time to arithmetic; 33 minutes or about 10% of the class day is allowed for art work, shop or domestic science; 20 minutes or about 6% of the time is spent on spelling; 16 minutes or approximately 5% of the class time to music; 12 minutes or 4% of the day to penmanship; 12 minutes or 4% of the time taking physical education; 15 minutes or about 5% of the classroom time to supervised study, giving help to various pupils; the remaining 25 minutes or 8% of the class day is divided for some days of the week the students have clubs, and other days assembly or safety patrol meetings. Then too in this 25 minutes the children have time for their opening exercises and time out to drink milk and eat pretzels about 10:00 o'clock each morning.

The children of the upper school do not get instruction in music, art, domestic science, shop or physical education every day but on stated times during the week. Therefore the small amount of time indicated above on a per day basis represents the average time when a whole week is considered.

RIVERTON P.T.A. WILL
HOLD FATHERS NIGHT

The Annual Fathers Night Meeting of the Riverton Parent-Teachers Association will be held Wednesday, January 21, at 8:00 p.m., in the school auditorium.

Ora E. Mullenax will be the guest

speaker for the evening. Mr. Mullenax, who is a Special Agent from Federal Bureau of Investigation, Newark, N. J., has chosen as his subject "Juvenile Control."

Mr. Mullenax will discuss F.B.I. generally and its activities, stressing "Juvenile Control." He will provide a period subsequent to his talk for any questions the parents may have. Open house will start at 7:30 p.m. Come early and visit your child's classroom.

Entertainment will be given by a chorus made up of Riverton Fathers. We urge mothers, fathers and friends to come out to this meeting. Give this interesting speaker a fine audience.

Refreshments will be served. Publicity.

NOTICE

The office hours of Dr. John C. Whitaker, 402 Lippincott avenue, Riverton, effective immediately, will be 10:00 to 12:00 a.m. and 6:30 to 8:30 p.m., except Thursday. Sundays and other hours by appointment only.

Ever row a boat against the tide?

AGAINST THE TIDE... and wind? You bend your back to the oars... work as hard as you can. But you don't move ahead... you actually slip back.

That's exactly what is happening in New Jersey. At year's-end we're worse off than when we started because every year our New Jersey tax bill is more than our total earnings in the State itself... and in the past 12 years taxes have been TWICE AS MUCH as earnings!

In New Jersey the railroads bear a tax burden far heavier than they do in any other state. In 1946—latest figures available—railroad taxes in New Jersey were \$2.99¢ for every mile of track. Compare this with \$1.71¢ per mile... the tax of New York, next highest state! The average for the 17 northeastern states is \$86¢.

On top of this staggering tax load, we face tremendously increased costs—the same as other industries. In your own business you're probably able to do something about it: such as increasing prices enough to cover costs and show a profit. You might wonder why railroads haven't done the same thing.

The answer is, they can't.

Passenger and freight rates are rigidly controlled by law. In no case have we been permitted to adjust them to anywhere near the increases of other services and commodities.

Any business would consider this situation intolerable. Only by a fair approach to the entire TAX problem can your railroads hope to give you the kind of transportation New Jersey needs for continued prosperity.

JOHN FLYNN

John Flynn, a resident for many years of Riverton, died very suddenly of a heart attack on Monday, January 5th. He was 52. Mr. Flynn and his family have been making their home in New York City the past year, having lived in Jacksonville, Florida, prior to that.

Mr. Flynn was the son of Mrs. Mary Flynn, 403 Thomas avenue. He served in the first world war and was honored with a full military funeral, with a High Requiem Mass at the Guardian Angel Church, New York City.

He leaves a widow, Mrs. Mary P. Flynn, and seven children, Mrs. Dorothy Hartman, Richard Flynn, Lawrence, James, Patricia, Margaret and Dolores; also a brother, Joseph Flynn, and a sister Mrs. Christopher Davis. Interment was made in the National Cemetery, Farmingdale, Long Island, N. Y.

TO HONOR MARINES

Palmyra and Riverton residents will pay a salute to the U. S. Marines from this area in a program to be held in observance of the new Citizen Marine Corps Reserve that will

be held in the Palmyra High School Auditorium Tuesday, at 8:15 p.m. The entire week praises of an appreciative nation will be paid to its wartime leathernecks.

The local program will be under the auspices of Frederick M. Rodgers American Legion Post 155. The Marines from this area who served in the recent conflict will have seats in a special section.

Action films taken by U. S. Marine photographers during the various Pacific engagements will be shown to the gathering including movies entitled "The Invasion of Iwo Jima," "Operation Crossroads" and an Atom Bomb film.

Telephone Service to fit Today's needs!

• The wide-range local calling area now extended to all customers recognizes the increasing business and social interests uniting nearby communities.
• All 5c toll charges were eliminated between points in New Jersey where such a charge previously applied. Now everyone has the convenience of what was formerly classified as "extended area service."
• Providing this service for all our customers is an important step in making your telephone service faster and more useful.

Riverton Local Calling Area
Now includes 17,000 Telephones—an increase of 14,000 for those who did not have "extended area" service.

ABOUT TOWN

William J. Steen, of Riverton, a member of the C. J. Pearson Philadelphia Agency of the Bankers Life Company, of Des Moines, was one of 24 salesmen from 16 of the company's agencies who were in attendance at the senior sales training school at the home office in Des Moines from January 5 through 9. The school third in the company's series of four for its agents, was under the supervision of the sales training division.

Orlan R. Kennedy, Special Agent of the F. B. I., will be at the annual Fathers Night of the Junior Women's Club, January 19. Mr. Kennedy highlights the evening's program with a general discussion of the F. B. I. and its activities.

To round out the evening Eileen Rae, of Palmyra, will entertain with her violin.

CENTRAL BAPTIST CHURCH

The Rev. S. Dan Morgan, Pastor

Another class was inaugurated in the Bible School last Sunday. Its members will comprise many of the World War II Veterans, although not confined to Veterans alone. The members of the class and the school have been privileged to have as the teacher of the class, Franklin S. Riley, who is now making his home in Palmyra, and who is one of the latest members of the Palmyra High School faculty. All men of the vet-

ern age are invited to become affiliated with this class.

Services at "Central Baptist," Sunday, January 18th:

Bible School, 10:00 a.m.

Adult Men's Bible Class, 10:00 a.m.

Morning Worship, 11:15 a.m.: The pulpit will be occupied at this service by Rev. John A. Sweetman, of Norwich, Conn. The choir has selected, "Consider and Hear Me," by Wooler, as their contribution to the worship in music, and Miss Anne McConnell, soprano, will be the soloist of the morning.

Jr. B. Y. F., 5:45 p.m.: Donald Hoyt will be in charge of the meeting.

B.Y.F., 6:45 p.m.: The meeting of the Young People's Fellowship is held in the Sunday School auditorium.

Evening Worship, 7:45 p.m.: The worship period will be in charge of the Baptist Young People. They will have to bring the message of the evening, Dan Morgan. The worship period will be concluded with the Ordinance of Baptism when a class of ten candidates will enter the baptismal waters.

To encourage this group, a large attendance at this service is desired. Come out and bring your friends.

Calendar of the week:

The Annual Business meeting and Election of Officers will be held on Wednesday evening, January 21st, to which every member of the church is invited. Dinner will be served in the social hall at 6:30 o'clock and all who can attend are asked to return the card they have received so preparations can be satisfactorily arranged.

Report from Your Congressman

FRANK A. MATHEWS, JR.

Following up the report last week on the alleged fiscal policy contained in the President's speech on the State of the Union, let us look a little further into the effects of doing what the President wants Congress to do.

So far as your Congressman knows there are only two things a government can do with your money taken from you by taxation, if that government is in debt. Those two things are to either spend it, or repay all or part of its debt. If the government has no debt then it can only do one thing with your money—spend it.

Now it is obvious that whatever the amount of revenue from taxes may be, the more the government spends of that revenue the less it has to apply to the payment of the public debt, and it is further obvious, that the more the government takes away from you in taxes to spend the way it wants to spend, the less money you are going to have to spend yourself the way you want to spend it.

If, as the President himself has several times said, inflation is increased by the increased amount of money you, the individual taxpayer, have to spend, how can the inflation help but be increased by the amount the government itself spends? So it would appear that, so far as inflation is concerned, it doesn't make any difference whether you spend the money or the government spends it. Yet, as a matter of fact, it is apt to increase inflation more if the government spends it than if you do, for the reason that the government, by taking small amounts from each of us, draws a large amount into the hands of one spender, the government and allows the government to throw that large amount or great portions of it in particular places at particular times, thus having a greater inflationary effect upon those commodities for which it spends your money.

When the government goes into the commodity markets with huge sums of your money to buy wheat or other food commodities for shipments outside of the United States, the price of your food jumps considerably. If you spend your money for the same amount of food, this money would be spread all over the country and the food used to offset the demand within the country and thus have a lesser inflationary effect.

That is the way your Congressman sees it. If you doubt the accuracy of his observation, please ask your banker or any other expert in money matters, and if he says your Congressman is wrong, then please let your Congressman know why, because he is very anxious to be corrected.

TAX RATE REDUCED

A number of local residents who have summer homes in Ocean City were pleased to learn that the local tax rate for 1948 has been REDUCED 20 cents, according to a statement made this week.

BIRTH

Mr. and Mrs. Harry Paul, of Cinnaminson street, Riverton, are receiving congratulations on the birth of a son, Harry Vincent, on Sunday, January 18, at the Zurbrugg Hospital, Riverside.

We know you have been hoping the "Ball Bags" of the Riverton Yacht Club would have another barn dance. We are happy to tell you the plans have been completed. The date is Friday, February 6, at 8:30 p.m. The place Christ Church Parish House. Come out and have a good time. Admission 50 cents.

1948 FUND CAMPAIGN

The quota for Burlington County Chapter, American Red Cross, in the 1948 Fund Campaign will be \$56,400, Miss Alice Jones, of Mount Holly, the Chapter chairman, announced this week.

This year's drive to be held from March 1 to 31, will be under the direction of Mrs. Ralph W. Haines, of Vincentown, who was recently appointed fund chairman. She is busy organizing a committee and expects to appoint the chairmen for the six county zones in the near future.

The increase over the 1947 quota of \$45,000 was attributed by Miss Jones to an extension of the Red Cross program for the coming year. She mentioned a need for funds to maintain traditional services to veterans and their families at peak efficiency, for replenishment of Red Cross disaster budget and support of the new national free blood program.

School Candidates

With the date for filing petitions for member of the Board of Education expiring this week, a number of candidates have signified their intentions of running for election in Riverton.

The terms of W. Brooks Evert, Thomas R. Taylor and Mrs. Morris DeCoursey expire this year. Of these, Mr. Evert will be the only candidate for re-election.

Others who filed for the three vacancies include: Phillip T. Flach, A. H. Zayotli, Jr., Mrs. William A. Burton, Mrs. J. E. Parker, William J. Steen and Howard Yerkes.

With seven candidates in the field, officials expect a large vote at the election next month.

LOCAL WOMEN ELECTED TO Y. W. C. A. BOARD

Mrs. Charles Miller Biddle, III, and Mrs. John Jamison were elected Tuesday to the board of directors of the County YWCA for terms of three years.

Attending the membership meeting and luncheon, held at the Riverton Country Club, 150 members and friends of the YWCA heard Besse Mrs. G. Elliott Krusen, Delanco, president of the Association, chaired the business meeting. Five women were elected as new members to the board of directors and nine members were re-elected.

The Association loses this year the leadership on the board of Mrs. Howard S. Coe. She will continue to serve as YW representative on the Tri-Borough Youth Council and to serve on county committees.

Special recognition was given at the membership meeting to Y-Teen advisors who invest time weekly in working with teen-agers in this vital club program. Activities of the Palmyra Y-Teen club for whom Peggy Ryan serves as advisor, are presented in the mimeographed report of the county Y-Teen program. Lorraine Smith is the president of the club.

CINNAMINSON TOWNSHIP BUDGET NOTICE

The proposed budget for Cinnaminson Township is published in full in this week's issue of The New Era. The budget, which was approved by the Township Committee on Tuesday of this week will come up for public hearing on Tuesday, February 10, at 8 o'clock, in the Cinnaminson Public School.

APPLICATIONS FOR VETS' HOUSING IN PALMYRA

Veterans interested in applying for one of the Veterans' Housing units are reminded that all applications must be filed with George Spencer, Borough Clerk of the Borough of Palmyra, on or before noon, January 31st, 1948. Applications received after that date will not be considered.

Riverton School Budget Statement

The proposed 1948-49 budget of the Riverton Board of Education calls for a total expenditure of \$69,670, a reduction of \$660 from the budget for the current school year. Although increases are provided for several items in the budget, totaling \$1830, savings will be effected in other items to the amount of \$2490. The principal item for which extra money will be needed is maintenance of the building. Extensive painting is contemplated, both inside and outside, and minor carpentry jobs are in debt service. The major reduction is in debt service. The last payment was made this year on the old bonds and the principal in the new bonds reduced to \$24,000. The payment on this account for next year will be \$3,000, plus \$950 interest.

Increased state aid and the above mentioned decrease in the budget total make possible the reduction of the amount to be raised by local taxes by \$5316.91. Although taxes are not officially computed until the county authorities have fixed the total assessment figures late in March, it appears likely that there will be a reduction of from 15c to 20c in the local school tax rate.

RIVERTON PUBLIC SCHOOL CURRICULUM

The lower school, consisting of grades one to four inclusive, attend school for 305 minutes a day. Most of this time is spent in activity and reading work. In the first three grades the classes are divided within themselves into small groups of children whose reading ability is approximately equal. These groups progress at various rates and as children improve they are moved in a higher group; if they fall behind, they may be dropped into the group which is following at a slower rate.

Below is a summary of approximate amount of time these subjects spend per day on various subjects and activities. There are 305 minutes in the school day.

Subject or Activity	Time in minutes	Per Cent of Day
Reading and English	85	28
Arithmetic	35	11
Number work	35	11
History, Geography and Science	35	11
Art and Handwork	35	11
Music and Rhythms	35	11
Spelling	20	7
Writing	15	5
Rest Period	10	3
Opening exercises and dismissal	15	5

The children in the beginning grades study more about their environment and this is considered above as science. The boys and girls of the third and fourth grades start history and geography. These subjects tie in closely with their reading, but in analyzing the time spent, each must be considered separately.

IN MEMORIAM

The Board of Managers of the Cinnaminson Home record with deep regret the death of Miss Carrie M. Garrison, past superintendent, who died on December 21, 1947.

She was always loyal, always cheerful, and with a great sense of humor, giving of herself both physically and spiritually to all those with whom she came in contact. In her earlier years she was a missionary to China, thus revealing her love for suffering humanity. Those who have known her through the years particularly appreciated her work and think of her with affection.

It can well be said of her "Be thou faithful unto death and I will give thee a crown of life."

DOG TAGS AVAILABLE

Dog tags and registrations for 1948 can be obtained at the office of the Riverton Borough Clerk, Daniel M. Clifton, 504 Main street.

The registration fee required by law is \$1.25 and it is required that all dogs be registered by February 1.

TOWN MEETING

Taxation and the municipal and school budgets were the subjects of discussion at the last Riverton Town Meeting. Thomas R. Taylor told about this year's school budget and a proposed plan now before Gov. Driscoll for increased state aid.

George T. Beeton gave details about this year's municipal budget at its present stage of development. A. R. Everson, representing the New Jersey Taxpayers Association, complimented the previous speakers for their frankness and pointed out where revisions to broaden the present tax base are not as simple as they appear. Townspeople were urged to attend the school budget hearing on Monday, January 26, at the Riverton school, the municipal budget hearing for which no date has been set, and to vote in the school board elections on February 10, also at the school.

POLICE SOLVE ROBBERY

When Mr. and Mrs. Thompson W. Coe, of 207 Main street, Riverton, noticed that personal objects and small sums of money were disappearing from their home, Mr. Coe appealed to Sergeant John Robinson for help. Their suspicions of a new maid were told to him but no definite evidence could be given to confirm their view point.

With this information Sgt. Robinson laid a plan of carefully noting the serial numbers of some dollar bills, which were then left for the maid to take next day. After the following day, when she was apprehended by Robinson who found her to possess, not only the identifiable bills but personal jewelry of her employer as well. Faced with this convincing evidence a confession and return of all articles and cash previously stolen was obtained. Thus the case was recorded, solved and settled, before Recorder Bottinger, in less than 24 hours.

Mr. and Mrs. Coe are to be commended for their alertness in reporting the case promptly to the police for solution. The Riverton Police Department is efficient and capable. It is available at all hours and stands ready to serve the citizens of the Borough to the full extent of the law.

PALMYRA SCHOOL BUDGET

The new proposed budget of the Palmyra Board of Education calls for a total expenditure of \$242,171.97, an increase of \$16,414.20 over the total for the 1947-48 term. Major items to be increased as a result of higher costs are textbooks, general supplies, janitors' supplies and replacement of equipment.

Teachers' salaries will be increased as called for in the salary schedule. A new item not appearing in previous budgets is rental of space for kindergarten purposes. This is a result of the greatly increased enrollment in the lower grades. A room in the Bethany Lutheran Church was rented for the current term but this cost was not included in the budget. A greater expenditure will have to be made next year, both for facilities and an additional teacher, because of increased enrollment.

Savings will be effected in several items, principally in bonds and interest. The final payment was made on January 6, on the indebtedness for the high school building and the Palmyra Board of Education is entirely out of debt.

Sewage Disposal Conference Asked

Riverton Borough Council has written to the Borough Council of Palmyra asking that body to give serious consideration to a joint sewage disposal project for the two communities and to appoint a committee to confer with Riverton officials in the near future.

Recent surveys, it is stated, have shown that the construction and operation of such a disposal plant would be most advantageous to both communities.

Major changes are necessary in the Palmyra plant and Riverton has no disposal facilities at present. By combining in necessary construction it is believed that the taxpayers of both boroughs would benefit materially through substantial savings.

AID MARCH OF DIMES

The infantile paralysis rate among adult groups has been gradually increasing in recent years, according to figures compiled by the National Foundation for Infantile Paralysis. It was revealed here today by Mrs. Mervil Haas, local chairman of the school board elections on February 10, also at the school.

Mrs. Haas labeled as a "gross misconception" the common impression that polio strikes only among the very young.

"Fully one-fifth of the thousands of cases aided by the National Foundation for Infantile Paralysis in the past 10 years have involved persons 15 years of age and older," Mrs. Haas said. "Many of these patients are in the prime of life, and their handicap becomes an almost insurmountable obstacle to their wage-earning capacity."

While children are undoubtedly much more susceptible to the disease than adults, Mrs. Haas pointed out that there is "no guarantee of immunity to older folks."

"When polio strikes, it hits indiscriminately among the old and young, the rich and the poor, and we must be prepared to help anyone, anywhere, who falls prey to this crippling disease."

The annual "March of Dimes" assures the best available care and treatment for all polio victims, regardless of age, race, religion or financial status.

GEORGE A. SCHIRMER

George A. Schirmer, of 616 Washington avenue, East Riverton, died Tuesday, January 18.

Funeral services will be held on Friday, January 23, at Saint John's Lutheran Church, Spinnerstown, N. J.

Interment will be in St. John's Cemetery, Spinnerstown.

He is survived by his wife, Jennie, three daughters Mrs. Elizabeth Jordan, of Tyner, N. C., Mrs. Georgiana Ogden, of Florence, Johanna Schirmer, of E. Riverton, one son Carl, of E. Riverton, three sisters, Mrs. Agnes Irwin, of Riverside, N. J., Mrs. E. Condon, of Glenellen, Pa., Minnie Schirmer, of Center Square, Pa., and one brother Joseph of Center Square.

Q—What are the names of the present members of the Board and when will their terms expire?

A—W. Brooks Evert, February, 1948.

NEW JERSEY

Doctor
of Chemistry...Doctor
of Industry...Doctor
of the Home...

Chemicals have played a major part in the development of medicine... in the progress of industry... in improved living standards for your home. Did you know that New Jersey produces over \$200,000,000* worth of chemicals a year? In fact, New Jersey is first in the dollar value of chemical products in the U. S. A.

There are 13,061 neighbors of yours employed in this great New Jersey industry. With annual payrolls totaling more than \$34,000,000, chemical companies form one of the strongest chains in product diversification in the state. They manufacture life-saving drugs, vital industrial compounds, and many of the household chemicals you use in your home.

There are good reasons why the chemical industry operates in New Jersey. With such advantages as excellent transportation facilities, skilled workers, proximity to major markets, and plentiful supplies of raw materials, it's no wonder that this great state stands sixth in the nation in total value of manufactured products.

Public Service Electric and Gas Company, public servant of a great state, commends the chemical industry and anticipates its continued growth.

TOWNSHIP OF CINNAMINSON

Notice of Public Sale
of Real Estate

PUBLIC NOTICE IS HEREBY GIVEN

that The Township of Cinnaminson in the County of Burlington, State of New Jersey, on

TUESDAY, FEBRUARY 4, 1948, at eight o'clock in the evening, in the Cinnaminson Public School, situate on the Moorestown-Riverton Road at the intersection of the Pomona Road, in the Township of Cinnaminson, in the County of Burlington, State of New Jersey, will sell at public auction, upon the terms of sale hereinafter set forth, but not for less than the minimum price of \$650.00.

ALL that certain tract or parcel of land situate in the said Township of Cinnaminson on the Southeast side of Barnard Street, and extending from S. Warrington Avenue Eastwardly to S. Snowden Avenue, and having a depth of 150 feet Southwardly from the Southeast side of Barnard Street, comprising Lots Nos. 19, 21, 23, 25, 27, and 29, in Section 14, as shown on Map of Charles E. Price's Extension of Riverton) to be sold and conveyed subject to the following conditions: (a) that no trailer or trailers shall be located on the said tract or parcel of land or any part thereof and used for dwelling purposes, and (b) that no business or industry of such nature as to cause any nuisance shall ever be conducted or operated on the said tract or parcel of land or any part thereof.

TERMS OF SALE

The said tract or parcel of land will be sold upon the following terms:

(1) The property will be sold to the highest bidder, but not for less than the minimum price hereinafter mentioned, and no bid of less than such minimum price will be received.

(2) The purchaser shall, immediately upon the acceptance of his bid, pay 20% of the amount thereof in cash to the Township; and in the event of the failure of the bidder to make such payment, the property will immediately be again offered for sale as if such bid had not been made.

(3) The balance of the amount of the accepted bid or purchase price shall be paid in cash by the purchaser to the Township Treasurer; and upon receipt of such payment, the Township will deliver to the purchaser a deed of bargain and sale conveying the property in fee simple.

(4) The title conveyed by the Township to the purchaser shall be subject to all reservations, conditions and restrictions contained in prior deeds of record and applying to or in anywise affecting the premises; and shall be free and clear of all taxes, assessments and other municipal liens down to the date of the deed of conveyance from the Township to the purchaser.

(5) In the event that the purchaser should fail or refuse to pay the balance of the purchase price and accept a deed of conveyance in accordance with the terms of sale, the property shall be resold (with or without a fixed minimum price, as the Township Committee may deem advisable); and if, at such subsequent sale, the property shall be sold for less than the original price, the deficiency shall be deducted from the payment made by the first purchaser and shall be retained by the Township.

By Order of the Township Committee of the Township of Cinnaminson in the County of Burlington.

HAROLD R. WEST, Township Clerk.

CENTRAL BAPTIST CHURCH
The Rev. S. Dan Morgan
Pastor

"Central Baptist" enjoyed a most impressive evening last Sunday when the Baptist Youth Fellowship conducted the service. The youth choir of nearly 30 voices, with their quartette, rendered a program of worshipful music which was thoroughly appreciated by the large congregation. The order of service, most carefully planned, was very fittingly concluded with the Ordinance of Baptism conferred by Pastor Morgan on eleven of the members of the B. Y. F.

"Central Baptist" has a welcome for any who are desirous of a church

home, and cordially invites all to worship.

Services, Sunday, January 25th Bible School, 10:00 a.m.: For the instruction and edification in Bible study for all ages. There is always a class and place for you.

Adult Men's Bible Class, 10:00 a.m.: A very interesting class for adults which meets in the church auditorium.

Morning Worship, 11:15 a.m.: Rev. Emil D. Gruen, a graduate of the Eastern Baptist Seminary, in Philadelphia, and a field representative of the American Board of Mission to the Jew, with headquarters in New York City, will occupy the pulpit this Sunday morning. The worship in music will be the anthem by the choir, "Gloria in Excelsis," by Mozart and a duet by Mrs. Arthur L. Gowell, soprano and Mrs. Lawrence Schweizer, alto.

Jr. B. Y. F., 6:45 p.m.: This group is under the sponsorship of the Senior group and is under the direction of Donald Hoyt.

Sr. B. Y. F., 6:45 p.m.: Meeting in the Sunday School auditorium. Evening Worship, 7:45 p.m.: Pastor Morgan will have as the subject of the evening message, "The Precious Things." There will be a selected anthem by the choir.

Word was received on January 22, from Cornell University, to the effect that Palmyra High School has been placed on its preferred list of approved high schools for the next five years. This approval is granted on the basis of standards of the high school and success of its graduates in college.

This is the fifth of a series of advertisements to acquaint the citizens of New Jersey with problems faced by their railroads. In your own self-interest you should know these facts.

Is your tax bill bigger than
your paycheck?

OURS IS. And how! New Jersey taxes alone take away everything railroads earn in the State—and then some!

It's only right that a railroad should pay for the privilege of doing business within a State. But, when you have to pay more than you earn in that State... that's something else again!

There's the fix the railroads are in. In the past twelve years they have been forced to pay in New Jersey taxes more than twice as much as they earned in the State!

No state wants to see the railroads in an unsound, unhealthy condition. New Jersey least of all. Yet taxes in New Jersey, per mile of track, are higher than any other State, incredibly higher! Actually 3½ times that of the 17 north-eastern states, whose average is \$860... New Jersey's is \$2,996!

Knowing that the prosperity of New Jersey depends on sound, healthy transportation, wouldn't you say that railroads are entitled to a down-to-earth approach to the entire tax problem?

CHRISTIAN SCIENCE CHURCH

First Church of Christ, Scientist
Thomas Ave. at Seventh St.

"Truth" is the subject for Sunday, January 25.
Golden Text: "Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth." (1 Tim. 2:15)

Sermon: passages from the King James version of the Bible include: "All the paths of the Lord are mercy and truth unto such as keep his covenant and his testimonies. The secret of the Lord is with them that fear him; and he will shew them his covenant." (Psalms 25:10, 14)
Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "The testimony of the corporeal senses cannot inform us what is real and what is delusive, but the revelations of Christian Science unlock the treasures of Truth. . . . Man understands spiritual existence in proportion as his treasures of Truth and Love are enlarged." (p.p. 70, 265)

render the anthem, "Cherubim Song" by Bottmansky. A baritone solo, "Beside the Still Waters," will be rendered by Herbert Vetterman. Our fine Junior Choir, directed by Mr. Farrow and Mrs. Bell, will render the anthem, "The Shepherds," from music by Mendelssohn. The series of morning messages on the Christian Answer will be continued. The subject of the sermon will be "The Preparation for a Christian Outlook."

Immediately following morning worship the Session will meet in the Ladies' Parlor to receive those who desire to unite with the Calvary Church fellowship. New members will be received and welcomed at the Communion Service on Sunday, February 1. The February class of new members will be one of the largest to be received since the beginning of the present pastorate.

On Sunday evening Junior Westminster Fellowship will be at 6 o'clock, Intermediate at 7 o'clock, while the Senior Westminster will begin at 7:30 in the Ladies' Parlor. The Junior Choir will meet at 6:30 for rehearsal.

Preparatory Service

In preparation for the observance of the Sacrament of the Lord's Supper all communicant members, all prospective members, and all who regard this church as their church home are asked to be present in the Church School auditorium on Friday evening from eight to nine o'clock for worship and meditation. The theme of the evening meditation is suggested by the call of John the Baptist, "Prepare ye the Way of the Lord." Remember the date, January 30, and the time, 8:00 o'clock.

Brotherhood Week
The annual observance of "Brotherhood Week" by all Christians in our community has been set for Sunday evening, February 1, when a Union Service of Worship will be held in the Calvary Presbyterian Church, beginning at 8:00 o'clock. Special anthem music will be rendered by the choir of Cinnaminson School No. 4, under the direction of Miss Phillips. Dr. Irvin Underhill, Jr., for many years a Presbyterian Missionary in Africa, and now a member of Philadelphia's five-man Planning Commission will be the guest minister.

About Town

Miss Jeanne Gowell, of Riverton, spent last weekend in Washington, D. C., visiting her brother and his wife and daughter, Mr. and Mrs. Robert Gowell.
Mrs. E. M. Schempp, of Fulton street, Riverton, will be guest speaker for the Evening Department of the Woman's Club on Monday evening, January 26, at the Club Rooms, 305 E. Broad street. Mrs. Schempp's topic should prove timely and helpful to members interested in "Interior Decoration on a Shoe String." Refreshments will be served.

John G. Moorhouse, seaman, first class, USN, son of Mr. and Mrs. Edward Moorhouse, of 508 Main street, Riverton, is serving aboard the light cruiser USS Providence, operating in the Mediterranean area as flagship of Rear Admiral George C. Dyer.

Trained and Retrained to serve you better

• The telephone business is always changing. Improvements in equipment are constantly being made — new methods of doing things faster and better are constantly being developed.

• That's why training never ends for telephone people. Their training begins the day they report for duty. It continues, through "refresher" courses, as long as they're on the job.

• Up-to-date equipment and up-to-date training are two big reasons why telephone service is always increasing in value — becoming more dependable, more efficient, and more useful.

RIVERTON SCHOOL NEWS

Movie Presented by Safety Patrol
The Riverton Public School Safety Patrol presented a movie entitled, "Safety Patrol" on Friday, January 9, 1948. The first to eighth grades inclusive attended. The children were amused by the exciting story of the Safety Patrol. There were nine rules in the movie for all children and adults to remember. They are:

Keep out of streets except when crossing.

Look where you go and cross at designated walks only.
Obey traffic signals.
Look both ways before crossing streets or railroad tracks.
Never step out from between or behind automobiles, street cars, or buses.

Look out for motor vehicles turning corners.
Look before alighting from a street car or bus and then go directly to the curb.

When walking in the shoulder of any highway always walk facing on-

coming traffic.
Obey the rules of the road at all times.
This movie really taught the children a lesson and everyone enjoyed it very much.
The "Projector Club" was in charge of showing the picture.

Report from Your
Congressman

FRANK A. MATHEWS, JR.

Your Congressman wants to discuss with you the so-called "Marshall Plan." It is so important that he will try to continue the discussion, off and on, for several weeks.

The Marshall Plan is a name originated by somebody right after the Secretary-General's speech last Spring, at which time it was certainly no plan at all. Your Congressman likened it to the opening of an umbrella under which would crawl all kinds of people and all kinds of things. That seems to have happened.

The all-wise writers and radio commentators began boosting the "Marshall Plan" one hundred percent. That they had no definite idea of just what they were boosting made no difference. It gave them a great, glamorous, nebulous something to talk about, which is meat to anybody who has to "commentate" big and loud every week on every day, especially when he has no responsibility about it. With a member of Congress or other government official the situation is different. He has that responsibility, and he ought to try to find out what it is all about before he sounds off.

As was also to be expected (and perhaps designed) the "Marshall Plan or Bust" propaganda served to confuse the people. It made the Plan seem identical with European rehabilitation, anti-Communism, noble statesmanship, great vision and everything else, so that anybody who was not a complete Marshall Plan fan was said to be against the rehabilitation of Europe, a dirty isolationist and a Communist fellow traveler. This technique is not new with the present Administration.

Marshall naturally took full advantage of the situation, even going so far as to say that unless Congress swallowed the Plan whole, it should not take any part of it, he, apparently, being the only man competent to judge, although Congress had sent about a hundred of its members to Europe last summer to gain first hand information. And they came back with a lot of it.

The picture began to change. The first definite features of the Marshall Plan to emerge were that it was to be a guaranteed gift running over a period of four years. That had to be abandoned even by the proponents, for the simple reason that the present Congress cannot commit future Congresses to anything. Another excellent reason why it should be kicked out the window is because the psychology involved is the reverse of what it ought to be. If we tell the European governments that it is "in the bag" for four years no matter what they do or what unforeseen events occur; instead of making them understand that our aid is continually dependent upon the efforts they make and the development of events throughout the world, we defeat the very objective of such aid, which is to obtain the greatest effort on their part to insure their own quickest and most effective rehabilitation at the least possible cost to ourselves.

Marshall also contends that the plan must be carried out and all moneys expended by his own Department of State. That part of the Plan is running into a great big snag, as it rightly should.

To name only two reasons should be sufficient to demonstrate why. In the first place the State Department, like the Treasury Department, is not by purpose, nature, equipment or ability qualified as an economic or social administrative agency. The State Department is a policy department.

The second reason is that past expenditure in the expenditure of vast

NO DAMAGE IN FIRE
AT COUNTRY CLUB

Riverton and Palmyra Fire Companies answered an alarm at 6 o'clock on Saturday morning of last week for a fire at the Riverton Country Club which was extinguished without damage to the building.

A resident at the club smelled smoke and called the Riverton police. Officer Floyd Smith, who responded, immediately turned in the alarm. Firemen found the interior of the lower floors filled with smoke and located the blaze in the basement.

It was caused by the wooden covering over an ash pit which had become ignited by hot ashes filling the pit to the top when the stoker was working to capacity because of the cold weather. The fire was not of sufficient intensity to start the sprinkler system in the cellar.

THE PORCH CLUB

On February 3, at 2:30 p.m., Richard Wood will be at the meeting to speak on "United Nations—The Possibilities for Peace." Mr. Wood is at present executive secretary of the Philadelphia Friends' Peace Committee, is president of the National Peace Conference; and in 1945 served as a consultant to the American Delegation at the United Nations Conference in San Francisco.

He has made four extensive European trips since the war. Mrs. Clifton P. Mayfield, chairman, will introduce him.

Please bring to this meeting your recent books to be given to the book sale for the Welfare Fund.

Don't forget, all those interested, January 28, is the first half-day meeting of the tailoring group.

All those members and non-members who like to sing, come to Choral Group meetings, every Wednesday, 8:00 p.m., at the Club. Save Monday, February 16, for the big surprise meeting.

DR. KASER HONORED

Dr. Louis J. Kaser, retiring Burlington County School Superintendent, was honored at a testimonial dinner given Wednesday night in the Moorestown High School by the Burlington County Council of the N. J. Congress of Parents and Teachers. Dr. Kaser has served the County faithfully and well for 31 years. He retires January 31.

Nearly 250 persons from all parts of the county attended the honor dinner, as did visiting educators from other parts of the state.

Principal speakers were Charles Morris, of Toms River, retired county school superintendent of Ocean County, and Harvey Rogers, Gloucester county school superintendent.

sums of your money for the alleged benefit of foreign nations by and under the control and direction of the State and Treasury Departments has been so disastrous as to make an American citizen stand aghast.

Your Congressman has pointed out in previous reports a few of these instances. But you do not have to take his word for it. Listen to the report of what John J. McCloy, President of the World Bank, said: He stated "that this country should make 'hard' loans to Europe rather than 'fuzzy' ones such as the \$3,500,000,000 grant to Great Britain, which he described as 'ineffective.'"

"Ineffective" is a masterpiece of understatement, but, like Mercutio's wound, "it will do. Should the multi-billion dollar Marshall Plan be 'ineffective,' that will be a matter quite serious enough to the people of the United States of America. Hon. Christian A. Herter, an able member of the House and no isolationist, truly said that any European relief program will at best be a gamble but would have a better chance of success if it were administered by a special corporate bipartisan agency.

LIBRARY REPORT

At the annual meeting of the Riverton Free Library Association on Monday of this week, Harry F. Jones, president, presented the following report:

"Inasmuch as the service we render to the residents of Cinnaminson, Palmyra and Riverton, centers in the circulation of books, and in the collection of funds to maintain this service, I am depending upon the reports of the Treasurer and the Librarian to furnish the Board with information on our activities during 1947.

"During the past year the chief property repair we have been called upon to make has been the replacement of the floor. This has been completed at a cost of approximately \$450.00. The major portion of this cost—\$280.00—has been contributed by a few of the friends of the Library. We are hopeful that almost the entire amount will be forthcoming through additional contributions within the next few weeks.

"The Boroughs of Cinnaminson, Palmyra and Riverton have continued to give us the support we urgently need. We have been further aided by the funds received from the Card Party benefit given by the Porch Club. Without these sources of assistance, for which we are very grateful, our problems would be colossal.

"It is with regret that I announce the conclusion of the term of Trusteeship of J. Carl De La Cour. As you know, Mr. De La Cour is no longer a resident of Riverton. He graciously consented to continue until the end of his term, expiring with this meeting, and I am certain all the members of the Board will want to have him enrolled as an honorary Trustee. He has been a faithful servant of the Library for over forty years.

"I am looking forward hopefully to an expansion of our activities during 1948. The Susan B. Lippincott Memorial fund income will be helpful in furnishing the means for the purchasing of additional books and I believe that with the interest and personal effort of each member of the Board, the number of contributing members will be increased.

"We are unfortunate in having lost the services of Mrs. William H. Heisler, III, who contributed greatly to the Library's staff up until the time of her departure for residence in New England. Mrs. Richard Barclay and Mrs. Elsie Dickinson have been called upon for extra service, which they have given efficiently and generously, and I hope a satisfactory replacement for Mrs. Heisler will be found within a short time.

"The interest of each member of the Board is very much appreciated and I want to take this opportunity to thank them for their cooperation and, also to thank the volunteers who have given so generously of their time in aiding the Staff in its work."

Vacant Lots Cleared

The drive being conducted by Borough Council to clean up the unsightly vacant lots in Riverton is beginning to show some encouraging results. A great many property owners, during the past year, have recognized the merits of this action and have cooperated with the spirit of Ordinance No. 175 passed by Council on December 17, 1946, by voluntarily clearing their vacant lots of weeds, underbrush, trash, etc. Other owners have been notified by the Borough to either, employ someone to clean up their property within a stipulated period of time or failing this, the Borough will do so and bill the owner at cost.

This Ordinance was passed in order to give the Governing Body the legal right to force property owners to keep their land clean and orderly. It was felt by Council that

NOTICE OF MEETING

A regular meeting of the Riverton Republican Club, Inc., will be held Friday, January 30th, at 8:15 p.m., in the Riverton Fire House.

Election of officers for the current year will take place. There are other matters on the agenda which will be presented for discussion and decision.

Apartments Assigned

David F. Gould, chairman of the Riverton Veterans' Housing Committee has announced that, after careful consideration of the 20 applications received, the committee has selected the following veterans as tenants of the new apartment house now being erected on Main street.

C. T. McDermott
V. B. Shoemaker
B. P. Percival, Jr.
R. T. Flower
R. P. Wallace
W. J. Dietrich, Jr.

Work is progressing on the apartment house and, barring unforeseen incidents, it should be ready for occupancy between March first and April first.

DR. I. W. UNDERHILL
WILL SPEAK HERE

The annual "Brotherhood Week" Union Service, sponsored by the Palmyra-Riverton Ministerial Association will bring to the Calvary Presbyterian Church, in Riverton, Dr. Irvin W. Underhill, Jr., and the choir of Cinnaminson School No. 4. The service will begin at 8 o'clock on Sunday evening, February 1.

Dr. Underhill, as manager of the Richard Allen Homes, Philadelphia's largest Federal housing project with a total of 5800 residents, is a former missionary for the Presbyterian Church in the U. S. A. His eleven years of missionary work in Africa, particularly among the pigmies, attracted international attention. He is a graduate of University of Pennsylvania and Princeton Theological Seminary. Dr. Underhill, who is presently a member of the Philadelphia Redevelopment Authority, served during the war as consultant to the Office of Strategic Services because of his knowledge of African affairs.

The fine choir of the Cinnaminson Public School No. 4, under the direction of Mrs. Philipa has recently gained distinction in at least one radio appearance, and recently sang before the local Rotary Club. This choir will be heard on Sunday evening.

To all who are interested in Christian worship, in the furtherance of race relations on the Christian level, and in the united program of all the Protestant churches in our community, a very cordial welcome is extended.

Carl T. McDermott, Jr., age 4, son of Mr. and Mrs. Carl T. McDermott, 729 Cinnaminson street, Riverton, broke his arm on Monday of this week when he fell at home.

The general appearance of the town could be greatly improved by this action plus the advantage of making the vacant lots in Riverton much more attractive to prospective home builders.

The river front properties are particularly in need of attention and the old Frishmuth place is now in the process of being attended to by Borough employees. This piece of ground is bounded by Front street, Linden and Bank avenues. It has been neglected so long by the present owners, an insurance company, that it resembles a jungle with tangles of weeds and underbrush from front to back. As soon as weather permits the clearing of this property will be completed, thus gaining another step toward making Riverton a more attractive town in which to live.

ANNOUNCEMENT BY
SENATOR LEWISNOT TO BE CANDIDATE
FOR RE-ELECTION

It has been a distinct privilege and a most interesting experience to have had the opportunity to publicly serve the good people of Burlington County. I am grateful to my constituents for their vote of confidence in electing me for two terms in the General Assembly, four years in the State Senate and as a Delegate to the Constitutional Convention in 1947.

It is with personal regret, however, that I have decided not to be a candidate again for re-election. My professional obligations, as well as family and health considerations make it impossible to yield to the increasing, time consuming demands, which naturally follow the wake of continued public activities.

As my present term will not expire until after the conclusion of the 1948 Legislature I shall continue to serve in the Senate this Session to the best of my ability and shall support at any cost or sacrifice the causes and issues of good, constructive Government. Having just adopted a New Constitution we will have a very heavy legislative program this year and I shall certainly bend my every effort to properly represent the County in the Senate during this most important Session.

Due to an early Primary Election in 1948, which will probably be held April 20th, our County United Republican Organization will meet on Friday night of this week and at that meeting I shall suggest and urge the endorsement of my worthy friend and able colleague, Assemblyman Albert McCay, as their candidate to succeed me in the State Senate.

It will also be a pleasure for me at that meeting to recommend the endorsement of State Senator, David VanAlstyne, Jr., of Bergen County, as our candidate for the United States Senate. I have worked with Senator VanAlstyne in the State Senate and I personally know him to be an independent thinker, a business man of vast experience and a statesman of real merit. Such a man of character and capacity will not only bring credit to himself, but also to the State of New Jersey when he is elected to represent our State in the United States Senate.

It is my sincere hope that our efforts in recent years to unite the Republican factions of Burlington County will continue and that a contested Primary Election can be avoided this year.

Arthur W. Lewis.

LIBRARY OFFICERS

At the annual meeting of the trustees of the Riverton Free Library Association held on Monday night of this week the following officers for the current year: Harry F. Jones, president; John F. Ward, vice president; Mrs. W. W. Chalmers, secretary; and Howard M. Rogers, treasurer.

J. Carl De La Cour was elected an honorary member of the Board of Trustees.

SUNDAY SERVICES AT
CINNAMINSON HOME

Arrangements have been made by the Rev. William H. Cunniffon for religious services to be held at the Cinnaminson Home, Sunday afternoons, from 3 to 4 during February. The schedule is as follows:

February 1: No service.
February 8: Society of Friends.
February 15: Rev. George Miller.
February 22: Rev. H. F. Shipp.
February 29: Rev. E. Crawford Williams.

Contributions have been received to a fund in memory of Mrs. Nathan Lane. The fund will be used toward a special gift to the Home.

ABOUT TOWN

The Burlington County Girl Scout Leaders' Club is giving a training course for leaders and assistant leaders of Brownie and Intermediate troops. The first class will be held Thursday evening, February 5 from 8 to 11 p.m., at the Moorestown Community Center. The course will be completed on the three successive Thursdays of February. Mrs. Shirley Baker will be the instructor. She will cover planning of program, the use of the different clerical forms and some folk dancing and singing. There will be a question box so that leaders will feel free to bring up their problems for discussion.

Everybody on the mailing list will receive a registration form. If you are interested in attending and do not receive one write or phone Mrs. Irma Milsted, 107 W. Charles street, Palmyra, or phone 9-1983-M.

Miss Jeanne A. Leach, of Riverton, is a candidate for the degree of bachelor of architecture at mid-term commencement exercises February 4, when Cornell University will graduate a class of 450 seniors and award more than 150 advanced degrees.

Miss Leach, daughter of B. R. Leach, Burlington Pike, prepared at St. Mary's Hall.

The Palmyra High School Chapter of the National Honor Society will sponsor on February 7, at 8:00

p.m., a vaudeville show, entitled "Cow Capers," in the high school auditorium for the purpose of raising funds for a heifer to send to European children who are very badly in need of fresh milk. This has been a serious problem since the end of the war.

After the show a recording dance, known as the "Heifer Hop," for the students and their guests will be held in the gymnasium of the school. Admission will be 50 cents. Then school organizations will take part including the Public Speaking Class which will present a one-act melodrama under the direction of Miss Zeigler.

ALL that certain tract or parcel of land situate in the said Township of Cinnaminson on the Southeast side of Bannard Street, and extending from S. Warrington Avenue Eastwardly to S. Snowden Avenue, and having a depth of 150 feet Southeastwardly from the Southeast side of Bannard Street, comprising Lots Nos. 19, 21, 23, 25, 27, and 29, in Section 14, as shown on Map of Charles E. Price's Extension of Riverton; to be sold and conveyed subject to the following conditions: (a) that no trailer or trailers shall be located on the said tract or parcel of land or any part thereof and used for dwelling purposes, and (b) that no business or industry of such nature as to cause any nuisance shall ever be conducted or operated on the said tract or parcel of land or any part thereof.

TERMS OF SALE

The said tract or parcel of land will be sold upon the following terms:

(1) The property will be sold to the highest bidder, but not for less than the minimum price hereinbefore mentioned, and no bid of less than such minimum price will be received.

(2) The purchaser shall, immediately upon the acceptance of his bid, pay 20% of the amount thereof in cash to the Township, and in the event of the failure of the bidder to make such payment, the property will immediately be again offered for sale as if such bid had not been made.

(3) The balance of the amount of the accepted bid or purchase price shall be paid in cash by the purchaser to the Township within thirty days next after the date of the sale, at the office of the Township Treasurer; and upon receipt of such payment, the Township will deliver to the purchaser a deed of bargain and sale conveying the property in fee simple.

(4) The title conveyed by the Township to the purchaser shall be subject to all reservations, conditions and restrictions contained in prior deeds of record and applying to or in anywise affecting the premises; and shall be free and clear of all taxes, assessments and other municipal liens down to the date of the deed of conveyance from the Township to the purchaser.

(5) In the event that the purchaser should fail or refuse to pay the balance of the purchase price and accept a deed of conveyance in accordance with the terms of sale, the property shall be resold (with or without a fixed minimum price, as the Township Committee may deem advisable); and if, at such subsequent sale, the property shall be sold for less than the original price, the deficiency shall be deducted from the payment made by the first purchaser and shall be retained by the Township.

By Order of the Township Committee of The Township of Cinnaminson in the County of Burlington.

DISABLED VETS QUALIFY FOR MANY POSITIONS

Convincing evidence of the wide variety of skills qualifying disabled war veterans for positions in business and industry was presented to the local Rotarians last week in a talk by Thornton Webster, Veterans' Employment Representative for New Jersey of the Veterans' Employment Service, U. S. Department of Labor. His talk was followed by sound pictures illustrating the versatility of these rehabilitated men. Mr. Webster was introduced by George Luce, chairman of the Rotary veterans' committee.

Taking as his theme that there is a job suitable for every disabled person, regardless of the character of his disability, Mr. Webster pointed out that unless a job followed rehabilitation the millions of dollars being spent on physical regeneration and vocational training would be largely wasted. The process by which men and women are matched to a job is simple. Medical examination determines the things they can do. Job specifications immediately show whether or not the things the veteran can do match the things required by the job.

His limitations do not enter the picture. If he can do the things required by the job, the things he cannot do are of no importance. Mr. Webster gave numerous illustrations of how satisfactorily this works out in practice. Emphasis was placed on

the fact that special equipment, special attention and special supervision are not required when the job and the veteran are matched in this way.

This is the sixth of a series of advertisements to acquaint the citizens of New Jersey with problems faced by their railroads. In your own self-interest you should know these facts.

How big can an 8-Ball get?

BEHIND THE 8-BALL! That's a typical American expression. It tells better than fancy words what it means to be in an impossible situation.

Yes, the railroads of New Jersey are in an impossible situation. On the one hand, passengers and business people are asking for better service.

On the other hand, New Jersey taxes are taking away everything the railroads earn in the State. Take away MORE, to be exact! In the past 12 years railroads have paid out in New Jersey taxes more than twice as much as they earned in the State.

In no other State is the tax burden so heavy. How heavy?

JUST LOOK AT THESE FACTS:

SOME STATES are netve-centers for several converging railroads. These are "Terminal States," where great depots, yards, shops and sidings are concentrated...where railroad tax problems are similar.

But taxes in the Terminal State of New Jersey are 7% higher than in Illinois although Illinois has five times the railroad mileage.

Taxes in New Jersey are 61% higher than in Ohio although Ohio has four times as many miles of railroad.

In the entire nation, only the Terminal State of New York collects more actual tax dollars from its railroads than does New Jersey...but remember, New York has 300% more railroad mileage!

There is only one solution, as we see it: a sound, down-to-earth approach to the difficult tax problem is necessary if your railroads are to render the service demanded.

GIRL SCOUTS CONDUCTING DRIVE FOR USED CANDLES

Acting in cooperation with the American Friends Service Committee, the Girl Scouts of Riverton have adopted a novel plan for assisting the homeless of Europe—and every household in Riverton can help the girls in this program without it costing them a penny.

Briefly, the Girl Scouts have found that many people in Europe are spending night after night in total darkness, simply because they are so destitute that they cannot afford even one candle! To help out in this situation, the Scouts have started a drive to obtain all of the partly used and unwanted candles they can find, so that they can melt down these old candles and form them into big new ones to be sent abroad.

The girls have already been successful in obtaining one set of candle molds with which several successful batches of candles have been made, and would appreciate the opportunity of borrowing a set of candle molds which are available. These molds will be given the best of care until the project is completed, after which the molds will be returned. But beyond that, the Girl Scouts would like to obtain all of the old candles, or condition will do. Paraffin from jelly glasses can also be used. Either your daughter, or your neighbor's daughter is a Girl Scout, and if you will give her all of your old candles, she'll bring them, very promptly into Headquarters to be transformed into new candles for the darkness of

Scout in your neighborhood, a call to Riverton 9-0097 will have a girl at your home very promptly—and very thankful to gain your help. Send in your old candles this week while you're thinking about it, and call up and offer to lend to the Scouts the old molds you have in the attic. That number is Riverton 9-0097.

MAKIN—EDMUNDS
Miss Anna Mary Edmunds, daughter of Mr. and Mrs. Edward Edmunds, of 5746 Reedland street, Philadelphia, became the bride of John E. Makin, son of Mr. and Mrs. John C. Makin, 504 Delaware avenue, Palmyra, at the Holy Trinity Memorial Chapel, Philadelphia, on Saturday, January 24, at 3 p.m.

The bride, who was given in marriage by her father wore a candle glow satin gown, with buttons down the back, that fell into a full skirt with a long train; her sleeves were long and pointed over the hand. She wore a fingertip veil that was held in place with a pearl headband and carried a bouquet of call-lilies. Miss Martha Edmunds, sister of the bride was the maid of honor in a gown of gold taffeta with a matching headband of net. Her long mitts met the capped sleeves of the dress. She carried red roses.

Milton Tess, of Palmyra, acted as best man.
The bride's mother was attired in a grey dress and black accessories with a corsage of red roses.
Mrs. Makin wore blue with black accessories. Her corsage was of red roses.
After a wedding trip to the Pocomos the couple will reside temporarily at S-41 and River Road, Palmyra.

KEMMERLE—FISHER
At a quiet wedding held on Monday, January 26, at 7:00 p.m., in the Sacred Rectory, Riverton, Miss Jane Fisher, daughter of Mr. and Mrs. Harvey G. Fisher, of Leconey avenue, Palmyra, became the bride of Mr. William P. Kemmerle, son of Mr. and Mrs. Herbert J. Kemmerle, of Garfield avenue, Palmyra. The ceremony was performed by the Rev. William P. Quinn, rector of the church.

The bride was lovely in a royal blue dress with white accessories and she wore a white orchid corsage. Her matron of honor, Mrs. Harry Ward, of Riverton, was attired in dusty rose with matching accessories. Herbert Kemmerle served as best man for his brother.

Following a dinner and reception at Tim's for the immediate families the bride and groom left for a wedding trip to New York.

VISITATION DAY AT EPWORTH CHURCH
This Sunday, February 1st, has been designated as "Prayer Visitation Day" at Epworth Church.

In the interest of making a spiritual inventory of the resources of the church a group of eighty persons will call on their fellow church members in the 400 homes of the parish.

Paying friendly calls upon their church friends, between the hours of three and nine, these people will solicit suggestions as to ways in which the church may make a more effective contribution to the community and the world.

Opportunity will be given for each church member to make a contribution to the church's spiritual inventory.

HARRY K. READ

Funeral services were held Monday at 11 a.m., at the Snover Funeral Home, 315 E. Broad street, for Harry K. Read, of 411 Thomas avenue, who died Thursday night. He was 90 years old last November.

Mr. Read was a member of the Covenant Lodge of Masons, Palmyra, for more than 50 years. He is survived by a daughter, Mrs. S. L. Warren, of Riverton, and a grandson, John R. Warren, of Chicago. Interment was in Colestown Cemetery.

AN ORDINANCE OF THE TOWNSHIP OF CINCINNATI IN THE COUNTY OF BURLINGTON, ILLINOIS, RELATIVE TO THE DEDICATION OF AND VACATING AND EXTINGUISHING PUBLIC RIGHTS IN A PORTION OF N. CANAL AVENUE, AS SHOWN ON MAP OF EAST RIVERTON.

WHEREAS on a map entitled "Chas. E. Price's Map of East Riverton, Burlington Co., N. J." there is shown a certain street or avenue designated "N. Canal Avenue" which extends Northwestwardly from Broad Street to the shore of the Delaware River, in the Township of Cinnamon, in the County of Burlington, and which, by virtue of the making and publication of said map and the sale and conveyance of lots or parcels of land by reference thereto, has been dedicated to the public; and

WHEREAS said dedication of said street or avenue has not been accepted, and said street or avenue has not been laid out or improved; and

WHEREAS it appears to the Township Committee of the said Township of Cinnamon that the public interest will be better served by releasing from said dedication the land comprising the hereinafter described portion of said street or avenue, and by vacating and extinguishing all public rights in said portion of said street or avenue; now, therefore,

BE IT ORDAINED by the Township Committee of the Township of Cinnamon, in the County of Burlington, State of New Jersey:

SECTION 1: That the land comprising that portion of N. Canal Avenue, as the same is shown and designated on that certain map entitled "Chas. E. Price's Map of East Riverton, Burlington Co., N. J." which extends Northwestwardly to the Delaware River from a line parallel with the Northwestwardly line of Broad Street and distant three hundred and fifty (350) feet Northwestwardly therefrom (measured at right angles therewith) be and the same is hereby released from the aforesaid dedication thereof to the public; and that all public rights in, to, under, over and upon the aforesaid portion of said N. Canal Avenue be and the same is hereby vacated and extinguished; provided, however, that this Ordinance shall not be construed to release or impair the dedication of that portion of said N. Canal Avenue that extends for the distance of three hundred and fifty (350) feet Northwestwardly from the Northwestwardly line of Broad Street (measured at right angles therewith).

SECTION 2: That this Ordinance, after its final passage, adoption and publication, shall take effect on the earliest date allowed by law.

NOTICE
PUBLIC NOTICE is hereby given that the foregoing Ordinance was duly passed, adopted and published first by the Township Committee of the Township of Cinnamon, in the County of Burlington, State of New Jersey, on the 21st day of January, 1948, and that the said Ordinance will be considered by the said Township Committee at a meeting thereof to be held in the Cinnamon Public School, situate on the Moorestown River Road at the intersection of the Pomona Road, in the Township of Cinnamon, in the County of Burlington, State of New Jersey, on the 29th day of February, 1948, at seven-thirty o'clock in the evening, at which place and time a hearing concerning the said Ordinance will be afforded by the said Township Committee to all persons interested therein.

By Order of the Township Committee of the Township of Cinnamon in the County of Burlington:

HAROLD R. WEST

by Mrs. A. L. Martin from the Sen-
ior Woman's Club. Mrs. Martin
showed pictures of trips and local
spots which were of interest to all
in attendance.

On Wednesday evening, February
4, the Sub Juniors will have as their
guest speaker Rev. Neal Raver.
Come out and bring a friend to the
meeting.

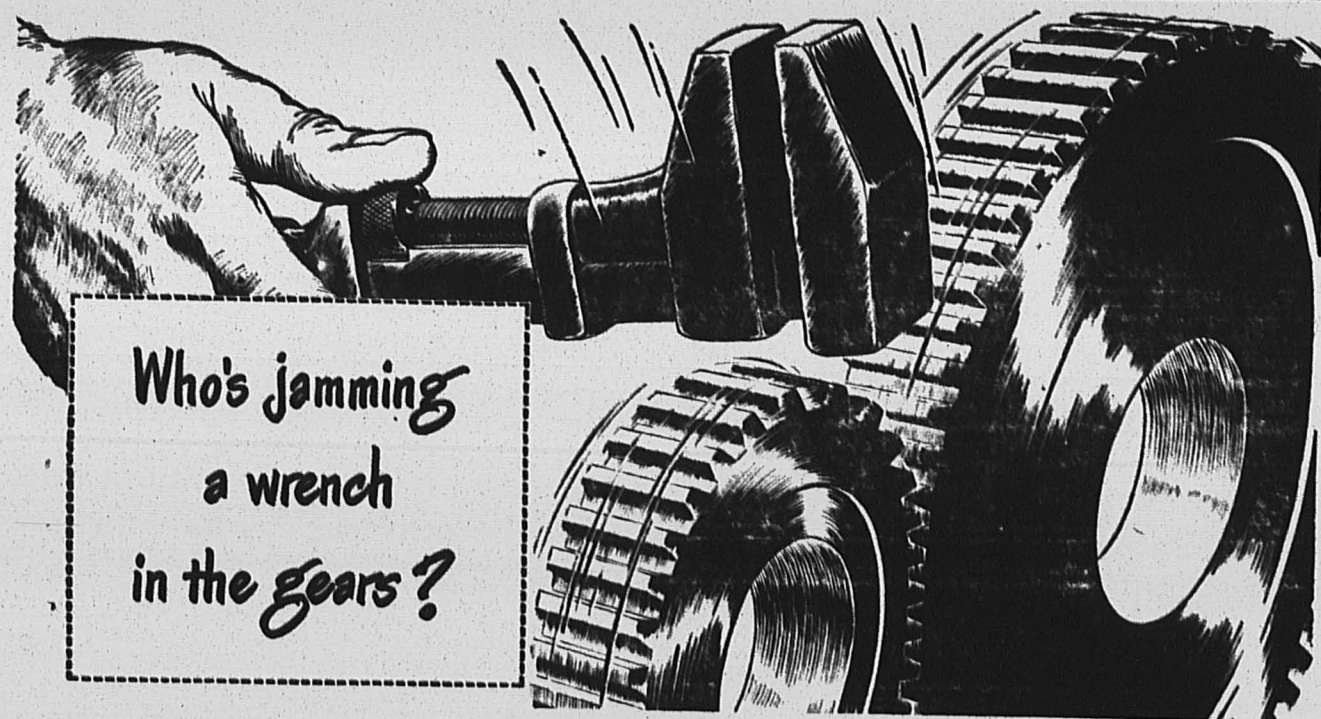

Mr. and Mrs. James E. Boyd, of
Fulton street, Riverton moved last
Tuesday, to Merchantville.

Miss Isabelle Smith, of Main
street, Riverton, is resting comfort-
ably at the West Jersey Hospital,
following an appendectomy on Sat-
urday.

On Wednesday of last week Mr.
and Mrs. S. L. W. Field, of Fourth
street, were pleasantly surprised by
the visit of Mr. and Mrs. Herbert
Rehrig. Mrs. Rehrig, the former
Margaret Eleanor Davis, is a grand-
daughter of Mr. and Mrs. Field, and
her marriage to Mr. Rehrig took
place at the Salem Evangelical and
Reformed Church, Gilbert, Pa., on
January 10. He is employed in a
printing establishment at Easton,
Pa., and they are making their home
in neighboring Phillipsburg, N. J.

On Sunday, Mr. and Mrs. Field
were visited by Mr. and Mrs. Harold
E. Davis, their son Stewart, and
their daughter, Mrs. Joseph Kestler,
the former Ruth Anne Davis, all of
Brooksideville, Pa.

3 Unions Block Labor Peace—Refuse Wage Boost Already Accepted by 19 Other Railroad Unions!

The Brotherhood of Locomotive En-
gineers, Brotherhood of Railway Fire-
men and Enginemen and the Switchmen's
Union of North America, representing
125,000 railroad employees, have refused
to accept the offer of the Railroads of a
wage increase of 15 1/2 cents an hour.

This is the same increase awarded
1,000,000 non-operating employees by an
arbitration board in September, 1947.

This is the same increase accepted by
175,000 conductors, trainmen and switch-
men by agreement on November 14, 1947.

Agreements have been made with
1,175,000 employees, represented by nine-
teen unions. But these three unions, rep-
resenting only 125,000 men, are trying to
get more. They are demanding also many
new working rules not embraced in the
settlement with the conductors and train-
men.

Incidentally, the Switchmen's Union of
North America represents only about 7%
of all railroad switchmen, the other 93%
being represented by the Brotherhood of
Railroad Trainmen and covered by the
settlement with that union.

Strike Threat

The leaders of these three unions spread a
strike ballot while negotiations were still
in progress. This is not a secret vote but is
taken by union leaders and votes are
signed by the employees in the presence
of union representatives.

When direct negotiations failed, the
leaders of these three unions refused to
join the railroad in taking the National
Mediation Board to attempt to settle the
dispute, but the Board took jurisdiction
at the request of the carriers and has been
earnestly attempting since November 24,
1947, to bring about a settlement. The
Board on January 15, 1948, announced
its inability to reach a mediation set-
tlement. The leaders of the unions rejected
the request of the Mediation Board to
arbitrate. The railroads accepted.

What Now?
The Unions having refused to arbitrate,
the Railway Labor Act provides for the
appointment of a fact-finding board by
the President.

The railroads feel it is due shippers,
passengers, employees, stockholders, and
the general public to know that through-
out these negotiations and in mediation,
they have not only exerted every effort to
reach a fair and reasonable settlement,
but they have also met every requirement
of the Railway Labor Act respecting the
negotiation, mediation, and arbitration of
labor disputes.

It seems unthinkable that these three unions,
representing less than 10 per cent of railroad

employees, and those among the highest paid,
can successfully maintain the threat of a pa-
ralyzing strike against the interest of the en-
tire country—and against 90 per cent of their
fellow employees.

The threat of a strike cannot justify grant-
ing more favorable conditions to 125,000 em-
ployees than have already been put in effect
for 1,175,000, nor will it alter the opposition
of the railroads to unwarranted wage in-
creases or to changes in working rules which
are not justified.

A glance at the box shows what employ-
ees represented by the Engineers and Firemen
make. They are among the highest paid in
the ranks of labor in the United States, if not
the highest.

Compare these wages with what you make!

Here is a comparison of average annual earn- ings of engineers and firemen for 1939 (pre- war) and 1947. Also shown is what 1947 earnings would have been if the 15 1/2 cents per hour increase, of- fered by the railroads and rejected by the union leaders, had been in effect throughout the entire year 1947.	1939 Average Annual Earnings	1947 Average Annual Earnings	1947 Average Annual Earnings if 15 1/2 Cents Per Hour Increase Had Been in Effect

LOWER FIRE LOSS

According to the annual report for 1947 of the Second Assistant Fire Chief Donald V. Powell, the fire loss in Palmyra for the year has dropped nearly \$200. The estimated figures for 1947 show the combined property and content loss to be \$4,702.00 as compared to that of \$4,898.00 for the year 1946 and \$18,000.00 for 1945.

The average number of firemen answering alarms shows an increase of five men per fire answering a total of 101 fire alarms and drills. Eight men were hurt in the line of duty. The company put in a total of seventy-seven and one quarter hours of fire duty. This time figure does not show the countless number of hours spent by firemen performing other duties to keep the department operating and ready for call.

MRS. PARKER ANNOUNCES SCHOOL CANDIDACY

Mrs. Elizabeth B. Parker in announcing her candidacy for the Riverton Board of Education has set forth her qualifications in seeking the support of the Riverton people. Mrs. Parker, a former school principal, cited her background and practical experience in education, familiarity with school board procedure including the Riverton Board, and a vital interest in the progress of the Riverton Public School as her reasons for running.

Mrs. Parker graduated from the Glassboro Teachers College and later attended Rutgers University.

She taught for 15 years in New Jersey schools, serving the last two as a principal of an elementary school.

As a principal, Mrs. Parker had the opportunity of working closely with the Board of Education and became familiar with its procedures and functions. Having closely followed the Riverton Board of Education through constant attendance at meetings and other active interest, she feels that she is particularly familiar with the local situation.

"I am vitally interested in the progress of the Riverton Public School," said Mrs. Parker, "because I have children attending now and others that will follow in a few years. I am particularly interested in seeing that the standards of instruction in our School keeps pace with the ever increasing cost."

CHRISTIAN SCIENCE RADIO PROGRAM

"Look Up and Lift Up Your Heads," is the subject of a Christian Science radio program over Station WNBC, Sunday morning, February 1, from 8:30 to 9:00.

The broadcast is made possible through the courtesy of the National Broadcasting Company and has the approval of The Christian Science Board of Directors.

If you want to have fun and perhaps win a prize too, go into the "Let's Have Fun" program, Monday, February 2, when Palmyra O.E.S. and their friends will be guests.

For further information and 25 cent admission tickets call Mrs. B. G. Cook, Riverton 9-0244-J, or Mrs. D. Lenker, Riverton 9-1168-W.

Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include:

"God is Love." More than this we cannot ask, higher we cannot look, farther we cannot go Father-Mother is the name for Deity, which indicates His tender relationship to His spiritual creation. As the apostle expressed it in words which he quoted with approbation from the classic poet: 'For we are also His offspring.' (p.p. 6,332) shadow of thy wings." (Ps. 36:7)

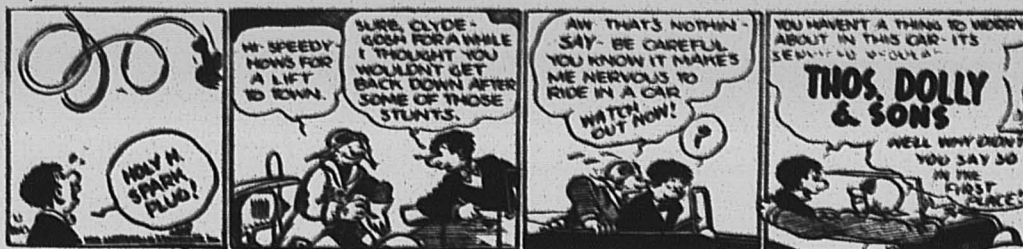

CINNAMINSON CANDIDATES

At the annual election of the Cinnaminson Board of Education to be held February 10, Elwood Warster and Maurice Conrow, incumbents are the candidates for the full term of three years. There are two vacancies.

There is a contest for the one vacancy of the unexpired term of one year, the candidates being G. Alan Osmond and A. James Reeves. Neither has served on the school board previously.
