LIONS SPEAKER

F. E. Schluter, president and director of the Thermoid Company, of Trenton, will be the guest speaker at the weekly dinner meeting of the Palmyra-Riverton Lions Club Thursday evening, April 1. The subject of Mr. Schluter's talk will be "The National and State Tax Crisis."

Mr. Schluter early in his career served as a correspondent for International News Service, in Berlin, Germany, while attending Berlin University. In World War I, Mr. Schluter served in the Navy. Later winning a scholarship to Columbia University, he studied at that school and was graduated in 1922 with honors and a B.S. degree.

After his experience in Germany, Mr. Schluter returned to the United States, entering the insurance and investment business; became head of a company in that field. Subsequent activity led to directorship in numerous business and industrial firms and civic and philanthropic organizations.

Taking a prominent part in public affairs, he received Columbia University's Alumni Distinguished Service Medal in 1935 — the youngest man so honored to that date. His other interests include boy's club work; he founded and became President of the Boys' Club of Trenton. Through his hobby of dairy farming, he operates Mercer county's largest single source of milk. He is a member of the board of directors of the State Chamber of Commerce. During the war period, he served as an industry member of the War Labor Board, Philadelphia Division. Mr. Schluter is also a member of the board of managers of Rutgers University College of Agriculture.

TOWN MEETING ASKS COUNCIL CANDIDATES TO ATTEND SESSION

The Town Meeting executive committee has extended an invitation to the four candidates for nomination to the Riverton Borough Council to speak at the April Town Meeting which will precede the Primary Election. Endeavoring to familiarize the Riverton people with the candidates from which they will choose two to serve the Community for the next three years, the Executive Committee has asked the candidates to attend and present their viewpoints on how the community can best be administered.

There are four Republican candidates for the two positions. Charles Coward and Richard Lippincott are seeking reelection, and Franklin P. Liberty and George Bishop are seeking nomination for the first time. It is hoped that all candidates will find it possible to attend.

The executive committee has felt that the primary election is as important as the November Election because it gives the people the opportunity to control their parties. It was also felt that it is important to know the candidates and especially since the greater percentage of tax money is collected and administered through the Borough Council.

NEW MAIL SERVICE

Postmaster Mervil Haas has been advised that a contract has been awarded by the Post Office Department to William B. Warner, of Julietstown, for transporting the mails by motor truck on the new "star route" to be established today between Camden and Trenton. It will serve Burlington county riverfront towns.

According to the schedule announced, the truck will leave Camden at 10:30 a.m., stopping to pick up and deliver mail at the various towns enroute.

The truck will bring mail from Camden, Philadelphia and all points west and south, as well as local mail from towns between Camden and here. Mail thus received will be in time for the afternoon delivery by carriers.

Eastbound mail will be dispatched from Riverton on this trip to all points between Riverton and Trenton, and to New York, New England and points north.

On the return trip the truck leaving Trenton at 1:30 p.m., brings mail from Trenton, New York and all points north, as well as from all towns between Trenton and Riverton. This mail will be available to box holders the same afternoon, although carrier delivery cannot be made until the following morning.

Red Cross Campaign

Volunteer solicitors for the annual Red Cross fund drive, now entering the fourth week, were urged this week by Mrs. Ralph W. Haines, of Vincentown, the county chairman, to make every effort to complete their collections immediately so that the Burlington County quota of \$56,400 may be reached as soon as possible.

Mrs. Haines reminded both solicitors and contributors to the Red Cross drive that there were a dozen excellent reasons why they should support the Red Cross this year.

She named 10 accomplishments of the Burlington County Chapter last year and two outstanding projects of the national Red Cross organization.

The Burlington County Red Cross activities were:

Home Service aided veterans and active servicemen with loans or outright grants totalling \$12,183.

Home Service gave clothing and shelter to families made homeless by fire; eight families aided in past two months.

Forty-two Gray Ladies regularly visited disabled veterans at Fort Dix hospitals.

Production workers sewed 2,370 articles of clothing for veterans' hospitals.

Eighty-one schools enrolled in Junior Red Cross.

Fifty Motor Service drivers gave 4,468 hours in completing 1,005 as signments.

One hundred eighty-eight swimming certificates issued.

Three hundred eighty-six first aid certificates issued.

Migrant workers taught first aid and accident prevention.

The two major national activities were the opening of the National Free Blood Program at Rochester, N. Y., and the \$11,000,000 spent by the Red Cross for disaster relief in 46 states.

Praising the volunteer workers in Riverton for their hard work during the March drive, Mrs. Haines urged them to do their best to make the local quota. So far \$3,143.00 of the \$6,000 quota has been reached.

Miss Alice Jones, of Mount Holly, chairman of Burlington County Chapter, American Red Cross, announced yesterday that it would be necessary to continue the campaign beyond the end of March, because the county quota of \$56,400 had not been reached. \$22,435.65, 39.7% of the total, had been reported up to Monday near the end of the fourth week of the drive.

CANCER DRIVE

A house-to-house canvass will be made during the month of April for the Cancer Drive in three local communities, according to Mrs. H. B. Mark, tri-borough chairman.

Mrs. Mark announces the following chairmen for the drive. Cinnaminson, chairman, Mrs. J. Vincent Hackett; co-chairman, Mrs. John C. Voss; Riverton chairman, Miss Morlette Gausler; Palmyra chairman, Mrs. Raymond Warner; co-chairman Mrs. Harry Scherwing; publicity chairman, Mrs. John P. Abell; advertising manager, Mrs. Henry L. Randall.

CANDIDATES

Primary election day is less than three weeks away. The date for candidates to file has passed, as has the deadline for withdrawing. Only one contest for a Republican nomination, that of Freeholder, has developed.

The United Republicans of Burlington County have endorsed a complete slate of candidates, except for the U. S. Senatorial post, and are solidly behind the entire ticket.

The candidates to whom the party leadership has given its wholehearted endorsement include: Freeholder Albert C. Jones, of Mt. Holly, the unopposed candidate for Congress; Assemblyman Albert McCay, of Palmyra, who seeks party nomination to the N. J. Senate, also unopposed; former Coroner William O. Cunningham, of Riverside, for Coroner; and Freeholders LeRoy Church, of Bordentown, and Frank Snover, of Palmyra, candidates for reelection.

Jones, an engineer, was born and raised in Burlington County. He served three terms on the Board of Chosen Freeholders before he enlisted in the Army in 1942, and was again returned to the board in 1946, when he became a civilian again. He served in the armed forces for 44 months, 33 of which were overseas and held the rank of Major when separated from the Army, and his decorations include the Bronze Star, five battle zone stars and two certificates of merit.

McCay, a lawyer and counselor-at-law, has had a distinguished record as a member of the N. J. Assembly since 1945, an excellent background for the work of the Senate to which he now aspires, as the successor of Senator Arthur W. Lewis. He has lived in Burlington County for 45 years.

The assemblyman serves many Burlington County municipalities as solicitor and is a member of several important Assembly committees. He served as a member of the Palmyra Board of Education and is a trustee of the Palmyra Methodist Church. He is now chairman of the Law Revision Committee of the Assembly which, with a similar committee of the Senate has charge of the revision of laws to implement the new state Constitution.

Cunningham, a funeral director, who served as Coroner from 1932 to 1935, has lived in Riverside for 21 years. He seeks election as Coroner on the basis of qualifications acquired from experience.

Freeholder Church has been a member of the county's governing body since 1937 and director of the board since 1941. He was born in Fieldsboro and is engaged in the brick business. He served for 11 years as a member of the Board of Education of his native municipality and also served as assessor for one year.

Freeholder Snover, a funeral director, has lived in Palmyra since 1921. He served on Palmyra Borough Council and for three years he was Burlington County Treasurer. Mr. Snover was chairman of the Burlington County Republican Committee for two years and was elected Freeholder in 1945. At present Snover is chairman of the purchasing committee of the Board. Both Church and Snover are well known throughout Burlington County as successful business men and civic leaders.

SCRAP DRIVE POSTPONED ON ACCOUNT OF RAIN

The scrap drive planned for last Saturday by the Explorer Scouts of Post 50, Riverton, was called off on account of rain, but they plan to make the collection this Saturday, April 3rd.

The collection will be made on Main, Howard, Cinnaminson and Fulton streets. Please have your paper, rags, and metal out on the curb if possible.

THE PORCH CLUB

The Porch Club will hold its regular business meeting for April on the 6th at 2:30 p.m. Following this, Elsie M. Cane, who is presented by George Jensen, Inc., of Fifth avenue, New York, will speak on the story and creation of the world famous "Marghat Linens." She will have an exhibit. Miss Cane is an artist who has exhibited her water colors in various eastern galleries, and for four years she had charge of the Artists Gallery in Brooklyn, and a summer exhibition of the Time Rock Art Association in Connecticut.

By way of displaying a bit of home department accomplishments there also will be on view the "Tailor Mades" from the class of the American Home Department conducted by Mrs. Roscoe H. Bowers and ably taught by Mrs. Edward Weisbrod.

Members are asked to bring friends to this meeting, without a fee, and are reminded that gifts for the "Save the Children" boxes again will be received.

The "Treble Clef" choral group, of the club, under the leadership of Mrs. Cornelius DeBoe and Mrs. Robert Morrison was among those participating in the afternoon program of the First District N. J. State Federation of Women's Clubs.

POLICE SCORE AGAIN

The general contractor, who is working on the Riverton Veterans Housing Project, for some weeks noticed that valuable materials and tools were disappearing from the job. He was unable to detect the person who was doing the stealing. In order to put a stop to this the contractor appealed to Chief William Gootee for help.

Chief Gootee began at once to collect all the information he could possibly obtain, but it was scant indeed. However, he proceeded on the small leads he was able to uncover and enlisted Sergeant Robinson's aid in order to cover all the ground as quickly as possible.

The police work that followed was so effective, that in a few days a confession was obtained from an out-of-town workman stationed on the job and practically all of the stolen goods, amounting to over \$150.00 in value, were recovered. The contractors, who benefitted from this fine job done by our police, were highly pleased to have their lost tools and materials returned to them.

The foregoing incident proves again the ability of our police to get results with only a slim lead on which to build a case. Citizens are encouraged to call on them promptly when ever things go wrong. Our police are capable and eager to help. Public Relations Dept. Riverton Borough Council.

BIRTH

Mr. and Mrs. James E. Boyd, of Merchantville, formerly of Riverton, are being congratulated on the birth of a daughter, Leanda, on Saturday, March 27. Mrs. Boyd is the former Virginia R. Moyer, of Riverton.

Sandy and Dick Stewart returned to George School, Bucks Co., Pa., on Tuesday, after spending the spring vacation at their home, 619 Elm terrace, Riverton. On Wednesday of last week Sandy entertained Miss Janet Haines, of Masonville; Miss Frances Hozle, of Haddon Heights, and M. Howard Dunn, of Palmyra, at dinner.

Adverse Decision For Country Club

In a decision handed down last Thursday, by Vice Chancellor Woodruff, the Riverton Country Club cannot sell alcoholic beverages in the present club house without endangering its title of ownership.

The jurist's ruling accompanied his dismissal of a petition in which the operators sought to restrain former owners of the land from evicting the club if it sold liquor on the premises.

Vice Chancellor Woodruff's opinion upheld the claim of Mrs. Elsie Thomas and her family that she had the right to take possession of the club if it sold liquor.

Mrs. Thomas filed an objection in February to the sale of alcoholic beverages at the club on the grounds the original deed of the property contained a clause which prohibited the sale of liquor on the premises.

The country club owners attempted first to prove Mrs. Thomas and the other defendants had forfeited their rights of possession by failing to take action when liquor was sold on the premises from 1933 until 1945.

Owners claim raids, indictments, trials, convictions and fines were imposed on owners and employees of the premises in 1943, 1944 and 1945 and that Mrs. Thomas was familiar with the fact liquor was dispensed there because of the publicity received. Her failure to act at that time cancelled her rights, the owners claimed.

Woodruff said Mrs. Thomas denied any knowledge of previous sale of liquor on the premises and that no liquor license had been issued to sell liquor from 1933 to 1945.

Mrs. Thomas, said the Vice Chancellor, only sought enforcement of the prohibition clause of deed when informed that application for a liquor license had been made to the Alcoholic Beverage Control office in Newark.

Woodruff maintained in his opinion that all the Riverton Country Club has proved in court was that it had violated the law and subsequently was raided by ABC agents and closed.

He pointed out his ruling did not stop the club from selling liquor now that it had a license, but that the club would be taking a chance that Mrs. Thomas would invoke her right as an heir of the original owner in accordance with the provisions of the deed.

No information is available regarding what further action, if any, is contemplated by the club.

MEDICAL AUXILIARY

As in past years, the Woman's Auxiliary to the Burlington County Medical Society is sponsoring a Public Relations Tea to be held at the Moorestown Community House, Tuesday, April 6, at 2 p.m. Two timely subjects will be discussed which will be of special interest to parents of school children all over the County.

Dr. E. Warren Rodman, president of the Burlington County Medical Society, will speak on "School Health Improvement Program."

Mrs. Walter S. Fellows, Field Army Commander of the New Jersey Division, American Cancer Society, will give a short talk while showing a moving picture on cancer.

The Delanco Chorus will entertain. Tea will be served at the conclusion of the meeting.

It is hoped that members of organizations and the public at large who are interested in the welfare of the school child and the community will attend.

Miss Barbara Jane Ransome, Golf Road, Riverton, had as her guest last weekend, Miss Alice Jean Lease, of Seattle, Washington.

STRING BAND NEWS

Everyone who attended our dance Saturday night had a good time, especially the young folks. How they danced to the snappy music of the band!

The highlight of the evening was Bill Graham, an accordion player just over from Scotland, who entertained by playing solos of snappy Scottish airs. He has joined the band and will be playing all the popular American tunes in a very short time. Bill has played over the

radio and in the best clubs in Scotland, so if you really enjoy talent, come out and hear him.

The band has decided to continue the dances until further notice, so there is still plenty of time to enjoy an evening of music, dancing and entertainment.

The full band will play in front of the Firestone Store, and Tony's Beauty Salon, Thursday and Friday evening of this week, weather permitting. With parades coming up in our

community and surrounding communities the band is especially anxious to become uniformed. The members are working very hard to reach this goal, so how about having a part in it by attending the dances. If you would prefer to send a contribution please mail it to Tony's Beauty Salon, or drop it off there.

R. Y. C. PLANS
BANNER SEASON

With the storms of winter a thing of the past, the "Foot of Main Street Sailors," wind and water and arm-chair alike, are eagerly looking forward to the opening gun of the 1948 season.

Recent visitors to the clubhouse and pier have been appalled at the damage the winter has done to the installations, but working parties already have cleared away most of the debris, and by the time of the opening regatta those same visitors will find everything shipshape.

Riverton Yacht Club is, of course, primarily a sailing club — which is not to say that beachhead admirals do not find pleasure there too. The regatta committee has worked out a full schedule of racing dates, including the Championship Series, the Wednesday Evening Series, a Summer Series and a Fall Series; a number of dates have been left open to permit our skippers to carry the home colors to regattas along the coast and on the Chesapeake. At the same time, the entertainment committee has been busy lining up a program of events which will bring pleasure to those members and friends who enjoy more mundane affairs, such as movies, dances, card parties, picnics, and the like.

The season will get under way officially on Monday, May 31, with races in all classes, preceded by a flag-raising and a parade of all the craft in the Riverton fleet, from the stately Stars to the minuscule Moths. All skippers are urged to have their boats ready for this parade; and all residents of Riverton and vicinity are invited to witness the activities at the Foot of Main Street.

SCHOOL BUSES PROTECTED

Riverton Borough Council and Cinnaminson Township Committee have obtained protection for the many school children crossing State Highway No. 25 at the intersection of Riverton-Moorestown Road. Letters recently received from Commissioner Arthur W. Magee, Motor Vehicle Department head and Col. Charles H. concerning the conference in my office several weeks ago with Senator Arthur Lewis, Assemblyman Albert McCay, members of the Township Committee and others relative to the need for traffic control at the intersection of Route No. 25 and the Riverton-Moorestown Road, in Cinnaminson Township.

"Since this conference our Traffic Engineering Division has prepared a report of recommendations concerning desired physical changes at the intersection and has submitted same to the State Highway Department for its consideration. It is my understanding these recommendations are now before State Highway Engineer Noble for action.

"With respect to temporary assistance from the State Police regarding a State Trooper to be stationed at this location during times when school buses are transporting children to and from school, I would advise that Colonel Schoeffel has indicated he will give the matter his serious consideration and, if at all possible, give assistance to the local enforcement officials. I expect you will hear direct from Colonel Schoeffel in this matter. For his information I am forwarding him a copy of your letter of March 15 together with a copy of my reply.

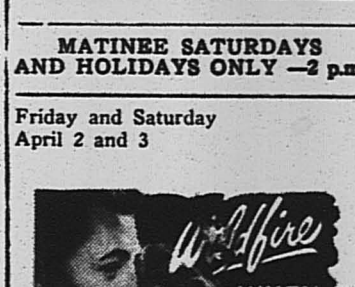

Very truly yours,
(Signed) Arthur W. Magee,
Commissioner,
State of New Jersey Motor
Vehicles."

My dear Mr. Coward:

"I have before me a copy of your communication to Commissioner A. W. Magee, of the Motor Vehicle Department, and his reply to you, consequent to your problem regarding the danger occasioned by school buses crossing State Highway 25 at the intersection of the Riverton-Moorestown Road.

"Prior to the receipt of this correspondence, I had conferred with Commissioner Magee by telephone and had advised that patrols from our Riverton Station would be alerted to provide whatever protection is possible at the time school buses cross this intersection, consistent with other work in the area.

Sincerely yours,
(Signed) Chas. H. Schoeffel,
Superintendent,
State of New Jersey
Department of State Police."

Commissioner Magee's letter indicates a recommendation has been made to the State Highway Department for physical changes for this intersection to make it safer and that the State Police protection is of a temporary nature until these changes can be made. The original request of the Committee visiting Trenton was for a traffic light but records of the State Motor Vehicle Department Engineering Staff show that a traffic light has been provided to be the answer for an intersection of this kind — often resulting in many rear end collisions.

A recent conference with Sergeant C. H. Settle of the Riverton State Police Station resulted in an agreement to provide State Police protection at this intersection during the hours the school buses cross the highway. A Police Officer from the Cinnaminson Township Force will assist the State Police as the nature of the intersection makes it very difficult for one man to successfully control traffic in both lanes.

Proper credit must be given to the many Citizens of Cinnaminson Township, Moorestown and Riverton for their cooperation in making this a success. Also the help rendered by Senator Arthur Lewis and Assemblyman Albert McCay is recognized and greatly appreciated by the Committees who worked with them.

YWCA NOTES

The finance committee of the Burlington County YWCA met at the home of the chairman, Mrs. T. Richard Moore, Riverton, Thursday afternoon, March 25th, to appoint sub-committees to plan with the Camp Committee the 1948 season of Camp Shining Arrow and to arrange for the Y-Teen representation at the Atlantic City Conference, April 9, 10 and 11.

Y W C A representatives to the Moorestown Community Fund Council, to the Mount Holly Community Fund and to the Tri-Borough Youth Council, gave brief reports of the plans for the current year.

Mrs. G. Elliott Krusen, president of the County YW and Mrs. Carlton Tillinghast recommended several public relation policies and reviewed the present Association needs. The following women have already accepted the responsibility on this committee: Mrs. Henry Albertson, Burlington; Miss Gertrude Brick, Crosswicks; Mrs. Howard S. Coe, Riverton; Mrs. Emlen P. Darlington, New Lisbon; Mrs. Joseph Darlington, Whitesbog; Mrs. Richard Eckman, Mount Holly; Mrs. Ezra Evans, Medford; Mrs. David Griscom, Marlton; Mrs. Otto Mann, Beverly; Mrs. William Matlack, Moorestown; Mrs. Warren S. Painter, Beverly; Mrs. Kenneth Phillips, Burlington; Mrs. John W. Thatcher, Moorestown; Mrs. Carlton Tillinghast, Burlington; Mrs. Alexander C. Wood, Jr., Riverton; Mrs. Frank Smith, Rancocas.

EXPLORER SCOUTS VISIT YAWPAW

Last Saturday, the Explorer Scouts of Post 50, Riverton, left on a three-day camping trip to Camp Yawpaw in the Ramapo Mountains. This was the third time the Explorers had started for this camp, twice before they got within two miles of the camp but were turned back by snow three feet deep. However the third attempt was the lucky one for them and the climb up the mountain was made with comparative ease.

Quarters were in a well equipped log cabin, located on the mountain-side about 100 feet above the lake, and on excellent view of the sur-

rounding country could be had from the front porch.

Needless to say the meals were very good, as they were planned and cooked by the Explorers themselves. The only complaint voiced was that there was too much to eat.

There was quite a lot of snow still on the ground when the group first arrived, but the warm weather of the past weekend and the rain on Sunday took most of it away. The lake was still frozen over though when they left for home Monday afternoon.

Sunday night old man weather gave a treat in the form of a severe thunder and lightning storm.

Some of the highlights of the trip were a pole vault demonstration by Jack Oliver, butchering by Buck Wagner, heat treatment by Bob Hutzley, and wood-splitting from a rocking chair by Jack Lundstedt. For further details see any of the above individuals.

Several deer, various kinds of birds and small animals were seen in the hills.

ROTARIANS HEAR FREEHOLDER PRICE

Last Thursday evening, Freeholder Clarence Price was guest speaker of the Palmyra-Riverton Rotary Club, being introduced by Frank A. Snover.

Mr. Price's topic related to public finance and was most enlightening. He stated that over a period of years our way of life had changed until today it is very complex, and with this complexity comes a gov-

ernment responsibility. Because of this responsibility the people must pay for it. In our county in 1931 there was no money expended for old age assistance and care. Today 46.8% of the 1948 budget goes for charitable purposes such as the sick, aged and children's care. This figure is a 3.25% increase over last year. In 1945, \$594,000 was spent for this work and in 1948 it has increased to \$933,000. Mr. Price stated that if people are to expect conveniences which we want the government to provide, they must pay for them.

He pointed out the matter of highways and bridges in the county. At

the present time there are 2,400 bridges and culverts to take care of, as well as 546 miles of county roads. The 1948 budget calls for 28.9% to be used for highway and bridge purposes. During the past winter the severity of conditions caused damage in excess of \$125,000 over and above what had been set aside for this type of work.

Of the expected revenue in 1948, \$1,224,000 must come from real estate throughout the county, and \$651,000 will come from other than real estate taxes, such as gasoline, inheritance, and indirect taxes. Mr. Price said he had proposed a nominal general sales tax to be passed

by the State Legislature, to be collected by the merchants. It should not be a hidden tax and the people should know just what the tax is. He felt that real estate had been taxed just about to its limit and pointed out that additional taxes must be had and ways must be found to get this money.

Officers for the coming year were elected, and these men will take office in June: Earle Harder, president; Lemuel Burhoe, vice president; Joseph Seel, secretary; Howard Conover, treasurer; Ed Jessup, sergeant-at-arms; board of directors for one year, Dewees Showell; for two years, Edward Fry.

STATEMENT BY LIBERTY

The following statement has been presented by Franklin P. Liberty, Republican candidate for nomination to Riverton Borough Council.

"Franklin P. Liberty, Republican, having signified his intention of seeking nomination for the Riverton Borough Council, has set forth his qualifications."

ough Council in the coming primary elections for the position in an effort to familiarize all the Riverton people with his background. A highly specialized technical and administrative man, Mr. Liberty has capably handled many responsible jobs, among which was the initiating and administering a housing project.

"A veteran of World War II, he is presently employed as a Marine Special Agent for the North American Insurance Company. He is a graduate of New York State Maritime Academy and has studied Naval Architecture at Temple University.

"Serving with the United States Navy during this last war, Mr. Liberty saw action in every theatre and commanded the 10,000-ton Torpedo Boat Tender, the 'Ancon'. He holds an unlimited Master Mariner's License.

"Mr. Liberty has remained active in the Navy by participating in the United States Naval Reserve where he is Chief Staff Officer for the 10th Battalion in Philadelphia. Active locally, he is the Adjutant of the American Legion Post."

STATEMENT BY BISHOP

The following statement has been presented by George Bishop, Republican candidate for nomination to Riverton Borough Council.

"George Bishop, a Riverton business man, life long resident of Riverton, and a Veteran of World War II, has recently announced his candidacy for the Riverton Borough Council. Well qualified for the position, Mr. Bishop has served in the United States Navy as an administrative specialist in the Army Air Forces.

"As a partner in the William B. Bishop Plumbing and Heating Company, Mr. Bishop is in a position to advise on the contemplated Sewerage Disposal Project which the Borough is now considering. As a life long resident, he is familiar with Riverton and her problems, and is well able to serve capably as his business is within the community."

"Mr. Bishop served in the Army Air Forces during the War and became an instructor and administrative specialist. During this period, the Army placed him in the research and experimental department for the

B-29 Bombers which played a major role in bringing Japan to defeat. Returning home after 3 1/2 years of service, Mr. Bishop became a partner in the business his father had started in Riverton 40 years ago."

Report from Your
Congressman

FRANK A. MATHEWS, JR.

The passage of the European Recovery Program Bill and of the Tax Reduction Bill over the President's veto were the most important actions taken by the House recently.

The problem of the Congress will now be to reconcile these two measures with each other and with the rest of the legislative program.

Your Congressman voted for the E.R.P. Bill for several reasons. One was that he has favored a reasonable, sensible program of American aid to Europe which would help Europe to help itself to get back on its economic feet again without putting the United States flat on its economic back. Such a program would be in our own interest. Another important reason was that, in spite of the efforts of your Congressman and other members of the House, we are now so deeply and seriously involved all over the world that to suddenly and abruptly reverse ourselves might be even more disastrous than having gotten ourselves into this awkward and dangerous position.

"Deeply and seriously involved" is understatement. Following something called a "bi-partisan foreign policy" which is actually not bi-partisan and certainly not a policy, but which is quite sufficiently foreign, our troops, our interests, our money, our materials and our necks are stretched out all over the world, and yet that world has never received information from us as to how much longer or for what purposes we shall remain in all these other countries. We have not told them because the Administration and the Republican Internationalists do not know themselves.

Anyhow, the E.R.P. Bill just passed is so far from the "Marshall Plan" as to be a great relief for those who understood the terrific implications of the main features of that Plan. While some of the provisions of the bill are not to your Congressman's liking, which in the case with almost every bill and almost every member of the House, and while the rest of the provisions are sadly about three years too late, and while there is still no policy, nevertheless, there appears to be an honest effort to safeguard American economy, American ideals and the American taxpayer so far as these things can possibly be safeguarded in such a stupendous undertaking.

The whole matter of E. R. P. involving as it does our relations to the rest of the world and its impact upon us, deserves further discussion by your Congressman, and this he will furnish in later reports.

There are so many possibilities, even probabilities, of danger to and sacrifice upon the part of the American people, that anybody who voted for this bill must in honesty inform his constituents of those things.

Your Congressman takes the responsibility for every vote he casts. He takes the responsibility for this vote. But he will not take, and he cannot be charged with, the responsibility of having gotten the American people into the difficult and dangerous position which they occupy now in foreign relations.

Likewise, since your Congressman has been a consistent and active opponent of the so-called bi-partisan foreign policy, he should make clear to you folks, in a constructive way, his own idea of a proper foreign policy. This he will do in the next or a future report.

Your Congressman has received so many favorable comments upon his remarks to the House on the Euro-

PUBLIC SERVICE BUS
DAMAGED BY FIRE

Shortly after 9 o'clock on Tuesday morning of this week a Public Service Route 17 bus caught fire as the vehicle was about to pick up passengers on Broad street, Palmyra, in front of the L. G. Rogers store.

The passengers were quickly evacuated and an alarm sent to the Palmyra Fire Department. By this time flames were shooting from the under side of the vehicle near the right rear wheel. The blaze was quickly put out with CO2 extinguishers before it had gained sufficient headway to damage the passenger space.

A defect in the braking system is believed to have been the cause of the fire.

Red Cross Campaign

Determined to raise the remainder of the \$56,400 county Red Cross quota, officials of Burlington County Chapter discussed various plans of reaching the objective at a well-attended meeting in Mount Holly, Wednesday, April 7.

Miss Alice C. Jones, of Mount Holly, chapter chairman, said that the latest report on Monday was "encouraging, but a lot more money is needed to give proper Red Cross service in Burlington County this year. The Monday report showed a 15% rise to \$31,674.83, or 56.1% of the county quota.

The county Red Cross leader disclosed that three communities have now gone "over the top": Marlton, Retreat and Indian Mills. Riverton has collected \$4,000 of their \$6,000 quota. If you have not contributed, please do so now. Mrs. James H. Barker, Riverton 9-1592-W will be glad to send a solicitor to you at once.

P. G. A. QUALIFYING
ROUND AT RIVERTON
COUNTRY CLUB

For the first time in 10 years the Qualifying Round of the Philadelphia District P. G. A. will be played at the Riverton Country Club, according to an announcement made this week by the club pro, Johnny Hayes.

The tournament, a 36-hole medal play affair, will be held here on Monday, April 26. Those winning the top eight positions will represent the district in the National P. G. A. Tournament.

According to Mr. Hayes, all of the top pro golfers in the district are expected to come to Riverton for the event. Included among these are George Pasio, ranking tournament player; Bruce Coltart, Seaview Country Club; Mat Kowell, Philadelphia; Dick Reneghan, Tavistock; Walter Brickley, Burlington County; Marty Ryan, Llanerch and Ted Bickel, Spring Haven.

NEW SCHOOL NEEDED

Dr. John Geisinger, superintendent of Palmyra Schools, discussed at length the needs of that community for additional school building facilities in speaking to the Rotarians last week. Little doubt was left in the minds of his hearers of the urgency of his program. Dr. Geisinger has been speaking before all the local organizations in order to crystallize public opinion on the subject. His talk was illustrated with pictures which lent emphasis to the statistical analysis he presented to show the acuteness of needs. He was introduced by Charles Sticheny, a member of the Citizens Committee giving study to the project.

pean Recovery Program Bill that he has had reprints of these remarks made and will be happy to send a copy to anyone who has not received one. Just send a post card to your Congressman at 456 House Office Building, Washington, D. C., and you will receive a copy of those remarks.

RICHARD T. KIRBY

Richard T. Kirby, seven-month old son of Taylor and Elsie Kirby, of 705 Washington avenue, Palmyra, died Sunday, April 4.

Funeral services were held on Wednesday, April 7, at 2:00 p.m., in the Snover Funeral Home. The Rev. Robert B. Stewart officiated. Interment was in Lakeview Memorial Park, Riverton.

NELSON WALLACE, JR.

Nelson Wallace, Jr., of Palmyra died, suddenly on Monday, April 5. Funeral services were held Thursday, April 8, at 2:00 p.m. in the Snover Funeral Home, Palmyra. The Rev. W. Neal Raver officiated. Interment was in Morgan Cemetery, Palmyra.

He is survived by his father, Nelson Wallace, Sr., and two brothers, Charles and Millard, both of Palmyra. For twenty-six years Mr. Wallace was a most efficient member of the Palmyra Police Force. He also belonged to the P.O.S. of A. and the Palmyra Fire Company. He was 47 years old.

THANKS

The members of the Riverton Fire Company wish to express their sincere appreciation to the many residents of Riverton who so generously patronized their Easter flower stands.

STEPHEN CARY TO SPEAK
AT WESTFIELD MEETING

On Sunday evening, April 11, at 7:30 p.m., Stephen G. Cary, Associate Executive Secretary of the American Friends Service Committee, will speak on the topic "European Impressions" at the Westfield Meeting House.

Mr. Cary is very adequately informed to speak on this timely subject by virtue of his recent experiences in Europe. As European Commissioner for the American Friends Service Committee from January, 1946 to the fall of 1947, Mr. Cary traveled and worked in England, France, Italy, Switzerland, Austria, Poland, Germany, Finland, Norway, Sweden, Denmark, Holland and Belgium. His responsibilities included reporting to the home office on the status of AFSC projects and assisting the European staffs in developing new work and in assessing the value of existing programs. They also included supervision and transfer of European personnel and coordination of transport activities.

A member of the Society of Friends, Mr. Cary graduated from Haverford College in 1937. He received a Masters Degree in International Administration from Columbia University in 1943.

The public is cordially invited and urged to attend.

THE TAX PROBLEM

Genuine government economy and tax reduction will not be possible until the "burden of proof" is placed upon the spending forces rather than the interests working for economy. Fred E. Schluter, vice president of the New Jersey State Chamber of Commerce, and president of the Thermoid Company, told members of the Palmyra-Riverton Lions Club at their meeting last Thursday, Dr. Hayes B. Brady, of Palmyra, chairman of the club's program committee, introduced Mr. Schluter.

"Recently," said Mr. Schluter, "aroused public opinion and the combined efforts of Chambers of Commerce and business groups throughout the country succeeded in winning from a cooperative Congress approval of substantial tax cuts. Within the state we are witnessing the defeat of a highly objectionable proposed levy known as the gross business receipts tax.

"One important major change still urgently needs to be made in our whole approach to government spending and taxing. We need to make it more difficult to get heavy spending items into government budgets in the first place.

"Taxes per capita in the United States totaled \$371 in 1947, whereas the per capita food cost was only \$360. People paid more, directly and indirectly, in taxes than they paid for their food. The cost of foods since 1940 is up 160%, the cost of our federal government is up 470%," stated Mr. Schluter.

"To give you an example of the opposite approach as practiced by the federal government for so many years, I find that there are 3.6 typewriters for every federal employee whose job calls for the use of a typewriter. There are 23,000 publicity men on the federal payroll among the more than 2,000,000 federal employees altogether. There has been an increase in personnel until now we have one employee in the Bureau of Indian Affairs for every eight Indian families.

"In government, the department heads think their importance is judged by the number of people under them — so they hire more and more. This cart-before-the-horse order of government financing thus imposes upon business and taxpayer groups and Congressional Committees each year the very heavy burden of seeking out and arguing against non-essential and wasteful budget items. This is the reverse of the business way of doing things. In the state fiscal situation, Mr.

TOWN MEETING

Completing its program plans for the April Riverton Town Meeting, the executive committee has received the acceptance of Benjamin M. Chandler, research director for the Committee of 70 in Philadelphia, to speak on 'The Importance of Primary Elections,' and has issued invitations to all Republican candidates seeking nomination for the Riverton Borough Council and the Burlington County Board of Freeholders.

Mr. Chandler, an authority on political parties, is a graduate in political science of the University of Pennsylvania. As Research Director for the Committee of 70, he has been active in the Committee's work for a number of years. The Committee is interested in promoting public interest in voting, in civic improvement, and in education of the people as to their responsibilities in government.

The Town Meeting executive committee has invited the Republican candidates for Riverton Borough Council and County Board of Freeholders since these offices are the only ones where the number of candidates exceed the number of vacancies. It is the purpose of the Town Meeting to acquaint the Riverton people with the candidates so that they may have an opportunity to judge for themselves the ones best qualified to hold the positions. It is expected that each candidate will give a short talk on his qualifications and interest in the position he seeks.

The Committee of 70 have done much in the Philadelphia area to increase public interest in voting. It has recently conducted a survey to learn what the average Philadelphian knows about his government and as to how many vote. It has worked with the city council for improvements and done much constructive work in this field. The Committee has also educated the public on government through organization and school contacts, literature, and an information service.

The April Town Meeting will be held in the Riverton School auditorium on April 13th, at 8 p.m. Publicity.

PORCH CLUB NEWS

Members please notice that the April 20 meeting is the Charter Luncheon at 1:00 p.m., for which you must make reservations with one of the following, by Saturday, April 17: Mrs. Clarence Yerkes, 0812; Mrs. David Gould, 0040-M, and Mrs. Gilbert Coe, 0523.

The speaker for the meeting will be Miss Beane Howard, who is well known to most members and needs no introduction, and whose topic is "Europe and The United States." Also part of the program will be the "Treble Clef" Choral Group who will present a few new songs for you. The choral with Mrs. DeBoe and Mrs. Morrison is working hard in preparation for the May concert.

The "Save the Children" committee packed and sent off a sizeable box last week.

Mrs. Gorham P. Sargent, of Riverton, left last weekend for California, where she is visiting her daughter, Mrs. D. K. Warner, at Brentwood, Los Angeles.

Schluter declared, the newly-proposed state cigarette tax will yield an estimated \$14.5 million in additional state revenue, thereby providing funds for additional state aid to education and miscellaneous budgetary items.

"In our local and state tax picture," said Mr. Schluter, "we will need to become accustomed to the idea that property is not a bottomless barrel from which taxes can be extracted endlessly. This source has been worked almost to the point of diminishing returns, according to research studies carried on by our State Chamber specialists in this field."

"Let's settle the details later . . . and not tie up the line!"

What's the secret of good party line service? You can sum it up in just one word—cooperation.

Today, in many New Jersey communities, the majority of residence telephones are on party lines. It's more neighborly than ever to keep calls brief, to allow time between calls, and to release the line promptly in case of emergency. In that way, everyone enjoys good service.

On our part, we're installing additional equipment as fast as possible—to make service even better, and to provide a choice of service to suit everyone.

About Town

Porter B. Caldwell, 609 Elm Terrace, Riverton, is a patient in Doctors' Hospital, Columbus, Ohio. Mr. Caldwell was stricken with a heart ailment on Wednesday of last week while in Columbus on a business trip for the Atlantic Refining Co. His condition is improving slowly, but it is expected that he will not be able to return home for several weeks. Mrs. Caldwell flew to Columbus last Thursday and will remain until her husband is able to leave the hospital.

Richard Robbins, son of Mr. and Mrs. Lindley C. Robbins, of Riverton, has returned to Harvard University after spending the Easter holidays with his parents. Mr. Robbins has been elected to the Harvard Radio Network.

Edwin S. McVaugh, of Riverton, is recovering from an operation at the West Jersey Hospital, Camden.

Miss Barbara Jane Ransome, of Riverton, resumed her studies this week at Catherine Gibbs School, New York City, after spending the holidays at her home.

Mr. and Mrs. Stuart Clark and Mr. and Mrs. Charles H. Carpenter, both of Riverton, will entertain on

Friday night at the Riverton Country Club for the wedding party and out-of-town relatives and guests of Miss Maylou Kieckhefer, whose marriage will take place Saturday afternoon.

Clinton B. Gardner, 419 Leconey avenue, Palmyra, was elected president of the Sons of the American Revolution, South Jersey Chapter No. 13, at the annual meeting of the organization held at the Indian King Tavern, Haddonfield, on March 30.

PARK IMPROVEMENTS ADVOCATED BY LIBERTY

Franklin P. Liberty has listed improvements to the Riverton Memorial Park as one of his objectives if elected to the Riverton Borough Council. Mr. Liberty who announced his intention to seek nomination to the Council recently, has stated his desire to make the park more attractive to the Riverton children.

"There are many things that can be done for the park either through interesting local civic groups or with little investment by the Council," said Mr. Liberty, "and I feel that a planned program for improvements should be established at the earliest possible time."

Shallow wading pools for children was one of the improvements Mr. Liberty suggested, but he also stated

that there were many suggestions that Riverton Parents might have to contribute to this proposed program. Mr. Liberty, a naval veteran of World War II and presently employed as a Marine Special Agent, is a graduate of the New York Maritime Academy and attended Temple University as a student of Naval Architecture. Active in the Naval Reserve and as Adjutant of the local American Legion Post, Mr. Liberty is a man with high capabilities and a keen interest in Riverton. Signed: Franklin P. Liberty.

"Are Sin, Disease, and Death
Real?" is the subject for Sunday,
April 11.

Golden Text: "Israel shall be
saved in the Lord with an everlast-
ing salvation." (Isa. 45:17)

Sermon: Passages from the King
James version of the Bible include:
"Touching the Almighty, we can-

not find him out: he is excellent in
power, and in judgment, and in
plenty of justice: he will not afflict."

Correlative passages from "Science
and Health with Key to the Scrip-
tures" by Mary Baker Eddy include:

"All reality is in God and His
creation, harmonious and eternal...
Therefore the only reality of sin,
sickness, or death is the awful fact
that unrealities seem real to human,
erring belief. Until God strips off
their disguise. They are not true,
because they are not of God." (p.
472)

CALVARY PRESBYTERIAN CHURCH

Fourth and Lippincott Ave.
Riverton, N. J.

The Rev. R. B. Stewart, Pastor

The new curriculum of the Pres-
byterian Church, a program of
Christian Education for Church and
Home, has been adopted by our
church and will be put into opera-
tion in the Church School beginning

October 1st, of this year. Last Mon-
day evening the new curriculum was
explained to our parents and teach-
ers by a representative from our Syn-
nod Committee on Christian Educa-
tion. We are planning to have par-
ent-teacher meetings in connection
with each department of the Church
School before the new materials are
ordered in July.

Our Church School meets each
Sunday morning at 9:45, with Bible-
centered studies in Christian faith
and life for each age level. The
Men's and Ladies' Bible classes also
meet at 9:45 a.m.

At the morning worship service at
11 o'clock next Sunday the Sacra-
ment of Infant Baptism will be ad-
ministered. Parents of babies to be
baptized should meet in the pastor's
study and should use the Lippincott
avenue entrance. As part of morn-
ing worship the Calvary Choir will
render the anthem, "Peace I Leave
With Thee," by Scott, and Mrs.
Howard Schuck will render the solo,
"Come Unto Me," by Coenen. The
pastor has selected as his sermon
topic, "Using The Resources of
God." A very cordial and warm
welcome always awaits those who
seek to worship God with us.

On Sunday evening the three
Westminster Fellowship groups will
meet as follows: Juniors at 6 o'clock;
Intermediates at 7 o'clock and Sen-
iors at 7:30. The Junior Choir re-
hearsal will begin at 6:30 p.m., Sun-
day evening.

The April meeting of the Women's
Society will be held on Wednesday
afternoon, April 14, at 2:30 o'clock.
Miss Julia Lane, guest speaker, will
talk on her experiences with the Red
Cross in Korea. Tea will be served.

STATEMENT BY WIMER

The following statement was is-
sued this week by former Sheriff
George N. Wimer, of Palmyra, who
has long been active and well re-
spected in political circles through-
out Burlington County.

"In the present chaotic political
situation which confronts us we find
an exemplification of the old adage
that 'Success spoils many a good
man'."

"It holds good today in both our
national and State situation, and has
also happened in our county. We
have seen it happen many times in
our municipalities and it is likely to
happen again."

"It is pleasant to turn from the
contemplation of these disasters to
the consideration of the type of men
seeking nomination at the primary
election on April 20 in our county."

"Albert McCay goes into the con-
test for State Senator with a wealth
of experience in legislative matters
gained by him in the several years
he has served as Assemblyman. He
is well fitted in every way to fill the
place he is striving for and his abil-
ity is unquestioned."

"As to his standing in the com-
munity I can only repeat the words
I used when I presented his name to
the County Committee as the nomi-
nee the first time he ran for office.
He is a good citizen, a good neigh-
bor, a good American and a good
Republican. What more can I say?"

"Frank Snover, who is seeking the
nomination for Freeholder, has also
made his mark in politics. He was
elected to Council in Palmyra some
years ago and did much for the im-
provement of the streets in the town
and showed his executive ability in
many ways. The Band stand in the
Palmyra Municipal Grove is his
monument. He served as County
Treasurer and made a very enviable
record in the handling of county
funds."

"Snover's administration was the
first to show all the County Muni-
cipalities with their taxes paid to

the county on time. He served as
chairman of the Republican County
Committee during the Wilkie cam-
paign and as secretary of the com-
mittee at that time I am in a posi-
tion to testify to his good work. He
has a fine record as Freeholder and
is in charge of the County Purchas-
ing Department at the present time.

"It is a real pleasure to make a
statement in behalf of my old friend
LeRoy Church, Frank Snover's run-
ning mate. He has been a member
of the Board of Chosen Freeholders
for several years and much of that
time has served as Director of that
body. I know that many people
have had the impression that he was
besmirched by the road scandal. No
one knows more about this matter
than I do, as Criminal Court Clerk
of Burlington County. I will stake
my reputation on the integrity of
Roy Church. He is a good citizen,
an honest man and a real Christian.
He deserves your vote."

"I am also asking the voters sup-
port for Freeholder Albert C. Jones,
who is seeking nomination for the
Congressional post from the Fourth
Congressional District, Burlington
and Mercer Counties. Freeholder
Jones is a veteran of World War II
and has been active in Burlington
County Politics for a number of
years. He resides in Mount Holly
and is widely known throughout this
section being an engineer for several
Burlington county municipalities."

**ASKS VOTER'S CHOICE
FOR PRESIDENT**

Fred E. Schluter, candidate for
delegate to the Republican National
Convention from this District, is
asking Burlington and Mercer Coun-
ty voters their choice for President.

In this week's issue of The New
Era is a coupon ballot. It seeks the
preference of Republican voters for
top place on the party ticket. All
Republicans are urged to mark the
ballot, including the number of their
family members voting the same
way, and to forward it to Mr. Schlu-
ter. Cards will also be passed out
in city districts. Tabulations will be
announced as the poll progresses.

"The candidacy of Mr. Wallace
and the decline of President Truman
in public favor gives the Republican
convention vital importance this
year," states Mr. Schluter, who is
President of Thermold Company, in
Trenton. "The nominee for Presi-
dent and the platform adopted will
influence part-policy, both domestic
and international for the next four
years."

"There has been too much indiffer-
ence in the past toward the naming
of convention delegates and too little
expression of views by the voters.
It has been easy for a delegate, once
selected, to act on personal whim or
as the hand-picked rubber stamp of
his county chairman. I consider the
office a responsibility to speak for
the people I represent and propose
to go to the convention with that
thought in mind."

"The voters who send a delegate
should have a voice in what he does.
He should be guided by their think-
ing. It is for this reason that I am
seeking opinion."

WILL REDUCE CROSSING DANGER

At the meeting of Cinnaminson Township Committee held on Tuesday night of this week, Chairman Maurice Conrow reported concerning a recent conference held with State officials regarding the dangerous intersections on Route 25 at Moorestown road and at Five Points.

Mr. Conrow stated that present plans call for the straightening of the bend where Moorestown-Riverton road crosses Route 25 and the elimination of the island in the center of the dual highway. This step will facilitate the movement of cross traffic.

Five Points will be made a right angle intersection with the elimination of the Branch Pike entrance. It is proposed to change the course of the latter road so that it feeds into Church road just before it enters Route 25.

Township officials feel that these two projects will aid in reducing the very severe hazard that exists at present, but also feel that the problem will not be entirely solved by such a move, due to the greatly increased traffic on Burlington Pike.

HENDRICKSON ENDORSED BY COUNTY LEADERS

A decisive victory for Robert C. Hendrickson in his Republican Senatorial contest next Tuesday was predicted in a statement today by party leaders as they urged all eligible voters in Burlington county to go to the polls.

Joining in the statement were Dr. S. Emlen Stokes, former Assemblyman and Hendrickson Campaign Manager in the county; State Senator Arthur W. Lewis, County Chairman Leon E. Todd and State Committeewoman Pearl M. Bridgman.

"We are delighted to be able to report that the name Hendrickson sentiment which is sweeping the entire State is being manifest here in our own county," their statement says.

"We are pleased at the evidence on all sides that Burlington will join the rest of the State in giving a vote of confidence to our South Jersey neighbor, the statesman and veteran of overseas service, Robert C. Hendrickson."

"The move to Hendrickson in our County does not surprise us. Burlington countians are intelligent voters. They realize that we face critical years ahead. We need the best statesmanship in Washington that it is possible to send there."

"Bob Hendrickson, with his experience in local, state and inter-state government, with his work abroad, his administrative post in occupied Austria and Italy, his service on the Interstate Cooperation Commission, has a background that qualifies him particularly for service in the world's greatest deliberative body. Further, he is a man of high ideals, of unquestioned integrity, of demonstrated ability."

"The issue is clear throughout the State. The Republican Party in 18 of the 21 counties has endorsed him. Burlington is one of the three counties that has not, officially; but Burlington will endorse him at the polls Tuesday."

"Bob Hendrickson will win with one of the largest majorities ever given a candidate in any primary election in New Jersey. We appeal to the good-thinking citizens of Burlington County to weigh carefully the issues in this campaign, then we have no hesitancy in predicting Burlington will be lined up with the rest of South Jersey and the entire State for Hendrickson."

Carleton Hoover, of Washington avenue, Palmyra, was the week-end guest of friends in Jersey City.

PORCH CLUB NEWS

Members please notice that the April 20 meeting is the Charter Luncheon at 1:00 p.m., for which you must make reservations with one of the following, by Saturday, April 17: Mrs. Clarence Yerkes, 0812; Mrs. David Gould, 0040-M, and Mrs. Gilbert Coe, 0523.

The speaker for the meeting will be Miss Besse Howard, who is well known to most members and needs no introduction, and whose topic is "Europe and The United States." Also part of the program will be the "Treble Clef" Choral Group who will present a few new songs for you. The choral with Mrs. DeBoe and Mrs. Morrison is working hard in preparation for the May concert.

Red Cross Campaign

A warning that swimming classes planned for this summer would have to be cut down if the annual Red Cross drive failed was issued yesterday by Jerome Yantzer, of Burlington, director safety services for Burlington County Chapter, American Red Cross.

"Your Burlington County Chapter has arranged a very complete water safety program to train both beginning swimmers and lifesavers in every part of Burlington County," Yantzer stated, "but it must be limited if the \$56,400 quota is not reached."

"If you have not contributed to this year's drive, do so now to give Burlington County boys and girls the water safety instruction they need and deserve," the Red Cross official said, "because that is the way to make sure of a 100% water safety service to Burlington County this year."

Yantzer's plea for funds to support Red Cross swimming services comes as the annual fund drive in Burlington County was still 31.9% shy of the quota at the end of six weeks' campaigning by volunteers. A total of \$38,408.40 had been donated since March 1, to bring the county drive up to the \$81 mark.

John Dugan, field director in charge of American Red Cross activities at Fort Dix, emphasized the importance of the various services given to Fort Dix soldiers and their families from funds obtained in the annual drive.

"I cannot urge too strongly that everyone in Burlington County contribute as generously as possible to this year's drive. The Home Service of Burlington County Chapter has helped morale tremendously by giving funds and other emergency aid to Fort Dix soldiers and their wives and children. This year with international affairs so troubled, we should help our soldiers to the utmost of our financial ability, as a patriotic duty."

FOOD SALE

The Evening Group of the Missionary Society of Calvary Presbyterian Church, Riverton, will hold a food sale Friday, April 23, at 2 p.m., in the social hall of the church.

EXPLORER SCOUTS TO COLLECT SCRAP

The Explorer Scouts of Post 50, Riverton will hold another scrap drive Saturday morning, April 17th. Collection will be on Thomas and Lippincott avenues.

We are still in need of money to buy equipment for our post. We will appreciate any metal, rags or paper you might have.

Youth Council Drive

A successful year of activity for the Youth Organizations of the Community was closed this week with the launching of the annual campaign by the Tri-Boro Youth Council to underwrite the budgets of the six youth bodies for the ensuing year. This will be the fifth year the Council has sponsored the joint campaign for the Boy Scouts, Community Center, Civic Club, Girl Scouts, YMCA and YWCA of Palmyra, Riverton and Cinnaminson.

Under the leadership of Captain James B. Ryan, general chairman, an unusually active organization has been recruited to conduct the campaign, drawn from the boards of the respective organizations, from the Service Clubs and from those who recognize the value of the several activities.

"The council takes the position that the hope of our community, our state, our country and of the world lies in our young people. It believes the work of these six organizations properly and advantageously supplements the work of the home, the school and the church in the good influence they exert."

"The influence of these six organizations," said Captain Ryan in opening the campaign, "is felt throughout the three communities. Each one of them has been building character here for years and among us are many who can point to the good influence exerted in the formative period of their lives. Their support was formerly obtained by independent campaigns. The present opportunity is the fifth by which the Council has substituted one campaign for six. We expect it to be as successful as its predecessors."

LOCKWOOD-KIECKHEFER

In the beautifully decorated Christ Church, of Riverton, Miss Maylou Kieckhefer, daughter of Mr. and Mrs. Herbert M. Kieckhefer, of Park avenue, Riverton, became the bride of W. Carter Lockwood, son of H. Winthrop Lockwood, of Saranac Lake, N. Y., and Mrs. Carter Castleman, Berryville, Va. The Rev. John R. Crockett, rector of the church, performed the ceremony, assisted by the Rev. Joseph Manuel, of Drexel Hill, who also assisted at the wedding of Mr. and Mrs. Kieckhefer. Mr. Amos Heacock, of Philadelphia, was at the console.

The lovely bride, who was given in marriage by her father, wore a beautiful gown of imported lace over satin, the basque designed with a flat collar at the high round neckline and long sleeves tapering into points over the hands. A front swing on the skirt ended at the back in a bustle, from which ruffles of calloped lace cascaded down the skirt and into a long train. Her long veil of tulle was held in place with a cap of matching lace and she carried an arm bouquet of lilacs and ivy with a white orchid center.

Miss Gretchen Kieckhefer acted as maid of honor for her sister and Mrs. Winfield S. Wilson, Jr., of Riverton, was matron of honor. The misses Dorothy Mae Mark, Barbara Jane Ransome and Barbara Ann Borger, all of Riverton, Miss Rene MacDermut, of Leonia, N. J., and Miss Mary Elizabeth Stephens of Sewickley, Pa., were bridesmaids.

The honor attendants were gown-bridal in orchid marquette over taffeta and the bridesmaids in violet, designed alike with illusion off-shoulder neckline outlined by ruffles, long sleeves and very full skirts with deep ruffles across the front and extending up over the hips to create a bustle effect at the back. Each wore antique gold lockets, gifts of the bride, and little natural lace straw hats, all different, trimmed with feathers the shades of their gowns. They carried white and lavender-toned spring flowers in band boxes striped in mauve.

The father of the groom acted as best man and Richard M. Hollingsworth as ring bearer.

VETERANS APARTMENT NEARING COMPLETION

At the April meeting of Riverton Borough Council, it was announced by Councilman Charles Coward that the Riverton Veterans' Apartment Building will be ready for occupancy on May 1st. All details of construction in the interior will be finished about April 25th, and only landscaping of the grounds remains to be done. Council is eagerly looking forward to the opening of this project to the six veterans and their families. It is felt that the permanent construction and pleasing architecture of the building will be a welcome addition to the Borough.

Plans for an "Open House," so that the citizens of the Borough may inspect the new building, are under the able direction of Councilman Albert C. Farrow. Mr. Farrow reported that the date of Sunday afternoon, April 25th had been set for the opening ceremonies and that final details of the program will be announced in next week's papers. All citizens of the Borough are urged to attend the "Open House."

Public Health Nursing

With the approach of Public Health Week to be observed all over our nation, the Visiting Nurse Society of Riverton, Cinnaminson and Palmyra, wishes to do its part in urging every one to establish habits of living that will lead to good health.

When health fails, however, remember that Miss Blair and Miss Cook, our well known nurses, are at the call of anyone needing their help. To those who can pay the established fee for fully trained, registered nurses, the service is ready for you. If unable to pay at all, or only partly, the care will be as faithfully given.

Heed a word to young girls in high school: Many of you will soon be wanting useful and interesting jobs. There is great need for more good nurses, especially Public Health Nurses, throughout the country. For those who have physical strength, courage and resolution, and a real love of serving your fellowmen, we would encourage you to enter training in a school of Nursing.

And, finally, we call attention to the fact that—About our towns, in shop windows, will be found posters made by the School children to help us take heed to the rules of health. Visiting Nurse Society Publicity.

THANKS

We wish to thank all our friends for their kindness and expressions of sympathy during our recent bereavement.

Elsie and Taylor Kirby.

John E. Wilson, 409 Thomas avenue returned to his home last week after four months visit in Florida.

head, III, T. Jackson English, Richard T. Wilson, Jr., of Riverton, Howard C. Hewitt, Edward C. Wells, Jr., Robert M. Fisher, Saranac Lake, and Theodore S. Brinkman, of Cantonville, Maryland, were ushers. Mrs. Kieckhefer was attired in a mauve crepe gown, accented by a taffeta bustle and a small matching flower hat covered with gray veiling. The bridegroom's mother chose a red crepe gown trimmed in gold with gold accessories and a corsage of yellow orchids.

A reception at the home of the bride's parents followed the ceremony. Upon their return from a wedding trip in Bermuda, Mr. Lockwood and his bride will reside at Pine Valley, N. J.

The bride is a graduate of Foxhollow School, Lenox, Mass., and attended the Philadelphia Museum School of Industrial Art. Mr. Lockwood attended Dartmouth College and served with the Army Air Forces during the war.

ELECTION TUESDAY

The United Republicans of Burlington county this week urged every registered Republican to go to the polls next Tuesday and cast his ballot to make the Republican party strong and united in preparation for the election of a Republican president.

The Republican organization is solidly behind a complete slate of outstanding candidates, with the exception of the U. S. Senatorial race, where Robert C. Hendrickson and Harry C. Harper are the contestants for the nomination.

The candidates receiving the whole-hearted endorsement of the Republican group are: Freeholder Albert C. Jones, of Mt. Holly, the unopposed candidate for Member of the House of Representatives, Fourth Congressional District; Albert McCay, of Palmyra, seeking nomination to the N. J. Senate, also unopposed; Freeholders LeRoy Church, of Bordentown, and Frank A. Snover, of Palmyra, incumbents, seeking nomination to the Board of Chosen Freeholders; and a former corner William O. Cunningham, of Riverside, unopposed candidate for that office.

In Riverton, there promises to be an exciting race for the two Republican nominations for member of Borough Council. Charles W. Coward and Richard Lippincott, both incumbents are opposed by George Bishop and Franklin P. Liberty. Thus, Republican nomination will assure the successful candidates election in November.

Candidates for members of the County Committee in both parties are unopposed. James J. Goodwin is a candidate for the Republican nomination for Justice of the Peace and asks that his name be written in the space provided.

Cinnaminson Township has an important contest in the Republican nomination for member of the Township Committee. Robert Woods, incumbent, is opposed by Elwood F. Wurster and both have substantial backing.

A quiet election is predicted in Palmyra as far as the local situation is concerned, with no contests in prospect for municipal offices. W. Paul Vansant and Howard Eastwood, Jr., are the Republican nominees for the two Council positions.

COWARD-LIPPINCOTT ENDORSED FOR COUNCIL

At a joint meeting of the executive committee of the Riverton Republican Club, Republican County Committee, members of the executive committee of the Town Meeting, and members of the Borough Wednesday evening, April 7th, Council held its council chambers Charles W. Coward and Richard Lippincott were unanimously endorsed by the Republican Club as candidates for another term of office in the borough council.

Mayor S. R. Coale in proposing the two candidates emphasized the importance of having Messrs. Coward and Lippincott as members of council for another term by outlining plans for civic improvements now on the agenda of council for the next few years. "The importance of returning these men to office is vital," the Mayor declared, "as they are familiar with the plans thus far discussed and have both played an important part in the development work."

President D. M. Patterson, of the local club, held an open meeting for discussion of proper functioning of the groups represented and a far better understanding of this important subject was reached.

Everyone present expressed keen enthusiasm and interest in the Republican Club and pledged support of the organization in the coming elections.

JUNIOR BASEBALL

The call for candidates for the American Legion's Junior Baseball team will be held this Saturday afternoon at the Palmyra Municipal

Park, according to an announcement made by Jackson B. Ferren, chairman of the athletic committee of the Frederick M. Rodgers Post 156. Plans for the 1948 season are now being formulated by the athletic

committee of the local post. All youths desiring to participate in the program must be 17 years of age and under. Bud Reeves, has been secured by the athletic committee to be among the coaches of this year's team.

The local American Legion Junior Baseball team captured the Burlington County Championship, and later traveled to Plainfield to participate in the district play-offs.

James version of the Bible include:
"And when he had called unto him
his twelve disciples, he gave them
power against unclean spirits, to
cast them out, and to heal all man-
ner of sickness and all manner of
disease . . . And he that taketh not
his cross, and followeth after me, is
not worthy of me." (Matt. 10:1-38)

Correlative passages from "Science
and Health with Key to the Scrip-
tures" by Mary Baker Eddy include:
"Jesus established his church and
maintained his mission on a spiritual
foundation of Christ-healing. He
taught his followers that his religion
had a divine Principle, which would
cast out error and heal both the sick
and the sinning." (p. 136)

THE PEOPLE'S COLUMN

Editor, The New Era,
Riverton, N. J.

Dear Sir:

All dog owners please note. There
is a law in New Jersey and a Bor-
ough Ordinance of Riverton, that
prohibits you from permitting your
dog to run at large, biting the children and adults of Riv-
erton; also destroying evergreen
bushes and lawns, that some people
in Riverton have enough interest in
their property to keep clean.

This law is not just for the sum-
mer months, it is for 365 days in the
year. Now it is about time you are
getting smart to yourself.

Regardless of who it hurts I am
going to the Borough Recorder of
Riverton and sign a complaint. The
fine is from \$5.00 to \$50.00.

Very truly yours,
Jim Goodwin,
614 Thomas avenue.

FOOTLIGHT PLAYERS
Marion D. Fort, of Palmyra, has
been selected to direct the Footlight
Players final presentation of the cur-
rent season, "Blithe Spirit," which
will be produced in the Riverton
School auditorium on Friday and
Saturday evenings, May 14 and 15.

Mrs. Fort is a graduate of the
Philadelphia School of Expression
and Dramatic Art, and many fol-
lowers of the Footlight Players will
remember her as the Nun in "Ladies
in Retirement," and more recently
as the Mother in "Dear Ruth," the
delightful comedy produced by the
group early in February.

In selecting "Blithe Spirit," an im-
probable farce by Noel Coward, the
group has chosen the finest in en-
tertainment, as proven by its long
run in New York and in London.

County Chairman Leon E. Todd
State Committeewoman Pearl M. Bridgegum

April 15, 1948.

Fellow Republicans:

With war clouds gathering on the horizon, and with inflation staring us in the face at home, it is most important that each one of us consider carefully our personal obligation to send the best possible candidate to the United States Senate in Washington. As national and international problems become more critical, it becomes increasingly important that we review carefully the experience and qualifications of any candidate for this most important policy-making office.

We feel that in Colonel Hendrickson we have a candidate who meets these rigid requirements and one of whom we may well be proud. He will be a fitting associate of our illustrious Senator H. Alexander Smith. The entire record of his public life proves this.

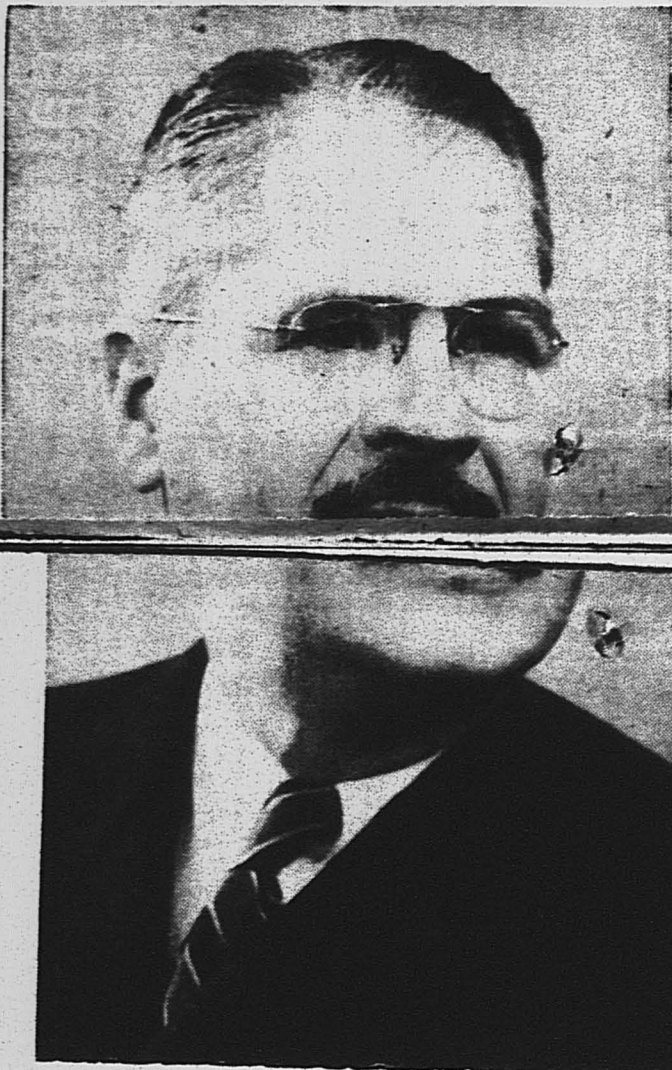

May we urge all Republican voters who are interested in sending the best possible candidate to Washington to support and vote for Robert C. Hendrickson.

Cordially,

S. EMLEN STOKES,
Chairman.

Second Grade Presents Play

The second grade presented an Indian play entitled, "Young Hawk," in the auditorium April second for a junior assembly with kindergarten, and grades one to five inclusive, attending.

Barbara Flach, dressed as an Indian girl, read Psalm 100 for the opening.

The main characters in the play were:

Young Hawk: William Bendix.
Mother: Bonnie Coles.
Father: Richard Lefever.
Sister: Polly Walsh.
Chief: Thomas Murphy.

The play was very well attended by parents. Mr. Groff called Miss Ewell to come forward on the stage to take a bow for her fine work in coaching this play.

Both the children and the parents enjoyed the assembly, it was very entertaining.

Class and Club Take Trip
to Philadelphia

The seventh grade and Reporters' Club took a trip on March 31st, to see the broadcast, "Do Re Mi For You," and to the Inquirer building.

The broadcast was very interesting to us as Gwen Lee Bunderwald, a member of the Reporters' Club, won a dollar in savings stamps for humming a tune that "Melody Mack" could not play.

The trip to the Inquirer building was also very interesting. We had a guide to show us the place where the machinery prints the newspapers.

We took the trip in a chartered bus, chaperoned by Mrs. Mayer and Mr. Groff.

The class and the club enjoyed their trip and thought that it was very worthwhile and educational.

Nancy Gorman,
Reporters' Club

Projector Club

Redding Parker, a member of the Projector Club, showed the eighth grade class six humorous cartoon films during the club period in the

visual aids room on April 2nd. We wish to thank Redding for bringing the films as the class enjoyed seeing them.

The Projector Club also showed a movie "Soap Carving," to the Modeling Club during club period on April 1st.

Suzanne Gillilan,

Bicycle Rack Presented to School

The Board of Education presented the school with a bicycle rack for the use of the students. It was placed in the bicycle alley in the rear of the school.

The Student Council had previously recommended that a rack be bought as it was needed.

It was ordered three months ago but didn't arrive because of the steel shortage. It was here when we returned from our Easter vacation.

Mr. Kjar assembled it for us.
Carol Armstrong,
Reporters' Club

Dramatic Club

On Saturday, April 10, the Dramatic Club of the Riverton Public School went to Philadelphia to see the world famous play "The Blue Bird." This was presented by Mae Desmond Children's Theater at Town Hall.

Eula Gray,
Reporters' Club

Visit to WIP

The seventh grade and Reporters' Club visited the WIP radio studio on Wednesday afternoon, March 31, to hear the program, "Do Re Mi For You." One of the students, Gwen Lee Bunderwald, received one dollar in savings stamps for being able to hum bars of the tune, "In a Little Book Shop," a song that Melody Mack could not play.

After the broadcast Mr. Sorota explained about broadcasting. He told us how the radio program the studios are transmitted so that you may pick them up on your radio.

Next he told us there are three types of microphones, boom, eight ball, and floor microphones. They can be arranged so that just one person, two people, or a group of people can use the same one. He also explained how different sound effects are produced.

OF BURLINGTON COUNTY

Are Proud to Present a Complete Slate of Able and Experienced Candidates

for the

PRIMARY ELECTION, Tuesday, APRIL 20th

FOR CONGRESS

Albert C. Jones

A Civil Engineer with business background, who had served three terms on the Board of Chosen Freeholders in Burlington County when he enlisted in the U. S. Army in 1942. He served 44 months, 33 of which were overseas and held the rank of Major, when separated. He holds the Bronze Star, five battle zone stars and two certificates of merit. In 1946 was returned to the office of Freeholder by the voters and is at present head of the County Highway Department.

FOR FREEHOLDER

Frank A. Snover

Freeholder Snover, a funeral director, has served Burlington County ably in various capacities since 1939. Serving as County Treasurer from '39 to '41. He was chairman of the Republican County Committee in 1940 and 1941 and was first elected to the Board of Chosen Freeholders in 1948. He began serving in that capacity on January 1, 1946 and was director of Public Buildings Department in 1946-47. At the present he is director of Administration and Purchasing Department and is chairman of the Purchasing Committee.

Ordered and paid for by the United Republicans

Let's Keep the Republican Party Strong and United in Preparation for the Election of a Republican President.

FOR N. J. SENATE

Albert McCay

Assemblyman McCay has proven himself to the citizens of Burlington County with a distinguished record in the Assembly since 1945, showing exceptional ability in leadership as well as municipal and state affairs. He is a lawyer and counsellor-at-law. This along with his experience in the Assembly gives him an excellent background for the position to which he now aspires.

FOR FREEHOLDER

LeRoy Church

Well-known and respected throughout the County as a business man of exceptional ability, was first elected Freeholder in 1936 and has served on that body continuously since that time. He has served as Director of every County Department with the exception of Finance and has been director of the Board of Chosen Freeholders since 1941. He is a native of Burlington County and is engaged in the brick business. At present Freeholder Church is Director of Institutions and Agencies.

FOR CORONER

William O. Cunningham

A Riverside Funeral Director who has resided in that town since 1921. He is very well known and highly regarded throughout Burlington County and qualified for the position which he seeks on the basis of experience having served as Coroner of Burlington County from 1932 to 1935.

TOWN MEETING

Appearing before many of the Riverton people at the April Town Meeting, contenders for the Riverton Borough Council nomination spoke briefly on their records and interest in seeking office. The candidates followed an introductory talk by Benjamin M. Chandler, research director for the Committee of '70 in Philadelphia, who spoke on the "Importance of Primary Elections." The meeting terminated with the election of officers to the Town Meeting executive committee.

Three of the four candidates for nomination to Council, Charles Coward, Richard Lippincott, and Frank P. Liberty, were present. George Bishop was not able to attend due to a previous engagement, but sent a letter to be read to the people assuring them of his interest in serving them well should he be nominated.

Mr. Coward, running for reelection to Riverton Borough Council, emphasized his past work and future interest in Council. Speaking on the progress and great responsibilities in the past years on such projects as sewerage disposal, a traffic light on the Route No. 25 crossing, and the Veterans' Housing Project. Mr. Coward was commended by those present at the meeting for his time and energy especially on the Veterans' Housing Project.

CARD PARTY

Give up Spring cleanup program for one night and come enjoy yourself at the Parish House, Friday, April 23, at 8 p.m.

The Foot-of-Main street sailors are getting together again to give you another bang-up card party with delicious refreshments, door prizes and all sorts of valuable articles to take chances on.

The Riverton Yacht Club has been trying for some time to raise a fund to improve and remodel the club. They hope the proceeds from this card party will make possible the purchase of a hoist for small craft.

The Sailbags are calling on everyone to make up a table for the party. Be sure to be aboard on Friday evening at 8 when the fun begins.

ABOUT TOWN

Miss Jeanne Gowell, of Riverton, and Miss Georgia Haecker, of Palmyra, visited Miss Gowell's brother and sister-in-law, Mr. and Mrs. Robert Gowell, of Washington, D. C., last weekend.

Miss Lynda Lee Rodgers, of Atlantic City, is visiting her sister and brother-in-law Mr. and Mrs. F. E. Reeves, of Palmyra, for a few weeks.

Miss Betty Gubbin, who is attending State Teachers College, in Trenton, will spend the weekend with her parents, Mr. and Mrs. Russell Gubbin of Melrose avenue, Palmyra.

Mrs. William R. Hoffman, 411 Thomas avenue, spent the weekend in Flemington with relatives.

MILITARY TRAINING

The military attitude toward Universal Military Training was very ably presented to the local Rotary Club last week by Col. George Patrick Welsh, Aide de Camp to the Commanding General of the First Army. Col. Welsh was introduced by Walter Lamont Jr.

As background for his talk Col.

Welsh showed the sequence of events by which the Army, with greatly increased and unanticipated obligations abroad, finds itself undermanned by 120,000 men. The urgency immediately to fill this quota of men is very great and can only be supplied through Selective Service.

In order, however, to have forces

sufficiently trained to be of emergency usefulness to back up the National Guard which itself is undermanned by nearly half a million men, it is felt that a plan for such basic training is urgently needed along lines developed by the Universal Military Training Plan. Our combat strength at present is a paper organization of skeleton weight. "We cannot rely," said Col. Welsh, "on a year of grace to get ready as we did in World War I and II, nor can we lean heavily on G.I.'s of the last war. Age, marriage, and physical deterioration are rapidly reducing their eligibility. The training of a million men a year would supply the needed potentiality for service."

The proposal before Congress is to register at age 17 but not to be inducted for training until they were finished high school. At the end of training three options would be offered:

1. A further six months in advanced training which would end all training obligations.
2. Agreement to enlist for three years in the National Guard.
3. For selected eligible candidates college with expenses paid and R.O. T.C. training there leading to commission and two years of service.
For eligible college candidates who pay their own way and take R.O. T.C. training, the two years of service will be waived.

Under the "pilot plant" experiment at Fort Knox a training in the obligations of citizenship, of which military defense is only a part, has been the successful objective. The benefits in health, education, and responsibility have been very great according to Col. Welsh.

About Town

Miss Carol Ann Graep, of Washington avenue, Palmyra, was able to resume school activities this week after having recuperated from an operation for appendicitis.

Mrs. Elsie Graep, of Washington avenue, Palmyra, well known in music circles, was the accompanist of Miss Czeslawa Oza, violinist, of Philadelphia, at a concert given in the War Memorial Building in Stacy Park, Trenton, last Sunday afternoon. Mrs. Graep's accompanying numbers included La Precieuse, by Couperin; Air on the G String, Bach; Rondino, Beethoven-Kriessler; Obertas, Wieniawski; Menuet, Paderevski; Melodie, Stojowski; Mazurka, Zarzky.

On the program with Miss Oza and Mrs. Graep were Mr. Jan Holzman, pianist of recent Carnegie Hall fame, and Miss Blanche Nowich, mezzo-soprano of Philadelphia, a finalist in the "Voice of Tomorrow" contest for two consecutive years.

Eather Wilson and Gretchen Kieckhefer, both of Riverton, will be members of the May Queen's court in the May Day Festival at Moorestown Friends School, to be held on Wednesday, May 12th.

ABOUT TOWN

Miss Doris Dennis, daughter of Mr. and Mrs. Ralph A. Dennis, of Palmyra, became the bride of Ervin Shaner, son of Mr. and Mrs. George B. Shaner, of Palmyra, at a quiet wedding on Saturday, April 10, at 2:00 p.m., in the Sacred Heart rectory with the Rev. William F. Quinn officiating.

Miss Marie Dennis, sister of the bride was maid of honor and Arthur Vreeland, of Palmyra, served as best man.

A reception was held at the Riverton Country Club following the ceremony, after which the couple left for a wedding trip to New York City.

Dr. Harold P. Wilson will speak to the Evening Department of the Woman's Club at 8:15, Monday evening, April 26th, in the Club Rooms. His subject will be "High Lights in History of South Jersey." Material will be taken from his projected book on the emergence of modern South Jersey. Dr. Wilson is head of the History Department of State Teachers College, Glassboro.

A cordial invitation is extended to all members of the Senior and Junior Clubs to come out to hear Dr. Wilson and enjoy a social evening with the Evening Department.

Fireman's Carnival, Firehouse grounds, East Riverton, April 26 to May 1. Rides and shows, Golden Rule Shows. Come and bring the children.

RIVERTON SCHOOL NEWS

Projector Club
Henry deHoll and William Grad-en, two members of the Projector Club, showed a movie called "Meat Cookery" to the girls of the sixth, seventh and eighth grades. It was shown in the school auditorium on April 6th.

The movie showed the girls various ways to cook different cuts of meats such as roasting, broiling, stewing and braising. We will use this information later in home economics in preparing a dinner.

FOR INSURED'S INTERESTS
YEAR 1936 new and lower rates were to apply to following type risks — CHURCHES, Fraternal Lodge Buildings, Municipal and School Districts.

(No agent except agent in charge of said risks could apply, for a new rate, on same.)

If said authorized agent, applied in time, it would mean lower premiums for insured in year 1936, and a refund for un-expired time of policies then in force, pro-rata.

Second Grade Studies Nature

The second grade is very interested in studying about nature. The children have brought in frog and tadpoles. The pupils are interested and watch them closely. Miss Evans is going to bring a turtle next to add to the collection.

Teddy Flach, Reporter's Club

Stories We Like

The fifth grade pupils are making booklets of pictures and of stories they have read. In their art period they made the covers which are now displayed on the fifth grade wall. The fifth grade made reports on the stories and put them together with the pictures.

ALUMNI ASSOCIATION MEETING HELD

The second meeting of the Palmyra High School Alumni Association was held Friday evening, April 9, in the high school.

Among the evening's business, the Annual Alumni Dance at Medford Lakes to be held May 8th, awards for the most deserving students at graduation and the elections and ap-

pointments of a board of trustees of the Alumni Association were discussed.

Plans for the Alumni dance are progressing rapidly and the dance promises to be one of the biggest most successful dances to be held at Medford. Tickets are now available and it is most advisable to obtain them in the very near future as quite a few are already purchased. Much to the regret of the committee, but due to the limited facilities of the Lodge only a certain number of tickets will be available. They can be obtained from any member of the committee: Hayes Brady, chairman; Mrs. Henry Naisby, Raymond Fichter, or Walter Poulson, who can be contacted at the Palmyra post office.

SINCERE THANKS

I am pleased to have this opportunity to thank the Republican voters of Burlington county for their splendid support of the entire ticket as endorsed by the United Republicans at Tuesday's Primary election.

I especially desire to thank the voters for their enthusiastic and whole-hearted support of my candidacy for nomination as a member of the Board of Chosen Freeholders.

Frank A. Snover.

Proclamation Dog Quarantine

Take notice that the undersigned, Borough Clerk of the Borough of Riverton, by and with the advice and order of the Borough Council, does hereby prohibit the running at large of all dogs on the streets, highways, roads or other public places in the Borough of Riverton between April 1 and October 1, 1948.

Any dog being on any street, highway, road or other public place in said Borough between said dates, shall be led by a line or chain so as to prevent the biting of persons on said highways or public places.

All dogs must be licensed and have a license tag on the collar or harness.

Further take notice that the owner of any dog or dogs which shall be found running at large, contrary to the provisions hereof, will be subject to the penalty provided by law, and any dog or dogs so running at large, or unlicensed, will be subject to seizure and destruction in the manner provided by law.

By order of the Mayor and Council of the Borough of Riverton, N. J.

DANIEL M. CLIFTON, Borough Clerk.

April 1, 1948.

(For the protection of your neighbors' health, gardens and shrubbery, you are urged to prevent your dog from running at large.)

A dog warden has been employed.

THANK YOU, VOTERS

I sincerely thank the voters throughout Burlington county for the splendid vote accorded me at the Primary election.

I also want, at this time, to thank the citizens for the fine support given the entire ticket as sponsored by the United Republicans.

Leroy Church.

HYDRA-MATIC DRIVE

JUST STEP ON THE GAS...

AND Whirlaway!

It's tomorrow's kind of driving... in tomorrow's kind of car!

There's no clutch pushing, no gear shifting, when you go the Futuramic, Hydra-Matic* way. Even if you're cruising along and suddenly—for safety's sake—you need an extra burst of pick-up, all you do is step down on the accelerator all the way to the floor. WHIRLAWAY does the rest... shooting you ahead with an instant flood of power. It's perfect for passing... ideal for hills... vital for emergencies!

The Oldsmobile "98" is just as far ahead in ultra-modern design as it is in Hydra-Matic performance. It's new! It's FUTURAMIC! Already America is calling the Futuramic Oldsmobile the car of the year... the style of years to come!

The Calvary Church School, close-
ly graded to provide instruction in
the fundamentals of our Christian
faith at every age level, convenes
each Sunday morning at 9:45 o'clock.
The Men's Bible Class and the
Semper Fidelis Bible Class for ladies
also meet at 9:45 a.m.

The worship service begins at 11
a.m., Sunday. Next Sunday, as part
of morning worship, the Calvary
Choir will render the anthem,
"Fierce Was the Wild Billow," by
Noble. The subject of the morning
message will be, "When He Came to
Himself."
On Sunday evening the Westmin-
ster Fellowship groups meet as fol-
lows: the Juniors meet at 6 o'clock
and the Intermediates at 7 o'clock.

with Mr. and Mrs. W. A. Burton;
the Junior Choir meets for rehearsal
at 6:30 with Mr. Farrow and Mrs.
Bell. The Junior Choir is preparing
an anthem to be rendered at the
morning worship service on May 9.
The Senior Westminster Fellow-
ship group will meet jointly with the
members of the Delanco Fellowship
on Sunday evening, at 7:30 in the
Ladies' Parlor. The guest speaker
will be Miss Julia Lane, who will
present an illustrated lecture on
Japan. All young people of High
School or College age not active in
any other youth group at this hour
will be made welcome.

The "Family Week" community
service of worship will be held at the
Calvary Presbyterian Church on
Sunday, May 2, at 7:45 p.m. Dr.
Raymond Kistler, president of Beaver
College, has accepted the invita-
tion of the Ministerial Association to
be the guest speaker. Dr. Kistler,
former pastor of the First Presby-
terian Church of Haddonfield, needs
no introduction to the church people
of Riverton and Palmyra. His ser-
mon topic will be, "The Need of
Christ."

CENTRAL BAPTIST CHURCH
The Rev. S. Dan Morgan
Pastor

This Sunday concludes Mr. Slaw-
ter's visit and the Spiritual Crusade.
A special plea is addressed to all
members and friends of the church
to pray for continuing success in the
concluding services.

Sunday, April 25

Slawter will have as his topic, "The
Glorious Appearing of Our Lord."
The choir will sing, "O Hymn Ami-

able Are Thy Dwellings," by Rogers.
Youth Fellowship, 6:45 p.m.: Mr.
Slawter will be guest speaker. In
his talk, he will use the illustration
of turning the water into wine.
Evening Worship, 7:45 p.m.: As
his last message during his current
visit with us, Mr. Slawter will pre-
sent the topic, "Repentance; What
Is It?" Our newly formed Junior
Choir will bring us special music
under the direction of Mr. Russell
Jermon.

**STRANGER ACCOSTS
SCHOOL GIRLS**

On their way home from school
last Monday noon two seventh grade
school girls were accosted by a
young man in an automobile. He
asked them where he might find
"Race street." The children an-
swered that there was no "Race
street" in Riverton. The man then
asked them where "12th street" was
located. The girls replied that there
was no "12th street" either. At this
point the children were invited to get
into the car and take a ride. They
refused and the man drove off.
Police were notified immediately.
Officer Pierce and Sgt. Robinson in-
stantly started a thorough tour of
the entire town in search of the man.
Police departments of surrounding
towns were telephoned and given a
general description of the man and

his car but the car license number
was not known. No trace of the
man could be found nor were police
of neighboring towns able to appre-
hend anyone approaching the de-
scription supplied by the children.
Although no harm came to the
children, it will be well for all citi-
zens, grown up as well as children,
to keep alert to these unwelcome
visitors in our town. Immediate
notification to the police is impera-
tive in situations like this but alert-
ness to secure some definite clue,
particularly license numbers, will
help tremendously. Let each of us
do all we can to help our police keep
Riverton free from undesirable
visitors.

CAR HITS TREE

On Monday night at 11:50 o'clock,
near Pompsess Creek, Sergeant John
Robinson heard a crash nearby. He
quickly headed toward the Riverton
station and halfway to Fulton street
he noticed a pole across the road
and heard a horn blowing continu-
ally. He found a sedan against a
tree and badly damaged by the im-
pact. Sgt. Robinson radioed for the
Palmyra ambulance, emergency
truck and the Palmyra Police.
The driver, Bernard L. Orte, of
148 Paine street, Riverside, was
found injured about the head and he
was removed to Zurburg Hospital.
Orte stated he had been visiting in
Palmyra and had apparently lost
control of his car.

Mrs. Donald Mount and son, Ray-
mond, Plainfield, are visiting Mrs.
Mount's mother, Mrs. Florence
Bauer, of Palmyra.

It's a good idea to "space"
your calls when you're on
a party line. Allowing a
reasonable length of time
between calls gives your neighbors a
chance to make or receive their calls—
and gives people a better opportunity to
call you.

be a choice of service to suit everyone—
and everyone's service will be even better.

Report from Your Congressman

FRANK A. MATHEWS, JR.

Your Congressman feels that we
should continue our discussion about
the European Recovery Program.
Bill recently passed by Congress and
signed by the President, so that there
will be no optimistic misunderstanding
about the possible effects of this
bill.

Even the most enthusiastic sup-
porters of the Program admit that
it is a gamble, a "calculated risk."
There is no guarantee that it will
stop Communism, prevent war, or
even insure the economic recovery
of Europe and the rest of the world
upon any basis which holds real hope
for lasting peace.

On the other hand, there are cer-
tain things which may be accepted as
certainties so far as the United
States is concerned. The giving
away of billions of dollars worth
more of American wealth means
more shortages here, more compe-
tition with you by your government
in the markets of this country and
elsewhere for goods which you need
and want through the use of your
own money.

Thus, it will be seen that should
these shortages become serious,
more inflation will take place, prices
will rise and demands for higher
wages ensue.

Not only is there a possibility, but
a probability, frankly admitted by
many enthusiastic supporters of the
European Recovery Program, that
should the shortages and the infla-
tion caused thereby become really
serious, you will once more have at-
tempts at price and other controls.
In other words you will be in for
another O.P.A., black markets and
inability to get what you need in
open markets. We can only hope
that it will not get that far.

The Chamber of Commerce of the
United States, various other Cham-
bers of Commerce throughout the
country, big business and the big
labor unions were in favor of the
European Recovery Program. Some
even went so far as to endorse the
original Marshall Plan. It is a fact
that this legislation will subsidize
American industry against a possible
too violent falling off of general busi-
ness, thus bringing down prices and
wages from their present high level.

Your Congressman, in voting for
the European Recovery Program for
the reasons he gave at the time of
his vote, was fully aware of these
possibilities. So was the Foreign
Affairs Committee of the House,
which prepared the bill and sponsor-
ed it on the floor. So, your Con-
gressman must presume, were all the
other members of Congress who
voted for it.

But your Congressman is trying
not to fool or mislead you. He has
always believed that the American
people should have all the facts and
that if they had them, their decisions
would be right. He knows that this
attitude is entirely contrary to the
way the present Administration has
conducted itself, and unfortunately,
certain members of his own Party in
following everything the Adminis-
tration "proposed in the matter of for-
eign affairs for the past few years.

**RIVERTON KINDERGARTEN
REGISTRATION**

The Riverton Public School will
have registration for kindergarten
children the afternoons of May 10,
11 and 12, in the office of the prin-
cipal.

To enter kindergarten next Sep-
tember, children must be five years
of age on or before December 15,
1948.

Please bring birth certificate and
vaccination certificate for the chil-
dren.

**COMMUNITY WORSHIP
SERVICE**

In observance of Christian Home
Week, and as part of the scheduled
program of the Ministerial Associa-
tion, a community worship service
will be held in the Calvary Presby-
terian Church, Fourth and Lippincott,
Riverton, on Sunday evening,
May 2, at 8:45 p.m.
Dr. Raymond M. Kistler, president
of Beaver College, Pa., and former
pastor of the Haddonfield Presby-
terian Church will bring a message
on "The Need of Christ" in the
homes of America. Dr. Kistler has
traveled in Europe, Africa and Pale-
stine. He is a noted lecturer and edi-
tor, and is particularly fitted to
present a thought-provoking and il-
luminating address on the subject of
the Christian home.

The Calvary Choir, directed by
Penn Cooper will render the anthem
"Fare Thee Well, O Israel," by Spicker,
and the Men's Chorus will sing "The
Blind Ploughman," by Clarke.
All who are interested in the
solidarity of the Christian home and
in the unity of Christian believers
are cordially invited to attend this
community service of worship.

COUNTRY CLUB

The Riverton Country Club open-
ed officially on Saturday, April 24.
There were 121 golfers, 89 of whom
were in the tournament. Low gross
score was made by Roy Klipple, 75;
Ernie Eganone, 75; Jack McCarthy,
76. Winners in the kickers' tourna-
ment with low net were Sig Mears,
Bill Thacher and Ray Wallace.
On Saturday night 117 had dinner
and 175 attended the dance.
The golf course is in excellent
condition.

SPRING DANCE, MAY 8

All Alumni of the Palmyra High
School are urged to get their tickets
for the Semi-Annual Alumni dance
to be held at the Medford Lakes
Lodge, May 8.

The dance with Warner Harris
orchestra supplying the music will
begin about 9:00. Dress for the af-
fair is optional.

Due to the capacity of the Lodge
and in the interest of those attend-
ing, the dance committee decided to
limit the attendance to 200 couples.
Most of the 200 tickets are already
purchased and it is reported that by
the end of this week tickets will be
extremely scarce. Tickets can be
obtained from anyone on the dance
committee or at the Palmyra Post
Office by asking for Walt Poulson.

ATTENTION, DOG OWNERS
Owners of dogs in Cinnaminson
Township are warned that all
canines must be prevented from run-
ning at large from April 1 to No-
vember 1.

A dog catcher will pick up all dogs
roaming the streets and owners will
be required to pay a fee for their
return or the animals will be de-
stroyed.

BAND CONCERT

The sixth annual concert by the
Palmyra High School Varsity Band
will be presented Friday and Satur-
day evenings, April 30, and May 1,
in the Palmyra High School audi-
torium. The program will begin at
8:15 p.m. The Band is under the
direction of Anthony C. Isch, high
school instrumental music teacher.

Featured soloists will be Lorraine
Davis, mezzo-soprano, and Kenneth
Anderson, Sousaphonist. The pro-
gram will include "Prelude to the
Third Act of Lohengrin," by Wag-
ner; "The Barber of Seville Over-
ture," by Rossini, and "Tannhauser
Overture," by Wagner. Popular
numbers will include, Stormy
Weather, Deep Purple, and Gettin'
Sentimental Over You. Lorraine
Davis will sing "Swinging You," by
Romberg, and "Italian Street Song,"
by Victor Herbert.

The band has a membership of 63,
many of whom live in Riverton.
Tickets are on sale by all band
members, and will also be available
at the door on the evenings of the
program.

**NEW FIRE TRUCK
FOR PALMYRA CO.**

After many months of waiting a
new fire pumper has been delivered
to the Palmyra Fire Department, by
the Mack Corporation of Long Is-
land. Ordered a number of months
ago on recommendation of the New
Jersey State Schedule Rating Bureau
it will replace the Seagraves pumper
in service since 1923.

This new pumper has a rated
capacity for pumping 750 gallons a
minute. It carries a water tank
holding 250 gallons of water. The
hose body will carry 1500 feet of
2 1/2" fire hose and the booster tank
reel about 200 feet of 1" hose for
the water tank. Being of modern
design the conventional look has
disappeared and most all controls
are built in the body. Doors and
wind breakers are also a feature of
the truck.

The new fire truck is the second
purchased in the Borough since
1940. A Mack type 80, 750 gallon
pumper having been purchased in
that year. Due to war conditions
following soon after, ceremonies to
house this first truck were can-
celled. However, at the present time
elaborate plans are being made for
a huge parade and housing of the
newest truck, Saturday, May 15.

Over 100 fire companies, bands
and auxiliaries are being invited to
compete for prizes and to help the
Borough of Palmyra acclaim the fin-
est equipped fire department in South
Jersey. This will be the first such
event in at least 25 years and every-
one is asked to contribute to its
success.

**BEGLEY NAMED HEAD
COUNTY G.O.P. GROUP**

Thomas D. Begley, of Burlington,
was elected chairman of the Burling-
ton County Republican Committee
by a unanimous vote at a meeting
held Tuesday night. Mr. Begley
succeeds Leon Todd, of Medford
Lakes.

SAMUEL EARL ROTENBURY
Samuel Earl Rotenbury, 302
Fourth street, Riverton, sexton of
the Calvary Presbyterian Church for
17 years died in Hahnemann Hospi-
tal, Philadelphia, on Monday, April
26, following a long illness. He was
53 years old.

Funeral services will be held Fri-
day, April 30, at the Snover Funeral
Home, Palmyra. The Rev. Robert
B. Stewart will officiate.

Interment will be in Monument
Cemetery, Beverly.

He is survived by his wife, Bea-
trice, one son, George and one
daughter, Mrs. Charles Dorworth, of
Parry.

Mr. Rotenbury was very active in
the Riverton Softball League for a
number of years. He was also a
member of the Riverton Fire Com-
pany.

**PALMYRA KINDERGARTEN
REGISTRATION**

Registration for Kindergarten will
be held in the office of the Spring
Garden Street School on Monday,
May 3rd, between the hours of 10:00
and 11:30 a.m. and 2:00 and 4:00 p.m.
All children who will be five years
of age on or before December 1,
1948, should be registered at this
time if they expect to enter school in
September.

A birth certificate must be pre-
sented at the time of registration.
Before starting school, vaccination
against smallpox and immunization
against diphtheria are required.
Harriet E. Egan,
Principal.

PRO SHOP ROBBED

A thief with a desire for haberdashery robbed the pro shop at the
Riverton Country Club early last
Thursday morning and made off
with various articles of clothing
valued at over \$400 wholesale.

Entry was made by prying off a
metal screen protecting a window of
the shop and jimmying open a win-
dow. The break was discovered when
the shop was opened Thursday
morning.

Included among items carried
away were 36 shirts, 12 pairs of
gloves, neckties, sun hats, visors,
socks, nine sweaters, two pairs of
shoes, a raincoat and a table radio.
None of the golf equipment was
touched.

Riverton police questioned one
suspect and the investigation is still
being continued.
This is the third time during recent
years that the shop has been
robbed.

**ZAYOTTI SPEAKS ABOUT
WOOL BUSINESS**

Harold Zayotti, who following in
the footsteps of his father has spent
his entire business life in the wool
business, drew on his forty years of
experience to give the local Rotar-
ians last week an insight into un-
usual phases of that business. Mr.
Zayotti was introduced by Lester
Steele, representing the Vocational
Service Committee.

Wool, said Mr. Zayotti, was the
original "golden fleece." Tracing the
lineage of sheep from the small ani-
mals one-third of the size of present
breeds which existed in Biblical
times, he explained the development
of modern stock raising. The breed
originally established in Italy and
Spain, later cross bred and stocked
successfully in France, England and
finally in America during the early
1800 period.

Although there are nearly half a
million wool growers with forty-five
million sheep of thirteen breeds in
this country the four hundred and
thirty-two million pounds of wool
raised represents but 40% of our re-
quirements. Differences in breeds,
climates, pastures and soil account
for the fact that the industry recog-
nizes one thousand two hundred and
twenty-five different types of wool,
each of which may be classified in
sixteen grades.

RIVERTON BOARD NEWS

At a special meeting Monday eve-
ning, the Board of Education elected
teachers and fixed salaries for the
1948-49 term. Resignations were re-
ceived from Miss Virginia Hurff,
third grade teacher, and Mrs. Doris
Curtis, Home Economics teacher.

Miss Hurff's successor was not
chosen. To fill the vacancy occa-
sioned by the resignation of Mrs.
Curtis the Board appointed Mrs.
Alice Austin, of Palmyra. Mrs.
Austin taught at Riverton several
years ago. She also teaches Home
Economics two days a week at Cin-
naminson School.

All the other members of the
faculty were reelected at increases
provided for in the salary schedule.
Misses Cook and Blair were re-
appointed school nurses and attendance
officers; Dr. Dickson as school medi-
cal inspector, Dr. White as school
dentist, and the Charles S. Rockey
Co., as auditors.

Upon the request of a number of
parents the Board authorized the
taking of group pictures of each
grade some time before the close of
the term.

THANKS

May I take this opportunity of
expressing my sincere appreciation to
those residents of Cinnaminson
who voted to nominate me for mem-
ber of the Township Committee at
last Tuesday's election.

RIVERTON SCHOOL NOTES

Our Aquarium
Three boys of the fifth grade have started to make an aquarium. The boys are Paul Moorhouse, Jimmy Wagner and Emerson Wolfshmidt. They have frogs and tadpoles which they brought to school. These they put in a large aquarium with stones and grass. It has been very interesting to watch our pets.

Eula Gray
Reporters' Club
The Riverton School Safety Patrol is going to Shibe Park on May 4th, to see a professional baseball game between the Cleveland Indians and the Philadelphia Athletics. They will be accompanied by Miss Hurf, their advisor and Mr. Groff, the principal.

The tickets are being supplied by Connie Mack, owner of the Athletics, the New Jersey State Police and the Keystone Auto Club as a reward to the Safety Patrol for doing such a good job.

Sixth Grade Boy Wins Honor
Herbert Knight, a member of the sixth grade class, won honorable mention in a recent art contest held in Mt. Holly, April 10th and 11th. His painting was selected from over 500 pictures exhibited at Mt. Holly.

Suzanne Gilfillan,
Reporters' Club
Dramatic Club Attends Theatre
The Dramatic Club went to Philadelphia on April 10th to see the play "The Blue Bird."

The play was about a dream of two children who were looking for the "Bluebird of Happiness" to give to a poor sick little girl. When the children awoke they found the "Bluebird of Happiness" right in their own room. It was their own bird. They gave it to the little girl and she became well again.

The club took the trip on a number 9 Philadelphia bus.
The play was enjoyed by the members very much and they were chaperoned by their sponsor, Mrs. Mira Murgatroyd.

The members of the Club are: Jeannette Lowe, Nancy Gilfillan,

Dorothy Cantner, Betty Lou Lundstedt, Betty Lou Harris, Dolores Watson, Susan Becton, Dorothy Horner, Sabra Carpenter, Shirley Gussma, Susan Gredler, George Hoyt.

At the Spring Conference held in Camden, April 17-18, the North Atlantic Region of the American Federation of Soroptimist Clubs announced the award of a special \$1500 fellowship to Miss Nan Louise Grindle, Lexington, Mass., for a year of advance study at the Fletcher School of Law and Diplomacy in Boston. The name of the award winner was made public by Mrs. Caroline E. Tibbets, regional director, and Dr. Marion E. Kolbye, chairman of the fellowship committee.

About Town

There is a new club in Riverton. It is called the Adventurers Club. It consists of three girls. They are the following: president, Roberta Zam; secretary, Marion Stuart; treasurer, Marjorie Thompson. We have planned to have many adventures this summer. The girls are all ten years of age.

On Wednesday, April 21 the Sub Juniors elected the following officers for the ensuing year: president, Shirley Emswiler; vice president, Joan Moffitt; secretary, Phyllis Bowers; treasurer, Isabelle Swoops; corresponding secretary, Jane Warren.

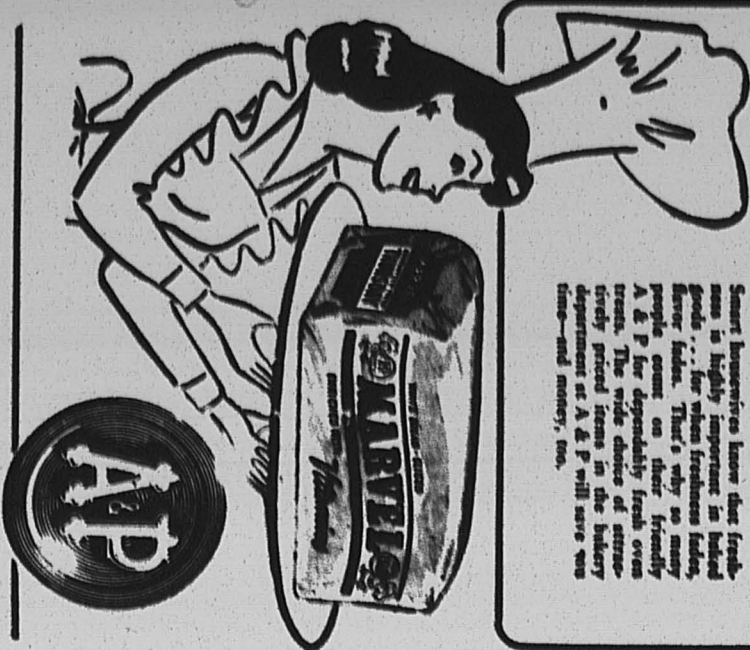

The next meeting of the Sub Juniors will be a Scavenger Hunt. Shirley Emswiler is in charge. Please come out and bring a partner, (male or female). Be at the club house promptly at 7:30.

Mr. and Mrs. Frederick W. Metzger, of Riverton, entertained Mr. and Mrs. John Abell, Mr. and Mrs. W. W. Meyer and Dr. and Mrs. J. Rowland Day at their home in Ocean City last weekend.

Mr. and Mrs. James I. Stinson, of Miami, Fla., are receiving congratulations on the birth of a son, James Lawrence, on Sunday, April 18. Mrs. Stinson is the former Miss Emma Knight, of Palmyra.

Later in the week the students will have an opportunity to register for the courses which they wish to pursue in high school.

The various contractors on the project came in for generous commendation by Mr. Coward and the members of the Planning Committee. The project was well received for their fine work in selecting the most worthy applicants as tenants. Many of the veterans and their families who will move into the apartment May 1st, attended the ceremony. The uniforms of Riverton Fireman and Post 1001, Gen. Leppinowski added a touch of military color to the affair.

"He that soweth sparingly shall reap also sparingly." (2 Cor. 9:6)

If we are having poor crops in our lives, it would be well for us to examine the cause and see if it might not be that we are neglecting God's interests. There are spiritual laws which are as certain as nature's laws. To obey either is to obtain the desired crop. Put God's interests first, and He will take care of your interests.

PALMYRA SCHOOL NOTES

Board of Education Meeting

The Palmyra Board of Education, at its regular monthly meeting last week, devoted some time to discussing the contemplated building program. The Board felt that it would be necessary to clarify three points which have not been clearly understood by the public.

First—There is no intention on the part of the Board of Education to install lights on the football field. This matter was turned down by the voters last year and there is no intention of including this matter in the building program.

Secondly—The proposed use of the municipal park at Chestnut and Spring Garden streets for an elementary school building would in no way interfere with the use of the site as a playground for children either during the summer months or during the winter months. There is no intention on the part of the Board to use any part of the area now used by the Junior Baseball League for its summer Junior League activities. This area would be used both by the students for Physical Education classes and by the children of the community for out-of-school play activities.

Third—There is no intention of taking the present baseball field with an alternate field has been provided. The most desirable plan at present seems to be to use the space directly back of the stadium between Front Street and Temple Boulevard. This is near enough to the stadium that the shower and toilet rooms can be made available for the weekend games. The Board also proposes to place the football bleachers on this field for use by the crowd attending baseball games.

The Board has decided to accept the invitation of the P.T.A. to participate in a discussion of the proposed building program at the regular meeting on May 18. Shortly after this meeting the Board proposes to hold a public hearing on the proposed project at which time any interested persons may participate in the discussion.

Spelling bee and a ciphering match. Grades 5 through 8 participated in these assemblies.

Many classes have taken trips in connection with their studies. Both third and fifth grades visited Thimblehead Museum in Moorestown. Fourth grade visited the refrigeration plant in East Riverton.

A number of interesting movies have been seen recently in connection with social studies units. A particularly interesting one to the children was one on the Seng Bros. Derby. Another movie thoroughly enjoyed by all was one featuring lightning acts.

The second issue of the Cinnamon School paper, "The Star Reporter" has been published. This paper contains news of all the classes, features, short stories and poems by the children. The paper not only gives valuable experience to those on the staff but helps us all to know those in the school better.

On Saturday, April 10, the Explorer Scouts of Post 50, Riverton, visited the Naval Air Station at Willow Grove, Pa. They went for the day with Commander Miller, U.S.N., who showed the Explorers a fine time.

The group arrived at Willow Grove 11 o'clock in the morning and met Commander Miller at the administration building. While there the Explorers were given a hearty welcome by the commanding officer of the station.

Next the members were taken in tow by Commander Miller and shown about the station, control tower, hangars, shops, maintenance rooms and of course the planes stationed there. These include fighters, trainers, patrol planes and cargo planes.

They also had a demonstration of radio equipment in actual operation and saw a cut-away model of a tail jet engine. In fact almost too many things to list here.

One of the most interesting exhibits to the group was a group of German and Japanese planes used in the past war.

After this tour the Explorers chatted the air stations now out-door fireplace by building the first fire in it and cooking the first meal on it. They had their pictures taken by a photographer from the Navy while cooking lunch.

The group was then given the freedom of the station to go anywhere and look into anything they wanted to, and they were given advantage of the opportunity. In the evening they played pool, snooker and ping-pong at the station club.

BAGS WANTED—Clean, dry, strong bags from 100 lbs. to 500 lbs. wanted. This New Era, 600 High Street, Riverton.
