THE NEW ERA, THURSDAY, JULY 1, 1948

PRICE FIVE CENTS

JULY 4th EVENTS

At the final meeting of the Riverton Fourth of July committee held on Monday night of this week all committee chairmen reported that arrangements have been completed to make the celebration the best in years. Three bands will supply the music for the parade, namely, Riverside String Band, McFarland Senior Drum and Bugle Corps and the Junior Corps of the same organization. It was hoped to have the Palmyra String Band, but this organization has an engagement elsewhere that could not be broken.

It is reported that there will be a large participation in the children's section of the parade and the committee has a fine array of prizes. These awards and those for the athletic events are on display in the windows of the Coddington Store and at L. L. Keating's.

A number of fire companies have signified their intention of participating. This section is always a colorful part of the procession.

In the event of rain the events not carried out will be held on Saturday, July 10.

Schedule

Present plans call for the Riverton Fourth of July parade to move out promptly at 10 a.m., July 5, from Main and Howard streets. All children who are to compete for prizes must be in their places at 9:45 promptly in order to be eligible for an award.

The procession will move as usual down Main street to the river bank where exercises will be held and the prizes awarded.

Miss Lorraine Davis, of Riverton, will sing patriotic songs and Mayor S. R. Coale will speak briefly.

Races at the Riverton Yacht Club will follow.

In the afternoon there will be a tennis tournament at Memorial Park and athletic events for children starting at 1:30. Riverton A. A. will meet Camden A. A. in a baseball game at 3:15. There will also be sailing races at the Yacht Club starting at 2:30.

The chief event during the evening will be the fireworks display at the river bank. It had been hoped to have aquatic events, but the tide will be low and such a program has not been deemed to be feasible.

In order that invalids may view the fireworks display a special section has been reserved for them. Those desiring cards for the reserved parking space are requested to apply to Chief William Gootee, of the Riverton police.

In order to provide more comfortable conditions for those watching the fireworks the committee will have the County Mosquito Commission spray the river bank with DDT to keep down the hordes of pests which usually congregate to annoy the spectators.

Additional committees in charge of the various sections of the program are as follows:

Parade Judges: Russell Rivers, chairman; J. R. Finney, Mrs. Philip Flach, Richard Graff, Mrs. Walter Quertler, Mr. and Mrs. George King, Mr. and Mrs. Thalberg King, G. W. MacCord, E. E. Moore, Miss Christine Ridley, C. Schuck, Mr. and Mrs. John Thompson.

Parade Prizes: Mrs. Carvel Sparks, chairman; Mrs. W. W. Moore, Mrs. Joseph Joyce, Mrs. David F. Gould and Mrs. Francis Huber.

Both of these committees were appointed by the executive committee of the Riverton Town Meeting.

Athletic Committee: G. W. MacCord, chairman; Frank P. Coddington, Kenneth Housley, David Middleton, E. Richards, H. B. Walters and William Watkins.

Yacht Club Committee: Carl P. Mann, chairman; Mrs. Gordon Andrews, Giles Knight, E. M. Carhart, Jr., William Shoemaker, III.

NAVAL SCHOLARSHIP

The Navy Department recently announced selection of the successful candidates for the Naval R. O. T. C. scholarships for 1948. Among those chosen from New Jersey were two recent graduates from Palmyra High School: William Price, of Palmyra and Richard Wilder, of Riverton. Price is enrolled at Dartmouth College and Wilder at the University of South Carolina.

These scholarships are designed to provide a supply of junior officers for the Regular Navy and Marine Corps. They provide for cost of tuition, fees, textbooks and necessary uniforms, plus retainer of \$600 per year. At graduation from the undergraduate course of their choosing plus certain Naval Science courses, candidates are commissioned as Ensigns or Second Lieutenants and spend 15 months to two years on active duty.

Miss Palmyra Contest

The contest being sponsored by the Palmyra String Band to select a girl from the area Delair to Florence who will compete in the New Jersey finals for the title of Miss New Jersey at Camden Convention Hall on August 5 and 6, is now under way.

Entry blanks can be obtained at 13 E. Broad street, Palmyra, or 605 Main street, Riverton.

Those desiring to enter must be between 18 and 25 years of age, never married or divorced, be of good character, possess poise, personality, charm and beauty of face and figure.

They must also have a certain amount of stage presence. Talent may include singing, dancing, dramatic ability, music, drawing or a three minute talk on the career they wish to follow.

The judging of the contest will be impartial and will be done by persons from out of the State. Their names will be announced later.

The winner of the "Miss America" title for 1948 will receive a \$5,000 scholarship, made possible by Joseph Bancroft & Sons, Wilmington Delaware, manufacturers of Everglaze Finished Fabrics and the Cataline Knitting Mill Co., Los Angeles, California.

The girl winning the title of "Miss Palmyra" will not only go to Camden, but will receive valuable prizes at the Palmyra High School on July 31.

Watch for the list of prizes to be given away in the local contest. This list will appear in next week's issue of The New Era.

ENGAGEMENT ANNOUNCED

Mr. and Mrs. B. Hubert Cooper, of "Pinehurst," King's Highway, Moorestown, announce the engagement of their daughter, Elisabeth Maude, and Mr. James A. Elliott Wood, son of Mr. and Mrs. Alexander C. Wood, Jr., of "Harmony Hall," Riverton.

Miss Cooper, who is the granddaughter of the late Edward R. Strawbridge and the late Mrs. Truman W. Brophy, was graduated from Vassar College and studied at Union Theological Seminary, New York City.

Mr. Wood, who is a grandson of the late Alexander C. Wood, president and later chairman of the board of the Camden Safe Deposit and Trust Company, Camden, and the Esterbrook Pen Company, and Mary Emma Stokes Wood, was graduated from Harvard University and the Law School of New York University. During World War II he served as a Major on the Headquarters Staff of the Eightieth Division of the Third United States Army.

NOTICE

The offices of Dr. T. Bruce Dickson will be closed July 3 to July 5, inclusive.

WILLIAM COOPER HEADS LIONS CLUB

The newly elected officers of the Palmyra-Riverton Lions Club were installed following a dinner held last Thursday night in the social hall of Calvary Presbyterian Church, Riverton.

William Cooper, of Palmyra, the new president of the club succeeds George B. Weigand, who has headed the organization for the past year. Mr. Cooper has served most efficiently as secretary for the past two years.

Other officers include: Robert Muir, first vice president; Gerard Stead, second vice president; John Craig, third vice president; C. B. Marple, secretary; Howard Schuck, treasurer; Albert Branson, Joseph F. Yearly, Robert Bretthauer, Dr. Hayes B. Brady, directors; G. Woodbourne MacCord, Lion Tamer.

The installation of officers was conducted by Paul A. Donahue, District Governor-elect of Lions International 16-C.

District Governor Albert McElroy presented awards for attendance and membership building to Lions Thomas Cahill, Dr. Hayes B. Brady, Harry Mansfield, C. Howard Yerkes, George B. Weigand, Howard Schuck and C. B. Marple. He also complimented the officers of the local club for their efforts in building one of the most active Lions clubs in multiple District 16.

In addition to District Governor McElroy, Cabinet Secretary Wilfred Lockey, Deputy District Governor Clarence Richardson and Zone Chairman Harry Mansfield spoke briefly.

The guest of honor was Miss Joan Griffenberg, of Palmyra, who was the winner this year of the Lions award at Palmyra High School.

William R. Stoeve, secretary of the Pennsauken Lions Club and superintendent of Pennsauken Township Schools, addressed the assemblage on the subject of "Lionism."

A professional variety show concluded the program of the evening.

YWCA DAY CAMP OPENS NEXT TUESDAY

Camp Shining Arrow season opens Tuesday, July 6th, when three buses transport 125 girls from 22 communities to the Darlington property, New Lisbon, for a Day Camp program sponsored by the Burlington County YWCA for younger girls, aged 9-14 years.

Miss Mary Ann Lippincott, Marlton, director for this season, announces that this area will be well represented by campers and counselors. Priscilla Woodward, Riverton, has been named director of the sports program and Mary Lou Baker, Riverton, will plan the informal dramatics and assist with the nature study activities.

The bus will stop in both Palmyra and Riverton. Bus schedules have been mailed to the registered campers and further information may be secured through Mrs. Charles M. Biddle, III, Riverton.

NEW BUILDING FOR ZINMAN FURS

Zinman Furs broke ground Monday June 21st for their new \$100,000 store at Airport Circle, on Admiral Wilson Boulevard, Camden. The building will have a boulevard frontage of approximately 100 feet, ex-

tend 75 feet in depth, and have ample parking space for customers. Show rooms for display of fur fashions are scheduled to be open to the public early next Fall.

The one-story structure will also house the most modern fur storage vaults in the entire State of New Jersey, giving Zinman's capacity of

12,000 to 15,000 fur coats. These vaults are similar in construction to bank vaults, being fireproof and safeguarded with burglar alarms, but in addition are equipped with steel racks, electrical controls to automatically maintain frigid temperatures, regulate humidity and constant blast of ice cold air. Refrigeration equipment includes compressors with capacity to provide 2,130,000 pounds of ice during storage season.

To facilitate handling of fur garments, the factory and work rooms will continue operations at the Merchantville store where Harry Zinman started business 28 years ago.

OPPORTUNITIES IN ARMY

Young men who can meet the high qualifications for enlistment in the Army's Combat Arms will find valuable career opportunities as well as immediate benefits in the Infantry, the Artillery or the Armored Cavalry, S/Sgt. Joseph A. Bonner, local Army and Air Force Recruiting Officer said this week.

Men between the ages of 18 and 34 (17 with parent's consent) who enlist in the Army for service in one of these three Combat Arms, are eligible to qualify within a few months for assignment to the Potential Leaders Courses where the Army's enlisted leaders are now trained.

Soldiers are enrolled for this six week's leadership training program only after they have demonstrated their intelligence, character and physical capacity during a period of basic military training. Young men interested in specialist training, however, may qualify before enlisting for one of several technical courses given at schools operated by the Combat Arms.

He explained that qualified young men may apply, before actually enlisting for enrollment in any four of the more than 60 specialist courses given at Army Schools. If they are accepted for assignment in one of the four courses they have indicated, they may enlist in the Regular Army for three or more years with positive assurance that they will be assigned to that course.

For further details, contact your local Army and Air Force Recruiting Station located in Town Hall Building, Riverside, N. J.

Country Club Notes

The Riverton Country Club Tennis Team scored two victories last week-end as they opened play in the West Jersey Tennis League. On Saturday, June 28th, the Forest Hill Tennis Club of Camden visited Riverton and were trounced six matches to three. On Sunday the local team visited the Cohanick Country Club, at Bridgeton and scored a 5-4 win. Members of the Riverton Club who played in the matches were Ed. McVaugh, captain; Jack McVaugh, Dick Coe, George Hagston, Carter Ferguson, Frank Groff, Bob Wilder, Dick Eberly and Don West. The next League match will be at Pitman on July 10th.

The Rutgers University School of Ceramics, which was founded by an act of the State Legislature in 1902, was one of the first of its kind in the United States.

NOTICE

Taxes will not be received by Ralph H. Taylor, Riverton tax collector, in the fire house on Friday evening, July 16 or Friday, July 23, due to the fact that Mr. Taylor will be on vacation during this period. The regular Friday night schedule will be resumed on July 30.

NOTICE

The offices of Dr. E. C. Johnson, 433 Thomas Avenue, Riverton, will be closed from June 30 to July 18, inclusive.

DENOUNCE PROPOSAL TO CREATE "HYBRID" SCHOOL DEPARTMENT

Proposals for creating a "hybrid" Department of Education in the reorganization of the state government were scored last week by Charles L. Steel, Jr., President of the New Jersey Education Association. Mr. Steel is principal of Teaneck High School.

"The reorganization bill (Senate Bill 10) which has been passed by the New Jersey Senate would give the state a department of education different in structure from any other state department," Mr. Steel stated. "It would make the state board of education the titular head of the

department, but would have the commissioner of education appointed by the Governor, with the advice and consent of the senate. No such organization has been proposed for any other state department.

"Some departments will have individual heads; three, however, will be under the control of boards. These are the department of education, the department of agriculture, and the department of institutions and agencies. The agriculture and institutions boards, however, are being granted the right to select their own administrative officers. This conforms to the constitution and to sound administrative practice.

"New Jersey teachers, and many other organizations interested in education, are asking that the department of education be organized the same way. A state board can certainly be trusted to select its own administrative officer. It is evident, too, that little can be gained in introducing a third type of administrative set-up into a reorganization program which is designed to simplify and streamline our state government."

The Burlington County Municipal Association at their regular monthly meeting in Medford, June 17th, unanimously adopted a resolution favoring the appointment of the Commissioner of Education by the State Board of Education for a term of five years. It was feared appointments by the governor for a term identical to the governor's would be contrary to good administrative procedure and would place education in politics.

GIRL SCOUTS CLOSE SUCCESSFUL YEAR

The Girl Scouts of Riverton brought a most successful year to a close last Friday, after spending a happy week at Camp Matlone-quay. Thirteen of the Scouts earned part of their Pioneer Badge requirements by primitive camping for two days and nights, pitching and sleeping in tents and preparing their meals over open camp fires.

All of the girls at camp earned badges in various fields, such as swimming, boating, campcraft, etc. While at camp, the girls devoted some of their time to knitting squares for an afghan, and making infants garments to be presented to the Needlework Guild next fall. The counselors at camp were: Mrs. Roland Harris, Mrs. Edwin McVaugh, Mrs. Walter Phillips, Mrs. Edwin Candy, and Mrs. Alexander Garwood, with Miss Anne Sparks as Life Guard and Mrs. Jane Mattis Croshaw as nurse.

One of the past year's activities was collecting and moulding candles. The project was completed last month, when more than eleven hundred candles were turned over to the American Friends Service Committee. These candles will be given to the destitute in the war torn countries. The Troop Committee wishes to take this opportunity of thanking all those who donated candles and loaned candle moulds, to make this project possible.

The growth of the Girl Scout movement in Riverton has been so rapid that it has been necessary to form another Troop, No. 7, this year. Typical of the activities of Girl Scouting in Riverton was the final joint meeting of Troop Nos. 1 and 7 held recently. This consisted of an outing and swimming party, followed by a Court of Awards, at which time a Curved Bar — the highest award

in Girl Scouting, was presented for the first time in years to one of the local Scouts.

Riverton can also be proud of the fact it was here that the Girl Scout Leaders' Club was formed a little more than a year ago. The group has expanded so rapidly that it now has members from Girl Scout Troops in all parts of Burlington County, and is itself now a county-wide organization, engaged in the extension of the Girl Scout movement. Under the leadership of this group, which originated in Riverton, the first Burlington County Girl Scout Rally was held this Spring in Mount Holly, with more than five hundred Scouts and Leaders taking part. All of these leaders and troop committee members are volunteer workers. Publicity.

LUNDSTEDT WINNER

Bob Lundstedt, of Riverton, won the Duster race at the annual opening day regatta of Farragut Yacht Club, Camden, last Saturday.

Marcy Lippincott, also of Riverton, took first honors in the Comet race.

About Town

On Saturday, June 26, twenty friends of Mr. and Mrs. Donald Patterson of 311 Bank Avenue, Riverton, entertained them with a dinner at the Alhambra Lodge, Maple Shade, in honor of their 25th wedding anniversary. They also presented Mr.

and Mrs. Patterson with sterling silver ash receivers.

C. N. Hubbs, Jr., Route 25, Riverton was graduated from the Technical Institute of Temple University at commencement exercises held on Thursday, June 17. Mr. Hubbs has completed a course in heating and air conditioning engineering in the evening school which was interrupted by his service in the navy during the war.

CENTRAL BAPTIST CHURCH
Fifth and Maple Avenue
Palmyra
The Rev. S. Dan Morgan
Pastor

Winston Churchill said it — "The only worthwhile prize of victory is the power to forgive and to guide." Let us pray God for the humility and courage to use that power for the good of all people in these tense days of trial-and-error peace.

Sunday, July 4, 1948, Sunday School, 10:00 a.m.: Don't let holiday weekends keep you from this valuable place of learning.

Morning Worship, 11:15: The Pastor's topic will be "Great Women and Great Men," after which the Ordinance of Communion will be observed. The choir's anthem is to be selected.

Union Service, 7:00 p.m., in the Palmyra Grove, Central Baptist Church will be in charge.

Calendar of the week:
Wednesday, July 7, 8:00 p.m.: Prayer and Praise Service.

EPWORTH METHODIST CHURCH
Fifth Street and Morgan Avenue
Palmyra
The Rev. W. Neal Raver, Minister

Seventh Sunday After Pentecost
July 4th

9:45: Period of instruction in the Christian faith with classes at every age level. Come with your children to Church School.

11:00: Morning Worship. The pastor has selected as his sermon theme, "The Mission of America." The mixed quartet composed of Mildred Bauer, Ruth Strahan, George Reynard and Thalberg King, will sing with Rachel M. Lord at the organ console.

7:00: Community Vespers in the Grove conducted by the Central Baptist Church with Pastor Morgan as the preacher.

Saturday, July 10th: The Young Adults will sponsor a motorcade through central Jersey visiting many

of the so-called forgotten towns. A picnic supper will be held in the pines.

The Altar flowers last Sunday were given in memory of Mrs. Magdalena Fischer by Mrs. Elizabeth Meyer.

BORN ON JULY 4, 1876
SEEKS INFORMATION ABOUT OTHERS BORN SAME YEAR

Walter H. Hemming, Highland avenue and Wallace, Palmyra, who was born on July 4, 1876, is seeking information regarding any one in this vicinity who was also born on that historic date. Mr. Hemming desires this data for the book, "Historical Records of Notable Anniversaries" which he has been preparing for the past five years.

Mr. Hemming, who resided in Philadelphia for many years, was a newspaper publisher for 50 years and published several of Philadelphia's leading weeklies.

BOYS DAY CAMP OPENS TUESDAY

The Palmyra-Riverton YMCA Day Camp for boys between the ages of 8 and 14 years will open Tuesday, July 6th, at 9:30 a.m. The Day Camp will operate for four weeks, four days each week from 9:30 to 4:30 each day. Headquarters for the camp will be at Community Center. Games, crafts, adventures in nature, swimming and major trips will be the features of the program; one trip will be an overnight camping trip to Camp Ockanickon.

Under the direction of William Herbst the boys will meet each morning at 9:30 bringing their lunches and stay until 4:30 each afternoon.

Applications and folders can still be obtained from members of the committee who are: Russell Bigelow, Taylor Kirby, Edward W. Fry, Lawrence Coolbaugh, Howard Taylor.

Mrs. Henry A. Ashburner, of Riverton, left Thursday for Point Pleasant, N. J., where she will spend the summer.

LOCAL BALL CLUB SHOWS PROMISE

Last week Riverton A. A. played two ball games, beating the South Philadelphia Aces on Thursday, 7 to 0, and losing on Saturday to Camden A. A., 4 to 1 in 10 innings.

On Thursday night it was Riverton A. A. all the way. Behind the fine pitching of Frankie Williams and Bob Kelvey, the opposition could garner only three base hits in seven innings. Riverton's batting attack was led by Watkins, Hall, Kemmerle, Durgin and VanEmburgh, the latter getting one of the longest hits ever seen at Riverton, the ball hitting the trees in center field.

Saturday's game with Camden A. A. was a pitchers' battle for nine innings. The score was 1 to 1 going into the tenth, each team having scored its run in the ninth. Fred Langenberg pitched for Riverton and limited the opposition to one hit for the first eight innings. In the tenth inning, Camden pushed across three runs to win. A casualty of this game was Dick Durgin who suffered a split finger while stopping a hard grounder. Riverton's batting attack was led by Haines and Freeman, each with two hits.

On July 5th, Riverton will again play Camden A. A. A big crowd is expected to be out to root for the local boys. Judging from the increasing crowds, Riverton has a ball team that the people can be proud of. Don't forget July 5th, 3:15 p.m., at Memorial Park, Riverton.

Sheldon W. Ehringer, 335 Leconey avenue, Palmyra, a member of Palmyra High School faculty, received his Master of Education degree from Temple University at the recent commencement exercises.

Alexander Hamilton secured permission from the New Jersey Legislature to use Passaic River for water power thereby helping to establish the first spinning mill in Paterson in 1797.

SUNDAY DINNER Suggestions

PACK a large basket with filling, wholesome food and treat your family to a gay Sunday dinner under the blue skies. For that free-from-care outing, the A & P Service for HomeMakers makes the following pack-up-and-go suggestions.

The picnic dinner features sandwiches that are filling, peanut butter and chopped, crisp bacon; cold baked beans with chopped pickles; hard-cooked eggs; sliced cold meat with onion rings and mustard; sardine and egg; liverwurst and tomato, among others. Include plenty of olives, pickles, celery, fresh fruit, and a thermos jug of milk or coffee.

For a fix-it-on-the-spot repast, take along materials for skillet spaghetti. Shred four slices of banana into a skillet and brown lightly with three or four chopped onions. Add a No. 3 can of tomatoes and a nine-ounce package of spaghetti. Salt and pepper to taste, cover and simmer slowly until tender, about half an hour. A tightly-covered pan should be carried along to reheat the buttered rolls. Top off the meal with fruit, cookies and camp-style coffee. This dinner will serve four.

No dishes are allowed at a kabob dinner, but do pack plenty of napkins. For picnic kabobs thread alternately on skewers one-inch cubes of steak, pieces of bacon and small onions. Roast over a bed of hot coals, season to taste and serve with warm, buttered rolls and a swish of mustard. For crisp eating, pack slices of carrots and lettuce in a fruit jar containing ice.

Don't forget those minor items that mean so much to the success of a picnic dinner, such as salt, pepper, drinking cups, paper plates, cutlery, oiled paper, napkins, etc.

LIVER SAVES LIVES

THIS year, as in every bygone year of civilized history, hundreds of people are falling prey to a once dreaded disease called pernicious anemia. Until about 20 years ago, nearly every victim of this disease died of it within four or five years of its onset. Today, no one need die of pernicious anemia. Few in fact do succumb to it, and many anemic patients are not known as such even to their intimate friends.

The story of the identification and conquest of pernicious anemia is a fascinating one—typical of many another medical triumph. Nearly a hundred years ago, Thomas Addison, a London physician, described what was first called Addison's Anemia, later to be known as pernicious anemia. In the same volume, he described what has ever since been known as "Addison's Disease"—but that's another story.

Dr. Addison's Anemia was remarkable because it had no discoverable cause. There was no direct loss of blood, no malignant disease was associated with it, and it seemed to occur "generally beyond the middle period of life." Until 1925, this disease, although well known, was never successfully treated, and was nearly always fatal.

In the early 1920's Whipple, a young doctor in California began to experiment with anemia in dogs, and a few years later Drs. Minot and Murphy in Boston applied Whipple's principles to human beings. By 1926, they were able to report a cure for pernicious anemia, and in 1928, Whipple, Minot and Murphy shared the Nobel Prize for their achievement. Pernicious anemia is due to a

breakdown in the body's blood manufacturing process resulting in a lack of red corpuscles, the little packages that carry the hemoglobin and oxygen through the blood stream. The cure consists of the addition of liver—large quantities to the diet, for it was discovered that liver provides the material required for production of red cells.

In the past 20 years, this remarkable discovery has been much refined in its application. In order to save people from having to eat a half pound or more of liver every day, it has been concentrated, and certain stomach extracts have been found equally effective. In recent years, synthetic folic acid and a glandular extract called thymine have proved nearly, perhaps quite, as good as liver in the treatment of pernicious anemia.

The conquest of pernicious anemia is only one of the medical victories in which our canine brothers have played an essential—although involuntary—part. Perhaps the day will come when some of the other diseases of middle and later life that are now accepted as inevitable degenerative processes of aging—as pernicious anemia once was—may be arrested and cured.

CALVARY PRESBYTERIAN CHURCH

Fourth and Lippincott Avenue
Riverton

The Rev. R. B. Stewart, Pastor
During the months of July and
August the Calvary Church School
will meet in departmental groups
rather than class groups. All groups
will meet at the regularly scheduled
hour of 9:45. The Semper Fidelis
Bible Class and the Men's Bible
Class will also meet at this hour.

Next Sunday morning, during the
morning worship hour we shall be
thinking of the meaning of independ-
ence in relation to the will and pur-
pose of a sovereign God. The sub-
ject of the morning message will be
"A Nation Whose God Is the Lord."

The soloist is Mrs. Anne Schuck
who will sing "The Lord's Prayer,"
by Malotte.

The Church Nursery has been dis-
continued for the months of July
and August, and will be resumed in
the second Sunday in September.

On Sunday evening at seven the
"Grove Service" will be conducted
by the Central Baptist Church, the
Rev. S. Dan Morgan in charge.

When our founding fathers framed
our Declaration of Independence they
were not interested in "independ-
ence of God." They were very much
interested in a condition of
"independence under God." Among
the freedoms they declared was
"freedom to worship God." Let us
all exercise that freedom on this In-
dependence Day that falls on the
Lord's Day.

MITCHELL—MARTIN
Christ Episcopal Church, Riverton,
provided the setting for the
wedding Saturday, June 26, at 4:00
o'clock, at which Miss Elizabeth
Louise Martin, daughter of Mr. and
Mrs. C. Albert Livesey Martin, of 1
Fourth street, Riverton, became the
bride of Mr. Francis Raymond
Mitchell, son of Mr. and Mrs. James
B. Mitchell, of 605 West Broad
street, Palmyra.

The double ring ceremony was
performed by the Rev. John R.
Crockett, rector of the church.
The bride who was given in mar-
riage by her father was gownned in
a model of white chantilly lace, the
train falling from the low shirred
waistline. The skirt was full and
the bodice was designed with long
sleeves tapering into points over the
hands and an illusion off-shoulder
neckline outlined by a ruffle of the
lace. Her chapel veil of heirloom
Queen Anne lace was arranged from
an open crown bonnet of tulle,
trimmed with clusters of orange
blossoms. She carried an arm bou-

quet of white carnations and rubrum
lilies.

Mrs. Servi A. Spreder, of Collings-
wood, attended her cousin as matron
of honor and Miss Phyllis Moffitt,
of Palmyra, was maid of honor.
They wore identical frocks of white
marquisee fashioned with illusion
off-shoulder necklines, edged with
ruffles, and hoop skirts featuring
bustles from which ruffles extended
to form deep fountains at the hemline.
The matron of honor wore a heart-
shaped hat of light blue net and lace
mitts in matching shade and those of
the maid of honor in pink.

The bridesmaids were gownned like
the honor attendants, Miss Ruth
Holtz, of Marlton, wearing a green
hat and mitts; Miss Elaine Cole, of
Riverton, orchid; Miss Janet Small-
ley, of Collingswood, yellow, and
Miss Myrtle Leck, of Darby, Pa.,
aqua. All carried arm arrangements
of mixed flowers.

Mr. Mitchell served as best man
for his son and the ushers included
Mr. Russell E. Mitchell and Mr.
James B. Mitchell, Jr., brothers of
the bridegroom; Mr. Albert E. Park-
er and Mr. Peter Martucci, of Pal-
myra, and Mr. Richard D. Snow, of
Riverton.

The bride's mother chose a coral
gown with brown accessories and a
corsage of yellow orchids. The
groom's mother was attired in blue
with pink accessories. She wore
white orchids.

Following reception at the Riverton
Porch Club, Mr. Mitchell and
his bride left for a honeymoon in
the Poconos. On their return they
will reside at 512 Main street, Riverton,
where they will be at home after
July 15.

The first steam engine in America
was installed in the Schuyler Copper
Mine is what is now North Arlington,
New Jersey, in 1755.

JULY 4th AWARDS

Riverton's Fourth of July celebration was held on Monday of this week and in the opinion of local residents was the most successful held in years. All the events were witnessed by big crowds.

The morning parade had an unusually large number of participants and was carried off according to schedule under the capable direction of Clarence Mattis and G. Lincoln Ridley, co-chairmen.

At the river bank where exercises were held, the invocation was pronounced by the Rev. Robert B. Stewart, pastor of the Calvary Presbyterian Church. Mayor S. Robinson

Coale welcomed the assemblage and thanked the members of the local committees for their fine work in preparation for the day's events.

Mayor Coale also spoke on the significance of Independence Day and said that we, as Americans, should be very thankful that we live in these United States.

Miss Lorraine Davis won the applause of the crowd by her splendid rendition of the "Star-Spangled Banner" and "God Bless America." The benediction was pronounced by the Rev. Y. L. Sims, pastor of Mt. Zion A. M. E. Church, Riverton.

The parade prizes awarded by the judging committee headed by Russell Rivers, chairman, were as follows:

THE NEW ERA
RIVERTON :: PALMYRA :: CINNAMINSON

THE NEW ERA, THURSDAY, JULY 8, 1948

PRICE FIVE CENTS

Report from Your Congressman

FRANK A. MATHEWS, JR.

The tumult of the Republican National Convention has subsided. From a total of a half dozen or more candidates for the Presidential nomination, but one could be selected. Almost everyone had his favorite. Dewey and Warren do not satisfy those who always insist either upon having their own way or believing the world is all wrong. But the ticket is acceptable to every reasonable Republican to whom your Congressman has talked. Looked at from all angles, it is probably the strongest and best that could have been chosen.

To those who, unless their own personal views are followed, insist on moping in a corner instead of actively supporting the chosen candidates, your Congressman can only recommend for them a term in Congress, where everything is a compromise and practically nothing ever wholly conforms to one person's views. You have to decide, often many times in a single day, whether there is sufficient good in a measure to vote for it or so much bad that you must vote against it and, even then, should the majority vote the other way, you have to take it whether you like it or not and move on to the study of and decision upon the next problem.

It is amazing to hear the loudest shouters for democratic processes rave and carry on when, through these very processes the majority disagrees with them.

Sometimes minorities turn out to be right. These instances are personal justifications for the members of the minority. They have nothing to do with democratic processes except to show to those willing to learn, that the majority can be wrong which is one reason we have our Constitution.

Many people are surprised and displeased at the poor showing of certain candidates at the Convention, like Senator Vandenberg for instance. There are good and sufficient reasons for this showing.

The Dewey-Warren ticket represents a middle of the road course in foreign policy, at least. It is neither extremely isolationist nor extremely internationalist. This naturally satisfies your Congressman, because that is the road he has followed, never having been an extremist in either direction. Your Congressman voted against the British Loan, which in retrospect can well be called the British waste, and the Greek-Turkish thing. He voted for the foreign relief bills, the interim aid bill and the E.R.P., but against the wasteful appropriations not justified by the evidence of the needs of the foreign countries involved.

Senator Vandenberg has been both an extreme isolationist and an extreme internationalist. He suddenly pulled his head out of the deep sands of isolationism only to stick it in the rosy clouds of internationalism. However honest his convictions in either case, he has demonstrated a lack of stability disturbing to Americans who want to help other nations help themselves toward their economic recovery without destroying or dangerously jeopardizing our own or assuming for these foreign countries the full responsibility for their recovery.

The Convention, in the humble opinion of your Congressman, acted wisely and well. It has insured a Republican Administration of integrity, administrative ability and sound American foreign policy — things this nation so, so badly needs.

HIT BY BASEBALL

William Conway, a member of the Camden A. A. baseball team suffered a possible fractured skull at Memorial Park on Monday afternoon when he was hit by a baseball during the game with Riverton A. A.

The accident occurred when the Camden catcher attempted to pick off a runner at second base. Conway, with his back to the plate, was struck on the back of his head and dropped unconscious to the ground. After first aid was rendered he was taken to Cooper Hospital, Camden.

More Entries Needed

The beauty contest now being conducted by the Palmyra String Band is progressing. Seven girls have now entered, but those in charge would like to have more, believing there are many girls in this area who are eligible.

This contest is the stepping-stone to that title every American girl would like to have, "Miss America." Get your entry blank filled out and turn it in to 13 East Broad street, Palmyra. It will be fun as well as profitable.

We wish at this time to thank the following merchants who have donated gifts to be given to the contestants on July 31st.

The Schwering Store, Palmyra, radio.

The Palmyra Home & Auto Supply, Palmyra, luggage.

Shulman's Department Store, Palmyra, lingerie.

Tickets are now on sale for the gala show at the Palmyra High School auditorium on July 31st. If you haven't done so already purchase your tickets now \$1.20 tax included.

GOLF PROGRAM

An all-day golf program has been scheduled for Saturday, July 10, at the Riverton Country Club.

There will be an all-day putting contest with attractive prizes for the winners.

At 12:30 an exhibition match will be played with the nationally famous Joe Kirkwood paired with Sam Hill and playing against Roy Kippie and John Hayes, club pro.

Mr. Kirkwood will also lecture and demonstrate trick golf shots at 4:30 p.m.

There will be a picnic supper, followed by a treasure hunt at 9 p.m.

Admission for members and guests will be by ticket only. One \$5.00 ticket for everything admits the entire family.

Paul Coffee is chairman of the special events committee.

RIVERTON A. A. WINS HERE ON JULY 5

On Thursday, July 1st, Riverton A. A. lost to Westville, 7 to 2. Four runs in the first inning put the game on ice for the opposition. From thereon, Frankie Williams pitched good ball, and Westville could only get three hits in the remaining eight innings.

Riverton's betting attack was led by Bill Kemmerle, who got two hits. Altogether, Riverton garnered eight safeties.

The next evening Riverton journeyed to Pennsgrove where they played under the lights. It was a brilliant pitchers' battle, with Riverton losing out 2 to 0. "Jersey Joe" Zimmer pitched for Riverton, and allowed Pennsgrove only 7 hits.

However, Sowers, Pennsgrove pitcher, was even better, and Riverton could only nudge him for two singles.

On July 5th, before a large and enthusiastic holiday crowd, Riverton beat their arch rival, Camden A. A. 6 to 4. Fred Langenberg went the whole route for Riverton, and was in trouble only in the sixth and seventh innings. Johnnie VanEmburch and Pudgie McDermott each helped the winning cause with doubles.

Faulkner, Riverton's fancy catching center fielder, chipped in with two singles.

Remember that every Thursday at 6:30 p.m. and every Saturday afternoon at 2:30, you will find baseball at Riverton Memorial Park. The Riverton A. A. plays good, fast opponents, and in victory or defeat the games are interesting to watch.

Show the team that you are behind them by coming out regularly and cheering for the fighting Riverton A. A.!

BOYS' STATE CONCLUDED

Several Burlington county youths played an active role in the selection of a Governor of the Jersey's Boys' State concluded Sunday on the campus of the New Jersey College for Women at New Brunswick. The project was under the direction of

the American Legion Department of New Jersey.

In the eight day program sponsored by the American Legion for boys between the age of 16 and 18 years they set up model governments, heard lectures on government and attended special classes in

law, public safety, civil service, health and recreation.

An orchestra and a band was formed during the Boys' State with a graduation exercise attended by many of the boys' parents and legionnaires of the county on Sunday. Many of the programs were broadcast over many New Jersey networks. The boys also ate in the University dining hall, and enjoyed recreational facilities of the University swimming pool and playing fields. Some 35 supervisors aided in the direction of the program to stimulate interest in government.

Each of the 18 youths attending the Jersey Boys' State from Burlington county will appear before his sponsoring group and report to his operation in the program. The opportunity to sponsor many of the youths in the program was shared by many civic clubs in Burlington county including the Palmyra-Borough Council; Palmyra-Riverton Lions and Rotary clubs together; Bordentown Rotary Club; Florence Kiwanis; Riverside Kiwanis. The program is underway by some 44 states with the Boys' State Governor taking part in a National Forum held in Washington early in August.

Jersey Boys' State pins were presented to each boy by the Department 40-8 organization of the American Legion. The boys will become members of the Burlington county alumni group and later take part in the State winter session held for a day in December where the various delegates will tour the State capitol and meet the State officials.

About Town

The first week of the Palmyra-Riverton Day Camp has found a good enrollment. Although a part of Tuesday was spent for registration the camp got off to a good start by swinging right into its scheduled program, which has included games, crafts, hiking, adventures and swimming. The director, William Herbst, has announced that a few more boys should be given to the director next Tuesday morning at the Camp Headquarters which are at the Community Center.

Robert Seither, son of Mr. and Mrs. Mrs. Seither, 1205 Columbia avenue, Palmyra, is convalescing at the Cooper Hospital following an emergency appendectomy.

Mr. and Mrs. Raymond J. Fichter and daughter, Diane Leconey avenue, Palmyra, spent the Fourth of July weekend at the Baker apartment in Ocean City. Mrs. Fichter and her daughter will remain at Ocean City this week.

Mr. and Mrs. Frank J. Hamlin, of Second street, Riverton, had as their guests last weekend, Mrs. Hamlin's mother and father, Mr. and Mrs. James J. Karins, Mountclair, N. J., and Mr. and Mrs. Thomas Karins and family, Bloomfield, N. J.

Mr. and Mrs. Walter D. Lamon, Jr., of Cinnaminson avenue, Palmyra, are receiving congratulations on the birth of a son, Walter D. III, on Wednesday, June 30, at Cooper Hospital, Camden. Mrs. Lamon is the former Dorothea Trout, of Palmyra.

SUNDAY DINNER
-Suggestions-

YOU'LL have Sunday dinner fit for a king if you feature pork shoulder with savory dressing, suggests the A & P Service for Home-Makers. Begin the meal with cream of asparagus soup, followed by candied yams, green peas, a celery and apple salad, the pork shoulder and relish pie for dessert.

First prepare the stuffing. Cook for a few minutes one-fourth cup of celery and leaves, one tablespoon of diced onion, one tablespoon of chopped parsley and one-fourth cup of chopped green pepper in two tablespoons of fat. To this add two cups of bread crumbs, one-fourth teaspoon of savory seasoning and salt and pepper. Stir until mixed well. If you desire, chop tart apple or chopped nut meats may be added.

Skin a 5-to-6 pound fresh pork shoulder and carefully remove the bones. Sprinkle meat on the inside with salt and pepper and a little hot sauce, and pile in some of the stuffing. Begin to sew edges together to form a pocket, and as the hole closes work in the remainder of the stuffing. Sprinkle outside of the shoulder with salt and pepper, and a little flour, if desired.

Place the meat, fat side up, in a shallow, uncovered pan. Roast without water for about four hours, or until tender, in a moderate oven (325 F.). Turn the roast occasionally. Remove the strings before serving. This recipe will serve four.

For added flavor you can place slices of juicy apple on top of the meat about an hour before you remove it from the oven. A sprinkling of cheese over the meat will also impart a delicious flavor.

July 4. He was 98 years old.

Funeral services were held on Thursday, July 8, at his late residence, at 1:00 p.m. The Rev. John Crockett officiated.

Interment was in Morgan Cemetery, Palmyra.

He is survived by one son, Isaac, East Riverton, 11 grandchildren and 18 great grandchildren.

New Jersey high schools have been free to residents of the State since 1871.

The New Jersey State Chamber of Commerce was organized in 1912 to enable the business men of the State to coordinate their efforts to advance the general welfare of New Jersey.

Know Your Government

GRAVE DANGER AHEAD

Party platforms, both national and state, are invariably not without promises of economy and efficiency in government. And party platforms invariably have more loose planks and trap doors in them than a carnival stage. But this year the party that puts its man in the White House better stand by every promise of thrift with the taxpayers' dollars and then some. If not, party platforms themselves, conventions, elections, and every other process that makes our land free will be on the verge of not being "long for this world."

In substance, that's the opinion of two of the nation's foremost U. S. Senators, both from separate political parties. Just before Congress adjourned, Senator Byrd, Democrat of Virginia, and Senator Taft, Republican of Ohio, warned against increased Federal expenditures in the future as the Senate defeated an economy resolution when the \$200 million rivers and harbors "pork barrel" bill was being debated.

Said Senator Byrd, as he stressed that the Federal government is on its way to a \$50 million budget in a few years: "I warn the Senate that we are rapidly approaching a real crisis in our Federal expenditures. Financial instability would serve the enemies of democracy far more than any weapon that can be devised."

At the same time, Senator Taft warned that unless the Federal government puts a limit on its spending, the nation is certainly headed for a depression—a long-time goal of the Communists.

The New Jersey Taxpayers Association says: "History has shown that all nations which have taxed more than 25 per cent of their national incomes have suffered either financial collapse or totalitarianism. The U. S. has precariously exceeded this by more than 6 per cent, having taxed more than 31 per cent of the national income in 1947."

May the best man move into the White House next January, but may that man realize that increased expenditures put even more than the taxpayers' hard-earned dollars at stake.

placed each time a new administration would take over at Trenton. This situation would not be good for the educational system of this state. The State Federation of District Boards of Education, the State Department of Superintendence, and the Burlington County League of Municipalities have all taken official action opposing the bill as now drawn up.

New Jersey is rated second in the nation as a producer of ceramics and ceramic ware. The Garden State's ceramic output is valued at more than Three hundred million dollars.

All truth is from inspiration and revelation, from Spirit, not from flesh.—Mary Baker Eddy.

LIONS CLUB MEETING

The Palmyra-Riverton Lions Club held their first meeting of the 1948-49 fiscal year on July 6th. Highlights of the occasion were presentations by President William Cooper of a past president's pin to George Weigand and a 100 per cent emblem to F. W. Metzger for the year just completed.

The Bell Telephone Company provided the entertainment for the evening in the form of a movie entitled "Mr. Bell." The picture was a costumed portrayal of several highlights of Alexander Graham Bell's inventive career with the emphasis on his interest in teaching the deaf to speak.

The session was followed by the monthly meeting of the Board of Directors.

VOLUNTEER INSTRUCTORS NEEDED AT FORT DIX

Volunteer instructors are needed in the Hobby Shop, Fort Dix, Monday through Thursday, from 6 to 10 p.m.

Instructors are needed in the following activities:
Ceramics, photography, wood-working and carving, art metal work, plastics, leather work and braiding, drafting, clay modelling and casting, acetate and block printing, oil and water color painting and sketching.

Volunteers are asked to call the Burlington County Chapter, American Red Cross at Burlington 3-0557.

Playground Planned

At the meeting of the Cinnaminson Township Committee held on Tuesday night of this week, a delegation of residents from the Palmyra Extension section requested that the governing body lease them 12 lots in the Extension section for conversion into a playground. The lots in question are municipally owned.

A spokesman for the delegation stated that there are at least 100 children in the area who are under 14 years of age and that they have no suitable place for recreation. He stated that an organization of parents was being formed and that the cost of the proposed equipment such as swings, see-saws, etc., would be financed through contributions. He also said that a small baseball diamond was among the projects contemplated on the plot which measures 240 feet square.

The Committee was most favorably impressed by the proposal and will probably take definite action before the August meeting to assign 12 lots to the association for a nominal rental so that the playground may soon become a reality. Since the association plans to furnish the equipment, the Township will have no financial obligation in the project.

RIVERTON A. A. LOSES

Riverton A. A. played only one game during the past week, losing to the Camden Giants 11 to 5 on Thursday night.

The engagement was marked by hard hitting on both sides. The Giants jumped to a 4-0 lead in the first inning with a tremendous home run by Miller that rolled over the right field embankment into the creek. Riverton fought back valiantly and was trailing by only two runs going into the last inning. However, the Giants again led the range and pushed across 4 runs in this frame. Joe Zimmer started for Riverton, but due to a stiff arm his curve was not as effective as usual. Riverton's batting attack was led by Bill Hall, Harry Watkins, and Bert Brewster, the latter two each contributing a triple.

William Freund, manager of the Riverton A. A., would like to extend his apologies to those disappointed fans who turned out last Saturday expecting to see a ball game. Riverton was scheduled to meet Laurel Springs, but the latter did not show up at game time.

The Riverton A. A. publicly acknowledges, with thanks, the services of those residents who have acted as campers.

This Saturday, July 17, Riverton will play a game at the Park at 2:30 p.m. On Sunday, July 18, Riverton travels to Westville for a game with the Westville Tigers. On Thursday, July 22, Riverton plays Merchantville, leaders of the Camden Suburban League, at Riverton. Game time 6:30 p.m.

Mr. and Mrs. Lee Mitton, of Cinnaminson street, Riverton, have returned from a motor trip to Detroit, Michigan and Niagara Falls.

First Baptist church in New Jersey was established in Freehold, Monmouth County, in 1667.

Captain Ryan Honored

V. Larwood Caldwell, President of the Burlington County Council, Boy Scouts of America, stated today that another honor has come to the Council in the recent announcement from Dr. Elbert K. Fretwell, Chief Scout Executive, of the election of Capt. J. B. Ryan, U.S.N. (ret.), Palmyra, as a Member-at-Large to the National Council of the Boy Scouts of America. Captain Ryan's election took place at the annual meeting of the National Council held in May at Seattle, Washington.

Captain Ryan has been active in Scouting since January 1938, at which time he became a member of the Tri-Borough District Committee, now the Riverton District Committee. In January 1941, he was elected President of the Council, having served as District Committee Chairman from January 1939 to December 1940. He has been an outstanding member of the Executive Board of the Council since 1938, and is currently serving as Chairman of the Council's Camping and Activities Committee, which is at present developing long range plans for the future development of the Lenape Boy Scout Reservation.

Captain Ryan is also holder of the Silver Beaver Award, the highest award that a Local Council may present to its Scouters for "distinguished service to boyhood."

LOCAL GIRLS DIRECT PROGRAM AT CAMP

Priscilla Woodward, daughter of Mr. and Mrs. R. M. Woodward, Mary Lou Baker, daughter of Mrs. F. E. Baker, and Barbara Taylor, daughter of Mr. and Mrs. Howard Taylor, are directing program at Day Camp Shining Arrow, New Lisbon, where with a record enrollment of 146 girls are enjoying activities of sports, craft work, and waterfront program.

The sports program including archery, badminton, darts, dodgeball, ping pong, quilts, softball and volleyball is directed by Priscilla Woodward and supervised by the twelve high school girls serving as training counselors under her.

Barbara Taylor, a qualified Red Cross swimming instructor is assisting in the supervision of the waterfront program. Classes in swimming for beginners, intermediates, and those seeking Life Saving instruction are offered as well as boating instruction.

The nature study program being initiated by Mary Lou Baker is proving of unusual interest to the youngsters. She also is directing a program of informal dramatics. Skits given by hut groups prove a happy medium of self expression to many campers and real dramatic ingenuity is stimulated.

The enrollment of campers from Riverton and Cinnaminson indicates how thankful parents are for this carefully supervised Day Camp program sponsored by the Burlington County YWCA.

Only by having buses transport campers to the New Lisbon site, can such a waterfront program be made available to so many local girls aged 9 to 14 years. This season four buses transporting the campers and the local campers are picked up at and returned to the Riverton Railroad Station.

WATCH YOUR DOG

We are coming into the so-called "dog days" of midsummer. Those torrid, insufferable days are called "dog days" because they are the days when dogs are supposed to go mad with the heat, running around and spreading rabies or hydrophobia among other dogs and human beings.

Actually there are more cases of rabies developing in the early spring than in midsummer.

Rabies has existed for thousands of years. Its other name, hydrophobia, comes from two Greek words: hydro, meaning water; and

MONTE CARLO NIGHT IS POSTPONED

The Monte Carlo night scheduled for this Saturday at the Riverton Yacht Club has been postponed until September.

The date on which the affair will be held is to be announced later.

Cinnaminson Growing

Cinnaminson Township is growing rapidly as is evidenced by the reports of the building inspector, William F. Kennard, who reports that permits were issued during the month of June for construction in the amount of \$88,000.

The new projects include six dwellings, a barn and a motor court on Route 25.

Mr. Kennard's reports for the past several months have shown that more permits have been issued this year than has been the case for a number of years.

phobia, meaning fear or madness. This strange sickness throws its victims into distressing convulsions when they try to drink any liquid, particularly water.

All mammals can have rabies, but dogs account for more than 90 per cent of all such cases, possibly because they are free to run wild and bite, which is their chief means of defending themselves in an altercation.

Rabies is an acute, specific, rapidly fatal paralytic disease. If it develops in a human being, there is no known cure for it and that is a certainty. It is a peculiarly painful and distressing disease as well, characterized by convulsions, mental disturbances, and sensitivity involving the entire central nervous system. The virus, or germ, that causes this disease has not yet been identified, but it is found in the saliva of the rabid animal and may be detected four or five days before other symptoms appear. It is known beyond doubt that the germs of rabies enter the body only through an abrasion or puncture of the skin, usually a dog bite. Children are the most frequent victims because they cannot defend themselves, are apt to be too friendly with animals, especially dogs, and are unable to escape a maddened or diseased animal.

When a person is bitten by a dog, no matter how small the wound, a physician should be consulted immediately. The period of incubation—from the time of the bite to the appearance of symptoms—may take anywhere from two weeks to six months. During these varying periods of incubation, no signs of approaching attacks are evidenced and the wound will heal. This deceptive situation makes it all the more important that a bite be treated properly by a doctor. He will probably cauterize the wound with nitric acid and then decide whether to give antirabic vaccine—a treatment developed by the famous Dr. Pasteur. Any dog that has bitten a person should be held under suspicion of rabies and should be promptly reported to the health or police authorities for immediate confinement and investigation by a veterinarian. If the dog acts perfectly normal over a period of ten days, confinement and observation, he is almost certainly not rabid and the Pasteur treatment may not be considered necessary.

Not everyone is susceptible to rabies but one out of every four people bitten by a rabid animal is almost sure to contract rabies unless treated against it.

In New Jersey, about eight years ago, there was a serious outbreak of rabies and for three months all dogs were quarantined. Seemingly, rabies can be practically eliminated by eliminating stray dogs from cities. It is quite as important to the dog as to the human being to have rabies treated perfectly control. In cities, this means that all dogs should be licensed and all licensed dogs kept on leashes when out of doors.

The Day Camp with its headquarters at Community Center has had programs of games, crafts, swimming and nature hikes. William Herbst is the director.

JACKSON — BORER

The marriage of Miss Helen Louise Borer, daughter of Mr. and Mrs. Edward W. G. Borer, of 718 Main street, Riverton, to Mr. Hugh Kirk Jackson, of Hartford, Connecticut, son of Mr. George W. Jackson and the late Mrs. Roscoe E. Bronson, took place at four o'clock on Saturday, July 10th, in the Chapel of the First Church of Christ, Congregational, Wethersfield, Conn.

Preceding the ceremony Mr. Joseph E. Davis sang "Because" and "At Dawning." The double ring ceremony was performed by the pastor of the Church, the Rev. Keith M. Jones, in the presence of the immediate families, and a few friends, before an improvised altar of palms, lilies and lighted candles. Escorted by her father, the bride wore a cream colored suit of silk, lace shantung, and natural lace straw halo hat, trimmed with green nylon and yellow rose buds. She carried a colonial bouquet of yellow roses and baby breath. Her matron of honor and only attendant was Mrs. John Haywood Gillingham, of Fort Washington, Pa., who was attired in a lemon colored suit, and pale yellow straw hat, and wore a corsage of mixed flowers. Mr. Sidney F. Warner served as best man for Mr. Jackson. The bride's mother wore a gown of pale blue lace and chiffon, and matching hat with pastel flowers, and wore a corsage of pink rose buds.

Following the ceremony Mr. Davis sang "The Lord's Prayer."

After a reception in the chapel Mr. and Mrs. Jackson left by private plane for their honeymoon at Martha's Vineyard. Upon their return the couple will reside at 11 Cottage avenue, West Hartford, Conn.

Know Your
Government

IT PAYS TO ORGANIZE

Some fortunate stockholders in the nation's biggest business—American government — are receiving greater dividends, thanks to the expanding number of citizens who are taking an active interest in their local government on an organized basis. There have been profits galore in the last few years for taxpayers in some towns, for citizen interest in government has gone way beyond the teacup-balancing discussion stage.

It's no namby-pamby citizen group that has prompted the housecleaning of the scandalous conditions in Philadelphia's city government. The down-to-earth, hard-hitting "Committee of 15," which pulled all of "Philly's" civic and business groups

together, has blown the roof off of the municipality's corrupt government, while initiating economies to save thousands of dollars.

In the South Jersey town of Bridgeton, a few years ago, a Citizens League investigation into the affairs of the city's governmental machine revealed gross inefficiency and waste. Among other things, the citizen group found that the city council was "splitting contracts" to avoid advertising for bids in the amount of over \$1,000 as is required by State law. The upshot of the citizens probe was a summary in-

vestigation, ordered by Supreme Court Justice Eastwood.

Recently State Supreme Court ruled that a Trenton ordinance requiring street paving bidders to have an asphalt plant within the city is illegal. Said Justice Cole: "The result of such a requirement might be the exclusion of a lower bid to the detriment of the taxpayers." And that exactly was the thought of one taxpayer who filed the suit against the city which resulted in the Court's decision.

The New Jersey Taxpayers Asso-

ciation says: "The ranks of citizens who take an active, organized interest in government are growing. Citizens in cities where such a movement is underway have found that they are repaid in better, less costly government which gives a dollar's service for every dollar paid by the taxpayers."

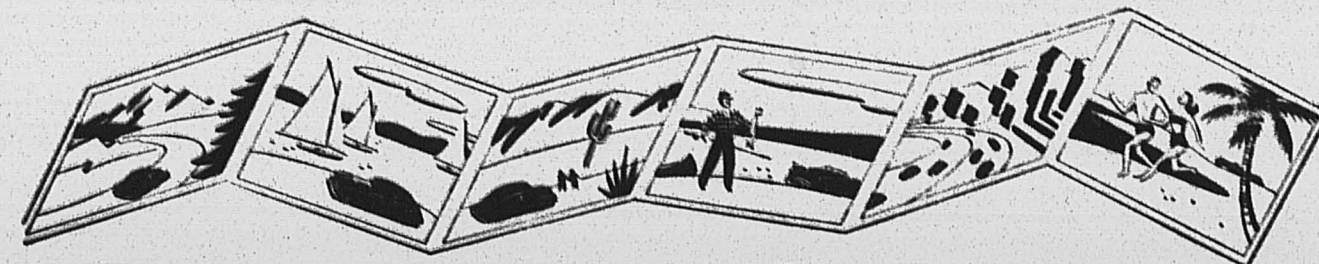

The average taxpayer's investment in government is almost twice as much as he puts into food. It's just smart business to keep a weather-eye on an investment of 31 cents out of every dollar — the average amount Mr. Taxpayer sinks into government.

PONTIAC

Fine for its Second owner too!

Recently, a large group of used car owners were asked what car they would buy if they were buying new cars today. Those who own used Pontiacs led them all in saying they would buy new cars of the same make they are now driving. In other words—according to this survey—a used Pontiac is more satisfactory to own than any other make of used car. Of course, that could mean only one thing: Pontiac's dependability and long life are out-

standing, and Pontiac's fine performance lasts throughout the years. There could be no finer endorsement of a new car than this—and we trust you won't forget it when you order your own next car. Remember, too, Pontiac is the lowest priced car in the world offering GM Hydra-Matic Drive—a tremendous advance in better motoring. It's wise to choose a Pontiac—a car so fine that even its second owner is sure to like it.

*General Motors Hydra-Matic Drive and White Motorist Test optional at additional cost.

A driver who was not breaking any law, and two passengers with him, turned to death in this inferno when a reckless over-
taking maneuver led to a head-on collision with a car carrying a family of four. The car was a 1947 Ford, and the driver was a young man. The passengers were a woman and two children. The car was completely destroyed, and the driver and passengers were killed. The car was a 1947 Ford, and the driver was a young man. The passengers were a woman and two children. "Life" is the subject for Sunday, July 18.
Golden Text: "As the Father hath life in himself; so hath he given to the Son to have life in himself." (John 5:26)
Sermon: Passages from the King James version of the Bible include: "Thou wilt shew me the path of life: in thy presence is fulness of joy; at thy right hand there are pleasures forevermore." (Ps. 16:11)
Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "If life were in mortal man or material things, it would be subject to their limitations and would end in death." p. 331 "Because Life is God, Life must be eternal, self-existent. Life is the everlasting I AM, the Being who was and is and shall be, whom nothing can erase." (p. 289)

The body of Pic. John Adams, Jr., 21 years old, son of John Adams, Broad and Randolph avenue, East Riverton, and Mrs. Mabel V. Adams, Riverside, has been returned to the United States for burial aboard the U.S. Army transport Carroll Victory, from the military cemetery at Salerno, Italy.

Pic. Adams entered the service in 1942, receiving his training in the Infantry at Atlanta, Georgia. He was sent overseas about 3 months later, arriving at Anzio, Italy, where he lost his life while on guard duty, May 14, 1944.

SAMUEL A. MYERS
Samuel A. Myers, 78, formerly of Germantown, died from a heart attack last Friday, after escorting a sister to a bus at Riverton.
Mr. Myers, a retired P.T.C. conductor, was walking toward his home at 215 Linden avenue, Riverton, when he collapsed on the street, at Fourth and Linden, at 12:50 p.m.
A son, J. Lloyd, of Riverton, survives.

Services were held Tuesday at 1 p.m., at the Snover Funeral Home, 513 E. Broad street, Palmyra. Burial was in the Hilltown Township Cemetery, near Doylestown, Pa.

PFC. JOHN ADAMS
BODY RETURNED
The body of Pic. John Adams, Jr., 21 years old, son of John Adams, Broad and Randolph avenue, East Riverton, and Mrs. Mabel V. Adams, Riverside, has been returned to the United States for burial aboard the U.S. Army transport Carroll Victory, from the military cemetery at Salerno, Italy.

Pic. Adams entered the service in 1942, receiving his training in the Infantry at Atlanta, Georgia. He was sent overseas about 3 months later, arriving at Anzio, Italy, where he lost his life while on guard duty, May 14, 1944.

Services for the deceased will be held in the U. S. National Cemetery, Beverly, when arrangements are completed.

YACHT CLUB ENTERED,
MERCHANDISE STOLEN

Thomas Bussell, 33, 617 Cinnaminson street, Riverton, was arrested Sunday morning at 3 a. m. near Fourth and Fulton streets, Riverton, with five cases of alleged stolen beverage in his possession.

Officer Ray Garman, of Riverton, on patrol, noticed Bussell with an

express wagon heavily laden. Examining the contents it was found that the lost was apparently taken from the Riverton Yacht Club after a forced entry had been committed. The sum of between \$10 and \$15 was also missing from a till box. Bussell was under the influence of alcohol, this condition rendering him a violator of a probation imposed for a previous sentence. At a hearing before Police Recorder William Botter he denied breaking into the building. However, two prominent members of the Yacht Club made sworn statements that the building had been locked late Saturday night. Bussell was held to await the action of the Grand Jury.

Riverton police are hoping that the courts will uphold their action in

sentencing Bussell sufficiently to at least deter the actions which have

been a nuisance to them for a period of years.

Report from Your Congressman

FRANK A. MATHEWS, JR.

The American people, in general, are not aware of what is happening to them.

Your Congressman has reluctantly come to this conclusion after talking to many of them, reading newspaper editorials, special columns, magazine articles, listening to radio commentators and observing the proceedings of both the Republican and Democratic National Conventions.

Putting aside for the moment the fascinating (and in modern times particularly fascinating) question of the personalities of candidates, you will find the hottest issue is something called "civil rights." This issue is not as clearly drawn between the two political parties as it is between elements in each of them. How far the Republican Party will let itself be sucked into the dangerous eddies of this deceptive problem remains to be seen. That Party still has a chance to keep its head and act in the real interest of all the people. The Democrats, however, are committed. At the Convention of that Party in Philadelphia the so-called "liberals" triumphed. And immediately the President announced that he was calling a special session of the Republican controlled Congress.

First, this civil rights business concerns itself with certain citizens who are not accorded the full rights of the ballot. They are, of course, the negroes in the Southern Democratic states.

Mr. Truman and the "liberals" say they want EVERY citizen to freely exercise these rights. Is Mr. Truman sincere in this? The record shows conclusively he is NOT.

Some of the most flagrant violations of such rights occurred in his own state of Missouri. The people whose rights were violated were negroes. They were those who did not vote for Mr. Truman and his faction of the Democratic Party. What did Mr. Truman do about that? Apparently everything he did or did not do was in the interest of those perpetrating the fraud. Yet Mr. Truman is now the knight in shining armor riding forth to fight the battle of the "liberals" in this great cause.

What about the alleged discrimination against members of certain "minorities" in obtaining employment? This situation is being treated by law in some states, including our own, and New York, of which Mr. Dewey is Governor. Now, if to correct any such situation in other states, the Congress passes legislation, that legislation must, of necessity, apply to every State, with the result that New Jersey and New York will no more be able to handle their own problem in their own way than the most reactionary Southern state. Likewise, if any such legislation is really stringent, an employer need have no fear of refusing to employ anyone belonging to the "majority," for there will be nothing to protect such person. But if he refuses to employ a member of one of these "minorities" for no matter what good and sufficient reason, he puts himself in great danger of prosecution. Is this in the interest of "equal rights"? Scarcely. It will be the members of the "majority" who will be in jeopardy, in favor of the members of the "minorities." All this "liberal" stuff is not as simple and as righteous as it sounds.

What about the rest of the "liberal" program? It included the Federal government getting into the financing (and ultimate control) of our public schools, the business, control and operation of our homes, the practice of medicine, control over insurance, beginning with what is called "health insurance," and various other phases of what has made

THE NEW ERA, THURSDAY, JULY 22, 1948

PRICE FIVE CENTS

Golf Tournament

The quarter finals in the Board of Governor's Cup Tournament were played over the past weekend at the Riverton Country Club with the following results:

Upper bracket: Compton defeated Cooper, 1 up; Geary defeated A. Seiber, 1 up, 19 holes.

Lower bracket: Inglesby defeated McCarthy, 2 and 1; Ferguson defeated Meeks, 5 and 4.

Compton will meet Geary and Inglesby will oppose Ferguson in the semi-finals over this weekend, while the respective winners will play for the cup one week later.

The bride who was given in marriage by her father was lovely in an old fashioned style gown of white flowers down the front and long sleeves that tapered to points over her hands. Her fingertip veil was held in place by a coronet arched in seed pearls. She carried an arm bouquet of white carnations and roses surrounded by baby's breath with an orchid center.

The bride's sister, Miss Joan E. Moffitt was maid of honor. She was attired in a yellow gown with a tight bodice and full skirt and an off the shoulder neckline. Long mitts met her capped sleeves.

The bridesmaids, Mrs. Francis Mitchell, Riverton; Mrs. William Oliver, Palmyra; Miss Georgia Haecker and Mrs. Robert Mair, of Palmyra, were gowned in green and orchid fashioned after that of the maid of honor. All wore a coronet of flowers in their hair and carried old fashioned bouquets of roses that matched their gowns.

Francis LeBarge, Riverside, acted as best man and the Messrs. Herbert Leedom, Riverton; Raymond Schill, Edward McNulty and Floyd Atkinson, Palmyra as ushers.

The bride's mother chose an orchid petal gown with white accessories and the groom's mother a toast brown gown with white accessories. Their corsages were mixed summer flowers.

Following a reception at the Riverton Country Club the couple left for Ocean City.

According to the Monroe Doctrine, no European nation may interfere in the affairs of the two American continents.

An emergency may arise requiring all the skill of an operator to avoid an accident.

"Obviously, the driver using only one hand is at a disadvantage under emergency conditions. The more skillful he is the better he can meet the situation, but the fraction of a second required to get both hands into action may be the difference between safety and injury."

Another fault found with the practice is that protruding arms are confusing to other drivers who think some kind of turning or stopping signal is intended. With the great variety of "signals" used by motorists, it is not surprising that any movement of the left arm is construed as an attempt to inform drivers following of an intended change in course.

"Pointing" is still another bad habit, the Club official declared. When trying to show passengers something interesting on the left side of the road, drivers will be conferring a favor on fellow motorists by directing their attention vocally instead of extending the arm outside in a signalling movement, he said.

NOTIFY MOTOR VEHICLE DEPT. OF ADDRESS CHANGE

Motorists were advised by Motor Vehicle Commissioner Arthur W. Magee this week that the law requires owners of registered vehicles and licensed drivers to notify the Motor Vehicle Department, in writing, within one week after a change of address. Discovery of numerous derelictions on the part of motorists prompted the Commissioner's warning.

The penalty for failure to notify the Department within the week prescribed by statute is a fine of not more than \$10 and, or, the revocation of both motor vehicle registration and driver's license.

HIGH SPEED LINES NOT PROPOSED

Governor Alfred Driscoll stated this week that he favors the creation of the Delaware River Port Authority as the means to extend high speed transportation in South Jersey and asserted that the 1948 Klauder survey advocated the establishment of such an agency as the first step toward inauguration of the proposed lines.

Many local residents are still of the impression that the system will increase riverfront communities. This is definitely not the case as is evidenced by the Klauder survey which comments on the situation as follows on page 8 of the report.

"As in the case of previous reports, the Burlington line has not been considered because of its extremely light traffic loading per mile."

This statement is further simplified on page 33 as follows:

"With regard to the exclusion of the Burlington Line, the 1937 Gibbs & Hill report says, 'The Burlington Line does not show sufficient riding via Camden to warrant present inclusion in the plan'."

"In view of the results of both the previous surveys we have not included the Burlington Line in this report. Notwithstanding the length of this line the traffic is much lighter than on any of the other four lines. This is due in part to the large areas of undeveloped land along this line and in part to the fact that so many residents of the riverfront towns are employed in Burlington and Riverside rather than in Camden or Philadelphia."

"In spite of this light traffic, this line now has much better rail service to Philadelphia than any other line, with six trains each way daily to Camden and two trains each way daily to Broad Street Station, in the heart of Philadelphia."

"If, after the other four lines are placed in operation, the areas along these lines develop as expected, there will undoubtedly be renewed interest for the inclusion of the Burlington Line in the system. At the present time we do not feel that it is justified to handicap the entire project by the inclusion of such an unprofitable line."

POISON IVY TIME

This is poison ivy time — the time of year when people are spending weekends in the country, when children are exploring every nook and cranny of the nearby woods. It is also the time of year when poison ivy thrives — in fact not only poison ivy, but poison oak and sumac, too.

All three of these poison vines have one thing in common — they have three leaves branching from a common stem. But poison ivy is the most characteristic of all in that when its leaves are small in the early spring, the leaves are sort of russet in color. During the summer they turn to a brilliant, shiny dark green. They actually glisten, and usually can be distinguished from all other leaves around them. There are other vines with three leaves on them but none has that green, glossy appearance that poison ivy has.

You only have to touch it to the skin in order to have it affect you. It has a volatile oil which is both

Welfare Costs Drop

Pronounced decreases in New Jersey's public assistance allotments were apparent for the second consecutive month this year when May figures showed a decline under those for April, Commissioner Charles R. Erdman, Jr., reported this week. Public assistance funds are administered by the State Department of Economic Development, under his direction.

Erdman recalled that the decrease for April 1948 was more pronounced than that experienced in the same month during any of the last three years. May figures showed a similar decline and June figures are expected to continue the downward trend.

In May of this year, assistance was given to 7,393 cases, consisting of 16,471 persons. This was a drop of 7.2 per cent in the number of cases and 11.6 per cent in persons aided. Commitments dropped approximately 8 per cent in May, amounting to \$397,678 as compared to \$431,726 in April.

The average case cost for all cases was \$53.79, a decrease of 41 cents under April's average. An all-time high of \$85.49 was reached in March of this year, while a low of \$21.81 was reported in May 1941.

While the heavy financial burden for public assistance seems to be easing, other types of problems calling for the advice and service of local welfare workers appear to be on the increase, the Commissioner reported.

KLIFFLE LOSES IN GOLF TOURNAMENT FINALS

Roy Kliffle, Riverton Country Club, was defeated 2 and 1, by Al Besselink in the finals of the Northeast Amateur Invitation golf tournament held Sunday on the course of Poquessing Country Club.

Besselink was also the medal winner of the tournament, with Kliffle in second place.

The match was all even on the 10th, but Besselink took the 11th and 14th. The match ended when the 16th was halved.

Irritating and toxic. Even in the dead of winter the leafless vines still seem to be able to raise eruptions on the skin of those who are particularly susceptible.

The modern fashion for shorts and socks has, of course, vastly expanded the exposed area of our legs and increased the chance of contact with poison ivy when tramping through woods or fields.

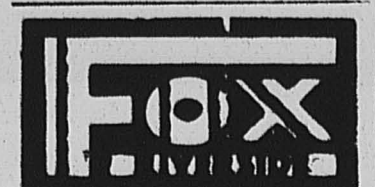

Of course, not everyone is sensitive to the poison and a person's degree of sensitivity may vary from year to year.

When the oil from the poison ivy plant comes in contact with human skin, it acts as a severe irritant. The skin becomes red and itchy and finally raises up blisters or blisters. Then when the victim scratches the afflicted part, some of the poison is carried on the hands to other parts of the body. Also when the blisters or blisters break open, the affliction is carried to other areas of skin by the fluid.

Usually the symptoms appear four to ten days after exposure and the more frequently the victim has previously suffered from ivy poisoning, the quicker the symptoms appear in later attacks. Not only will such persons react sooner, but the irritation will also be more intense, lengthy and uncomfortable.

There are various treatments for poison ivy. What your doctor will do for you if you are a poison ivy victim depends pretty much upon the extent and severity of the attack as well as the history of previous attacks you have experienced.

The most important thing to be done about poison ivy is to be able to recognize the plant when you see it and to take reasonable steps to prevent its coming into contact with your skin. It is also wise to avoid rubbing the early blisters of poison ivy with a greasy or oily salve or ointment. That may only help to spread it.

ROBERT SNOVER
RESIGNS FROM
PALMYRA COUNCIL

The resignation of Councilman Robert A. Snover was accepted with regret by the Mayor and Council of the Borough of Palmyra, at a special meeting held in the council chambers, Borough Hall, Monday evening.

Councilman Snover tendered his resignation because of ill health and on the advice of his family physician. He also stated in a letter to the Mayor and members of the governing body that he felt the pressure of his own business was too great to enable him to spend the time needed on Borough matters.

The contract for the widening of Broad street from Lecony avenue to the A & P Store was awarded to the South Jersey Construction Company, of Riverside. Work will get underway in the very near future.

At another special meeting of council on Tuesday evening Mayor Charles V. Dickinson appointed County Committeeman Howard Eastwood, Jr., to fill the vacancy caused by the resignation of Councilman Snover. The appointment of Mr. Eastwood was unanimously confirmed by the members of council.

Mr. Eastwood, who lives with his family on Lincoln avenue, Palmyra, came here several years ago and has been active in political circles for some time. He is the son of Judge Howard Eastwood, of Burlington, who is also a former Senator from Burlington County.

The new councilman will be sworn in at the next regular meeting Tuesday, July 27.

YACHT RACE WINNERS

Miss Barbara Lippincott, Riverton Yacht Club, finished first and fifth in the Duster races Sunday at the annual Lakanoo Boat Club Regatta. J. C. LaBar won top honors, however, by finishing second and fourth for a tie and then winning the toss of a coin.

Toby Hunn took first place in both Moth events, with Nancy Garwood second. Both are from Riverton.

FUNERAL SERVICES

Services will be held on Wednesday, July 28, at 10:30 a.m. in Beverly Cemetery for Pfc. John C. Adams, Jr., who was killed on the Anzio Beachhead in 1943.

He is survived by his mother and father and a brother, Thomas F. and a sister Viola.

This week has seen the end of the first camping period of the Lenape Boy Scout Reservation of the Burlington County Council, Boy Scouts of America, and the beginning of the second period. The first period was highlighted by the large number of Scouts and leaders in attendance. This program, which is being carried out by J. Holland Heck, Edgewater, Palmyra, camp director now in his third season, and his very able staff, was climaxed on Saturday evening of the second week by an Indian Ceremonial campfire, at which time five Scouts and four Scouters were "tapped out" for the Order of the Arrow. This organization is a national honorary camping society and those elected to its membership are chosen by the campers, themselves. Included in this group are the following: Scouts Thomas Livingston, Charles Nemec, John Adams and Fred Bauer, all of Troop 4, Moorestown, and Scout William J. Kingston, Jr., Troop 8, Beverly; Scoutmaster Walter G. Spaeth, Troop 40, Tabernacle; Assistant Scoutmaster Robert Tees, Troop 4; Scoutmaster Fred Porter, Troop 20, Burlington, and Harry J. Baldwin, Jr., Chairman of the Riverfront District Committee, who has been very active in the development of the physical aspects of the camp.

RIVERTON WINS THREE

During the past week, the Riverton A.A. won three ball games, all featured by hard hitting on the part of the locals.

On Thursday, July 15th, Riverton defeated Bayvel-Edge by the score of 7-3. Bob Kelsey pitched all the way for Riverton and was never behind. The home team's batting attack was led by Watkins, VanEmburgh and Williams, each with two hits. Charlie Haines and VanEmburgh got in the extra base column with doubles. Altogether Riverton A.A. had eight hits to the opposition's five.

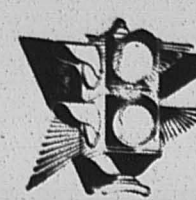

The Palmyra Giants came to Riverton on July 17th, and were soundly walloped 16-3. Riverton broke loose in this game scoring 16 runs in the first four innings. Second-baseman Haines smashed out three hits, while VanEmburgh, Austin and Bert Brewster each had two. The hitting star in this game was Sammy Austin who in two official trips to

the plate smashed out a home run and a triple. Fred Langenberg started for Riverton and was withdrawn at the end of three innings with Riverton leading 14-0. Atkinson finished up for the locals and allowed the opposition only five hits.

Riverton continued their hitting attack on Sunday when they travelled to Westville to defeat the home team 18-7. In this game Harry Watkins had four hits, Austin, Staub, Atkinson, Freeman, McDermott and Langenberg each had two. Faulkner helped the hitting attack with a homer and single. Fred Langenberg started for Riverton and went the whole route.

There will be baseball at Memorial Park this Saturday at 2:30 p.m. and Thursday at 6:30 p.m.

PONTIAC

Fine for its Second owner too!

Recently, a large group of used car owners were asked what car they would buy if they were buying new cars today. Those who own used Pontiacs led them all in saying they would buy new cars of the same make they are now driving.

In other words—according to this survey—a used Pontiac is more satisfactory to own than any other make of used car.

Of course, that could mean only one thing: Pontiac's dependability and long life are outstanding.

standing, and Pontiac's fine performance lasts throughout the years. There could be no finer endorsement of a new car than this—and we trust you won't forget it when you order your own next car.

Remember, too, Pontiac is the lowest priced car in the world offering GM Hydra-Matic Drive—a tremendous advance in better motoring.

It's wise to choose a Pontiac—a car so fine that even its second owner is sure to like it.

Know Your Government

Unless heavy spending proposals being advanced for consideration at the Special Session in August are curbed, members of the 1948 New Jersey State Legislature may become known as the biggest spenders in all the State's history.

The New Jersey Legislature has been in an unusual position. As represented in bond issues proposed for discussion at the legislative meeting, State Government borrowing would total many millions of dollars for various construction and other projects.

The Association cited figures showing that the State's net debt currently is not far from the all-time high of \$150,000,000. "Any heavy spending which requires legislative endorsement and approval of the voters in November would send the State's net debt to all-time, record-breaking heights. The Association statement continued:

"There appears to be an erroneous impression that New Jersey's debt picture is such as to permit large-scale borrowing for the various advanced projects currently being considered."

"Actually, according to figures at the State Treasurer's office, the State's net debt on July 1 totaled \$75,076,000. This is not far from the peak net debt of \$115,791,000 which was reached May 1, 1935, when emergency relief borrowing was at its height.

"In other words, issuance of bonds in excess of forty million dollars at this time would skyrocket the State's indebtedness to all-time record-breaking heights. The \$150,000,000 represents a huge expenditure in the eyes of most of us, this sum

SUNDAY DINNER Suggestions

AMERICANS today are eating more cheese and cheese products than ever before. And it's no wonder, for few foods are more wholesome, versatile and tasty than cheese on your Sunday dinner menu.

The A.E.P. Service for Home-Makers suggests the following uses for cheese on your Sunday dinner menu.

Cottage Cheese Salad: Rub a large bowl with one garlic clove, put in two cups of cottage cheese, one teaspoon of salt and one-eighth teaspoon of pepper. Add in two tablespoons of chopped green onions, two tablespoons of chopped pickles and one-fourth cup of diced celery. Unmold the mixture on center of a large salad plate, surround with watercress or lettuce, onion rings, carrot discs and tomato wedges. Serve with a salad dressing. This recipe will serve six.

Cheese Croquettes: Melt three tablespoons of butter and blend in one-third cup of flour, one-fourth cup of milk and one-half cup of milk. Cook until thickened, stirring constantly. Add two slightly-beaten egg yolks, mix thoroughly and add one and one-half cups of cubed cheese. Cook, then shape into small balls and fry in deep fat (340°-375°) until brown. This recipe will make 12 croquettes.

Cheese Rice Ring: Cook two tablespoons of chopped onion and one chopped green pepper in two tablespoons of butter, until tender. Then add one and one-half cups of rice and one-half cup of milk. Cook until tender, stirring constantly. Add one-fourth teaspoon of liquid. Add one-fourth teaspoon of salt, a dash of pepper and one and one-half cups of grated sharp cheese. Pack into buttered ring mold, then unmold on to serving plate. Serve with French onion soup, followed by French mint sauce, followed by the cheese ring, asparagus tips, green beans and dessert.

"Truth" is the subject for Sunday,
July 25.

Golden Text: "Ascribe ye great-
ness unto our God. He is the Rock,
his work is perfect: for all his ways
are judgment: a God of truth and
without iniquity, just and right is
he." (Deut. 32:34)

Sermon: Passages from the King
James version of the Bible include:
"O send out thy light and thy
truth: let them lead me: let them
bring me unto thy holy hill, and to
thy tabernacles." (Ps. 43:3)

Correlative passages from "Science
and Health with Key to the Scrip-
tures" by Mary Baker Eddy include:
"Prayer cannot change the unal-
terable Truth, nor can prayer alone
give us an understanding of Truth;
but prayer, coupled with a fervent
habitual desire to know and do the
will of God, will bring us into all
Truth." (p.11)

arranged a program of races and
other events including Indian Wres-
tling which will all take place Friday
morning. Many of the events will
be patterned after the coming Inter-
national Olympics and those held in
the other six "Y" Day Camps in
the County. Last week all of the
day campers from the County en-
joyed water sports, exploratory trips
and fishing in the Palmyr Pond site
in Lebanon State Forest, New Jer-
sey. Next week, the two main
events will be a trip to Shute Park
for a major league ball game, Wed-
nesday, July 28th, and a Council
Fire for campers and parents and
friends, Friday evening, the last
night of camp.

CHRISTIAN SCIENCE CHURCH

First Church of Christ, Scientist
Thomas Ave. at Seventh St.

"Truth" is the subject for Sunday,
July 25.

Golden Text: "Ascribe ye great-
ness unto our God. He is the Rock,
his work is perfect: for all his ways
are judgment: a God of truth and
without iniquity, just and right is
he." (Deut. 32:3-4)

Sermon: Passages from the King
James version of the Bible include:
"O send out thy light and thy
truth: let them lead me: let them
bring me unto thy holy hill, and to
thy tabernacles." (Ps. 43:3)

Correlative passages from "Science
and Health with Key to the Scrip-
tures" by Mary Baker Eddy include:
"Prayer cannot change the un-
alterable Truth, nor can prayer alone
give us an understanding of Truth;
but prayer, coupled with a fervent
habitual desire to know and do the
will of God, will bring us into all
Truth." (p.11)

EPWORTH METHODIST
CHURCH
Fifth Street and Morgan Avenue
Palmyra

The Rev. W. Neal Raver, Minister

Tenth Sunday After Pentecost
July 25

9:45: The Church School meets
for study with classes offered at
every age level from the nursery
through the adult departments.

11:00: Morning Worship. The
sermon will be delivered by the Rev.
Harry R. Pine, pastor of the Green-
wood Avenue Methodist Church in
Trenton. Miss Virginia T. Miles
will be heard in the offertory solo
with Rachel M. Lord at the organ.

7:00 Community Vesper Service in
the Grove by the Palmyra Municipal
Building. The service will be con-
ducted by the Rev. Robert B. Stew-

ART. pastor of Calvary Presbyterian
Church.

The Altar Flowers last Sunday
were given in memory of Olive and
Bessie Ewald by their sisters.

CALVARY PRESBYTERIAN
CHURCH
Fourth and Lippincott Avenue
Riverton

The Rev. R. B. Stewart, Pastor

The Calvary Church School con-
venes each Sunday morning at 9:45.
All adults and children who are in-
terested in the study and discussion
of the Word of God are cordially
invited to attend.

Morning worship begins at eleven
o'clock. Next Sunday morning the
subject of the public message will
be "The Cathedral of God." The
soloist will be Mrs. Anne Schuch.

On Sunday evening at seven the
Vesper Service in which all of our
Protestant congregations participate,
will be held in the "Grove" in Pal-
myra. Mr. Stewart will conduct the
service, and will speak on the sub-
ject, "The Foundation of a Great
Friendship."

Last Saturday what was probably
the largest group to attend any of
our annual Church School picnics
met at Sweetwater and enjoyed a
fine day of sport and fellowship.
Our thanks are extended to the
members of the Picnic Committee,
and to all who contributed in any
way to the success of the outing.

MORAVIAN CHURCH
Palmyra, New Jersey
Warren C. Kuhfahl, Pastor

9:30 a.m.: Sunday School.
10:45 a.m.: Morning Worship.
"One Greater Than." Betty Mutach-
ler, soloist.

7:00 p.m.: Grove Service.
The Moravian Camp Conference
at Hope, New Jersey, for Juniors,
age 9-11, will open on July 31.

THIRTY YEARS OF
DEVOTED SERVICE

At the 8 a.m. service on St. Peter's
Day at Christ Church, Riverton, Mrs.
W. R. Hoffman was presented with
a morocco-bound Prayer Book and
Hymnal by the Altar Guild of the
Church, in appreciation of her de-
voted service of over thirty years as
a member of the Guild.

Following the service the Guild
entertained at breakfast in the
Parish House.

CARD OF THANKS

I wish to thank all the friends for
all kindnesses shown me and my
mother during her illness and for

BOYS OLYMPICS
HERE FRIDAY

The main feature of the Palmyra-
Riverton YMCA Day Camp this
week will be the Day Camp Olym-
pics to be held Friday morning, July
23, at 10 o'clock, at the Riverton
Memorial Park. The Director, Wil-
liam Hebert, and the young cam-
pers arranged a program of races and
other events including Indian Wres-
tling which will all take place Friday
morning. Many of the events will
be patterned after the coming Inter-
national Olympics and those held in
the other six "Y" Day Camps in
the County. Last week all of the
day campers from the County en-
joyed water sports, equestrian trials
and fishing in the Fiske Pond site
in Lebanon State Forest, New Lib-
anon. Next week the two main
events will be a trip to Shibe Park
for a major league ball game, Wed-
nesday, July 28th, and a Council
Fire for campers and parents and
friends, Friday evening, the last
night of camp.

NOTICE
The office of Dr. J. Rowland Dev,
419 Linden Avenue, Riverton, will be
open during July and August as fol-
lows:

Monday evenings.
Tuesday and Tuesday evenings.
Thursday and Thursday evenings.
Hours by appointment.

POLIO CASE HERE
Robert Gray, 10, of 202 Turner
avenue, East Riverton, foster son of
Mr. and Mrs. Leon Foreman, has
been admitted to Camden Municipal
Hospital suffering from infantile
paralysis. His condition is described
as "fair."

The case was the 18th of the sea-
son in the South Jersey area.

On his way to Bunker Hill in 1775,
Gen. George Washington came from
Philadelphia and crossed the State
of New Jersey. He crossed the
Hudson River by way of Hebecker.
