Rehearse for Minstrels

The Palmyra-Riverton Lions Club's Annual Minstrel went into rehearsal last Thursday. This year's show promises to be even bigger and better than last year. The material is being compiled and arranged by several members of last year's production. The music will be directed by Mrs. Mary Laird.

The cast this year includes such names as Walthers, Bauer, Hettel and Vetterman who will be remembered as members of last year's all star cast. Performances this year will be in Palmyra High School auditorium on November 12 and 13.

DRUM AND BUGLE CORPS TO COMPETE HERE

A preview of many of the leading bugle and drum corps of this area that will go to Miami, to participate in the National Legion competition later this month will be staged at the Palmyra High School stadium Saturday night, October 9.

A colorful program is being arranged by the Frederick M. Rodgers American Legion Post 156 through the Philadelphia area circuit which is composed of many of the outstanding senior bugle and drum corps of this section.

The Reilly Raiders are the defending champions of the circuit, and The Evening Bulletin of Philadelphia has announced they will donate a trophy to the winner of the event.

The Pennsylvania State Legion Champions, The George H. Imhoff corps, and their No. 2 legion corps in the nearby Keystone State, the York, Pa. senior corps will participate in the program, along with the Olney American Legion Post Corps, of Philadelphia.

The R. A. Garbarina Corps, of New York City, New York State senior corps champions for the American Legion and the Richmond VFW Corps of Jamaica, Long Island will also compete for top honors.

An invitation has been extended to the Riverside Jersey Joes who were recently crowned the new, State senior corps champions for New Jersey. This will also be an opportunity for local residents to view the Riverside unit against some top corps from Pennsylvania and nearby areas.

With many of the corps it will be the first visit into Burlington county, and it is anticipated a large turnout will be present to view the affair under the lights starting at 8 p.m. sharp.

Arrangements have been made for local residents by the local American Legion Post Commander W. Harold Thorn, for tickets for the event to be purchased at the Snack Shop; the offices of Palmer L. Adams; Walter D. Lamon; Shulman's; Durgin's Men's Shop and McAllister's.

FIRE PREVENTION QUIZ

3. If not kept in metal containers, do you keep your oil mop or furniture polishing cloths in a closet or dresser cupboard? (Oily cloths or mops kept in enclosed spaces may cause spontaneous combustion.)

4. Do you have any old papers, rags or rubbish in your cellar, attic or garage?

Wells for Assembly

The Burlington Republican county committee named William H. Wells, Bordentown attorney, to be the party's Assembly nominee on Monday night of this week.

Wells was chosen on the second ballot at what was described as one of the best attended county committee meetings ever held. Almost 300 packed the courthouse meeting room.

Wells, son of Harold B. Wells, retired member of the Court of Errors and Appeals, received 99 votes to 62 for John Conroy, Burlington attorney, when the 164 county committee members cast their second ballot. The winning candidate required 83 votes.

At the same time, one vote was cast for C. William Haines, Masonville fruit farmer, who withdrew after the first ballot. Two members attending did not vote.

At the outset of the meeting five candidates were listed for the ticket vacancy created by the resignation of Assemblyman Albert N. McCay, of Palmyra, who withdrew after the June primary to become the party's state senator candidate.

Howard R. Yocum, Maple Shade World War II veteran and Camden attorney, asked that his name be withdrawn and urged his supporters to vote for Wells.

Runoff Required

When the first ballot was called for by Thomas D. Begley, county committee chairman, there were four contenders. Wells polled 77 votes, Conroy, 55; Haines, 23; and John Middleton, Lumberton resident and Camden realtor, 8.

Begley announced none had a majority and called for a second ballot. At that time, both Haines and Middleton announced their withdrawal, releasing their votes to Wells. Conroy remained in the contest.

After the second ballot, however, Conroy suggested the choice be made unanimous and a motion to that effect was made by Chester Ridley, a committee member.

PALMYRA LOSES TO CAMDEN CATHOLIC

Palmyra High School's winning streak on the football field came to an end on Friday night of last week when the Red and White bowed to Camden Catholic in a game played under the lights at Camden High School field. The Irish tallied the only touchdown of the game in the final period and made the conversion so that the final score read 7-0.

Catholic was able to keep Ken Still, local fullback, from breaking into the clear for any long runs and their defense against him proved most successful.

Except for the one scoring parade the game might well have resulted in a scoreless tie, since both defenses rose to cut off all other scoring threats.

Palmyra will play Haddon Heights this Saturday afternoon on the latter's field and will return home the following Saturday with Haddonfield as the opposition.

FASHION SHOW WELL ATTENDED

Over 200 guests attending the fashion show and bridge tea presented by the Riverton Country Club last Wednesday afternoon saw Mrs. Harry Rogers win the beautiful dress chanced off for the benefit of the club. One of the most dramatic fashions of the new season shown to the admiring audience was the "Irene Castle Look," embodied in the suits and dresses as well as the shoes and furs.

Luxurious furs including blue mink stoles, ranch mink capes and an unusual full length otter coat as well as handsome fur scarves were shown by Theodore Seifert to accessorize the Lillian Albus Shop fashions and the I. Miller footwear collection. Delightful hats were by courtesy of Keenan and Sara of Camden.

A handsome bath rug donated by Everett Dyer was representative of the unusual door prizes won by others attending this fashion event. Other fortunate women included: Mrs. L. C. Dickinson, Mrs. Gorham Sargent, Mrs. William A. Hendrickson, Mrs. John J. Owens, Mrs. George Hagstoz and Mrs. H. C. Pittenger.

As a climax to the afternoon's a buffet tea was served in the lounge. Proceeds of the afternoon's entertainment are to go towards decorating the Cuntry Club.

Town Meeting Program

The meeting, designed to present contending candidates to the people who will elect one of them to office, is scheduled to be at the Riverton School at 8 p.m.

"The Town meeting executive committee," said Dr. Francis C. Huber, president, "is happy to open the 1948-49 season with a program of such interest to all. We extend a hearty invitation to all the voters in this area to attend and make welcome our candidates."

Mr. Jones, a Mount Holly resident, and Mr. Howell, a resident of Pennington, will speak on their proposed platform in the event of election, and will answer questions from the floor during the latter part of the meeting.

The Riverton Town Meeting, now in its second season, has had as one of its objectives programs of common interest to the Community which will help make people ever conscious of their responsibility in government or of solving problems within the community. Working on a basis of fewer but even better programs, the executive committee forecasts a successful and interesting season.

PALMYRA MAN DIES AS CRANE TOPPLES

Harry L. McLaughlin, 60, of 511 Delaware avenue, Palmyra, was drowned on Friday of last week when the crane he was operating toppled from a pier into the Delaware river at a North Camden shipyard.

He was trapped in the cab and his body was not recovered until Monday although a diver had been at work on the scene since a few hours after the accident.

McLaughlin was engaged in hauling a small boat from the river when the craft struck a piling and threw the crane off balance, causing it to fall into the river before he was able to escape from the cab.

CALVARY PRESBYTERIAN CHURCH

The Rev. R. B. Stewart, Pastor
Fourth and Lippincott Avenue
Riverton

The enthusiastic response of our children and young people to the new Church School curriculum introduced last Sunday morning was a heart warming experience for all teachers and grown-ups who are interested in the spiritual growth of the children in our midst. All previous attendance records for our Church School were left far behind. Now it is the responsibility of the parents to keep that flame of enthusiasm alight by sharing their children's Church School experiences in the home and by bringing their children to Church School on the Lord's Day. Sunday morning sessions convene at 9:45 for children and young people, and also for the men's and women's Bible study groups.

On Sunday morning the Sacrament of Baptism will be administered. Those desiring to have their little ones baptized at this time should call the pastor not later than Saturday noon. As part of morning worship the Calvary Choir will render an anthem and the subject of the pulpit message will be "Beyond the Things That Are Seen." The Church Nursery will be conducted during the worship hour. Morning worship begins at eleven o'clock.

The three youth groups meet on Sunday evening, the Juniors at 6, the Intermediates at 7, and the Seniors at 7:30. The Senior program will consist of a "Workshop on Worship." Junior Choir rehearsal will be from 6:30 to 7 o'clock. These three activity groups are divided as follows: Juniors, grades 4, 5 and 6; Intermediates, grades 7, 8 and 9; Seniors, grades 10, 11 and 12, and students of college age.

On Wednesday afternoon, October 13, the Women's Society will meet in the Church School auditorium. A covered dish luncheon will be served at 1 o'clock. Those desiring reservations should call Mrs. Mickie (9-1487) or Mrs. Black (9-1061) before Monday, October 11. Following the business meeting an interesting address will be given by Mrs. Hurley on the subject of "Antiques of Burlington County."

The Church School Council will meet in the Ladies' Parlor on Wednesday evening, at 7:45. All teachers, substitute teachers, and officers should plan to be present. This is a very important meeting.

DeBoe, of Temple University School of Theology, and "The Life of Jeremiah," instructor, Dr. Charles M. Cooper, of the Philadelphia Lutheran Seminary. These courses are offered to all including Church School teachers, who desire a clearer understanding of our Protestant faith and its relevance to the needs of our time, and to all who desire a clearer understanding of the Word of God for our times. The registration fee is one dollar.

Sir Stafford Cripps, at a religious conference recently, said: "We have to realize that preaching to small congregations of the converted or the repetition of archaic prayers, the language of which is little understood by the less educated, or the singing of hymns whose words are often strangely inappropriate to our present circumstances is not going to win over those who never attend church and who are absorbed in their own very practical and immediate needs and concerned primarily with their own material difficulties and frustrations. My hope, therefore, is that the church of Christ militant here on earth will lead its forces to attack every evil thing that exists in our world and national society, not fearing the consequences, but bold in the conviction of its own power for good."

Sunday, October 10, 1948: This is Rally Day in our Sunday School. The program begins at 10 a.m. Matthew Wai, a student at Crozier Seminary, will address the group.

Morning Worship, 11:15: The Pastor's sermon topic is "A Cloud of Witnesses." The choir will sing "All Hail the Power of Jesus Name," by Galbraith. Soloist of the morning will be Miss Lorraine Davis who will sing "Above the Bright Blue," by Pollock.

Evening Worship, 7:45: The message will be "Let's Act—Now." The choir's anthem will be selected.

Calendar for the week: Wednesday, October 13, 7:45 p.m., Teacher Training Class meets in Calvary Presbyterian Church.

Thursday, October 14, 8:00 p.m.: Choir rehearsal.

RIVERTON
SCHOOL
NOTES

Each year at this time, a week is set aside for the special purpose of bringing the hazards, control and prevention of fire before the pupils of the Riverton School. It has been proven by statistics that three out of every four fires in the United States are caused by the careless use of matches, electrical connections, gasoline and your own home furnace. It, therefore, becomes the work of the school to try to eliminate carelessness in the home, especially wherein our boys and girls are concerned.

This week our teachers are stressing fire prevention whenever the opportunity arises. Circulars from the Fire Department have been received and distributed to the teachers and children of the school. The State of

New Jersey in recognizing the overall picture of the threat of fire to public schools has made it mandatory that fire drills be held regularly during the school year.

In compliance with this order, we are very proud to be able to report that our children did extremely well in carrying out the latest fire drill. They responded so well, in fact, that the school building was completely emptied of all personnel in one minute and fifty seconds.

Taking part in a fire drill is a very serious moment in school and we are hoping the training during these drills will carry over into the homes to aid in any emergency.

On Friday afternoon, our lower grades held a unique assembly. Mrs. Comegys, our music teacher, asked each grade to present a short musical number for the entertainment of the others. Our first graders sang two inspired songs, a rhythm number

was presented by grade two, a girls' quartet from grade three sang for us, and our fourth graders drew applause for their fine square dance. The kindergarten children are making their initial adjustment to "school life" and a more happy group of children would be hard to find.

As a precaution for the kindergarten children, a special Safety Patrol boy has been assigned to guide them across streets when leaving school.

SUNDAY DINNER

Suggestions

IN MANY sections of the country,

chicken is the traditional main

dish for Sunday dinners, and few

families can resist the appeal of a

hot platter of golden fried chicken

set before them.

The A & P Service for Home-

Makers suggests Southern-style

fried chicken for dinner this Sun-

day. For a family of four, two

chickens weighing two-and-a-half to

three pounds each will be required.

The butcher will cut them up for

you.

In many stores, it is possible to

buy all white meat, or all drum-

sticks, rather than to buy the entire

chicken.

Dip the pieces of chicken in a

little cold water, sprinkle with salt

and pepper and roll in flour. Saute

the chicken in fat, turning from

side to side to brown. The fat

should be from 375 to 390 degrees.

The chicken is done when a fork

will slide through to the bone easily.

To complete this meal, serve

either rice or whipped potatoes

with chicken gravy, green beans,

hot rolls or biscuits, sliced tomatoes

on lettuce with your favorite salad

dressing, and cherry pie.

"Are Sin, Disease, and Death
Real?" is the subject for Sunday,
October 10.

Golden Text: "O Lord my God, I
cried unto thee, and thou hast healed
me." (Ps. 30:2)

Sermon: Passages from the King
James version of the Bible include:
"And God saw every thing that he
had made, and behold, it was very
good. . . Oh how great is thy good-
ness, which thou hast laid up for
them that fear thee; which thou hast
wrought for the sons that trust in thee
before the sons of men!" (Gen. 1:31,
Ps. 31:19)

Correlative passages from "Science
and Health with Key to the Scrip-
tures" by Mary Baker Eddy include:
"Everything good or worthy, God
made. Whatever is valueless or
baneful. He did not make — hence
its unreality. . . Sin, sickness, and
death must be deemed as devoid of
reality as they are of good, God." (p. 525)

MEETS

The Riverton Republican Club Executive Committee met in the council rooms at the fire house Thursday evening, October 7th. General plans were discussed for the coming campaign as well as future plans for the club.

President Donald M. Patterson appointed a membership committee made up of the following: Edward Goddard, chairman; Charles Woolston, Mrs. Alma Evans, Robert Finney, Herbert Evans. A membership campaign will be launched immediately through the mails as it will be impossible to contact each member personally.

The funds obtained through dues are for stationery and mail charges as well as to meet general expenses of the organization. The dues are one dollar a year, but as usual, larger donations are acceptable as a Dewey-Warren banner for Main street display is to be ordered and it is hoped that the expense of the piece will be underwritten rather than paid for from general funds.

Dues and donations may be mailed to Edward Goddard, chairman, 422 Thomas avenue, Riverton, or any member of the committee.

THE PORCH CLUB

The October 19 meeting of the Porch Club will be conducted by the Garden Department, with Mrs. Walter W. Carter, chairman.

The speaker, Mrs. Sue Irene Howell, will present a charming lecture on "Old English Gardens." Mrs. Howell has travelled extensively, studying gardens of our neighbors across the sea. In koda-chrome slides she has caught the beauties of nature that are like glorious paintings.

Members of the club are invited to be exhibitors of flower arrangements. Entries will be accepted between 10:00 and 11:00 a.m., to be judged later by Mrs. H. M. Kieckhefer assisted by Mrs. R. K. Haughton. Subjects in the display are to be for formal or informal luncheon or dinner, breakfast or sick room trays, child's party, weeds and wild flowers, holiday arrangements with fruits and vegetables. The meeting will close with tea.

The class in hooked rug making began October 13th, with much interest in the art expressed in this work, as well as the useful quality. Wednesday, October 13th, was also the first meeting day for the tailoring class. This class fills a real need for those who are planning to make fall suits or coats.

FIRE PREVENTION QUIZ—2

1. Are the fuses used in your fuse box the proper size and type (Fuses are made in various sizes to carry a certain "load." An overloaded circuit can be dangerous if the fuse used is not the proper one. Using a coin or bits of metal has the same effect as using too large a fuse.)

2. Do you have a fireplace which is not equipped with an effective screen? (A fire burning in a fireplace emits many sparks which can start a fire in your home. A proper screen will confine these sparks to your non-combustible fireplace.)

3. Do your stove or heater pipes contact or closely pass combustible walls, rafters, ceilings or partitions? (Overheated piping is often the cause of fires. This season of the year is an excellent time to correct defects of this type. Stove and heater pipes should be at least 12 inches away from combustible materials and if possible, covered with asbestos.)

4. Do you or your friends install or repair electrical wiring in your own homes? (Wiring or electrical work should be done only by qualified electricians. An improperly wired home can very readily cause your own or some member of your family's death as a result of a fire caused by defective wiring.)

5. Do you keep matches in the container in which they are bought—and where your small children can reach them? (Matches are subject to spontaneous ignition and should be kept in metal containers out of the small children's reach.)

Please keep your own score each week and correct dangerous conditions if you wish not to burn.

NOTICE

The office of Dr. T. Bruce Dickson will be closed from October 25 to 30, inclusive.

Mr. Patterson has appointed the following members of the local committee: Senator Arthur Lewis, Herbert Evans, Mrs. Alma Evans and Robert W. Knight. Anyone wishing to contribute to the Republican campaign may contact any of the above committee.

PALMYRA LOSES
SECOND DECISION

Palmyra High School's football team lost its second decision in two weeks as the Red and White bowed to Haddon Heights last Saturday afternoon by the score of 13-0. The game was played on the field of the winning team.

Haddon Heights scored one touchdown in each of the first two periods, tallying the initial six-pointer on the last play of the first quarter and the other only a few minutes before the half ended.

The outfit coached by Sheldon Ehringer, however, threatened on two occasions and reached the Haddon Heights seven yard mark just as time ran out in the first half. They were made in various sizes to carry a certain "load." An overloaded circuit can be dangerous if the fuse used is not the proper one. Using a coin or bits of metal has the same effect as using too large a fuse.)

Dean Bohs, Still and Brown were outstanding players for Palmyra. The locals will attempt to get back into the win column this Saturday afternoon at the local stadium when they oppose Haddonfield. The game will get underway at 2:30.

Haddonfield dropped a 13-6 decision to Merchantville last week, so prospects look rather bright for the locals.

OIL PROGRESS DAY

America's 34,000 privately owned and operated oil companies supply each person in the United States with as much oil in two weeks as each person in the rest of the world on an average consumes in an entire year. Wilson Rufus Page, area manager for The Texas Co., told 250 Chemistry students at Palmyra High School on Thursday.

In his talk, one of the events marking "Palmyra Oil Progress Day," he declared that "vast quantity of oil at prices is lower than the level of commodity prices as a whole."

The competing companies in the petroleum industry take care of the search for oil and its production, refining and transportation to all parts of the country, said Mr. Page. Gasoline and oil products are sold through 250,000 service stations, 95 percent of which are owned or leased by independent operators.

"Oil companies employ more than 15,000 people on research work and invest 100 million dollars annually in their never-ending quest for new and improved products and better operating techniques," he said. "Research by oil companies has given America synthetic rubber tires and a host of other useful things. It has provided the bright new plastics for radio cabinets, fabrics and brightly colored paints and varnishes."

"During the war, research developed the wonderful gasoline which allowed our pilots to fly higher, faster and farther than the Germans and the Japs. Research, in fact, is a symbol of the oil industry's never-ending efforts to add to the comfort and convenience of the people of America."

"By constantly expanding facilities and through keen competition under the American system," Mr. Page told the Palmyra students, "The progressive oil industry is living up to its public responsibilities. Oil companies constantly are improving their products, raising their standards of service, and contributing to the freedom and well-being of America and its people."

He told how the first oil well was drilled in Pennsylvania back in 1859, and related the progress the industry has made in finding oil, in drilling oil wells, in conserving the resources found, in methods of refining crude petroleum, and in transporting both crude oil and finished products in pipelines, tankers, barges, tank cars and tank trucks.

Such progress has made it possible for the oil companies to deliver petroleum products to an America that today is using 18 percent more petroleum than it did at the peak of the war, or 636 gallons annually per capita, said Mr. Page.

"CLAUDIA" DATES
ANNOUNCED BY
FOOTLIGHTERS

"Claudia" the three-act comedy drama to be presented by the Footlight Players, local little theatre group, will be given on Friday and Saturday evenings, November 5th and 6th, 1948, in the Riverton Public School auditorium.

Nearly everyone, at some time or other, has been introduced to "Claudia," either through book form, as a magazine story in Red Book, or as a motion picture starring Dorothy McGuire, and the Little Theatre Group feels certain that a play has been selected which will be thoroughly enjoyed by everyone.

Mrs. Robert H. Strahan, who will direct "Claudia," has selected a cast from the members of the group, several of which have been in previous Footlight Players productions and have already given a good account of themselves, and several others of the cast have had considerable experience in stock company presentations.

"Claudia" is now in rehearsal and the full cast will be announced in the near future.

CHURCH

The Rev. R. B. Stewart, Pastor
Fourth and Lippincott Avenue
Riverton

A former Riverton resident and for many years a missionary in Korea, Mrs. Maude Hemphill Cook, will address the assembly of the Church School on Sunday morning. All departments of the school (except Nursery and Beginners) will assemble in the Sanctuary at 9:45 a.m.

Mrs. Cook will also speak at the morning worship service at eleven o'clock. She will bring a message on the Christian missionary enterprise in Korea. As part of morning worship the Calvary Choir will render the anthem, "Unfold Ye Portals," by Gounod. Children up to eight years of age will be cared for in the Church Nursery during the worship hour.

On Sunday, October 24, members of the Eastern Star will be our guests at the morning worship hour. On Sunday evening, October 24 at 7:45 p.m., the famous Seminary Choir from Princeton will present a program of sacred music. Those who were privileged to hear this fine choir on their previous visit to Riverton some years ago will not want to miss this unusual musical treat. Details will be given next week.

The young people's groups will meet on Sunday evening as follows: Junior W. F. at 6 o'clock and Intermediate W. F. at 7 o'clock with Mr. and Mrs. W. A. Burton; Junior Choir rehearsal at 6:30 with Mr. A. Farrow and Mrs. F. Bell; Senior W. F. at 7:30 in the Ladies' Parlor with the pastor. Transportation is provided each Sunday evening for all members of the Junior group and for the girls of the Intermediate group.

The October meeting of the Good Fellowship Club will be held on Friday evening, October 15, in the Social Hall.

The second session of the Leadership Training School will be held on Wednesday evening at 7:35. Two class periods are held each Wednesday evening, and two courses are given—"My Christian Beliefs," instructor, Dr. C. M. DeBoe, and "The Teachings of Jeremiah," instructor, Dr. Cooper. The School is sponsored by the Tri-Borough Ministerial Association.

CENTRAL BAPTIST CHURCH

Fifth and Maple Avenue
Palmyra
The Rev. S. Dan Morgan
Pastor

There is an old saying, "Man's extremity is God's opportunity." Man-kind has probably never been in such a predicament as the one we find ourselves intoday. But, if we pause to think, we realize that the Church of God throughout the world has never been stronger than it is right now.

Surely, we should have enough faith in the power of God and His church to enable us to face the present situation with calmness and even optimism.

Sunday, October 17, 1948, Morning Worship, 11:15: The Pastor's sermon topic is "The Great Election." The choir will sing "I Waited for the Lord," by Mendelssohn. Mrs. Arthur L. Gowell will be the soloist of the morning.

Evening Service, 7:45: The Pastor's message is to be "Are You Truly and Truly Prepared?" The anthem, by the choir will be "Gloria in Ex-

celsis," by Mozart. Soloist of this service is Miss Anne McConnell, who will sing "Open the Gates of the Temple," by Knapp. The Covenant Lodge No. 161 of Free and Accepted Masons will attend this service. All Masons and friends are cordially invited to be in attendance.

Calendar of the week:

HOMEMAKING

Quick Breads
When autumn days have a snap in the air and the nights are clear and frosty, the homemaker finds her family demanding and devouring substantial meals. Hot breads bring them to the table quickly. "How good that smells," "How grand that tastes," they say as the popovers, coffee cakes and muffins disappear quickly. The following recipes can all be made in a hurry.

Beat egg, add milk, shortening and orange rind. Add dry ingredients and mix thoroughly. Turn into greased pan 8"x8"x2" and sprinkle with the following topping:
Topping
2 tbs. orange rind 1/4 cup chopped walnuts
1 tbs. melted butter 4 tbs. sugar
Mix all ingredients thoroughly. Sprinkle evenly over batter and

Popovers
1 cup sifted enriched flour 2 eggs
1/4 tsp. salt 1/2 tsp. melted shortening
Sift flour and salt together. Add milk gradually, beating until smooth. Beat eggs until thick and add to mixture. Add shortening and beat for 2 minutes. Pour into hot, greased muffin pans or custard cups, filling two-thirds full. Bake at 425°F. for 40 minutes. Yield: 9-12 popovers.

Delicious Coffee Cake
2 cups sifted enriched flour 1 tbs. grated orange rind
3 tbs. baking powder 1/4 cup sugar
1 tsp. salt 1 egg
1 tsp. cinnamon 1/2 cup milk
Sift dry ingredients together.

Banana Bread
1/2 cup butter 1/2 tsp. baking powder
1/2 cup sugar 1/2 tsp. soda
1 egg 1/2 tsp. salt
1/2 cup mashed banana 3 tbs. sour milk
2 cups sifted enriched flour
Cream butter or margarine. Blend in sugar, egg and banana. Sift together flour, baking powder, soda and salt. Add alternately to creamed mixture with sour milk or buttermilk. Blend in nuts. Pour into greased 8"x4" loaf pan. Bake at 350°F. for 55-60 minutes. Yield: 1 loaf.

Apple Peanut Muffins
2 cups sifted enriched flour 1 egg, beaten
1/2 cup sugar 1/2 cup milk
1/2 cup baking powder 2 tbs. melted shortening
1/2 cup sugar 1 cup diced apples
1/2 tsp. cinnamon 1/2 cup ground peanuts
Sift together dry ingredients. Combine egg, milk and dry mixture. Add melted shortening, fold in apples and peanuts. Drop into greased muffin tins and bake at 400°F. for 30 minutes. Yield: 1 dozen.

Archibald Rich, Lt. Willard J. Brown Garrison No. 93, service officer; John Person, Pal-Cin-Ton Garrison No. 54, officer of the watch; Albert S. Dilks, Riverton Memorial Garrison No. 53, inspector; Frank J. Ruscetti, Riverton, adjutant.

Archibald Rich and Edward E. Wood are co-chairmen of the committee for the entertainment, and have arranged a very interesting program for that evening, which includes a turkey supper, speakers from the National Corps and the Department of New Jersey, installation of the County Council by Department Commander William O. Pedrick and his staff. Several well known instrumental and vocal soloists, and a good orchestra for dancing. Tickets for this event can be secured from members of any Garrison, they are going fast, and are limited, the general public is cordially invited to attend, so any one interested should get their tickets at once.

Good Telephone Service requires GOOD TRANSPORTATION

• How many cars and trucks do you think are needed to take care of New Jersey's telephone system?

• Actually, well over 2,500—ranging in size from neighborhood installation or repair trucks, up to 10-ton giants that can dig a hole and set a pole in a few minutes' time. Altogether, telephone cars and trucks cover more than 18,000,000 miles a year—with accidents, even a dented fender, few and far between.

• Safe, efficient transportation is an important factor in providing your telephone service and keeping it dependable.

HOW TO HELP CINNAMINSON HOME THROUGH NEEDLEWORK GUILD

Articles given to the Needlework
Guild may be earmarked for a par-
ticular institution in which the donor
is interested. It is important that
such instructions be attached to each
individual item, not merely to pairs
or sets.

The following list of articles need-
ed by the Cinnamonson Home may
be helpful to those who would like
to assign their Needlework Guild
contributions to the Home: single
sheets, pillow cases, tea towels, dish
cloths, pot holders, Turkish towels,
wash cloths; women's clothing—out-
ing flannel nightgowns, stockings
(9½ and 10), aprons.

Mrs. Edward W. G. Borer, Main
street, Riverton, and Miss Clara
Bliss, 2845 1st Avenue, Princeton, with
Mrs. Charles T. Bates, a former
resident of Riverton.

AUTO ACCIDENTS ARE
INCREASING — DRIVE
CAREFULLY

THE NEW ERA, THURSDAY, OCTOBER 21, 1948

PRICE FIVE CENTS

RIVERTON-CINNAMINSON

Community Chest

Drive Begins October 25 — Ends November 12, 1948

Every year you have the opportunity to make your donation to the five
local institutions which contribute to the welfare of your community. This
support is essential and benefits our citizens.

The five organizations are: two hospitals (Burlington County, at Mount
Holly and Zurbrugg, at Riverside), the Visiting Nurse Society, The Family
Service Council of Riverton and Cinnamonson and the Cinnamonson Conva-
lescent Home. The following statements from each organization speak
for them.

THE VISITING NURSE SOCIETY

The Visiting Nurse Society of Riverton, Cinnamonson and Palmyra,
stands ready and willing at all times to furnish nursing care to our commu-
nities for a nominal fee. Over 3,000 visits were made last year. The fees
charged only partially pay expenses. May we now ask your generous help
to share in this drive.

THE FAMILY SERVICE COUNCIL OF RIVERTON AND CINNAMINSON

The past year has shown an increase in those coming to the Family
Service Council for Help.

This increase may be attributed, in a large part, to the growing confidence
the people of the Community feel in the Council. Its ability to get medical
attention, employment, clothing, food and other necessary help for these
people is becoming more widely realized as more ask for and receive help. In
a less tangible, but very real form, the Council's most valuable service comes
in its efforts to help with family social problems in a skilled, professional and
yet warmly personal manner.

Now is the time to put into concrete form our appreciation of a service
that has become an essential part of the community.

BURLINGTON COUNTY HOSPITAL

A grateful patient has designated the Burlington County Hospital as
the "House of Hope." This modern, well-equipped institution is ranked by
the American College of Surgeons as one of the four best in New Jersey.
During the last year 4,110 patients were admitted. There were 483 major
and 652 minor operations, 1,079 births, 29,509 patient days, and 4,255 clinic
visits.

In spite of rising costs and labor complications, the high standard of
service has been maintained. New equipment has been added in the labora-
tory department, but repairs, additions and improved equipment are still
among the pressing needs of the hospital. It is important to the lives and
health of all the people in your community that we keep this fine institution
sound and strong.

CINNAMINSON HOME

The Cinnamonson Home has continued to maintain its fine record of
valuable service in our community for the past 56 years. The cheerful and
wholesome atmosphere of the Home provides convalescent care for women
and girls (average 18 patients each day) who will return to their homes
physically strengthened and mentally and spiritually stimulated. Many hos-
pitals and social agencies, as well as doctors and ministers, have recognized
the fine work of this institution. It is vitally important that this organization
continue its service and that we contribute generously to its support.

ZURBRUGG HOSPITAL

Zurbrugg Memorial Hospital is the nearest one to Riverton and Cinna-
minson. Those who have received treatment there will testify to the high
quality of its service. The Community Chest funds every year help the
hospital to maintain this fine standard of efficiency, so remember to con-
tribute generously to this institution that it may continue to function as in
the past.

These institutions help maintain health and happiness in your towns,
caring for the ill and unfortunate. Only through your willingness to con-
tribute are they able to carry on.

Higher costs of operation have forced them to ask for additional help
and this additional help can only come from you. Please give generously
so that they may carry on their good work and make your town a better
place in which to live.

QUOTA THIS YEAR \$8,000

After the drive starts a solicitor will make a personal call upon you for
your contribution. If by chance you are missed it will not be intentional and
your contribution can be made by check payable to Joseph C. Tyler,
Treasurer, and either mailed to the Chairmen or direct to him.

ALEXANDER C. WOOD, 3rd,

PHILIP A. SOMERVELL,

Co-Chairmen.

CINNAMINSON P.T.A.

The Cinnamonson Parent Teachers
Association will hold their regular
monthly meeting on Monday, Oc-
tober 25, in the school auditorium at
8 o'clock.

A very interesting program is be-
ing arranged on "Safety," including
a movie given on that subject.

Some of the boys and girls who

are patrols of our schools will tell
about some of their duties as a patrol
and how they help to make the
school playground and buses safer.

COMMUNITY CHEST

Payment of interest on checking accounts in any insured bank is prohibited by law or regulation. The reason is that the bank can pay interest on deposits only out of earnings from the investment of those deposits. Inasmuch as checking account funds can be withdrawn on demand, cash reserves must be larger to meet withdrawals, therefore the amount available for investment is smaller and the investment period shorter.

If you were the President of A&P...

What would you do to make your A&P a better place to shop?

Have you ever said to yourself, "If I were the President of A&P, I know what I'd do"? I think there are many A&P customers who would like the opportunity to express themselves on the subject of their A&P. I really believe that from your side of the counter, you know A&P best. That's why I ask your opinion. You can help to make your A&P an even better place to do all your food buying by

sending me your suggestions . . . criticisms . . . opinions. For instance, what about our service? Is it as courteous and helpful as you would like it to be? Is it prompt and efficient, too? Do you always find all items plainly and correctly price-tagged—as they should be? What in your opinion are we doing that we could do even better? Or what are we not doing that you feel we should do?

I INVITE YOU TO WRITE AND TELL ME HOW YOUR A&P MAY SERVE YOU BETTER

We of A&P want to make our stores the finest places of all in which to shop. That is why your suggestions, criticisms and opinions will be gratefully received and acknowledged. You see there are 100,000 employees of A&P from coast to coast jealously guarding the A&P reputation for courteous, honest, and efficient service. They never want to fail you in any way, but if they do, I am sure that they, as well as I, would appreciate your writing me.

County Buys Bridges

The members of the Board of Freeholders of Burlington County stated on Tuesday they had approved the purchase of the Tacony-Palmyra and Burlington-Bristol Bridges because of the great benefits which would directly result to the taxpayers of the county. The statement continues as follows:

"The purchase had been approved only after being fully satisfied of the wisdom and legality of the act. In face of conflicting opinions following the purchase, the Board maintains that its prime duty was to act in the interests of the citizens of Burlington County. The action of creating a County Bridge Commission was done in strict compliance with the laws of New Jersey.

"No fact has been brought to the Board justifying the statements that the bridge could be purchased at this time for \$5,000,000. This sum is less than the owners would obtain for the bridges under condemnation proceedings which would terminate in 1952. The owners would be surrendering an estimated income of \$4,000,000 by selling at this time. "As to the wisdom of the purchase, the Board has acquired for Burlington County a going business without an expenditure of one cent of the county's money, completely financed, with the debt to be paid only from net toll collections from the bridge, the surplus earnings going directly to Burlington County to relieve the future real estate tax burden.

"A list of detailed reasons by the Board for the purchases of the bridges is as follows:

"Not one cent of Burlington County credit has been, or can be pledged. The County cannot lose one cent by the acquisition of these bridges.

"Not one cent of taxpayers' money can be used for maintenance, operation and retirement of the debt.

"The county's action was governed in a large measure by a survey by Coverdale and Colpitts, nationally known consulting engineers, which showed that net revenues from the operation of the bridges would enable the County Bridge Commission to pay off all of the bonds issued for purchase within a period of 12 years, and would leave the county with the sum of \$4,300,000 which could be used by the county for any public purpose.

"The bridges will produce revenue which will considerably relieve the real estate tax burden.

"Justification for the net purchase price paid for both bridges of \$11,564,500 involved consideration of the following factors:

"The report of the American Appraisal Company, fixing the value of both properties in excess of \$13,000,000.

"A physical appraisal of the properties by Modjeski and Masters, consulting engineers, and on the opinion of nationally-known bond attorneys, who advised that the condemnation price would be \$5,389,705.14; estimated litigation and financing expenses would increase the figure to \$6,300,000.

"The Tacony bridge could not be condemned until Dec. 31, 1950, and the Burlington bridge until May 1, 1951. The estimated net revenue including one additional year's earnings during the condemnation period totals \$3,931,128. The total cost of the bridges as of effective date of condemnation plus loss of revenue to the commission is estimated to be \$10,231,128.

"This should be compared with the results estimated under the present program providing for immediate acquisition at a purchase price of \$13,400,000. At the time of the above-mentioned effective date of condemnation, through the retirement of bonds and accumulation of funds amounting to \$3,900,000, the actual cost of the bridges will be approximately \$9,500,000."

Much Criticism
A storm of criticism has arisen from Burlington county taxpayers.

AUCTION TO AID COMMUNITY CENTER

The local Community Center is already operating under a reduced schedule because of the fact that the Tri-Borough Youth Council campaign was able to furnish only a little over 50 per cent of the funds needed by the Center for its program. The deficit amounts to about \$1,000.

Believing that the Center is an important factor in the welfare of the youth of Riverton, Palmyra and Cinnaminson, representatives of four local organizations, The Porch Club, Palmyra Woman's Club, Lions Club and Rotary Club are cooperating in a project to raise funds to enable it to continue in operation.

This project will take the form of an Auction that will be held in the evening, December 4. All local residents are asked to keep this date in mind, both for the purchase of articles up for sale and also to go over their possessions and select some item which has sales value, but is no longer needed by them. Practically everything but clothing will be acceptable, provided that it is suitable for auction.

Further details regarding the plan will be announced in the near future. Arrangements are being made to have all donated articles collected and brought to the Center by members of the participating organizations.

A professional auctioneer will conduct the sale. George B. Weigand is general chairman and the committees from the various organizations are as follows:

Rotary Club: Henry Naisby, Arthur Mandeville, Robert Patterson, Herbert Blean, Herbert Parsons, Anthony J. Greco, A Harold Zayotti, Jr., Paul Schneider.

Lions Club: J. A. Chapman, F. W. Metzger, Roland Shoemaker, Paul Heisler, George B. Weigand.

Palmyra Woman's Club: Mrs. Bennett Bowers, Mrs. Carter Henderson, Mrs. John Werner, Mrs. J. Hefron; Evening Group: Mrs. Roscoe Bowers, Mrs. McKee, Mrs. Bartholomew; Junior Group: Mrs. Dorothy Price, Mrs. F. B. Huylek, Mrs. Henry Naisby.

over the purchase with the latest development being a restraining order granted Tuesday by a Jersey City judge on a complaint brought by the two Democratic Freeholder candidates. This order halts all transactions in the purchase it is reported.

Governor Ericson is reported to be working on legislation to void the deal which has also been criticized by the Delaware River Joint Commission.

Many local residents point to the fact that the gross profit from operations on the Palmyra bridge amounted to \$471,000 during the first six months of 1948. They question as to how the bonds can be paid off in 12 years in the face of these figures and a reduced toll rate, also where any profit can accrue to the county.

They also question the advisability of making the span toll free in 12 years, pointing out that maintenance would then have to be borne by Burlington county taxpayers.

AT P.T.A. CONVENTION

The convention of the New Jersey Congress of Parents and Teachers held last week in Atlantic City was attended by the following members of the Riverton P.T.A., Mrs. G. Woodbourne MacCord, Mrs. Robert Wilder, Mrs. S. G. LeFevre, Mrs. William Nigant and Mrs. Walter Phillips.

GENERAL ELECTION

Although the General Election is less than a week away and a Presidential Year in addition, little interest in next Tuesday's battle of the ballots has been evidenced locally. One factor for this is believed to be the fact that there are no local contests, another being that many feel that the Republicans have the situation well in hand. This complacency is causing the GOP considerable alarm and last minute efforts are being made to turn out a big party vote on November 2, when the polls in the 11 election districts which comprise Riverton, Palmyra and Cinnaminson will be open from 7 a.m. to 8 p.m.

At the top of the ballot are Governor Dewey and Governor Warren, Republican candidates for president and vice president respectively. They are opposed as all know, by President Truman and Senator Barkley.

The next position, that for United States Senator, will be a contest between Robert C. Hendrickson, Republican and Archibald Alexander, Democrat.

The remainder of the GOP slate is as follows: for Congress, Albert C. Jones; for State Senate, Albert McCay; for Assembly, William H. Wells; for Freeholders, Frank A. Snover and LeRoy Church; for Coroner, William O. Cunningham.

The Democratic ticket is composed of Charles R. Howell, for Congress; James M. Davis, Jr., for State Senate; John B. Atkinson, for Assembly; Henry S. Haines and Richard Lippincott for Freeholders.

In Riverton, Charles W. Coward and Richard Lippincott (not the same person as mentioned in the foregoing) are the Republican candidates for Borough Council. Both are unopposed.

Robert J. Woods is the Republican candidate for member of the Cinnaminson Township Committee. He also is unopposed.

In Palmyra, W. P. VanSant and Robert Eastwood, Jr., are the Republican candidates for the two Council positions. The Democrats have two candidates, but they have little chance.

Candidates of several other parties will appear on the ballots for the top National and State positions, but they are expected to accomplish little more than cause the tally clerks some extra work.

December 2nd, has been selected as the date for the Annual Lions Club Football Dinner at which the Palmyra High School Squad will be guests of honor. Plans are underway for movies as in the past, together with a program of entertainment designed primarily to interest the boys. The dinner will be open to the squad, their Dads, Club members and other local men interested.

Costumes are being assembled and specialty numbers for the Annual Lions Club Minstrel Show to be held in the High School Auditorium November 12th and 13th. This year's cast and chorus expect to present a unique show. The experience gained last year is proving invaluable in presenting this year's production.

Again we have had the generous support of the local and surrounding merchants in preparing the printed program. They are members of our community. Check the ads and see how many you can patronize. Ticket sales will be necessarily limited by the capacity of the Auditorium. As this goes to press, tickets are still available by contacting members of the Club.

There is still a need for two lamps, either floor or table model, which do not come within the house committee's budget. Donations of such lamps would enhance the charm of the living room, and contribute to the comfort of those who read there.

On Wednesday evening, October 27, the staff has planned a Halloween party for the patients. There will be costumes and refreshments, and the feature of the evening will be an illustrated talk by Miss Helen Evald of Palmyra on her travels in South America.

Matterhorn is a high mountain in the Swiss Alps.

ACTIVITIES AT CINNAMINSON HOME

On Thursday afternoon, October 28, the Board of Managers of the Cinnaminson Home will be hostesses at a tea and open house for social workers. Over 100 invitations have been issued to representatives of social agencies in New Jersey and the Philadelphia area of Pennsylvania who have the responsibility of referring patients to the Home. The house committee is completing its fall program of major and minor improvements to the decor, and will be well pleased to put on display the setting offered for convalescence.

*Why doesn't the bank
pay interest on
checking accounts?*

Payment of interest on
checking accounts in any
insured bank is prohib-
ited by law or regula-
tion. The reason is that the bank can pay
interest on deposits only out of earnings
from the investment of those deposits. In-
asmuch as checking account funds can be
withdrawn on demand, cash reserves must
be larger to meet withdrawals, therefore
the amount available for investment is
smaller and the investment period shorter.

1 1/2 Billion Dollar Road Block!

RAILROADS MUST OPERATE around the clock
every day and night of the year.

Although they know this, leaders of 16 rail-
road unions are demanding a five-day, Mon-
day through Friday, week for one million
railroad employees.

They want 48 hours pay for 40 hours work
—in itself a 20% wage increase.

They also demand a minimum of 12 hours
pay for any work performed on Saturdays,
and 16 hours pay for any work performed on
Sundays and holidays.

On top of all this they want an additional
increase of 25¢ an hour for every employee!

You'd Pay the Bill!

Summing up these demands, they mean that
these union leaders seek to force the railroads
to give one million employees an annual raise
which would average \$1600 per employee!

The total cost of this would be no less than
1 1/2 billion dollars per year, which is more
than twice the expected net income of the
railroads this year.

You'd pay the bill, because if these in-
creased costs are forced on the railroads,

they must have still further rate and fare
increases.

Demands Unreasonable

These employees have had substantial raises
during and since the war. Their average week-
ly earnings are higher than the average weekly
earnings of workers in manufacturing indus-
tries. They have more job security than the
average worker in American industry. They
also enjoy paid vacations, a retirement sys-
tem and other advantages more generous
than the average worker receives.

In contrast with the demands of these 16
unions, which add up to the equivalent of 48¢ an
hour, the Conductors and Trainmen recently
settled their wage request for an increase of 10¢
an hour.

Railroads Run for Everybody—
Not Employees Alone

The railroad industry must serve not one but
many groups—producers, businessmen, ship-
pers, passengers and the general public—
night and day, every day of the year. These
unions are proceeding in utter disregard of
this important difference between railroads
and other industries. Industrial plants can be
shut down over weekends and holidays, but
freight, mail, express and passengers must
continue to move. Everybody who enters rail-
road employment knows this.

Strike Threat

On September 18, 1948, the leaders of these
16 unions began taking a strike vote. But the
threat of a strike will not alter the opposition of
the railroads to such unreasonable demands!

Hallowe'en Suggestions

Clear, starry October nights set the young ones thinking of the fun of Hallowe'en. To adults they bring a nostalgic wish that they too could once again race down the block with the gang, ringing doorbells, carrying out their mischievous pranks, and then feast again on all those delicious good things which generous neighbors serve their young visitors.

a stubborn Burlington team by the score of 13-6.

A large Alumni Day crowd watched the proceedings in which the combined Burlington and Palmyra bands staged a fine music pageant between the halves.

Burlington pushed over a touchdown in the first period. The drive started when Palmyra failed to kick on fourth down with the ball at mid-field. The Blue and White then connected on a long pass, one of the few they threw during the contest and were further aided by a 15 yard penalty which put the ball practically on the homesters goal line. One play took it over.

Palmyra got several breaks just before the half ended, one being a recovered fumble on Burlington's 10, but the Red and White was unable to tally.

The second half was a different story as Palmyra plays began to click with Still and Brown both rapping off substantial gains with a pass thrown by Still to Lundstedt aiding materially. Still went over for a touchdown late in the third period, but the conversion was missed and the score was deadlocked 6-6 until within two minutes of the end of the game when Palmyra recovered a fumble deep in Burlington's territory. Still made his second touchdown a few plays later and the conversion was good.

The locals meet Merchville this Saturday on the latter's field.

HOWELL SPEAKS AT LOCAL TOWN MEETING

Charles R. Howell, of Pennington, Democratic candidate for Congress was the speaker at the Riverton Town Meeting on Tuesday night of this week. The affair was intended to give both Mr. Howell and his

Republican opponent, Albert C. Jones an opportunity to present their proposed platforms, but the latter failed to appear at the session which was attended by about 100 local residents.

Mr. Howell, who was introduced by Acting Mayor George Beeton, stated that we must take strong action at home and abroad to combat Communist expansion. He also spoke concerning his qualifications for the office to which he aspires.

With Charles Carpenter acting as moderator, Mr. Howell then gave answers to numerous questions that were advanced by those present. These included almost every controversial issue which exists today.

Although the issue is not a National one, Mr. Howell was also asked his opinion regarding the Burlington County bridge deal.

His reply was that he considered it a great blunder and a stupid thing to do. He characterized the move as a hasty grab to get ahead of the State which could have purchased the Tacony-Palmyra span for \$4,900,000.

When questioned Wednesday morning regarding his failure to attend the Riverton meeting, Mr. Jones stated that he had advised Town Meeting officials by letter on October 8 that he would be unable to be present, but that arrangements had been made to have George B. Biting represent him.

Mr. Jones further stated that his office was advised by Mr. Biting on Tuesday night that he would be unable to come to Riverton.

Mr. Jones, being in Trenton, where he spent the night did not receive this message until Wednesday morning. He expresses sincere regret that the difficulty arose and extends his profound apologies to those who attended.

"Everlasting Punishment" is the
subject for Sunday, October 31.
Golden Text: "Be not deceived;

God is not mocked: for whatsoever
a man soweth, that shall he also
reap." (Gal. 6:7)

Sermon: Passages from the King
James version of the Bible include:
"And I will punish the world for their
iniquity; and I will cause the arro-
gance of the proud to come, and
will lay low the haughtiness of the
terrible. I will make a man more
precious than fine gold;" (Isa. 13:11,
12)

Correlative passages from "Science
and Health with Key to the Scrip-
tures" by Mary Baker Eddy include:
"Marvels, calamities, and sin will
much more abound is truth urges
upon mortals its resisted claims; but
the awful darning of sin destroys sin,
and foreshadows the triumph of
truth. God will overturn, until 'he
come whose right it is.'" (p. 223)

It's all part of your Telephone Service

• Ever see telephone poles inside a building — with telephone men working on them while standing on the floor? We have them here in New Jersey — and they

play a big part in giving you good telephone service.

• Along with other types of telephone equipment these poles are located in one of our telephone schools. Every day you'll find groups of telephone people in the "classrooms" learning the latest methods for doing work skillfully and safely.

• Some of these students are youngsters in the telephone business — some are experienced telephone men. But they're all there for the same reason: To get the training and retraining necessary to assure efficient operation and maintenance of New Jersey's telephone system.
