Quarantine Rules For Communicable Diseases

The following recommendations for Quarantine and Isolation of Communicable Diseases have been approved by the Boards of Health of Riverton, Palmyra and Cinnaminson and do not conflict with those of the State Board of Health.

The purpose of distributing these recommendations is to provide a uniform schedule of Quarantine and Isolation among physicians and schools of these communities for these Communicable Diseases.

These recommendations have also been approved by the governing bodies of Palmyra, Riverton and Cinnaminson.

Notice is hereby given that violation of any quarantine will subject the offender or (if a child) his or her parents to penalties which are provided by State Health Laws.

Local health officers urgently recommend that these regulations be clipped from the newspaper and kept for future reference.

SCARLET FEVER

Patient

Period of isolation is until 14 days from the onset of the disease and as long thereafter as abnormal discharges from the throat, nose, ears or glands persist.

Home Contacts and Other Known Contacts

If the patient is not removed from the premises the other members of the household who continue living at home must be excluded from school until the period of isolation for the last case in the household has terminated.

If the patient is removed from the premises the other members of the household are restricted to the premises for 7 days.

Wage earner(s) may continue working but should not come in contact with patient during quarantine period.

DIPHTHERIA

Patient

Excluded from school until the period of isolation of last case in household is ended. Period of isolation for the patient is until diphtheria bacilli have not been found in at least two consecutive cultures from both the nose and throat. These sets of cultures shall have been taken at least 24 hours apart and examined in an approved laboratory.

Home Contacts and Other Known Contacts

Confined to premises for ten days and two cultures must be taken — one within 24 hours of diagnosis of disease and second one seven days later. Those who have had diphtheria must have at least two cultures from both nose and throat. These sets of cultures shall have been taken at least 24 hours apart and examined in an approved laboratory.

This also includes wage earner(s).

MUMPS

Patient

Period of isolation is until ten days after the onset of the disease and as long thereafter that glands remain swollen.

Home Contacts and Other Known Contacts

May go to school first 12 calendar days after exposure if no symptoms and thereafter restricted to premises from the 13th to the 21st calendar day from date of exposure. Those who have had mumps are not restricted.

CLARENCE PRICE NAMED HEAD OF BURLINGTON CO. FREEHOLDER BOARD

Clarence G. Price was elected director of the Burlington County Board of Freeholders at the organization meeting of that body held on Monday of this week. He succeeds LeRoy Church who was defeated in the November elections.

An attempt by the two Democratic members, Richard J. Lippincott and Henry S. Haines, to elect the former as director failed as the vote went strictly along party lines. After this move was defeated the Democrats asked that the vote be unanimous.

Mr. Price made the following departmental appointments: Albert C. Jones, director of highways, engineering and bridges; Stanley I. Russ, director of institutions; Mr. Lippincott, director of administration and purchasing; Mr. Haines, public buildings and grounds. Mr. Price will assume chairmanship of the finance department.

THE PORCH CLUB

The Garden Section of the Riverton Porch Club will hold a meeting on Wednesday, January 12, at 10:00 a.m.

Mrs. Carvel Sparks will speak and her topic will be "The Early Hanging Basket to the Ultra Modern Garden."

MANY ATTEND MUSICAL PROGRAM

With approximately 300 people in attendance, with every pew occupied, the residents of this locality demonstrated the community's hunger for good music last Sunday evening at Christ Church, Riverton, when the first of that Church's concerts of Sacred Music was presented under the direction of Mr. Amos M. Heacock, organist and choir master of the Church.

In addition to the choir of Christ Church which was augmented by others from Christ Church, Palmyra, the group of 30 voices was further supported by Mrs. Earle Whitaker, soprano, of Riverton; Doris Humphries, alto, of the Church of the Saviour, Philadelphia; Merritt Howard, tenor, St. Luke of the Epiphany, Philadelphia, and Charles Matthews, baritone, Bryn Mawr Presbyterian Church. Also included in this Christmas-time concert which preceded the Week of Prayer, were Dorothy Johnson Baseler, the well known harpist and Raymond and Clara Zager Brown, violinists, whose ability is nationally known.

At the conclusion of the program, Mr. Heacock was showered with congratulations by many who were in attendance and two or three local singers who at present have no choir connections, arranged to join in the next regular rehearsals of the Christ Church choir which meets in the Parish House on Thursday evenings. Any others who are interested in joining this talented group are cordially invited to be present next Thursday evening. The Parish House is at Fourth and Howard streets.

While no definite date has been set for the next Sunday evening concert, tentative plans are being made for Easter with the date probably on the evening of Palm Sunday.

Members of the West Burlington County Health Council: Mr. Conrow, Evan W. Stover and Miss Carolyn Cook.

Board of Health: Dr. Dickson, members of the Township Committee, Mr. Reeves and Mr. West.

DINNER PLANNED FOR SCHOOL GRID TEAM

A committee composed of members of various riverfront organizations is arranging for a testimonial dinner to honor the Palmyra High School Football Team, which again this year won both Burlington County and South Jersey Group 2 Championships.

The dinner is to be held February 7, at 7:00 p.m., in the Social Hall of the Central Baptist Church, Palmyra, and arrangements are being made to produce a program for this occasion that will long be remembered by the honored guests.

Representatives of the Riverton P.T.A., Delanco P.T.A., Palmyra-Riverton Rotary Club, Citizens Committee of Palmyra and the High School Alumni Association have banded together and recently met at the Palmyra Borough Hall to set the wheels in motion for this gala affair. The cooperation of all interested citizens is being asked by the committee in charge, in helping to make this dinner a huge success.

Further details regarding the dinner will be forthcoming as the plans and details are completed.

FILING OF NOMINATING PETITIONS ANNUAL SCHOOL ELECTION

The law provides that all persons who wish to file nominating petitions as candidates for election to Boards of Education, must file same by midnight of Wednesday, January 19. The petitions must be filed with the District Clerk of the school district in which the candidate resides.

All candidates filing petitions must meet the requirements as prescribed in the New Jersey School Law:

1. Candidate must be a citizen and resident of the territory contained in the district.

2. Candidate shall have been a resident of the district for at least three years immediately preceding his becoming a member of the board of education.

3. He shall be able to read and write.

4. He shall not be directly or indirectly interested in any contract with or claim against the board.

MARCH OF DIMES

Mrs. Mervil E. Haas, local chairman for the March of Dimes drive to be conducted from January 14-31, made the following statement this week:

"This will be a critical winter in the fight against infantile paralysis. The blackest polio year of the past three decades has just passed into history. Its tragic toll of more than 26,000 cases was the highest incidence recorded since the calamitous epidemic of 1916.

"Again, most of polio's victims were children — young boys and girls who suddenly discovered that they were different from other children, who suddenly were cut off from their friends and playmates because they could not do all the things that healthy, active children should do. Some could not walk without the aid of crutches or braces. Some could not lift their arms nor move their hands and fingers to help themselves. And there were those who could not move at all — immobilized in hospital beds or, worse, restricted to the solitary confinement of iron lungs because their respiratory muscles were incapable of sustaining life. Thousands of these children — and an alarmingly increasing number of adults — were added in 1948 to the growing lists of residual cases who will need help for years to come.

"The epidemics placed a tremendous burden upon health facilities in 20 states where polio was epidemic, for no community, no city, no state can long sustain the full impact of polio in its sweeping attack without help from outside sources.

"Demands from affected areas in this epidemic were greater than ever before. The financial drain upon your National Foundation for Infantile Paralysis has wiped out the organization's epidemic reserves and depleted treasuries of hundreds of Chapters in hard-hit states. The job of fighting the epidemic and treating polio patients in 1948 will cost the National Foundation for Infantile Paralysis approximately \$14,000,000. And it is our bitter experience that more money is needed in the aftermath of an epidemic than is needed during the epidemic itself.

"This staggering cost has created a financial emergency that threatens to hold up the fight against infantile paralysis along all fronts. Research projects aimed at finding a preventive or cure for polio may have to be curtailed because all available funds are needed to solve the immediate problem of helping those already stricken with the disease. Long-term plans for wiping polio from the face of the earth may be seriously delayed unless sufficient funds are made available to carry on research and education despite the emergency demands of recurring epidemics.

"Unless this critical financial emergency is alleviated by Spring of 1949, another sweeping epidemic may find

BRIDGE TAXES AID PALMYRA

The following statement concerning ownership of the Tacony-Palmyra Bridge was made last week by Mayor Charles V. Dickinson, of Palmyra:

"Palmyra and Burlington City stand to lose approximately \$40,000 in annual tax revenues if the state is successful in its action to have the Burlington county bridge transaction set aside. Under county ownership, we are insured against this loss by a firm agreement.

"State ownership undoubtedly would mean an annual loss of \$32,450 to Palmyra, and \$5,280 to Burlington — the taxes paid previously by private owners of the bridges.

"This loss would take a big slice from Palmyra's 1949 tax anticipation of \$256,009.13 and would make necessary a tax increase of 14.8 percent — an addition of \$14.80 annually to each \$100 paid in taxes — or the equivalent of an annual charge of more than \$5 against every man, woman and child of our 6,000 population. Otherwise current services would have to be reduced to make up the \$32,450 deficit.

"Under public ownership of either the state or county the Tacony-Pal-

(continued on page 8)

the nation unprepared to help the thousands who must have quick and adequate assistance. For when epidemic strikes, all action, all energy, must be concentrated on the job at hand. There is no time to raise funds in the midst of an epidemic. The time for action is right now.

"During the period from January 14 to 31, you will be asked to give to the March of Dimes. This is the only fund-raising drive of the National Foundation for Infantile Paralysis. It is held during the winter, so that when the hot summer months bring with them the threat of infantile paralysis, more than 2,800 National Foundation Chapters, serving every county in the nation, will be ready and able to meet any emergency that may arise.

"Half the funds raised in the March of Dimes remains in the treasuries of these local Chapters, to provide continued care and treatment for your friends and neighbors who need help, to furnish hospitalization, medication and nursing care, to buy braces and crutches and wheel chairs for those who need such appliances, to pay for therapy and rehabilitation services, and to meet the first heavy blows of epidemics in your community.

"The other half of your March of Dimes contribution is sent to National headquarters of the National Foundation, to be used in fighting infantile paralysis from every possible quarter on a national scale. This money is used to support research into every phase of polio study at 88 of the nation's foremost research institutions. It is used to provide scholarships and fellowships in the field of polio for doctors, nurses, physical therapists and professional workers in all categories whose services are vital to the treatment and study of poliomyelitis. It is used to help educate the public with all known facts relating to polio and its prevention. And it is used as an epidemic emergency reserve to be poured into epidemic areas when all Chapter funds have been wiped out.

"If this work is to continue with undiminished vigor during the coming year, you must act during this critical winter to make the January March of Dimes an unprecedented success. If you can help in some small way to make life brighter for some crippled child, you will be doing your part.

"The need is great — greater than ever before. We must therefore give more than ever before.

"The March of Dimes needs your support. Please contribute to it generously."

CHRISTMAS AT CINNAMINSON HOME

Those who had occasion to pass the Cinnaminson Home during the Christmas season saw the front doorway garlanded with greens and lights. Inside they would have found Christmas trees for all the patients to enjoy, including three who could not leave their rooms. For the staff saw to it that these three had small individual trees of their own, and that the second floor sitting room was festive with a tree as well. Downstairs were the living room tree, and the Girl Scouts' tree in the dining room.

This was the setting for a heart-warming number of benefactions which brought the Christmas spirit to the Home and its household. That turkey from the Moorestown Rotary Club turned out to be a 28½ pound giant. The dinner menu was embellished with preserves from Girl Scout Troops 1 and 7, Riverton, and with celery and cauliflower given by the Philadelphia Market House, which also contributed holly for decorations.

Each patient received a box of candy and a handkerchief from "The Lucky 13," a group of Palmyra and Riverton women whose friendship began many years ago. Mrs. H. W. Wyllie of Fifth street, Palmyra, brought individual indoor gardens made by the Palmyra Junior Woman's Club for each patient and member of the staff. Mrs. Grover Fox, of Cleveland avenue, Palmyra, brought a large basket of fruit from the Palmyra Woman's Club. The thanks and appreciation of the Home's staff and of the seventeen guests with whom these and other well-wishers shared the Christmas spirit, are warm and heartfelt.

The Red Cross Motor Corps, under the chairmanship of Mrs. George Lorenz, has been most helpful in transporting patients from Cinnaminson Home to clinics and to doctors' offices. Prescriptions have also been delivered. Mrs. Rowland W. Gilpin of Seventh street, Riverton, has given generously of her time as driver.

CIVIL RIGHTS MEETING

The Joint Council for Civil Rights of Burlington County is sponsoring a public meeting of citizens from all parts of the County on Tuesday night, January 11, at 8 p.m., in the American Legion Hall, at Burlington. This is a part of a state wide movement to mobilize the strength of fair-minded people behind civil rights legislation and to motivate the introduction of good civil rights legislation in the next session of the New Jersey Legislature.

Speakers will include Attorney Herbert Tate of Newark, chairman of the New Jersey Joint Council for Civil Rights; Miss Marion Courtney of East Orange; and Philip Greenwood, executive secretary of the American Jewish Congress. The public is cordially invited to attend.

RIVERTON BORO COUNCIL TO ORGANIZE JANUARY 13

Riverton Borough Council will organize for the current year at the regular meeting of the governing body to be held on Thursday, January 13.

Since there will be few if any changes in the municipal set up it was not deemed necessary to meet before the regularly scheduled session.

CENTRAL BAPTIST CHURCH

Fifth and Maple Avenue
The Rev. S. Dan Morgan
Pastor

Sunday, January 9, 1949, Sunday School, 10:00 a.m.

Morning Worship, 11:15: The Pastor's sermon topic will be "The Most Important Thought." The choir will sing "Consider and Hear Me" by Wooler. A nursery for small children of parents who desire

to attend the morning worship is provided each Sunday morning.

The Philathea Class of the Sunday School, who are celebrating their 39th Anniversary on January 10th, will attend the morning worship service together. It is their wish that all present members of the class, and all those who have been members at one time, join them as they worship together with us. Congratulations to these wonderful Christian women! May God grant them many more birthdays with us.

Evening Worship, 7:45: The message by the Pastor is to be "Genuine Christianity." The choir will sing a selected anthem.

Calendar for the Week:

Tuesday, January 11, 8:00 p.m.:

Sunday School Council Meeting.

Wednesday, January 12, 1:00 p.m.:

The Women's Society will have a Dessert Luncheon. Mrs. Samuel A. Jeanes, wife of the Pastor of the Merchantville Baptist Church will be the speaker. A charge of 25 cents will be asked those attending.

Wednesday, January 12, 8:00 p.m.:

Prayer and Praise Service.

Thursday, January 13, 8:00 p.m.:

Choir rehearsal.

On Wednesday evening, January 19th, at 6:30 o'clock, the church will sit together for dinner and immediately after the dinner will have its annual business meeting.

Last year Central Baptist sent several boxes of used clothing to the needy people of Europe. A similar project has been planned for this year. Any old woolen clothing which you or your neighbors may have folded away somewhere, in the attic, in the cellar, should be pulled out, cleaned, and brought to the

church. Baby clothing, children's clothing, clothing for adults; shoes, gloves, blankets, all are needed and will be most welcome. Receptacles will be placed in the vestibule of the church, where they will be most convenient for the depositing of your

contribution. The women of the church will do any mending which may be necessary. The need is urgent; it requires so little of your time and effort, and it will mean so very, very much to those who receive whatever we are willing to send.

AT THE BROADWAY

Friday and Saturday, January 7 and 8, Bette Davis and Robert Montgomery in one of the funniest comedies in years, "June Bride," comes to the Broadway.

HOMEMAKING

By DORIS FOREBAUGH

Home Economics Adviser,
Public Service Electric and Gas Company

Oven Meals

Methods of cooking have been streamlined to keep pace with modern equipment. Meat, vegetables and dessert may be put in the oven at the same time and all foods will be properly cooked at serving time. This is "package cooking" and it is being used by more home-makers every day.

Just a few pointers and the rest is easy. Cook the meat uncovered and without water. Decide on the time and temperature for the meat then select vegetables and a dessert which can be cooked at the same time and temperature. Vegetables are steamed in the oven. A covered utensil is used and a small amount of water added. Most vegetables may be cooked at 350 degrees temperature or moderate heat.

SNIFLES IN SCHOOL

WE ARE entering the season when wet feet and exposure to piercing cold winds will take their inevitable toll among school children. In the form of colds, sore throats—perhaps even influenza or pneumonia. Yet many of these troubles might be avoided if we can teach our children to be thoughtful and careful about what goes in and comes out of their mouths and noses!

Time was when a child's saliva was as essential to his education, seemingly, as schoolmarm and chalk. Saliva was used with his slate rag to clear the slate for each succeeding lesson in writing or arithmetic. Each child exchanged his saliva freely with his classmates on the common drinking cup and the common school towel.

There's not much use just telling Johnny not to spit, not to eat second hand candies, not to cough or sneeze without covering his nose and

EXPLORER SCOUTS VISIT MARYLAND ON CAMPING TRIP

Last Sunday, Monday and Tuesday the Explorer Scouts of Post 50, Riverton, went on their annual Christmas camping trip.

This time they went to Camp Rodney of the Del-Mar-Va Council, which is located about five miles south of Northeast, Maryland, on the shore of Chesapeake Bay.

The council let the Explorers use one of the camp's new cabins which were erected during the past year. These cabins are very roomy; the main room sleeping 14 and is equipped with a circulating fireplace; the cooking was done in the kitchen, which is a separate room adjoining the main room.

Skis and a bob-sled were taken along in the hopes of snow; however everyone was disappointed over the failure of the weather-man's predictions of snow.

This didn't stop the Explorers from having a good time though. Everyone got together and worked on advancement, with quite a bit of headway being made. The cats were on hand, with plenty to go around.

The trip was under the leadership of Jack Lundstedt, post guide, and Dick Burr, post secretary; Dick Adams, Roy Myers, Bucky Wagner, Jack Oliver and Nels Ross made up the rest of the group.

PETITIONS ANNUAL
SCHOOL ELECTION

The law provides that all persons who wish to file nominating petitions as candidates for election to Boards of Education, must file same by midnight of Wednesday, January 19. The petitions must be filed with the District Clerk of the school district in which the candidate resides.

All candidates filing petitions must meet the requirements as prescribed in the New Jersey School Law:

1. Candidate must be a citizen and resident of the territory contained in the district.
2. Candidate shall have been a resident of the district for at least three years immediately preceding his becoming a member of the board of education.3. He shall be able to read and write.
4. He shall not be directly or indirectly interested in any contract with or claim against the board.NEW YEAR'S GIFT
TO PALMYRA S & L
ASSOCIATION MEMBERS

Coming as a New Year's gift to the many Saving Account Members of the Palmyra Savings & Loan Association was the 2½% semi-annual dividend. Those who still hold Income Shares were in receipt of checks for their dividend or earnings, while the Saving Account Members were notified that the earnings on their accounts were being placed to their credit in their pass books.

THANKS

The Palmyra String Band wishes

to thank all the townspeople for the many phone calls and felicitations extended them during their recent march in the Mummers' Parade. The Band was gratified at the wonderful reception accorded them and are looking forward to participating in the coming parades.
Anthony D'Amato,
President.HARPIST TO PLAY FOR
MEDICAL AUXILIARY TEA

Mrs. Joseph Kuder, Jr., of Moorestown, will be heard in a group of harp solos at a tea given by the Woman's Auxiliary of the Burlington County Medical Society at Zurbrugg Memorial Hospital, Riverside, on Tuesday afternoon, January 18th, at 2 o'clock.

Mrs. Kuder, formerly of Cleveland, Ohio, has been heard in concerts in many sections of the country, and is also well known for the work she has done in Veterans Hospitals as a musical entertainer.

The speaker for the occasion will be Mrs. Oswald Carlander, of Audubon, former State President of the Auxiliary, and now State Chairman of the Committee on Legislation.

STATUS OF VOTERS WHO
HAVE CHANGED RESIDENCE
FROM ONE SCHOOL
DISTRICT TO ANOTHER

Any person who is permanently registered in the county and changes his residence from one municipality to another municipality may file or forward a change of residence within three (3) days of the date of the school election. This may be done only at the office of the municipal clerk or at the office of the County Board of Elections.

APPOINTMENT OF
CHALLENGERS ANNUAL
SCHOOL ELECTION

The revised school law regarding school elections provides that the candidate may act as challenger and may appoint also one challenger for each polling place. The appointment of challengers shall be in writing under the hand of the person making the same and shall specify the names and addresses of the challengers and the polling districts for which they are severally appointed.

The appointment of the challengers shall be filed with the District Clerk of the board of education not later than Thursday February 3. No person shall be appointed challenger who is not a legal voter of the district and no challenger shall serve in any polling district other than that to which he is appointed. The District Clerk shall certify such appointed challengers and such certification shall be submitted by the challengers to the election officials of the respective polling districts to which they are assigned.

*How should I
endorse a check?*

The simplest form is the blank endorsement, which is made by writing your name on the back of the check exactly as it is written on the face. However, inasmuch as a check bearing a blank endorsement may be cashed by the finder, it is better to avoid using this type except when cashing checks over the counter. When depositing checks it is better to use the restrictive endorsement—your authorized signature written below the words "For Deposit Only".

January 16.
Golden Text: "Labour not for the
meat which perisheth, but for that
meat which endureth unto everlasting
life, which the Son of man shall
give unto you." (John 6:27)Sermon: Passages from the King
James version of the Bible include:
"And this is life eternal, that they
might know thee the only true God,
and Jesus Christ, whom thou hast
sent." (John 17:3)Correlative passages from "Science
and Health with Key to the Scriptures"
by Mary Baker Eddy include:
"This is life eternal," says Jesus,
—is, not shall be; and then he defines
everlasting life as a present
knowledge of his Father and of himself—
the knowledge of Love, Truth,
and Life. . . . Life is not limited.
Death and finiteness are unknown to
Life." (pp. 410,469)EPWORTH METHODIST

MORAVIAN CHURCH

Palmyra, New Jersey
Warren C. Kuhlahl, Pastor

The usual morning worship hours will be held at 9:30 for Sunday School and the Church Hour at 10:45. At the Church Hour the Senior choir will sing "Take Jesus with You." The pastor will begin a series in the great love story of Ruth. Missionary Elfrida Franck will speak at the Riverside Moravian Church at 9:30 a.m. and 10:45 a.m. Miss Franck is a missionary at Bethel, Alaska and the surrounding area.

Monday, the Sunday School teachers will hold a conference at 7:45 in the evening.

Senior choir practice is on Thursday at 7:45 p.m.

Chapel choir (ages 7-12) will be at 7:00 p.m. on Friday.

The Young People invite young people of the church and community to go on a bowling party with them on Saturday at 8:00 p.m.

CALVARY PRESBYTERIAN
CHURCHFourth and Lippincott Avenue
Riverton

Next Sunday is "Missionary Sunday" at the Calvary Church. The Rev. George B. Leeder, missionary to India and presently on furlough in this country will be present with us, and will bring us a message from the great field of Christian opportunity in this great country that gives sanctuary to one-fifth of the population of the world.

Church School will convene at 9:45 (prompt). Classes will be conducted from 9:45 to 10:15, at which time all students, with the exception of those in the Nursery and Beginners' departments will meet in the Sanctuary to hear Dr. Leeder speak. The Men's and Ladies' Bible classes are also invited to be in the Sanctuary at 10:15 a.m.

Morning worship begins at 11 o'clock. The Calvary Choir will render the anthem, "Magnificat and Nunc Dimittis in F." by Simper. Dr. Leeder will speak of the work of our Church in India. During the morning worship hour children will be cared for in the Church Nursery.

On Sunday evening the various youth groups will meet at the regularly scheduled hours. The youth choir will meet for rehearsal, the Juniors at 6 with Mr. Farrow and Mrs. Bell and the Teen-Age Girls at 6:30 with Mrs. Kurtz. The Fellowship groups will meet as follows: Juniors at 6:30, Intermediates and Seniors at 7:15. The Senior leader will be Jane Hemmings, and the topic, "Religion in Soviet Russia." All young people from Fourth Grade up are cordially invited to participate in the fellowship and activity of the age group to which they belong.

The January meeting of the Good Fellowship Club will be held on Friday evening, January 21, when a dinner will be served.

The "New Life" Committee will meet at the Manse on Wednesday evening, January 19, at 8 o'clock, and will visit from 7:30 to 9:30 o'clock.

The open house, social mid-winter

meeting of the Burlington County Historical Society will be held Saturday, January 22, at 2:30 p.m., in Cooper House, Burlington. The speaker will be Percy B. Lovell, who will talk about his early experiences in Burlington county newspaper work. Tea will be served. Friends of members are cordially welcome.

pointments include: Charles K. Merivine and Arthur Terrell, Board of Health, W. Harold Thorn, Building Inspector and Zoning Officer; Charles S. Stickney, zoning Board member, J. C. Remington, engineer and Dr. Dean H. LeFavor, borough physician.

Council plans to meet on the third Tuesday of each month during 1949 instead of the fourth Tuesday, as heretofore, and a resolution to this effect was introduced at the reorganization session.

W. Harold Thorn, Building Inspector, reported through Councilman Harold Marshall that the following permits had been issued in the Borough during 1948: Business Places, \$52,250; Garages \$5,895; Home Improvements \$58,182; New Homes, \$363,000. Permit fees collected amounted to \$13,126. Councilman Marshall called attention to the fact that 58 new homes were constructed in the Borough during the past year.

In colonial days New Jersey was divided into two sections, West Jersey and East Jersey. There were two separate governing bodies known as Boards of Proprietors in charge of governing the affairs of these two sections.

Spaghetti with Rich, Spicy, Full-of-Meat Sauce
Strands and strands of food fun! That's one way of describing spaghetti. And another way is to refer to it as the Chinese because, believe it or not, history gives the fabulous Marco Polo the credit for bringing back spaghetti from the Orient and introducing it to his Latin neighbors. They must have grieved it with joy and gusto because it is to the Romans and Sicilians and Tuscans that we look for spaghetti lore today.

By now Spaghetti with Meat Sauce can be considered a naturalized American. It's made the reputation of many a novice hostess and it gives us a good chance to make use of the thrifty cuts of beef that can be ground up and which furnish the important complete protein ingredient in the rich sauce.

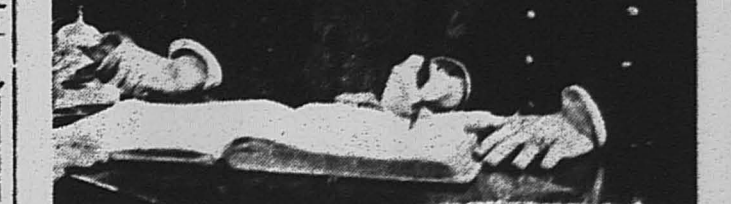

The crowning touch of a spaghetti dinner is the sauce. There are important steps in cooking the spaghetti which can make the difference between a perfect dish and one that's just fair. No self-respecting spaghetti cook would ever rinse the spaghetti after its sojourn in boiling water. Call on your biggest kettle or cooking pot, pour lots of water into it, bring the water to a boil, salt it lavishly, and then in goes the spaghetti. Latin folks who use spaghetti as a staple in their meals have a long handled fork as standard equipment and at frequent intervals while the spaghetti is boiling, they fork into the mixture and give it a good lifting so that the strands won't stick together. Spaghetti cooked in this way will need no rinse after it's cooked. Just drain it and it's ready for the sauce.

Thrifty Cuts of Beef Make Savory Sauce
It is to the thrifty cuts of beef such as chuck that we look for the meat makings of a perfect spaghetti sauce. Beef economy cuts

Measles

The word "measles" is derived from a number of foreign words, all of which mean "little spots." At one time, all diseases characterized by a rash, except smallpox, were called by this name.

Measles is not such a serious disease in itself but it has to be treated seriously for two main reasons. First, measles is a highly communicable condition, especially for the first three or four days before the rash appears. Secondly, there are strong possibilities of dangerous complications following an attack of measles if not carefully handled.

First signs and symptoms are similar to those of the common cold. There is a running nose, sneezing, coughing, watery eyes, usually a fever and a severe frontal headache. These symptoms appear about eight or nine days after the patient has been exposed to another measles patient and they last three or four days, during which time others will certainly be exposed to the disease.

About the 12th to the 14th day after exposure, a rash will appear first on the forehead and neck and gradually over the entire body. The rash consists of small, dark-pink eruptions. After two or three days, the eruptions begin to disappear. The other symptoms increase with the eruption and decrease with the disappearance of it, convalescence beginning in the second week.

Common complications of measles are pneumonia and abscesses of the ear. Since pneumonia is the most common cause of death following measles, the greatest care should be taken against the measles patient catching cold.

Doctors now use serums to prevent or at least to minimize an attack of measles and such treatment is usually given to infants or very young children who have been exposed to the disease within their own family or circle of playmates.

Fortunately, one attack of measles usually makes one immune to it thereafter. Perhaps one of the greatest drawbacks of measles is the fact that often the patient does not appear to be very sick. Measles should be regarded seriously, however, chiefly because of the more dangerous complications to which a measles victim is often prone.

The Burlington County Girl Scout Leaders' Club will hold its next meeting at the Moorestown Community Center on Thursday, January 20, at 7:30 p.m. Plans will be made for a county-wide Girl Scout Rally in May. Harold McVain will teach square dancing to the group.

FINAL REPORT FROM YOUR CONGRESSMAN

Frank A. Mathews, Jr.

This is the last report from your former Congressman as, not having sought reelection, his term ended on January 3, 1949, so this report will be informal.

Some time ago I said I would give you more details of my reasons for my not running again. But what has transpired in the meantime makes doing this largely unnecessary.

In November the people of the United States reelected President Truman for a second term and majority of his party in the House and Senate. That party now has control of both the Legislative and Executive branches of the Federal Government and is in a position to carry out every promise President Truman made during his campaign.

Whether all of these promises will be carried out or whether you, the people, will like it if they are, are things which remain for the future. Many of them are certainly not according to my ideas or my understanding of the political philosophy of our great Constitution — that philosophy under which we became the greatest nation of the earth.

You have learned from the daily press what is happening in China. I, as your Congressman, voted for more aid to China and less aid to Europe, but my views did not prevail.

You have watched, probably with some amazement, how much of your money has been spent to stop Communism in Europe, how disinterested the administration is about its progress in China, and how completely

apathetic the President is about Communist activities in the United States, even right in the highest branches of his own administration. As disclosure after disclosure has been made the President has persisted in his insistence that all of it is nothing but a "red herring."

You may wonder why price control, socialized medicine, vast governmental housing projects, and many other things promised by the President are also the objectives of the Communists. Apparently, many Americans, including the President, believe that a little Communism is a good thing. But Communism may be like cancer. A little cancer is NOT a good thing.

You now have a Federal debt alone of two and a half billion dollars, a Federal budget of a little less than fifty billions, commitments all over the world of several billions annually and unknown emergency expenses for the future. Add to these the stupendous cost of the President's program and remember something I told you before: Every dollar a government takes from you in taxes and spends as it sees fit is a dollar you have earned and can't spend as you see fit.

"The power to tax is the power to destroy."

The "liberals" have you on the run, folks.

I want to extend to you good people of the Fourth Congressional District of New Jersey my sincere thanks for twice having given me the opportunity to serve you and your interests in the House of Representatives, for the fine support given me by real Americans who believe in the same principles as do I, and for all the kind expressions I have received during my recent illness.

And again I want to thank the Editors of these newspapers which have published my weekly reports regularly, on behalf of myself and also for the public service they have rendered in helping me let my constituents know what I was doing and where I stood.

ELIGIBILITY OF VOTERS AT SCHOOL ELECTION

Persons who wish to vote at the Annual School Election, which will be held on Tuesday, February 8th, 1949, must either be permanently registered in the signature copy register (Permanent Registration), or must do so between now and forty days (40) prior to the date of the school election.

All persons who are citizens of the United States; who are 21 years of age at the time of the school election; who have resided one year in the State and five months in the county, and who are permanently registered forty (40) days prior to the election may vote.

If you are not already registered in the permanent registry lists, you may do so at the office of your local municipal clerk (Township, Borough or Town) or at the office of the County Board of Elections, 110 High Street, Mount Holly, N. J. The office hours of the County Board of Elections are 9 a.m. to 5 p.m. on Monday through Friday.

The District Clerk of the Board of Education will not be able to register you; such registration must be done by your local municipal clerk. If you desire to register, please find out when your municipal clerk is available.

If you have any questions concerning your voting status, contact the District Clerk of your Board of Education.

LOCAL STRING BAND IN MUMMERS' PARADE

The Palmyra String Band marched in the Philadelphia Mummers' Parade last Saturday and made a fine impression, although not eligible for a prize according to the rules of the Association.

The local musicians, under the leadership of Anthony D'Amato were accorded a nice round of applause as they passed the judges stand at about 3:30 p.m. They were in 20th position. Twenty-five bands participated.

WOODS NAMED TO CIVIL DEFENSE POST

Robert J. Woods, member of the Cinnaminson Township Committee, has been named chairman of the Civil Defense Committee in that community.

The appointment was made in response to a request from State Civil

Defense Director Leonard Dreyfuss that each community reestablish the nucleus of a defense group.

The Burlington County Council of Parent-Teacher Associations will meet January 19, at 10 a.m., in the Methodist Church, Riverside.

CENTRAL BAPTIST CHURCH
Fifth and Maple Avenue
The Rev. S. Dan Morgan
Pastor

This past week our Congress was requested to create a forty-one billion dollar budget. Such a sum is almost beyond human understanding. A goodly portion of this amount, or any amount which the legislative body finally agrees upon, will be used to strengthen and enlarge our armed forces. Just imagine what the Church of Christ all over the world could do with just a small fraction of that forty-one billion. That, too, is almost beyond human understanding. No war or group of individuals could ever destroy the final product of that appropriation, for the Spirit of God in human beings can never be destroyed.

Sunday, January 16, 1949: Sunday School at 10:00 a.m.
Morning Worship Service: 11:15 a.m.: The Pastor's Sermon Topic will be "The Challenge of Witnessing." The choir has chosen as their anthem, "Great and Marvelous" by Turner.

Evening Worship 7:45 p.m.: Rev. Stanley Nodder, pastor of the First Baptist Church, Collingswood, N. J., will address the Young People's Group at 6:45 and will speak at the Evening Worship immediately after. This points to a great night for Central Baptist Church.

Calendar for the week:
Wednesday, January 19, 6:30 p.m.: Annual Church Dinner. This will be followed by the Annual Church Business Meeting.
Thursday, January 20, 8:00 p.m.: Choir rehearsal.

A nursery for small children of parents who desire to attend the Morning Worship Service is provided by the Alpha Gamma Class of the Sunday School.

RIVERTON BOROUGH
COUNCIL ORGANIZES

The 1949 organization meeting of Riverton Borough Council was called to order by Mayor S. R. Coale on Thursday evening, January 13, at 7 p.m. Councilmen-elect Charles W. Coward and Richard Lippincott were present, both having been sworn into office previously by Borough Clerk, Daniel M. Clifton. George Becton was again elected President of Council.

The main purpose of the meeting was to consider the 1949 Budget and review the general condition of the Borough. Speaking of the past year, Mayor Coale expressed his gratification for the efforts of Council in the satisfactory operation and maintenance of the Borough during 1948. The financial picture showed that over \$8,000.00 was turned back from the 1948 operating budget into surplus revenue and that an excess of \$7,000.00 was realized in anticipated revenues for 1948. These two items helped to raise the Borough Surplus to above \$74,000.00 with no outstanding indebtedness. The condition of the Borough is good.

After careful consideration of all 1949 needs for each committee, Council proceeded to pass the new budget on first reading. As the figures now stand the 1949 rate for the Local Purpose Tax will be the same as last year or a trifle lower. This was made possible by reductions in the Park, Sewer and Highway committee appropriations, plus a transfer of \$10,000 from Surplus Revenue. The highway committee proposed that the present high cost of road work made it unwise to invest in any major road construction at this time and that 1949 funds should be devoted mainly to maintenance.

New items included in the 1949 Budget provide funds for the new Municipal Court, set up by the new State Constitution Judiciary System, making of a new Tax Map to replace the 1915 version and the operation of the Planning Board recently appointed by Mayor Coale.

The complete budget is published in this issue of The New Era. An ordinance to provide for the proper organization of the new planning board, was introduced for first reading by Councilman Coward. The ordinance was drawn up in accordance with regulations provided for by the State law covering planning Boards. The law stipulates that the board members shall consist of the Mayor (ex-officio), a member of council, an officer of the Borough and four to six appointed members. Council also unanimously passed the following resolution: "In recognition of the completion on December 31, 1948, of 35 years service by Daniel M. Clifton, Borough Clerk, he is hereby resolved that a vote of thanks and appreciation be extended to him by the Mayor and Council for his loyal and faithful devotion to the duties of his office."

Miss Regina L. Trzech, of Collingswood, was the flower girl. She wore an ankle length dress of gold tulle with a brown peler pare collar, and matching brown buttons down the back. She carried a basket of old fashioned flowers.

Arthur Schreyer, of Newburg, New York, was the best man, and the ushers were Stanley Roberts, of Plymouth, Massachusetts, Ronald Sebold, of Chester, Pennsylvania, and William E. Good, of Riverton, brother of the bride.

The bride's mother chose a gown of electric blue crepe, decorated with a panel of matching beads. Her accessories were also blue, and she wore brown orchids.

The groom's mother wore a gown of light blue crepe, and matching hat with brown veiling. Her accessories were silver and she wore brown orchids.

A reception at the Riverton Porch Club followed the ceremony.

Following a wedding trip to New Orleans, Terre Haute, Indiana and Toledo, Ohio, the young couple are now residing in Philadelphia.

The bride and groom are both graduates of the University of Pennsylvania in the school of architecture.

Out-of-town guests were Mr. and Mrs. Warren D. Miller, Terre Haute, Indiana; Mr. and Mrs. Earl Mason, Columbus, Ohio; Mr. and Mrs. Robert Rohr, Alexandria, Virginia; Mrs. Ewing M. Miller, Sr., Toledo, Ohio.

Joseph P. Lavery and son Richard, of 516 Main street, Riverton, left on Wednesday of this week, for Washington, D. C., where they will view the inauguration ceremonies. While in Washington they will stay with Mr. and Mrs. Louis Egar, Mr. Lavery's daughter and son-in-law.

SCHOOL BOARD
CANDIDATES

Five candidates have filed petitions for election to the Riverton Board of Education, according to a statement made by William H. Bottger, district clerk, on Wednesday of this week. Three positions are to be filled at the coming election.

Two incumbents, Mrs. Ruth Carhart and George Gilfillan, Jr., will not seek reelection.

The candidates are: James M. Wright, incumbent, 209 Linden avenue; C. Reed Kurtz, 609 Fourth street; Mrs. Rose G. Lowe, 501 Second street; Thomas A. Murphy, 414 Liberty, and Franklin P. Liberty, 850 Homewood drive.

MILLER—GOOD

The marriage of Miss Gladys Jacquelyn Good, daughter of Mr. and Mrs. Paul E. Good, of Riverton, and Ewing H. Miller, II, son of Mrs. Ewing H. Miller, of Toledo, Ohio, and the late Mr. Miller, took place Saturday, December 18, at five o'clock in the Calvary Presbyterian Church, of Riverton. The Rev. Robert B. Stewart, pastor of the church, officiated.

Mrs. Frank Bell, of Palmyra, played the wedding march, and also accompanied Mrs. Penn L. Cooper who sang several selections.

The bride, who was given in marriage by her father, wore a white satin gown made with extreme simplicity, following princess lines with a long train. Her full length tulle veil was arranged cap effect, and was caught at either side with orange blossoms. She carried a shower bouquet of white roses and baby's breath.

Mrs. James R. Wright, of Riverton, sister of the bride, was matron of honor, and Miss Jean Walter, of Riverton, was the bridesmaid. Both were attired in green faille dresses and wore a spray of holly and berries in their hair, with a short veil. They carried bouquets of Cavender roses and baby's breath.

Miss Regina L. Trzech, of Collingswood, was the flower girl. She wore an ankle length dress of gold tulle with a brown peler pare collar, and matching brown buttons down the back. She carried a basket of old fashioned flowers.

Arthur Schreyer, of Newburg, New York, was the best man, and the ushers were Stanley Roberts, of Plymouth, Massachusetts, Ronald Sebold, of Chester, Pennsylvania, and William E. Good, of Riverton, brother of the bride.

The bride's mother chose a gown of electric blue crepe, decorated with a panel of matching beads. Her accessories were also blue, and she wore brown orchids.

The groom's mother wore a gown of light blue crepe, and matching hat with brown veiling. Her accessories were silver and she wore brown orchids.

A reception at the Riverton Porch Club followed the ceremony.

Following a wedding trip to New Orleans, Terre Haute, Indiana and Toledo, Ohio, the young couple are now residing in Philadelphia.

The bride and groom are both graduates of the University of Pennsylvania in the school of architecture.

Out-of-town guests were Mr. and Mrs. Warren D. Miller, Terre Haute, Indiana; Mr. and Mrs. Earl Mason, Columbus, Ohio; Mr. and Mrs. Robert Rohr, Alexandria, Virginia; Mrs. Ewing M. Miller, Sr., Toledo, Ohio.

MARCH OF DIMES

The National Foundation was organized in 1938 to lead, direct and unify the fight against infantile paralysis. Supported entirely by the small contributions of millions of Americans during the annual March of Dimes, it has become a dynamic force in the national health scene. Under its direction, every phase of the attack against infantile paralysis has been encouraged, developed and expanded.

Through the March of Dimes, more than 100,000 infantile paralysis victims have received the best available care and treatment.

More than 2,800 National Foundation Chapters have been organized on a voluntary basis to serve every county in the nation to serve you and your neighbors should polio strike in your community.

Through the March of Dimes, you are supporting the most comprehensive research program ever launched against a specific disease — research involving the nation's most capable scientists and scientific institutions in a dramatic effort to find a preventive or cure for poliomyelitis.

Through the March of Dimes, you are helping to train an army of skilled polo technicians to fill vital positions in hospitals, in clinics, in laboratories — everywhere where expert knowledge of the disease and its treatment is needed.

And, through the March of Dimes, you have mobilized the nation's polo-fighting weapons into a single force capable of concentrating at any point in the nation — no matter how remote — the full strength of organized epidemic emergency aid.

The need for such a versatile organization was clearly indicated during the tragic emergency of the 1948 epidemics.

You have made all the above possible by your generous support in the past.

We feel sure you will help us again.

Broken Rail Near
Palmyra Station

Shortly after an express from Atlantic City to New York had passed over the spot a broken rail was discovered on the eastbound track near the Morgan avenue crossing, Palmyra. A piece seven inches long was broken from the top of one section of the rail.

The break was discovered by Richard Smith, aged 11, who was on his way home from a doctor's office. He immediately reported the matter to Ralph Lundy, operator of the gate at the Cinnaminson avenue crossing, who took the lad to the Palmyra police headquarters, where he repeated his report to Chief Joseph Rogers.

Richard is the son of Mr. and Mrs. Frank Smith, 321 Berkeley avenue, Palmyra.

Railroad officials upon being notified, put on a "slow" order for all trains passing the section and repairs were made during the evening.

LEAGUE OF WOMEN
VOTERS MEETING

The League of Women Voters will hold its next meeting at 8:30 p.m. Tuesday, January 25, at the Riverton Porch Club.

According to its program of Know Your Town the discussion will be on the industry, population and history of Riverton.

CARD PARTY TO
BENEFIT N. J. BLIND

The New Jersey Blind will receive the proceeds from a card party to be sponsored by the Palmyra Junior Woman's Club on Friday, January 28.

Playing will begin at 8:15 p.m., in the club room at 305 East Broad street, Palmyra. In addition to an attractive door prize, there will be prizes for individual tables, so bring your friends and enjoy an evening with a cause.

Tickets may be purchased from any Junior Club member or at the door.

Glaring Headlights

Disturbed by reports from motorists blinded by headlights, Director Arthur W. Magee, of the Division of Motor Vehicles recently asked for enforcement of the law which requires night drivers to depress the headlight beam when within 500 feet of an approaching vehicle.

"Since every driver, one time or another, has experienced the unnerving sensation of being temporarily blinded by glittering headlights, it is difficult to understand why observance of this highway protective requirement is not 100 percent voluntary," said Mr. Magee. "It is a very thoughtless driver who refuses to extend this courtesy to other users of the road."

"Night driving, from a fatal accident standpoint, is twice as hazardous as daytime driving, and drivers, therefore, need to be doubly alert. At night, the entire appearance of things is changed. Objects in the path of a motor vehicle are seen in silhouette and in unlighted street areas the silhouettes come mainly from the headlights of approaching cars. When a driver, trying to cope with the peculiarities of night visibility finds himself momentarily blinded by the headlights of an oncoming vehicle, an accident can easily follow."

"Considering that it requires so little effort to depress the headlights, a driver who fails or refuses to do so at the approach of another car has no place in the society of sane minded motorists."

CHARTER NIGHT AT
LOCAL LIONS CLUB

The Palmyra-Riverton Lions Club will hold its annual Charter Night at 8:00 p.m. Thursday evening with over 100 members and guests in attendance.

Dr. Wendell Sooy, principal of Gloucester Junior and Senior High Schools, was the guest speaker of the program. Dr. Sooy gave a highly interesting and entertaining talk on the origin and derivation of many of our well known words in the English language. He supplemented this subject with demonstrations of how to use some remarkable short cuts in making certain types of mathematical computations which were really eye-opening.

Paul Louquette, district governor, and Everett Middleton, cabinet secretary, and their wives were among the special guests of the evening. Specially honored with a presentation of a scroll of appreciation were Mr. and Mrs. Harry A. Deemer, of 37 Rowland street, Palmyra, for their unusual project at Christmas. This couple devoted many hours to repairing, repainting, and reconditioning a large number of used toys and toys distributed them as gifts to 25 children of the community who otherwise might not have received any Christmas toys.

Other features of the highly enjoyable evening were the auction, playing and song, ending at 10:30 p.m., assisted by several entertaining solos and duets, and the presentation of certificates of membership to members of the Club who had joined during recent months.

The annual meeting of the members of the Riverton Free Library Association will be held in the library on Monday evening, January 24, at 8 o'clock.

All members of the association are cordially invited to attend.

Members of the Riverton Board of Education held a public hearing from 8 to 9 p.m. on January 13 of this week, concerning the proposed school budget for the fiscal year 1949-50.

No one appeared to comment on the budget and it was formally approved by the Board.

NEW LEGION HOME

Arrangements are being made to start the construction on the new American Legion home of the Frederick M. Rodgers, Post 156, late in March or early in April depending on the weather according to Maurice McCrosson, head of the building committee of the local veterans organization.

The new home will be erected on a plot of ground purchased from the Palmyra Borough Council last year at Broad street and Park avenue. The new building is estimated to cost \$15,000, with a great deal of the labor in the construction to be done by the post membership.

Commander A. Russell DeMaris, Harry Deemer, Charles R. Durbin, W. Harold Thorn, Robert May, and J. R. Musser were elected as the new post delegates earlier this month to the Burlington County American Legion Executive Committee. Alexander C. Wood, Richard Fowler, Franklin Liberty, Clarence Lehner, Maurice McCrosson, and Robert M. Capehart, were named as alternates.

Plans for the Oratorical contest to be held in the eight high schools in the county in February, were disclosed at the county session held at Memorial Hall, Burlington, last Friday.

CAST ANNOUNCED FOR
"GUEST IN THE HOUSE"

The Footlight Players' second production of this Little Theatre season, "Guest in the House," will be produced in the Riverton School auditorium on Friday and Saturday evenings, February 11 and 12, at 8:30.

In keeping with their policy in the presentation of "Claudia," several new members have been added to the cast. The "Guest" will be portrayed by Lois Mayes, and Ruth Strahan and Arthur Gowell, as Mr. and Mrs. Proctor, are the benefactors which she later turns on. Lee Proctor, their daughter, will be played by Gwen Davis, which incidentally will be the first time the group has used a child in its plays. Mildred Sauerwein and Jack Craig will enact the parts of the servants in the Proctor home, Hilda and John. Aunt Martha, relative and real friend of the family, will be played by Sally Hoagland, a newcomer to the Footlight Players. Miriam Blake, the model, will be taken by Helen Sanders, an active member of the Group making her first appearance with the Players. Dan Proctor will be represented by Dick Taylor, who has appeared in several of the Groups productions in the past. Bob Strahan will portray the Rev. Dr. Shaw, and Mrs. and Mr. Dow will be done by Helen Mohr and Ed Moore. Miss Rhodes, a newspaper reporter, and Cam Tracy, a photographer, will be portrayed by Mary Moore and Ralph Ulrich.

The Footlight Players are making every effort to make this production a real success, and the cast announced above, comprised of well-known members of the Group together with five members making their first appearance with the Footlight Players, should make "Guest in the House" a must on your entertainment program for February.

LIBRARY MEETING

The annual meeting of the members of the Riverton Free Library Association will be held in the library on Monday evening, January 24, at 8 o'clock.

All members of the association are cordially invited to attend.

PUBLIC HEARING

Members of the Riverton Board of Education held a public hearing from 8 to 9 p.m. on January 13 of this week, concerning the proposed school budget for the fiscal year 1949-50.

No one appeared to comment on the budget and it was formally approved by the Board.

The Palmyra Board of Education at its regular meeting January 11, tentatively approved the budget for the school year 1949-1950 calling for a total expenditure of \$276,379.00, an increase of \$34,207.03. Most of this increase can be attributed to the new school, although several items have had to be increased because of the sharp increase in enrollment of pupils and higher costs of books, supplies and maintenance.

Debt service on the bond issue will cost \$8,050 next year and \$3,000 has been appropriated for equipment for

the new building not included in the contract.

An increase of \$8,200 in the item for teachers' salaries will provide for the salary of one additional teacher needed in the primary grades because of the high enrollment. The textbook and supply items have been increased for the same reason. The items for transportation and rental of kindergarten were last year included in the general item called "other costs." Visual education was previously included in "supplies." These items have been separated this year for better understanding by the public.

Although the rental item may not be needed next year, it was thought best to provide the money in the budget.

Weather conditions, labor difficulties and slow delivery of materials,

may delay the completion of the new building and necessitate continuation of rental of facilities outside the school for a few months.

Higher fuel costs and contemplated use of the new building have forced the increase in this item and in the light, water, power items. The tuition rate for High School has been increased from \$190 to \$210, providing about \$7,000 more revenue. The rate of \$210 is the exact cost per pupil for the 1947-1948 term and has been officially approved by the state department.

State aid has been increased by \$11,286 mostly through the cigarette tax. The amount to be raised from taxes on local real estate will be \$127,530, an increase of \$18,850 over the budget of last year.

Last September taxpayers were told that a new building would cost approximately \$12 more on the average individual's tax bill although the Board of Education does not fix the tax rate, it appears that after exemptions and appeals have been taken care of by the County Tax Board, the resulting school tax rate will cost the average tax payer about \$13.80 increase, about \$10 of this can be charged to the new building for 1949-1950 and the rest to increased costs in general.

Preparation of the budget for 1949-1950 was particularly difficult for the Board faced higher costs of supplies and equipment, increased enrollment of pupils, increases in salaries, and the uncertainty of the date of completion of the new building. Plans for next year must include provision for the use of the new building at least part of the year and rental of other facilities for part of the year. A hearing on the budget will be held in the office of the Board of Education Friday, January 21, from 8 to 9 p.m.

MUSICAL VARIETY SHOW AT WOMAN'S CLUB

The Evening Department of the Woman's Club of Palmyra will present a musical variety show entitled, "Treble Clef," Monday evening, January 24th, at 8:15, in the club room, 305 E. Broad street. Mrs. Robinet Cole is directing, with Mrs. Albert McFall as M. C. and Mrs. Jos. Higgins as pianist.

Vocal selections will be rendered by Mrs. Lawrence Schweizer, Mrs. Arthur Gowell and Mrs. Myron Gunn. A mock orchestra will be conducted by Mrs. Welland Murray with Mrs. James Davidson, Mrs. Paul Musso, Mrs. William Nizart, Mrs. W. F. Gordon, Mrs. Myron Gunn, Mrs. William McKee and Mrs. Alex Chambley participating. A piano specialty number will be given by Mrs. McKee and Mrs. Chambley.

Featured dancers are Mrs. Franklin Class, Mrs. Lamont Roberts, Mrs. Anthony Sacca, Mrs. Robert Bradel and Mrs. Helen Lightcap.

Hostesses for the evening are: Mrs. Allan C. Taylor, chairman; Mrs. James Bentley, Mrs. Andrew Walls, Mrs. Alpha Phillips, Mrs. Harris Sacks.

The program is sponsored by the Executive Board of the Club and guests are cordially invited.

The simplest form is the
blank endorsement, which
is made by writing your
name on the back of the
check exactly as it is written on the face. However, inasmuch as a check bearing a blank endorsement may be cashed by the finder, it is better to avoid using this type except when cashing checks over the counter. When depositing checks it is better to use the restrictive endorsement—your authorized signature written below the words "For Deposit Only".

RIVERTON SCHOOL NEWS

Open House

"Open House" was held in the Riverton School on January 19 at 7:30 p.m. All teachers were in attendance in their classrooms for consultation with various parents who visited at that time. Each student had samples of his work displayed in the room. In some cases they were in folders on the child's desk and in other cases they were displayed on bulletin boards. Also on display were exhibits and projects which the students were working on or had completed during the school year. At the conclusion of the "Open House" activities the regular P.T.A. meeting was held in the school auditorium. In this case it was designated as "Fathers' Night." The speaker for the evening was Rev. W. Neal Raver, pastor of the Epworth Methodist Church, Palmyra.

Mrs. Elizabeth Hamlin died suddenly on Saturday, January 15 at her late residence on Laurel street, Delanco. She was a resident of Delanco for 57 years.

Mrs. Hamlin is survived by her husband, Samuel, five sons and one daughter: Frank J., of Riverton; Harry J., of Bridgeboro; Samuel H. and Lester of Delanco; Clarence of Riverside, and Mrs. Othmar Schmidt, of Delanco, and nine grandchildren. Funeral services were held from St. Joseph's Church, Beverly, with interment at Monument Cemetery, Beverly, on Wednesday of this week.

LOCAL BUDGET NOTICE

Section 1. Budget of the Borough of Riverton, County of Burlington for the fiscal year 1949.

BE IT RESOLVED, that the following statements of revenues and appropriations shall constitute the local budget for the year 1949.

BE IT FURTHER RESOLVED, that said budget be published in The New Era, in the issue of 20th of January, 1949.

Notice is hereby given that the budget and tax resolution was approved by the Mayor and Council of the Borough of Riverton, County of Burlington, on 13th of January, 1949.

A hearing on the budget and tax resolution will be held at the Council Chamber in the Riverton Fire House on 10th of February, 1949, at 8:00 p.m. o'clock, at which time and place objections to said budget and tax resolutions of the Borough of Riverton for the year 1949 may be presented by taxpayers or other interested persons.

STATEMENT (Required by Revised Statutes, Section 40-2.14)

(a) Road Funds	3,247.20
	1,117.80
	1,250.00

EXPLANATORY STATEMENT
The statutes require that certain appropriations be made in the municipal budget for Local District School purposes. The result of this action is that the Local Purpose Tax, item 6(a) on sheet 3, includes an amount to be raised for Local District School purposes. Local Purpose Tax, therefore, is stated under item 6(a) sheet 3 to show said revenue is dedicated by statute to other legal requirements.

separately the amounts for municipal purposes and for Local District School purposes. This condition is, however, corrected upon adoption and certification to the County Board of Taxation, at which time the amount included in the Local Purpose Tax for the Local District School purposes is deducted from the "Local Purpose Tax" and added to the "Local District School Tax".

The Borough of Riverton maintained its very good financial condition during the year 1948. The Borough officials appreciate the continued cooperation of the taxpayers in paying their taxes promptly.

The following 1949 budget has been given careful consideration by the Governing Body. The amount to be raised by local taxation is \$115.01 less than the corresponding figure in the 1948 budget.

If the 1949 tax rate is higher than the 1948 tax rate, it will be caused by increased county taxes over which the Borough officials have no control.

CENTRAL BAPTIST CHURCH
Fifth and Maple Avenue
The Rev. S. Dan Morgan
Pastor

About this religion business; have you given it much thought lately? Religion, Friedrich von Hugel used to say, is adoration. The trouble is that to many of us adoration means an everlasting casting of "golden crowns around the glassy sea;" it means paying empty honors to a God who, if he is worthy of our worship, wants from us not useless adulation but our effort to save humankind from disaster.

We need to stop taking religion from the human end. We need to repudiate our one-sided, man-centered idea of religion that asks: "What's God good for? Let him come across!" Religion is not asking and getting things from God. We get much from him, whether we ask or not. He makes his sun rise on the evil and on the good and sends rain on the just and on the unjust.

As wise von Hugel said, our fundamental need and duty and honor and happiness is adoration, in which we enjoy God and seek not to get anything from him but to give ourselves to him, all thought of our own advantages "lost in wonder, love and praise."

Sunday, January 23: Sunday School at 10 a.m.
Morning Worship, 11:15: The Pastor will have as his message, "Sleeping Saints." The choir will sing a selected anthem. A nursery for small children is provided. Leave your children in the nursery and come worship with us.

Evening Worship, 7:45: The Pastor's Sermon topic will be "A Little Man and a Great Saviour." The choir's anthem will be selected.

Calendar for the week:
Tuesday, January 25, 8:00 p.m.: Meeting of the Board of Trustees.

CONGRESSMAN HOWELL
REPORTS FROM
WASHINGTON

Actual work on the floor of the House, other than routine sessions to receive messages from the President, continues to be light, pending receipt of Committee assignments.

I do find, however, that mail has a habit of piling up if I return home for a day or two.

Reports of the grapevine variety indicate that we may expect our Committee assignments either Friday or next Monday.

We three freshmen from New Jersey (Rodino, Addonizio and myself) have conferred with Congressman Forand of Rhode Island, our district representative on the Ways and Means Committee, to make known our desires and abilities as to Committees, and are hoping that we will be placed in spots where we can be most useful.

The President presented a projected budget which was somewhat staggering, although not too unexpectedly so. I hope means of effecting some economies can be found, if at all possible. This may be difficult though since the major part of the recommendations are for defense, European recovery and costs arising from past wars, all of which would be risky to tamper with unless we are on very sound ground. It may be that the recommendations for the Navy would bear some close scrutiny, but this might be somewhat offset by suggested increases for the Air Corps.

I have received many letters and telegrams protesting the arrest of Joseph Cardinal Mindszenty, Primate of Hungary, and hope that some effective means may be found for our country to force his release. His only "crime" seems to be that he performed his church duties conscientiously, and it is alarming to see such unwarranted interference with freedom of religion, and such cruel political persecution allowed to exist anywhere in the world.

MORAVIAN CHURCH
Palmyra, New Jersey
Warren C. Kuhfahl, Pastor

Are you helping or hindering our Sunday School from growing? Sunday School at 9:30 a.m.

The regular service for morning worship will be held at 10:45. The Liturgy will be prayed.

In the evening at 6:30, Helen Fisher will be in charge of the Young Peoples meeting.

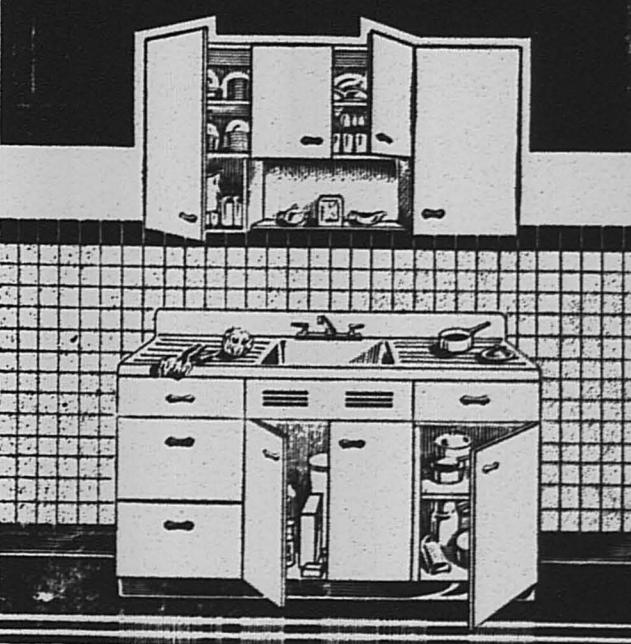

An informal evangelistic meeting will be held at 7:30 p.m., with the Pastor bringing the message.

THANKS TO THE RAZOR BLADES
MADE IN NEW JERSEY.

It's just a small part of your everyday life—but, boy! isn't that early morning shave important!

And the next time you're shaving off that stubble, think of New Jersey, because there's a good chance that the keen blade you use was made right here in our great state.

Because it requires precise handling to produce the sharp cutting edge of a razor blade, electricity and gas are used in many of the manufacturing operations.

Look for the next advertisement in this series regarding your state published by Public Service

CALVARY PRESBYTERIAN CHURCH
Fourth and Lippincott Avenue
Riverton

The Calvary Church School convenes on Sunday morning at 9:45. Classes in Bible study and in the interpretation of our Christian faith are available for all age groups from Nursery up. The Semper Fidelis Bible Class for ladies and the Men's Bible Class also meet at 9:45 a.m. Morning worship begins at 11 o'clock. Next Sunday morning as part of morning worship the Calvary Choir will render the anthem, "Sing Alleluia Forth," by Buck. The morning message will be the first of a series of studies on one of the great questions presented in the Book of Job—"Hast Thou Walked in Search of the Depth?" This question suggests to our minds the four levels on which life may be lived. On Sunday morning we shall be thinking of life's shallowest level, "The Surface Level of Life." On January 30 our subject will be, "The Life Level of Surprise," on Friday evening, February 4, when we meet in the Sanctuary to prepare our hearts for participation in the Sacrament of the Lord's Supper we shall be thinking of a still deeper level of existence, "The Level of Suffering," and our study will be concluded on Communion Sunday, February 6, when we shall consider life's deepest level, "The Level of Joy."

For the convenience of parents of small children a Church Nursery is conducted each Sunday morning during the worship hour. On Sunday evening the youth choir and discussion groups will meet as follows: Junior Choir at 6; and Teen Age Girls' Choir at 6:30; Junior Westminster Fellowship at 6:30; and Intermediate and Senior Westminster Fellowship groups at 7:15. Miss Phyllis Woodland will lead the seniors in their discussion.

On Tuesday evening, January 25, at eight o'clock the Junior Department of the Church School has arranged a Parent-Teachers' meeting for the parents of all children in the Junior Department. All parents are urged to make a special effort to attend this important conference.

Third Sunday in Epiphany
January 23

9:45: It is the time for the study of God's Word and instruction in the Christian faith. Epworth's Church School offers for every age level from the nursery through the adult departments. Competent teachers assure you and your children a profitable hour in religious growth. Come with your children to Church School this Sunday.

11:00: Morning Worship Service. Divine worship is the heart beat of the church's life. Without it our Christian efforts would soon lack conviction and power. Worship with kindred minds and spirits this Sunday. The ministry of music will be under the leadership of Rachel M. Lord. Anthems to be sung include, "O Light Divine" by Archangel and "O Master Workman." The pastor has selected as his sermon theme, "What's Holding Up Production?" A Children's Church with two departments is held during the worship hour. Regular Church School credit is given for attendance. It is open to boys and girls, ages 2 to 8. 6:30: The Youth Fellowship meets. The Intermediate Group will assemble in the Chapel and the High

THE CELL'S THE THING

Can you imagine a million times a billion? If you can, then you have a fair idea of the number of cells that make up the human body. As a matter of fact, the entire body — bones, muscle, organs, tissue and fat — is composed of tiny units, or cells, which have been likened to the bricks in a house.

Human life begins with a single cell and then proceeds by cell division to multiply the number of cells, until eventually we have the million

billion cells that compose a full grown man or woman. Cells vary in size and they begin to vary also in their nature and their duties as the body grows and as the different organs and structures develop.

There is always a small amount of fluid between cells and some cells are separated by material which might be compared to the mortar between bricks.

Bones are composed of comparatively few cells that are widely spaced in the midst of a great deal of mineral matter which gives the bone its characteristic hardness. Each cell in the human body, or any other living organism, is alive, and that gives life to the whole being. Thus, the individual cells are constantly taking in oxygen, food and water in order to keep themselves alive and in good repair, and

they are all giving off wastes of various kind which are eventually accumulated and cast off from the body.

All cells have the power of reproducing themselves and many retain this power throughout life. It is through cell reproduction that we grow when we are young and we replace damaged or destroyed tissue whenever it is necessary to do so.

The processes of cell growth are very mysterious. We don't know why it is that the cells of a given organ will reproduce themselves and multiply up to a certain point, when the organ reaches maturity, and then this growth stops. After that, in a normally functioning organ, there is just enough cell production to replace damaged or worn-out cells. Blood cells, however, are forever being destroyed and constantly being replaced by new ones, but even here the rate of replacement in a healthy body is limited by the normal needs of the blood stream.

The mystery of what makes cells grow when they are needed and stop growing when they are not needed, and the further mystery of why cells work together so beautifully in perfect harmony within their own organs is one of the deepest secrets of nature. It is a secret which, if solved, might give us the answer to the problem of cancer.

For essentially, cancer is a name given to a form of lawless, unrestrained cell growth. Cancer cells are huge cells, as a rule, compared to normal cells. They grow and multiply without limit, eventually causing a tumor or palpable growth which invades and interferes with the functioning of neighboring organs or tissues.

The problem of cell growth is the problem of life itself and the chances are that nature will be slow to yield up this fundamental secret of hers.

There is great hope, however, that with new research methods developed by atomic scientists, we may someday be able to wrest this secret from Mother Nature. But that's another story for another day.

ROTARIANS HEAR RITSCHARD ON SWITZERLAND

Victor Ritschard, well-known Riverton resident, was the guest speaker at the Palmyra-Riverton Rotary Club meeting last week.

Mr. Ritschard travelled extensively during the past summer in his native country of Switzerland, and during this trip, he took a tremendous number of colored photographs, which were made into slides.

The slides were shown and discussed by Mr. Ritschard.

*How should I
endorse a check?*

The simplest form is the blank endorsement, which is made by writing your name on the back of the check exactly as it is written on the face. However, inasmuch as a check bearing a blank endorsement may be cashed by the finder, it is better to avoid using this type except when cashing checks over the counter. When depositing checks it is better to use the restrictive endorsement—your authorizer signature written below the words "For Deposit Only".

RIVERTON SCHOOL NEWS

Library Books

We have received our first four
books under our subscription to the
Junior Library Guild. They will
soon be placed in the library along
with other new books which will be
received shortly and it is hoped that
all grades will take advantage of the
new additions.

Basketball Games

Last week the Riverton School
basketball team defeated Cinnamin-
son School by a score of 22-21. It
was a very exciting game, played
hard and clean, and kept everyone
on his toes. It is planned that the
Riverton basketball team will play
Cinnaminson School again January
27, in the Riverton School auditor-
ium. Following this game our basket-
ball team has a game scheduled
with Palmyra Elementary School on
February 1, also to be held in the
Riverton gymnasium.

Friends of Music

Friday evening, January 28, at 8:15
p.m., the Riverton School choir will
participate in the second of a series
of "Friends of Music" concerts to be
held in the Palmyra High School
auditorium. Our children will pre-
sent four musical numbers as fol-
lows:

"The Heavens Resound," Beetho-

ven.

"Little Wheel A-Turnin'," spirit-
ual, arranged by Bartholomew.

"The Bluebells of Scotland,"

Scotch Folk Song.

"When I Was a Lad," from Pina-

fore, by Gilbert and Sullivan.

Our choir consists of approximat-

ely 33 voices from the sixth, seventh

and eighth grades.

Spelling Contest

In the near future a contest will
be held in the Riverton School to de-
termine who the champion spellers
are. These pupils will then compete
with Cinnaminson and Palmyra
Schools.

FASHION SHOW

The Palmyra Junior Woman's
Club is sponsoring a Fashion Show
on March 21, at their regular monthly
meeting.

Girls who are members of either
section of the Club, and who are in-
terested in modeling their own home

made clothing, contact Elsie Wyllie,
Riverton 9-0590-W, or Ann Mathews,

SCHOOL ELECTION
IN PALMYRA

Leonard R. Baker, president of the
Palmyra Board of Education for
many years will not be a candidate
for reelection as a member of the
board in February.

The other two incumbents, George
M. Durgin and William A. Donaghy,
are candidates this year as are An-
drew Barker and Willy Vetterman.
Three vacancies are to be filled,
thus one of those in the race will
not be elected.

DR. E. NEWBOLD COOPER
NAMED VICE PRESIDENT
AT GIRARD COLLEGE

Dr. E. Newbold Cooper, principal
of elementary grades at Girard Col-
lege, has been appointed vice presi-
dent of that institution, according to
an announcement made this week.
The new appointment becomes effec-
tive next September.

Dr. Cooper, who has been at Gir-
ard since 1932, was supervising prin-
ciple of Riverton Public School be-
fore he became affiliated with the
college. A former resident of Riv-
erton, he now lives in Moorestown.

Sunday, January 30, 1949, Sunday
School, 10:00 a.m.

Morning Worship, 11:15: The Pas-
tor's message will be "The Chris-
tian's Credentials." The choir will
present a selected anthem and there
will also be a selected solo.

Baptist Youth Fellowship, 6:45
p.m.: This group is carrying on a
great work, and any young person
should be proud to be numbered
among them.

Evening Worship, 7:45 p.m.: The
Pastor's sermon topic is to be "Get-
ting Ahead of the Past." There
will be a selected anthem by the
choir and Mrs. William Swan will
be soloist for the service.

a
meat packing center

Didn't think of our own state as a meat packing center,
did you? Yet Hudson county stands high among the
meat packing centers of the country and since the Civil
War meat products have held the leading place among
the food industries of New Jersey.

The introduction of refrigeration for transportation
brought many changes to the meat packing industry for
it no longer had to be localized. Despite the concentra-
tion of business in the west, New Jersey, has retained its
prominence in the industry. Our proximity to great ports
and the convergence of many railroads here have facili-
tated shipment to all parts of the world.

Recent years have brought increased demands for
prepared meats and meat spreads. The utilization of
by-products of the meat industry have created other
industries, each of which is a story in itself . . . In
slaughter house and packing plant electricity and gas
are employed for many tasks.

Look for the most advertisement in this series re-
garding your state published by Public Service.
Copies of this series of messages
regarding New Jersey are available
on request. Write to 80 Park Place,

A & P MANAGER ATTENDS CONFERENCE

Edward S. Miller, 103 Memorial avenue, Palmyra, manager of the A & P food market at 115-17 West Broad street, Palmyra, is attending a five-day managers' conference at the company's Atlantic Division headquarters in Philadelphia during the week of January 24.

These conferences are designed for the discussion and exchange of ideas on the development and direction of the modern food store.

Miller, who has been associated with A & P for 15 years, is active in community affairs. He is a member

of the Parent-Teacher Association and of the Artisans. He is married and the father of two children.

On Sunday morning of this week a local resident walking along the bank of Pomps creek north of

Broad street noticed the body of a recently born child floating in the water. He notified Riverton police who, in turn, called Coroner Benjamin Houseworth.

He stated that the infant had been in the water for three or four days and had evidently been carried up the creek by the incoming tide.

EXPLANATORY STATEMENT

Your Township Committee presents the following budget for the year 1949.

After careful consideration the Governing Body deemed it advisable to increase certain operating appropriations for the best interest of the Township.

That portion of your 1948 tax rate over which the Township Committee had control was \$4.8. It is anticipated that the portion of the 1949 tax rate over which the Township Committee has control will remain at \$4.8. Therefore, the Township Committee has not caused any increase in the tax rate.

About Town

Postmaster Mervil E. Haas and Mrs. Robert E. Robbins, of Riverton, were among the guests of Congressman and Mrs. Charles Howell at the Inaugural ceremonies in Washington last Thursday.

Miss Ethel Caroline Dalrymple, of Philadelphia, was the guest of honor at a shower given by Miss Edna C. Russ, of Delanco, last Saturday evening, at the home of Mr. and Mrs. C. Kenneth Davis, of Riverton. Guests were present from Dorchester, Rancocas, Riverside, Delanco, West Collingswood, Philadelphia, Bordentown, Palmyra and Riverton. The marriage of Miss Dalrymple to C. Kenneth Davis, Jr., will take place in February.

David Blyler, of Riverton, nephew of Mrs. E. L. Williams, 702 Thomas avenue, is one of 17 first-semester graduates at Earlham College, Richmond, Indiana.

A political science major, David is a member of the Ionia Honorary Literary Society, a worker on the college newspaper, and a member of Upsilon Alpha Pi, a national journalistic fraternity. The January graduates will receive their diplomas in June with the rest of the graduating class.

Palmyra, N. J.

"Love" is the subject for Sunday, January 30.
Golden Text: "How excellent is thy lovingkindness, O God! therefore the children of men put their trust under the shadow of thy wings." (Ps. 36:7)

Sermon: Passages from the King James version of the Bible include: "Have mercy upon me, O God, according unto the multitude of thy tender mercies blot out my transgressions." (Ps. 51:1)
Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "Simply asking that we may love God will never make us love Him; but the longing to be better and holier, expressed in daily watchfulness and in striving to assimilate more of the divine character, will mould and fashion us anew, until we awake in His likeness." (p. 4)

For the study of the Word of God and for the interpretation of life from the Christian perspective, there are classes for all age groups in the Calvary Church School. Assemblies convene at 9:45 a.m. each Sunday. Two adult classes, the Semper Fidelis Class for ladies, Mrs. Albert L. Kramer, teacher, and the Men's Bible Class, Albert D. McFall, teacher, also convene at 9:45 a.m. Morning worship begins at 11 o'clock. Next Sunday morning the

second of a series of interpretations of the theme "Hast Thou Walked In Search of the Depth?" will be the pulpit message. This is a study of the four levels on which life may be lived and the particular topic for next Sunday will be "The Life Level of Surprise." The Calvary Choir under the direction of Mr. Cooper, will present the anthem, "Spirit of God," by Humason, and the Junior Choir, with Mr. Farrow directing and Mrs. Bell accompanying will render an anthem and a "Children's Hymn."

On Sunday evening the youth groups will meet as follows: Junior Choir at 6 and Teen-Age Girls' Choir at 6:30. Junior Westminster Fellowship at 6:30, Intermediate W. F. at 7:15, and Senior W. F. at 7:45, with Miss Margaret Whitaker leading the discussion.

A joint meeting of the Session and Trustees will be held at the Manse on Tuesday evening, February 1, at 9 o'clock. Previous to this joint meeting, the Session will meet at the Manse at 8 and the Trustees will meet at the time previously arranged by the Board.

The Evening Group of the Women's Missionary Society will meet on Tuesday evening, February 1, at the home of Mrs. Walter Guerlier, 407 Thomas avenue.

On Wednesday, February 2, the Women's Missionary Society will begin their monthly meeting with a Covered Dish Luncheon at 1 o'clock. Rolls and coffee will be furnished by the Committee (cost 35c). Miss Margaret Field will give an address.

PALMYRA TO GET FUNDS FROM BRIDGE

Prompt payment of approximately \$40,000 in lieu of taxes to Palmyra and Burlington City will be made by the Burlington County Bridge Commission, Howard R. Yocum, chairman, announced Wednesday.

Superior Court Judge Robert V. Kinkead last week ruled the Commission could pay the \$40,000 to Palmyra and Burlington City out of frozen funds.

The Bridge Commission's funds were ordered frozen following a suit by Burlington County Freeholders Henry S. Haines and Richard J. Lippincott, Democrats, to nullify the bridge transaction.

"We were very much pleased with the court ruling," Yocum said. "This means a great deal to Palmyra which was faced with a \$32,450 loss in revenue if the money had been held up pending a final decision on the Commission's purchase of the bridges."

Checks will be issued to both municipalities as soon as the order embodying Judge Kinkead's decision is signed. This is expected to be done this week.

Although legally exempt from payment of borough taxes, the commission had agreed to pay annually a sum equal to taxes previously paid by private owners of the bridges to Palmyra and to Burlington City.

TELEPHONE SERVICE . . .

Be sure you're calling
the right number!

► Which is it? MITCHELL 3-8500 or MITCHELL 3-5800? It's easy to forget—especially these days when so many new telephone numbers are being added—and others are being changed to provide dial service.

► To get your calls through without delay it's wise to check each number before you place your call. And, to make it easy, your Telephone Business Office will gladly provide a personal telephone directory—so you can jot down the numbers not listed in your regular directory, or the numbers you call most frequently.
