## SCHOOL ELECTIONS NEXT TUESDAY

On Tuesday of next week, February 8, the annual school elections will be held in Riverton, Palmyra and Cinnaminson, with contests slated for members of the boards of education in all three communities.

In Riverton there are five candidates for three vacancies, those in the race being as follows: James M. Wright, incumbent; C. Reed Kurtz, Mrs. Rose G. Lowe, Thomas A. Murphy and Franklin P. Liberty.

Palmyra has four candidates running to fill three vacancies. They are: George M. Durgin and William A. Donaghy, both incumbents, together with Andrew Barker and Willy Vetterman.

In Cinnaminson, James Reeves, incumbent, is the only candidate for the full term of three years. There are four aspirants for the unexpired term of two years with the following listed for the choice of the voters: Roland M. Shoemaker, G. Allan Osmond, Howard Gunn and Earl Lockwood.

Cinnaminson residents will also be asked to vote as to whether or not they approve the issuance of school district bonds in the amount of \$175,000 for the construction of a new school.

This question appears to have strong backing for both sides and a heavy turnout of the voters appears certain.

## TOWN MEETING FORUM ON BRIDGE SITUATION

Plans for an open forum on the "Advisability of the Burlington County Purchase of the Tacony-Palmyra and Burlington-Bristol Bridges" at the February Riverton Town Meeting, Tuesday, February 15, at the Riverton School, neared completion with the acceptance of former Republican Freeholder Frank A. Snover and the Bridge Commission Chairman Howard R. Yocum to uphold the purchase, and the present Democratic Freeholder Henry S. Haines who has opposed the purchase. Dr. Edward W. Carter, a member of the Political Science Department of the University of Pennsylvania, will act as the moderator for the meeting.

Invitations have also been extended to former State Senator Arthur W. Lewis and to the office of the New Jersey State Governor, Alfred E. Driscoll to send a representative, since both have openly opposed the purchase. Due to keen interest shown by all concerning the purchase of the bridges, it is expected that all viewpoints will be well represented.

Mr. Snover, of Palmyra, in his acceptance expressed appreciation for the opportunity to present the problem before the public and pledged his full cooperation in assuring that other parties concerned with the purchase would be there to support him. Mr. Yocum, present chairman of the newly formed Burlington County Bridge Commission and resident of Maple Shade, is one of those concerned who will be present.

Of the two opposing factions, the Burlington Democratic Freeholders and many of the Republican Party, acceptance from Democratic Freeholder Henry S. Haines has assured the presentation of opposing views. Democratic Freeholder Richard Lippincott has been invited, but may not be able to be present.

The Town Meeting, the first of 1949, was instigated at the request of many interested people who have not understood the purchase. Conflicting statements and considerable opposition have caused confusion and the purchase is said to have been the cause of the tremendous political reaction that defeated the Republicans in the Burlington county area during the recent elections. At present several law suits are pending to set aside the purchase.

## ANNUAL MEETING BOARD OF MANAGERS CINNAMINSON HOME

The annual meeting of the board of managers of the Cinnaminson Home will be held at the Home on Monday, February 7, at 10 a.m.

At this time the various annual reports will be presented and officers elected for the current year.

## ANNUAL LIBRARY BENEFIT BRIDGE

On Tuesday, February 8, at 2:00 p.m., the annual benefit library bridge, sponsored by the Riverton Porch Club, will be held at the Club.

This is your opportunity to assist your library in its budget.

Please bring your own cards and a gift wrapped book of recent date for a table prize.

There will be door prizes as well as many other prizes of attractive merchandise. Tea will be served.

Call Mrs. J. Rowland Dey, Riverton 9-0930 for reservations by Saturday, February 5, or send her your donation. Tickets are 50 cents.

## "GUEST IN THE HOUSE" FEBRUARY 11 AND 12

"Guest In the House," the second production of the Footlight Players for the current little theatre season, is in the final week of rehearsal. The presentation will be given in the Riverton School auditorium on Friday and Saturday, February 11 and 12, with the last call for curtain at 8:30 p.m.

The entire group is behind the production making every effort possible to give the local residents a "real treat in theatre entertainment." Frances Gunn, the production manager for this presentation, heads up the workers behind the scenes. Joan Wallace will be in charge of ushers and Marion Stull and her committee will take care of the hospitality, which as announced before will be the serving of coffee between the acts. Sound effects will be handled by Al Phillips, a newcomer to the group, and Ed Fort will continue as staging chairman. Make-up will be administered by Ella May Moore and Mildred Sauerwein, and Thalia Tolan will develop the costumes. Maude Wells and her committee will assemble the vast number of properties so necessary to the production. Jane Erickson will present piano interludes between the acts.

The Footlight Players feel that "Guest In the House" is another significant step in their effort to provide our community with the finest little theatre entertainment as well as to foster the dramatic appreciation which they deem so essential to our way of life.

## DICK BURR IS AWARDED EXPLORER RANGER RANK

On Monday night the Explorer Scouts of Post 50, Riverton, attended the Annual Burlington County Council Scouters' Banquet, which was held at the Moorestown Community House.

One of the highlights of the evening was the awarding of Explorer Ranger rank to Richard Burr. This is the highest rank that can be earned in Explorer Scouting; the holder of this rank has to fulfill many requirements, have spent at least one year in the Explorers, and be endorsed by representative citizens of the community.

Presentation of the badge was made by V. Larwood Caldwell, president of the council.

Dick has been a member of Post 50 for almost two years and is the post secretary.

Riverton Town Meeting has emphasized that the meeting is not only for the Riverton People but for Burlington county residents or any other interested groups, and has extended an invitation for all to attend.

## FUND CAMPAIGN CHAIRMAN

William H. Wells

William H. Wells, of Bordentown, has been appointed chairman of the 1949 Fund Campaign of the Burlington County Chapter, American Red Cross, Miss Alice Jones, Chapter Chairman, announced last week.

Mr. Wells, who has been engaged in the practice of law in Bordentown since 1936, is a member of the Burlington County Bar Association, the New Jersey Bar Association and the American Bar Association. He is presently chairman of the Veterans' Housing Committee, Bordentown, and president of the Burlington County YMCA. Mr. Wells served on active duty with the United States Army from 1942 until 1946, being discharged with the rank of Major.

A native of Bordentown, he attended Princeton University where he was a member of the Phi Beta Kappa fraternity, Harvard Law School, and the Graduate School of Banking at Rutgers University. Mr. Wells has been affiliated with the Burlington County Chapter of the Red Cross since 1936.

## SCOUT RECEIVES COMMENDATION

An 11-year-old Palmyra Cub Scout who prevented a possible disastrous railroad wreck by discovering a split rail and quickly reporting it, was "given full recognition for outstanding service" by Burlington county Scouting officials Monday night.

Pending a commendatory letter from the Pennsylvania Railroad, the officials said they will seek national recognition for Richard Smith, son of Mr. and Mrs. Frank Smith, 321 Berkley avenue.

Warren C. Powers, Medford Lakes, county scout executive, recommended the commendation at a dinner of the Burlington County Council, Boy Scouts of America, in the Moorestown Community House.

Richard, a sixth grade pupil in the Palmyra public school, found the defective rail January 18. Railroad officials said probably it would have caused a disastrous accident if several more trains passed over it.

Richard is a member of Palmyra Cub Scout pack No. 5.

## TESTIMONIAL DINNER PLANS COMPLETED

The plans for the Testimonial Dinner for the Palmyra High School Football Championship Team have been completed. The committee have secured the services of Houston Elder, assistant football coach of the University of Maryland. Elder made the Little-All-America Football Team while attending Murray State Teachers (Ky.). He assisted Paul Brown at Great Lakes Naval Station during the recent war, and has had a very successful coaching career. Also attending will be William Palese, the Athletic Director of Camden High School, coach of the U. of P. J.V. Football Team and member of the executive committee of N. J. Interscholastic Athletic Association. They along with Jim Leonard, coach of Villanova College and Ernest L. Ransome of Princeton

## RIVERTON PTA TO HOLD COVERED DISH LUNCHEON

The Riverton Parent-Teacher Association will hold a covered dish luncheon in the school kitchen on Wednesday, February 9, at 1:15 p.m.

Following the luncheon a Parent Education group meeting will be held.

Admission will be a covered dish plus 35 cents.

All members and friends are invited to attend.

Publicity.

## COUNTY BUDGET

A \$2,311,874.60 budget for 1949, only \$1,110.25 above last year's, was approved on initial reading at a special meeting of the Burlington County Board of Freeholders and will be submitted to public hearing February 9.

The complete budget is printed in this issue of The New Era.

The estimated tax rate for this year is \$1.89 for each \$100 of assessed valuation, as it was last year and there is a definite possibility the rate will be decreased to \$1.85 in the event an expected increase in assessed valuations materializes in 1949.

Director Clarence G. Price, of Beverly, who also is finance director, explained that the board had approved the 1949 budget, "which will keep the tax rate, based on the 1948 assessed valuations at the 1948 level of \$1.89, but with the increased assessed valuations in 1949, will show a decrease of approximately four cents.

"During the days and nights of deliberations, conferences with department heads and the preparation of schedules of proposed capital improvements and highway and bridge construction, a total of \$500,180 was pared from the requests from departmental heads, which if not done would have increased the rate by 93 cents," he stated.

## COMMUNITY CHEST DRIVE COMPLETED

P. A. Somervell, of Riverton, chairman of the 1948 Community Chest Campaign for Riverton and Cinnaminson has issued the following report:

"We wish to announce that the Community Chest Campaign for 1948 is closed.

"We would like to thank the contributors from Riverton and Cinnaminson and other outside companies who have given so generously to help make the drive successful.

"Unfortunately we did not reach our quota. Still we were able to send each of our five organizations a substantial check and have received letters of appreciation from them.

"The officers of the Community Chest wish to thank the captains and their workers for their efforts and cooperation and particularly the Fire Company of East Riverton, all of whom did an excellent job."

University plus Daniel Lichtenthal as toastmaster should make a very enjoyable evening.

The committee at this time wishes to thank the patrons and patronesses plus the following sponsors for making this dinner a success: Schwering's Hardware Store, Vetterman's Hosiery Mills, Roger Wilco Liquor Store, Danenhower Sport Shop, Palmyra Liquor Store, Snover Funeral Home, Rogers News Agency, Olds Community, Inc., Wm. G. Seither Co., C. H. Haines & Son, Jackson Ferren, Paul Schneider, Harry K. Strang, Anthony Bottling Co., Dr. W. Roland Dunn, Earle Harder, Ward Lowden, Millside Farms, Delanco P.T.A., Mitchell's Tavern, Dr. Hayes B. Brady, Tom Lane, Palmer Adams, George Durgin, Palmyra Pharmacy, P.H.S. Alumni Association, Walter D. Lamon, Dewees Showell, Freeman Hunter, Dr. W. C. Dudley, Dr. Harry B. Mark, William A. Donaghy, Olympic Inc.

## COUNTY LIBRARY ANNUAL REPORT

The distribution of books to the people of Burlington county is the primary aim of the County Library, but in reality this is only a part of the service rendered. Unfortunately, it is the most tangible one, as books can be counted and totals given. However, there is no measure for the quality of the books taken from a library or the value to the individual of the book he reads. There is no measure of the time and effort that the staff of the County Library may put into the problem of securing the books or information desired by a borrower. With these facts in mind the following report is presented.

### Distribution of Books

Books are available throughout the county in 43 circulating stations, 39 school library rooms and 17 class room deposits. 30,953 books were placed in these agencies last year for circulation to individual readers. These library stations are regularly visited by the book-car and new books added at the same time.

### Services

Visitors come to the County Library headquarters to consult our reference books and during the past year the number of such visitors has noticeably increased. We endeavor to make them comfortable but are not always successful because of the limited space in our rooms. Reference questions are answered and bibliographies prepared. Our reference collection contains material on a variety of subjects and we are happy to have the people of the County make use of it.

The staff of the County Library are called on to give book talks both to schools and clubs. Special displays of books were furnished to schools and libraries during Book Week and at several Grange and club meetings.

### Work With the Schools

County Library books are in every school in the county. Many of the schools have library rooms equipped with shelves and tables and chairs. These schools keep a large proportion of their books as a permanent collection. Other schools depend on the class room libraries which are changed at the request of the teacher. There are now about 20,000 books in the schools of the county and were placed in the schools last year.

### Book Collection

New books of current interest are added each week to the County Library collection which now numbers about 70,000 volumes. About one-third of this number are juvenile books the rest divided between the adult fiction and non-fiction titles. The increased cost of all books has made it impossible for the library to supply all the books that were asked for by the readers but 3,686 were added during the past year.

## SCHOOL BOARD ENTERTAINS PALMYRA BOROUGH OFFICIALS

The Palmyra Board of Education entertained the members of the Palmyra Borough Council, the mayor and solicitor, at a dinner meeting on Monday evening, January 24.

Dinner was served in the high school cafeteria under the direction of Mrs. Mary G. Weir, a member of the high school faculty, assisted by members of the cafeteria staff. Assisting Mrs. Weir as hostesses and waitresses were: Isabel Posch, Jean Beauchamp, and Marie Camardo, high school students.

Several problems of mutual interest and concern to the Board and to the Council, were discussed during the meeting. Of prime concern at the moment is the financial status (continued on center page)

## PALMYRA STRING BAND ON STAGE

Don't forget Wednesday, February 9, when the Palmyra String Band will be on the stage at the Broadway Theatre, Palmyra. The band is planning to have an enjoyable program for you. The boys are really working hard to make the band one that every one around will remember, not just for the holidays, but for all the year around.

Any one knowing some one who plays a string or reed instrument or drums should encourage them to join the band. It really is a wonderful opportunity to travel around with other swell boys. They see many things and places that otherwise would be something they just read about. It is an organization that everyone is always pleased to have for entertainment. Music will

always have its place in this world of ours no matter what else comes or goes.

The Palmyra String Band is one that has all intentions of being known for its wonderful boys and music and will do all within their power to make the people of Palmyra and vicinity really proud of them.

The band's yearly magazine called "Music in the Air" is now on sale and it is really something to keep, rather than look at then throw away. It can be obtained by seeing any member or is now on sale at Tony's Beauty Salon.

## PALMYRA BASEBALL PLANS UNDER WAY

Preliminary arrangements for the 1949 baseball season got under way

last week when plans were laid to give Palmyra the best baseball team the town has had in many years. The Palmyra A. A. will this year be sponsored by the local Legion Post. At a meeting, held in the borough hall the following plans were adopted.

The team this year will be members of the Penn-Del League which league has participating some of the best teams in the Philadelphia area. At this writing, no schedule is available but it is reported that Palmyra will play at home practically every Sunday afternoon and most Wednesday twilight games. The league this year will have 16 teams playing in two divisions of eight teams each with a championship playoff between the two divisions at the close of the regular schedule.

The same well known "Jake" Gotta will again be at the helm as manager. Jake's record of producing winning teams is so well known as to need no comment. This year we know his team will sweep to new laurels especially as he will be relieved of the burden of "Front Office Details" which in years past has taken so much of his time that he could not devote the desired time to the team itself. Business details will be looked after by a committee from the Legion with Charles Yost, Legion finance officer as treasurer.

Mr. Gotta along with George Durkin have been authorized to immediately secure new uniforms which will emphasize the Legion colors, blue and gold. In response to requests from various citizens, who wish to identify themselves with the team, "Booster Membership Cards" have been printed and will be available next week. E. A. Fricke will again be official score keeper and Ed Jones will handle publicity. The following are additional members of the committee: chairman, W. H. Thorn; Commander A. R. DeMaris; Dan Fowler, R. W. Carhart, Russ Musser and Thomas Schwinck.

## NOTICE

## LICENSES REVOKED

Motor Vehicle Director Arthur W.  
Magee reported this week that 1,120

operators lost their New Jersey driv-  
ing privilege for two years during  
1948 for driving while under the in-  
fluence of intoxicating liquor.

"They learned the hard way,"  
commented the Director, adding that  
in addition to the driving privilege  
loss, each and every one was fined  
a minimum of \$200. Second offenders  
were sent to jail plus the permanent  
revocation of driving licenses.  
License revocations for all causes

totaled 14,532, nineteen more than in  
the previous year.

**This is a diesel** ... a modern locomotive that means better service to you.  
**Leaders of two unions think it's a feather-bed** ... a "make-work" program which would mean less service to you.

Leaders of unions representing rail-  
road engineers and firemen seek to force  
railroads to add extra, needless men on  
diesel locomotives. This is sheer waste  
— a "make-work" program which would  
mean fewer improvements and higher  
costs—for YOU!

Railroads use modern diesel locomotives be-  
cause they are one of the means of giving  
faster, better service to you.

Two men compose the crew of a diesel.  
They occupy a clean, comfortable cab at the  
front. The engineer handles the throttle. The  
fireman sits and watches the track ahead.  
With no coal to shovel, he has practically  
nothing else to do.

No Benefit To You  
Now the leaders of the Brotherhood of Loco-  
motive Engineers and the Brotherhood of  
Locomotive Firemen and Enginemen want  
to use the diesel locomotive as a means of  
forcing a feather-bedding scheme on the rail-  
roads. The extra men they propose to add to  
the diesel crews are not needed. There is no  
work for them.

The union leaders are fighting among them-  
selves about which union should furnish  
these extra, needless men. The Brotherhood of  
Locomotive Engineers have even threatened  
a strike. You may not be interested in this dis-  
pute of these two unions, but you would be  
vitaly concerned if these groups succeed in  
putting through this feather-bedding scheme,  
because it would mean a slowing up of the  
improvement program of the railroads—of  
which the diesel is the outstanding symbol.  
Diesel crews are among the highest paid

railroad employees—real aristocrats of labor!  
Their pay is high by any standard. Granting  
these demands, therefore, would mean that  
the railroads would be paying out millions in  
unnecessary wages to those in the very highest  
pay brackets.

We'd Like To Spend This Money On You  
You know how much the diesel has meant to  
large sums of money from our present im-  
provement programs. Even worse, they make  
improvements like the diesel worthless, by  
making the cost of their operation prohibitive.  
These demands are against your interests  
— as well as those of the railroads. They are  
schemes to "make work." Neither you nor  
the railroads should be forced to pay such a  
penalty for progress.

Proud as the railroads are of the diesel, it is  
only a small part of their improvement pro-  
gram. Since the War, literally billions of dol-  
lars have been spent on improvement of

tracks and stations, on new passenger and  
freight cars, as well as on diesel locomotives,  
and on the many other less conspicuous de-  
tails of railroading that contribute to im-  
proved service.

Feather-Bedding Means Less Service To You  
But brazen feather-bedding schemes like the  
one now proposed would, if successful, divert  
large sums of money from our present im-  
provement programs. Even worse, they make  
improvements like the diesel worthless, by  
making the cost of their operation prohibitive.  
These demands are against your interests  
— as well as those of the railroads. They are  
schemes to "make work." Neither you nor  
the railroads should be forced to pay such a  
penalty for progress.

That's why the railroads are resisting these  
"make-work" demands to the last ditch—and  
why they are telling you about them.

## PALMYRA TAX RATE MAY RISE 12 CENTS

Palmyra Borough's 1949 budget was approved on first reading by Mayor Charles V. Dickinson and the members of council at a recent meeting.

A public hearing on the budget will be held in the Council Chambers, Borough Hall, Tuesday evening, February 15, at 8 o'clock, at which time taxpayers and other interested persons will be given an opportunity to express views and ask questions on the budget before its final passage by Borough Council.

The budget totals \$266,704.86 as compared to \$240,412.16 in 1948, an increase of \$26,292.70. The amount to be raised by taxation for local purposes is listed at \$91,504.86 as compared to \$79,201.27 last year. County and school taxes are estimated on last year's requirements and any changes in these items will be reflected in the final tax rate.

The explanatory statement of the budget points out that the financial condition of the Borough for the year 1948 was good, and that in preparing the 1949 budget Mayor and Council found it necessary to increase certain operating appropriations. This was deemed advisable so that new equipment could be obtained for the removal of snow from the sidewalks and streets and the purchase of other badly needed equipment that could not be secured during the war years.

As a result, along with other increases, that portion of the 1949 tax rate over which the Mayor and Council have control will increase approximately 12 cents over the 1948 corresponding rate. Last year's rate was \$6.49.

1948 tax collections were excellent and the taxpayers are urged to continue the policy of meeting their obligations promptly.

The budget's total miscellaneous revenues amount to \$43,206.00 as compared with \$50,571.41 for 1948. On the appropriations side of the budget there are several increases bringing the total to \$99,081.00 as compared with \$84,225.00 last year.

## ABOUT TOWN

Mrs. Walter Guerter, 407 Thomas avenue, entertained the Evening Session of the Missionary Society of the Presbyterian Church, Tuesday evening.

Colonel George M. MacMullin, who has been in Vienna, Austria, four years, has returned to the United States and visited his mother, Mrs. Elizabeth MacMullin, 501 Leconey avenue, Palmyra, on Monday.

Mrs. S. H. Young, 408 Linden avenue, Riverton, is quite ill in Cooper Hospital.

Mrs. Clarence T. Yerkes, Thomas avenue, Riverton, entertained the Missionary Society of the Presbyterian Church at a covered dish luncheon Wednesday. This meeting was the annual.

Charles A. DeLaney returned Saturday from a six weeks visit with his son, Dr. Charles A. DeLaney, in Santa Monica, California. Dr. DeLaney is staff physician at the Santa Monica hospital.

HOWARD R. LAMB

Howard R. Lamb, of Detroit, Michigan, died Friday of a heart attack. The body was brought to Palmyra where services were held Tuesday afternoon at the Snover Funeral Home, conducted by the Rev. E. B. Stewart. Interment was at Lakeview Memorial Park.

He is survived by his wife, Desdemona, of Detroit, and a sister, Bermuda, of Palmyra.

The deceased was born in Palmyra and attended the Palmyra schools.

## SUNDAY DINNER Suggestions

ALTHOUGH roast pork is hardly a new dish with which to surprise your family and tempt their appetites, there are many tricks which, when properly applied, can make this a new and delicious experience in good eating.

Featured as part of the regular A & P Service for Home-Makers, this recipe stresses the use of various condiments designed to enhance the flavor and reduce the fat content of the meat proper.

First, score the meat's skin, until knife touches pork under it. Rub into these lines, or squares, a mixture of fine crumbs seasoned with onion juice, a little grated lemon peel, and the juice of half a lemon. Flavor to taste with pepper and salt.

Work this mixture in well until it stands out of the cracks. Put into your roaster with a cupful of hot water under it, and after covering, bring quickly to a point at which water begins to steam. Slacken heat then and cook 25 minutes to the pound, basting often with the meat's own gravy.

Pour off this gravy 20 minutes before taking meat up, and set it in a bowl of ice. This will send all fat to the top and it can be removed. Remember, greasy roast gravy is an offense to the educated palate. The gravy can be thickened with browned flour if desired.

Ideal companions for roast pork include apple sauce in liberal portions, baked sweet potatoes, egg flower, and a lettuce salad topped with Russian dressing. Finishing touches might include French pea tart, or a fruit salad, with an appropriate beverage.

popular,  
modern  
fasteners -  
made in NEW JERSEY

MODERN, yes, yet before the turn of the century a zipper had been registered in the U. S. patent office. The slide fastener, however, did not come into its own until the First World War. Since then its neatness and the ease and swiftness with which it can be opened and closed have brought it wide acceptance.

The zipper, today, has invaded all fields—domestic, commercial, industrial and educational. It is used on clothing for men, women and children. We find it on sports equipment, on travel accessories, on school and camp outfits, on household articles, on car and airplane furnishings. It's at home on land, on sea and in the air.

The name "zipper" is the legal property of one company but has become the common word for all slide fasteners. Their difference lies in the materials and details of design. A New Jersey firm had the honor of being the only zipper manufacturing plant to be awarded the Army-Navy "E" four times... Electricity speeds many operations, making volume production possible, and Gas performs many tasks.

## FRIENDS OF MUSIC CONCERT

The second Friends of Music concert for 1948-49, was presented in the Palmyra High School auditorium on Friday evening, January 28. Cooperating in the program were the Reserve Band, under the direction of Mr. Anthony C. Isch, the Riverton Choir, under the direction of Mrs. Velma G. Comegys, and the Palmyra High School Girls' Drum and Bugle Corps, under the leadership of Miss Marie K. Vorty and Mr. Anthony C. Isch.

The Reserve Band consists of 48 members, most of them of the elementary school and the 9th and 10th grades. Most of these students have been studying for a year or less in preparation for membership in the High School Band.

The Riverton Choir of 55 members, appeared in their gray-colored gowns recently purchased by the P.T.A. Their feature number was the well-known "When I was a Lad" from Pinafore. The accompanist was John DeHoff, a student in the 8th grade.

The Drum and Bugle Corps' part of the program was included as a part of the Friends of Music offerings as a result of many requests for a repetition of last year's fine program. As an added feature a number of members of the High School Varsity Band appeared as a brass choir to augment the Drum and Bugle Corps, in the last three numbers of the program.

The attendance of the concert was very fine and the reception of the numbers was quite enthusiastic. The next concert of the Friends of Music will feature the Palmyra High School Choir and will be presented on Friday evening, February 18.

## SCHOOL BOARD ENTERTAINS PALMYRA BOROUGH OFFICIALS

(continued from page 1)

of the community and the proposed budgets for the Council and the Board.

Another important matter was the discussion of the newly-acquired school site on Charles street. This site consists of some 47 acres, part of which will be used for an elementary school building, the rest of which will be sold at a public sale to the highest bidder. Such matters as the layout of proposed streets on this site, building lots, provision of utilities and other service, and the widening of Charles street were discussed.

The rapid growth of the school population and the age of the present elementary buildings make it evident that ultimately the Charles street site will be the location for the complete elementary school unit sometime in the future.

Other problems discussed were removal of snow from sidewalks, and the additional police protection which will probably be needed when the new building is put into use. The Board of Education expresses its appreciation to Council for having provided additional street lights in front of the high school building, for resurfacing of Fourth street, and extending the water mains in front of the high school to eliminate the several dead-end lines which now are the only source of water for use in the event of a fire.

Ideality is only the servant-courier of the mind, and where that, in a healthy and normal state goes, I hold it to be a prophecy that realization can follow.

#### SOCIAL SECURITY PAYMENTS

A year-end summary by the Bureau of Old-Age and Survivors Insurance in Baltimore, Maryland, shows that about 2,300,000 persons throughout the nation are now receiving monthly payments under the Federal social security program at an average monthly rate of almost 46 million dollars. This is an all-time "high" for the old-age and survivors insurance program, said Joseph M. Davis, manager of the Camden office of the Social Security Administration who reported these figures locally. One year ago payments were being made to about 1,975,000 persons at an average monthly rate in excess of 38 million dollars.

Under the Social Security Act monthly insurance payments are made to qualified retired workers as well as to survivors of deceased insured workers. The social security year-end statement shows that monthly retirement payments totaled about \$366,000,000 in 1948. Payments

to survivors (children, widows with young children in their care, aged widows and aged parents) amounted to approximately \$177,000,000. An additional 32 million dollars was paid in lump-sums to survivors of insured workers who were not immediately eligible for monthly payments.

Estimating monthly social security payments in the area served by this office at the end of 1948 as \$230,000, Mr. Davis said this represents an increase of about 21 per cent over the figure at the end of 1947. The service area of the Camden office includes Camden, Gloucester and Burlington counties. Benefit payments in this area by type of beneficiary are approximately as follows, the first figure being the number of recipients:

Retired workers, aged 65 or over: 4840, \$137,400.  
Wives, 65 or over of retired workers: 1610, \$22,800.  
Widows of deceased workers, 65 or over: 1160, \$25,000.

Children of deceased or retired workers: 2110, \$29,900.  
Widows, regardless of age, of deceased workers who have in their

care one or more unmarried children under age 18: 630, \$14,200.

Parents aged 65 or over who were principally dependent on deceased insured workers: 45, \$700.

Old-age and survivors insurance is primarily a family insurance program, said Mr. Davis, pointing to the fact that for the nation as a whole (as well as locally) 3 of every 5 beneficiaries are women and children.

Approximately 13,200,000 wage and salary earners now have lifetime protection for themselves and their families under old-age and survivors insurance through completion of a required number of years work in social security jobs. This is an increase of 1,600,000 since the end of 1947. These workers have at least some insurance protection for life, regardless of their future work history.

About 78,700,000 living persons had some wages credited toward future social security benefits at the end of 1948, an increase of 1,800,000 persons over the number reported a year ago. During 1948 some 50,000,000 persons

received wages in covered employments.

The Social Security Administration believes that on the basis of experience during the past 12 years it is feasible to extend social security coverage to employments now excluded, such as farm work and domestic service in private homes, as well as to self-employed persons, said Mr. Davis.

**REV. RAVER WILL DISCUSS "THE HUMAN SIDE OF JESUS"**

Women of the community are invited to join with the Women's Society of the Calvary Presbyterian Church on Wednesday, February 9, at the church to hear Rev. W. Neal Raver discuss "The Human Side of Jesus," a book by one of our outstanding authors, John Erskine.

The business meeting of the Society will be held at 2 p.m. to be followed by Rev. Raver's talk at 2:30. Friends are cordially invited to attend and to enjoy the social period following when tea will be served by Mrs. Reid Merley and her committee.

#### HOBBY AUCTION

The Palmyra Junior Woman's Club will hold a regular meeting on Monday, February 7th, in the Club room. In addition to being a business meeting, there will be a Hobby Auction and all members are encouraged to be present and participate.

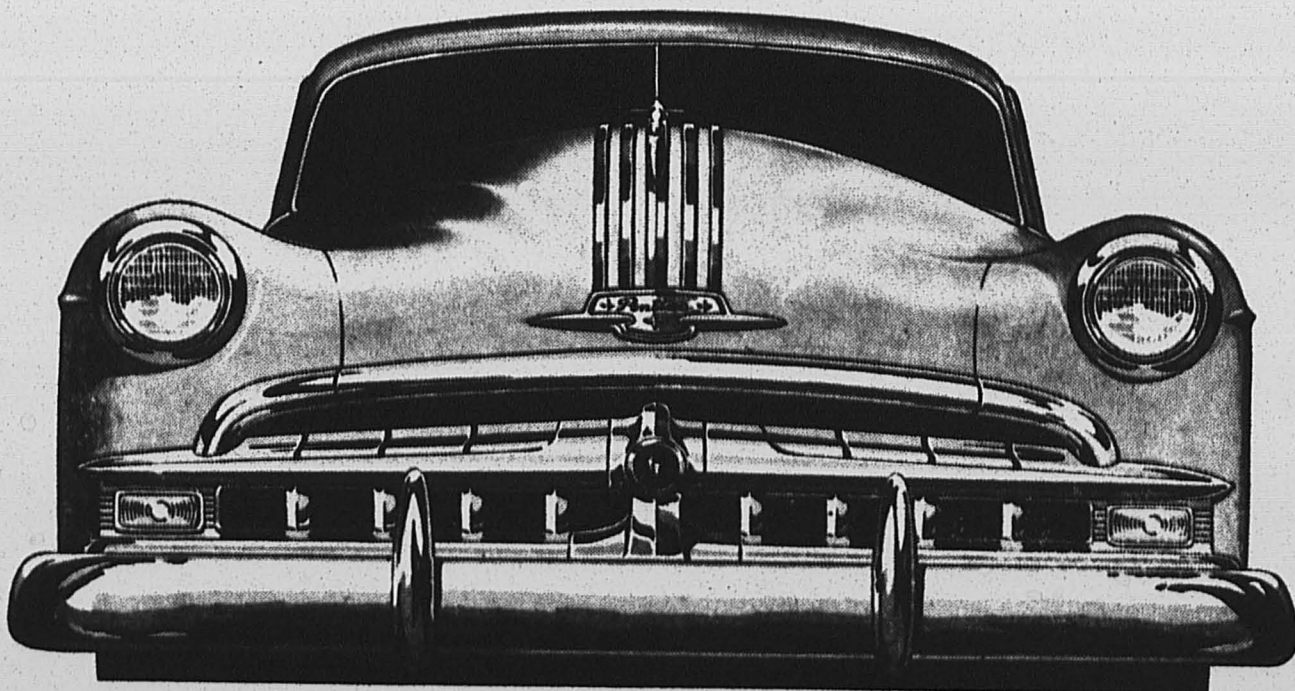

The hostesses for the evening will be Mrs. D. D. White, Jr., Mrs. H. Steigelman, Jr. and Mrs. John Geiss. The Committee of Welcome will be Miss Eleanor Caprano. Mrs. Richard L. Price, president, will be the presiding officer of the meeting.

## RIVERTON SCHOOL NOTES

This is the first of a series of articles dealing with the Riverton Public School and the education of the Riverton children as outlined by John R. Albinston, school principal. A number of years ago the "Seven Cardinal Principles of Education" were adopted by leading educators throughout the nation. In order of importance, to the well-rounded growth of the child, these principles have been set forth as follows: health, citizenship, worthy home membership, command of fundamental processes, vocation, worthy use of leisure time, ethical character. There was a time a few years back when these Cardinal Principles were thought to be outmoded, but with

the general swing back to a more formal education, with emphasis being placed on the three R's (reading, 'ritin', and 'rithmetic) it may be well for us to consider our school in the light of these Principles.

We will all agree, that in order to build a strong healthy America, we must begin with the children and build on them. We cannot hope for strength unless we have a healthy citizenry and with this uppermost in our minds our children are being indoctrinated in the many phases of health education that applies to them. In order that this instruction may be done more efficiently, the Riverton School has recently put in service a complete series of health books for each grade through the sixth. Our series will be complete when the seventh and eighth grade books and materials are received. Regular health and physical education classes are held in carrying out requirements as designated by the State Department.

Citizenship enters into the life of the pupil at every turn. He is taught the fundamentals of democracy, the colorful past of America, and his role in the future of America. He is enlightened as to his responsibility as a functional part of the family and the community. Also, that he is an integral part of the social, political and economic life about him. He is taught to socialize with boys and girls of his age group and, perhaps, most of all, he is taught how to get along with others peacefully and in harmony. Perhaps the carry-over of these teachings is not always evident but he is constantly subject to the teachings of right from wrong, peace from war, harmony from friction, and in general, the art of healthful, purposeful living.

He is taught that his membership within the family group has definite responsibilities and that his is a functional part of that group. The family and its living can be called the basis of democracy and with this in mind the child is taught that his membership within his own family group be worthy of him. Naturally, in school the various subject matter courses—social stud-

ies, English, reading, arithmetic, spelling, etc., are presented to the child in logical sequences. We do not presume that the child will master all phases of the various courses within the first year, rather, that in nine years of elementary school training the child will have mastered his educational fundamentals to a point where he will go on to secondary school with a strong foundation.

Leisure time activities are today, perhaps more than ever, a very vital part of the growing child's life. He is taught how to use his leisure time to the best advantage through the medium of activities, sports, library usage, music and supervised play periods. We do not condone lone hours, corner groups, aimless roaming, or any activity of this nature; rather, we work for healthy, happy, individual or group activity on the child's part under supervision during the proper time of day. We teach constructive activity rather than destruction in any form.

Character training though not listed among the first few "Principles," should, we believe, be given adequate consideration. The character of the child is that part which determines his future place in life and in consideration of the child as the basis for the future, we make every effort to develop each child's character to the best of his ability.

In every part of the nation more than 2,200,000 boys and their adult leaders, will observe Boy Scout Week, Feb. 6th to 12th, marking the 39th anniversary of the Boy Scouts of America. The theme of the celebration is "Adventure—that's Scouting!" This year the movement is emphasizing the fun and fellowship its members get out of the game of Scouting. More high adventure is planned in the out-of-doors. Their adventure in citizenship will find Scouts emphasizing civic service activities, emergency service training and world Scouting relationships. During Boy Scout Week, Scouts, their parents and countless communities will honor the volunteer adult leaders of the nation's 70,000 Cub Packs, Scout Troops and Senior Units. Above is the official poster for the Scout birthday.

## LOCAL SCHOOL ELECTION RESULTS

Contests for election to the respective Boards of Education in Riverton, Palmyra and Cinnaminson brought out a fairly heavy vote on Tuesday night of this week with the most interest being shown in Cinnaminson, where a proposed bond issue for a new school was overwhelmingly defeated.

The voters not only turned down the bond proposition, but also voted against all appropriation items, thus necessitating another election to provide operating funds for the school. School officials were at a loss to explain the action, since the proposed budget provided for only normal operating expenses.

In Cinnaminson, James Reeves was elected to the Board of Education for a full term without opposition. Elected to the unexpired term of two years was Howard Gunn, who defeated Roland Shoemaker, G. Allan Osmond and Earl Lockwood.

The vote was:  
Reeves ..... 259  
Shoemaker ..... 95  
Osmond ..... 65  
Lockwood ..... 58  
Gunn ..... 114

The vote for the various appropriations was as follows:

Current expenses—  
Yes ..... 108  
No ..... 192  
Repairs and replacements—  
Yes ..... 139  
No ..... 165

Manual training—  
Yes ..... 120  
No ..... 173  
Bond issue—  
Yes ..... 56  
No ..... 256

**Riverton**  
In Riverton, James M. Wright, Mrs. Rose G. Lowe and C. Reed Kurtz were elected members of the Board of Education, defeating Franklin P. Liberty and Thomas A. Murphy.

At the present time it is impossible to state when the new quarters will be available for occupancy, but Mr. Klipple hopes that the work will be completed within two months.

The vote on the candidates was as follows:  
Wright ..... 230  
Kurtz ..... 224  
Lowe ..... 201  
Liberty ..... 102  
Murphy ..... 108

**Palmyra**  
In Palmyra, Andrew Barker, Willy Vetterman and George M. Durgin were elected members of the school board. William A. Donaghy, a member of the board for many years, was the defeated candidate. The vote was:

Durgin ..... 270  
Donaghy ..... 195  
Lowe ..... 302  
Barker ..... 302  
Vetterman ..... 300

All appropriation items were approved by a substantial majority.

## THE EXPLORER SCOUTS GO ON SEVERAL TRIPS

On January 22nd the Explorers went on a tour through the New Jersey State Penitentiary in Trenton. They were taken all through by a prison guard, from the reception room, all the shops and also the electric chair.

On January 29th some of the Explorers attended a Senior Scout ball in the Camden Armory.

On January 31st they went to the Moorestown Community House.

On February 2nd the Explorers and their fathers went bowling.

On February 5th they went to see an ice hockey game.

They all enjoyed themselves on these trips and hope to go on many more.

The money for their trips is gotten by the paper collections. As soon as the weather gets better they hope to continue their collections. Please support their paper, scrap and metal drives as in the past. Thank you. Publicity.

# THE NEW ERA

## RIVERTON :: PALMYRA :: CINNAMINSON

THE NEW ERA, THURSDAY, FEBRUARY 10, 1949

CLARK—TULL

On Saturday, February 12 at 4:00 p.m., Miss Elizabeth Tull, daughter of Mr. and Mrs. Ivan M. Tull, of San Antonio, Texas, formerly of Elm Terrace, Riverton, will become the bride of Mr. Jay Clark Gretz, son of Mr. and Mrs. Harry Clark Gretz, of 276 Highland Road, South Orange, N. J. They will be married in the chapel of the First Presbyterian and Trinity Church in South Orange, by Rev. Charles Meade. Following a wedding trip they will reside at 276 Highland avenue, South Orange.

Miss Tull attended Cedar Crest College, Allentown, and Mr. Gretz is now a Senior at Lehigh University at Bethlehem, Pa., and is a member of Theta Delta Chi fraternity and is majoring in industrial engineering. He served in the U. S. Army overseas for three years.

## Riverton Pastry Shop Acquires New Store

Workmen are now engaged in remodeling the building at the northeast corner of Broad and Main streets, Riverton as the new home for the Riverton Pastry Shop.

According to Leroy Klipple, proprietor of the shop, the new location will provide much needed space for display cases and the convenience of customers. In addition, the enlarged quarters will enable him to install more adequate baking facilities to take care of the business which this popular establishment has built up while located in Riverton.

In order to provide parking facilities for his patrons, Mr. Klipple is having razed the former service station building located on the property. The space thus provided will be reserved for patrons of the Pastry Shop exclusively.

At the present time it is impossible to state when the new quarters will be available for occupancy, but Mr. Klipple hopes that the work will be completed within two months.

The Palmyra Junior Woman's Club is sponsoring a Fashion Show on March 21.

Girls who are members of either section of the Club and who are interested in modeling their own home made clothing, contact Elsie Wylie, Riverton 9-0590-W, or Ann Mathews, Riverton 9-2086-W.

## GIRL SCOUT LEADERS' CLUB MEETING

The Burlington County Girl Scout Leaders' Club will have a panel discussion at their next meeting on Thursday, February 17, 7:30 p.m., at the Moorestown Community Center. The subject is "What do the home, the church, and the school expect Scout Leaders to do for their Scouts."

The speakers will be the Rev. W. Neal Raver of the Palmyra Methodist Church, Dr. John B. Geissinger, supervising principal of the Palmyra Public Schools, Miss Reba Troxell, Burlington County Home and School advisor, and Mrs. Pritchards of Maple Shade, president of the Girl Scout Mothers' Club. Jerry Gilpin, program chairman, will act as moderator.

Burlington county leaders are urged to come out and enjoy a valuable discussion.

**THANKS**

May I take this opportunity of expressing my sincere appreciation to all those who supported my candidacy as a member of the Riverton Board of Education.

C. Reed Kurtz.

## MARCH OF DIMES

Mrs. Mervil Haas, chairman of the local March of Dimes campaign wishes to express her appreciation for the fine response to date on the part of residents in this section.

She wishes to emphasize, however, the importance of sending in contributions promptly by those who intend to give, as they have not done so in order that the campaign can be brought to a close.

"The need is great, so send in your donation at once," said Mrs. Haas.

## FORUM ON BRIDGE PURCHASE NEXT TUESDAY

Acceptance by State Senator James M. Davis, Jr., to speak at the February Riverton Town Meeting on "The Advisability of the Tacony-Palmyra and Burlington-Bristol Bridge Purchase," has completed the panel for the Forum. The meeting is to be held at the Riverton School on Tuesday, February 15th, at 8 p.m.

Two speakers will speak in favor of the purchase, former Republican Freeholder Frank A. Snover and Bridge Commission Chairman Howard R. Youcem and two speakers will speak in opposition to the purchase, Democratic Freeholder Henry S. Haines and Senator Davis. Other representatives from both sides will be present also. Dr. Edward S. Carter, a member of the Political Science Department of the University of Pennsylvania, will act as moderator for the forum.

The forum will be started by a presentation by the guest speakers and will be followed by questions from those present. Following the questions the meeting will be terminated with a brief rebuttal by the speakers.

Senator Davis has been the legal advisor in the suit by Freeholder Haines against the purchase of the bridges, and in this capacity is familiar with the legal aspects of the purchase. His acceptance has made possible a complete representation of both sides of the purchase.

**F. WALLIS ARMSTRONG**  
F. Wallis Armstrong, 78, a native of Camden, pioneer in American advertising and outstanding breeder of thoroughbred horses, died on Tuesday of this week at Meadowview Farms, his estate in Cinnaminson. He was a member of the New Jersey Racing Commission.

Funeral services were held today (Thursday) at Meadowview Farms at 2 p.m. Burial was private.

In 1910 he founded the Philadelphia advertising agency of F. Wallis Armstrong Co., from which he retired in 1938 after 40 years in the advertising field.

Mr. Armstrong for many years handled the advertising accounts of two Camden companies which were to become world-known, the old Victor Talking Machine Co. and Campbell Soup Co. He also handled the accounts of Stephen F. Whitman & Sons, chocolate manufacturers, Philco, Fels Naptha and Scott Paper companies.

Three of the world's best-known trademarks, the Kids of the Campbell Soup Co., "His Master's Voice" dog and phonograph of the Victor Talking Machine Co. and Whitman's candy messenger were a part of Mr. Armstrong's advertising for those clients.

Mr. Armstrong owned the famous stud John P. Grier, which sired such outstanding race horses as Hi-Jack, Jack High and Boojum. Another son of John P. Grier, who never was beaten in competition, was El Chico. The well-known Red Shoes is a granddaughter of John P. Grier.

Mr. Armstrong was a member of the Racquet Club, Philadelphia; Rose Tree Hunt; Turf and Field; Pacific Club of Nantucket, Nantucket Yacht Club and Trimble Lodge, F.A.M. Camden.

He is survived by his widow, the former Georgie R. Bailey, and two sons, Mrs. Elizabeth Armstrong Osborne, Darien, Conn., and F. Wal-

## CAR DAMAGED BY FIRE ON BROAD STREET

Just as the meeting of the Palmyra-Riverton Lions Club was about to start last Thursday evening a car was reported to be on fire on Broad street near the club's meeting place. A general exodus of the members resulted, each believing that his auto might be the one in flames.

The vehicle belonged to a Riverton resident, Charles Schuck, who was driving to work when flames suddenly spurted out from under the hood.

The Palmyra Fire Department made a quick run to the scene and quickly extinguished the fire, but considerable damage to the engine had already resulted. A defect in the carburetor is believed to have been the cause.

## Railroad Company Honors Boy Scout

Tuesday was a red-letter day in the lives of Cub Scout Richard Smith, his twin brother Robert, also a Scout, and his parents, Mr. and Mrs. Frank O. Smith, 321 Berkeley avenue, Palmyra.

The quartet spent the day in New York City as guests of the Pennsylvania Railroad Company, which planned the trip as a token of appreciation of the service rendered by Richard on January 18, when he discovered and reported a broken rail in the tracks near the Morgan avenue crossing, Palmyra.

The party was met at the Pennsylvania Station by the assistant publicity director of the New York Division and a Boy Scout (this being Boy Scout week).

They were taken to the studio of Dave Elman, of Hobby Lobby, where a rehearsal was held for the transcription which was to be made in the evening.

Following this the group visited National Scout headquarters and met the national executives.

The afternoon was spent in a sightseeing trip which included Radio City, Empire State Building and other points of interest.

In the evening, Richard, in company with Mr. H. Pevler, vice president of the Pennsylvania Railroad Company, and Mr. William Wesel, National Director of the Cub Scouting Service, visited the Guild Theatre, where the recording was made for the transcription, and Mr. Pevler presented Richard with a \$100 U. S. Savings Bond.

This transaction will be broadcast over Station WOR Saturday afternoon at 4 o'clock, and later will be broadcast over the Mutual network on a nation-wide and Canadian hookup.

On the trip home the two boys rode in the cab of the engine. Richard and Robert are grandsons of Mr. and Mrs. Harry F. Kenny, 925 Columbia avenue, Palmyra.

## DANIEL E. BATES

Daniel E. Bates, 319 Horace avenue, Palmyra, died on Saturday, February 5. He was 39 years old. Funeral services were held on Tuesday, February 8, from his late residence. Rev. S. Dan Morgan officiated.

Interment was in Lakeview Memorial Park, Riverton. He is survived by his wife Janet E. and three small children, Gail, Connie and Daniel. He is also survived by his father, Walter D. Bates, of Palmyra; three sisters, Mrs. Samuel Rodgers, Mrs. Marjorie Lewis, of Palmyra; Mrs. Robert Brandt, Norwood, Pa. four brothers, Harry, Palmyra; Elsworth, San Francisco; Charles, Atlantic City, and Robert, Riverside.

His Armstrong, Jr., Moorestown businessman, whose home adjoins that of his father and a grandson, Oliver Edward Hyde, Jr., son of Mrs. Osborne and who is in the marine corps.

## ANNUAL MEETING OF HOME MANAGERS

"Growth" seems to me to be the keynote this year," said Mrs. William G. Porter, of Moorestown, president of the board of managers of the Cinnaminson Home, at the annual meeting held Monday, "growth of our board in thought and ideals, striving to reach the group of women who need us most. In taking more older women, who are in need of our help, we are surely helping in the field which seems to give us the most opportunity to serve."

Growth in the number of patients from Burlington county was stressed by Mrs. Porter—25 during the past year as against 14 the previous year. The average number of patients per month, she said, was about three more than last year.

Growth in the house itself, Mrs. Porter said, had been achieved by dividing several double bedrooms into singles, thus giving to more patients "that precious privacy that every individual desires." She also mentioned improvements to the building and equipment which will increase the efficiency of operation.

"Growth in our number of friends, truly our most prized assets," said Mrs. Porter, produced a list which grew longer each year. All of us inevitably grow, spiritually, she said, "in a work that is so worth while, a work which is for the love of our fellow man."

Mrs. Porter, a former resident of Riverton, was reelected president of the Home's board of managers. Other officers reelected were Mrs. Richard D. Barclay, 2nd vice president, and Mrs. Richard Lippincott, assistant treasurer. Mrs. Raul Betancourt was elected corresponding secretary.

Members of the board of managers reelected for three-year terms were: Mrs. Robert G. Adams, Mrs. Raul Betancourt, Mrs. W. Brooks, Evert, Mrs. Raymond Hall, Mrs. Richard Lippincott, and Mrs. C. Singleton Mears, all of Riverton; and Mrs. Roland M. Bickerstaff, Mrs. Elmer C. Grimley, and Mrs. Thomas J. Summey, of Moorestown. Mrs. Harry L. Rogers was reinstated as a manager, after several years' absence from the board.

**CINNAMINSON BUDGET ADOPTED**  
At the meeting of the Cinnaminson Township Committee held on Tuesday night of this week the 1949 budget was adopted by a unanimous vote of the governing body.

At the public hearing which preceded adoption no one spoke concerning the budget.

The Committee was notified that the Union Landing road project which was to have been financed with State Aid was not approved for this year.

**POLICE APPLICATIONS IN CINNAMINSON**  
Cinnaminson Township is considering the appointment of an additional police officer and applicants will be interviewed at a special meeting, of which information can be obtained from the Township Clerk, Harold R. West.

Those desiring to apply for the position must obtain applications from Mr. West not later than Saturday of this week. They must be residents of the Township and be between the ages of 21 and 30.

## MUMMERS' ASSOCIATION OF NEW JERSEY

The New Jersey Mimmers' Association was formed Monday, January 31, in Gloucester, N. J. Four bands joined as follows: Palmyra String Band, Garden State String Band, South Jersey String Band, and the Hobo Band of Pitman, N. J.

All four bands will wind up the month with a grand review in Camden's Convention Hall.

## Library

In keeping with the progress of the school a new set of built-in bookcases is nearing completion. These bookshelves give the library a very desirable modern appearance.

## Film Strips

Last year the PTA very generously gave a film strip projector to the school. During this year we have bought quite a few film strips to be used with this projector. The use of this machine is in keeping with our policy of making as much use

of visual materials as possible.  
March of Dimes  
Each year at this time the drive for funds is made for the purpose of collecting money for the March of Dimes Campaign. The boys and girls of Riverton School showed their great interest in this health problem by collecting and donating \$68.80. They and the people of Riverton are to be commended for their generosity.

## CINNAMINSON SCHOOL NEWS

Cinnaminson Home Economics Girls have been very active during the past semester. Suits and dresses were finished by the students in Grades 7 and 8 from School No. 4. The girls are now beginning a course in Foods, which will include planning and serving dinner menus and foods. A study of the eating habits and foods of our neighbors round the world and preparation of typical foods from various nations will be taught in correlation with academic work in social studies.

The school personnel are pleased and grateful to the 7th and 8th Grade girls from School No. 2 for their help in renovating the teachers' room in their building. As a short unit in Home Decoration, curtains were made for the windows, chairs and cushions upholstered and recovered, and runners for stands and tables made to complete room decoration.

These girls are just beginning their clothing project which includes Easter suits and graduation dresses. Their work in clothing is inspired by the addition of new furniture to the room. A most pleasing and practical combination arrangement of work cabinet, sewing tables and cutting tables makes better work a pleasure. A modern ironing cabinet and steam iron complete the sewing room equipment.

## DEMONSTRATION OF SQUARE DANCES

On Saturday evening, February 12, the Circle Eight Square Dance Club will present a demonstration of American square dances at the Community House, Moorestown. After the demonstration dance the members of the club will instruct all present in the basic American square dance patterns and fundamental steps.

At the conclusion of the evening all will be dancing squares or quadrilles to the orchestra music of "Pig Town Hoe Down" and to calls such as "Honor that Lady," or "Two Gents Swing with the Elbow Swing."

Those in this vicinity interested in square dancing are invited to attend. The Circle Eight Square Dance Club, an organization of about 40 dancers was formed in the summer of 1947 at Mt. Ephraim. There is an orchestra of five musicians in the membership, and talent that doubles on instruments so that all have an opportunity to dance. The Club has become very popular in South Jersey and the dancers are quite picturesque, the women dressed in colonial gowns and the men in colorful cowboy garb.

PLAY COACHES' FIVE

The Palmyra High School faculty basketball team will play a team composed of the coaches of the South Jersey Freshmen Basketball Conference on Monday, February 14, at the Palmyra High School gym at 8 p.m. The Palmyra Freshmen will play the Riverton Hi-Y leaders of the Burlington County League in a preliminary at 7 p.m.

To date the faculty has won two and lost two. They have defeated Woodrow Wilson 57-48 and the Varsity Club Alumni 36-29. They have dropped decisions to Pemberton faculty 43-42 and overtime to the Varsity Club 35-33.

The national campaign chairman is former Governor Harold E. Stassen of Minnesota, now president of the University of Pennsylvania. Mr. Stassen points out that this is actually the first nationwide campaign of the American Heart Association and says that "great emphasis will be placed upon the need of public understanding of the problems involved in fighting heart disease."

What will the money you will be asked to contribute to the 1949 heart campaign be used for? Although the New Jersey Heart Association is young in the field and its program is far from complete, the needs for public education, for improvement of hospital and clinic facilities used for diagnosis of heart conditions, for community rheumatic fever control programs and for training of additional professional workers in the field are enormous.

In the national field, your contributions, Mr. Stassen says, will provide for research in such neglected fields of cardiovascular disease as rheumatic fever, high blood pressure and hardening of the arteries, which are responsible for 90 percent of all heart disease.

The American Heart Association reports that "one out of every three deaths in the United States is due to diseases of the heart and blood vessels." Perhaps more astonishing is the apparent inevitability with which this fact has been accepted by so many people.

Many of us think of heart disease as primarily a disease of old age. Few appreciate the fact that it is the leading fatal disease among children between the ages of 10 and 15.

These facts are not presented with the aim of "scaring" the public into an appreciation of heart disease. Fear is no substitute for knowledge. By presenting the truth, however, the American Heart Association hopes to enlist the willing, intelligent cooperation of every citizen in the fight against heart disease. It is not just enough to give dollars to the cause. In order to combat the disease, the public must be informed about the causes of heart disease and the significance of such things as high blood pressure, infections, overweight, and rheumatic fever.

The New Jersey Heart Association was organized last year at the instance of The Medical Society of New Jersey, and Dr. Jerome G. Kaehling of Newark, chairman of the Medical Society's Committee on Cardiovascular Disease is serving as president of the State Heart Association. Many eminent local citizens serve on its board of directors.

Howard Washington, Jr., president of Kenneth Still and Albert Brown, our guests for the evening. Those boys were greeted with loud applause.

Orchids were given to Mrs. Nanie Glascoe, chairman of the committee for a delicious dinner. The committee: Mesdames Edna Johnson, Gertrude Rumble, Lucy Johnson, Sarah Webb. Waitresses: Mesdames Celia Kelly, Beatrice White, Shirley Washington, Maude G. McCombs, Ethel Gibson, Evelyn Byron, Misses Elsie Robinson, Jane Allen, Frances and Ella Mae Hunt. John Willis is president of this board.

Mrs. Herbert Taylor, of Merchantville, will present Reviews of Current Plays at the next meeting of the Women's Auxiliary of the Burlington County Medical Society. The meeting is scheduled for Tuesday evening, February 15, at 8 o'clock, and will be held at the home of Mrs. Arthur B. Peacock, 201 East Main street, in Moorestown.

Yes, NEW JERSEY  
gives you the answer!

Industry's magic brain is the modern calculating machine, many of which are made right here in New Jersey.

Ever since the Babylonians worked their problems on the abacus in 2200 B. C., man has sought faster, easier, more accurate ways to figure.

The search through the centuries has brought to the desk of today's scientists and businessmen the precision instruments whose streamlined exteriors house an incredibly complex assembly of assorted gears, springs, levers, cams, screws and shafts.

Truly, these and the accounting and bookkeeping machines which speed the tempo of all business attest to the engineering genius of the men who design them and the skills of those who put them together. The office machine industry has grown into one of the nation's biggest—and an important part of this production is in New Jersey.

Electricity plays a vital part in the manufacture of these machines. Furthermore, electric power provides the force on which these amazing calculators do the bidding of business.

## BOXING CLASSES

Boys from Riverton and vicinity are cordially invited to attend the courses in scientific boxing that are being held at the Community Center, Palmyra, each night from 6 to 7:30 o'clock.

The aim of these classes, according to those in charge, is not to prepare boys for the boxing profession, but to teach him skill, fair play, instill confidence and build him up physically. It is also a way for him to expend his excess energy and keep him out of mischief.

There are no dues. The boys can be of any age and they will be paired off according to size and weight. They will be expected to attend every night so as not to interfere with the program.

The instructors are three professionals, Messrs. Harrison, Flournoy and Schaeffer.

The boys will not be allowed to "slug it out."

Those interested are requested to advise Officer Albert Pierce of the Riverton Police.

**MRS. SAMUEL H. YOUNG**  
Mrs. Mary E. Young, of 408 Linden avenue, Riverton, a local resident for 30 years, died on Sunday in Cooper Hospital, Camden.

She is survived by her husband, Samuel H.; three sons, Dr. Earl S. of Hagerstown, Md., and Robert A. and John W., both of Binghamton, N. Y.; three daughters, Mrs. Ruth G. Thompson, of Riverton, and Mrs. Helen Wagny and Mrs. Grace T. Schmierer, both of Palmyra, and a brother, Edward D. Johnson, of Glassboro.

Funeral services were held at 11 a.m., Wednesday in the Snover Funeral Home, Palmyra. Burial was in Lakeview Memorial Park.

**FRANK J. WATERS**  
Frank J. Waters, a bricklayer, of 1105 Cinnaminson avenue, Palmyra, died Saturday. He was 52.

A veteran of World War I, he was a member of the Oaklyn-Battlewood Post, American Legion.

He is survived by his wife, Amy J., a son, John, of Palmyra, and a daughter, Mrs. John Ludwick, of Chester, Pa.

Solemn requiem Mass was sung at the Sacred Heart Church, Riverton, at 10 a.m., Thursday. Interment was in Calvary Cemetery, Camden.

With so many new appliances in the modern home today, there are any number of reasons why the person you're calling may not hear the telephone the first time it rings! That's why we suggest that you wait at least a full minute, before you decide there's "no one home."

Every day, here in New Jersey, more than 75,000 people fail to complete their calls—simply by hanging up before the telephone can be answered. That means disappointment to a lot of people—and the necessity of making many additional calls.

## About Town

Martha Jane Daniels, daughter of Mr. and Mrs. Joseph E. Daniels, of 710 Thomas avenue, Riverton, is chairman of the hostess committee of the Oberlin College Symposium on Occupations for Women to be held on four successive Mondays, from February 28 through March 21.

These symposiums are held biennially at Oberlin College so that student women may have an opportunity to discuss career plans with women working in various fields of education, music, business, government, and social work. The program of each symposium will include an assembly where a keynote speaker will outline opportunities in a general occupational field followed by roundtable discussions of specific jobs within the vocational area. Among the consultants who will come to Oberlin for the symposiums are representatives from the National Gallery of Art in Washington, D. C., from Mademoiselle Magazine, Katherine Gibbs Secretarial School, the Music Research Foundation, Inc. in New York City, Lararus Department Store in Columbus, Ohio, and public and private schools and colleges. Miss Daniels is a senior at Oberlin College majoring in philosophy.

Mr. and Mrs. Russell W. Ward, of 313 Thomas avenue, Riverton, were recent guests of Colonel Charles P. O'Connor, of West Chester, Pa., aboard his yacht "Parras" on a 10 day fishing trip through the Everglades and the Keys, Florida. While on the trip the party caught 16 varieties of fish, one of them, hooked by Mr. Ward, a 10 pound bone fish, one of the largest of this species boated so far this season.

The Burlington County Democratic Women's Club will hold a dinner meeting on Tuesday at 7 p.m., at Carlslake's Dining Rooms, Mount Holly. State Senator James M. Davis, Jr., and Mrs. Davis, and Assemblyman John B. Atkinson and Mrs. Atkinson will be the guests of honor.

The executive committee of the Club will meet this Friday evening at the home of Mrs. Alice Keen, Maple Shade.

Lewis Wence, son of Mr. and Mrs. L. Wence, Garfield avenue, Palmyra, has returned to Muhlenberg College, Allentown, Pa., after spending a few days last week at home.

Miss Thelma Davis, of Thomas avenue, Riverton, spent the weekend in Dorchester as the guest of Mr. and Mrs. Melvin Davis. Miss Lorraine Davis was guest soloist at the Dorchester Methodist Church on Sunday evening.

## HOWARD F. MANSFIELD

Howard F. Mansfield, of Union Landing Road, East Riverton, died on Sunday, February 6. He was 65. Funeral services will be held at the Snover Funeral Home on Friday, February 11, at 2:00 p.m. Interment will be in Monument Cemetery, Beverly. He is survived by his wife, Minnie P., and three sisters, Georgia M. Smith, of Washington, D. C.; Mrs. Mary M. Thompson and Mrs. Elizabeth Fields, both of Virginia.

## CHRISTIAN SCIENCE CHURCH

First Church of Christ, Scientist Thomas Ave., at Seventh St.

"Soul" is the subject for Sunday, February 13. Golden Text: "The Lord is my shepherd: I shall not want. He maketh me to lie down in green pastures, he leadeth me beside the still waters. He restoreth my soul." (Ps. 23:1-3)

Sermon: Passages from the King James version of the Bible include: "For as the earth bringeth forth her bud, and as the garden causeth the things that are sown in it to spring forth; so the Lord God will cause righteousness and praise to spring forth before all the nations." (Isa. 61:11)

Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "Soul is the substance. Life, and intelligence of man, which is individualized, but not in matter. Soul can never reflect anything inferior to Spirit." (p. 477)

# CENTRAL BAPTIST CHURCH

Fifth and Maple Avenue  
The Rev. S. Dan Morgan  
Pastor

More than a decade ago an American novelist wrote a best-seller about the Spanish Civil War. Millions of people read the novel; they glibly pronounced its title, and glanced over a phrase that had been made purposely obvious to the readers: "For Whom Does the Bell Toll? It Tolls For Thee!" How very, very few people bothered to analyze that group of words.

How very, very few people caught the urgent warning held in that book—the warning that our world has grown so small that what is one nation's fate is the fate of us all. There can be no isolation from war, from fear, from destruction. If our world is to survive we must protect the good and destroy the evil, when and where either of them starts to flourish. We are still paying the price for having failed to heed that warning.

Today all Christendom looks in grief and horror toward the capital of a small Balkan country where one

man has lost his case against the forces of evil. Actually it isn't a Catholic Cardinal against the forces of evil, all Christianity is on trial. Christianity isn't in danger of its life in just one spot, but over the face of the earth. But how many will heed the ominous warning? The bells are tolling today, just as they did a few years ago. They are ringing out a warning to all mankind. The bells are tolling for Cardinal Mindszenty and they are tolling for you.

Sunday, February 13, 1949: Sunday School 10:00 a.m.; Morning Worship, 11:15 a.m.; The Pastor's Sermon Topic will be "Three Great Words." The choir's anthem is "Sing Aloud Unto God" by Peace, and the soloist of the service is to be Mrs. Cecelia Beverlin. Evening Worship, 7:45 p.m.: The message by the Pastor is "A Cloud of Witnesses." The anthem by the choir will be selected, and the soloist of this service will be Robert Seither.

Calendar for the week:  
Wednesday, February 16, 8:00

p.m.: The church at Prayer and Bible Study.  
Thursday, February 17, 8:00 p.m.: Choir rehearsal.

## PORCH CLUB

On Tuesday, February 15, at 2:30 p.m., Miss Mary Stewart will bring to the Porch Club her Kodachrome transparencies for her travelogue on South America.  
Miss Stewart has lectured professionally at the Inn at Buck Hill Falls, Bryn Mawr School and many clubs.  
She has traveled through Lima, Peru, and toured by train and air for six months the west coast of South America, stopping in Guatemala and Mexico.

Mr. and Mrs. Richard T. Wilson of Golf road, Riverton, will attend the Dartmouth Winter Carnival at Dartmouth College, Hanover, N. H., this weekend.

A card party sponsored by the Riverton Yacht Club Sail Bags will be held on Friday, February 25, at 8:00 p.m., at the Parish House, Riverton. Donation 50 cents.

## RIVERTON ELECTION IS CONTESTED

The following statement has been made by the Riverton Board of Education concerning a petition regarding the alleged illegality of the recent election:

"At a meeting of the Board of Education on Monday, February 14, copies of a Petition of Appeal to the Commissioner of Education were presented by Franklin P. Liberty, defeated candidate at the School Board election held on Tuesday, February 8.

"The Petition charged that the election was illegal by virtue of listing the candidates' names on the ballot other than alphabetically as required by law.

"In the event the protest is sustained by the Commissioner of Education, the procedure will be as follows:

"The County Superintendent will appoint three people as members of the Board of Education to serve until the next regular school election in February 1950, at which time six members, three for three years and three for two years, will be elected by the voters.

"The Board sincerely regrets that this unfortunate error has been made."

The vote was as follows:  
James Wright 230  
Rose G. Lowe 224  
C. Reed Kurtz 201  
Thomas A. Murphy 108  
Franklin P. Liberty 102

## LIBRARY BRIDGE SUCCESSFUL AFFAIR

The annual Riverton Free Library Bridge recently held at the Riverton Porch Club was a well attended affair. The bridge committee of the Club gives a most favorable report of this year's afternoon of bridge and tea. There were 26 tables in play with other interested people dropping in for tea and participation of the various prize awards so generously given by local merchants and other interested donors. The two attractive door prizes, a cake, decorated in an appropriate lacy Valentine design by the Riverton Pastry Shop and a most attractive basket of fruit from the Philadelphia Market House were won by Mrs. Philip Flack and Mrs. G. Rex Showell, respectively. The usual book prize donated each year by Mrs. W. W. Chalmers was won by Mrs. Gustav Probsting.

Mrs. J. Rowland Dey, chairman of the bridge committee of the Porch Club wishes to thank all those participating in making the affair a most successful one, including members of the Club and supporters of the Library on Palmyra, Riverton and Cinnaminson and the more than 50 local merchants who donated attractive merchandise for prizes. Mrs. Dey has stated that approximately \$200 will be turned over to the Riverton Free Library.

## ATTENTION, VOTERS!

MARCH 10, 1949, is the last day to register or change an address in order to vote in the Primary Election, April 19.

As provided in the New Jersey Election Laws the County Board of Elections will mail sample ballots to each registered voter in Burlington county.

The 1948 General Election sample ballots returned to this office due to incorrect mailing addresses have been checked. Return post cards are being mailed in an effort to ascertain the correct addresses of such voters who might otherwise be ineligible to vote.

## CORNELIA STABLER TO PRESENT "IT'S CURTAIN TIME"

Cornelia Stabler, well-known monologist, will present "It's Curtain Time," a full-length drama in monologue form at the Riverton Porch Club, on Tuesday, March 1, at 2:00 p.m.

In a series of related character sketches, both comic and dramatic, Miss Stabler enacts the life-story of a teacher and her adopted child, beginning in 1947, in New York City, cutting back to scenes twenty years before, and in the last sketch, returning to the present time. It is a gripping story, and yet so full of laughter that no single sketch is wholly serious, not even the New England grandmother whose stern philosophy does not interfere with her kind heart. The chorus girl, the secretary, the French actress are sharply etched characterizations that play an important part in the unfolding of the story.

Miss Stabler, who is an actress, an author and the director of a theatre group, has appeared widely throughout the United States in her original character sketches, and has also toured Europe for U.S.O. Camp Shows. She has been heard on the major radio networks, and had the honor of entertaining at the White House for the late President and Mrs. Roosevelt. During the summer she is director of the Buck Hill Players in the Pocono Mountain resort area.

## FUND CAMPAIGN MEETING AMERICAN RED CROSS

The 1949 fund-raising campaign of the Burlington County Chapter, American Red Cross, was launched at a dinner held Wednesday, February 16th, at the Manor House, Moorestown. It was attended by the chairmen of the various Red Cross Branches throughout the county as well as the fund campaign chairmen and vice chairmen from all parts of the county.

William H. Wells, of Bordentown, county chairman of the Red Cross drive, presided at the dinner-meeting.

Miss Alice Jones, of Mt. Holly, county Red Cross chairman, outlined plans for display of Red Cross materials throughout the county during the drive, which will be held during March, in accordance with a Presidential Proclamation.

The chairman for the campaign in Riverton is Mrs. James Barker with Mrs. F. William Thacher, Jr., as vice chairman. The local quota is \$4,500.

At a meeting held at the home of Mrs. Barker on Tuesday of this week and attended by captains and workers from Riverton and Cinnaminson, Mrs. Barker spoke of the splendid response of other years in this area and trusts that the same fine cooperation will be forthcoming this year.

## TOWN MEETING FORUM IS WELL ATTENDED

The auditorium of the Riverton Public School was filled to capacity on Tuesday night of this week for the forum conducted by the Riverton Town Meeting on the question of the recent bridge purchase by Burlington county.

Speaking in favor of the acquisition were former Freeholder Frank A. Snover; Freeholder Clarence O. Price; Howard R. Yocum and Daniel M. Lichtenhal, members of the Bridge Commission and Major General Clifford R. Powell.

Those commenting adversely on the purchase were State Senator James M. Davis, Jr., and Freeholder Henry S. Haines.

## CHRIST CHURCH NOW SPONSORS COMPLETE YOUTH PROGRAM

Christ Church, in Riverton, is very proud of the fact that it is now sponsoring the whole Scout family: this includes a Cub Pack, Scout Troop and a Senior Unit.

Up to the present time this is the only sponsoring institution in Burlington County supporting all three types of units.

They are Cub Pack 10, Scout Troop 50 and Explorer Post 50. All meet, at different times, in the Parish House of the Church.

Cubs are for boys 9 to 12 years old; Scouts for boys 12 to 15; the Explorer Post for young men of 15 and above. The Church now feels that it is offering a complete program to serve the boys and young men of the community.

While the Church sponsors these units, they are non-sectarian, open to all boys and young men; the Church doing this as a community service.

## CINNAMINSON HOME PATIENTS ENTERTAINED

Last Saturday evening Louis J. Appleton, of Moorestown, delighted the patients at Cinnaminson Home with a showing of his colored slides of Chile. The occasion was by way of being a birthday party for the patients born in February, and ice cream and cake were served.

The source of the cake is a story in itself. The Moorestown Branch of the Burlington County Chapter of the Red Cross had a number of cakes all ready to take to Tilton General Hospital at Fort Dix, but the hazards of driving in last week's storm prevented their delivery. So the Cinnaminson Home, being much closer at hand, received the cakes instead.

Valentine place cards for all the patients at the Home were made and given by the primary department of the Central Baptist Sunday School, Palmyra.

## SHOWELL HEADS RIVERTON BOARD OF EDUCATION

At the organization meeting of the Riverton Board of Education held on Monday night of this week Dewees F. Showell was reelected president. James M. Wright was elected vice president. He succeeds Mrs. Ruth Carhart, who was not a candidate for reelection to the board.

## Bridge Receipts Rise

Revenues from the Tacony-Palmyra and Burlington-Bristol bridges during January totaled \$92,515.37, an increase of \$20,927.62 or 29.23 percent over the same month of 1948.

This was disclosed last week by Fred C. Norcross, Jr., secretary-treasurer of the Burlington County Bridge Commission, which assumed operation of the two bridges October 23, 1948.

"This increase resulted," Norcross stated, "despite the Commission's reduction of tolls to 25 cents on both bridges. Prior to the Commission's acquisition of the spans, tolls were 30 cents on the Tacony-Palmyra bridge and 35 cents on the Burlington-Bristol span."

"During January," Norcross said, "traffic on the two spans increased 46.24 percent over the same period in 1948. This was an increase of 109,816 vehicles, or a total of 347,290 for the 31-day period, he added."

"A break-down of January figures," Norcross said, "shows that vehicles using the Palmyra-Tacony bridge increased 47.43 percent. This represents an increase of 94,759 vehicles, or a total of 294,561."

Revenues on the Palmyra span increased 28.55 percent. Norcross added, as \$78,393.30 was taken in during January, bettering by \$17,408.48 the gross receipts for the same month last year.

"On the Burlington-Bristol span," Norcross continued, "vehicular traffic during January was boosted 39.97 percent, of 15,057 over January, 1948. A total of 52,729 vehicles used the span last month. Revenue on the Burlington span increased 33.19 percent over the same period last year. This was an increase of \$3,519.14, or a total of \$14,122.07."

The bridge commissioner also disclosed that from October 23, 1948, to January 31, 1949, during the first 101 days under public ownership, the bridges showed revenues totaling \$315,853.27.

"This topped by \$27,275.96 or 9.45 percent the revenues for the corresponding period a year ago, when the bridges were privately-owned," Norcross added.

"A total of 1,166,075 automobiles, trucks and buses used the two spans during the 101 day period. This represented an increase of 214,843 vehicles or 22.59 percent."

The 101-day report is broken down as follows:

Tacony-Palmyra bridge: Revenues, \$267,239.19, an increase of \$21,331.27, or 8.67 percent; traffic, 986,028 vehicles, an increase of 185,040, or 23.1 percent.

Burlington-Bristol bridge: Revenues, \$48,614.08, an increase of \$5,944.69, or 13.93 percent; traffic, 180,047 vehicles, an increase of 29,803, or 19.84 percent.

"The Commission has accumulated funds of nearly \$750,000, including \$400,000 provided as working capital from the sale of bonds," Norcross said. "These funds are still impounded by an injunction obtained by Burlington County Freeholders Haines and Lippincott, who have taken legal action to have the two bridges removed from county ownership."

## SPECIAL ELECTION IN CINNAMINSON

Since the residents of Cinnaminson voted against all appropriation items needed for operation of the public schools at the regular election held last Tuesday, it is necessary to hold a special election to again present the question to the public.

The Board of Education has set the evening of Wednesday, February 23, as the date for this election. The polls will be open at 7 p.m. and remain open until 9 p.m. and as much longer as may be necessary to permit all the legal voters present to cast their ballots.

At said election there will be submitted the question of voting a special district tax for the following purposes:

Current expenses: \$64,288.00.  
Repairs and replacements: \$5,000.00.  
Manual training: \$1,575.00.  
The total amount thought to be necessary is \$70,863.00.

Members of the Board of Education point out that these items in no way constitute any unusual expenditures and are merely the sums required for the normal operation of the school. Without approval, the schools cannot continue in operation. They also point out that at the public hearing on the proposed budget held in January no one appeared to speak against the amounts as presented above. In view of this situation, it appears that the reason for the rejection last week was because a great many voters did not take the trouble to read the ballot before making their decision.

## LOCAL RED CROSS "KICK-OFF" MEETING

## McCROSSON SUFFERS FRACTURED ARM

W. Rex McCrosson, of Palmyra, who is superintendent of the State Soldiers' Home, in Vineland, suffered a badly fractured right arm on Monday night of this week and is a patient at West Jersey Hospital, Camden.

The accident occurred when Mr. McCrosson was run over by his own car as it started unexpectedly while being pushed a few feet by another machine, after the battery went dead, so that it would be at a proper position along the curb.

As the motor started McCrosson attempted to enter the machine but tripped on an obstruction and the car passed over his arm. The vehicle was halted as it ran into the base of the flagpole in front of the P.O.S. of A building.

The Magistrate, Cecil A. Bowers, whose offices are located on Route 25, Parry. The fee is \$1.25.

## MIDDLETON ENTERS RACE FOR FREEHOLDER NOMINATION

Calling for "a rededication of the Republican party to the people, not the politicians," John Middleton, of Lambertown, real estate and insurance broker, recently announced as an independent candidate for Burlington county freeholder.

Middleton, former vice chairman of the Burlington County Republican Committee and a Lambertown school board member, proposed:

Night sessions of the county governing body, so that farmers and businessmen could attend all important sessions of the board of freeholders.

Greater recognition for county committee men and women.  
A complete reshuffling of the Republican executive committee "to in-

fuse new blood and to weed out warring political elements, who have forgotten the interests of the taxpayers in their fight for power."

"The Republican party in Burlington county today is at its lowest ebb," Middleton said. "To win in November, we must revitalize it; clean it up and restore it to the people."

"Many of our so-called leaders have forgotten the people entirely. But the people did not forget them last November when the party suffered the greatest defeat, in the county, since 1889."

"One of the best safeguards we can put about the conduct of county business is to have the board of freeholders meet at night. Then farmers, businessmen and the average citizen can be on hand."

"Of course, the actual work of the

board must be done during daylight hours, but when the final blueprint for any important project is finished, as much of the public as possible is entitled to know what the draft is—and to be on hand to protest, if they do not like it. Night sessions offer this opportunity."

Middleton also proposed that only a member of the county committee should be eligible to become chairman of the committee.

"We have ignored the county committee man and woman too long," Middleton said. "All important party decisions are made by our so-called 'executive committee,' composed of officeholders and would-be officeholders. To win, we must get back to grassroots. We must have spokesmen for all the communities on our board of strategy, and they must be consulted."

Middleton, running as an independent Republican, was defeated in the party primary last year, but he polled more than 45 per cent of the total vote in his first bid for office.

Middleton was born in Moorestown, attended Moorestown Friends School, Bordentown Military Institute and Lafayette College. He is a broker with offices in Camden and Lambertown.

## CONGRESSMAN HOWELL REPORTS

My greatest problem at the moment is the very difficult one of apportioning my time properly between taking care of my extensive office duties, attendance at the very important hearings being held daily by my Committee on the proposed revisions of the Minimum Wage Act, and still keeping in touch with activities on the floor of the House.

We are at present considering a bill to raise the minimum wage to 75c per hour, with provision for appointment of industry committees to further raise it to not exceeding \$1.00 per hour in some industries, after conducting hearings at which Labor, Industry and the Public are represented.

The opposition to the increase to 75c is advanced by only a few and is probably rather certain of passage. The bill also greatly expands the area of coverage beyond those engaged in interstate commerce, and proposes to take in those engaged in activities affecting commerce, with certain exemptions designed to exclude modest size retail and service establishments.

It is this latter proposal against which most of the attacks are directed.

I think many of the Committee members sincerely question taking such action into such a broad and unexplored area, without fully weighing the implications and without hearing the views of all concerned. We are planning to continue our hearings long enough to hear all viewpoints and all segments of industry and labor who feel they may be affected.

Having been performing many of the duties of a Congressman since last November 3rd and having had very little time since early summer to devote to new insurance business, I was very glad to receive my first month's salary today.

Sermon: Passages from the King

James version of the Bible include:

"Give me understanding, and I

shall keep thy law: yea, I shall ob-

serve it with my whole heart. And

I will walk at liberty: for I seek thy

precepts." (Ps. 119:34,45)

Correlative passages from "Science

and Health with Key to the Scrip-

tures" by Mary Baker Eddy include:

"When the divine precepts are

understood, they unfold the founda-

tion of fellowship, in which one mind

is not at war with another, but all

have one Spirit, God, one intelligent

source, in accordance with the Scrip-

tural command: 'Let this Mind be in

## **PALMYRA STRING BAND**

The Palmyra String Band made its first personal appearance on any theatre stage last Wednesday, at the Broadway Theatre, Palmyra. The Band was well received and applauded by the audience.

A few of the Band members did some specialties, namely, the Heck Brothers, Al and Tom, doing a singing and yodeling duet with guitars; Tom Cium and his Hawaiian guitar, accompanied by Steve Horton, guitar; The Joy Boys, Benny, Steve and "Doc," doing a trio arrangement and "The Troubadors," Paul Otley and Charlie Fiechman in the accordion and guitar. Charlie Fiechman acted as master of ceremonies.

The Band announces that due to unforeseen difficulties, they will not be able to fill the previously announced engagement at the Tower Theatre in Camden. The four New Jersey String Bands were to do a series of concerts at the theatre, but must postpone them.

The Palmyra String Band extends thanks to all who turned out at the theatre and helped them to be a huge success last Wednesday evening.

## **ROTARIANS HEAR TALK ON EDISON**

William Dean, chief engineer of the I. T. Circuit Breaker Company, Philadelphia, formerly associated with Thomas Edison, was the guest speaker at the last meeting of the local Rotary Club.

Mr. Dean was introduced by Ralph Shue, an associate. Mr. Dean explained that February 11th is Edison's birthday. It was a considerable cause for having a discussion about Edison, "the man."

He explained his early connections with Mr. Edison and the number of experiences he had while associated with him. He pictured Mr. Edison as a big man with a large head, very human in his actions and to the contrary, very neat. One of his characteristics was that he had no use for social affairs and whenever possible, he would get out of attending any such functions. Mr. Edison was interested in all his employee's personal affairs, and loved good conversation.

All the members felt that after hearing this timely talk on Mr. Edison, they had a better insight into his life. The Sickens Committee reported that Albert Gilmore, Ray Bailey, and Herbert Parsons are coming along in fine shape.

## **LOCAL LEGION POST TO STAGE SHOW**

An unusual production will be staged by the Frederick M. Rodgers American Legion Post 156 on March 10 and 11, in the Palmyra High School auditorium for the benefit of the post building fund.

The post is planning to start construction of a post home at Broad and Park avenue, late in March pending on the weather.

All arrangements have been completed and rehearsals will start approximately two weeks prior to the production. A professional director will arrive to take charge of all the

details of this outstanding show. Scenarists, brilliant lighting effects, clever lines and dialogue will feature this headline production of "Laff It Off."

The local American Legion Post hopes to make this one of the most outstanding productions ever to be staged in the area.

This is a big newspaper revue in which headlines come to life as all local talent impersonate those behind the news. Famous celebrities of the newspaper world will be impersonated in this hilarious headline revue by local residents.

W. Harold Thorn, who heads a committee within the legion post arranging for the production says that the show has been highly recommended as it has met with outstanding success in several other South Jersey communities recently where it has been staged.

## **FRIENDS OF MUSIC CONCERT THIS FRIDAY**

The Palmyra High School Choir will present the third concert in the Friends of Music series on Friday, February 18, at 8:15 o'clock, in the high school auditorium. Guest artist of the evening will be Mrs. M. Marcel Haines playing two groups of solos on the new Hammond electric organ purchased by the school this fall.

Vocal solos will be presented by Lorraine Davis, mezzo-soprano. Betty Shipp, the accompanist for the Choir, will play the organ for the first group of three songs by the Choir.

Jane Erickson will join Betty Shipp at the piano for a four-hand piano accompaniment of the "Nutcracker Suite," and sung by the Choir.

The girls of the Choir will sing two numbers alone. The boys will also sing two selections.

For the last group of songs the girls will appear in their colorful evening gowns and boys without choir robes to sing "The Sleigh."

## **BASEBALL PLANS**

Plans for the best baseball season Palmyra has ever known are in full swing and progressing rapidly.

The team has definitely been accepted in the Pen-Dei League and although the schedule has not been completed it is expected that there will be home games every Sunday, all holidays and twilight ball every Wednesday.

The league has been enlarged to 16 teams divided into two divisions. An Eastern division of which Palmyra is a member and a Western division. The respective division winners will be in a play-off for the league championship.

Palmyra's team, with a few additions, be made up of the same boys that did such a grand job last year. The name of the team has been changed from Palmyra A. A. to Palmyra American Legion, but it is still under the exclusive management of "Jake" Gotta, assisted by Ed. Fricke.

Friends, we all know it takes money to organize and operate a good ball club. Good uniforms are expensive, balls and bats must be bought continually throughout the season. Umpires must be paid. An added expense this year, and we feel it is very essential, is insurance. Every player will be covered in case of injury while playing with the team.

As we said before this takes money. The business people of Palmyra, Riverton and Cinnaminson Township have responded nobly as usual. We feel there are many individuals who would like a share in the team. A brief canvass will be made of the homes so if someone calls on you, give what you can. If you are missed and you should see any of the following men just step up to them and say, "I'd like to be a contributing member of the Palmyra American Legion Baseball Team." They will give you a membership card for any donation, no matter how large or how small it may be.

So when you see Harold Thorn, Russel Musser, George Durgin, Bob Carhart, Danny Fowler, Charlie Vost, Tommy Schwenk, "Jake" Gotta, Ed Fricke or Russel DeHaven, give them your donation. So let us all, go all out for the Palmyra American Legion Baseball Team.

## **LOCAL LEGION POST TO STAGE SHOW**

An unusual production will be staged by the Frederick M. Rodgers American Legion Post 156 on March 10 and 11, in the Palmyra High School auditorium for the benefit of the post building fund.

The post is planning to start construction of a post home at Broad and Park avenue, late in March pending on the weather.

All arrangements have been completed and rehearsals will start approximately two weeks prior to the production. A professional director will arrive to take charge of all the

details of this outstanding show. Scenarists, brilliant lighting effects, clever lines and dialogue will feature this headline production of "Laff It Off."

The local American Legion Post hopes to make this one of the most outstanding productions ever to be staged in the area.

This is a big newspaper revue in which headlines come to life as all local talent impersonate those behind the news. Famous celebrities of the newspaper world will be impersonated in this hilarious headline revue by local residents.

W. Harold Thorn, who heads a committee within the legion post arranging for the production says that the show has been highly recommended as it has met with outstanding success in several other South Jersey communities recently where it has been staged.

## **FRIENDS OF MUSIC CONCERT THIS FRIDAY**

The Palmyra High School Choir will present the third concert in the Friends of Music series on Friday, February 18, at 8:15 o'clock, in the high school auditorium. Guest artist of the evening will be Mrs. M. Marcel Haines playing two groups of solos on the new Hammond electric organ purchased by the school this fall.

We gratefully acknowledge and thank all of our friends for their kind expressions of sympathy in cards, telegrams, flowers, cars, etc., during the illness and death of my husband.

Mrs. Howard F. Mansfield and daughter.

## **GEORGE A. WONFOR**

George A. Wonfor, 65, a commercial photographer in Camden for nearly 50 years, died Tuesday in West Jersey Hospital following a short illness.

His home was at 309 Cleveland avenue, Palmyra.

Surviving are his widow, Mrs. Ella Wonfor, of Palmyra, and a daughter, Miss Edith Wonfor, instructor in a Newark school for nurses.

Mr. Wonfor was stricken with a heart ailment last Thursday. His condition became worse Tuesday and he was taken to the hospital at 10 a.m. He died at 2 p.m.

Mr. Wonfor was a charter member of the Camden Rotary club; a past president of the New Jersey Portrait Photographic Association and a past president of the Philadelphia Portrait and Commercial Photographic Association. He was instrumental in the organization of the Palmyra-Riverton Rotary club.

Mr. Wonfor took over his father's business and operated it continuously until his death. During the period he photographed most of Camden's notables.

Funeral services will be held Friday at 2 p.m. Interment will be in Harleigh Cemetery.

## COUNTRY CLUB MEMBERS INVITED TO YACHT CLUB DANCE

Members of the Riverton Country Club and their friends have been invited to attend the Yacht Club dance to be held at the Country Club on Saturday, February 19. A joint dance for both clubs has frequently been proposed in the past and it has been suggested that this dance might be a forerunner of such an affair to follow later in the summer. The boards of governors of both clubs are currently considering a new proposal for a combined dance.

Pre-dance activity reached a disturbing climax on Wednesday evening when Mr. and Mrs. F. W. Tolan regretfully informed the Yacht Club board of directors that due to the pressure of other obligations they would have to withdraw as chair-couple for the Mid-Winter Frolic. The general entertainment committee has filled in the breach, however, and all plans are progressing nicely. A good crowd is expected and the general feeling seems to be that this will turn into an exceptionally good party.

MARCH IS RED  
CROSS MONTH

On Tuesday, March 1st, the annual fund raising campaign for the Red Cross will start. The Riverton-Cinnaminson area has a quota of \$4,500.00 and local captains and workers will call at each house in these communities. If you have already contributed, please display the Red Cross sticker in your window. If you are out, your collector will leave a hanger on your door and return later, so be ready and donate generously.

The expenses of the Red Cross still go on although war is over. What expenses? There are four paid Red Cross workers in Burlington county: an executive secretary, Mrs. Edith Hunt Bennett; secretary of home service, Miss Mildred Walton; and two assistants. All four of these workers are on call 24 hours a day and no charge is made for their services. All other work is voluntary.

Where else does your money go? The Home Service Department is the only contact between the service man and his family when he is in need of help. This department does a great deal of work with them and the veteran service men and their families, with all kinds of problems. In the Riverton-Cinnaminson area last year 24 families were assisted. There are 17 volunteers working in Burlington county, who took care of 857 families last year which averaged calls on three families a day.

Many families who had been burdened out of their homes were aided by the Red Cross.

Fort Dix is in the local area and Red Cross work still goes on there. There are many surgical cases still in the hospitals there who have been there up to five years. Three volunteer Gray Ladies go to Fort Dix from Riverton each week. There are 14 programs weekly at the Fort Dix recreational centers and 8 volunteer Red Cross workers from Burlington county are there each day till 9:00 p.m.

There are 24,000 to 29,000 troops at Fort Dix, many of them boys of 18 and 19 years of age. Their personal problems, moral, financial and physical, are helped by the Red Cross. A great many telephone and telegraph messages are received and sent by them for these boys and veteran service men.

Your past donations have helped in the recent western blizzard crisis. Within a year it is hoped that a blood donor center will be established in Burlington county. Pennsylvania is the nearest now. There is always a great need for blood plasma.

A Water Safety program, under the supervision of Mrs. Harold Gilpin, of Riverton, was extensively carried on during the last year. Instructions in swimming are open to all interested children in the Riverton-Cinnaminson area.

It takes money to keep all these programs functioning and the above are just some instances where you can help the Red Cross help the people in need.

Be ready to give and give generously.

THE NEW ERA, THURSDAY, FEBRUARY 24, 1949

BUILTING PERMITS  
MUST BE OBTAINED

William F. Kennard, building inspector in Cinnaminson Township, warns those who contemplate any construction work that a building permit MUST be obtained before a project is started. His office is located at Pennsauken street, Parry. Mr. Kennard also points out that construction of a Township Ordinance and that violations will be dealt with in the manner prescribed by law. This involves a summons to appear before the local magistrate and the imposition of a severe fine.

MORE TRAINS MAY  
BE TAKEN OFF

Local officials have been notified by the New Jersey Board of Public Utility Commissioners that the Pennsylvania Railroad has requested approval of the Board to discontinue five more trains on the Trenton-Camden Branch.

A hearing on the matter will be held by the Board in its rooms, Industrial Office Building, 1060 Broad street, Newark, on Thursday, March 10, at 11 a.m.

The trains which the railroad desires to abolish are as follows:  
No. 2566. Daily, except Saturday and Sunday from Camden to Burlington. This train arrives in Riverton at 3:35 p.m.

No. 2571. Daily, except Saturday and Sunday from Burlington to Camden. This train arrives in Riverton at 4:24 p.m.

No. 2582. Weekdays, from Camden to Trenton. This train leaves Camden at 10:41 p.m. and arrives in Riverton at 10:54 p.m.

No. 2560. Saturday only. Leaves Camden at 1:28 p.m., arrives in Riverton at 1:49 p.m.

No. 2569. Saturdays only from Trenton to Camden. Leaves Riverton at 1:04 p.m.

Several of these trains are the same ones which the railroad attempted to discontinue last year. There was such a storm of protests that the Utilities Commission refused to grant such permission.

It is expected that local municipalities will again object to any further inroads in the already meager train transportation afforded on the local line.

"ORGAN ANTICS"  
AT HIGH SCHOOL

"Organ Antics" is the name of the talent show which will be held in the Palmyra High School auditorium on March 4th and 5th.

The purpose of this affair is to raise money to pay for the organ which the school has recently purchased. All the different organizations of Palmyra High School will have a part in it.

MILTON BACON AT  
LOCAL WOMAN'S CLUB

Milton Bacon, famed story teller from WCBS will address the Evening Department of the Woman's Club at the annual Husband's Night program, Monday evening, February 28th, at 8:15, in the Club rooms.

Mr. Bacon, assistant to Arthur Hull Hayes, general manager of station WCBS has one of the most comprehensive and interesting collections of Americana ever assembled. A legend has grown around him that you could name almost any spot in the U. S. and Bacon can probably tell an unusual story about it. His subject will be "Watch Yourself Go By."

Mrs. James Davidson is in charge of the program and hostesses for the evening are: Mrs. Jack Oliver, chairman; Mrs. Harold Campbell, Mrs. Ethel Hoyt, Mrs. Morton Steineau, Mrs. Myron Gunn, Mrs. William Davis, Mrs. John Flannery and Mrs. James Maguire.

COUNTY CLERK  
CANDIDATE

Raymond Johnson

County Clerk Raymond Johnson recently announced he would be a candidate for reelection.

Johnson, who is completing his first term as Burlington county clerk, said he would campaign on a platform of "full time on the job."

He added he would file his petition for the Republican primary election on March 1st. He is the first candidate to announce for the clerkship.

STRING BAND  
WILL PARADE

The Palmyra String Band will participate in a St. Patrick's Day parade in Newark on Sunday, March 13. This will be the first time a string band has been included in any of Newark's celebrations. The parade is sponsored by the Terry Kelly Association of Newark.

The band will charter an extra bus to Newark, so that anyone wishing to go along may do so. Tickets will be on sale at Tony's Beauty Salon and will be \$1.75 a round trip. Bus will leave from Tony's at 9 a.m.

The New Jersey Mummer's Association is growing by leaps and bounds. It now has a group of eight string bands signed up, with prospects of more.

The Association wishes to announce that it is putting on a concert of String Bands on Review at Convention Hall, Camden, on Wednesday, March 23. Tickets will sell for \$1.20 and \$2.40. An entertaining evening is planned, so don't forget the date.

The Palmyra String Band is in the midst of its door to door campaign to raise funds for new summer uniforms.

Show will be placed on sale at Tony's Beauty Salon and the Palmyra Pharmacy.

## SPEAKS ABOUT LINCOLN

Abraham Lincoln was the subject of an interesting talk by John Camp, of Delanco, at the February 17th meeting of the Palmyra-Riverton Rotary Club. Mr. Camp has spent considerable time in the past years collecting information on the life of our Civil War President and presented the Club with a chain of incidents and quotations illustrating Lincoln's humor and humbleness of character that followed him from his first copy book through the highest office in the land.

Starting with a few humorous anecdotes, he developed his theme with illustrations of the Emancipator's common sense and quiet reserve and concluded on a serious note with a quotation from one of Lincoln's better known biographers.

The Executive Board of the Junior Woman's Club will have its monthly meeting, Monday, February 28, at the home of Mrs. Lawrence Scheff, 113 W. Charles street, Palmyra.

Tuesday, March 1  
Thursday, March 10

Statement by Riverton  
Board of Education

The following statement has been made by the Riverton Board of Education in respect to the petition of Franklin P. Liberty regarding the recent school election:

"It has been previously announced that The Riverton Board of Education has been served with a petition filed by Franklin P. Liberty, an unsuccessful candidate for membership on the Board at the last election held February 8th. The petition asks that the Commissioner of Education of this State set aside that election and alleges that Mr. Liberty was prejudiced by the fact that the candidates were not listed alphabetically on the ballot.

The members of the Board are as anxious as Mr. Liberty to see that there shall be no prejudice to him, but are equally anxious that there shall be no prejudice to the rights of anyone else.

"The Hon. Frank A. Mathews, Jr., whom the Board has retained as counsel in the matter, has been consulted, and after a conference with him two conclusions seem inevitable. The first is that no possible prejudice could have occurred to Mr. Liberty in having the election set aside the right of every voter who voted for the winning candidates will certainly be and clearly not only be prejudiced but actually violated.

"The successful candidates received 230, 224 and 201 votes respectively and Mr. Liberty 102 votes. If Mr. Liberty assumes that the voters of this Borough did not know for whom they were voting and did not care, then this is an unwarranted insult to their intelligence. And if their right to have as members of their Board of Education the people they selected by practically a 2 to 1 majority is not to be completely frustrated, this Board must defend the action brought by Mr. Liberty against it.

"The Board, therefore, intends to oppose this application to the Commissioner, not to defend or excuse its own technical slip, which it admits and regrets, but to prevent what it believes would be a wholly unnecessary and improper result of this minor error to the rights of the voters of Riverton, and an indictment of the intelligence of the voters of this School District."

ROTARIANS HEAR  
TALK ON LINCOLN

At the last Thursday dinner meeting of the Palmyra-Riverton Rotary Club, a very interesting discussion on "Lincoln, the man," was given by Hamilton R. Diston, vice president of the Wagner Taylor Insurance Company.

Mr. Diston has made a very thorough study of Mr. Lincoln, his life and the circumstances surrounding this great man and delivered in a very factual and interesting manner items of interest that are normally not known concerning Mr. Lincoln. This year marked 140 years since the birth of Abraham Lincoln, Sixteenth President of the United States. It is estimated that there are over 16,000 volumes written on Mr. Lincoln's life. The Club was very fortunate to have Mr. Diston present this discussion to them.

Neal Raver inducted Henry DeHoll and Walter Lamon, Jr., as new members into the Club. The Club extended to these men their warm fellowship.

PRICE FIVE CENTS

TO ACT AT  
PORCH CLUB

Cornelia Stabler, Riverton Porch Club member, will present "It's Curtain Time," a monologue sequence, Tuesday, March 1, at 2:30 p.m., at the Riverton Porch Club, following the regular business meeting at 2 p.m. Miss Stabler who is an actress, author and the director of a theatre group, has appeared widely throughout the United States in her original character sketches.

During the summer she is director of the Buck Hill Players in the Pocono Mountain resort area.

## ORATORY CONTEST

Five contestants will vie for top honors in the American Legion's twelfth annual oratorical contest to be held at Palmyra High School on Friday, February 25, at 10 a.m. The students are ready to deliver their orations on the Constitution before the entire student body.

The winner of the local contest will represent Palmyra High School in the Burlington county finals to be held at Florence High School on Thursday, March 10. Prizes will be awarded by the Burlington County American Legion Executive Committee and the Legion's county 40 and 8 organization to the winners.

The county contest winner will represent Burlington county in the District finals to be held at Hightstown High School early in March. The district in this area includes Burlington, Mercer, Ocean and Monmouth counties.

Miss Margaret Johnson, member of the PHS faculty is coaching the students in the preparations for the project with J. R. Musser, post Americanism chairman arranging the program through the cooperation of principal of the Palmyra Schools.

Local students and students in the county have continued on through participating in the various regional contests in the past twelve years. The Constitution of the United States was seen last year by millions of people aboard the Freedom train along with many other priceless democratic writings.

APPROPRIATIONS FOR  
CINNAMINSON SCHOOL  
ARE APPROVED

At a special election held on Wednesday night of this week, 61 voters in Cinnaminson Township approved the various school appropriation items. These were the same figures that were turned down by a large majority 15 days ago when they appeared on the same ballot as the proposed bond issue for a new school. Without the bond issue involved, the sentiment of the voters changed materially.

Current expenses: Yes, 61; No, 1.  
Repairs: Yes, 61; No, 1.  
Manual Training: Yes, 59; No, 2.

RIVERTON  
SCHOOL  
NOTES

This is the second in a series of articles dealing with the Riverton Public School and the education of the Riverton children as outlined by John R. Albinston, school principal. The relationship between home and school has always been and continues to be a major question relative to the growth and education of your child. It is an accepted fact that only by harmonious cooperation among parents, teachers, and pupils can a child be understood and given the full benefit of his education.

Through this cooperation he will realize the fine living concept of his relationship with his associates and the adult world which he will, someday, become an active vital part.

Concern of parents over the progress of their children in school should not be limited to the home bringing of report cards or to the letters, or phone calls from the school regarding behavior and discipline.

pline. Rather, constant interest should be shown by the parents. In many cases boys and girls are in the care of the school more hours per day than they are actually in the care of parents.

Because of this, the school is playing a most important role in the shaping of the child's personality, his habits and attitudes, and his general living. Parents should recognize this and assume the responsibility for showing interest in the child's daily school life. This can be done by taking the child's work as seriously as he does, by taking part in parent-teacher conferences, school and classroom visitation, inter-group forums, P.T.A., etc.

One point that many of us lose sight of is the fact that problems of children are very real to them. To the adult mind, many children's problems appear vague and of no great consequence, but to the child, these problems are vital and of great importance in their lives. Understanding of the child's problems as they bear upon his growth can lead to more security for the child both at home and in school.

We accept the fact that each child differs from his neighbor with regards to his school, home, and outside activities. With this in mind, we look upon each child as a separate personality worthy of individual attention within the limits of public school education. It is very gratifying to work with teachers who know children and are bringing out the best in them.

Finally, we feel that by close cooperation between home and school can a closer pattern be woven upon which to base the relationship of the teacher and the pupil.

DAVIS INVITES CITIZENS  
TO ROUND TABLE  
DISCUSSION

The following announcement was made this week by State Senator James M. Davis, Jr.:

"The law makers of our State are faced this year with a multitude of legislative problems. John B. Atkinson and I as your assemblyman and senator want to know the opinions of our fellow citizens on the problem."

"Accordingly we invite the public to a round table discussion to be held at 8:00 p.m., Monday, February 28, at the County Court House, Mt. Holly. Proposed laws covering a soldiers' bonus, civil rights, bingo, minimum teachers salaries and new construction at State institution will be discussed. We will welcome also an expression of opinion concerning other pending legislation. Every citizen is urged to attend."

## About Town

Charles Wayne Weart celebrated his first birthday on Sunday, February 20.

Among the guests present were his great grandparents, Ex-Mayor and Mrs. James T. Weart, and Mr. and Mrs. Eula L. Roach, of Palmyra; his grandparents, Mr. and Mrs. James M. Weart, of Palmyra, and Mr. and Mrs. Neal G. Compton, Calmer, Georgia; his great aunt, Mrs. Francis Wilkinson and his great uncle and aunt Mr. and Mrs. Robert Roach, of Merchantville.

Miss Beatrice Carhart, Lippincott avenue, Riverton, gave a miscellaneous shower recently at the Palmyra Women's Club, Palmyra, in honor of Mrs. Doris Jane Cook, daughter of Mr. and Mrs. Blandon G. Cook, Lippincott avenue, Riverton, whose marriage to Alfred DeVece, son of Mr. A. DeVece, Fifth street, Palmyra, will take place on Saturday, March 5, at 3:00 p.m., in the Sacred Heart Rectory.

On Thursday, February 17, Mrs. Thomas Murphy and Mrs. Howard Schuck, both of Riverton, tendered a surprise personal shower in honor of Miss Doris Jane Cook, of Riverton, whose marriage will take place in March.

The shower was held at the home of Mrs. Thomas Murphy, 414 Linden avenue.

Miss Cook was presented a corsage of white roses by the children of Mrs. Schuck and Mrs. Murphy.

Miss Anne Rohland of 208 Cinnaminson avenue, was tendered a luncheon on Thursday afternoon last by Mrs. James E. Banks at her home on Bridgeboro road, Moorestown.

Miss Rohland will leave Palmyra on Saturday for Washington, D. C., where she will take up her new residence.

The luncheon guests were: Mrs. Ardella Wallace, Mrs. Eleanor Green, Mrs. James Ryan, Mrs. Russell Guldin, Mrs. Franklin Riley, Mrs. C. W. Rudolph, Miss Adeline Seel, of Palmyra; Mrs. Rose Banks, of Pitman; Mrs. Walter Michell, of Riverton, and Miss Ginny Banks, of Moorestown.

Mrs. Elsie Hoover Graep and daughter, Carol Ann, of 918 Washington avenue, Palmyra, participated as accompanists in a program presented by The Matinee Musical Club of Philadelphia in celebration of its 55th Season on Tuesday afternoon in the Bellevue-Stratford Ball Room.

McCAY ANNOUNCES  
CANDIDACY FOR  
GENERAL ASSEMBLY

Former Assemblyman Albert McCay, of Palmyra, has announced as an independent Republican candidate for Assembly in the April primary.

I have been urged by many persons identified with educational, business, farm, labor and women's groups to run for office again this year," McCay said. "If I can be of service to the people of this county, I feel it is my duty to announce."

During four Assembly terms McCay served as chairman of the Constitutional Law Revision Committee, chairman of the Municipalities Committee and as a member of the Education Committee.

McCay's statement follows: "No party is stronger than its primary system. The strength of our

country as a whole is based on an open primary where the people are the ultimate judges of the ability and fitness of the candidates who carry the party banner.

"It is fundamentally right that the voters, and not factions or groups, make this final choice. I am running as an independent Republican; not as the candidate of my group or faction. I am running without any commitments, except to the people of Burlington county.

"For the past several weeks I have been approached by various members of educational groups, by businessmen, by labor and farm leaders, by municipal officials and by members of women's organizations. They asked that I announce for Assembly again this year.

"There were many personal and business reasons which caused me to hesitate. But today I feel that, as a citizen, I owe it to the people who urged me to run to become a candidate. I am confident that once we have chosen our standard-bearers, the Republican party will win in November. We have more to offer in ability, in experience and in governmental know-how."

shall be thinking of this subject, "Is our Church Surrendered to God, or to man?" and we shall be thinking in world-wide terms. As part of morning worship the Calvary Choir will render the anthem, "The Lord Is My Shepherd," by MacFarren. The Church Nursery will be conducted during the worship hour for the convenience of parents of small children.

Church School will convene Sunday morning at 9:45. Classes are available for each age group from Nursery up. The Men's Bible Class and the Semper Fidelis Class for ladies also meet at 9:45 a.m. You are cordially invited to come to Sunday School and remain for church. The Class for young communicants will meet at the Manse at four o'clock Sunday afternoon. One or two adults have expressed a desire to sit in on the lectures and discussion as auditors. You are welcome to attend if you so desire.

At 2:30 Sunday afternoon, the Stewardship Committee, District Captains and team members will meet in the Church School auditorium. This will be the final meeting in preparation for the Every Member Visitation to be held on the afternoon of Sunday, March 6, from 2 to 6 o'clock. It is of vital importance that all who have volunteered to make the visitation be present.

On Sunday evening the young people's groups will meet as follows: Junior Choir rehearsal at 6; Teen-Age Choir rehearsal at 6:30 in the

Sanctuary; Junior W. F. at 6:30, Intermediate W. F. at 7:15 and Senior W. F. in the Ladies' Parlor at 7:15. The Seniors will have a "workshop" to prepare for the visitation of the young people of the Moorestown Church.

The monthly stated meeting of Session will be held at the Manse on Tuesday evening, March 1, at 8 o'clock.

Also on Tuesday evening at 8 the Evening Group of the Women's Missionary Society will meet at the home of Mrs. Edward W. G. Borer on Main street, Riverton. The guest speaker will be Mrs. Ernest L. Evertsen, former president of Newark Presbyterial and present vice president of the New Jersey Synodical.

The Women's Missionary Society will meet on Wednesday afternoon at two o'clock at the Church. Mrs. Evertsen will be the guest speaker. Tea will be served. All the ladies of the church family are invited to attend.

The World Day of Prayer will be observed in our community on Friday, March 4, when a union service for women will be held in the Bethany Lutheran Church at 2:30. The ladies of all our Protestant churches are cooperating in the local observance of this day. Let us make a special effort to set this hour apart for prayer and worship in God's House.

### Luncheon Menu

Luncheon parties are fun for the hostess, if she plans her work well ahead of time. A half hour spent in planning may save an hour or more of confusion on the day of the party.

**Avocado Appetizer**  
3 avocado pears 1/2 cup mayonnaise  
2 tsp. lemon juice 1/4 cup Russian dressing  
1/2 cup diced celery  
1 cup flaked crab meat  
Cut fruit into halves lengthwise, remove seeds, peel and sprinkle cut portions with lemon juice. Combine celery, crab meat and mayonnaise, fill cavity. Serve on shredded lettuce with Russian dressing. Serves 6.

**Oven Fried Chicken**  
Clean a chicken weighing 4 1/2 to 5 lbs. and cut into thirteen pieces. Season each piece with salt and pepper and dip into beaten egg. Roll in fine buttered cracker crumbs or flour. Place on a greased rack in a shallow roaster at 375°F. and

broil on the surface. Remove from oven, cool slightly and fill with ice cream. Place cherries on vanilla ice cream. Serves 6.

**Broccoli Hollandaise**  
Stand bunch of broccoli in bottom part of a double boiler with two inches of salted water. Place top of double boiler over tips of broccoli and cook for 25 minutes. Serves 6.

**Hollandaise Sauce**  
1/2 cup butter 1/2 tsp. salt  
2 egg yolks Dash cayenne  
2 tsp. lemon juice  
Divide butter in three pieces. Put one piece in top of double boiler with lemon juice and egg yolks. Stir constantly. Add second piece of butter at the end of 5 minutes and stir until well blended. Remove from heat, add seasonings and third piece of butter. Pour over hot broccoli or serve separately.

Here we give you an outline of procedure: The day before the party, do these things: plan menu, select recipes, compile market order, shop, check silverware, linens, china and table decorations. Make hollandaise sauce and store in covered jar in refrigerator.

The day of the party, prepare avocado appetizer and store covered in the refrigerator. Prepare chicken and place in oven 1 1/2 hours before meal. Make sweet potatoes in orange cups, place in oven 20 minutes before meal. Prepare broccoli, celery and carrots. Set table and check food and service.

**Sweet Potatoes in Orange Cups**  
3 large seedless oranges 1 1/2 tsp. chopped nuts  
1 1/2 cups mashed 1 1/2 tsp. chopped sweet potatoes candied cherries  
1/4 cup sherry 1/2 tsp. salt  
flavoring 1/2 cup grated cheese  
Wash and halve oranges. Scoop out pulp and combine with potatoes, sherry, nuts, cherries and salt. Blend well and pile into orange cups. Sprinkle with grated cheese. Bake at 375°F. for 20 minutes or until cheese is melted and lightly browned. Serves 6.

**Meringue Glacé with Bing Cherries**  
1/2 tsp. salt 1/4 tsp. vanilla  
3 egg whites Vanilla ice cream  
6 tbsp. sugar 2 cups cooked or canned sweetened bing cherries  
Add salt to egg whites and beat until stiff. Add sugar gradually, beating thoroughly after each addition. Fold in sugar and confectioner's sugar. Add vanilla. Drop by spoonfuls on plain white paper, place on a baking sheet. Make a

circle on the surface. Remove from oven, cool slightly and fill with ice cream. Place cherries on vanilla ice cream. Serves 6.

Remove from oven, cool slightly and fill with ice cream. Place cherries on vanilla ice cream. Serves 6.

American Stores RINGS YOUR BELL—Our Radio Program Featuring GLADYS WEBSTER—Monday thru Friday, 10:15 A. M.—WCAU

## Light at Night?—Right!

Have you discovered the easy way to increase production in your hen house? It's so simple—just install lights and then sit back and watch the improvement in egg volume!

Lights can serve you in many other important ways on your farm—in your workshop, in the milk-house, in your farm yard—in fact, all over your farm and home.

Hire Reddy Kilcatt, your electric servant, to light your way to bigger farm profits.

roots." (Isa. 11:1)  
Sermon: Passages from the King  
James version of the Bible include:  
"This Jesus hath God raised up,  
whereof we all are witnesses. There-  
fore let all the house of Israel know  
assuredly, that God hath made that  
same Jesus, whom ye have crucified,  
both Lord and Christ." (Acts 2:32,  
36)

Correlative passages from "Science  
and Health with Key to the Scrip-  
tures" by Mary Baker Eddy include:  
"Truth will be to us 'the resurrec-  
tion and the life' only as it destroys  
all error and the belief that Mind,  
the only immortality of man, can be  
fettered by the body, and Life be  
controlled by death." (p. 292)

This Day of Prayer is observed  
all over the world on the first Fri-  
day in Lent. Millions of women in  
seventy different countries will kneel  
at the altar of God to pray. The  
litany of prayer to be used this year  
was prepared by three distinguished  
women in China. Dr. Doris Hsu,  
acting president of Hwa Nan Col-  
lege, Mrs. Henry Lin, president of  
the National Committee of the YW-  
CA in China, and Mrs. C. C. Chen,  
dean of women at Shanghai Chris-  
tian University.

All the women of the community  
are earnestly invited to participate  
in this local observance of a vast,  
world-wide program.

## ABOUT TOWN

Capt. and Mrs. Edward R. Durgin, U.S.A., of Providence, Rhode Island, visited Mrs. Frank L. Durgin, Leconey avenue, Palmyra, for a few days last week, while enroute to Washington where Capt. Durgin will be on temporary duty for a month.

Fred C. Langenberg, of Riverton, and his fraternity brother, John S. Montclair, of Nutley, N. J., attended the Lehigh-Navy wrestling meet in Annapolis, Maryland, last Saturday. They were the guests of Midshipman William H. Langenberg, who attends the Naval Academy.

Miss Nancy Short, a student at Moravian College for Women, Bethlehem, Pa., has returned to college after spending a mid-semester vacation with her parents, Mr. and Mrs. Harris Sacks, of Lippincott avenue, Riverton.

Mr. and Mrs. Charles Stewart, Elm Terrace, Riverton, have returned home from Florida, where Mr. Stewart was on a business trip.

On Sunday, February 20, the Chi-Sigma Delta Sorority, Zeta Chapter, gave a personal shower at the home of Miss Doris Michel in honor of Miss Isabelle A. Smith, daughter of Mr. and Mrs. D. O. Smith, of Trenton, formerly of Main street, Riverton, whose marriage to Milton L. Tees, Jr., son of Mr. and Mrs. Milton L. Tees, of Broad street, Palmyra, will take place on Saturday, March 12, at 2:00 p.m., in the Calvary Presbyterian Church, Riverton.

Royal T. Farrow, 403 Fourth street, Riverton, has been named on the dean's list at Dickinson College for high scholastic standing during the last semester. He is a graduate of Palmyra High School and is the son of Mr. and Mrs. Albert Farrow.

The Rutgers Alumni Association of Burlington County is sponsoring a benefit dance to establish a scholarship for a Burlington county boy or girl.

The affair will be held at Millside Farms, Riverside, on Saturday, April 23, from 9 to 2. Reece Haines, of Medford; Steve Bachaven, of Burlington; Paul Dobin, Moorestown, and Bill Davenport, Mt. Holly, are serving on the committee.

Friday, March 4th, 8 p.m.: Monthly Love Feast and Preparatory Service before Holy Communion.

Sunday, March 6th: Holy Communion will be served at both services.

**CENTRAL BAPTIST CHURCH**  
Fifth and Maple Avenue  
The Rev. S. Dan Morgan  
Pastor

Sunday, February 27, 10:00 a.m.: Sunday School. We have more scholars on our roll now than at any time in our history, but there is still room for more.

Morning Worship, 11:15 a.m.: The Pastor's sermon topic will be, "Your Part In God's Plan." The choir's anthem is to be "Saviour Breathe a Blessing," by Ambrose-Felton, with violin obligato by Miss Edna Bair. Miss Bair will also play a violin solo, "Ave Maria," by Bach-Gounod.

Evening Worship, 7:45 p.m.: The Pastor's message will be "Climbing With God." The choir will sing a selected anthem and Mrs. Russell Guldin and Mrs. William Swan will sing a duet.

Calendar for the week:  
Tuesday, March 1st, 8:00 p.m.: Meeting of the Sunday School Council. The officers of the Sunday

School are doing a bang-up job, and they deserve the cooperation of every member of the council. If you are a teacher or an officer of one of the organized classes, come out to this meeting and show them that you are backing them in their effort.

Wednesday, March 2nd, 8:00 p.m.: The Church at Prayer and Bible Study.

Thursday, March 3rd, 8:00 p.m.: Choir rehearsal.

TO ENJOY THE FINEST  
TELEPHONE SERVICE...

Give him a full MINUTE  
to get to the telephone

Everyone wants to answer the telephone promptly—but sometimes it just isn't possible. So, to avoid disappointment to yourself and the person you're calling, wait at least a minute, before you decide there's no one home.

● Hanging up too soon is the reason why more than 75,000 telephone calls are not completed every day, here in New Jersey. By waiting at least a full minute there would be no need, in many cases, to make another call.
