LIONS VARIETY SHOW THIS WEEK

Clever dance routines, hilarious skits, talented soloists, and many other novelties comprise the program of the Varieties of 1949 which will be presented by the Palmyra-Riverton Lions Club on Friday and Saturday of this week in the auditorium of Palmyra High School. The curtain will be at 8:15 on both nights.

The cast under the direction of Thomas Murphy, has been working for the past month on the production and the affair promises, he says, to surpass any local show presented during the past several years. Alexine Lowden Tomes, is Ballet Mistress and Choreographer and has arranged several unique dance numbers. Walter Pew, directs the orchestra.

The program will open with an overture by the orchestra, followed by a waltz clog number with a cast of six. Howard Schuck is the soloist. Then follows a skit entitled, "Salt and Battery," with such characters as Amos, Andy, etc., portrayed by Lions Club members.

Those in the cast include George Hansen as Andy; Harvey Fisher as Lightning; Harry Fluck as Van Porter; Woody MacCord as Gabby; Harry Steigelman as the Kingfish and Bert Marple as Amos.

The well-known Bristol Male Quartette and the Bristol Girls' Trio will render several selections.

Other features include "A Pretty Girl," dance number with a chorus of 10 with Mr. Murphy as the soloist; "Top Kick," a skit with a star-studded cast; a Ukelele Band and the grand finale, the Lions Gambol. The soloists for the various parts of this act include Anne Schuck, Betty Lou Lundstedt, Ruth Knepp, Don Makin, Kay Fritz and Ray Schill. Ed Walther is caller for the Square Dance. Jean Morrison is the pianist.

Those participating in the Square Dance are: George and Mildred Spence, Don Knepp and Sarah Bachtholomew, Chick Foulke and Evelyn Evald, Bob Muir and Eleanor MacCord, Jay and Ellen Chapman.

The "Pretty Girl" number is composed of Virginia Mathews and Fred DeVece, Irene Heisler and Tom Cahill, Chick and Doris Foulke, Russ Rivers and Leona Murphy, Jane DeVece and Howard Schuck.

Tickets for the production can be obtained at the following local stores: E. Beitz and Sons, McAllister's, Freddy's Shoe Service, Riverton Pastry Shop, Durgin's Men's Shop, Parker's Flower Shop and Ray Banks Barber Shop.

The seating capacity of the auditorium is limited, so an early purchase of tickets is advised by those in charge of the show.

Following the drills the prizes were awarded with the winners going to the front of the grandstand for a bow. The program was culminated with a splendid display of fireworks.

Palmyra High School's grid team won its second decision of the season last Saturday in the local stadium before a large crowd taking Merchantville over by a 20-0 score.

The locals journey to Moorestown next Saturday for the first of three games away. The only home engagement remaining is the Thanksgiving Day classic with Riverside.

JONSSON URGES STRAIGHT REPUBLICAN TICKET

Following a conference with county Republican candidates and members of the executive group of the Burlington County Committee, J. Arvid Jonsson, of Riverton, Republican County Committee Chairman, this week urged the election of a straight Republican ticket at the general election Tuesday, November 8.

Jonsson urged all Republican leaders in the various communities throughout the county to put on an active and intensive campaign for the election of Governor Alfred E. Driscoll, C. William Haines for assembly, Raymond Johnson for county clerk, Lewis M. Parker and John Middleton for freeholders, and Robert Smires for coronor.

ANTOINE HALL OPENS IN PALMYRA

The public is cordially invited to inspect Antoine Hall, Palmyra's newest and largest social hall, on Saturday evening of this week from 6 to 11 o'clock.

The building, which is located at the rear of 11-13 East Broad street, was constructed for Anthony D'Amato, who is the proprietor of the establishment. It is available for private and public affairs and has complete facilities for gatherings of all types.

The spacious interior is most attractive in knotty pine paneling, topped by upper walls of pastel green and a light grey ceiling. Indirect lighting provides soft but adequate illumination.

Facilities include an ultra smooth dance floor, stage, powder rooms and complete kitchen equipment.

Mr. D'Amato hopes that many local residents will visit his new establishment on Saturday evening.

RIVERTON POPULATION SURVEY TO START

The success of the Riverton Population Survey, which commences next Monday, seemed certain this week upon the announcement by Mrs. Carvel Sparks, chairman of the Riverton Planning Commission, that the area leaders had recruited over 50 volunteers to conduct the survey.

The survey is to be preceded by a joint meeting of all concerned this Friday at the Riverton Fire House at 10 a.m., when Morton Lustig, advisor to the Planning Commission from the Pennsylvania Institute of Local and State Government, will meet with the volunteers for the purpose of instruction on correct surveying procedure.

The survey has been planned to obtain accurate statistical data concerning the population of Riverton, to be used as a basis for further planning for the future of the community. The accuracy, and therefore the usefulness, of the information obtained depends entirely on those conducting the survey and the cooperation of the members of the community in supplying the necessary information.

Commencing Monday, the enumerators will begin a door to door canvass of all Riverton residents. It is anticipated that the survey will take several weeks to complete and November 21st has been set as the approximate completion date.

Those who have volunteered to take part in the survey are: Chairman, Russel M. Bigelow; Area leaders, Mrs. Joseph J. Joyce, Mrs. R. D. Wilner, Mrs. Huston D. Crippen, Mrs. F. W. Tolan.

Enumerators: Mrs. Edward Faunce, Mrs. Theodore Frey, Mrs. John Goodwin, Mrs. Joseph Burns, Mrs. C. Reed Kurtz, Mrs. F. E. Rudman, Mrs. F. W. Thacher, Jr., Mrs. S. R. Coale, Mrs. R. R. Hull, Mrs. J. H. Barker, Mrs. E. C. Dyer, Mrs. G. B. King, Jr.

Mrs. J. O. Cannon, Mrs. J. G. Crowell, Mrs. T. Bruce Dickson.

GENERAL ELECTION NEXT TUESDAY

A large vote is expected locally at the General Election on Tuesday of next week when the polls in the 11 districts which comprise Palmyra, Riverton and Cinnaminson will be open from 7 a.m. to 8 p.m.

The Republican slate is headed by Governor Alfred E. Driscoll, candidate for reelection. His opponent is State Senator Elmer H. Wene. The GOP organization in this section has been hard at work to turn out a substantial lead for the Governor in Burlington county.

The county Republican ticket is headed by C. William Haines, for Assembly; John Middleton, of Lumberton and Lewis M. Parker, of Bordentown, Freeholder candidates; Raymond Johnson, of Riverside, incumbent, for County Clerk, and Robert C. Smires, of Mt. Holly, for Coroner.

The Democrats are countering with John B. Atkinson, for Assembly; Joseph F. Clauss and Franklin L. Tallman, for Freeholders and John H. Mustard, of Riverton, for County Clerk. Dr. Kenneth L. Shaver is the Coroner candidate.

With the memory of last year's debacle still fresh, the Republicans are making an all-out effort to elect the entire slate realizing that the election of only one Democratic Freeholder will cost the GOP control of the county board.

The local situation offers little in the way of contests. Only in Cinnaminson do the Democrats have a candidate. In that community Evan W. Stover, Republican aspirant for member of the Township Committee is opposed by John J. Munera, Leslie W. Reeves, Republican, is unopposed for reelection to the Assessor post.

In Riverton, all Republicans are unopposed. The candidates are: S. Robinson Coale, for Mayor; George T. Becton and David F. Gould, members of Borough Council; Russel M. Bigelow, Assessor. All are incumbents, with the exception of Mr. Gould, who was a member of the governing body several years ago.

Palmyra's Republican candidates, all of whom are running for reelection without opposition are Charles V. Dickinson, Mayor; Paul Heisler and Joseph L. Stack, members of Borough Council.

In addition to voting for the various candidates, those who go to the polls will have the opportunity of rendering their decision on several State questions which include proposed bond issues for state hospitals and welfare institutions, housing projects and a veterans' bonus to be financed by a gross receipts tax on business establishments throughout the State.

The latter proposition, which does not have the whole-hearted support of veterans is being strenuously opposed by business groups as well as many citizen's organizations.

BUILDING OPERATIONS IN CINNAMINSON

At the meeting of the Cinnaminson Township Committee held on Tuesday night of this week the building inspector, Norman Hathaway reported 11 permits had been issued during the past month. The total amount of the work involved is \$30,562.

Projects include three new dwellings and four cabins.

Mrs. J. Carl Mann, Mrs. Donald McBrien, Mrs. George T. Becton, Mrs. Rodman Zwerner, Mrs. Victor Ritschard, Mrs. John Owens, Mrs. Joseph Buerger, Mrs. Francis Littlefield.

Mrs. Richard Lippincott, Mrs. Walter Guertler, Mrs. J. E. Davis, Jr., Mrs. A. G. Dennison, Mrs. W. H. Nizart, Mrs. T. Richard Moore, Mrs. George Walsh, Mrs. J. G. Albertson, Mrs. W. J. Steen, Mrs. E. C. Cottrell, Mrs. P. A. Musso, Mrs. W. G. Watkins.

MAX CARR OFFERS PROGRAM ON PIANO

Max Carr, American pianist who heads the piano department at Trinity University, San Antonio, Texas, gave his first New York recital on Saturday afternoon of last week at Town Hall. He proved a young man of musical and individual gifts.

Pictorial imagination and sense of the poetic atmosphere of small pieces are perhaps his most distinguishing

gifts, the ones he has to a higher degree than most. But he also has an essentially musical nature, a clear understanding of composition and delicate tonal sensibility.

Added to these, he has a well-developed technique, deft, sure fingers, the ability to hold an audience and the confidence to play in an untroubled manner of his own choosing. The result was some intimate and sensitively variegated music making, without the usual tension and pyrotechnics of a debut.

In Griffes' "The White Peacock," the three Scarlatti Sonatas and Debussy's "The Goldfish" though, one was aware of poetic artistry and real imagination. And he did very well by the two attractive pieces that he introduced: Nocturne by his former teacher at Miami University, Joseph W. Clokey and "Con Spirito" by Ludmila Ulehla who was in the house to acknowledge the applause.

Those who attended from Riverton were: Miss Alice Herr, Mrs. John C. Voss and guests; Mr. and Mrs. Charles Yost, Miss Alice S. Heister, and Mrs. Roy Heister.

Former Rivertonians present included Miss Margaret Bradshaw, Mr. Edmund S. Holmes, Mr. and Mrs. Edward Morris Jones, Mr. and Mrs. Charles Sims, and Mrs. Edward C. Steinsieck and guests.

AMERICAN BANKING IN ACTION.

MORE OF LIFE'S GOOD THINGS

Americans own more radios, more television sets, more washing machines, ironers, refrigerators — than the people of any other nation. Why? Because our American enterprise system is based on the productive teamwork of workers and management, business and banks. In some countries these comforts can't be had by many people at any price. In America, bank loans help many people to get things they want. If you wish to borrow to buy some of the better things of life, see us about a low-cost loan.

THE PEOPLE'S COLUMN

October 25, 1949

To the Voters:

I have been very concerned with the great amount of agitation in the past year pertaining to a bonus for Veterans. This agitation has materialized to the point that at the election next Tuesday the question will be put to the public. As a veteran who served overseas in this past war, I want to urge that EVERYBODY VOTE AGAINST A BONUS.

This decision is not merely a prejudice but is based on sound practical reasoning, on a careful review of the proposed bonus program, an admission of several economists and businessmen with whom I have had the opportunity to discuss it, and because it is distasteful to me to look to the public for a 'handout'. Most of all my opinion is in accordance with that of many many veterans with whom I have talked.

Why is a bonus wrong? In the first place, it is an added burden to a country who has already done more than any other country to fit the veteran back into civilian life. The programs which were established and are still in operation were necessary and are doing the job well. They represent much that is just backward to see that those who wanted to benefit from the programs would not be left out.

In the second place, even if a bonus is justified — now is not the time and the method proposed to finance the bonus in New Jersey, a gross receipts tax, is not the method. Rather than grab for more money, the veteran as well as the public should first turn his interest to a constructive program for cutting down state debt and unjustified taxes. This is no time to add further debt. The veteran is going to pay his bonus right back in taxes — be they direct or indirect.

The gross receipts tax is an unfair way of financing a bonus. It means that the businessman must pay, whether he can afford to or not, from the total amount of money his business brings in. It means that the businessman must either absorb the tax or pass it on to the consumer in increased prices — and isn't he justified in doing so with costs of production (including taxes) as high as they are now?

Finally, I object to the bonus because all veterans affairs have become political footballs. I feel for the politician that is in the position of choosing between votes and honesty — but I could more readily follow him if he would face it frankly. I strongly condemn the American Legion and other veteran organizations which have pressure our State and Federal governments into these 'handouts'. Politicians are even willing to saddle the American public with costly pension plans rather than permit the social security program and private pension programs adjust to absorb all those willing to work for a living.

'Handouts' must stop! A country which has so abundantly furnished us with the better things of life, doesn't owe a man a living for doing what is expected of him at a time of need. Vote against the proposed bonus!

Respectfully,
Peter O. Sykora.

SCOUT TROOP 50 BEING REORGANIZED

Plans for the reorganization of the Riverton Troop 50, of the Burlington County Council, Boy Scouts of America, have been completed for the special meeting to be held this Friday evening in the Parish House of Christ Church, at 8 o'clock. In connection with this meeting, a letter of invitation has been sent to every boy eligible for membership in the Troop, inviting him and his parents to be present at this meeting to help plan a Troop which will be able to do all of the things Scouts can do and do them right.

The committee hopes to be able to introduce to the meeting the new Scoutmaster who has been invited to head up this Troop, but due to other business, there is a remote chance that he will not be able to attend.

If any local boy has been overlooked by the committee in sending out the invitations, the committee wants to take this opportunity of expressing its regrets over the omission and to invite him and his parents to attend the meeting just the same.

ANTI-TRUST SUIT
TERMED A THREAT
TO A & P EMPLOYEES

The current anti-trust action against The Great Atlantic and Pacific Tea Co. is a threat to the security of employees and to the living standards of consumers. John A. Hartford, company chairman, said today in a personal letter to the firm's 110,000 workers.

Pointing out that A & P "has

never tried to get a monopoly, destroy competition or restrain trade," Mr. Hartford said that the company's only objective was "to make our operations as efficient as possible so that we can give the people the most good food for their money."

"This attack," the letter said, "is a serious threat to our company which you have all worked so hard and loyally to build. As such we must also admit that it is also a threat to your job and your future."

Since 1917 A & P has been managed by Mr. Hartford and his brother, George L. Hartford. The company was started in 1859 by their father who opened the first store in downtown Manhattan. The firm rose to leadership in the nation's retail food business by selling quality food at low prices.

The anti-trust action filed in New York last month asks the court to order A & P to get rid of most of its stores and its manufacturing facilities.

Mr. Hartford referred to the suit as "particularly distressing to my brother George and me for we have made every effort to insure the security of all company employees. I mean security, not just in terms of having you feel safe in your job, but by developing the pension program with which you're familiar; and by setting up the training program to help each employee fit himself for a better job. And now comes this attack which, if successful, will wipe

out all these gains.

"Fortunately, over the years our policy of fair, honest dealing has won us the friendship of millions of consumers and thousands of suppliers. We do not believe that the American people will stand by and see this company, which has done more perhaps than any other to lower living costs and rising living standards, destroyed."

THIRD PANEL DISCUSSION
HELD AT EPWORTH CHURCH

The third of a series of eight panel discussions sponsored by the Epworth Adult Fellowship, will be held next Sunday, November 13 at 8:00 p.m., in the Wesleyan Room of the church. The postponement of this meeting is due to the Community Union Service on November 6, at Christ Episcopal Church, Riverton, which is sponsored by the local Ministerial Association.

The topic to be discussed at the November 13th forum is "Belief in God." Dr. Clinton Cherry, of Ardmore, and a professor of theology at Temple University, will be moderator.

The meetings in the past have been well attended and an interesting discussion has ensued. Anyone interested in these topics will find a cordial welcome.

The Family Next Door...

By Post Day

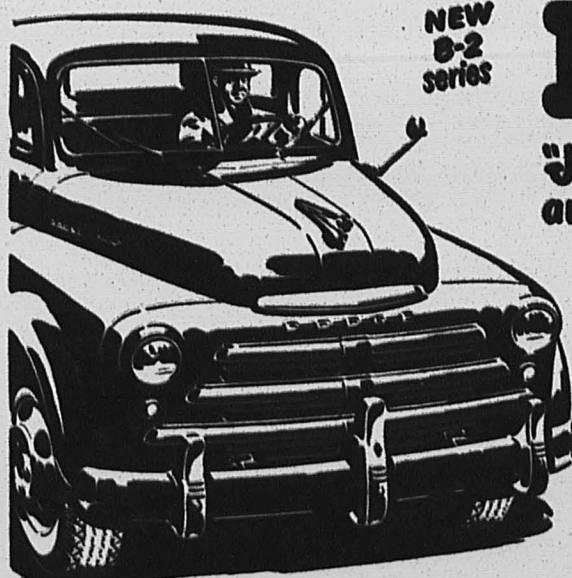

"I'll phone your office you won't be in"

In life's minor emergencies there's hardly a day passes that the telephone isn't "worth its weight in gold" to the Family Next Door. Its value is constantly increasing, too. In New Jersey alone, you can call—or be called from—an additional 285,000 residence and business tel-

phones which have been installed in the past three years.
To keep telephone service at its best, there are more than 22,000 telephone men and women at work in the New Jersey Bell organization. Most of them are local people, living in the communities they serve. Many of them are neighbors you already know—because of their interest in community activities.

RIVERTON
SCHOOL
NOTES

We welcome Mrs. Elizabeth Abbott to the faculty of the Riverton School in the capacity of second grade teacher. Mrs. Abbott comes to us from Burlington Township where she recently taught first and second grades. She replaces Mrs. Bernice M. Bromberg from second grade who resigned, effective October 28th, to rejoin her husband in Louisiana with the army. Mrs. Abbott is well recommended and we feel that she will be an asset to the faculty.

Halloween came to the school in all its glory and was celebrated by various classes. Of special interest were the kindergarten parade through the classrooms with all the children in costume and the first grade party where the mothers came completely costumed as well as the children. The spirit of Halloween prevailed throughout the school and was enjoyed by everyone. We want to thank the parents who gave of their time and effort to make the various classroom parties a success.

STATEMENT BY HAINES

Stressing the "urgent importance of understanding between labor and management," C. William Haines, Republican candidate for election to the State Assembly at the November 8 election, today issued a statement calling for "patience, intelligence and goodwill on the part of both sides in the equitable settlement of labor-management differences."

"As the election draws near I think the people of Burlington County are entitled to know my stand on the issue of labor-management relations," Haines said today.

"My whole philosophy, stated simply, is this: I believe that both management and labor have a real stake in the successful adjustment of differences that exist between them. It is certainly to the advantage of both that amicable and fair results be achieved in all negotiations. Neither side is independent of the other. Both are concerned that our economy operate harmoniously, efficiently and effectively — to the mutual advantage of both," Haines continued.

"My stand, when I am a member of the New Jersey Legislature, will

be to study both sides and to be fair to both sides because I realize that both sides have a real concern in the just settlement of any differences," he concluded.

COUNTRY CLUB FAIR

As the day of December 3 draws nearer, more and more excitement is being generated as more exciting plans are being made for the unusual Riverton Country Fair to be held at the local country club.

Mrs. Carvel Sparks has located an old fashioned medicine man, patent medicines and all. Though guarantees have not been made as to what this unusual fellow can cure, it is certain that he will be able to dispel gloom.

Original handiwork and artwork articles now being made include a large selection of lovely aprons and original potholders so appropriate for Christmas giving.

Favorite recipes for cookies, candy and cakes are being sorted out as one of the gay booths will be devoted to these culinary delicacies.

Homespun humor as well as gifts and games will all be a part of this holiday event. Decorations will all express the spirit of congeniality for which Riverton is so famous.

Other original gifts being made by hand include knitted wear and needlework articles.

A number of local merchants are also in the country fair spirit and will display articles in exciting booths.

In the meantime, the committee urges women who have not already contributed or offered their services for the success of the fair to contact Mrs. James P. Barker or Mrs. Carvel Sparks.

Publicity.

ELECTION RESULTS

About 80 per cent of the registered voters in the 11 local election districts went to the polls on Tuesday and reversed the trend of a year ago by piling up a substantial Republican majority. This was evidenced in a striking manner in Riverton, when Governor Alfred E. Driscoll polled a total of 802 as compared with 380 for his Democratic opponent, Senator Elmer Wene.

Cinnaminson's third district, however, went 152 to 81 in favor of Wene and in Palmyra the fifth district went for the Democrat.

In Riverton the local Republican ticket was elected without opposition with Ralph Taylor, collector-treasurer candidate leading the slate with 969. Others elected were Mayor S. Robinson Coale, George T. Bector and David F. Gould, members of Borough Council and Russell M. Bigelow, assessor.

Evans W. Stover, Republican, defeated John J. Munera for member of the Township Committee in Cinnaminson. Leslie W. Reeves, Republican, was elected assessor without opposition.

Palmyra's Mayor Charles V. Dickinson, Republican, was reelected as were Councilmen Joseph L. Stack and Paul Heisler. Charles K. Merivine was reelected assessor. Heisler was high man on the ticket with 1655.

The veterans' bonus question and the housing bond issue were defeated, while the bond issue for institutions received more favorable action.

RECEPTION FOR NEW

CHRIST CHURCH RECTOR

Next Wednesday evening, November 16, will mark another milestone in the long history of Christ Church, Riverton, when the Rev. Quentin E. Ferguson will be formally instituted as the rector of the church, following which a reception will be given for Mr. and Mrs. Ferguson in the Parish House.

Invitations to the services and reception have been sent to all of the local clergymen and the heads of all local organizations, including the Mayor and Council of Riverton, the School Board, the president of the Country Club, the commodore of the Yacht Club and all other organizations.

The service will be conducted by the Right Reverend Alfred L. Banyard, Suffragan Bishop of New Jersey who will also preach the sermon. All members of the parish and its friends and neighbors are cordially invited to attend either or both the service and the reception. The service will start at 8 p.m., and the reception will begin an hour later.

On Sunday, November 20, the people of the parish are invited to take part in the Evergreens Harvest Home Day by making donations of canned and packaged foods to be given to the Evergreens as a Thanksgiving Day remembrance from Riverton to the old people of the home.

Both the Rector and officers of the church want to express their very deep appreciation to the local Ministerium and all of the friends of the church whose attendance at Evensong last Sunday helped to make the service such a success.

LUNCHEON TUESDAY

The Sacred Heart PTA will have a covered dish luncheon at 1 o'clock on Tuesday, November 15 in the church basement. Mrs. Shea and her refreshment committee will be in charge. Tickets are 35 cents. The House of Stuart will give a cosmetic demonstration and a turkey dinner will be chanced off.

JUVENILE BOOK DISPLAY

Next week watch for the titles of new juvenile books which will be on display at the Riverton Free Library during book week, November 14-19. The public is cordially invited to look these books over at the library although they will not be in circulation until the following week.

LOCAL RED CROSS
OFFICERS FOR 1949-50

At the annual meeting of the Riverton-Cinnaminson Branch of the Red Cross, held Tuesday, November 8, at the Riverton Porch Club the following officers were elected for the year 1949-50: Mrs. Bennett Bowler, chairman; Mrs. Earl A. Shrad-er, first vice chairman; Mrs. Thomas A. Cashion, second vice chairman; Mrs. John J. Owens, treasurer; and Mrs. Frederick W. Metzger, secretary.

The Porch Club

One of the most interesting cultural events of the fall season will be presented by the Art Department of the Porch Club of Riverton, on Tuesday, November 15, at 2:30 p.m., when Mrs. Anna T. Achenbach will talk on the subject, "A Painter Looks at Europe."

Mrs. Achenbach, an outstanding local artist, who resides in Haddonfield, has spent the last six months traveling in Europe where she visited Spain, Italy, France and a number of other art centers. Mrs. Achenbach traveled on a Cresson Scholarship which was awarded to her by Moore Institute.

Mrs. Achenbach is a graduate of the Academy of Fine Arts of Philadelphia where she won the first Tappan Prize from the Academy. Other achievements of this fine artist include a degree as Bachelor of Fine Arts from the Moore Institute.

Under the chairmanship of Mrs. F. C. Collins, the art department of the Porch Club has not only arranged for this fine program but has already initiated a class in art crafts which is being held every Tuesday evening at the Porch Club under the direction of Mrs. Ragnhild Hanquist of Edgewater Park. This class is being enthusiastically attended by 15 members of the Porch Club who are at present working on stencil cut outs or fabrics.

WILL YOU BE A
BLOOD DONOR?

The Blood Donor Mobile Unit from Philadelphia, will be in Palmyra on January 17, at the Baptist Church. That date seems far away, but if you are thinking of donating in the near future, postpone it until that date so that Palmyra, Riverton and Cinnaminson may get their quota of 100 pints. Why? By obtaining this quota YOU will benefit. IF the quota or more is reached in this locality ANYONE in the three communities may receive a blood transfusion free except for laboratory fees. To make an appointment call Mrs. Clarence Hubbs, Riverton 9-0065, blood donor chairman for Palmyra, or Mrs. Richard Moore, man for Riverton-Cinnaminson, do it now. All people between the ages of 18 and 59 are urged to heed this life giving plea for blood donors.

something, that they can give as well as receive. It is interesting to note that the National Conference of Social Workers this year for the first time in its history stressed the important contribution religion can make in this field. It stressed also ways of helping children develop emotional and spiritual qualities so important to their happiness and responsible citizenship.

"Our statistics show that the 20 families mentioned above comprise 68 children and 35 adults; 17 other families comprising 40 children and 28 adults we also visited and interviewed during the past year. Social and recreation problems, trouble in school, mental difficulties, and the problems of our older population claimed much of our time and thought. This year saw an increase

in office visits. The total number of interviews, letters, meetings, etc., for the year was 2,610. Three widows not yet eligible for Old Age Assistance are receiving regular financial help from us. Eight others, most of whom have no families — an ex-prisoner, a state ward, and five elderly persons came in to talk over their problems. The total number of persons seen in these families was 115 children and 67 adults, a total of 182 individuals.

"The Needlework Guild has again been most generous in its contribution of \$25 for shoes and approximately 150 articles of clothing including a number of beautiful hand-knit sweaters. These articles have been badly needed and we believe carefully used. We value greatly the gifts and kindness of this fine group. Our friends of the Porch Club, through a rummage sale netting \$47.36, generously turned this money

over to us for Christmas. It was most welcome for with it we were able to buy many Christmas gifts including candy, clothing and shoes.

"Thanks to members of the Family Service Council Board, many of whom helped us financially, our Christmas planning and giving was the best ever. Mrs. Woolman, Mrs. Phillips and Mrs. Robbins, the Christmas committee, gave generously of time and money. We gave money to the East End Community Center to be used as they wished — either for a Christmas party or to help some of their elderly people. We also appreciate very much the helpfulness of our friends in Riverton and Cinnaminson. Two groups of Girl Scouts in Riverton supplied gifts for children. One man in Palmyra generously offered to mend toys. Gifts also from church classes, a girls' sorority, baskets from the Evening Section of the Palmyra Woman's Club, candy filled stockings from the Westfield Friends First Day School, helped brighten the season for 80 friends and neighbors. Our work in distributing these gifts was eased by the fine help of three Explorer Scouts.

"I should like again to express my appreciation of the work of Mrs. Durgin, our office secretary. Prompt and accurate in office finances, helpful and wise with our clients, her work is invaluable. Mrs. Cannon, Mrs. Robbins and she have most ably handled the Clothes Closet during the past 12 months. My thanks to them all.

"We have worked closely with the schools and the Mental Hygiene Clinic to help solve difficult problems, with the Visiting Nurses and doctors on problems of health, and with ministers and other community friends as the need arose. Two children were sent to camp this summer. We helped an elderly lady find a home, and assisted a critically ill elderly man to enter a sanatorium. We spoke at Christmas time to the Westfield Friends First Day School and to the Brownie Scouts in the Riverton School. Working with the local magistrate, we have secured information to help him force deserting husbands to support their children.

"Unsolvable individual, as well as community, problems remain. More adequate housing, more extensive services for mental and physical health, problems of recreational and vocational training, a more varied and complete program for meeting the needs of the aged and chronically ill — these are only a few of the needs which we are constantly meeting. We appreciate the sympathetic help of the Board, and aim to be flexible in our program, as well as alert and sensitive to the needs of the community."

AMERICAN BANKING IN ACTION.

MORE OF LIFE'S GOOD THINGS

Americans own more radios, more television sets, more washing machines, ironers, refrigerators — than the people of any other nation. Why? Because our American enterprise system is based on the productive teamwork of workers and management, business and banks. In some countries these comforts can't be had by many people at any price. In America, bank loans help many people to get things they want. If you wish to borrow to buy some of the better things of life, see us about a low-cost loan.

PALMYRA LOSES IN FINAL ROUND

Palmyra scored a touchdown in the second period of the game with Moorestown last Saturday afternoon on the latter's field and led up to the final period. In that quarter however the Quakers rallied and pushed over a pair of six-pointers to win a 12-6 decision.

The losers completely dominated the first half and threatened on several occasions but lacked the necessary punch to roll up a score. This Saturday the locals trek to Sales where a tough assignment appears in the offing. The Red and White's next opponents lost by one touchdown last Saturday to the unbeaten Ocean City eleven.

Isn't America A Wonderful Country!

All over the world today there are people teaching bitterness and hate.

Here in America we have learned to live together in friendship. For us here at A&P, it has been a wonderful and thrilling experience to get from those with whom we compete day after day such astounding evidence of friendship and respect.

The things that have happened since the anti-trust lawyers from Washington brought suit to destroy A&P have amazed us.

While we sincerely believed that we had earned the friendship of millions of consumers for whom we have provided better food at lower prices, and the friendship of millions of farm families for whom we have provided a better market for their produce, we were not prepared for the avalanche of offers of support.

But most of all, we have to confess that we had underestimated

the fine sportsmanship of many of our competitors all over the country.

Can anyone believe that these competitors would rush to our defense if, as the anti-trust lawyers allege, we had been trying to put them out of business?

We and they have fought hard for business.

There are nearly 350,000 individual grocers competing with us. They have a larger share of the nation's grocery business today than they had ten years ago or twenty years ago.

Many of them do as good a job as we do, and they make it plenty tough for us.

Now, day after day, these same competitors are letting us know that they are in our corner.

All we can say is, thank you from the bottom of our hearts.

Isn't America A Wonderful Country!

Who hollered for Uncle?

Who wants him to break up A&P?
COULD IT BE INDEPENDENT GROCERS?
Don't seem like it. In ten years America's independent grocers have almost tripled their business. In 1938 there were 350,000 independent grocers. Today there are nearly 600,000.

Year the independent storekeepers handled over 15 billion dollars worth of food. **WHOLESALE GROCERS?** Hardly. For many of them are directly or indirectly engaged in or supporting some form of voluntary or cooperative chain to match chain economies.

THE EMPLOYEES? That would be funny—except that some folks probably believe it. Actually, less than 25 years ago many food chain stores could have paid all expenses—rent, heat, light, wages, etc.—out of the money a store manager alone gets paid now. And the store manager of 25 years ago would have been happy to get what a clerk gets today.

PRODUCERS? Well, take farmers. Certainly part of their prosperity must be attributed to the markets that big chains create for them. The big chains buy the entire pack of many farm products. They can pack the farmers' crops and get them to market more efficiently than the farmer could. What would the farmer do with his surplus crop if the food chains were eliminated as big volume buyers?

COMPETING CHAINS, MAYBE? No. Practically every chain in the grocery business has been in existence 10 years or more. One chain that we know a year than the year the independent storekeepers were doing their food business 21% last year. And it is up 19% in the first eight months of this year.

THEN IT CERTAINLY MUST BE THE PEOPLE! Like fun. If the people had no food chain stores, would they have had the billions of dollars in them last year? They have the low prices and high standards of chains—and the better the chains are run, the better folks like them.

Does This Sound as Though We Need Help? Thorefare Super Markets came into existence 10 years ago. The food chain stores have replaced were doing about the same business as the independent grocers. But we have liked our policies well enough to boost their purchases in our 90 stores to about 30 million dollars a year.

We call that a vote of confidence. And we're going to keep right on proving that as long as we stick to good brands and better-than-average selections at rock-bottom prices, we can compete with anybody in the business. And keep right on growing, too!

We don't believe any chain will be punished for being too big. We believe it will be punished for not being too big. We believe it will be punished for not being too big. We believe it will be punished for not being too big.

We, too, believe that it is a storekeeper's duty to bring the public the best food at the lowest possible prices, and to see the chain store way of doing business is the way to do it.

And as long as the producers, the employees, the customers, the independent grocers, the independent and competing chains thrive so well, we will continue to think it's a good way to do business.

A COMPETITOR'S OPINION of The Great Atlantic & Pacific Tea Co.

The self-styled "trust busters" of the government recently made headlines as a result of a move to destroy the A&P. Frankly, we don't like it. A&P is charged with having control of SOME of the producing and processing ends of the food business. As a result, they can offer So What...

And if monopoly of the food business is charged, that sure hands us a laff. We don't P.P.M. are growing like the wildcat. Seems like we're able to sell better foods at better prices.

Your increasing patronage of our stores is positive proof that A&P has no monopoly on the food business. Let's get down to good old American horse sense. A&P is doing a good job of serving the people of this country. They're no bogey men. We are for them 100% in this controversy.

The Anti-Trust Suit Against The Atlantic & Pacific Tea Co.

This suit is another threat against our great American system of free enterprise. The A&P Co. has always been clean, above board competition and any successful independent merchant, if he is honest, will admit that they have taught him a great many things regarding merchandising, reducing overhead, better buying, etc., thus lowering food costs for the great American Public.

Fall Vegetable Treats
This is the season when food
stores display colorful arrays of
fruits and vegetables. It's fun to
shop.

Vegetables provide large amounts
of vitamins A, B, C, E and G plus
minerals, salts, calcium, phosphorus,
iron and copper. Remember to pre-
serve all the nutritive value by
scrubbing the skins instead of peeling
away vitamins and minerals next to
the skin. Be sure to cook your veg-
etables in a small amount of water in
a tightly covered vessel only until
tender. Don't add soda to preserve
the color—its chemical action will
destroy all the nutritive value.

Before serving vegetables be sure
they are properly seasoned. Salt,
pepper and butter in the proper
amount make a gourmet's delight
out of an ordinary vegetable. Tasting
is the only way you can be sure that
each food is just the way your
family likes it.

out center pulp. Saute onions in
butter or margarine. Add eggplant
pulp, ham, rice, beef stock and sea-
sonings. Mix well. Cook 10 minutes.
Stuff eggplant halves with mixture.
Sprinkle buttered bread crumbs
over top. Place stuffed eggplant in
greased shallow baking dish. Bake
at 375° F. for 25 minutes or until
lightly browned. Serves 6

"Mightier than the sword!"

History proves that
the pen is "mightier
than the sword", and New Jersey indus-
trialists have been "mighty" themselves in
the development of today's wonder-working
fountain pens.

It's not surprising that our great state should
take the leadership in the design and man-
ufacture of precision pens. In fact, some of
your friends and neighbors are working
now for a New Jersey pen company which
is the largest manufacturer of fountain pens
in the world.

Here is but another example of the skill and
diversification of the industries which help
to make New Jersey great.

Public Service, Public Servant of a Great
State, commends the pen industry on its
progress and on its plans for future growth.

Look for the next advertisement in this
series regarding New Jersey. Copies may
be obtained by writing to Room 8308,

PUMPKIN INJURES TWO ON BUS
A large pumpkin crashed through a window of a bus at Delair, Friday night cutting the eyes of the driver and a woman passenger.

The pumpkin, police said, bounced off a truck going in the opposite direction. The truck driver, they said, continued on his way, apparently unaware of the accident.

Joseph L. Scott, 37, of Delanco, the bus driver, and Mrs. Mary G. Krantz, of 614 Thomas avenue, Riverton, one of his 25 passengers, were taken to Zurburg Memorial Hospital, Riverside. Later they were transferred to Cooper Hospital, Camden.

Mrs. Krantz was discharged after treatment and advised to consult a specialist. The left eye of each victim was cut.

The bus was en route from Philadelphia to Burlington, police said, when the accident occurred about 11 p.m., on River road at Mohican lane, Delair, Pennsylvania Township.

The two vehicles were abreast, Scott told police, when the pumpkin came through the bus window at the driver's seat.

Scott was struck by flying glass. The pumpkin broke and a piece of it hit Mrs. Krantz in the face, smashing her eyeglasses. She was sitting up front just behind the driver.

Police searched the roads but found no trace of the truck. They did find a number of other pumpkins scattered along a four mile stretch.

The Board of Managers of the Cinnamon Home takes pride in announcing the publication of a new edition of the well known cook book, in honor of the 60th anniversary of the founding of the Home. The binding is modern, but the contents are the original time-tested recipes, plus a charmingly written history of the Home.

As all devotees of this unique cook book know, it is an auxiliary volume of special dishes, not a guide to basic procedures.

As a gift at Christmas it will introduce its specialties to many new friends, while those of long standing whose copies are the worse for wear will be glad to know of this opportunity to replace them.

The cook book will be on sale at \$1.75 a copy about the first of December. An announcement will be made soon of stores and individuals from whom it may be obtained.

CALVARY PRESBYTERIAN CHURCH

Fourth and Lippincott Avenue
The Rev. R. B. Stewart, Pastor

Next Sunday morning, at the 11 o'clock service of worship the newly elected board of deacons will be ordained and installed. Those who will serve on our first board of deacons are Albert C. Farrow, William McKee, Arnold F. Schmierer, Harold G. Stevens, David Styer, Jr., and W. Edgar Weer. These men are requested to meet with the pastor in the study at 10:30, Sunday morning.

As part of morning worship the Calvary choir will render the anthem, "Spirit of God," by Humason. The history of the deacon's office, as it relates to biblical times, to the time of the Reformation, and to our current century will be presented in the morning message on the theme, "And So Fulfill The Law of God." Our Calvary Church School, with departmental worship opportunities and with Bible study classes for all age groups from Nursery (2 to 4)

will be held at the manse on Wednesday evening at 7:30 o'clock. Members will please note the change in the time of meeting.

The stewardship committee will meet at the home of Robert D. Wilder on Thursday evening, November 17, at 8:15 p.m.

The monthly meeting of the Church School Council is scheduled for Sunday evening, November 13, at 8 o'clock. Departmental meetings will be held at times arranged by the various superintendents. Following these meetings the superintendents and officers will meet to receive reports and take any necessary action.

Miss Ruby Kuensel, of East Riverton, was guest of honor at a surprise linen shower, on Wednesday, November 2, at the home of Mrs. Lewis Koppenhoffer, East Riverton.

Twenty-eight guests were present from neighboring districts. Miss Kuensel and Dean Birch, Edgewater Park, plan to be married November

17, at 2 o'clock, on the afternoon of Armistice Day with impressive ceremonies.

The invocation was pronounced by the Rev. S. Dan Morgan, pastor of Central Baptist Church, Palmyra.

Frederick M. Rodgers, for whom the post is named, attended this church.

James M. Davidson, who was in charge of the program, introduced Past Commander A. Russell DeMaris, and Commander Clarence N. Hubbs, Jr., who laid the cornerstone, assisted by Avery Willis, chairman of the building committee.

The principal speaker of the occasion was State Departmental Commander Harry V. Groom, of Riverton, who spoke on the significance of Armistice Day. He concluded his remarks by asking that all renew their pledge of Americanism and that to each there come a realization of the necessity of having God on our side.

Commander Hubbs spoke briefly concerning the plans for the new building and stated that it was not only a Legion Home, but was also a building intended for general community use whenever possible.

County Commander Murrell Woolman also commented on the occasion and extended congratulations to the local Post.

After a minute of silence in memory of the Nation's heroes who paid the supreme sacrifice taps was sounded and the benediction was pronounced by Post Chaplain DeMaris.

Miss Ruby Kuensel, of East Riverton, was guest of honor at a surprise linen shower, on Wednesday, November 2, at the home of Mrs. Lewis Koppenhoffer, East Riverton.

Twenty-eight guests were present from neighboring districts. Miss Kuensel and Dean Birch, Edgewater Park, plan to be married November

The invocation was pronounced by the Rev. S. Dan Morgan, pastor of Central Baptist Church, Palmyra.

James M. Davidson, who was in charge of the program, introduced Past Commander A. Russell DeMaris, and Commander Clarence N. Hubbs, Jr., who laid the cornerstone, assisted by Avery Willis, chairman of the building committee.

The principal speaker of the occasion was State Departmental Commander Harry V. Groom, of Riverton, who spoke on the significance of Armistice Day. He concluded his remarks by asking that all renew their pledge of Americanism and that to each there come a realization of the necessity of having God on our side.

Commander Hubbs spoke briefly concerning the plans for the new building and stated that it was not only a Legion Home, but was also a building intended for general community use whenever possible.

County Commander Murrell Woolman also commented on the occasion and extended congratulations to the local Post.

After a minute of silence in memory of the Nation's heroes who paid the supreme sacrifice taps was sounded and the benediction was pronounced by Post Chaplain DeMaris.

PALMYRA BAND PARENTS OPEN MEMBERSHIP DRIVE

The Palmyra Band Parents Club opened its seasonal membership drive last Tuesday night. Membership should reach 150.

Last year the band, under the direction of Anthony Isch, provided 12 members for the 125 piece South Jersey Band. This year, James Reynolds played with the Future Farmers of America National Band in Kansas City, Missouri. Three former members of the band are now studying in college to be teachers of instrumental music in public schools. Over 300 pupils get individual or group instruction.

Five concerts are planned by the Friends of Music, the over-all musical organization of the school. Of these the band provides three. Season tickets are now on sale.

NO NOTICE MAILED FOR SECOND INSPECTION

Motor Vehicle Director Arthur W. Magee recently reminded motorists that they will not be notified by mail when to present their cars for the second inspection period now under way. He advised them to consult the back of the first inspection period sticker which gives the month when the vehicle is due for re-inspection.

Vehicles that have not been inspected during the month specified on the back of the sticker are now delinquent, Mr. Magee warned.

OLD AGE BENEFITS

It was announced recently by Joseph M. Davis, manager of the Camden District for the Social Security Administration, that at the end of the fiscal year, June 30, 1949, Burlington county had a total of 2,287 persons receiving monthly benefits.

under the Old Age and Survivor's Insurance provisions of the Social Security Act. Total monthly payments at Burlington amounted to \$30,600. This figure includes monthly primary benefits, widow's benefits, wife's benefits, children's benefits and aged parent's benefits.

Davis observed that this means more than that just a lot of money is being paid out. Translated into human terms he said that it meant that hundreds and hundreds of families have been enabled to keep together and remain independent as well as many hundreds of children being saved from the crushing blow of a broken home and being privileged to be brought up and cared for by their own mothers. It is to be noted also that this money goes immediately into circulation thus being a considerable stimulation to business in the community. This figure is approximately an increase of \$270,000 above the previous year.

PALMYRA RUNS WILD AGAINST SALEM

Palmyra's grid team went into high gear against Salem last Saturday afternoon and rolled up its highest score of the season, winning by a 39-6 count. The engagement was played on the loser's field.

The Red and White completely outclassed their opponents in every department and showed their best form of the year.

Mr. Holly is the opponent for this Saturday in a game to be played at the county seat.

The locals will wind up the season on Thanksgiving Day afternoon with the annual Riverside classic. Kickoff at 1 o'clock.

PONTIAC AGENCY MOVES

The local Pontiac agency is now located at Riverfront Pontiac, Inc., 125 West Broad street, Palmyra, in newly constructed and spacious showrooms under the same management that formerly conducted the business at Bellevue Garage, East Riverton.

A formal opening will be announced in the near future to which the general public will be invited.

URGENT REQUEST FOR USED CLOTHING

The American Friends Service Committee is again making an urgent request for used clothing in our Tri-Borough community. With the Thanksgiving season at hand and the coming cold weather, contributions will be most gratefully welcomed.

Three locations will receive clothing: in Riverton, the Misses Coale, 100 Lippincott avenue; in Palmyra, A. D. Hoadley, 701 Lincoln avenue; in Cinnaminson, the Westfield Friends School.

If it is impossible to deliver clothing to one of these locations, telephone Mrs. William Kriebel, Riverton 9-0981-W, for a clothing pick-up at your door.

Men's and children's shoes in good repair are especially needed. Women's shoes for overseas shipment must be wide and low-heeled.

Warm garments of any sort, including bed clothing, sewing materials and soap are also urgently required for the thousands of refugees who are living in camps in Germany, many of them still unable to obtain work.

In Japan the yearly clothing ration of 1/4 pound per person means that countless people will be cold there again this winter.

Americans of many faiths have been helping needy people around the world for years through the Quaker program of distribution.

Cook Book In
New Edition

The Board of Managers of the
Cinnaminson Home takes
pride in announcing the publi-
cation of a new edition of the
well known cook book, in hon-
or of the 60th anniversary of
the founding of the Home. The
binding is modern, but the
contents are the original time-
tested recipes, plus a charm-
ingly written history of the Home.

As all devotees of this
unique cook book know, it is
an auxiliary volume of special
dishes, not a guide to basic
procedures.

As a gift at Christmas it will
introduce its specialties to
many new friends, while those
of long standing whose copies
are the worse for wear will be
glad to know of this opportu-
nity to replace them.

The cook book will be on
sale at \$1.75 a copy about the
first of December. An an-
nouncement will be made soon
of stores and individuals from
whom it may be obtained.

TEXTILE FINISHING
...an Important Industry

Some of the most popular cottons on the market acquire
their fine finish in our state. The gray goods are
shipped from the weaver to finishing plants here, where
they are converted into beautiful and practical wearing
fabrics. They are then sold to ready-to-wear manu-
facturers and to retailers for across-the-counter sales.
These materials are in demand all over the country,
and the home market absorbs a large percentage, as
the garment trade flourishes in New Jersey.

The process by which gray goods are converted into
attractively finished fabrics is a complicated one. True
colors and clearly defined patterns are not the result
of haphazard work. Machinery of a highly intricate
nature is required. Washing, printing and pressing
are among the tasks Electricity performs and Gas takes
a hand in the singeing operations.

garding your state published by Public Service

CALVARY PRESBYTERIAN
CHURCH

Fourth and Lippincott Avenue
The Rev. R. B. Stewart, Pastor
As Thanksgiving Day approaches
many will be thinking of the mem-
orable family hour of worship we en-
joyed together last year. By reason
of the cooperative spirit of the Pal-
myra Board of Education in plan-
ning to have the football game at
1 p.m., Thanksgiving Day, the Pro-
testant churches will have individual
services at 10 o'clock on Thursday,
November 24. We shall meet in the
sanctuary of the Calvary Church at
that hour, and it is requested that
we plan to worship together in fami-

ly groups, as we did last year. Spe-
cial music will be rendered by the
junior choir under the direction of
Mr. Farrow and Mrs. Bell, and by
the senior choir, with Penn Cooper
directing. The service will be from
10 to 10:45 a.m., and parents may
feel free to bring their little ones
along, as the service has been ar-
ranged to include them. The
Thanksgiving offering will be sent
to the Children's Camp at Sea Isle
City.

Next Sunday, November 20,
Church School will convene at 9:45,
with classes for all age groups. The
adult classes also meet at this hour.

Morning worship begins at 11
o'clock. The Calvary choir will
render the anthem, "Praise the Lord,
O My Soul," and "The Lord's Prayer,"
by Mallotte, will also be ren-
dered as a solo. The topic of the
morning message will be "The Lost

Chord In Our Song Of Thankgiv-
ing." The church nursery will be in
session during the worship hour for
the convenience of parents of small
children.

On Sunday evening the junior
choir will meet for rehearsal at 6:30
and the Junior W. F. will meet at 7
o'clock. The Senior W. F. will meet
at 7:30, and Jane Hemming will be
leader for the evening. The Senior
W. F. Thanksgiving Day breakfast
has been scheduled for 8:15 a.m.

RIVERTON SCHOOL NEWS

The week of November 14 to 18
has been designated as National
Book Week and since we in educa-
tion are particularly interested in
this project it was decided that a
book exhibit featuring basic books
of all grades, new editions in the li-
brary, industrial arts, home econom-
ics, music, art and professional books
be set up in the school.

During the week each class set
aside two sessions when interested
parents could visit the class and see
the classrooms in operation. We are
very happy to report that many
found the exhibit and classroom

activities both interesting and worth-
while.

On Friday morning two puppet
shows are to be seen by various
groups in the school. These puppet
shows are put on by the Dairy Coun-
cil of Philadelphia and are excellent
for boys and girls. The show
"Billie Box" will be seen by kinder-
garten through fourth grade and
grades five through eight will see
a show entitled "Circus."

It is an undoubted truth, that the
less one has to do, the less time one
finds to do it in.—Lord Chesterfield.

ORDINANCE CREATING THE
PALMYRA-RIVERTON SEWERAGE
AUTHORITY.

RECITAL

There are in and about the Borough of Palmyra, and the Borough of Riverton, both situate in the County of Burlington, New Jersey, waters which are polluted and are subject to pollution, by sewage and industrial and other wastes, arising from causes within the said Boroughs. The Mayor and Council of the Borough of Riverton has ascertained that there is imperative need to remove such wastes from pollution and thereby to reduce and ultimately abate the menace to the public health resulting from such pollution.

The Sewerage Authorities Law of the State of New Jersey (P.L. 1948, C. 138) grants power to any two or more municipalities, the areas of which together comprise an integral body of territory, by means and through the agency of a sewerage authority to acquire, construct, maintain, operate or improve works for the collection, treatment, purification or disposal of sewage or other wastes. The areas of the Borough of Palmyra and the Borough of Riverton together comprise an integral body of territory.

The Mayor and Council of the Borough of Riverton has decided and hereby determines that it is necessary and advisable and is in the best interests of the inhabitants of the Borough of Riverton that there be created a joint sewerage authority pursuant to said Sewerage Authorities Law as a public body corporate and politic and an agency and instrumentality of the Borough of Palmyra and the Borough of Riverton, for the purposes of the relief of the waters in and bordering the State from pollution arising from causes within the said Boroughs and the consequent improvement of conditions affecting the public health.

ORDINANCE

BE IT ORDAINED BY THE MAYOR AND COUNCIL OF THE BOROUGH OF RIVERTON, IN THE COUNTY OF BURLINGTON, NEW JERSEY, AS FOLLOWS:

Section 1. Pursuant to the provisions of the Sewerage Authorities Law (P.L. 1948, C. 138) of the State of New Jersey, there is hereby created a public body corporate and politic under the name and style of "The Palmyra-Riverton Sewerage Authority."

Section 2. The Palmyra-Riverton Sewerage Authority hereby created is a sewerage authority as contemplated and provided for by said Sewerage Authorities Law and shall have and exercise all of the powers and perform all of the duties provided for by said Sewerage Authorities Law and any other statutes heretofore or hereafter enacted and applicable thereto.

Section 3. The Palmyra-Riverton Sewerage Authority shall consist of five members thereof, of whom three members shall be appointed by the governing body of the Borough of Palmyra and two members shall be appointed by the governing body of the Borough of Riverton, in accordance with the provisions of the Sewerage Authorities Law.

Section 4. A copy of this ordinance, duly certified by the Borough Clerk of the Borough of Riverton, shall be filed by said Borough Clerk in the office of the Secretary of State of the State of New Jersey.

Section 5. This ordinance shall take effect as provided by law, not sooner than ten days after its publication, but shall be of no further effect after December 31, 1949, unless on or before said date, a parallel ordinance is adopted by the Mayor and Council of the Borough of Palmyra.

NOTICE

The ordinance published herewith was introduced and passed on first reading at a regular meeting of the Borough Council of the Borough of Riverton, in the County of Burlington, New Jersey, held on October 13, 1949, and will be further considered for final passage after public hearing at a regular meeting of said Borough Council to be held in the Fire House in said Borough on December 8, 1949, at eight o'clock P.M.

DANIEL M. CLIFTON,
Borough Clerk.

RIVERTON PRAISED BY FORMER PRESIDENT

The League of Women Voters of
Riverton has been working on a
booklet, "Know Your Town," and
in the past weeks The New Era has
carried stories of the League's effort
to secure donations for the publica-
tion of the book. The first letter
received with a donation the League
herewith makes public, not only be-
cause of the generous donation for
a worthwhile project, but because of
the general interest of the letter.

November 4, 1949
Mrs. F. W. Thacher, Jr.
801 Thomas Avenue
Riverton, N. J.

Dear Mrs. Thacher:
The above letterhead (Norrell
Memorial Home, Jersey City, of
which the writer is director) obvi-
ously indicates that I live a number
of miles away from Riverton; this
however in no way overshadows my
interest in the happenings of the
community, for it is the place of my
birth and rearing, and I am naturally
drawn to anything that relates itself
to Riverton.

I see by The New Era (which I
get weekly) that the League of Wo-
men Voters is sponsoring a booklet
"Know Your Town." Such a book-
let I am sure will have real appeal,
not only to those who presently live
in the community but also to many
of us who for a variety of reasons
no longer live there.
I have not only the reasons of
birth and rearing, but also that of
being a member of that very small
group of Colored Citizens who have
resided in Riverton for the past

three generations. I do hope the
booklet plans to include their con-
tribution to the community. It has
been a very real one, which some of
the members of the older generation
can give quite a full and accurate
account of.
I think I am correct in saying
that it was my Grandfather and
Uncle who were the first Stewards
of "This First Official Golf Course
in New Jersey." During that time
much of the work presently handled
by a Pro and Caddy Master was
handled by them. One of my
brothers, Ed Conwell, was a mem-
ber of the last Olympic Team at
London, and is presently co-holder
of the World's Record U. S. Indoor
Sprint Series in track and field meets.
Mrs. Dorothy Johnson Carro, was
the first Colored girl to graduate
from the local school system. She
later returned and became the first
Colored teacher in the Palmyra sys-
tem. The local Methodist Church
found its beginnings early in the life
of the community and along with the
families who comprise its member-
ship have encouraged the best cul-
turally and educationally among the
parishioners. This church has been
a real community project as we have
always been supported by many
older and sincere townsmen, as the
Biddle clan, the Lippincotts, the
Coles, the Woolmans, the Clarks and
others. From this small but in truth
dynamic Colored community have
come Postal Clerks, School Teachers,
two School Principals, an Engineer,
a Labor Leader, one Minister doing
graduate work at Rutgers, some few
in personal business enterprises in
other communities. Completely a-
side from the above I should like
to say it was your late father-in-law
who time after time assisted one of
my brothers (Irving) while he at-
tended Temple University.

Such has been the spirit of this
close knit community of Colored
Citizens who have not stood still and
let Riverton grow up around them,
but have grown themselves with the
years and the town. I am always
grateful with a warm glow of pride
as I pass through Penn street and
realize that unless one saw a Colored
face one would think of it as be-
ing no different from any other small
street in the community. The neatly
kept homes and lawns, and the ambi-
tions and accomplishments of the
people therein, ought to give full
assurance that people can live and
grow together, with nothing but re-
spect for that, and they who merit
the same.

Enclosed is my contribution to
assist this splendid work, and I am
sure you will find others who can
reveal pertinent facts regarding the
growth of Riverton.
Sincerely yours,
Frank R. Conwell.
