FERRY WILL START BY FIRST OF MAY

Charles A. Wright Addresses Boosters on Palmyra's New Enterprise

The Palmyra Boosters Club was addressed last Tuesday evening by Charles A. Wright, of the Tacony-Palmyra Ferry Company.

The new ferry, Mr. Wright said, was expected to begin operation by May 1. It has been decided not to delay the opening of traffic until the building of the ferry houses, which will require some time yet. In view of the fact that most of the patronage will be vehicular, the absence of a shelter will not be a noticeable drawback and the company is anxious to accommodate the spring traffic which is expected to be heavy.

Bids have been let for the construction of a stone roadway on the surface of the fill leading across the flats to the slip and the installation of the machinery for hoisting of the bridge is to begin at once. On the Philadelphia side, the City Councils this week let the contract for the improvement of the street leading from Tonerade avenue to the ferry landing at the foot of Levis street and this work is expected to be completed within a few weeks.

The ferry boat "Palmyra," which already has been purchased by the company is in splendid condition, of the class of the ferry having inspected her recently at Pier 14, Port Richmond. She is to be commissioned March 25. One of the directors is now at Jacksonville, Florida, looking at another vessel which the company may purchase.

The ferry company is much gratified at the prospect of the state taking over Cinnaminson avenue and building a concrete surface thereon, but it is thought that it would help if citizens of Palmyra should send a delegation to the legislature and also write to their representatives to boost this measure which it passed will provide a great improvement for the town's streets and also save many thousands of dollars which otherwise would have to be spent on the upkeep of Cinnaminson avenue.

The state highway engineer was in Palmyra Thursday going over ground with Frederick Rodgers and E. L. Williams, of Riverton, treasurer of the ferry company.

Mr. Wright explained to the Boosters the many advantages which would come to Palmyra through the ferry. It will give citizens free access to the Roosevelt Boulevard, which cost Philadelphia millions, and also provide them with a direct auto route over good roads to many points of scenic beauty and interest, Willow Grove, etc., in Pennsylvania.

Desirable citizens will be brought to the town, Mr. Wright pointed out, as the result of the new route to the north. Philadelphia, creating a demand for property here and consequently increasing real estate values and business in general.

In the course of their regular business meeting the Boosters appointed a committee to look into the matter of the new route to be made into the erection of unsightly advertising signs in Palmyra and an effort will be made to have them removed or at least barred in the future.

Concerning the condition of the town's streets it was thought the officials were doing all they could in view of the limited funds available and that considerable improvement had been made notwithstanding.

The appointment of three additional police officers for Palmyra also was recommended and it was suggested that when the police go out of town on a fire or other duties, the fire company should appoint two men to stay at the police station to take care of police affairs.

The movement for an increased number of mail collection boxes which the Boosters have been working on has resulted in the promise of five additional boxes and a plan to arrange some of the old ones.

The Club plans to enroll all its members as contributing members of the Independence Fire Company. After the regular business session an enjoyable buffet luncheon was served and a number of Field Club boys in their headquarters below were invited to share the eats.

The membership of the Boosters is steadily increasing and they are anxious to enroll as many new members as possible.

CONY AND STATE

The Public Utilities Commission last Saturday announced a reduction of Public Service Company gas rates from \$1.40 to \$1.25 a thousand. At the same time the plea of North Jersey cities for a \$1.10 rate for themselves was denied.

It will be recalled that Palmyra recently was represented at a hearing on the latter question by Frank A. Matthews, Jr., appearing in behalf of the Chamber of Commerce and Township Committee.

PALMYRA NOTES

On Wednesday evening friends of Miss Esther Frye tendered her a miscellaneous shower. A number of gifts were received.

Mr. and Mrs. John W. Rockefeller will entertain at cards, Saturday evening. The guests will be Mr. and Mrs. Earl Shoenor, Mr. and Mrs. Charles Fisher, Mr. and Mrs. Howard Stern, Mr. and Mrs. James Sweeney and Mr. George Gerber, all of whom reside in Camden.

Mr. and Mrs. Jesse M. Reid, of 812 Morgan avenue, are receiving congratulations upon the arrival of a daughter, March 5th. Mrs. Reid was formerly Miss Mary Fiestler.

A linen shower was given by Mrs. Everett Wiggins last Friday for Mrs. Mary Alabaugh, formerly of Palmyra.

We have received a postcard from Little Rock, Ark., written by Mrs. W. F. Leford, who has been visiting in Tennessee and who was then on her way to Oklahoma City for a visit. Mrs. Leford went to Tennessee by auto and will drive her car back to Palmyra as soon as the roads become passable.

Progressive merchants in Palmyra are planning to inaugurate a series of weekly "Opportunity Days" on which special bargains of all kinds will be offered the public. The sales will be under the auspices of the Chamber of Commerce and are part of the Chamber's program to promote home business and at the same time benefit the consumer. Further announcements regarding this movement will follow.

The regular monthly meeting of the Field Club Auxiliary will be held in the Club rooms next Monday evening.

Total contributions to the cause of the Near East Relief in Palmyra as the result of the canvass last week total up to the present \$840. In addition \$200 was subscribed during the Christmas time by the Baptist Church and \$100 by the Methodist Church.

The Railroad Committee of the Chamber of Commerce has received many complaints about boys loitering about the shelter shed on the south side of the station, defacing the property, indulging in profane language and creating a nuisance generally. Complaints also have been received about the door of the main station waiting room being locked on the street side.

The Rev. E. C. Cooper, of Philadelphia, will preach the sermon at the Lutheran Church Sunday evening.

Salesman wanted, new household proposition. Call at 810 Washington Avenue, Palmyra, N. J., after 7:30 P. M.—adv.

WESLEYANS BREAK EVEN

Last Friday night the Wesleyan first team took the short end of the score, when the fast Wankatunmi handed them a 24-16 defeat, but the second team reversed their elders by beating the Wankatunmi second team to the tune of 20-11.

This Friday the local boys play the strong Advocate A. A. team, of Philadelphia. Saturday the Wesleyans travel to Riverside, and will clash with the Moose team.

Friday night, March 17th we play the Eastside F. C. of Camden.

LOOK AT THIS!

Can You Beat It? All For 50c Fried oysters, chicken salad, rolls, jellies, scalloped potatoes, rolls and butter, coffee and home-made pie, served by the Philathea Class, in the Baptist Church basement, Thursday, March 23rd, five-thirty until eight.

MANY JOIN CHASE OF HOLD-UP MEN

Palmyra and Riverton Police and Citizens Take Part in Man Hunt

Palmyra and Riverton policemen and citizens took part in an exciting man hunt following a hold-up on the Burlington Pike above Cinnaminson on Tuesday.

Two Burlington grocers, who were driving a truck to Philadelphia for supplies, were blackkicked by two bandits at Jessup's corner about 10 o'clock in the morning. The cries of the victims, Michael Barbaggio and cousin, Alfo Cantarella, brought men from Jessup's farm to their aid and the hold-up men fled in different directions.

Immediately thereafter Fritz Schatzinger, a Kolb bakery truck driver who is well known all over this territory, arrived on the scene. He had seen the two bandits on the rear of the truck when it passed him at Fairview, in fact he had refused the two men a ride just below Bridgeboro.

Fritz continued on his way and upon reaching Bridgeboro stopped to tell about hold-up and told Jack Bohs to get his gun and join in the man hunt. Just then he saw one of the bandits passing the store, he grabbed the gun from Bohs and, calling him to follow, ran out and covered the highwayman while Bohs searched him. A revolver and blackjack were found. The captured man was turned over to Officers Quigley and Miller, of Riverton, who reached the scene just at that juncture.

The prisoner was given a hearing before Judge Fichter and held in \$2,000 bail and committed to the county jail. He gave the name of Nicola Juliano, of Philadelphia, and refused information about his partner.

Chief of Police Beck, of Palmyra, was called by the telephone operator and told of the occurrence. He grabbed a shotgun and got Oscar Rutschman to rush to the scene where they joined in the chase. Chief Beck found one of the blackjacks and masks used by the criminals.

The Palmyra Ambulance was summoned to take the two injured men to the Riverside hospital to have their heads dressed. County officials and others searched all about the surrounding country for the man that escaped, but could not find him.

FIRE DESTROYS BARN

Three Horses Burned on Joseph L. Thomas Farm

A fire of unknown origin destroyed the barn of Joseph L. Thomas, on the Burlington pike on Sunday night. The fire was first seen about a quarter to twelve by Officer Albert Pennington, of Palmyra, while on his rounds about town. He told of the fire house and stated the barn was owned by the late Fredmont Truman who drove the truck to the fire. The Riverton company responded to the alarm with both trucks.

The wagonshed which adjoins the barn, and the stable and cow shed, and contents were saved, but the entire stock of hay and three horses were burned. The damage is estimated at \$4,000.

Mr. and Mrs. Thomas desire to thank the members of the Riverton and Palmyra fire companies, stating that it was through the efficient work on their part that the house was saved.

PALMYRA BEATS CAMDEN IN BASKETBALL

The "Young Girls' Association," of the eight grade played the Junior Girls' of Camden, Friday evening, March 3.

The local girls travelled to Camden where the game was held. The score being 30-23, in a fast and exciting game. The lineup was as follows:—Center, Miss Alice Tracy; center guard, Frances Rhinehard; left forward, Miss Camille Gorman; right forward, Florence Rhodes; left guard, Miss Rachel Prehob; right guard, Miss Helen King. The coach, Miss Frances Ruppert, accompanied the girls.

Final settlement of the business affairs of the firm of Smith & Staveley was made on March 3, 1922, following the dissolution of partnership on June 17, 1921, and no further claims against the partnership will be allowed.

CURTIS E. STAVELEY,
JOSEPH H. SMITH.

ASTHANS BOWLING

"Demons" Gain Prestige by Taking Three Games From "Bandits"

The regular weekly league matches of Palmyra Assembly, No. 65, A. O. M. P., were rolled on Fehrie's Iverdale alleys, last Monday night, March 6th.

The first match resulted in a terrible calamity for the "Bandits," as they were laboring under a misconception as to the ability of the "Demons," who without any apparent pretext to misconstrue the intentions of the "Bandits," took all three games by a wide margin. Ville, of the "Demons," was high bowler of the match, with an average of 171 pins, while Gibbon, the Anchor Pro-Tem of the "Bandits," was second, with an average of 169. Hamelmann again deserves special mention for his average of 160. Gibbon had high individual game of 211. The score of the match follows:—

DEMONS		
Babensien	130	137
Hamelmann	152	135
Zimmermann	146	101
Simons	165	149
Ville	150	192
Totals	743	714

BANDITS		
DeCoo	163	90
McCoy	85	96
Jander	122	111
Williams	116	141
Gibbon	211	164
Totals	697	621

In the other match of the evening the "Bootleggers" improved their hold on second place by taking two out of three games from the "Pirates." White was high scorer of this match, with an average of 178, and Hughes was a close second, getting 229 in his last try, after having met disaster in his first two attempts. White and Hughes each also had a 20 game. The score of the match follows:—

BOOTLEGGERS		
Hughes	173	149
McMahon	89	127
Letford	139	127
Wright	168	137
Fehrie	152	129
Totals	722	650

PIRATES		
Alloway	112	174
Finney	117	157
Winn	159	86
White	159	218
Craig	177	112
Totals	651	630

"Artie" Wright continues his firm hold on first place in the individual averages (handicap added) with 175; Cranmer is second, with 169; and Fehrie is third, with 164.

The atmospheric conditions at the alleys were materially improved by the introduction of a new and up-to-date system, which we are quite anxious to now introduce to the "Outlaws" and the "Buccaneers," next Monday evening, as those teams did not roll during the past week. Take heed, "Outlaws" and "Buccaneers"—it is not always wise to "Take All."

CARD OF THANKS

I desire to take this means of publicly thanking our friends of Palmyra, for the evidence of heartfelt sympathy and many acts of kindness which were extended to me and my family, at the time of our bereavement. We deeply appreciate this friendliness in a time when friends are a helpful need.

MR. P. F. OWENS, Sr.,
Miss Dorothy Soast, of Philadelphia, spent last week-end with relatives in Palmyra.

RIVERTON ITEMS

Herman Deneeler and Edward Jessup, of Cinnaminson, and Allen Moore, of Moorestown, started Saturday on a motor trip to Indianapolis, Indiana.

The first night they arrived at Cumberland, Maryland, a distance of 318.7 miles from home, through rain and sleet and over mountains 1600 feet above sea level. The second day out, owing to muddy roads, the mileage made was not quite as great, being 255 miles, which put them at Zanesville, Ohio, the next day they completed the journey, a distance from home of about 800 miles, and write that they have had a delightful trip and have greatly enjoyed the beautiful scenery, which exists over the entire trip, and have had no trouble whatever. They will return home by train after a short visit in Indianapolis.

On Monday afternoon a number of young men broke into the house of the Riverton Yacht Club and broke a lot of targets besides doing considerable damage to the property. The second time this year and the officers of the club believe it is time to take stringent measures to put an end to these depredations. A special meeting of the club will be held next Wednesday evening, at which time it will be decided just what will be done about it.

The "Murdock property," as it is still known to most folks, which was purchased some time ago by a group of Palmyra men, was broken into and some of the interior woodwork, mirrors from over the fireplace, etc., carried off. Herbert Trout, of Palmyra, one of the owners, discovered the place to be open last Sunday morning. When he went inside he found a lot of stuff piled up ready to be carried off, and some had already been taken away. The man in which the woodwork had been removed indicated that it had been done by a carpenter or someone accustomed to this kind of work. Mr. Trout notified Chief of Police Geiss.

Salesman wanted, new household proposition. Call at 810 Washington Avenue, Palmyra, N. J., after 7:30 P. M.—adv.

Ross E. Mattis received notice of the confirmation of his appointment as postmaster of Riverton on Saturday, and took charge of the office on Wednesday.

While at work in Henry Moyer's house about the middle of last month, David Salckler, a painter, had occasion to enter the house to unfasten some storm sash that were hooked on the inside. He saw a \$8.00 purchase coin lying on the bureau and put it in his pocket. Later he bought nearly \$250 worth of merchandise and had it charged to the owner of the coin. Last Thursday night Chief of Police Geiss was called in consultation, located the man, obtained his confession and placed him under arrest when the victim's charges (handicap added) came up on probation and given time in which to pay back the money.

The Near East Relief drive in Riverton last week resulted in the collection of \$1726.21 in cash and pledges. The quota set for Riverton was \$2400.

Mr. and Mrs. E. H. Royer, of Angora Terrace, Philadelphia, entertained Miss Mary E. Steele on Sunday last.

Miss Adaline Seel, of Palmyra, spent several days this week with Miss Mae Brown.

William Crouch, who was operated on last Friday for appendicitis, in the Riverside Hospital, is reported doing well.

Mrs. Hensen, of Philadelphia, is visiting her daughter, Mrs. Charles Wagner, of Camden.

Miss Edna Fiesler Hinkle, of Ashville, North Carolina, is spending a month with her father, John C. Hinkle, of Broad street.

G. W. Crawford and family are at Atlantic City for a few days.

The Misses Biddle have returned to Hibernia, Florida.

Mrs. G. H. Wheeler and daughter have returned to their home in New Brunswick.

Mrs. Robert A. Irving, of Haddonfield, will speak on Women's Responsibility at the monthly meeting of the Parent-Teacher Association, to be held in the Public School Auditorium, on Thursday, March 16th, at 3:30 o'clock. Tea will be served and a Victrola Record will go to the grade having the largest percentage of mothers attending.

Mrs. Seward Tremain and daughter, of Bridgeton, spent last week-end with her mother, Mrs. P. A. Houghtaling.

Robert C. Ayres, of Cinnaminson, street, who underwent a serious operation at the Pennsylvania Hospital recently under the direction of Dr. Charles Mitchell, returned home Tuesday and is doing well.

While on her way to Pennsylvania Tuesday, Miss Jane McDermott was stricken with heart trouble, and stopped at the home of Mrs. W. J. Brooks, who had employed her many times. Continued on Third Page.

DIRECTOR SPOULE TO ADDRESS CHAMBER

Member of Mayor Moore's Cabinet to Talk on Port of Philadelphia

George W. Sproule, director of wharves, docks and ferries, in the cabinet of Mayor Moore, of Philadelphia, will be on hand to address the Palmyra Chamber of Commerce at its meeting in Society Hall next Tuesday evening.

Mr. Sproule is one of the best known and popular men in Philadelphia. He has the reputation of being a splendid speaker and always has something interesting to say. In his address to the Chamber of Commerce he is expected to talk on a subject that lies close to his heart and one that he is eminently qualified to speak upon, both because of his experience and his official position—the development of the port of Philadelphia.

This subject should be of interest to Palmyrians, not only because of their interest in Philadelphia, but also because of their interest in Palmyra, because the port of Philadelphia embraces Palmyra's riverfront also, as it includes all the Delaware river from Chester to Bristol.

The officers of the Chamber are very anxious that all the members be out to hear Mr. Sproule and thereby show their appreciation, since he is giving his time to the meeting free of charge, not even being reimbursed for the expenses of the trip.

AGED SUICIDE DESPONDENT

Louis Evers Brooded Over Going to Old Man's Home

The suicide of Louisa Evers, 73 years old, who killed herself with a shotgun at the Field Club ground last Friday noon is said to have been due to the fact that he had been brooding over going to a home for the aged. He had signed papers to go to a Lutheran home and the fact that he was no longer to have a place of his own apparently weighed on his mind.

Evers told Thomas Wilkins some six months ago that he expected to kill himself. The gun was in his house, and he had been given to Joseph Hunter to sell for him, but on Friday he got it again, saying he had changed his mind.

Evers had been worrying for some time about a place to live and of late had been provided with a comfortable place in Joseph Evers' garage. He was buried Monday from the home of a brother, Henry Evers, 1514 North 57th street, in Philadelphia.

BASKET BALL

This Friday evening the Wesleyans clash with the fast Advocates A. A. teams of Philadelphia. Saturday night they travel to Riverside to mix it up with the Moose team. Next Friday night, the East Side F. C. 1st and 2nd, will be the attraction at the Temple Gym. These will be good games and well worth the price of admission, which is only 15c for adults and 10c for children. Games start at 8:15 at 6th and Morgan.

HARRY READ WARREN

Harry Read Warren, seven years old, died on Sunday, March 5. He was the son of Sherman L. and Helen C. Warren. Services were held at home, 411 Thomas avenue, Wednesday afternoon at 2 o'clock, conducted by the Rev. Arthur S. Lewis. Interment was made at Colestown cemetery under the direction of Frank A. Enover.
