# TACONY-PALMYRA FERRY STARTS ON SATURDAY

## High Officials to Take Part in Ceremonies Celebrating Event

After a lapse of a quarter of a century, the dream of Charles A. Wright has come true, and the Tacony-Palmyra Ferry will be opened to the public on Saturday, May 6th, following appropriate exercises on both sides of the river.

On the Pennsylvania side addresses will be made by Mayor Hampton Moore, Director of Wharves, Docks and Ferries Sproul and Director of Public Safety Cortelyou. The music will be furnished by the Municipal Police Band, of Philadelphia and the Pennsylvania guests will be brought to Tacony aboard a police tug and a fire tug.

On this side of the river, Judge Kates, of Camden and Judge Wells, of the Burlington County Court, will be the chief speakers, and music will be furnished by the Griffenberg Band.

The exercises will be held from two to three o'clock, when the boats will take passengers and guests on one free trip. At the conclusion of the program the speakers and a number of guests will retire to "Evergreen Farm," at the Welsh Road and Northeast Boulevard.

The history of the ferry dates back twenty-five years, when Mr. Wright, was for a time, about the only one who visualized the possibilities of such a venture. Later he interested the late Joseph Morgan, and the Hardings and the Distons, from the other side.

At that time it was proposed to have the New Jersey landing on the Gatzmuth lot, between John Frishmuth's and Cecil Fittler's. This selection of the landing killed the project for a time, as there was unalterable opposition to it.

About fifteen years ago the project was revived, and E. L. Williams became interested with Mr. Wright. Surveys were made and much data obtained, but nothing came of it at that time.

About three years ago the promoters of the plan again became active and enlisted the services of United States Congressman Peter Costello, on the Pennsylvania side. One day while they were talking in Costello's office they were overheard by someone who tipped off George T. Sales, a promoter, who immediately obtained option on the ground that would be needed for the new ferry, which he later sold to the ferry company, and of which he had become a director.

At the annual meeting in April of this year, Mr. Sales was retired from the directorship.

The Levis street landing of the ferry, on the Pennsylvania side is five and one-half miles east of Market street wharf and even after the bridge is completed, Asbury Park will be eleven miles nearer over the ferry than by the bridge route.

Directors on the New Jersey side are D. W. Roland, of Riverton, John H. Siner, of Edgewater Park, S. S. Daniels, of Riverton, with whom Charles L. Asam, of Philadelphia, has been closely identified.

The Stanley Motion Picture Company has been engaged to make films of the opening exercises on both sides of the river.

The Boosters' Club of Palmyra, will take part in the opening ceremonies. Meeting at Society Hall at 2.30, with their families and friends and headed by the band, they will parade to the ferry landing.

History of the Ferry  
The movement which resulted directly in the present ferry has a somewhat checkered history. It was late in the summer of 1920 that vague rumors were floating about to the effect that some large enterprise was shortly to be started which would have a far reaching effect on the future of the two towns.

The story came out in our issue of September 24, 1920, that a ferry company which had been organized on the Pennsylvania side had purchased the R. W. Rogers property at the foot of Main street, Riverton, to be used as the site of the landing.

Rivertonians rose in protest and a movement was organized to bring the

ferry to Palmyra. A public meeting was held on October 19 in the high school auditorium under the auspices of the Chamber of Commerce at which various ferry officials spoke and an almost unanimous vote was taken inviting the ferry to Palmyra.

A deal by which a landing site at the foot of Cinnaminson avenue was obtained from the water company was reported in our issue of November 26.

In the meantime Charles A. Wright had become a leading spirit in the new company and other Jerseymen in Burlington County had also become directors.

A fight over granting riparian rights for the new site followed.

Albert S. King, whose home is just west of the landing, sought to block the grant by filing an injunction against it, on the grounds that the ferry would injure the value of his property. The grant, however, was obtained.

Then there was a dispute over the name of the company which had hitherto been known as the Tacony-Riverton Ferry Company. This was changed to Tacony-Palmyra.

Work of dredging to build the roadway 900 feet out to the low water mark began on March 8, 1921. This work met with several delays, due to breaking machinery, necessity of letting the ground settle, etc., and each time there was a halt, opponents of the venture raised the cry that the whole proposition had collapsed from lack of funds, etc.

However, the ferry is now a fact, despite gloomy forecasts of various persons who sought to discredit it and now the much mooted question of "What the ferry will do for Palmyra" will soon be solved by concrete results.

## BOOSTERS' MEETING

Interesting Features Promised For Next Thursday Evening

The monthly meeting of the Boosters' Club, postponed from last Tuesday evening, will be held in the P. O. S. of A. Hall, Thursday evening next, May 11th, at eight o'clock.

The meeting promises to be one of the most interesting which the club has thus far held owing to a program which has been carefully arranged.

William C. Coates, president of the club, has procured Hon. Frank S. Van Hart, Mayor of Camden, as the speaker of the evening.

Citizens of the town are invited to the meeting and an invitation has also been extended to the Township and County officials, members of the Chamber of Commerce and members of the old Palmyra-Riverton baseball team, of which Mr. Van Hart was an enthusiastic associate.

Attendance of the members of the Palmyra Field Club has also been requested. Music will be furnished by the Royal Orchestra, and local talent will furnish several vocal numbers.

One of the first temperance movements recorded in America was started at Litchfield, Conn., in 1789, when several hundred farmers came together and pledged themselves not to use any distilled liquors or intoxicants in doing their farm work the ensuing season.

## FIELD CLUB OPENS SATURDAY AT DELANCO

"Our Hap" Gets Pessimistic in Reviewing Practice of Locals

By "HAP" MATHEWS

The Field Clubbers under the personal direction of Manager Harry Nichols galloped over the greensward of the home lot last Saturday for the final canter before the barrier is sprung this week on the great national sweepstakes.

We sat cur, if on one of the few things that have not yet collapsed in the "finest athletic field in the state" with a heartful of optimism. We seemed to feel that we could gallop to press this time with a lurid tale of promise for the hungry local fans. We looked in vain for some young sensation with enough "vim and vigor" to rave about. We saw nothing.

This message will be brief and to the point. This is the "low down" on my personal observations. Unless I am sadly mistaken the present aggregation hasn't a snowball's chance in the league scuffle. Understand we are with them lock, stock and barrel to the bitter end. It is our aim to give praise when praise is due and criticism in like manner, but personally I am not going to compose bouquets to satisfy anyone's vanity.

This is my end of the game and I intend to run it to suit myself.

The season opens this Saturday with Delanco at Delanco. It is the initial blast of the league schedule.

"Babe" Flynn, the real all-around star of the locals, will mount the hill with the hurling assignment. Parry the latest acquisition to the squad will be on the receiving end. "Buck" Trumen will cover last, "Gobbie" Trablone will cover the keystone. King will appear them at the hot corner, Russ Gibbons at short, that superb fielder Sammie Rodgers will be in left, the old reliable "Babe" MacMullen in center and the spry "Buck" Trumen will cover last.

With proper coaching this outfit will improve, but they will never prove a serious contender for the coronation of the present league.

But they are our boys, and folks back 'em up. Give them a hand.

## POPPY SALE

Legion Auxiliary to Make Memorial Flowers For Sale

Throughout the State of New Jersey on Saturday, May 27, poppies made by all the units of the Legion Auxiliary will be for sale. This is entirely a state institution, conducted by the American Legion Auxiliary of the department of New Jersey, for the establishment of the Convalescent Homes in this state.

It is the biggest constructive piece of work the Auxiliary has ever undertaken, right in line with the hospitalization work that we consider our greatest field of activity. We estimate that over a hundred boys or seven of them, where our boys can recuperate in a home atmosphere.

The Auxiliary of Post Frederick M. Rodgers is making two thousand poppies as its share. Mrs. Rodgers, mother of our own Frederick M. Rodgers, is at the head of our poppy campaign. We need the co-operation of all the members of the Auxiliary in making these flowers and likewise in selling. Those of you who have the welfare of the boys at heart, will respond to the call. If any member wishes instruction on the material to make the poppies they may call upon Mrs. Carl J. Jefferson, 326 Horse avenue. If it is impossible to make these at home there will be a special meeting the second Tuesday in May, the ninth, at 8 P. M., at the Legion Rooms. Six or seven of them, where our boys can recuperate in a home atmosphere.

The Wesleyan Class held its banquet on Thursday evening of this week.

W. H. Albertson and W. H. Bottger, of Riverton, are delegates to the National League of Masonic Clubs which will meet the week of May 22, in Atlantic City.

"Dad" passed another milestone in his life on Sunday and quite a party celebrated the event at his home on Highland avenue. There were a dozen guests from Philadelphia and eight from Palmyra.

The business branch of the Chamber of Commerce held a meeting Monday evening to take up some of their problems and have scheduled another meeting for next Monday evening at which every member is urged to be present, and on time, so that several important matters can be decided upon.

Miss Wilhelmina Kincaid, 91 years old, was taken to the Trenton hospital in the Palmyra ambulance last Friday. Miss McKinley, the nurse, attended the patient, and the ambulance was handled by Messrs. Baer, Matlack and Shover. Miss Kincaid is a sister of the late Mrs. Ella A. Wilson.

A sign has been erected at Broad and Cinnaminson, calling attention to the fact that the state will begin work on the permanent resurfacing of Cinnaminson avenue from Broad street to the river about June 15, and asking

Twilight Baseball  
The Twin City Twilight League  
plans  
interwinning season.

The Twin City Twilight League  
was organized last Friday evening  
and promises to be one of the best  
baseball organizations in Burlington  
County.

The organizers had only one  
thought in mind and that was to  
furnish the towns of Palmyra and  
Riverton with a pleasant social fea-  
ture on three evenings a week.

It is a money making propa-  
ganda in the section. It is really  
to maintain and none of the  
men playing will be strangers to the  
spectators.

In other words the Twin City Twi-  
light League teams are composed of  
your neighbors, your friends, your  
father, your husband, your son, your  
brother, a real home affair.

The organizations in the league  
are the Artisans, the P. O. S. of A.,  
the K. of P. of the Palmyra, the  
Knights of the American Legion and the  
Western Men's Bible Class.

These organizations have in their  
memberships a me of the best ball  
players in the section. It is really  
can be seen that this is intended as  
real baseball enterprise and not a  
hoax.

Through the able assistance of the  
moving picture theatre, the league  
will hold its games on Wednesday eve-  
ning, June 21, and Thursday eve-  
ning, June 22. The main attraction  
will be William de Munn's “The  
Betts.” This picture has had a  
phenomenal run in New York and  
Philadelphia and is certainly  
worth to thank the theatre manage-  
ment for its part in looking this  
spectacle. Miss Lela Wilson is sup-  
ported in the play by Miss Sils,  
Helen Ferguson and Theodore Hill.

Hear in mind the date, May 31  
and June 1.—Adv.

MEMBERSHIP DRIVE Nets Big Gains  
Urges Police Protection

As the result of the membership drive, Secretary Rustic announced at the meeting of the Chamber of Commerce on Monday night that 100 new members had been added, a record for the Chamber, bringing the total number of members in good standing up to 217.

This makes the Chamber one of the largest organizations in the city and its power for accomplishing its purpose is greatly increased.

The results of the drive were most gratifying to the older members, especially to those who have been active in the drive, as was revealed by the remarks of Secretary Rustic.

**CLEAN-UP WEEK**

Get Your Year's Accumulations Rubbish Ready to Be Hauled Away

Overseer of Roads and Streets Winfield Land announces that Palmyra's clean-up week will be held during the month of June.

During this time (30-70-70) will send cars all over town to take away all the refuse, old tin cans, boxes and cans on the street corners. The refuse will be removed, but the cans will be left. The cars will go to the house and lot in the corner of the street. The cars will be properly collected and put out of town in time.

Winfield Land intended to make the announcement last week, but slipped his mind and inasmuch as the County Convention is on, he decided to read the notice to the readers to spread the news and remind each other to be prepared.

The purpose of calling a special meeting is to get going on our carnival which will be held on the Leaning Tower Friday and Saturday nights, June 2 and 3 and if it should rain either night the carnival will be Monday night, June 5.

The trustees held a meeting last Tuesday night and appointed James M. Weart as chairman of the carnival committee which follows: Street, Lincoln, Richter, Don Knowlton, Harry Allen, T. H. Bromley, Harry Fisher, Raymond Bailey and Charles Hahn.

All of the attractions have been mapped out and a man placed in charge of each one. It is the hope of the committee that every man will pitch in and help to put the carnival over in good style.

It is the desire of the committee to run one of the best carnivals ever given in the Old Burg. Can't hardly call it a burg now that we have a ferry running into the town and we are planning a lot of new attractions along with the usual attractions of our carnival.

NOTICE TO FARMERS  
While riding over the sheet  
metal roads in the County, I find  
that numerous farmers are thought-  
lessly driving their cultivators, cut  
harrows, and other farming im-  
plements over the County roads,  
in a number of places only from  
their lanes across the roads, to the  
fields on the opposite side, and by so  
doing, they are doing up the asphalt  
and cutting as deep as one-half an  
inch into the wearing surface of the  
pavement, which is extremely dan-  
gerous to the public. I am, therefore,  
calling on the farmers to stop this  
practice, and to use their lanes for  
their own use, and to use their  
implements on their own land, and  
not on the County roads.

## P. O. S. OF A.

Will Attend Memorial Service as  
Guests of Legion

Rodgers Post of the American Leg-  
ion will attend Memorial service in  
the Central Baptist Church on Sun-  
day evening next, 28th, and have  
asked Washington Camp, No. 23, to  
be their guests on this occasion.  
Members will meet at the Legion  
rooms at 7.25. A large turn-out is  
desired.

The camp had two surprise visits  
on last Monday evening. One was  
from a delegation of Wayne Com-  
mandery of Merchantville and the  
other was from Camp No. 127, of  
Ardubon. The visitors left Palmyra  
fully alive to the fact that Camp No.  
23 was able and willing to fight for  
the principles of the organization.

The Memorial Day exercises will  
be held under the joint supervision  
of the American Legion and the P.  
O. S. of A. Members of the camp  
are requested to meet at the camp  
room on Tuesday, May 30th, at 1.15  
P. M., to assist in the proper observ-  
ance of the day.

In the month of June Camp No.  
23 will initiate their one thousandth  
member, (and then some). This will  
be made the occasion of a great cele-  
bration, with a band of music, red  
fire, speeches, etc. We expect  
the largest gathering of our mem-  
bers on that night that we have had  
for many years.

Nothing so exemplifies the new  
spirit in Camp No. 23 as the quick-  
ness with which they defend the  
principles of the order. The old  
story of the man with the whip and  
the hornet's nest, is very aptly ap-  
plied, when any derogatory remarks  
are made about the camp and the  
order. An organization that you be-  
lieve in is worth fighting for.

## GRIER-MEAD

Miss Alice Mead, daughter of  
James L. Mead, of 516 Leconey ave-  
nue, will become the bride of the  
Rev. Walter Lee Grier, pastor of the  
Methodist Church at Roberts, Mon-  
tana, at the Columbia avenue M. E.  
Church, Philadelphia, at noon  
Saturday, the ceremony being  
performed by the Rev. Rob-  
ert C. Wells, in the presence of 250  
guests, including many clergymen  
and teachers, friends of the bride  
and bridegroom.

Miss Mead has been a teacher at  
the Commodore Barry school in  
West Philadelphia for several years  
and the Rev. Mr. Grier was formerly  
pastor of churches in Monmouth  
County, New Jersey, having recently  
taken the Montana charge to benefit  
his health.

The young couple will combine  
their wedding tour with their jour-  
ney home, visiting all the large cit-  
ies en route, and the Yellowstone  
Park, which is near Roberts.

For country sports wear with can-  
vas or buckskin shoes, plain white  
hose stockings, instead of silk.
